1982 TOWN REPORT

**Londonderry
New Hampshire**

**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Londonderry in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Matthew Thornton School in said Londonderry on Tuesday, the eighth day of March, next at seven of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1

To choose all necessary Town Officers for the ensuing year, or until another is chosen or appointed and qualified.

ARTICLE 2

To raise such sums of money as may be necessary to defray Town charges for the ensuing eighteen month transitional accounting period and make appropriations of the same.

ARTICLE 3

To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 4

To see if the Town will vote to authorize the Selectmen to sell at public auction or by advertised sealed bid and to convey any real estate acquired through deeds from the Collector of Taxes, or as reimbursement for assistance furnished to citizens, providing that in the case of tax deeded real estate, the previous owner, or his or her heirs, if known, or its successors or assigns in the case of a corporation, shall have first opportunity to purchase the same, and pass any vote relating thereto.

ARTICLE 5

To see if the Town will authorize the Selectmen to make application for, to accept and to expend on behalf of the Town any and all grants or other funds which may now or hereafter be forth coming from the United States Government and/or the State of New Hampshire.

ARTICLE 6

To see if the Town will vote to ratify the return of land required by the Planning Board to be dedicated to the Town for recreational/municipal purposes as a condition of approval of subdivisions and to authorize the Selectmen to convey such land in the future to avoid costly legal proceedings and adverse court decisions.

ARTICLE 7

To see if the Town will vote to ratify the sale by advertised sealed bid of Lot 153 on Map 15 (corner of Sanborn and Rockingham Road) and to ratify the conveyance of said real estate which is no longer needed for municipal purposes and should be returned to taxable status.

ARTICLE 8

To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budgeted appropriation for the following specific purposes and in the amounts indicated herewith or take any other action hereon:

APPROPRIATION	AMOUNT
Insurance	\$ 80,000
Blue Cross/Blue Shield	\$140,000

ARTICLE 9

To see if the Town will raise and appropriate the sum of \$950.00 for the purpose of providing bus service through the Newmarket Regional Health Center, Inc. for the elderly and handicapped citizens of Londonderry.

ARTICLE 10 **By Petition**

To see if the Town will raise and appropriate the sum of \$500.00 for the purpose of providing assistance to the Senior Citizens through the Retired Senior Volunteer Program.

ARTICLE 11

To see if the Town will vote to accept and appropriate State Aid for the construction of Class V roads and to raise and to appropriate the sum of \$2,751.60 and the state will contribute the sum of \$18,344.00.

ARTICLE 12

to see if the Town will vote to raise and appropriate the sum of six hundred eighty five thousand two hundred dollars (\$685,200) for the construction of approximately 11,500 feet of water main from the Derry Water Works water main at South Road and Gilcreast Road following Gilcreast Road northerly to Route 102, westerly on Route 102 to McAllister Drive, westerly on (Old Nashua Road) McAllister Drive to Constitutional Drive. A booster pumping station would be built on Gilcreast Road. Such sum is to be raised by the issuance of serial bonds or notes for a period not to exceed twenty (20) years under and in compliance with the provisions of the Muncipal Finance Act and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to ake such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town, and to authorize the

ARTICLE 16

To see if the Town will vote to raise and appropriate the sum of ninety five thousand dollars (\$95,000) to purchase a fire pumping truck and equipment. Such sum to be raised by the issuance of serial bonds or notes for a period not to exceed twenty (20) years under and in compliance with the provisions of the Municipal Finance Act, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town.

ARTICLE 17

To see if the Town will vote to authorize that the Londonderry Conservation Commission be empowered to manage Town owned forested land, and that any proceeds that might accrue from said forests be placed in the Conservation Commission Fund to be managed and expended by the said Commission in accordance with the purposes of the Conservation Commission (RSA Chapter 36-A).

ARTICLE 18 (Adjusted Elderly Exemption)

Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married, a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's residence.

(Voted by ballot) (RSA 72:43-e)

ARTICLE 19

To see if the Town will vote to adopt the following ordinances:
An Ordinance relative to the sale, distribution and use of Unvented Space Heaters.

BE IT ORDAINED BY THE BOARD OF SELECTMEN OF THE TOWN OF LONDONDERRY AS FOLLOWS:

PURPOSE

This ordinance is enacted to promote the health, safety and general welfare of the community by regulating the sale, distribution and use of unvented space heaters.

DEFINITIONS

Occupied structure: shall mean any structure, vehicle, boat or place adapted for overnight accomodation of persons, or for carrying on a business therein, whether or not a person is actually present and includes structures appurtenant to occupied structures and seasonal dwellings whether vacant or occupied.

Unvented space heater: shall mean any heating appliance, either wick, wickless or pot burner type, which uses oil, gas or kerosene for fuel, is either stationery or portable, and the products of combustion of which are not directly conducted to the outside of the building via chimney connect or pipe.

USE

No unvented space heater shall be installed or used in an occupied structure.

Unvented space heaters may be installed and used in an unoccupied structure only by permit.

PERMIT REQUIRED: FEE

No unvented space heater shall be sold, distributed or used in the Town of Londonderry without first obtaining a permit therefor from the Chief of the Fire Department or his designee.

The fee for each permit to use an unvented space heater in an unoccupied structure shall be two dollars (\$2.00).

EXCEPTIONS

Nothing in this ordinance shall prevent the sale, installation, or use of the following heaters:

- a) the flameless catalyst type heaters; or

b) unvented space heaters used as antiques or curios, provided they are rendered inoperative or

c) the salamander type heaters, provided that they are used solely in accordance with the standards contained in Chapter 4-4.7 of the National Fire Protection Association, Number 31; or

d) the salamander type heaters for temporary use in an unoccupied structure.

VIOLATION

Any person who sells, distributes, installs or uses an unvented space heater in violation of any section of this ordinance shall be guilty of a violation and subject to a fine not exceeding one hundred dollars (\$100.00).

Every day that a violation continues after the person has received notice of the existence of the condition that constitutes the violation shall be deemed a separate offense.

ARTICLE 20

To see if the Town will adopt the 1981 Life Safety Code published by the National Fire Protection Association, Inc. and direct that it be enforced by the Londonderry Fire Department. (This code establishes various requirements in the construction of buildings that are designed to provide safety to people in the event of fire) providing that this code take effect immediately upon adoption and further providing that the following provisions and amendments be incorporated in this Code:

That the Town of Londonderry ordains that the following new standards be established:

ARTICLE 20

To see if the Town will vote to adopt the following ordinance concerning the regulation of smoke and/or heat detection devices in occupied dwelling units so as to provide safety to people in the event of fire.

BE IT ORDAINED BY THE BOARD OF SELECTMEN THAT:

Every occupied dwelling unit must have at least one smoke and/or heat detector for the protection of life and property. Smoke and/or heat detection devices required by this regulation shall be approved by Underwriter Laboratories (U.L.) or Factory Mutual (F.M.), and shall be capable of producing an audible alarm of sufficient loudness to awaken occupants of every dwelling unit that they are designed to protect, and shall be maintained in operating condition at all times. These requirements are in addition to any other detection or suppression system that is required.

All occupied dwelling units shall have such detection devices installed in accordance with the written instructions issued and enforced by the Londonderry Fire Department or Inspection Department.

Any person who shall violate any of the above provisions shall upon conviction thereof be fined not more than one hundred (\$100) dollars. Every day that a violation continues after the owner has received notice of the existence of the condition that constitutes the violation shall be deemed a separate offense.

ARTICLE 21

BE IT ORDAINED BY THE SELECTMEN OF THE TOWN OF LONDONDERRY AS FOLLOWS:

Town of Londonderry Water Use Ordinance

I. DEFINITIONS

- A. "Town" shall mean the Town of Londonderry, Board of Selectmen, Board of Water commissioners, or any other authorized representative of the Town.
- B. "Customer" shall mean any individuals, partnerships, firms, associations, corporations, city, government, or governmental divisions who own property supplied from Town water mains.
- C. "Main Pipe" shall mean the supply pipe from which service connections are made to supply water to customers.
- D. "Service Pipe" shall mean the pipe running from the main pipe to the edge of the customer's property.
- E. "Utility" shall mean any individuals, partnerships, firms, associations, corporations, municipal governments, or governmental divisions who are authorized by the Town and/or the PUC to sell water within specific franchise areas.

II. EXTENSIONS OF WATER MAINS

- A. Main pipe extensions within the public right-of-way shall be laid by the Utility or the Town or its authorized representative and shall be the property of the Town.
- B. Highways and streets in which an extension is to be made shall have been laid out, lines and grades established, rough graded, and dedicated to public use by official action of the Town, or under the subdivision approval process by the Town.
- C. The size of the pipe shall be determined by the Town, but shall be no less than six (6) inches in diameter. The material of con-

struction for the water mains shall be ductile iron. No other material shall be acceptable.

D. Extensions of water mains shall be made by the town for two reasons:

1. An extension petition signed by the majority of owners, of land along both sides of the proposed extension.
2. The Town's Board of Selectmen and the Board of Water Commissioners may select certain streets for water main extensions where there is a readily apparent need.

E. Extension Petitions

1. An extension petition signed by the majority of owners of land along the proposed extension shall be executed at the Selectmen's Office in the presence of authorized personnel. The extension under petition shall be laid along the entire frontage owned by the petitioner(s).
2. The completely executed petition will be presented to the Board of Water Commissioners at its next regular monthly meeting.

F. Front Foot Assessments

1. All water main extensions authorized by the Town's Board of Selectmen and Board of Water Commissioners shall be paid for by abutting landowners as follows:
 - a. An abutting residential landowner shall pay the cost of one-half of the water main installation along his front footage up to a length of 200 feet for water mains eight-inches or less in diameter. Commercial and industrial landowners shall pay for the cost of water main installation on a case by case basis.
 - b. For water mains greater than eight-inches in diameter, the abutting residential landowner shall pay one-half of the per foot cost of the water main installation for an equivalent eight-inch pipe along his front footage up to a length of 200 feet.
 - c. For landowners with corner lots, the front footage assessment shall be paid for only on the side adjacent to the water main. In cases where the water mains are installed on both streets, the landowner shall be assessed a front footage assessment for one side only, that side being the

longer of the two. In any case, the landowner shall not be assessed a front footage charge for more than 200 feet of front footage.

- d. The Town shall pay the cost per linear foot for water main extensions in street intersections, along public lands, and along undeveloped land.
- e. When a water main for residential usage greater than eight-inches in diameter is installed, the Town shall pay the difference in installation cost between the larger diameter water main and those of an eight-inch diameter water main. Commercial and industrial landowners shall pay for the cost of water main installation greater than eight-inches in diameter on a case by case basis.
- f. Where a landowner has front footage in excess of 200 feet, the Town shall pay the front footage assessment for front footage in excess of 200 feet.
- g. The Town shall place a lien on all developed property with front footage in excess of 200 feet and all undeveloped property. The lien shall state that:
 - (1) Any developed property with a front footage in excess of 200 feet which is subdivided in the future shall be assessed additional front footage charges for each additional developed property up to an additional 200 feet of front footage for each additional developed property.
 - (2) Any undeveloped property shall be assessed front footage charges for each property developed in the future for up to 200 feet of front footage for each developed property.
 - (3) Each landowner with greater than 200 feet of front footage will be required to sign a contract which shall be binding on the landowner(s), his, her, their heirs, executors, administrators or assigns, its successors or assigns and shall be a lien on the property of the landowner(s).
 - (4) Future payments for water mains abutting presently undeveloped property shall be based on the total cost to the town for that front footage that is developed,

which cost shall include principal and interest payments over the life of the bond.

- h. Landowners may pay a front footage assessment in one initial payment or on an annual basis over the life of the construction bond and at the interest rate of the bond.

III. CONNECTIONS

- A. No water service connection shall be made or water service rendered to any privately owned pipe or consumer group unless approved by the Board of Selectmen and the Board of Water Commissioners of the Town of Londonderry and/or the Utility.

IV. WATER BETTERMENT TAXING PROCEDURE

A. Intent

- 1. The intent of this procedure is to establish an internal municipal system of approving and recording the payment of water betterment taxes.

B. Notification of Connection

- 1. The Board of Water Commissioners shall notify the Selectmen's Office when the Utility has installed a water service on a property in the Town of Londonderry.
- 2. This information will be used for determining the interest due on the water betterment tax bills.

C. Water Betterment Tax Bills

- 1. The water betterment tax bills are to be prepared by the Assessor's Office and sent to the property owners for payment.
- 2. The Tax Collector shall approve all interest charges before the water betterment tax bills are rendered for payment.

D. Collection

- 1. The water betterment tax payments are to be collected by the Tax Collector and turned over to the Town Treasurer using the customary practice of weekly payments.
- 2. A separate account shall be maintained by both the Tax Collector and the Treasurer for the water betterment tax payments.

E. Problems

If any problems or questions arise that must be resolved, the Selectmen shall be contacted by the Board of Water Commissioners, Assessors, Tax Collector, and/or Town Treasurer.

V. PETITIONING THE UTILITY

- A. Nothing in this Ordinance precludes a customer from petitioning directly to the Utility for a water main extension within the franchise area if Town funding or participation is not required.

VI. PRECEDENCE

- A. This Ordinance takes precedence over all previous Water Use Ordinances.

ARTICLE 22

BE IT ORDAINED BY THE SELECTMEN OF THE TOWN OF LONDONDERRY AS FOLLOWS:

SEWER USE ORDINANCE

The Rules and Regulations herein set forth for the maintenance and operation of the Londonderry Municipal Sewer System are established by the Board of Sewer Commissioners of the Town of Londonderry as necessary or desirable for the efficient operation of said Londonderry Municipal Sewer System and for accomplishing the purposes of RSA 149-I, as amended, and for the protection of the health and safety of the people of Londonderry and for accomplishing the purposes of RSA 147, as amended.

The Board of Sewer Commissioners was established at the March 5, 1974, Annual Town Meeting. Article 16 of the Town Meeting established a Board of Sewer Commissioners under the provisions of RSA 149-I, Sections 19 through 22. Article 17 of the Town Meeting empowered the Town to construct and maintain sidewalks and sewers under the provisions of RSA 149-I.

Pursuant to RSA 149-I, and every other authority thereto enabling, the Board of Sewer Commissioners of Londonderry enact and ordain the following rules and Regulations, which are also adopted by the Health Officer of Londonderry and approved by the Selectmen pursuant to RSA 147.

ARTICLE I

DEFINITIONS

SECTION 1.01. Unless the context specifically and clearly indicates otherwise, the meaning of terms and phrases used in this Ordinance shall be as follows:

- A. "Building Sewer" shall mean the extension from the sewer drainage system of any structure to the lateral of a Sewer.
- B. "Town" shall mean the Town of Londonderry, Rockingham County, New Hampshire, a municipality of the State of New Hampshire, acting by and through its Board of Sewer Commissioners.
- C. "Improved Property" shall mean any property located within the Town of Londonderry upon which there is erected a structure intended for continuous or periodic habitation, occupancy or use by human beings or animals and from which structure Sanitary Sewage and/or Industrial Wastes shall be or may be discharged.
- D. "Industrial Establishment" shall mean any room, group of rooms, building or other enclosure used or intended for use in the operation of one (1) business enterprise for manufacturing, processing, cleaning, laundering or assembling any product, commodity or article or from which any process waste, as distinct from Sanitary Sewage, shall be discharged.
- E. "Industrial Wastes" shall mean any and all wastes discharged from any Industrial Establishment, other than Sanitary Sewage.
- F. "Lateral" shall mean that part of the Sewer System extending from a Sewer to the curb line or, if there shall be no curb line, to the property line or, if no such Lateral shall be provided, then "Lateral" shall mean that portion of, or place in, a Sewer which is provided for connection of any Building Sewer.
- G. "Owner" shall mean any Person vested with ownership, legal or equitable, sole or partial, or possession of any Improved Property.
- H. "Person" shall mean any individual, partnership, company, association, society, corporation, or other legal entity.
- I. "Sanitary Sewage" shall mean normal water carried household and toilet wastes discharged from any Improved Property, excluding ground, surface or storm water.
- J. "Sewer" shall mean any pipe or conduit constituting a part of the Sewer System used or usable for sewage collection purposes.
- K. "Sewer System" shall mean all facilities, as of any particular

time, for collecting, pumping, transporting, treating and disposing of Sanitary Sewage and Industrial Wastes, situated in the Town of Londonderry and owned, maintained and operated by the Town of Londonderry.

- L. "Natural Outlet" shall mean any outlet into a watercourse, pond, ditch, lake or other body of surface or groundwater.
- M. "Septage" shall mean the sludge produced in individual on site wastewater disposal systems, principally septic tanks cesspools. Septage consists of a mixture of sludge, an accumulation of solids at the bottom of the tank, and scum, a partially submerged mat of floating solids that form at the surface of the fluid in the tank and the fluid itself.

ARTICLE II

USE OF PUBLIC SEWERS REQUIRED

SECTION 2.01. Pursuant to the provisions of RSA 147 and 149-I and any other authority thereto enabling, the Owner of any Improved Property benefited, improved, served or accommodated by any Sewer, or to which any Sewer is available, shall connect such Improved Property therewith, in such manner as the Town of Londonderry may require, within forty-five (45) days or such appropriate time established by the Sewer Commission after notice to such Owner from the Town of Londonderry to make such connection, for the purpose of discharge of all Sanitary Sewage and Industrial Wastes from such Improved Property into the Sewer System, subject to such limitations and restrictions as shall be established herein or otherwise shall be established by the Town of Londonderry, from time to time. All property owners with parcels of land which generate sewage with a boundary line within 200 feet of the public sewer system shall be required to make connection to the public sewer system. Each such Owner shall, within the same time limit, cease and desist from all further discharge of Sanitary Sewage and/or Industrial Wastes into any other conduit or pre-existing system whether privately or publicly owned.

