---

To the Inhabitants of the Town of Haverhill in the County of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, March 9, 1954, at ten o'clock in the forenoon to act on the following matters:

Article 1. To choose a Town Clerk.

Article 2. To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners and any other town officers heretofore chosen and to pass any vote relating thereto.

Article 3. To choose one Selectman for the term of three years, a Town Treasurer, one Highway Agent, one or more auditors, one Library trustee for the term of three years, one Cemetery Commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To see if the town will vote to contribute funds for the construction of Class V highways as provided in Chapter 188, Part 13, laws of 1945, and to raise and appropriate the sum required for this purpose.

Article 5. To see if the town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the town, as recommended by the finance committee in its budget report, to raise and appropriate all sums so determined for the purposes so determined, and to pass any other vote relating thereto.

Article 6. To see if the town will vote to authorize the selectmen to issue interest-bearing notes or orders to provide for the current year's expenses in anticipation of taxes.

Article 7. To see if the town will vote to authorize the selectmen to distribute the inventory blanks by mail or at the time they examine the taxable property.

Article 8. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired by the town through collector's deeds.

Article 9. To see if the town will vote to appoint or elect a budget committee to supervise the appropriations of the town and to recommend to the next annual town meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To see what action the town will take relative to Civilian Defense and to raise and appropriate the sum required for this purpose.

Article 11. To transact any other business proper to come before said meeting.

Given under our hands and seal this 23rd day of January A.D. 1954.

## REPORT OF THE SELECTMEN

---

To the Citizens and Taxpayers of the Town of Haverhill:

We herein submit our Annual Report for the year ending December 31, 1953. Our detailed statements will be found on the following pages.

It will be noted in our reports that this year we closed the year with a balance on hand. This has not happened in a good many years and we feel that it has been through the cooperation of all Town Officials that this has been accomplished.

The Town Hall has been completely rewired and new emergency lighting installed. We hope that the citizens will inspect this work for we feel that an excellent job has been done with a minimum of expense.

As this report is being written the Town and Woodsville Fire District are recovering from the shock of a staggering fire. The heartening part of such an experience is the way the citizens of the Town and their neighbors rally to the aid of those affected.

During this year it was necessary for us to readjust the complete valuation of real property in the Town and we sincerely wish to thank the Taxpayers for their understanding and cooperation in this task.

EZRA B. MANN  
ROY E. DUNKLEY  
EDWIN A. SPOONER

Story hour for children was held in the summer once a week for six weeks. Thirty-five children registered.

Book and Education Weeks were observed by giving instruction in the use of the library to high school English classes. Mrs. Kendall and Mr. Dumais accompanying the classes to the library where the students were shown by the librarian the material available to them and how and where to find it.

The librarian attended the New Hampshire Library Association in the spring serving on the program committee and as hostess. She attended the New England Library Meeting at Swampscott in the fall.

The circulation for this year numbers 21,306—this is 863 more than last year. It is interesting to note that two months, March and November, numbered over 2000 each.

It was with regret that we accepted the resignation of G. H. McGaw as treasurer of the Woodsville Library. His interest and attention to the library has been an inspiration to all of us. We wish to take this way of showing our appreciation for his unfailing interest and labor and to wish him well.

## WOODSVILLE SCHOOL WARRANT

### The State of New Hampshire

To the inhabitants of the Union High School District of Woodsville qualified to vote in district affairs:

You are hereby notified to meet at the Community Building in said district on the 12th day of March, 1954, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue

and the appropriation, which balance is to be raised by taxes by the town.

9. To choose a Library Trustee for the ensuing year.

10. To see if the district will vote to raise and appropriate the sum of One Thousand Dollars (\$1000.00) for the support of the Woodsville Free Public Library.

11. To see if the district will vote to authorize the application of any unanticipated income to expenses.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Woodsville this 25th day of January, 1954.

The school system was again fortunate in having a low percentage of personnel replacement, there being only four changes, one in the elementary building, two at the High School, and the music instructor.

Mr. McKelvey was promoted to the principalship of the Graded School and Mrs. Marion Lewis of Woodsville was employed as teacher of grade seven, filling the vacancy caused by the resignation of Principal Jeffery. Mrs. Lewis is a Plymouth graduate with several years of successful teaching experience in the elementary field of education.

