School Report

The number of pupils enumerated by the Truant Officer, between the ages of five and sixteen, is ninety-nine.

The schools, as a whole, have run smoothly, and for the most part, satisfactorily. We have been fortunate to have for the greater part of the year teachers of experience.

In these days when education counts so much, when it is something that once acquired cannot be taken away, and when towns are spending so much money that every child, whether rich or poor, may have a good education, we feel that the parents should do their part by seeing that each child above eight years of age, if not prevented by sickness, is in school every day.

Unless children are present every day it is impossible for the teacher to keep them along, and the child soon loses ambition to keep up with its class.

The number of pupils not absent or tardy for the year has doubled that of last, and is for the most part children who have the longest walk. We hope the coming year will see this number again doubled, when we shall feel that parents are waking up to the necessity of daily attendance.

During the year new seats and a hard pine floor have been put in the school room at Crawley's Falls. The North Road school room has been repainted. Also several minor repairs at South Road.

The sheds at Crawley's Falls and Marshall's Corner need to be shingled and the one at South Road needs new sills and other repairs. A new fence is needed at Marshall’s Corner.

Education is the debt we owe the future generation. Do not let Brentwood be behind other towns in doing its duty.

Pupils not absent or tardy for three terms: Hattie Page, Harry Hoyt, Ruth Colcord, Dorothy Swasey, Helena Swasey, Minnie Haigh, Harry Haigh, Dorothy Haigh, Grace Haigh, Dorothy Bartlett, Elizabeth Flanders, Harold Snyder, Elliot Hoyt.