SECTION 2.02. All Sanitary Sewage and Industrial Wastes from any Improved Property, after connection of such Improved Property with a Sewer as required under Section 2.01, shall be conducted into a Sewer, subject to such limitations and restrictions as shall be established herein or otherwise shall be established by the Town of Londonderry, from time to time.

SECTION 2.03. No Person shall place or deposit or permit to be placed or deposited upon public or private property within the Town of Londonderry any Sanitary Sewage or Industrial Wastes in violation of Section 2.01. No Person shall discharge or permit to be discharged to any natural outlet within the Town of Londonderry any Sanitary Sewage or Industrial Wastes in violation of Section 2.01, except where suitable treatment has been provided which is satisfactory to the Town of Londonderry and the New Hampshire Water Supply and Pollution Control Commission.

SECTION 2.04. No privy vault, cesspool, sinkhole, septic tank or similar receptacle shall be used and maintained at any time upon any improved Property which has been connected to a Sewer or which shall be required under Section 2.01 to be connected to a Sewer.

SECTION 2.05. No privy vault, cesspool, sinkhole, septic tank or similar receptacle at any time shall be connected with a Sewer.

SECTION 2.06. Septage shall not be allowed to be discharged into the public sewer system of the Town of Londonderry, but shall be taken to a facility approved by the Board of Sewer Commissioners for proper treatment.

ARTICLE III

BUILDING SEWERS AND CONNECTIONS

SECTION 3.01. Except as otherwise provided in this Section 3.01 each Improved Property shall be connected separately and independently with a Sewer through a Building Sewer. Grouping of more than one (1) Improved Property on one (1) Building Sewer shall not be permitted, except under special circumstances and for good sanitary reasons or other good cause shown, but then only after special permission of the Town of Londonderry, in writing, shall have been secured and subject to such rules, regulations and conditions as may be prescribed by the Town of Londonderry.

SECTION 3.02. All costs and expenses of construction of the Building Sewer, from connection to the sewer in the street, construction of the Lateral to the property line, and construction of the Building Sewer to the building served, including connection to the structures served, shall be borne by the Owner of the Improved Property to be connected; and such Owner shall indemnify and save harmless the Town of Londonderry, its officers and agents, from all loss or damage that may be occasioned, directly or indirectly, as a result of construction of a Building Sewer on his premises or its connection to the Sewer System. An Applica-

tion fee of two hundred dollars (\$200.00) shall be charged for an application to connect to the sewer. This application fee shall provide compensation for processing the application, inspection of the lateral and building sewer installation, and connection tee to the sewer in the street. The Londonderry Sewer Commission and/or its authorized representative shall furnish and install the connection tee to the sewer in the street. The Owner shall be responsible for construction and installation of the Lateral and Building Sewer from the sewer in the street to the building, except for the connection tee to the street sewer. After the initial construction of the Building Sewer, the Owner shall be obligated to pay all costs and expenses of operation, repair and maintenance and of reconstruction (if needed) of both Building Sewer and Lateral sewers beginning at the street sewer and ending at the building.

SECTION 3.03. A Building Sewer shall be connected to a Lateral at the place designated by the Town of Londonderry and where the Lateral is provided.

The invert of a Building Sewer at the point of connection shall be at the same or a higher elevation than the invert of the Lateral. A smooth, neat joint shall be made and the connection of a Building Sewer to the Lateral shall be made secure and watertight and acceptable to the Town of Londonderry.

SECTION 3.04. If the Owner of any Improved Property located within the Town of Londonderry and benefited, improved, served or accommodated by any Sewer, or to which any Sewer is available, after forty-five (45) days' notice or other appropriate notice time established by the Sewer Commission from the Town of Londonderry, in accordance with Section 2.01, shall fail to connect such Improved Property, as required, he shall be subject to the actions and penalties prescribed in RSA 149-I and RSA 147 and regulations issued pursuant thereto; or the Town of Londonderry may make such connection and may collect from such Owner the costs and expenses thereof by such legal proceeding as may be permitted by law. The Town of Londonderry shall have full authority to enter on Owner's property to do whatever is necessary to properly drain the Improved Property into the Lateral sewer.

SECTION 3.05. No Person shall uncover, connect with, make any opening into or use, alter or disturb in any manner any Sewer or any part of the Sewer System without first obtaining a permit, in writing, from the Town, and paying to the Town any tapping fee charged and imposed by the Town against the Owner of each Improved Property who connects such Improved Property to a Sewer.

SECTION 3.06 Any person proposing a new discharge into the system or a substantial change in the volume or character of pollutants that are being discharged into the system shall notify the Board at least 45 days prior to the proposed change or connection. All commercial and industrial establishments shall prepare Wastewater Discharge Permit Applications issued by the Sewer Commission. Commercial and industrial establishments shall not be allowed to discharge their wastewaters into the Londonderry Sewer System until they have received a Wastewater Discharge Permit from the Sewer Commission.

ARTICLE IV

RULES AND REGULATIONS GOVERNING BUILDING SEWERS AND CONNECTIONS TO SEWERS

SECTION 4.01. No Building Sewer shall be covered until it has been inspected and approved by the Town of Londonderry Sewer Commission and/or its designated representative. If any part of a Building Sewer is covered before so being inspected and approved, it shall be uncovered for inspection at the cost and expense of the Owner of the Improved Property to be connected to a Sewer.

SECTION 4.02. Every Building Sewer of any Improved Property shall be maintained in a sanitary and safe operating condition by the Owner of such Improved Property and at the cost and expense of the Owner.

SECTION 4.03. Every excavation for a Building Sewer shall be guarded adequately with barricades and lights to protect all Persons from damage and injury. Streets, sidewalks and other public property disturbed in the course of repair or maintenance of a building sewer shall be restored, at the cost and expense of the Owner of the Improved Property being served, in a manner satisfactory to the Town.

SECTION 4.04. If any Person shall fail or refuse, upon receipt of a notice of the Town of Londonderry, in writing, to remedy any unsatisfactory condition with respect to a Building Sewer, within forty-five (45) days of receipt of such notice, the Town of Londonderry may remedy any unsatisfactory condition with respect to a Building Sewer and may collect from the Owner the costs and expenses thereof by such legal proceedings as may be provided by law. The Town shall have full authority to enter on the Owner's property to do whatever is necessary to remedy the unsatisfactory condition.

SECTION 4.05. The Town reserves the right to adopt, from time to time, additional rules and regulations as it shall deem necessary and proper relating to connections with a Sewer and the Sewer System, which additional rules and regulations, to the extent appropriate, shall be a part of these regulations.

ARTICLE V

POWERS OF ASSESSMENT AND COLLECTION

SECTION 5.01. The assessment and collection of the expense of constructing and maintaining the Sewer System shall be governed by the provisions of RSA 149-I, inclusive, and any other applicable general laws. The Board of Sewer Commissioners of the Town shall have all the powers granted to Boards of Selectmen thereunder with reference to establishing and assessing sewer charges and/or rentals. The Londonderry Board of Sewer Commissioners shall have all the powers of the Selectmen hereunder as provided in RSA 149-I.

ARTICLE VI

SEWERED WASTE RESTRICTIONS

SECTION 6.01. No person shall discharge or cause to be discharged any stormwater, surface water, groundwater, roof runoff, subsurface drainage, uncontaminated cooling water, or unpolluted industrial process waters to any sanitary sewer.

SECTION 6.02. Stormwater and all other unpolluted drainage shall be discharged to storm sewers, if available, or to a natural outlet approved by the Town. Industrial cooling water or unpolluted process waters may be discharged, on approval of the Town, and the New Hampshire Water Supply and Pollution Control Commission to a storm sewer, if available, or an approved natural outlet.

SECTION 6.03. No person shall discharge or cause to be discharged any of the following described waters or wastes to any public sewers:

- (a) Any gasoline, benzene, naphtha, fuel oil, or other flammable or explosive liquid, solid, or gas.
- (b) Any waters or wastes containing toxic or poisonous solids, liquids, or gases in sufficient quantity, either singly or by interaction with other wastes, to injure or interfere with any sewage treatment process, constitute a hazard to humans or animals,

create a public nuisance, or create any hazard at the sewage treatment plant, including but not limited to cyanides in excess of 0.5 mg/1 as CN in the water as discharged to the public sewer.

- (c) Any waters or wastes having a pH lower than 6.0, or having any other corrosive property capable of causing damage or hazard to structures, equipment and personnel of the sewage works.
- (d) Solids or viscous substances in quantities or of such size capable of causing obstruction to the flow in sewers, or other interference with the proper operation of the sewage works such as but not limited to, ashes, cinders, sand, mud, straw, shavings, metal, glass, rags, feathers, tar, plastics, wood, unground garbage, whole blood, paunch manure, hair and fleshings, entrails, and paper dishes, cups, milk containers, etc., either whole or ground by garbage grinders.

SECTION 6.04. No Person shall discharge or cause to be discharged the following described substances, materials, waters, or wastes if it appears likely in the opinion of the Town that such wastes can harm either the sewers, sewage treatment process, or equipment, have an adverse effect on the receiving stream, or can otherwise endanger life, limb, public property, or constitute a nuisance. In forming such opinion as to the acceptability of these wastes, the Town will give consideration to such factors as the quantities of subject wastes in relation to flows and velocities in the sewers, materials of construction of the sewers, nature of the sewage treatment process, capacity of the sewage treatment plant, degree of treatability of wastes in the sewage treatment plant, and other pertinent factors.

The substances prohibited are:

- (a) Any liquid or vapor having a temperature higher than one hundred fifty (150) °F (65 °C).
- (b) Any water or waste containing fats, wax, grease, or oils, whether emulsified or not, in excess of three hundred and fifty (350) mg/1 or containing substances which may solidify or become viscous at temperatures between thirty two (32) and one hundred fifty (150) degrees Fahrenheit (0 ° to 65 ° C).
- (c) Any garbage that has not been properly shredded. The installation and operation of any garbage grinder equipped with a motor of three-fourths (3/4) horsepower (0.76 hp metric) or

greater shall be subject to the review and approval of the Town.

- (d) Any waters or wastes containing strong acid iron pickling wastes, or concentrated plating solution whether neutralized or not.
- (e) Any waters or wastes containing iron, chromium, copper, zinc, and similar objectionable or toxic substances; or wastes exerting an excessive chlorine requirement, to such degree that any such material received in the composite sewage at the sewage treatment works exceeds the limits established by the Town for such materials.
- (f) Any waters or wastes containing phenols or other taste or odor-producing substances, in such concentrations exceeding limits which may be established by the Town as necessary, after treatment of the composite sewage, to meet the requirements of the State, Federal, or other public agencies of jurisdiction for such discharge to the receiving waters.
- (g) Any radioactive wastes or isotopes of such half-life or concentration as may exceed limits established by the Town in compliance with applicable State or Federal regulations.
- (h) Any waters or wastes having a pH in excess of 9.0.
- (i) Material which exert or cause:
 - (1) Unusual concentrations of inert suspended solids (such as, but not limited to, Fullers earth, lime slurries, and lime residues) or of dissolved solids (such as, but not limited to, sodium chloride and sodium sulfate).
 - (2) Excessive discoloration (such as, but not limited to, dye wastes and vegetable tanning solutions).
 - (3) Unusual BOD, chemical oxygen demand, or chlorine requirements in such quantities as to constitute a significant load on the sewage treatment works.
 - (4) Unusual volume of flow or concentration of wastes or both constituting slugs widely variant from the normal or average.
- (j) Waters or wastes containing substances which are not amenable to treatment or reduction by the sewage treatment processes employed, or are amenable to treatment only to such degree

that the sewage treatment plant effluent cannot meet the requirements of other agencies having jurisdiction over discharge to the receiving waters.

SECTION 6.05. If any waters or wastes are discharged, or are proposed to be discharged to the public sewers, which waters contain the substances or possess the characteristics enumerated in Section 6.04 of this Article, and which in the judgement of the Town, may have a deleterious effect upon the sewage works, processes, equipment, or receiving waters, or which otherwise create a hazard to life or constitute a public nuisance, The Town may:

- (a) Reject the waste,
- (b) Require pretreatment to an acceptable condition for discharge to the public sewers,
- (c) Require control over the quantities and rates of discharge, and/or
- (d) Require payment to cover the added cost of handling and treating the wastes not covered by existing taxes or sewer charges.

If the Town permits the pretreatment or equalization of waste flows, the design and installation of the plants and equipment shall be subject to the review and approval of the Town, and subject to the requirements of all applicable codes, ordinances, and laws.

The Owner or Developer of the proposed pretreatment and/or equalization system shall be required to post a bond and provide a guarantee of performance agreement to the Board of Sewer Commissioners in order to secure proper treatment and operational costs relative to industrial pretreatment.

SECTION 6.06. Grease, oil, and sand interceptors shall be provided when, in the opinion of the Town, they are necessary for the proper handling of liquid wastes containing grease in excessive amounts, or any flammable wastes, sand, or other harmful ingredients; except that such interceptors shall not be required for private living quarters or dwelling units. All interceptors shall be of a type and capacity approved by the Town, and shall be located as to be readily and easily accessible for cleaning and inspection.

SECTION 6.07. Where preliminary treatment or flowequalizing facilities are provided for any waters or wastes, they shall be maintained continuously in satisfactory and effective operation by the Owner at his expense.

SECTION 6.08. When required by the Town, the Owner of any property serviced by a Building Sewer carrying industrial wastes shall install a suitable control manhole together with such necessary meters and other appurtenances in the Building Sewer to facilitate observation, sampling, and measurement of the wastes. Such manholes, when required, shall be accessibly and safely located, and shall be constructed in accordance with plans approved by the Town. The manhole shall be installed by the Owner at his expense, and shall be maintained by him so as to be safe and accessible at all times.

SECTION 6.09. All measurements, tests, and analyses of the characteristics of waters and wastes to which reference is made in this ordinance shall be determined in accordance with the latest edition of "Standard Methods for the Examination of Water and Wastewater", published by the American Public Health Association, and shall be determined at the control manhole provided, or upon suitable samples taken at said control manhole. In the event that no special manhole has been required, the control manhole shall be considered to be the nearest downstream manhole in the public sewer to the point at which the Building Sewer is connected. Sampling shall be carried out by customarily accepted methods to reflect the effect of constituents upon the sewage works and to determine the existence of hazards to life, limb, and property. (The particular analyses involved will determine whether a twenty-four (24) hour composite of all outfalls of a premise is appropriate or whether a grab sample or samples should be taken Normally, but not always, BOD and suspended solids analyses are obtained from twenty-four (24) hour composites of all outfalls whereas pH's are determined from periodic grab samples.)

SECTION 6.10. No statement contained in this Article shall be construed as precluding any special agreement or arrangement between the Town and any industrial concern whereby an industrial waste of unusual strength or character may be accepted by the Town for treatment, subject to extra payment therefore, by the industrial concern.

SECTION 6.11. All industries discharging into a public sewer shall perform such monitoring of their discharges as the Board or duly authorized employees of the Town may reasonably require including installation, use and maintenance of monitoring equipment, keeping records and reporting the results of such monitoring to the Board. Such records shall be made available upon request by the Board to other agencies having jurisdiction over discharges to the receiving waters.

ARTICLE VII

PENALTIES

SECTION 7.01. Any person found to be violating any provision of this ordinance shall be served by the Town with written notice stating the nature of the violation and providing a reasonable time limit for the satisfactory correction thereof. The offender shall, within the period of time stated in such notice, permanently cease all violations.

SECTION 7.02. Any person who shall continue any violation beyond the time limit provided for in Section 7.01 shall be fined not more than one thousand dollars for each day of violation.

SECTION 7.03. Any person violating any of the provisions of this ordinance shall become liable to the Town for any expense, loss, or damage occasioned by the Town by reason of such violation.

ARTICLE 23

To see if the Town will vote to adopt the following Ordinance:
An Ordinance regulating mechanical amusement devices.

BE IT ORDAINED BY THE BOARD OF SELECTMEN OF THE TOWN OF LONDONDERRY AS FOLLOWS:

Pursuant to authority conferred by Chapter 31, Section 41-d, Revised Statutes Annotated of New Hampshire, 1981, as amended, and for the purpose of regulating the operation of coin operated amusement devices within the limits of the Town of Londonderry, the Town at the request of the Board of Selectmen hereby adopt the following ordinance:

SECTION 1. DEFINITIONS.

As used in this ordinance, unless the context otherwise indicates:

a) "Mechanical amusement device" shall mean any machine which, upon the insertion of a slug, token, plate, disc, coin or any other form of currency may be operated by the public generally for use as a game, entertainment or amusement, whether or not registering a score. It shall include, but not be limited to such devices as electronic video machines, pin ball machines, skill ball, mechanical grab machines and all games, operations or transactions similar thereto under whatever name they may be designated or described.

b) "Person" shall include the following: any person who owns any mechanical amusement device; the person in whose place of business any mechanical amusement device is placed for use by the public; and the person having control over any mechanical amusement device.

SECTION 2. HOURS OF OPERATION: MINORS

No person shall permit persons under seventeen (17) years of age, unless accompanied by a parent or guardian, or other suitable adult person having the care and custody of said person, to enter any place in which a mechanical amusement device licensed under this ordinance is kept between the hours of 8:00 A.M. and 2:30 P.M. on days in which public schools are in session.

This section shall only apply to any place in which the primary business is the operation of mechanical amusement devices.

SECTION 3. GAMBLING DEVICES PROHIBITED.

Nothing in this ordinance shall in any way be construed to authorize, license or permit any gambling devices whatsoever, or any mechanism that has been judicially determined to be a gambling device, or in any way contrary to law.