Mrs. Katherine Hatch, of Woodsville, was welcomed back at the High School to her former position as commercial teacher.

Miss Patricia Heap, of Marshfield, Massachusetts, a graduate of Middlebury College, A.B., replaced Mr. Stoebel as music supervisor. Miss Heap also has graduate credit at Boston University College of Music.

Mr. Robert Dumais, of Somersworth, New Hampshire, a graduate of Plymouth Teachers College, holding a B. of Ed. degree, replaced Mr. Perry as social science instructor and coach of boys' athletics. Mr. Dumais previously taught and coached at Enfield High School.

The plan of improving the physical plant by replacing obsolete equipment yearly is being realized as per schedule by your Board of Education. This year a new asphalt tile floor was laid in room "3" and the old desks and chairs replaced by moveable ones. This completes the renovating and furnishing of the three classrooms on the first floor on the west side of the high school building. It is planned to complete room "4" next year.

The land south of the High School building was purchased as instructed by the voters at the last district meeting. Trees have been removed and stumps cleared away. The land should be graded in the spring after which an excellent athletic field can be developed.

The practical arts building is proving its worth. There are 58 boys and 40 girls that receive instruction there weekly in general shop and auto mechanics for the boys as well as clothing and textiles and Homemaking for the girls. Both boys and girls participate in general shop and in home economics.

If a child is to live well with others, he must first accept himself; he must feel that he is adequate. The school exists to help the child better understand and accept himself, to extend his experience in many and varied areas, and to help him to work with others to satisfy common needs.

The continued efforts of the citizens to support their schools, the interest and activities of the school board in establishing school policies, and the efficient duties by developing a sound philosophy of education in the schools is

hereby acknowledged with sincere approval and appreciation.

Your attention is directed to Principal Pendo's report of the administrative activities of the Woodsville High School. Also, to the report of the Woodsville Cooperative School Study Committee and to the report of the School Nurse.

Respectfully submitted,  
PHIL A. BENNETT

## REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I herewith submit my tenth annual report of Woodsville High School for the year ending January 31, 1954.

### Enrollment

The enrollment for the school year 1953-1954 included 138 pupils.

Distributed according to classes they were as follows:

Seniors	29
Juniors	29
Sophomores	32
Freshmen	48
	<hr/>
Total	138

## Graduates

Diplomas were awarded to the following graduates on June 11, 1953:

Charles Ashley	George Lewis
Evelyn Beck	Philip Martin
George Batjiaka	Bernice Millette
Gerald Davidson	Flora Palmer
Jackaline Douglas	Charles Paradie
Robert Fortier	Dorothea Pitanis
Ruth Gallagher	Joyce Raynor
Norma Garceau	Roderic Richardson
Natalie Graham	Frank Rowden
Richard Hamel	Roger Roy
Margery Jones	Grayce Taylor
Shirley Lackie	Mildred Thornton

Anna Winchester

## Scholarships

The following scholarships were awarded:

- First Honor: Gerald Davidson
- Second Honor: Shirley Lackie
- Third Honor: Natalie Graham
- Fourth Honor: Dorothea Pitanis

The Alumni Attainment Award was given to Dorothea Pitanis; the Perley N. Klark Awards for excellence in Music went to Margery Jones and Grayce Taylor; the Bausch & Lomb Science Award was presented Shirley Lackie; the Sgt. James M. Jackson Award for excelling in U. S. History went to George Batjiaka; The Becker Junior College Key for excellence in commercial subjects was awarded Shirley Lackie; the Danforth Books "I Dare You" were awarded to Richard Hamel and Dorothea Pitanis.

## Activities

The activities program consisted of the following: Elective physical education for both the boys and the girls; touch football; outdoor and indoor basketball; softball; and baseball. Ping-pong tables were built and placed in the recreation room for lunch hour activities. Skiing was discontinued due to lack of interest, lack of coach, and lack of snow.

In the spring of 1953, Mr. Frank Woodward, assisted by Mrs. Arlie Covell, put on "Old Snoopy" as the annual school play. It was much enjoyed by an enthusiastic audience.

The cheerleading was again second to none as all cheerleaders were veterans. Cheerleading contest was sponsored and our cheerleaders acted as hosts to the visiting teams. Lancaster High School came out the winner.