SECTION 4. SEIZURE AND DESTRUCTION OF GAMBLING DEVICES.

If the Chief of Police shall have reason to believe any mechanical amusement device is used as a gambling device, such machine may be seized by the police and impounded, and if, upon trial, a person allowing the operation of such device is found guilty of allowing the same to be used as a gambling device, such machine shall be destroyed immediately by the police, without compensation to the owner.

SECTION 5. LICENSE AND FEES.

No person shall keep any mechanical amusement device in the Town, except for private use, unless a license is obtained from the Town Clerk specifying the number of devices and the location where housed or kept. The form of application and license shall be determined by the Town Clerk.

Each person shall, within five (5) days from the date of installation of a mechanical device on his property or premises, and annually, on or before the first day of May thereafter, obtain from the Town Clerk a license to operate such device or devices and shall, for each device registered, pursuant to this section, pay a fee of twenty-five (\$25) dollars

per year. This license shall be transferable to a device installed as a replacement for the initial device licensed under this section.

Each license issued pursuant to this section shall be conspicuously displayed within the premises and shall state the number of machines covered by the license.

SECTION 6. NUISANCE.

If the Chief of Police, or his duly appointed representative, upon investigation has reason to believe that any premises containing mechanical amusement devices licensed under this ordinance is a public nuisance, the person so licensed shall be ordered to appear before the Board of Selectmen within thirty (30) days of written notice by certified mail specifying the nature of the charge. If it is determined that a public nuisance does exist, the Selectmen may revoke the license (s).

The meaning of "Public nuisance" shall include but not be limited to the following:

- 1) Nuisance as defined in RSA 544:1
- 2) Common nuisance as defined in RSA 318:B:16
- 3) Repeated violations of law which are against the interest of the public health, safety and welfare.

SECTION 7. VIOLATION.

Any person who owns, maintains, or is in control of any premises in which a mechanical amusement device is kept in violation of any section of this ordinance shall be guilty of a violation and subject to a fine not exceeding one hundred (\$100) dollars.

Every day that a violation continues after the person has received notice of the existence of the condition that constitutes the violation shall be deemed a separate offense.

SECTION 8. RESERVED.

This ordinance shall take effect upon passage and all regulations or ordinances, or parts or regulations or ordinances inconsistent therewith or hereby repealed.

ARTICLE 24

To see if the Town will vote to appropriate the sum of \$5,000 to employ a Recreation Director for the Town of Londonderry. The Director would work full time in the summer months, and part-time during the remaining months of the year.

By request of the Londonderry Park and Recreation Commission.

ARTICLE 25

To see if the Town will vote to appropriate the sum of \$8,200 to repair extensive surface cracking on the Town Basketball Court/Ice Skating Rink.

By request of the Londonderry Park and Recreation Commission.

ARTICLE 26 **By Petition**

To see if the Town will mandate the Selectmen to specifically identify the dollar impact on the tax rate for all warrant articles brought before the Town Meeting for which there is a specific cost for implementation.

ARTICLE 27

To see if the Town will vote to authorize the Cable Advisory Board of Londonderry (CABL), to receive franchise fees from the operation of the cable system within the Town, and with the approval of the Selectmen to expend such funds as necessary to administer the Town's cable franchise providing that such expenditures do not exceed \$4,000 with all unexpended revenues at the end of the fiscal year being placed in the general fund to defray Town taxes.

ARTICLE 28

To see if the Town will vote to raise and appropriate the sum of \$18,000 for the purpose of purchasing two (2) police cruisers.

ARTICLE 29

To see if the Town will authorize the Selectmen to negotiate an agreement and issue a permit to Grassy Knolls Associates and Peter Johnson for the establishment and operation of a private sanitary land-fill on property currently owned by them off Auburn Road.

ARTICLE 30

To see if the Town will authorize the Selectmen to negotiate an agreement and issue a permit for the establishment and operation of a private solid waste recycling plant in the Town of Londonderry at a location approved by the Selectmen with the authorization of the Town, notwithstanding any other regulation, ordinance, by-law or other provision of municipal law.

ARTICLE 31

To see if the Town will vote to authorize the Selectmen to negotiate the sale of the Town's "reversionary interests" in the building occupied by Summit Packaging Inc. (Scovill) on property owned by the Greater Manchester Industrial Council (City of Manchester), to accept payment for such interest on behalf of the Town, and to apply any proceeds to the reduction of taxes in the year of the sale.

ARTICLE 32

To see if the Town will vote to authorize the Selectmen to transfer the unexpended balances in any account, the funds or which were raised and appropriated by the issuance of serial bonds or notes, to the General Fund and/or Surplus Account.

ARTICLE 33 **By Petition**

To see if the Town will authorize the Selectmen to accept the ownership of one (1) privately-owned road shown on Londonderry Tax Map 11, parcel 20, known as Iroquois Circle, now owned by Brook Park Estates Association, for the sum of one dollar. This road was constructed to meet all existing Town specifications.

ARTICLE 34 **By Petition**

To see if the Town will authorize the Selectmen to accept the ownership of seven (7) privately-owned roads shown on Londonderry Tax Map 11, parcel 20, known as Sequoia Avenue, McKinley Avenue, Seminole Place, Wyandot Circle, Aspen Circle, Shawnee Place and Shenandoah Avenue now owned by Brook Park Estates Association for the sum of one dollar each. Since the present dimensions of the roads are the same as the Town allowed at the time of development, this article should only consider acceptance of the roads in their present condition and dimensions.

ARTICLE 35 **By Petition**

"Shall the citizens of Londonderry ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U.S. Congress to:

Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and the new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries."

ARTICLE 101.

To see if the Town will vote to amend Section XIX, Signs, as submitted by the Planning Board:

Amendment replaces existing Section XIX with the following:

SECTION XIX - SIGNS

19-1 Permitted Signs - No sign shall be permitted within the Town of Londonderry except in accordance with the following provisions:

19-2 Signs Requiring A Permit - No sign, other than one permitted under 19-8 of this section shall be erected, constructed, installed, altered or replaced until a sign permit has been obtained from the Building Inspector authorizing such work. The applicant shall submit to the Building Inspector an application form, a set of plans to scale, showing site location, sign size, method of illumination, if any, types of material to be used in construction and such other as may be required by the Building Inspector or Planning Board under site plan review.

In reviewing application for sign permits, the following standards shall apply:

1. The sign will not cause visual confusion, glare or offensive lighting in the neighborhood.
2. The sign will not significantly alter the character of the zoning district.
3. The sign will not interfere with traffic safety in the area.
4. The sign will comply with the other provisions of this ordinance.

After reviewing the application and Planning Board comments if site plan approval is required, the Building Inspector shall grant or deny the application with or without conditions. The decision of the Building Inspector may be appealed to the Board of Adjustment pursuant to RSA 31:72 I.

19-3 Construction and Maintenance - The material and construction of any sign shall be in accordance with the Building Code. All signs, whether erected prior or after the effective date of this ordinance shall be maintained in a safe condition and, together with their structural elements, shall be kept in good repair to the satisfaction of the Building Inspector.

No sign shall have more than two (2) faces.

19-4 Sign Movement - No sign shall be permitted which is animated by means of flashing, shimmering or traveling lights or any other means. No signs shall contain any parts which move except those parts unrelated to advertising and which solely indicate date, time or temperature.

19-5 Illumination of Signs

1. No sign shall be intermittently illuminated nor of a traveling, tracing or sequential light type. No sign shall contain or be illuminated by antimated or flashing light type except such portions of a sign consisting solely of indicators of time, date and temperature.
2. No sign or related outdoor lighting fixture shall be so placed as to focus light directly into any oncoming traffic or any street or into any window of any residence that abutts or is in the immediate vicinity of the fixture.
3. In Residential districts, a sign if lighted shall be illuminated with white lights by indirect method only with no lights placed within the sign.
4. Except in the Commercial and Industrial districts, no sign shall be illuminated between the hours of eleven P.M. and seven A.M. Portions of a sign consisting solely of indicators of time, date and temperature are exempt from these restrictions.

19-6 Prohibitions - The following types of signs are expressly prohibited in all districts except as otherwise provided by this ordinance.

1. Portable or wheeled signs as permitted in Section 19-7.
2. Any vehicle or trailer which has attached to it a sign or advertising device for the basic purpose of providing advertisement of products or directing people to a business or activity located on the same or nearby property of any other premises. This section is not intended to prohibit any form of vehicular signage such as a sign attached to a bus or lettered on a motor vehicle.
3. Banners, pennants, search lights, twirling signs, "A" Frame signs or other sidewalk signs unless allowed for under section 19-7 of this ordinance.
4. Flags other than those of any nation, state, political subdivision or corporate flag.
5. Any sign which is an imitation of, or resembles an official traffic sign or signal or bears words commonly used on these signs such as "Stop", "Caution", "Danger" or "Warning".

19-7 Signs Permitted in all Districts - The following signs are permitted in all districts.

1. One (1) temporary non-illuminated For Sale, Rent or Lease sign not exceeding six (6) square feet in Residential Districts nor greater than Twenty (20) square feet in all other districts.

2. One (1) sign not exceeding Thirty-two (32) square feet on a construction site identifying the architect, owner and/or contractor. The sign is to be maintained on the premises during actual construction and removed within seven (7) days after issuance of a certificate of occupancy.

3. Any sign not exceeding four (4) square feet in area, limited solely to directing traffic within a parking area or indicating parking restrictions in the use of such parking area.

4. Any sign not exceeding six (6) square feet in area solely indicating entrance and exit driveways.

5. Any sign not exceeding six (6) square feet indicating only the date of erection of a building.

6. Political signs are subject to the following regulations in addition to the provisions of Chapter 70, New Hampshire Revised Statutes Annotated. Political signs are permitted for a period of thirty (30) days prior to and fifteen (15) days after the date of the election. However, prior to the posting of political signs, notice shall be given in writing to the Building Inspector as to the number, size and location of such signs by the candidate for office or their representative.

7. Temporary, Residential, Commercial and Industrial signs. Banners, Posters, Pennants, "A" Frame, Sandwich Board and portable signs shall not be used on a permanent basis. Such signs will be permitted at the opening of a new business or reopening of an existing business under new management or special sales in a Commercial or Industrial district for a total period not to exceed thirty (30) days per year.

Sandwich board signs and Open House signs will be allowed in Residential districts in conjunction with an Open House or Model Home demonstration conducted by a Realtor for two (2) days before the opening of such a demonstration and up to two (2) days after for a total of six (6) days. The location and date of display of these signs shall be recorded with the Building Inspector. Where the Open House or Model Home is maintained for an on going project, these time limits do not apply.

19-8 Signs not Requiring a Permit

The following signs shall be exempt from 19-2 requiring the issuance of a sign permit, but shall be in conformance with all other applicable provisions of this ordinance and all other Town Regulations.

1. Construction signs.
2. Directional or Instructional signs.
3. Flags
The flag emblems or insignia or any nation, political subdivision or corporate flag.
4. Any sign which is required or authorized by any law, rule, regulation or permit of the federal or state governments or any agency thereof or any public authority created thereby.
5. Holiday Decorations
Signs of a decorative nature and commonly associated with any national, local or religious holiday, provided that such signs shall be displayed for a period of not more than thirty (30) days prior to and fifteen (15) days after the date of the holiday.
6. House numbers and name plates
7. No Trespassing, No Dumping and Danger warning signs
8. Public Notices
9. Real Estate "For Sale" signs
10. Temporary Special Event signs
Temporary window signs and displays, posters, banners, string lights, cluster flags pertaining to drives or civic, philanthropic, educational or religious organizations provided that signs are posted no more than thirty (30) days before the event and remain in place no more than forty-five (45) days total.
11. Yard, lawn, garage and barn sale signs will be allowed only on the day or days of the sale and two (2) preceding days. Such signs shall not exceed four (4) square feet in area.

19-9 Permitted Signs - Residential Zones

1. Within any Residential Zone, signs or nameplates are permitted as follows:
 - a. For each single family home or duplex house, one (1) nameplate not exceeding a combined area of two (2) square feet for each dwelling unit. Said nameplate shall not be subject to the permit requirements of this Ordinance.
 - b. One (1) sign per vehicle entrance of each subdivision, mobile home park or condominium complex having an area not exceeding a total of sixteen (16) square feet per sign.

- c. For non-residential uses, one (1) identification sign for each developed parcel not exceeding a total of two (2) square feet in area for all signs.
- d. Identification signs and other similar structures for governmental agencies which may be regulated by the Town are subject to approval thereof by the Building Inspector.
- e. All signs shall be placed flat against a building or designed as part of an architectural feature thereof except that signs may be detached if they do not exceed a height of six (6) feet.
- f. No sign shall be on or above the roof of any building.

19-10 Commercial I, II & III - Permitted Signs

Within the Commercial I, II & III zones, signs are permitted as follows:

1. One (1) freestanding sign indicating the name, nature and address of the occupancy for each developed parcel not to exceed 1% of the average gross floor area up to a maximum of sixty-five (65) square feet; but in any event, thirty-two (32) square feet is permitted. Of total sign area allowed, 25% may be used for changeable signage.
 - a. No freestanding sign, or any part thereof, shall be located nearer than fifteen (15) feet to a property line.
 - b. No freestanding sign shall exceed twenty (20) feet in height.
2. One (1) wall or fascia sign indicating only the name and nature of occupancy, for each occupancy within the developed parcel, excluding office building.
 - a. Said wall sign shall not exceed a total area of fifty (50) sq. ft.
 - b. When a building faces two (2) rights-of-way, the permitted area of the wall sign may be divided between the two (2) building faces.
3. In multi tenant commercial development of eight (8) acres or more, the maximum permitted area of freestanding signs shall be increased by ten (10) square feet for each acre over eight (8) upto a maximum of one hundred (100) square feet.
4. Directory signs in addition to the principal sign may be used for property with two (2) or more business establishments having a common public entrance. Directory signs may not exceed an area based on one (1) square foot for each establishment on the property up to thirty-two (32) square feet. Directory signs shall be located in an area adjacent to the building they serve.
5. No sign shall be on or above the roof of any building.

19-11 Industrial I and Industrial II Zones

Within the Ind-I and Ind-II Zones, signs are permitted as follows:

1. One (1) freestanding sign indicating only the name and nature of the occupancy for each developed parcel not to exceed one hundred (100) square feet for Ind-I zone and sixty-five (65) square feet for Ind-II zone. Of total sign area allowed, 25% may be used for changeable signage.
2. a. One (1) wall or facia sign indicating only the name and nature of the occupancy for each occupancy within the developed parcel. Said sign shall not exceed a total of one hundred (100) square feet.
b. When a building faces two (2) right-of-way, the permitted area of the wall sign may be divided between the two (2) building faces.
3. No freestanding sign shall exceed twenty (20) feet in height.
4. No freestanding sign, or any part thereof, shall be located nearer than fifteen (15) feet to a property line.
5. With the exception of a freestanding sign, no sign may be located within or project into a required front or sideyard set-back.
6. Directory signs in addition to the principal sign may be used for property with two (2) or more business establishments having a common public entrance. Directory signs may not exceed an area based on one (1) square foot for each establishment on the property up to thirty-two (32) square feet. Directory signs shall be located in an area adjacent to the building they serve.
7. No sign shall be on or above the roof of any building.

19-12 Wall (Facia) Signs -

1. In all cases, all sign area refer to the area of copy rather than the area of the background, and in no case can the additional surrounding background, and in no case can the additional surrounding background area exceed the area of the copy. For the purpose of this section, the permitted background area is the total area between the lintel bar and the parapet on a one (1) story building or between the lintel bar and the floor level of the floor above on a multi-story building.

2. Where individual mounted letters are used without a sign background, the area of the sign shall be the area in square feet of the smallest rectangular, circular or oval figure which describes the area enclosed by the actual copy of a sign.

19-13 Freestanding (Ground) Signs

1. One (1) ground sign is permitted for each parcel having frontage on a public right-of-way.

2. Where a free-standing sign projects over a vehicular traffic area, such as a driveway or parking lot aisle, the minimum clearance between the bottom of the sign and the ground shall be fourteen (14) feet.

19-14 Off Premise Signs - Off Premise Signs are prohibited in the Town of Londonderry except as herein provided.

A. An Off Premise Sign which identifies the name, location of business located in the Town of Londonderry may be allowed by special exception from the Board of Adjustment provided the following conditions are met.

1. No more than one (1) off premise sign shall exist on an individual parcel.
2. No business shall be advertised on more than two (2) off premise signs.
3. Off Premise signs located in an Industrial or Commercial district shall have a maximum surface area of twenty-five (25) square feet.
4. Off Premise Signs located in districts other than Industrial or Commercial shall have a maximum surface area of eight (8) square feet.
5. Directional signs - where a business is located a significant distance from commonly traveled ways, and a need is demonstrated, the Board may allow one (1) or more additional directional signs. Such signs shall be limited to the name of the business and specific directions. The maximum size of a directional sign shall be two (2) square feet.
6. The sign must otherwise conform to other applicable regulations of this by-law.
7. Other conditions or restrictions as the Board of Adjustment may deem to be in the public interest.

19-15 Other Signs -

1. Up to Two (2) incidental signs may be attached to a freestanding sign structure or to a building wall, but may not be attached perpendicular to the wall. Such signs are restricted to trading stamps, credit cards accepted, official notices of services required by law or trade affiliations. Area of each sign may not exceed four (4) square feet; the total area of all such signs may not exceed eight (8) square feet.
2. Customary signs on gasoline pumps are permitted, indicating in usual size and form the name and type of gasoline and the price thereof.
3. Any identification wall signs with non-illuminated letters up to but not exceeding three (3) inches in height nor two (2) square feet in area are not restricted.
4. Each customary home occupation recognized as such by this ordinance shall be permitted to display a sign not to exceed two (2) square feet in size.

Definitions

1. **Sign:** Any permanent or temporary structure, billboard, device, letter word, banner, pennant, insignia, trade flag or representation used as, or which is in the nature of, an advertisement, announcement, or direction which is on a public way, or on private property within public view of a public way, a private way open to public use, property to which the public has access, a public park or reservation.

2. **Area of Sign:** The area of a non-wall sign shall be considered to include all lettering, wording and accompanying designs and symbols, together with the background on which they are displayed, any frame around the sign and any "cutouts" or extensions, but shall not include any supporting structure or bracing.

19-16 Legally Preexisting Signs - Any sign located within the Town of Londonderry on the date of adoption of this Ordinance, which does not conform with the provisions of the Ordinance is eligible for characterization as a "legally preexisting" sign and is permitted, provided it also meets the following requirements:

- a. The sign was covered by a sign permit or variance on the date of adoption of this Ordinance if one was required under applicable law; or
- b. If no sign permit was required under applicable law for the sign in question, the sign was in all respects in compliance with the applicable zoning law on the date of adoption of this Ordinance, and was in compliance with all other applicable Town Ordinances or requirements.

19-17 Loss of Legal Non-Conforming Status - A legally preexisting sign shall immediately lose its legal preexisting status designation if:

- a. the sign is altered in any way in structure or copy (except for changeable copy signs and normal maintenance)
- b. the sign is relocated; or
- c. the sign is replaced, other than replacing the sign in its exact original condition and statements; or
- d. the sign shall have been abandoned; or
- e. the sign advertises or calls attention to any products, businesses or activity which are no longer carried on or sold, whether generally or at the particular premises; or
- f. the sign shall not have been repaired or properly maintained within 60 days after written notice to that effect has been given by the Building Inspector; or
- g. on the happening of any one of a., b., c., d., e. or f. the sign shall be immediately brought into compliance with this Ordinance with a new permit secured therefor, or shall be removed.

ARTICLE 102.

To see if the Town will vote to amend Section XIII, D.3., Procedure, as submitted by the Planning Board:

Amendment replaces existing Section XIII, D.3 with the following:

SECTION XIII

D. 3. Procedure

a. Application for a permit authorizing a special exception use shall be made directly to the Secretary of the Board of Adjustment in the form required by the said Board.

b. The Secretary of the Board shall immediately transmit required site plans to the Planning Board.

The Planning Board shall have thirty (30) days from the date of its receipt of the application, within which to file its report thereon. In the event that the Planning Board fails to file its report within thirty (30) days, such application shall be deemed to have been approved by the Planning Board. The Planning Board may have representation at the public hearing held by the Board of Adjustment on such application.

c. The Board's decision to grant a permit for a special exception use shall be made only after public and other notification, and hearing pursuant to the Rules of Procedure of the Board. Said permit shall apply specifically to the application and plans submitted and presented at said public hearing. Any subsequent amendments or additions shall be subject to review and public hearing by the Board of Adjustment as a special new exception use.

d. A special exception use, for which a permit is granted by the Board of Adjustment pursuant to the provisions of this section, shall be construed to be a conforming use.

ARTICLE 103.

To see if the Town will vote to adopt the following amendment to the Zoning Ordinance, submitted by the Planning Board:

Amendment to the Zoning Ordinance to rezone Tax Map 11, Lot 10 from partly Agricultural/Residential and partly Industrial II to entirely Agricultural/Residential.

To see whether the Town will vote to adopt the following amendment to the Zoning Ordinance, submitted to the Planning Board by Petition:

Amendment to the Zoning Ordinance as submitted to the Planning Board by petition of Fred L. Tinkham, et al, to change the zoning classification of Lot 125, 127, 124-39, 124-40, 124-41, 124-42, 124-1, 124-2, 123, 124-4, 124-5, 124-6, 124-7, 124-46, 124-45, 124-44, 124-43 and 124-38 on Map 7 of the Tax Maps of the Town of Londonderry, New Hampshire from Agricultural-Residential to Commercial C-1. The Planning Board **disapproves** of this proposal.

ARTICLE 107.

To see whether the Town will vote to adopt the following amendment to the Zoning Ordinance, submitted to the Planning Board by petition:

Amendment to the Zoning Ordinance as submitted to the Planning Board by petition of Jean Gagnon, et al, that the property being known as Parcel 51, Tax Map 15 for the Town of Londonderry be rezoned from Residential/Agricultural to Multi Family Dwelling Units (R-). The Planning Board **disapproves** of this proposal.

ARTICLE 36

To Transact any other business that may legally come before this meeting.

Given under our hands and seal, this eighth day of February, in the year of our Lord, nineteen hundred and eighty three.

Frederick J. Picco, Chairman

Board of Selectmen
Londonderry, N.H.

Robert H. Day

Gordon R. Arnold

A true copy of Warrant: Attest:

Frederick J. Picco, Chairman

Robert H. Day

Gordon R. Arnold

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy at the Matthew Thornton School, Londonderry High School, U.S. Post Office, Londonderry Town Hall, Strino's General Store, and Crossroads Market being public places in said Town, on the twenty first day of February 1983.

Frederick J. Picco, Chairman

Board of Selectmen
Londonderry, N.H.

Robert H. Day

Gordon R. Arnold

LONDONDERRY ANNUAL TOWN MEETING
March 9, 1982

Annual Town Meeting, Town of Londonderry, County of Rockingham, State of New Hampshire, Tuesday, March 9, 1982, at the Matthew Thornton School.

Moderator - Robert M. Webber.

Selectmen - Donald Babin, Frederick Picco and Robert H. Day.

Town Clerk - Alice M. Taylor.

The Meeting was called to order at 7:00 A.M. and reading of the warrant began.

Mr. Babin: "I move to eliminate the reading of the warrant."
Seconded by Mr. Ball. Voted affirmatively.

Mr. Babin: "I move that the election of Town Officers, Article #28, Article #29 and Zoning Articles #101 through #111 be by ballot with the use of the checklist and that the polls for such balloting shall open immediately and remain open until 7 o'clock this evening."
Seconded by Mr. Picco. Voted affirmatively.

Mr. Webber announced that he would commence processing the absentee ballots at 3:00 P.M.

(School Meeting was opened by the School Moderator.)

Ballot boxes checked and shown to be empty.

Polls opened at 7:05 A.M.

Polls closed at 7:00 P.M.

Mr. Babin: "I move to recess the Town Meeting to 7:00 P.M., Friday, March 12, 1982 at the Londonderry Junior/Senior High School.
Seconded by Mr. Ball. Voted affirmatively.

Total number regular ballots cast 1,267

Total number absentee ballots cast 19

TOTAL BALLOTS CAST 1,286

Received sealed ballots - March 9, 1982 - 10:25 P.M.

Article 28. Shall the Town of Londonderry approve the new charter recommended by the Charter Commission: (Voted by ballot) (RSA 49-B)

"Shall the Town of Londonderry approve the new charter recommended by the Charter Commission?"

Yes - 731

No - 339

Article 28 did not pass because of the provisions in RSA 49B:6, IV. Total number votes cast must exceed 30 percent of the total votes cast in the Town of Londonderry at the next previous gubernatorial election. The total number votes cast in the State General Election, November 3, 1980 was 5,259, therefore, 1,578 votes would be required to adopt the new charter.

Article 29. Are you in favor of increasing the Board of Selectmen to five (5) members? (Voted by ballot) (RSA 41:8-B)

“Are you in favor of increasing the Board of Selectmen to 5 members?”

Yes - 617* No - 564 Passed

Zoning Articles voted by ballot:

Article 101. Are you in favor of the adoption of Amendment No. 101 as proposed by the Londonderry Planning Board for the Town of Londonderry Zoning Ordinance as follows?

This amendment removes the existing Residential Civic Agricultural and Industrial Districts and replaces them with the following:

- A. A RESIDENTIAL DISTRICT with two subdistricts, AGRICULTURAL-RESIDENTIAL (AR-I) and RESIDENTIAL - II (R-II). Included with this district are subdistrict boundaries, permitted uses, special exceptions, and general regulations for uses within the Residential District. Also included are regulations governing Planned Residential Developments within the Residential District.
- B. An INDUSTRIAL DISTRICT with two subdistricts IND-I and IND-II. Included with this district are subdistrict boundaries, permitted uses, special exceptions and general regulations for uses within the Industrial District.

Yes - 678* No - 411 Passed

Article 102. Are you in favor of the adoption of Amendment No. 102 as proposed by the Londonderry Planning Board for the Town of Londonderry Zoning Ordinance as follows?

This amendment provides for a new expanded Section XVII Definitions to include additional definitions of terms relating to the Zoning Ordinance.

Yes - 695* No - 376 Passed

Article 103. Are you in favor of the adoption of Amendment No. 103 as proposed by the Londonderry Planning Board for the Town of Londonderry Zoning Ordinance as follows?

This amendment adds provisions to the Zoning Ordinance in Sections XIX, Signs, and Section XX, General, dealing with the following subjects:

- A. Modification of sign area requirements by the Planning Board.
- B. Removal or repair of collapsed or burned buildings and structures.
- C. Outside storage of unregistered motor vehicles and boats.
- D. Temporary Occupancy of a house trailer or mobile home during rebuilding or repair of a damaged dwelling.

Yes - 870* No - 268 Passed

Article 104. Are you in favor of the adoption of Amendment No. 104 as proposed by the Londonderry Planning Board for the Town of Londonderry Zoning Ordinance as follows?

To amend Section VII, Commercial District to include the following lots in the C-I and C-II subdistricts:

C-I - Tax Map 2 Parcel 23.

C-II - Tax Map 2 Parcels 22B, 25, 26, part of 27A, 27, 37-I, 37, 27A-I, 35-2, 35-I, 35, 34, 33.

Yes - 569* No - 388 Passed

Article 105. Are you in favor of the adoption of Amendment No. 105 as proposed by the Londonderry Planning Board for the Town of Londonderry Zoning Ordinance as follows?

To amend Section IV, Industrial District to include the following lot in the IND-I and IND-II Sub-districts:

Tax Map 2 Parcel 36 - That portion east of and including the Public Service right of way to IND-I; that portion of Map 2 Parcel 36 lying west of the Public Service right of way to IND-II.

Yes - 582* No - 388 Passed

Article 106. Are you in favor of the adoption of Amendment No. 106 as proposed by the Londonderry Planning Board for the Town of Londonderry Zoning Ordinance as follows?

To amend Section III, Residential District to include the following lot in the Residential - II (R-II) sub-district:

Tax Map 15.Parcel 80.

Yes - 606* No - 343 Passed

Article 107. Are you in favor of the adoption of Amendment No. 107 as proposed by petition of the voters for this Town?

To add to the Commercial (C-III) District, Parcel 126 on Tax Map 7 owned by Plaza Twenty-eight Inc. on Nashua Road, (Route 102).

The Planning Board Approves this amendment.

Yes - 813* No - 284 Passed

Article 108. Are you in favor of the adoption of Amendment No.108 as proposed by petition of the voters for this Town?

To add to the Commercial (C-I) District, Parcel 64-I on Tax Map 6 owned by Roland D. Belanger and Rene R. Morency Trust on Crosby Lane. (off of Route 102)

The Planning Board Disapproves this amendment.

Yes - 288 No - 799* Defeated

Article 109. Are you in favor of the adoption of Amendment No. 109 as proposed by petition of the voters for this Town?

To add to Commercial (C-I) District, Parcel 130 on Tax Map 3 owned by Roland D. Belanger and Rene R. Morency Trust on Nashua Road. (Route 102)

The Planning Board Approves this amendment.

Yes - 792* No - 311 Passed

Article 110. Are you in favor of the adoption of Amendment No. 110 as proposed by petition of the voters for this Town?

To add to the Industrial District, Parcel 64 on Tax Map 16 owned by John R. Evans on Auburn Road.

The Planning Board Approves this amendment.

Yes - 827* No - 283 Passed

Article 111. Are you in favor of the adoption of Amendment No. 111 as proposed by petition of the voters for this Town?

To add to the Industrial District, Parcel 102 on Tax Map 11 owned by James & Jennie Innie on Harvey Road.

The Planning Board Disapproves this amendment.

Yes - 269 No - 840* Defeated

Respectfully submitted,

Alice M. Taylor
Town Clerk

**LONDONDERRY ANNUAL TOWN MEETING
MINUTES ON ARTICLES ACTED UPON**

March 12, 1982

**LONDONDERRY HIGH SCHOOL
LONDONDERRY, NEW HAMPSHIRE**

ROBERT M. WEBBER, III, Moderator
WILLIAM FOLEY, Assistant Moderator
DONALD BABIN, Chairman, Board of Selectmen

CLAIRE L. LIBBY, Stenotype Reporter

— PROCEEDINGS —

MODERATOR MR. WEBBER opened the meeting at 7:00 p.m. The Londonderry High School Color Guard and members of band played the National Anthem, and led the salute to the flag.

Invocation was given by Reverend Westervelt.

Gifts were presented to outgoing Selectman Donald Babin by Mr. Picco.

MODERATOR WEBBER noted that Property Taxes will now be payable in two increments a year.

MODERATOR WEBBER: Article 1 we took up Tuesday. That was the actual voting.

Mr. Babin made a motion to go to Articles 11, 9, and 10. Mr. Picco seconded the motion. Discussion.

Motion voted affirmatively.

MODERATOR WEBBER: **Article 11.** To see if the Town will vote to raise and appropriate the sum of \$200,000.00 for aerial spraying in a gypsy moth suppression program. Such sum is to be raised by the issuance of Serial Bonds or notes for a period of five years not to exceed \$200,000.00 under and in compliance with the provisions of the Municipal Finance Act, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Londonderry.

Mr. Babin made a motion to move the article. Mr. Picco seconded. Discussion followed.

Mr. Arnold made a motion to table Article 11. Mr. Edmond seconded. Discussion followed.

Voted affirmatively to table Article 11.

MODERATOR WEBBER: **Article 9.** To see if the Town will vote to raise and appropriate the sum of \$200,000.00 for the reconstruction of Harvey Road from the southern part of Lot 44-4 (Brodie) to the northern part of Lot B (Railroad Tracks). Such sum is to be raised by the issuance of Serial Bonds or notes not to exceed \$200,000.00 under and in compliance with the provisions of the Municipal Finance Act, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and to authorize the Selectmen to accept any funds from the State of New Hampshire and the Federal Government as may become available for said project.

Mr. Picco made a motion to move Article 9. Mr. Babin seconded the motion. Discussion followed.

Mr. Reed reported that the Budget Committee recommends that Article 9 be disapproved. Discussion followed.

MR. BABIN: I make a motion to amend Article 9 to delete, "from the southern part of Lot 44-4 (Brodie) to the northern part of Lot 8 (Railroad Tracks)." Mr. Picco seconded. Discussion followed.

Mr. Babin withdrew his motion to amend Article 9. Mr. Picco withdrew his second. Discussion followed.

Mr. Clark made a motion to table Article 9. Mr. Theriault seconded. Voted negatively. Discussion followed.

Mr. Day makes a motion to move the question. Seconded by Dennis Boggis. Voted affirmatively.

(Thereupon, the polls opened at 7:59 p.m. to vote on Article 9.)

Mr. Babin made a motion to go to Article 3. Seconded by Mr. Picco. Voted affirmatively.

MODERATOR WEBBER: **Article 3.** To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

Mr. Day makes a motion to accept Article 3. Seconded by Mr. Picco. Voted affirmatively.

MODERATOR WEBBER: **Article 4.** To see if the Town will vote to authorize the Selectmen to sell at public auction and convey any real estate acquired through deeds from the Collector of Taxes or as reimbursement for assistance furnished to citizens, providing that in the case of tax deeded real estate the previous owner, or his or her heirs, if known, or its successors or assigns in the case of a corporation, shall have first opportunity to purchase the same, and pass any vote relating thereto.

Mr. Picco moved that Article 4 be accepted. Mr. Day seconded. Discussion followed.

Bob Day moved to amend Article 4 by inserting the words "Or advertised sealed bid" after the words "at public auction." Mr. Picco seconded. Discussion followed. Voted affirmatively.

MODERATOR WEBBER: **Article 4.** To see if the Town will authorize the Selectmen to sell at public auction or advertised sealed bid and convey any real estate acquired through deeds from the Collector of Taxes or as reimbursement for assistance furnished to citizens, providing that in the case of tax deeded real estate the previous owner, or his or her heirs, if known, or its successors or assigns in the case of a corporation, shall have first opportunity to purchase the same, and pass any vote relating thereto.

Mr. Russell moved the question. Mr. Early seconded. Voted affirmatively. Article as amended voted affirmatively.

MODERATOR WEBBER: **Article 5.** To see if the Town will authorize the Selectmen to make application for and to accept and to spend on behalf of the Town any and all grants or other funds which may now or hereafter be forthcoming from the United States Government and/or the State of New Hampshire.

Mr. Picco moved that Article 5 be accepted. Mr. Babin seconded. Voted affirmatively.

MODERATOR WEBBER: **Article 6.** To see if the Town will vote to rescind the following articles: Article 15—1979 Warrant Sewer Treatment Facility (EPA) \$1,100,000.00. Article 16—1979 Warrant Sewer—Sanborn & Hall Road \$300,000.00. Article 17—1977 Warrant Construction of Sewerage and Sewage Treatment Facilities \$950,000.00 as these Articles have been up-dated by Article 8—1980 Warrant Sewer Treatment Facility \$1,200,000.00 and Article 9—1980 Warrant Sewer Lines, Sanborn, Hall, Page \$500,000.00.