Both basketball teams achieved heights never before reached. For the first time in Woodsville's history, Coach Robert Perry's basketball team won the State Class C Championship at Durham! Winning ten and losing five games during the regular season, the Engineers qualified for tournament playoffs, beating Lincoln 73 to 60, Charlestown 55 to 53; in the semi-finals taking Henniker 57 to 54 and trouncing Whitefield High in the finals, 68 to 50. Charles Ashley and William Bolos were named on the All-Tournament team.

The girls' team, coached by Miss Lois Litz, captured their fourth consecutive Ammonoosuc League title, winning all their league games, but dropping two non-league contests, one to Bradford and one to Lancaster.

In baseball, the Engineers won the Ammonoosuc League title. They competed in the New Hampshire Class C Tournament, beating Sunapee 13 to 4, but losing to Troy 5 to 6.

The 1952-53 sports year was indeed a successful one for Woodsville High!

The financial statement of the above activities is as follows:

Activity	Income	Expense
Basketball	\$ 1,812.04	\$ 1,528.52
School Play	193.20	96.17
Baseball	62.80	153.80
Deficit from last year		94.23
	<hr/>	<hr/>
Totals	\$ 2,068.04	\$ 1,872.72
		<hr/>
Income		\$ 2,068.04
Expense		1,872.72
		<hr/>
Profit		\$ 195.32

### Curriculum

The academic standards of Woodsville High have constantly risen. Required and elective courses have been strengthened by addition of new and up-to-date textbooks, workbooks, films, film slides, and guidance material. More students have enrolled in home economics and shop courses and students have been encouraged to take advantage of the beautiful Practical Arts Building.

Sixty percent of the class of 1953 are attending higher institutions of learning. Reports received from respective colleges and universities show that practically all of them are doing well. This in itself is definite indication that the standards of Woodsville High are high.

In the fall of 1953, Mr. Robert Dumais replaced Mr. Robert Perry as Social Science teacher and coach, while Mrs. Vern Hatch replaced Mrs. Alan Rich in the Commercial Department. Miss Patricia Heap replaced Mr. Robert Stoebel as music supervisor.

## General Information

The Cycle, the quarterly publication, was issued by the Commercial Department under the guidance of Mrs. Vern Hatch and Mrs. Virginia Kendall.

Friday's assemblies have been sponsored by teachers and students. These assemblies consisted of speakers, movies, student plays, musical and quiz contests. Most of them proved to be not only entertaining but educational as well.

It is a pleasure for me to work in such a community where the cooperation is so willingly given, not only by Superintendent Phil Bennett and the School Board, but the public in general. My thanks go out to all of you who have helped and worked with me to make Woodsville High School what it is today.

Respectfully submitted,

A. G. PENDO

## REPORT OF WOODSVILLE CONSOLIDATED SCHOOL COMMITTEE

Following the regular school meeting, this committee was appointed by the moderator to consider the numerous factors involved in the possible effectuation of a consolidated school. The committee has had several meetings of its own members and with representatives of similar committees from the communities of Bath, Benton, North Haverhill, Haverhill, Pike, Piermont, and Warren, as well as consultations with the school board, Commissioner Buley, and the superintendent.

Factors taken under consideration have been: number of school-age children from each community, both now and for some years to come; location of children's homes; transportation facilities in existence and to be needed; tax rates and comparative contributions from communities; existing

plant, facilities, and amount of space to be needed; site of consolidated school. Finding the latter to be a subject of potential controversy, a special site committee has been chosen to investigate all the possibilities to ensure that the best possible location can be selected.

The committee was also asked to evaluate the feasibility of dissolving the Woodsville district in order to facilitate the organization of a consolidated school. It feels that no recommendation can as yet be made either way, since further data to be assembled on the topics previously mentioned will have considerable bearing on the feasibility or non-feasibility of dissolution.

Finally, the committee feels that in view of the progress made so far, and the importance to the district of the final objective, careful study should continue to the point where final recommendations can be made.

Respectfully submitted,  
 Woodsville Consolidated School

### NURSE'S REPORT

Number of Pupils Examined		375

Vision	41	27
Hearing	3	2
Teeth	73	163
Tonsils	20	3
Skin	9	
Communicable Diseases:		
Chicken Pox	50	
Measles (German)	14	
School Visits	105	Home Visits 41

The annual vision screening tests were completed in all grades. When symptoms of defects were found, written notices were sent to parents or guardians.