Mr. Babin moved that Article 6 be accepted. Mr. Picco seconded. Voted affirmatively.

MODERATOR WEBBER: **Article 7.** To see if the Town will vote to accept and appropriate State Aid for the construction of Class V

roads and to raise and appropriate the sum of \$2,710.24 and the State will contribute the sum of \$18,068.27.

Mr. Day moved that Article 7 be accepted. Seconded by Mr. Picco. Discussion followed.

Voted affirmatively.

MODERATOR WEBBER: **Article 8.** To see if the Town will raise and appropriate the sum of \$12,081.73 for the final payment of the reconstruction of the bridge on South Road over Todd Brook.

Mr. Picco moved that Article 8 be accepted. Mr. Babin seconded. Discussion followed.

Voted affirmatively.

Mr. Babin made a motion to go to Article 12. Mr. Foley seconded. Discussion followed.

Mr. Arnold moved the question to go to Article 12. Mr. Early seconded. Voted affirmatively to go to Article 12.

MODERATOR WEBBER: **Article 12.** To see if the Town will vote to raise and appropriate the sum of \$25,000.00 for the purpose of constructing an animal shelter on Town land.

Mr. Babin moved that Article 12 be accepted. Mr. Day seconded. Discussion followed.

Mr. Babin moved to amend the sum from \$25,000.00 to \$15,000.00. Mr. Picco seconded. Discussion followed.

Mr. Babin moved the amendment. Mr. Picco seconded. Voted affirmatively on the amendment.

MODERATOR WEBBER: Article 12 as amended. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the purpose of constructing an animal shelter on Town land.

Article 12 defeated.

MODERATOR WEBBER: **Article 13.** To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the purpose of constructing a salt shed at the Highway Garage on High Range Road.

Mr. Picco moved that Article 13 be accepted. Seconded by Mr. Babin. Discussion followed.

Mr. Early moved the question. Mr. Clark seconded.

Article 13 was defeated.

MODERATOR WEBBER: **Article 14.** To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be used for a Suggestion Awards Program for employees. If approved, this program will be developed, implemented and administered by the Selectmen with

the cooperation of department heads and employees. The program should return to the Town many dollars in benefits for every dollar invested by productivity improvements.

Mr. Babin moved that Article 14 be accepted. Mr. Picco seconded. Discussion followed.

Mr. Babin moved the question. Seconded by Mr. Day. It was voted affirmatively to move the question.

Article 14 was defeated.

MODERATOR WEBBER: We will go to 10. **Article 10.** To see if the Town will authorize the establishment of a capital reserve fund for the purpose of financing the cost of a reappraisal by an appraisal firm approved by the Department of Revenue Administration of the real estate in the Town of Londonderry and to raise and appropriate the sum of \$200,000.00 for this purpose, and to authorize the Selectmen to act as agents of the Reserve Fund.

Mr. Day made a motion to reduce the amount of money from \$200,000.00 to \$100,000.00. Mr. Picco seconded. Discussion followed.

Mr. Day moved to amend Article 10 to delete the words "By an appraisal firm approved by the Department of Revenue Administration." Mr. Babin seconded. Discussion followed.

Mr. Clark moved the question on the second amendment. Mr. Babin seconded.

The second amendment to Article 10 was defeated.

Mr. Day withdrew the first amendment to Article 10. Mr. Picco withdrew his second.

The polls were closed for Article 9 at 9:01 p.m.

Mr. Babin moved the question on Article 10. Seconded by Mr. Welch.

MODERATOR WEBBER: If no one has an objection, we are just going to hold the voting on Article 10 until we have the count on 9. We will go to 2.

Article 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Mr. Babin made a motion to amend the 1982 Budget of Three Million Nine Hundred Forty-Six Thousand One Hundred Fifteen (\$3,946,115.00) Dollars to Three Million Eight Hundred Eighty-Seven Thousand Fifty-Four (\$3,887,054.00) Dollars by deleting the Assessor's Budget of \$34,412.00 and inserting \$34,465.00; delete Assessor salary of \$16,872.00 and insert \$16,925.00, an increase of

\$53.00; Conservation Commission which is \$1,000.00, we want to reduce it to \$300.00; Police Department Budget, we have a figure of \$654,161.00, we want to insert \$655,161.00, an increase of a Thousand Dollars and it's for medical examinations; on the County Tax, we have a figure of \$477,191.00 and we would like to insert the figure of \$417,777.00, a reduction of \$59,414.00. Again, this will change the figure to read \$3,887,054.00. There's one other thing, on the Fire Department budget, place an asterisk before firefighter and clerk/dispatchers with a footnote at the end of the Budget indicating "Conditional salary increase pending a determination of the Public Employees Labor Relations Board. If a Fire Department collective bargaining unit is approved, proposed salary increases will not be granted pending completion of labor negotiations and the collective bargaining process."

The vote on Article 9 was 296, yes; 263, no; 371 was needed to pass so Article 9 was defeated.

The polls opened on Article 10 at 9:15 p.m.

The amendment to amend the Town Budget to \$3,887,054.00 was voted affirmatively.

Mr. Russell moved to amend the section that is listed as Town Officers' salaries to increase that amount by \$15,000.00. Mr. Early seconded. Discussion followed.

Mr. Early moved the question. Mr. Anagnos seconded.

It was voted affirmatively to increase the Town Officers' salaries by \$15,000.00.

MODERATOR WEBBER: The new total for the Town Budget is now \$3,902,054.00.

Mr. Russell suggested that the amendment, the total amount be included in the category that he outlined to the Selectmen and asked them to disburse it on the basis of 2 percent to each employee.

The amendment was voted affirmatively.

Mr. Clark makes a motion to amend the Town Budget by \$187,054.00 which is a smaller reduction than was given the School Board so the Town Budget would total \$3,715,000.00. Mr. Holmes seconded. Discussion followed.

Mr. Bill Lievens moved the question on the amendment. Seconded by Mr. Babin.

The amendment to reduce the Town Budget by \$187,054.00 was defeated.

Mr. Mike Carrier makes a motion to amend the Fire Department Budget by an increase of \$16,650.00 to bring the Londonderry Firefighters up to their respective steps in accordance with the Wage and

Salary Committee, thus bringing the Fire Department's Budget to a total of \$400,766.00. This figure also includes the increase in the State Retirement System based on 11 percent. Mr. Stuart seconded. Discussion followed.

Mr. Babin moved the question on the amendment. Seconded by Mr. Carrier.

The vote was 222 in favor and 230 against. The amendment was defeated.

Mr. Marineau moved Article 2 as amended. Mr. Lievens seconded.

Article 2 as amended in the amount of \$3,902,054.00 was voted affirmatively.

MODERATOR WEBBER: **Article 15.** To see if the Town will vote to authorize the withdrawal from the Federal Revenue Sharing Funds and appropriate the sum of \$28,500.00 to purchase three police cruisers and equipment.

Mr. Picco made the motion that Article 15 be accepted. Mr. Babin seconded. Discussion followed.

Mr. Welch made the motion to amend Article 15 to see if the Town will vote to authorize withdrawal from the Federal Revenue Sharing Funds and appropriate the sum of \$38,000.00 for the purchase of four police cruisers.

MODERATOR WEBBER: Is there a second? Since there is no second, the amendment is not accepted.

Mr. Picco moved the question. Mr. Babin seconded. Voted affirmatively.

MODERATOR WEBBER: **Article 15.** To see if the Town will vote to authorize the withdrawal from the Federal Revenue Sharing Funds and appropriate the sum of \$28,500.00 to purchase three police cruisers and equipment.

Voted affirmatively.

MODERATOR WEBBER: **Article 16.** To see if the Town will vote to authorize the withdrawal from the Federal Revenue Sharing Funds and appropriate the sum of \$90,000.00 to purchase a fire truck and equipment that meets the Underwriters approval.

Mr. Day moved that Article 16 be accepted. Mr. Babin seconded.

The poll closed on Article 10 at 10:25 p.m.

MODERATOR WEBBER: Vote on Article 16. To see if the Town will vote to authorize the withdrawal from the Federal Revenue Sharing Funds and appropriate the sum of \$90,000.00 to purchase a fire truck and equipment that meets the Underwriters approval.

Article 16 defeated.

MODERATOR WEBBER: **Article 17.** If you have no objection, I would like to accept a motion on the article without having to read it.

Mr. Picco moved that Moderator Webber need not read Article 17. Seconded by Mr. Babin.

Article 17. Be it ordained by the Selectmen of the Town of Londonderry as follows:

Amending Article II, Section 2 of the Ordinance regulating traffic upon public streets of the Town of Londonderry by adding the following sections:

2a. Whenever construction or other activity shall take place within a public way to the extent that traffic, pedestrian or motor vehicle, shall be restricted or interfered with, a police officer shall be required to assist in the control of said traffic as directed by the Chief of Police. The expense of the Police Officer shall be borne by the company or individual responsible for the activity. The Chief of Police shall have the discretionary authority to waive this requirement or to require more than one Police Officer if he determines it to be in the best interest of the Town of Londonderry.

2b. Any person, firm or company causing or responsible for the restriction of the free flow of traffic and having foreknowledge of the possibility of such restriction shall submit a request to the Chief of Police no less than forty-eight (48) hours prior to the start of such activity, for a Police Officer to assist with the traffic control, and shall receive from the Chief of Police written approval to commence with the project. Proceeding with any project which will restrict the free flow of traffic on a public way without the required permit will constitute a violation of this ordinance and subject the firm or individual responsible to the full penalties stated in this ordinance. The person responsible for this violation shall be, in the first instance, the foreman, boss or man in direct charge at the scene of the activity.

Mr. Picco moved to amend Article 17 in Paragraph 2a, the first sentence, strike "As directed by the Chief of Police"; third sentence, strike "Chief of Police" and insert "Road Agent"; Paragraph 2b, first sentence, strike "forty-eight" and insert "twenty-four"; insert "period" after "traffic control"; strike "and shall receive from the Chief of Police written approval to commence with the project"; second sentence, strike "permit" and insert "police officer"; after the third sentence, insert "in emergencies, public utilities shall be exempt from the provisions of this ordinance." Seconded by Mr. Babin. Discussion followed.

Mr. Kimball proposed an amendment to Article 17, Paragraph 2a to strike the word "police officer" and insert the word "person", in the third sentence, and wherever the word "police officer" appears, substitute the word "person". Seconded by Mr. Anagnos. Discussion followed.

Mr. Babin moved the question on the second amendment. Mr. Picco seconded. Voted affirmatively to move the question on the second amendment.

MODERATOR WEBBER: The amendment is to change the word "police officer" to "person" throughout Article 17.

The amendment was defeated.

Mr. Greenwood makes a motion to table Article 17. Mr. Early seconded.

Voted affirmatively to table Article 17.

MODERATOR WEBBER: The results of the vote on Article No. 10: 414, yes; 184, no; two blank. Article 10 is passed.

Mr. Foley moved to go to Article 21. Mr. Gramling seconded. Voted affirmatively.

MODERATOR WEBBER: **Article 21.** To see if the Town will vote to raise and appropriate the sum of \$7,500.00 to provide light fixtures for the Recreation Park multi-purpose field on land owned by the Town and set aside for recreation purposes.

By request of the Londonderry Park and Recreation Commission.

Mr. Foley moved that Article 21 be accepted. Seconded by Mr. Blasius. Discussion followed.

Mr. Babin moved the question. Seconded by Mr. Picco. Voted affirmatively to moving the question.

MODERATOR WEBBER: **Article 21.** To see if the Town will vote to raise and appropriate the sum of \$7,500.00 to provide light fixtures for the Recreation Park multi-purpose field on land owned by the Town and set aside for recreation purposes.

By request of the Londonderry Park and Recreation Commission.

Voted affirmatively.

Mr. Gramling makes a motion to go to Article 25. Seconded by Mr. Schwartz.

Voted affirmatively to go to Article 25.

MODERATOR WEBBER: **Article 25.** To see if the Town will vote to authorize the Selectmen to enter into a cable television franchise agreement, provided that no use of eminent domain is involved, that

the franchise be non-exclusive, that the franchise include a construction schedule with performance bond, and written commitments to timely service, protection of consumer privacy and restoration of property, and that the franchise comply with all applicable laws and regulations.

Further, to authorize the Selectmen to proceed with the participation and advice of the Cable TV Advisory Committee in the process of seeking and evaluating bids, and negotiating terms; said process to be open and formal, requiring prior public hearings and full disclosure while prohibiting kickbacks, influence peddling and backdoor contracts, and insuring the recovery of all Town costs from applicants and franchises.

Submitted by the Londonderry Cable TV Committee.

Mr. Babin moved that Article 25 be accepted. Seconded by Mr. Picco. Discussion followed.

Mr. Babin moved the question on Article 25. Mr. Picco seconded. Voted affirmatively on Article 25.

MODERATOR WEBBER: **Article 26.** To see if the Town will vote to raise the sum of \$3,000.00 to engage a professional consultant to advise the members of the Londonderry Cable Television Committee and the Selectmen on the franchising process and to defray other costs relating to such processing.

Mr. Babin moved that Article 26 be accepted. Seconded by Mr. Picco.

Mr. Arnold made a motion to amend Article 26 to delete "\$3,000.00 to engage a professional consultant to advise" and insert "\$750.00 for the use of". Seconded by Mr. Early.

Mr. Babin moved that the amendment to Article 26 be accepted. Seconded by Mr. Picco.

MODERATOR WEBBER: **Article 26.** To see if the Town will vote to raise and appropriate the sum of \$750.00 for use of the members of the Londonderry Cable Television Committee and the Selectmen on the franchising process and to defray other costs relating to such processing.

Voted affirmatively on the amendment.

Voted affirmatively on Article 26.

MODERATOR WEBBER: **Article 18.** Be it ordained by the Board of Selectmen of the Town of Londonderry as follows:

Amending Article V of the Ordinance regulating traffic upon the public streets of the Town of Londonderry by adding the following section:

(14) In any parking place, whether on public or private property, specially designated for the physically handicapped by means of a sign stating that the space is reserved for the physically handicapped or displaying the wheelchair symbol as defined in RSA 275-C:9 (a), unless that person has a special number plate, a number plate decal or a tag or card issued pursuant to RSA 260:17, 18 or 18-a, which is prominently displayed on the vehicle.

Mr. Babin moved that Article 18 be accepted. Mr. Picco seconded. Discussion followed.

Voted affirmatively on Article 18.

MODERATOR WEBBER: **Article 19.** To see if the Town will raise and appropriate the sum of \$300.00 for the purpose of providing assistance to the Senior Citizens through the Retired Senior Volunteer Program.

Mr. Day moved that Article 19 be accepted. Mr. Babin seconded. Passed unanimously.

MODERATOR WEBBER: **Article 20.** To see if the Town will vote to appropriate the sum of \$15,000.00 to employ a Recreation Director for the Town of Londonderry. Starting salary would be approximately \$12,000.00 with an additional \$3,000.00 for operating costs. During 1982, the cost of the director would be \$7,500.00 based upon 1/2 year salary.

By the request of the Londonderry Park and Recreation Commission.

Mr. Blasius moved that Article 20 be accepted. Mr. Foley seconded. Discussion followed.

Mr. Kimball moved the question. Mr. Russell seconded. The article was defeated.

MODERATOR WEBBER: **Article 22.** To see if the Town will vote to authorize the release and discharge from public servitude certain portions of the 40-foot wide right-of-way which existed until 1941 as Goffs Falls Road. Specific description of the above referenced portions is as follows: Beginning on the western end at the intersection of Grenier Field Road and Webster Lane, thence easterly through tax lots 17-4, 14-10, 17-4-1 (all Smith), to the eastern extremity of tax lot 17-5 (Poitras), but excluding those sections where the present right-of-way known as Grenier Field Road is partially or totally superimposed upon the former Goffs Falls Road.

Requested by petition of: Kendall P. Smith, Ernest Poitras, Helen Poitras, Malcolm D. Wing, John Daskey, Lorraine Smith, Richard

Iannacone, Cora L. Smith, Grace Plaza, Angelick Cisewski, Mr. Joseph Plaza, Karl Cisewski, and Karen J. Smith.

Mr. Smith moved that Article 22 be accepted. Mr. Babin seconded. Article 22 passed unanimously.

MODERATOR WEBBER: **Article 23.** To see if the Town will authorize the Selectmen to accept the ownership of eight (8) privately-owned roads shown on Londonderry Tax Map 11, parcel 20 known as Sequoia Avenue, McKinley Avenue, Seminole Place, Wyandot Circle, Aspen Circle, Shawnee Place, Iroquois Drive and Shenandoah Avenue now owned by Brook Park Estates Association for the sum of one dollar each. Since the present dimensions of the roads are the same as the Town allowed at the time of development, this article should only consider acceptance of the roads in their present condition and dimensions.

Petition submitted by Brook Park Homeowners Association: Mark L. Cohen, Brian Adams, Edwin Thompson, A. R. Williams, Joseph J. Staszowski, Linda C. Adams, Marcelle Thompson, Edward D. Buczko, John E. Sossei, Carl D. Grotheer, Sharman H. Cohen, Michelle D. Sessei, Susan A. Grotheer.

Mr. Cohen moved that Article 23 be accepted. Seconded by Mr. Buczko. Discussion followed.

Mr. Early moved the question. Mr. Babin seconded. Voted affirmatively to move the question. The Article 23 is defeated.

MODERATOR WEBBER: **Article 24.** To see if the voters/tax payers of Londonderry, N. H. would authorize their elected officials (Town Selectmen) to take whatever action necessary to assure that a thorough land and property re-evaluation is implemented commencing immediately after the 1982 Annual Town Meeting and to complete such re-evaluation no later than March 31, of 1983.

Mr. Babin moved to table the article. Mr. Picco seconded. Discussion followed. Article 24 was tabled.

MODERATOR WEBBER: **Article 27.** To see if the Town will authorize the Selectmen to negotiate the sale of the Town's "reversionary interests" in the building occupied by Summit Packaging, Inc. (Scovill) on property owned by the Greater Manchester Industrial County (City of Manchester), to accept payment for such interest on behalf of the Town, and to employ an appraiser for a sum not to exceed \$2,000.00 to insure that the payment that the Town is receiving is based on the fair market value of the building.

Mr. Babin moved that Article 27 be accepted. Mr. Picco seconded. Discussion followed.

Mr. Lievens makes an amendment that any money realized be used to reduce the budget as it stands, that we use that as current income. The amendment reads as follows: Any monies received to be used to reduce the tax rate in the year of the sale. Mr. Babin seconded.

The amendment was passed. Mr. Babin moved the question on Article 27. Mr. Picco seconded.

The article was voted affirmatively unanimously.

MODERATOR WEBBER: Article 28 was voted on Tuesday, March 9, 1982 and did not receive enough votes to pass and was defeated. Article 32 did pass. **Article 30.** To see if the Town will raise and appropriate the sum of \$900.00 for the purpose of providing bus service through the Newmarket Regional Health Center, Inc. for the elderly and handicapped citizens of Londonderry.

Mr. Day moved that Article 30 be accepted. Mr. Picco seconded.

Article 30 was voted on affirmatively.

MODERATOR WEBBER: **Article 31.** To transact any other business that may legally come before this meeting.

Mr. Babin makes a motion that the Selectmen appoint a committee of seven members including two attorneys to codify all Londonderry Town Ordinances. Mr. Picco seconded.

The motion passed.

Mr. Denninger makes a motion to have a committee appointed by the Moderator to act as liaison with the reappraisal firm to establish ground rules for fair treatment of all property owners.

The committee shall consist of one member of the Planning Board, one member of the Zoning Board, the Building Inspector, the Tax Assessor and one member at large. Seconded by Hicks. Voted affirmatively.

Mr. Babin made the motion to adjourn the meeting. Mr. Picco seconded.

(Thereupon, the meeting was adjourned at 12:05 o'clock a.m., March 13, 1982.)

The foregoing minutes were recorded in my presence by Claire L. Libby, Stenotype Reporter, and I certify them to be correct to the best of my knowledge and belief.

Alice M. Taylor,

Town Clerk
Londonderry, New Hampshire

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Londonderry in the County of Rockingham in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Matthew Thornton School in said Londonderry on Tuesday, the fourteenth day of September next at seven of the clock in the forenoon, to act upon the following subject:

Article 1. "Shall a charter commission be established for the purpose of revising the municipal charter or establishing a new municipal charter?"

Article 2. To choose six candidates to serve on the charter commission

Given under our hands and seal, this 25th day of May, in the year of our Lord nineteen hundred and eighty two.

Frederick J. Picco
Robert H. Day
Gordon R. Arnold
Selectmen of Londonderry

A true copy of Warrant — Attest:

Frederick J. Picco
Robert H. Day
Gordon R. Arnold
Selectmen of Londonderry

24th August, 1982

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at the Londonderry Town Hall, Londonderry Post Office, Crossroads Market, and Strino's being a public place in said Town, on the 24th day of August, 1982.

Frederick J. Picco
Robert H. Day
Gordon R. Arnold
Selectmen of Londonderry

**STATE PRIMARY ELECTION AND
SPECIAL TOWN MEETING ELECTION
SEPTEMBER 14, 1982**

State Primary Election and Special Town Meeting, Town of Londonderry, County of Rockingham, State of New Hampshire, Tuesday, September 14, 1982, at the Londonderry Matthew Thornton School, Moderator - Robert M. Webber.

The Meeting was called to order at 7:00 A.M. and Primary Warrant read.

Mr. Picco - "I move the nomination of candidates for State and County Offices as stated in the Warrant be by secret ballot with the use of the checklists."

Seconded by Mr. Day. Voted Affirmatively.

The Special Town Meeting Warrant was read.

Mr. Picco - "I move that the action on Article 1 and Article 2 be by ballot with the use of the checklist and the polls for such balloting shall open immediately and remain open until 7 o'clock this evening."

Seconded by Mr. Day. Voted Affirmatively.

The Moderator announced the commencement of processing absentee ballots shall be at 3:00 P.M.

ARTICLE 1

Incorporation; Short Title; Power

Section 1-1 Incorporation

The inhabitants of the Town of Londonderry, New Hampshire, within the limits established by law shall continue to be a body corporate and politic under the name "Town of Londonderry".

Section 1-2 Short Title

This instrument shall be known, and may be cited as the Londonderry Town Charter.

Section 1-3 Form of Government

The administration of the fiscal, prudential, and municipal affairs of the town, with the government thereof; shall be vested in an administrative branch, to consist of the Town Administrator and the Selectmen, and a legislative branch, to consist of the Town Meeting.

Section 1-4 Powers of the Municipality

Subject only to express limitations on the exercise of any power or function by a municipality in the constitution or the statutes of the State of New Hampshire, it is the intent and the purpose of the voters of Londonderry, through the adoption of the Charter to secure for the town all powers it is possible to secure under the constitution and the statutes of the State of New Hampshire, as fully and as completely as though each such power were specifically and individually enumerated herein.

Section 1-5 Construction

The powers of the municipality under the Charter are to be construed liberally in favor of the town, and the specific mention of particular powers is not intended to limit in any way the general powers of the municipality as stated in Section 1-4.

Section 1-6 Intergovernmental Relations

Subject only to express limitations in the construction of the State Statutes, the town may exercise any of its powers or perform any of its functions, and may participate in the financing thereof, jointly or in cooperation, by contract or otherwise, with the State of New Hampshire, or any political sub-division or agency thereof, or the United States government or any agency thereof.

ARTICLE 2

Legislative Branch – Town Meeting

Section 2-1

The Legislative Powers of the Town of Londonderry are vested in the Town Meeting. The Town Meeting shall act upon all budgetary, zoning and other matters not specifically delegated to the Board of Selectmen.

Section 2-2

The conduct of the Town Meeting shall be in accordance with the current practices and the New Hampshire State Law.

Section 2-3

The Town Meeting shall be commenced on the second Tuesday of May of each year.

Section 2-4

The Town Meeting shall elect such offices as are or may be authorized by law.

ARTICLE 3A

Administrative Branch – Board of Selectmen

Section 3A-1 Composition; Eligibility; Election and Term; Appointments

(a) **Composition** – There shall be a Board of Selectmen consisting of such number as voted by the Town Meeting. The Board of Selectmen shall exercise the administrative powers of the town in concert with the Town Administrator. The Selectmen shall be elected at large.

(b) **Eligibility** – Only votes who at all times during their term of office shall be and remain residents of the town shall be eligible to hold the office of Selectman.

(c) **Election and Term** – The term of office of all members of the Board of Selectmen shall be for three years all beginning at the adjournment of the Town Meeting at which they are elected. This paragraph is subject to the provisions of paragraph 8-7.

(d) **Appointments** – The Board of Selectmen shall appoint the following:

- Conservation Commission
- Planning Board
- Recreation Commission
- Zoning Board of Adjustment

and such other offices as are authorized by law or the Selectmen shall deem proper.

Section 3A-2 Organization

The Board of Selectmen shall elect, from among its members, a chairman and vice chairman to serve at the pleasure of the Board of Selectmen. The chairman shall preside at all meetings of the Board of Selectmen, and perform such other functions as may be assigned by the Charter, by ordinance or by vote of the Town Meeting. The vice chairman shall act as chairman of the Board of Selectmen during the absence or disability of the chairman.

Section 3A-3 Filling of Vacancies

If a vacancy occurs in the office of Selectmen, the remaining Selectmen shall, within twenty-one days following the date such vacancy exists, act to fill the said vacancy. The Board of Selectmen shall elect as acting Selectmen whichever of the defeated candidates for the seat in which the vacancy exists, that person who received the highest number of votes (in his respective contest) at the last regular Town Election immediately preceding the date the vacancy is declared to exist, and who received at least twenty (20) percent of the total votes cast for the office at such election, and who remains eligible and willing to serve.

There being no such person, the Board of Selectmen shall choose from among the voters, entitled to vote for such Selectmen, an acting Selectman to serve until the following regular Town Meeting at which time a successor shall be elected for the balance of the term. If such choice is not made as previously provided within the said twenty-one days, the choice shall be made by the Selectman senior in length of service, or if there be more than one such, by the Selectman senior both in age and in terms of service. Any person so chosen shall be sworn and commence to serve forthwith until the following regular Town Meeting at which time a successor shall be elected for the balance of the term. No vacancy shall be filled, in the manner previously provided, if a regular Town Election is to be held within 120 days following the date the vacancy is declared to exist.

Section 3A-4 Exercise of Powers; Quorum; Rules of Procedure

(a) **Exercise of Powers** — Except as otherwise prohibited by law or the Charter, the administrative powers of the Board of Selectmen may be exercised in a manner determined by it.

(b) **Quorum** — A majority of the full Board of Selectmen shall constitute a quorum. Except as otherwise provided by law or the Charter, any motion or measure may be adopted by a majority vote of those present.

(c) **Rules of Procedure** — The Board of Selectmen shall from time to time establish rules for its proceedings. Regular meetings of the Board of Selectmen shall be held at a time and place fixed by ordinance but which shall be not less frequent than once monthly. Special meetings of the Board of Selectmen may be held on the call of the chairman of the Board of Selectmen, or on the call of a majority of the members of the Board of Selectmen, by written notice delivered to the place of residence or business of each member at least forty-eight (48) hours in advance of the time set. Except as otherwise authorized by law all sessions of the Board of Selectmen shall be open to the public and press. Every matter coming before the Board of Selectmen for action shall be put to a vote, the result of which shall be duly recorded. A full, accurate, and up-to-date record of the proceedings of the Board of Selectmen shall be kept and shall be open to inspection by the public.

Section 3A-5 Delegation of Powers

The Board of Selectmen may delegate to one or more town agencies, the powers vested in the Board of Selectmen by the laws of the State of New Hampshire, and may in its discretion, rescind any such delegation without prejudice to any prior action which has been taken.

ARTICLE 3B

Administrative Branch – Town Administrator

Section 3B-1 Board of Selectmen; Town Administrator; Appointment; Qualifications; Term

The Board of Selectmen shall appoint a Town Administrator for a three-year term. The Town Administrator shall be appointed solely on the basis of his administrative qualifications. He shall be a person especially fitted by education, training, or previous experience in public or private administration which qualify him to perform the duties of the office. He shall devote full time to the office and shall not hold any other public office in the Town of Londonderry, elective or appointive, nor engage in any other business or occupation during his term.

Any vacancy in the office of the Town Administrator shall be filled as soon as possible by the Board of Selectmen, and meanwhile they shall appoint a suitable person as temporary Town Administrator to perform the duties of the office.

Section 3B-2 Authority and Duties

The Town Administrator shall be the chief administrative officer of the town and be responsible to the Board of Selectmen for the administration of all town affairs placed in his charge by or under this Charter. He shall have the following authority and duties:

(a) He shall supervise and direct the administration of all town departments, commissions, boards and offices, except the Board of Selectmen, Planning Board, Board of Adjustment, Town Clerk, Treasurer, Tax Collector, Budget Committee, Supervisors of the Checklist, Conservation Commission, Recreation Commission, and all other elected boards and offices.

(b) Except as otherwise provided by this Charter, the Town Administrator shall appoint upon merit and fitness alone, and may remove subject to the provisions of pertinent statutes where applicable, all officers and employees of the town. The following appointments made by the Town Administrator shall be subject to confirmation by the Board of Selectmen: (a) Fire Department, (b) Police Department, (c) Public Works Department, (d) Inspection Department, (e) Assessing Department, (f) Planning Department, (g) Finance

Department and such other departments as needed. The Town Administrator shall submit in writing to the Board of Selectmen, at least ten days prior to the next regular meeting when the appointment is to be made, the name of any person he desires to appoint to the above town positions. If the Board of Selectmen has failed to act upon any name which has been submitted to it within two board meetings of the date of submission, the appointment shall be deemed to have been approved.

(c) He shall fix the compensation of all town officers and employees appointed by him within the limits established by existing appropriations.

(d) He shall attend all regular meetings of the Board of Selectmen unless excused at his own request except deliberative meetings at which his removal is being considered, and shall have a voice but not vote in all of its deliberations.

(e) He shall keep the Board of Selectmen fully advised as to the needs of the town and shall render as often as may be required by the Board of Selectmen; but not less than once in each year a full public report of all operations during that period.

(f) He shall recommend to the Board of Selectmen for adoption such measures requiring action by them as he may deem necessary or expedient.

(g) He shall have full jurisdiction over the rental and use of all town facilities under his control. He shall be responsible for the maintenance and repair of all town property under his control.

(h) He shall keep a full and complete inventory of all property of the town, both real and personal.

(i) He shall be responsible for purchasing all supplies, material and equipment for all departments and activities of the town, except as provided by state law.

(j) He shall see that all of the provisions of the general laws, of this Charter, of votes of the Town Meeting and Board of Selectmen which require enforcement by him or officers subject to his direction and supervision are faithfully carried out.

(k) He shall perform any other duties required by the ordinances or other votes of the Town Meeting.

(l) He shall negotiate and execute contracts involving any subject within his jurisdiction, except as otherwise delegated by the Board of Selectmen. All contracts shall be awarded by the Town Administrator, subject to the approval by vote of the majority of the Board of Selectmen.

Section 3B-3 Acting Town Administrator

(a) Powers of Acting Town Administrator — The acting Town Administrator shall have all the powers of the Town Administrator except that he shall not make any permanent appointment nor removal to or from any office.

Section 3B-4 Removal of Town Administrator

The Board of Selectmen may remove the Town Administrator from office upon just cause by a 2/3 vote.

ARTICLE 4 Financial Procedures

Section 4-1 Submission of Budget; Budget Message

Not later than 120 days prior to the next regular Town Meeting, the Town Administrator shall submit to the Board of Selectmen a proposed budget for the ensuing fiscal year which shall provide a complete financial plan of all town funds and activities for the ensuing fiscal year, except for the compensation and benefits of the Town Administrator and accompanying budget message, and supporting documents, including the estimated effect of the proposed budget on the tax rate. The proposed budget including departmental requests, shall be by line item.

The message of the Town Administrator shall explain the budget for all town agencies both in fiscal terms and in terms of work programs. It shall outline the proposed financial policies of the town for the ensuing fiscal year, describe the important features of the budget, indicate any major changes from the current fiscal year in financial policies, expenditures and revenues together with the reasons for such changes; summarize the town's debt position and include such other material as the Town Administrator deems desirable or the Board of Selectmen may reasonably require.

Section 4-2 Fiscal Year

The fiscal year of the town shall begin July 1 and run through until the succeeding June 30.

Section 4-3 Action on the Budget

(a) **Public Hearing** — The Board of Selectmen shall publish in one or more newspapers of general circulation in the town the general summary of the proposed budget as submitted by the Town Administrator by a notice stating; (1) the times and places where copies of the proposed budget are available for inspection by the public, and (2) the date, time and place not less than two (2) weeks after such publication, when a public hearing on said proposed budget will be held by the Board of Selectmen.

(b) **Preparation of the Budget** – The Board of Selectmen shall approve the proposed budget, with or without amendments, within sixty (60) days following the date the budget is filed with the Board of Selectmen. Compensation and benefits for the Town Administrator shall be recommended by the Board of Selectmen.

If the Board of Selectmen fails to take action with respect to any item in the budget within sixty (60) days after receipt of the budget, such amount shall, without any action by the Board of Selectmen become a part of the proposed budget for the year, and be available for the purposes specified.

(b) **Presentation of Budget to Town Meeting** – The Board of Selectmen shall present to the Town Meeting the budget.

Section 4-4 Capital Improvement Program

(a) **Submission** – The Town Administrator shall prepare and submit annually to the Board of Selectmen a five-year capital improvement program at the same time as the proposed budget.

(b) **Contents** – The capital improvement program shall include: (1) a clear summary of its contents; (2) a list of all capital improvements proposed to be undertaken during the next five (5) fiscal years with supporting data; (3) cost estimates, method of financing, and recommended time schedules; and, (4) the estimated annual cost of operating and maintaining the facilities included. The above information shall be revised and extended each year.

(c) **Public Hearing** – The Board of Selectmen shall publish in one or more newspapers of general circulation in the town the general summary of the capital improvement program and a notice stating; (1) the times and places where copies of the capital improvements program are available for inspection by the public; and, (2) the date, time and place not less than two weeks after such publication, when a public hearing on said program will be held by the Board of Selectmen. Any increase in the capital improvement program as submitted must clearly identify the method of financing proposed to accomplish this increase.

Section 4-5 Provision for Outside Audit and Audit Committee

At least annually an outside audit of the books and accounts shall be made. The Board of Selectmen shall provide for such an audit to be made by a certified public accountant, or firm of such accountants, who have no personal interests, direct or indirect, in the fiscal affairs of the town government or of any of its affairs or employees. There shall be a municipal audit committee charged with the selection of the auditor, determining frequency of audit and audit policies to be engaged. This committee shall be responsible for reviewing the findings of the auditors and insuring their implementation. The Audit Committee shall be composed of three members, elected at-large, one each for a three-year term.

Section 4-6 Town Treasurer Obtaining Three (3) Quotes from Banks

The Treasurer shall obtain not less than three (3) quotes on interest rates from separate corporate financial institutions when borrowing or investing town funds and shall file such records of transaction with the Board of Selectmen. This section does not pertain to bond issues.