I would like to thank the Colase Lions Club for their assistance, through their sight conservation program, in providing examinations and glasses, when necessary.

The individual audiometric sweep check hearing tests were completed in grades 1 through 12. Pupils failing this test were later given a full audiometric test and, when necessary, were referred to their family physician for further examination.

The first, fourth, and eighth grade pupils received a physical examination by their family doctor or the school physician, Dr. E. C. Campbell.

Many of the first grade pupils were examined in kindergarten so that there would be an opportunity to correct any defects before the child entered the first grade in the fall.

There were a series of three immunization clinics sponsored by the State Department of Health. Several school children were immunized at these clinics.

Three pupils were examined and X-rayed at the Chest Clinic in June. One pupil attended the child guidance clinic in May.

I would like to thank the Progressive Club for sponsoring the mid-morning milk program and for their assistance and cooperation at the immunization clinics.

I wish to express my appreciation to Mr. Bennett, Dr. Campbell, the teachers, and the parents for the kind cooperation which I have received this year.

Respectfully submitted,

4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are received from the state foundation aid fund together with other income; the school board to certify to the select-

men the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see what sum of money the district will vote to raise and appropriate for the support of the school lunch programs.

10. To see what sum of money the district will vote to raise and appropriate for the support of a dental clinic.

11. To see if the district will vote to authorize the application of any unanticipated income to expenses.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Haverhill this 6th day of January, 1954.

At the opening of schools on September 9, 1953, there were enrolled 293 resident pupils located as follows:

North Haverhill	109
Haverhill Corner	84
Pike	44
Center Haverhill	23
Woodsville Graded	31
Bath	2

There were also three tuition pupils from Benton attending the school at Pike and one private tuition at Haverhill Corner.

The Academy registered 75 resident students and there are 17 attending Woodsville High School. At the Academy, there are seven tuition students, six from Piermont and one from Benton, making a total enrollment of 82. 92 resident students are attending secondary schools.

The Academy opened the year with Mrs. Alan Rich of Franconia and Mrs. Doris Slight of Haverhill as new faculty members. Mrs. Slight, however, being incapacitated, was relieved of her duties until December 7th, by Mrs. Inez Cookson of Groton, Vermont and North Haverhill, who proved a most able and acceptable substitute.

Mrs. Rich is a commerce major with a B.Ed. degree from Plymouth Teachers College. She previously taught at Dow Academy and more recently at Woodsville High School. She teaches commercial subjects at the Academy.

Mrs. Slight is well known to all Haverhill residents and had previously been a member of the Haverhill Academy faculty for several years. She returned to her former position as Home Economics instructor.

Only three other changes occurred in the teaching staff. Mrs. Phyllis Page transferred from Pike to the intermediate grades at Haverhill Corner. To replace her, Mr. Earl Harris of Franklin was employed as Principal and teacher of grades V-VIII at Pike. Mr. Harris holds a B.Ed. degree from Keene Teachers College. He has had several years of successful teaching experience both in secondary and elementary education fields, as well as extensive travel and the administering of instruction courses in the armed services. Mrs. Gertrude Brooks, who formerly taught in the primary room at Pike, returned to replace Mrs. Louise Wilson who moved from town last summer.

Tribute is hereby paid to Harley Atkins who, for many years, served as custodian of the Haverhill Academy buildings. The length of service of such a public servant is to be highly commended. "Harley's" position has been filled by Mr. Oscar White who is efficiently and conscientiously carrying out the work of plant custodian at Haverhill Corner. One must not only have the physical ability to perform such a task, but also the patience, disposition and temperament to understand children and to cooperate with the faculty of his school. Mr. White is ably filling these requirements to the satisfaction of all concerned.

The district's support of the school lunch programs at North Haverhill and Haverhill Corner is appreciated. Mrs. Sawyer and Mrs. Chapman continue to serve appetizing and nutritious meals economically and well. The contribution of money by the V.F.W., also of both volunteer work and financial aid by the Haverhill Corner P.T.A. and of the North Haverhill Girls' Club are gratefully acknowledged. It is hoped that district aid may be increased to more adequately support these programs.