Section 4-7 Departmental Reports of Income

All departments receiving income from any source shall submit a monthly report of the income to the Board of Selectmen within ten (10) working days of the end of each month.

ARTICLE 5 Planning and Zoning

Section 5-1 Organization

There shall be a planning board consisting of seven members and two (2) alternate members appointed by the Board of Selectmen pursuant to R.S.A. 36 as presently constituted or hereafter amended.

Section 5-2 Zoning Board of Adjustment

There shall be a Zoning Board of Adjustment consisting of five (5) members each serving a five (5)-year term and two (2) alternate members and appointed by the Board of Selectmen.

Section 5-3 Transition

The Planning and Zoning Boards as they now exist shall continue under this Charter.

ARTICLE 6 Administrative Departments

Section 6-1 Reorganization Plans by the Board of Selectmen

Except as otherwise prohibited by law or the Charter, the Board of Selectmen may by ordinance reorganize, consolidate, or abolish any existing town agency in whole or in part; establish new town agencies and prescribe the functions of any town agencies. All town agencies under the direction and supervision of the Town Administrator shall be headed and administered by officers appointed by him.

Section 6-2 Reorganization Plans by Town Administrator

(a) The Town Administrator may from time to time prepare and submit to the Board of Selectmen, reorganization plans which may, subject to applicable law and the Charter, reorganize, consolidate or abolish any town agency in whole or in part, or establish new town agencies as he deems necessary or expedient. Such reorganization plan shall be accompanied by an explanatory message when submitted.

(b) The Board of Selectmen shall call a public hearing to consider and reorganization plans submitted by the Town Administrator. A reorganization plan shall become effective ninety (90) days after the date it is received by the Board of Selectmen unless the Board of Selectmen has prior to that date voted to disapprove the reorganization plan, or unless a later effective date is specified in the plan.

Section 6-3 Publication of Reorganization Plan

An up-to-date record of any effective reorganization plan under this article shall be kept on file in the office of the Town Clerk and copies of all such plans shall be included as an appendix in any publication of the ordinances of the town.

**ARTICLE 7
Nominations and Elections**

Section 7-1 Town Elections; General

The Annual Town Meeting shall be held on the second Tuesday in May of each year.

Section 7-2 Ballot Position

The order in which names of candidates appear on the ballot for each office shall be determined by a drawing by lot conducted by the Town Clerk in the presence of such candidates or their representatives as may choose to attend such drawings.

Section 7-3 Application of State Laws

Except as expressly provided in the Charter and authorized by statute, all town elections shall be governed by the laws of the State relating to the right to vote, the registration of voters, the nomination of candidates, the conduct of regular elections, the submission of Charter amendments and other propositions, the counting of votes and the declaration of results.

**ARTICLE 8
General Provisions**

Section 8-1 Rules and Regulations

A copy of all rules and regulations adopted by any town agency or elected board shall be filed in the offices of the Town Clerk and the Board of Selectmen and made available for review by any person who requests such information.

Section 8-2 Re-enactment and Publication of Ordinances

The Board of Selectmen shall, at five-year intervals, prepare proposed revisions or recodifications of all ordinances of the town which shall be presented to the Town Meeting for re-enactment. Such revision or recodifications shall be prepared under the supervision of the Town Solicitor, or if the Board of Selectmen so direct, by special counsel retained for that purpose. Copies of the revised ordinances shall be made available for distribution, provided however, that a charge not to exceed the actual cost per copy of reproduction may be charged.

Section 8-3 Severability

If any provision of the Charter is held invalid, the other provisions of the Charter shall not be affected thereby. If the application of the Charter or any of its provisions to any person or circumstance is held invalid, the application of the Charter and its provisions to other persons and circumstances shall not be affected thereby.

Section 8-4 Specific Provisions Shall Prevail

To the extent that any specific provision of the Charter will conflict with any provisions expressed in the Charter in general terms, the specific provisions shall prevail.

Section 8-5 References To Revised Statutes Annotated

All references to the Revised Statutes Annotated contained in the Charter refer to the Revised Statutes Annotated of the State of New Hampshire and are intended to include any amendments or revisions to such chapters and sections or to the corresponding chapters and sections or any rearrangement of the Revised Statutes Annotated enacted subsequent to the adoption of the Charter.

Section 8-6 Procedures

(a) **Meetings** — Except in emergencies special meetings of any multiple member body shall be held on the call of the respective chairman or by one-third of the members thereof by written notice delivered to the residence or place of business of each member at least forty-eight (48) hours in advance of the time set. Except in emergencies as provided in the Right To Know Law, special meetings of any multiple member body shall also be called within two (2) weeks after the date of the filing with the Town Clerk of a petition by at least one hundred (100) voters and which states the purpose or purposes for which the meeting is to be called.

(b) **Rules and Regulations** — Each multiple member body shall determine its own rules and order of business unless otherwise provided by the Charter or by law and shall provide for keeping a journal of its proceedings. These rules and journals shall be a public record kept available in a place convenient to the public at all times and certified copies shall be kept available in the Town Clerk's office.

(c) **Voting** — Except on procedural matters all votes of all multiple member bodies, except the Town Meeting, shall be taken, and the ayes and nays shall be recorded in the journal; provided, however, that if the vote is unanimous only that fact need be recorded.

(d) **Quorum** — A majority of the members of a multiple member body, except the Town Meeting, shall constitute a quorum. No action shall be valid or binding unless approved by a majority vote.

Section 8-7 Definitions

Unless another meaning is clearly apparent from the manner in which the word is used, the following words as used in the Charter shall have the following meanings:

(a) **Charter** — The word "charter" shall mean this Charter and any amendments to it made through any of the methods provided under RSA Ch. 49.

(b) **Days** — The word "days" shall refer to business days, not including Saturdays, Sundays and Legal Holidays, when the time set is seven (7) days or less; when more than seven (7) days, every day shall be included when counting days.

(c) **Emergency** — The word "emergency" shall mean a sudden, unexpected, unforeseen happening, occurrence or condition which necessitates immediate action.

(d) **Full Board of Selectmen** — The words "full board of selectmen" shall mean the entire authorized complement of the Board of Selectmen notwithstanding any vacancies which might exist.

(e) **Majority Vote** — The words "majority vote" shall mean a majority of those present and voting, provided, that a quorum of the body is present.

(f) **Measure** — The word "measure" shall mean an ordinance passed or which could be passed by the Town Meeting or Board of Selectmen or an order, resolution, vote or other proceeding passed or which could be passed by the Board of Selectmen.

(g) **Multiple Member Body** — The words "multiple member body" shall mean any body consisting of two or more persons, whether elected, appointed or otherwise constituted, other than the Town Meeting.

(h) **Number and Gender** — The singular number may be extended and applied to several persons or things; words imparting the plural number may include the singular; and words imparting the masculine gender shall include the feminine gender.

(i) **Town** — The word "town" shall mean the name "Town of Londonderry".

(j) **Town Agency** — The words "Town agency" shall mean any appointed board, commission, committee, department, or office of the town government.

(k) **Voters** — The word "voters" shall mean registered voters of the Town of Londonderry.

ARTICLE 9

Transitional Provisions

Section 9-1 Continuation

All by-laws, ordinances, resolutions, of all previous votes, and rules and regulations of the town which are in force at the time the Charter is adopted, not inconsistent with the provisions of the Charter, shall continue in force until amended.

Section 9-2 Continuation of Government

All town agencies shall continue to perform their duties until reappointed, re-elected, or until successors to their respective positions are duly appointed or elected or their duties have been transferred.

Section 9-3 Continuation of Administrative Personnel

Any person holding an office or position in the administrative service of the town, or any person serving in the employment of the town shall retain such office or position and shall continue to perform his duties until provisions shall have been made in accordance with the Charter for the performance of the said duties by another person or agency; provided, however, that no employee in the full-time service of the town shall forfeit his pay grade or time in service. All such persons shall be retained in a capacity as similar to their former capacity as it is practical to do so.

Section 9-4 Transfer of Records and Property

All records, property, and equipment whatsoever of any town agency or part thereof, the powers and duties of which are assigned in whole or part to another town agency shall be transferred, forthwith to the town agency to which such powers and duties are assigned.

Section 9-5 Effect on Obligations, Taxes and Other Legal Acts

All official bonds, recognizances, obligations, contracts and other instruments entered into or executed by or to the town before its adoption of the Charter, all taxes, special assessments, fines, penalties, forfeitures incurred or imposed, due or owing to the town, shall be enforced and collected, and all writs, prosecutions, actions and causes of action, except as herein otherwise provided, shall continue

without abatement and remain unaffected by the Charter; and no legal act done by or in favor of the town shall be rendered invalid by its adoption of the Charter.

Section 9-6 Time of Taking Effect

This Charter shall be implemented in accordance with the following schedule:

- (a) This Charter will become effective January 1, 1983.
- (b) There will be Town Meetings on the regularly scheduled date in May of 1984 and thereafter.
- (c) The powers of incumbent officials shall be fully effective until their successors are qualified, but in the interim the Selectmen shall prepare for the transition to the new form of government.

STATE GENERAL ELECTION - NOVEMBER 2, 1982
and
SPECIAL TOWN MEETING - CHARTER

State General Election and Special Town Meeting, Town of Londonderry, County of Rockingham, State of New Hampshire, Tuesday, November 2, 1982, at the Londonderry Matthew Thornton School. Moderator - Robert M. Webber.

The Meeting was called to order at 7:00 A.M. and warrant for General Election was read.

Mr. Picco: "Mr. Moderator, I move the election of Federal, State and County Officers and vote on Question 1 through 4 relating to Constitutional Amendment Questions be by ballot with the use of the checklist."

Seconded by Mr. Paparella. Voted affirmatively.

The Special Town Meeting warrant was read.

Mr. Picco: "Mr. Moderator, I move the action on Article 1 be by ballot with the use of the checklist and the polls for such balloting shall open immediately and remain open until 7 o'clock this evening."

Seconded by Mr. Paparella. Voted affirmatively.

The Moderator announced the commencement of processing absentee ballots shall be at 3:00 P.M.

The ballot boxes were shown to be empty. Polls opened at 7:05 A.M.

Polls were declared closed at 7:05 P.M. by the Moderator who then proceeded with ballot count.

Total Number of Names on Regular Checklist	5,963
Total Number of Regular State Ballots cast	3,571
Total Number of Absentee Ballots cast	75
Total Number Regular Town Ballots cast	3,571
Total Number Absentee Town Ballots cast	56

Article 1. "Shall the Town of Londonderry approve the new Charter recommended by the Charter Commission?"

Yes - 2,203 No - 969

The Moderator declared the New Charter recommended by the Charter Commission adopted.

Sealed ballots received at 12:05 A.M. - November 3, 1982.

Respectfully submitted,
Alice M. Taylor
Town Clerk
Londonderry, N.H.

TRUSTEES OF TRUST FUNDS

The Trustees of Trust Funds administer some 440 cemetery, library, school district, and special purpose trust funds, and provide for cemetery maintenance and expansion.

In 1982 the Trust Officers moved to initiate computerization of its manual record keeping system which dates from the late 1800s, and to restore damage done by vandals at two of the older cemeteries.

Restoration of monuments was completed at the Kendall Pond Road cemetery, and will continue at Valley Cemetery on Pillsbury Road in the spring.

Mr. Richard Perry, maintenance contractor, completed a first-rate program of brush clearing and trimming at all eleven cemeteries, with major efforts expended at Glenwood and Pleasant View cemeteries on Mammoth Road.

Engineering work was begun on the unused southwest corner of Pleasant View cemetery to provide the additional space necessary for the community's growing requirements.

A special thanks to Mr. Lionel R. Boucher of the high school Vocational Education Department and his pupils who rebuilt gates for Sunnyside Cemetery on Litchfield Road; to Mr. Wayne Wilcox, and the young men of Londonderry Troop 109, Boy Scouts of America, for a community project of spring cleaning at Glenwood Cemetery, and to Mr. Robert A. Ross, whose Highway Department personnel provided timely assistance on several projects.

The high interest rate climate of the past several years has accounted for substantial gains in trust fund assets. Significant portions of 1982 assets were invested in 15.25 percent certificates of deposit.

As interest rates have declined recently, most funds have been shifted to investment grade corporate securities yielding 12 to 14.7 percent.

Trustee goals have been to insure stability, to insulate assets from the current short term rate fluctuations, and to provide the safety, growth, and income necessary to maintain meaningful services.

Respectfully submitted,

Joseph L. McCann
Marion I. Anderson
Malcolm D. Wing

LONDONDERRY LEACH LIBRARY TRUSTEES – 1982

The Londonderry Leach Library Trustees meet each month except during the months of July and August.

The Children's Room is a source of pleasure to all concerned. The pre-school Story Hour is a great attraction and has a long waiting list. The age range is 4 to 6 years. Twenty children are signed up at a time for intervals of six weeks. The children enjoy films, crafts, and stories during this hour. During the summer, The Little Red Wagon Show from the University of New Hampshire and the Ha'Penny Puppets from Portsmouth, N.H. visited the Library, much to the delight of the children. Local Kindergartens and 4-H groups have visited the Children's Room from time to time and are treated to a story or film.

The Trustees are very active. We have bus trips for the public to Quincy Market during the Spring and Fall. The first Saturday in October is when we hold our used book sale and this year we had people waiting to get in! The Christmas table was set up after Thanksgiving with donated crafts and gifts. Thanks to all who helped make it a success. We have held craft classes during the year which are extremely popular.

In talking with the Staff, the most frustrating job is getting overdue books returned promptly. Much time is taken up in this endeavor.

The copy machine located downstairs in the Children's Room aids young and old alike. The public is invited to use the coin-operated machine.

Our Library Staff is to be congratulated on a well-run Library. The following figures show how fast the Library is growing:

Adult Cards:	1981 – 7,000	1982 – 7,500
Children's:	1981 – 1,400	1982 – 1,800

During November, 1982, 2,791 books circulated from the Children's Room alone.

Now that the last payment has been made on our Library and in view of the above information, the Trustees are going to establish a Fund which will be used toward the addition of a new wing in the near future. Anyone wishing to donate to this new adventure may do so by making a check payable to the Londonderry Leach Library Building Fund.

The enthusiasm and active participation of the other eight Trustees is greatly appreciated by the Chairman!

Respectfully submitted,

Marilyn H. Bowen
Chairman

AUDITOR'S REPORT

This is to certify that we have examined the books of the Tax Collector, Town Clerk, Treasurer and Trustees of the Trust Funds for the year 1981 and find them to be correct to the best of our knowledge. Selectmen's payments were checked against total Treasurer's payments and found to be in agreement. Our report was filed with the Department of Revenue Administration, State of New Hampshire and Selectmen, Town of Londonderry, **August 31, 1982.**

The audit for calendar year 1982 has completed the records of the Town Clerk. An independent auditor has been engaged to complete the audit year 1982 and should be reported in June, 1983.

Respectfully submitted,

Rowland Schmidtchen
John Calhoun

AUDITOR'S REPORT

Mulrennan, Tyrrell & Gleason
Certified Public Accountants
88 Nashua Road – Route 102
Londonderry, New Hampshire 03053

January 7, 1983

To the Commissioners
Londonderry Housing and Redevelopment Authority
Londonderry, New Hampshire

We have examined the balance sheet of the Londonderry Housing and Redevelopment Authority as of December 31, 1982 and the related statements of income, retained earnings and changes in financial position for the year ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the financial position of the Londonderry Housing and Redevelopment Authority at December 31, 1982, and the results of its operations and changes in financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

LONDONDERRY HOUSING AND REDEVELOPMENT AUTHORITY

NOTES TO FINANCIAL STATEMENTS

December 31, 1982

Note A – Summary of significant accounting policies

Land was recorded at original cost and then the acreage was segregated into separate parcels. Subsequently, the site development costs were charged to the respective land parcel. A sale of land will result in the particular land parcel being relieved of cost at the average cost rate per parcel.

Note B – Notes payable

The notes payable account is comprised of three 5.9% \$5,000 notes due to the Town of Londonderry. Annual maturities of \$5,000 occur each year through 1985.

TOTAL MOBILE HOMES	489	500	11

ASSESSOR'S REPORT

The year 1982 was a very active one. The total assessed value of taxable property increased over \$4,200,000 from April 1, 1981 to March 31, 1982. Although residential construction remained slow, this increase is approximately \$900,000 more than the previous year. The main reason for the increase is in the Commercial/Industrial development. Route 102 and the airport continue to grow with large projects such as the Apple Tree Mall, the Londonderry Bowling Center, and Tyco Labs, contributing to our tax base.

The year ahead promises to be both interesting and challenging. At our March, 1981 Town Meeting, it was voted by an overwhelming margin to begin a total revaluation of the Town. The last time this had been done in Londonderry was in 1969. It was felt by many residents, as well as myself, that it was time to correct the large number of inequities that existed all over Town.

In May we hired the firm of United Appraisal from Hartford, Connecticut. They will appraise all property in Londonderry at 100 percent of its true market value as of April 1, 1983. The field work began in late summer of 1982 with a projected completion date of mid-summer of 1983. All property owners will be mailed a notice of their new assessments by July 5, 1983. There will be informal meetings for a period of ten working days during the month of July in which the qualified appraisers from United Appraisals will meet with and discuss the valuations placed upon individual's properties. If a value set is disputed, a field review will be done and if necessary, adjustments will be made. In such cases where an individual is still not satisfied with the value placed on their property, an abatement form may then be filed with the Assessor's office after the November, 1983 tax bills are mailed.

All property owners wishing to place their land in "current use" are reminded to complete an application by April 15, 1983, in order to qualify for the 1983 tax year. If you have any questions regarding this information, please contact the Assessor's office.