The continued growth in the school population in the area bordering the Woodsville-Haverhill school district line is causing an ever increasing tuition item for the Haverhill district. This item in the 1952-1953 school year amounted to \$7,630.00, in 1953-54 to \$8,490.00, and is estimated for 1954-1955 at \$10,060.00. In the best estimate of the Co-operative School Study Committee, Haverhill's yearly cost of a twenty-year bond issue for a consolidated school, housing grades VII-XII, would not be over \$8,937.50, as is illustrated in the following table:

District	Pro-rated cost on \$500,000. capital investment per year on 20-year Bond Issue	
	VII-XII	
	% A.D.M.	A.D.M.
Bath	12.25	\$3,062.50
Benton	2.25	562.50
Haverhill	35.75	8,937.50
Haverhill-Woodsville	25.50	6,375.00
Piermont	11.25	2,812.50
Warren	13.00	3,250.00

Not only does such consolidation of the secondary pupils seem economically sound but the over-crowded condition of the Haverhill Corner grammar school would be relieved by the loss of its two upper grades. The same reduced enrollment at North Haverhill would allow the remainder of the Center Haverhill pupils to be transported to North Haver-

hill, thus eliminating the obsolete water and toilet facilities now tolerated at the Center school.

If a child is to live well with others, he must first accept himself; he must feel that he is adequate. The school exists to help the child better understand and accept himself, to extend his experience in many and varied areas, and to help him to work with others to satisfy common needs.

The continued efforts of the citizens to support their schools, the interest and activities of the school board in establishing school policies and the efficient guidance by the teachers in carrying out their professional duties by developing a sound philosophy of education in the schools, is hereby acknowledged with sincere approval and appreciation.

Your attention is directed to the reports of the Principal of Haverhill Academy and of the School Nurse which follows this report.

Respectfully submitted,

PHIL A. BENNETT

## PRINCIPAL'S REPORT

To the Superintendent of Schools:

I submit herein my thirtieth report of Haverhill Academy and High School for the year ending December 31, 1953.

The total enrollment for the school year beginning in September to date has been eighty-three. Of this number five have left school leaving an enrollment of seventy-eight as of date.

The enrollment by classes is as follows:

	Boys	Girls	Totals
Seniors	7	7	14
Juniors	7	13	20
Sophomores	13	12	25
Freshmen	11	13	24
	—	—	—
	38	45	83

There are only seven tuition pupils enrolled this year. Of this number six come from the town of Piermont and one from Benton. This is the smallest number of tuition pupils enrolled at Haverhill Academy over a period of the last twenty-five years. It would seem that some effort should be made to increase the number particularly from the areas of Piermont, Warren, and Benton. The cost of maintaining schools affords an excellent example of the principle of operating under "diminishing costs." That is, the cost of providing for additional pupils is nowhere near proportional to the increase in pupils. This is true at least up to the point of increase where additional teachers and or additional space would be required.

Diplomas were awarded to the following graduates in June: William Ames, Nelda Bean, Shirley Bruce, Annette Darling, Richard Fagnant, Louise Hood, Shirley Hood, Maxine Houston, Shirley Ingalls, Rita McCoy, Sheila McKean, Joyce Merrill, David Monroe, Evelyn Irwin Smith, and Ann Swan.

Scholastic honors were won by the following graduates

in the order named: Maxine Houston, Shirley Ingalls, Evelyn Irwin Smith, and David Monroe. Maxine Houston was awarded the Scholarship, Loyalty, and Achievement medal and Shirley Ingalls was awarded the John Dexter Locke Latin Prize. The Eighth Grade Improvement Prize was awarded to Rupert McKean. Six of the fifteen graduates are continuing their education in post-secondary institutions.

No significant changes have been made in the Program of Studies. The registration cards show that there are *fifty-two* enrolled in the *general* curriculum, *eighteen* in the *business education* curriculum, and *thirteen* in the *scientific*. If this distribution of pupils among the three curricula would hold through the four years, our school would probably be providing its fair-share of pupils trained in the prerequisites at least to meet the demands of our present economy. But this distribution does not hold through to graduation. There is a tendency for pupils who start out in the scientific curriculum in their freshman year to change to the general curriculum. In some instances this is justifiable. Consequently the number who do graduate in the scientific curriculum is very small. At the present time there are but *four* of the *thirty-four* in the senior and junior classes combined who will graduate in the scientific curriculum. There is a tendency to avoid the more difficult and challenging subjects in the advanced sciences and mathematics. Not only is this trend characteristic of our high school and other high schools throughout the country but it is even more pronounced in our colleges. The net result is that there is an alarming shortage of scientifically and mathematically trained personnel to meet the ever increasing demands that a highly technological society such as ours imposes. More high school and college students who have the ability should elect and carry through to graduation the scientific and mathematical courses. Failure to do so will result in a leveling-off of our advancement in the field of science and eventually in failure to maintain our present level.

The Driver Training course continues to be popular. There are twenty taking the course this year. There are fifty pupils in school who are or will be sixteen years old or older by March 1st when the present course ends. Of this number thirty-three have had or are taking the course. Of the twenty now in school who hold driver-licenses thirteen have previously completed the course. That these courses offered in the high schools throughout the country are paying dividends can readily be seen in the low accident rate among those who have taken the course as compared with a like number of drivers in the same age-group who have not taken it. Further evidence that driver training courses reduce accidents is observable in the reduced rates offer by insurance companies in several states to those who have taken the course.

An average of approximately one hundred and twenty-five including both the elementary and high school are being served by the Hot Lunch Program. Twenty-five cents buys a hot, well-prepared, and well-balanced lunch. The program is under the direction of Mrs. Chapman again and sponsored by the Haverhill Corner P.T.A.

The athletic teams, the glee club, the Student Council, the class organizations, the dances, and parties give all an opportunity at least to participate in some activity outside of the regular class work and thereby give to each a feeling of responsibility and a sense of belonging.

Recent purchases from the appropriations made by the Trustees for specific purposes include the following: Risers for the stage at Alumni Hall, sixty steel folding chairs, liquid duplicator, new attractive backstop for both commons, and the usual appropriation for visual aids.

The hearty cooperation of all connected with the work of our school is gratefully acknowledged and deeply appreciated.

Respectfully submitted,

FRIEND H. JENKINS

## NURSE'S REPORT

Number of Pupils Examined		362
Symptoms of Defects:		Corrections:
Teeth	186	142
Tonsils	59	
Vision	42	24
Hearing	2	1
Cases of Communicable Diseases:		
Chicken Pox	25	
Pediculosis	2	
Scabies	8	
School Visits	131	Home Visits 87

The annual vision screening tests were completed in all schools. When defects were found, written notices were sent home to parents or guardians.

I would like to thank the Haverhill Chapter of the American Red Cross for their assistance in the Sight Conservation program.

The individual audiometric sweep check hearing test was completed in all grades. Pupils that failed the sweep check test were later given a complete audiometric test and were referred to their family physician for further examination when necessary.

During April, May, and June, a series of three immunization clinics were sponsored by the State Department of Health. Twenty-two school children received immunizations at these clinics. Thanks are due the V.F.W. and its Auxiliary for assistance at these clinics and transportation provided to and from each clinic.

One pupil attended the Child Guidance Clinic held in Lebanon in February.

I am very happy to report that a most successful dental clinic was held. Pupils from the 1st and 2nd grades were taken to Dr. Philip Munson's office in Bradford, Vermont. There was a total of seven mornings 9-12. Fifty-two child-

ren were examined by Dr. Munson and forty-five of this number received treatment. Permanent teeth only were filled. Cleanings and emergency extractions were done when necessary. Transportation was donated by parents and others interested in the success of the clinic. In this way, all funds raised for dental clinic were used for actual dental care.

Thanks go to the V.F.W. and its Auxiliary for \$10 which was given for the dental clinic.

The Red Cross Home Nursing Course was offered to Junior and Senior girls in the Home Economics Class at Haverhill Academy. At the completion of the course, pins and Red Cross Home Nursing Certificates were given. The local chapter of the Red Cross supplied money to purchase many of the supplies used in the course. Larger items, such as beds, linens, etc., were borrowed from the County Hospital. I would like to thank Mr. Ronald Sargent, Chairman of the Haverhill Chapter of Red Cross, Mrs. Hazel Clark, Home Nursing Chairman, Christele Aldrich, Matron Grafton County Farm, and everyone that helped make this course available.

I wish to express my appreciation to Mr. Bennett, to the teachers, and to the parents for the kind cooperation which I have received this year.

Respectfully submitted,  
MRS. MURIEL LAMOTT, R.N.  
*School Nurse*