Building Inspector

CABLE ADVISORY BOARD

The capstone of the activities of the Cable Television Advisory Committee was the selection of Harron Communications to provide CATV service to Londonderry. The Committee considered eleven applicants on the grounds of financial stability, past performance, technical state, and compliance with the Town Request for Proposals. The Committee negotiated a 15-year contract providing up to nearly 60 channels of service to all Londonderry residents. Further, Harron will provide a complete color television production studio and an independent institutional communications network to the Town. Service will begin in early 1983 and be available to all residents mid-year. With the conclusion of contract negotiation, the Committee was discharged. Discharged were chairman Edward J. Newcombe, Steve Alper, William Cullen, Dennis Morgan, and Rowland Schmidtchen.

The Cable Advisory Board of Londonderry (CABL) was then appointed to administer the franchise. The Board elected Steve Alper as Chairman and Dennis Morgan as Vice Chairman. Other CABL members include Howard Bookman, Ken Kerwin, and Hank Knight.

CABL formed six subcommittees for the purpose of distributing responsibilities:

- The Appeals Subcommittee, chaired by Steve Alper, will provide an interface between Harron and the community if and when conventional negotiations are not satisfactory.
- The Budget Subcommittee, chaired by Dennis Morgan, will prepare annual expense reports and revenue projections.
- The Franchise Administration Subcommittee, chaired by Ken Kerwin, will insure that Harron will comply with the terms of the franchise contract.
- The Information Subcommittee, chaired by Dennis Morgan, will respond to all requests for information and will release timely information concerning the franchise.
- The Local Origination Programming Subcommittee, chaired by Hank Knight, will provide direction and assistance to all Londonderry residents wishing to produce local programs.
- The Program Services Subcommittee, chaired by Howard Bookman, will assist both Harron and the community in determining the most favorable mix of programs to be broadcast.

Among activities undertaken for 1983, CABL will work with the New Hampshire Consortium of Colleges and Universities and with the Appalachian Community Services Network to develop a possible plan to provide a delivery network for accredited college coursework.

CABL meets at Town Hall on the first and third Tuesdays of each month at 7:30 P.M.

CONSERVATION COMMISSION

This year we are pleased to report the Town has acquired the 57-acre Laycock Tract which borders Kendall Pond. The final step was receipt by the Town of an \$80,000 check from the Federal Government on November 5 as their matching share. The Town provided the other \$80,000 of the purchase price via warrant article at the Town Meeting. Now we encourage the citizens to enjoy the property for outdoor activities. It offers a wide variety of opportunities from hiking to bird watching to cross-country skiing. We also hope that the students at South School take advantage of the opportunity for some outdoor field work because it is only a short walk for them.

Other Commission activities included reviewing dredge and fill permits and inspecting several tracts of land to determine their suitability for conservation purposes. The final item to report is a change in the Chairmanship for 1983. Effective January 1, Commission Member Dave Smith will assume that responsibility for the Town. I am confident that he will do an excellent job.

Respectfully submitted,

Paul R. Nickerson
Chairman

DERRY VISITING NURSE ASSOCIATION

The Derry Visiting Nurse Association has proudly served the Town of Londonderry since 1966. The following and many other factors combine to continually demand that this agency be effective and flexible in responding to your community's home health care needs:

- a rapidly growing population
- earlier hospital discharges
- longer life spans and an aging population
- escalating costs of institutional care
- increasing emphasis on prevention
- New Hampshire tradition of self reliance

The Derry Visiting Nurse Association has a long proven record of serving participating communities with professional excellence and human caring. Services are offered under four major program areas as follows:

Care of Sick Program

- Nursing Home Visits
- Physical Therapy
- Occupational Therapy
- Home Health Aide Visits

Homemaking Program

- Homemaker Visits

Parent/Child Health Program

- Well Child Clinics and Followup Visits
- Immunization Clinics
- Expectant Parents Classes
- New Born Visits

Adult Health Promotion Program

- Screening and Follow-up Clinics
- Health Education
- Adult Health Home Visits

We are happy that home health care costs have been increasing at a much lower rate than institutional health care costs. One of the major factors in our increased costs is maintaining certification for reimbursement from Federal sources such as Medicare, block grants and Title XX.

Those Federal funds, combined with specific grants, and State funding, allowed this agency to provide services to residents of Londonderry last fiscal year with a total value over \$47,000. We feel this is appropriate utilization of agency resources.

Federal funds and grants usually are restricted to specific categories of illness, age, income and time periods. Many people needing our services simply do not fit those specific eligibility categories. So, it is important to emphasize that Town appropriations assist the agency to serve people regardless of income and age.

Following are some major statistics for Londonderry for last fiscal year.

1981-1982

Skilled Nursing - Home Visits	637
Physical Therapy Visits	136
Occupational Therapy Visits	21
Home Health Aide Visits	149
Homemaker Hours	536
Clinic and Office Contacts	384
Adult Health - Home Visits	62
Well Child Clinic Contacts and Home Visits . . .	295
Expectant Parent Class Contacts	47

It is impossible to translate the above services into human values, but our clients and their families can testify to the meaning of home health care in their lives. The entire agency has a strong commitment to helping the elderly, the sick, and the handicapped maintain their independence and dignity at home as long as is feasible. The agency's new motto is, "Because home is a better place to be". 1983 is the 75th Anniversary for the agency.

Londonderry representative on the Board of Directors are Virginia Mason and Peter Milnes.

FIRE DEPARTMENT

EMERGENCY LINES 432-7742 or 432-7743

BUSINESS LINES 432-3442 or 432-3369

Our annual reminder to those that have not done so is to please display your house number on or beside your front door, and on your mailbox, as this helps us to locate your home in an emergency.

Telephone stickers with emergency numbers and rescue stickers for children's rooms are available at the fire stations.

To meet the requirements of state law and to upgrade the emergency medical services our department provides to the townspeople, nineteen firefighters, both call and full time, have completed extra training and received ambulance attendants licenses from the State of New Hampshire.

Our instructors in Cardiopulmonary Resuscitation have held courses open to the public all year, and have certified over two hundred people in this lifesaving technique.

In order to provide more professional firefighting service to the Town, twenty members of the department have successfully completed the requirements to become certified by the State of New Hampshire as Firefighter I's, with the remainder of the personnel in the process of completing their courses. These courses require a great deal of time and effort that the members of the department contributed voluntarily to meet the ever-changing demands of firefighting today.

Fire Prevention has been a major area of concern this year. Classes were held in the school system for grades one through six, with the major emphasis being on planning escape routes in the home, and how to recognize fire hazards.

Chimney fires showed a decrease this year and we attribute this to an increase in the number of people who clean their chimneys on a regular basis. Chimney brushes are available at Central Fire Station, to be loaned to Londonderry residents who wish to clean their chimneys. There is no charge, and please remember, if you burn coal, that you should clean your flues with a nylon brush, not a metal one.

Brush and grass fires showed a marked decrease this year, due to wet weather and fire prevention education.

One item that has caused concern this year is major repair work needed on some of the fire apparatus. This is the type of expense which is unpredictable and unavoidable. However, because the labor involved with repairs is done by our personnel, the cost is kept to a minimum, usually to purchase parts only.

Respectfully submitted,

David A. Hicks, Chief

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forest and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provided detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer firefighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 STATISTICS

	State	District	City/Town
No. of Fires	391	41	4
No. of Acres	161-3/4	30-1/3	3
Fire Permits Issued 1982:		635	

REPORT OF THE CHAIRMAN OF THE L.H.R.A.

In the year 1982, the Tyco Lab hanger facility was completed. Flight One Associates have completed hangers for Cabot Corporation and P. & S. Coal. Atlantic Grinding has added an office facility. These should add a total valuation of over three million to the Town.

Many of the old buildings have been torn down including the old town office building and former headquarters building. In 1983, we expect all remaining old buildings will be removed.

We have a plan in Phase I for construction by a helicopter corporation with approximately 22,000 square feet of building which appears at this time to be ready to proceed. In Phase II, we have a small addition to Kirchner Meat Corporation for office space.

Many inquiries are being made, but economic conditions will be a decisive factor for new construction in 1983.

We have not yet asked for any taxes to be raised for our project by the Town and expect to be able to pay our own way in the development of this area.

We have, to date, spent more than \$500,000 for roads, water, sewer and development costs at no expense to the taxpayers of Londonderry. We have provided many jobs and added a great deal to the valuation base for the Town. The Town has been reimbursed for principal and interest payments on a note taken upon our behalf by the Town, and we pay the Town for the services of our clerk and office facilities.

We still have about 30 acres of land available for development and will need to install sewer and water for these remaining lots. A road still must be built for part of this remaining area. We have funds set aside for the reconstruction of Perimeter Road in Parcel II waiting for State funding for their share of this project.

A sewer line must be constructed on George Avenue which is expected to cost over \$200,000 and then this street will need to be repaved. This project is at least one year away.

In 1983, we expect to have another building constructed on Parcel I by the Beal Corporation, one building on Parcel II by the Harvey Road Associates and at least one building on Parcel III by the helicopter company – hopefully even more.

We thank the Selectmen, Planning Board, and Board of Adjustment for their excellent cooperation and assistance which all make this project succeed.

Respectfully submitted,

William Lievens
Chairman

NEWMARKET REGIONAL HEALTH CENTER

The Newmarket Regional Health Center completed its eleventh year of service in 1982. The health center operates two medical offices, one in Newmarket and the other in Raymond, the Lamprey River Clinic. Both facilities provide general medical care, preventive health services, community outreach, social services, and short-term counseling with referral to area mental health agencies.

In 1982, Maude Guerin, M.D., an obstetrician/gynecologist, joined the staff. Dr. Guerin now provides prenatal, delivery and post partum care. In addition, the health center offers nutritional counseling and prenatal classes.

Other members of the medical staff include Sarah Oxnard, M.D., Peter Friedensohn, M.D., Michael Lewis, R.P.A., Barbara Janeway, M.S.N., A.R.N.P., and Anne Fawcett, A.R.N.P. The medical team also includes registered nurses, medical assistants and community health workers. For more information, or to make a medical appointment, call 659-3106 in Newmarket, 895-3351 in Raymond, or toll-free in Newmarket at 1-800-582-7279.

The community health workers coordinate a school health program and preventive screening clinics to detect potential health hazards. They hold informative workshops and act as liaison between the medical providers and the patient.

In November, 1982, the Newmarket Regional Health Center initiated a self-care program for the elderly in conjunction with the Occupational Therapy Department of the University of New Hampshire. The purpose of this program is to enable the elderly to stay in their home setting as well as to maintain a quality of life and independent status within their community. The focus of the program is to provide self-care skills before disability occurs and to anticipate problems with functional activities. Contact Anne Fawcett, A.R.N.P., at 1-800-582-7279 for further information.

The Newmarket Regional Health Center continues to operate the Senior Citizen Transportation Program. Three of the four busses are equipped with hydraulic lifts to provide services to the handicapped. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing the needed services, including medical, food shopping and recreational trips. For more information, or to arrange a ride for a senior citizen, call 659-2424 or toll-free 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the support of the town of Londonderry.

Respectfully submitted,

Ann H. Peters
Executive Director

PLANNING BOARD REPORT

The Londonderry Planning Board meets every Wednesday evening at 7:30 P.M. at the Town Hall to review Site and Subdivision plans. This year the Board has also been revising the Sign Ordinances with professional planner, Arthur Sullivan. The Planning Board welcomes citizen input at all times and holds public meetings during the year to elicit input.

During the year the Board signed 16 subdivision plans totalling 58 new lots. Non-residential site plans signed this year totalled 2. This year saw the opening of Apple Tree Mall and the Londonderry Bowling Center. These are welcome additions to our community.

The Board has collected \$4,617.49 in subdivision and site plan fees for 1982.

There have been many changes on the Planning Board this year. Christine Cushing, secretary and Frank Keefe, Building Inspector resigned to take other jobs and both will be missed. Frank Keefe attended all Planning Board meetings and his expertise helped us many times. We welcome Kay Webber as our new secretary and Kevin Lynch as our new Building Inspector.

The Planning Board consists of private citizens and it is their commitment of time and dedication that makes the Planning Board work. One of the hardest working members was Mike Demers whose term expired this past year. The Planning Board would like to take this opportunity to thank Mike for his years of work. Mike was Chairman for 1977, 1978 and 1979 and Co-Chairman for 1980 and 1981. The Board would like to welcome new members Mark Pelson and Jim Anagnos.

The Planning Board is appointed by the Selectmen and consists of seven regular members and three alternate members. Any registered voter interested in serving on the Board should contact the Selectmen. The Planning Board welcomes any interested citizens to attend their meetings on Wednesday evenings.

Respectfully submitted,
Gail Blasius, Chairman
Robert Lievens, Co-Chairman
Joseph Wingate, Secretary
James Hume
Roland Morneau
James Anagnos
Ross Landry, Alternate
Patrina Nesmith, Alternate
Mark Pelson, Alternate

LONDONDERRY POLICE DEPARTMENT

ANNUAL REPORT – 1982

Our 1982 statistics indicate a continuing success in maintaining the safety of persons and property in Londonderry. Of particular significance is our reduction of the number of burglaries occurring in Town and the success of the Investigation Division in solving them.

Due to the reduction in burglaries, the Patrol Division has been able to spend more time in the control of traffic. Traffic accidents still represent the greatest danger to our citizens and, also, are the most costly, in terms of dollars and suffering, of any type of threat we face. There were 376 accidents on our highways, not including Route 93, and we suffered 2 fatalities.

The effort to rid our highways of drunken drivers received more emphasis this year with the assistance of some federal funds. Ninety-six arrests were made in this category by this Department with many others made by county and state officials.

Due to a forty percent reduction in our operating budget, numerous changes had to be made in our procedures. We believe we have adjusted well to the cuts with the exception of response time. Due to the elimination of a patrol vehicle, our average response time nearly doubled. We feel a minimum of three vehicles should be on duty at all times. In the natural course of duty, one vehicle will be tied up nearly all of the time, In many instances such as a serious accident or crime, two vehicles are needed. If only two vehicles are on duty, the ability to respond suffers in direct proportion to the cars available. We hope this year's budget will remedy this problem.

All in all, we feel this has been a successful year. The accompanying statistics and comparative figures will give the reader the extent of our activities. The Department also received \$42,852.36 to offset that amount in our expenditures and, thus, reducing the actual costs to the Town.

Respectfully submitted,

Frederick L. Ball
Chief of Police

LONDONDERRY PUBLIC WORKS DEPARTMENT

The weather, an unpredictable force, plays an important part in the successful operation of the Public Works Department. The months of January, February, March and part of April, gave us one of the toughest winters we have seen in seven years. The crews were called out just about every night to fight the ice and snow for three months in a row. Then, the wettest June on record added to our problems with excessive washouts and drainage problems.

The major project for the year was the rebuilding and paving of Old Derry Road. We cut the right of way, drilled, blasted, grubbed, graveled, graded and paved this road. Also, during 1982, the reclamation of Bartley Hill Road, from Noyes Road to Perkins Road, was accomplished. A few areas throughout Town that have created problems in the past were also paved. Hillside Avenue and Dickey Street, the intersection of Mohawk Drive and Granite Street and the bridge on Hall Road.

Our accomplishments for 1982 in regards to road work are as follows:

The following roads were graveled:

West Road	Wilson Road	Bockes Road
Mill Road	Portion of Page Road	

Penetrated:

West Road	Mill Road	Wilson Road
Bockes Road		

Sealed:

Wilson Road	Mill Road	Bockes Road
Estey Road	Adams Road	West Road
Pillsbury Road	Avery Road	Wiley Hill Road
Spring Road	Bancroft Road	Woods Avenue
Menter Mill Road		

Extensive patching took place on:

West Road	Wiley Hill Road
-----------	-----------------

Shimmed:

Adams Road	High Range Road
------------	-----------------

Also, the bridge on Elwood Road was repaired and ledge was removed from Pillsbury Road.

Along with the usual road and vehicle maintenance, culverts and catch basins were cleaned, street lines were painted, trees were taken down and snow fence was put in place. This Department aided in the burying of the electric cable for the Recreation Department and the site preparation for the High School ball fields.

All this work could not have been accomplished without a hard-working, conscientious crew. I would like to thank them for a job well done.

In 1983, our goal is to eliminate the remaining dirt roads in the Town of Londonderry. This will relieve the need for grading and control the dust and mud situations.

The major projects for 1983 are the repairing of the Harvey Road Bridge, over Little Cohas Brook, which is posted at present with a six-ton limit, and the rebuilding of Harvey Road. Also, three problem intersections will be reconstructed. As in 1982 our goals were completed. I am looking forward to the future with a five-year road improvement plan to better service the needs of our community.

Respectfully submitted,

Robert A. Ross
Highway Superintendent

RECREATION COMMISSION

There were two changes in the Commission during 1982. Debbie Guillou was appointed to a regular commission position to fill the vacancy created by the resignation of Don Foley. The commission also added Irv Smith as a commission alternate. One regular and one alternate position remains vacant.

The members of the Recreation Commission are pleased with the continued interest and increased participation in recreation programs during 1982. Our programs are designed to provide recreational outlets for all residents, young and old alike.

Our summer program was, for the second year, split between Matthew Thornton and South Schools. It continues to be one of our most popular programs with an increased daily average of 104 children. Our summer program was particularly fortunate to have Arthur Psaedas back as Director. His continued interest has added stability to the program. Special activities, field trips, frequent contests and daily arts and crafts sessions helped make it a great summer.

The Saturday youth basketball program saw a continued increase in participation. The program consists of over 500 youngsters between the ages of 7 and 14, comprising 49 teams. Due to the large number of participants all three elementary schools are used from 8:00 a.m. until 4:30 p.m. every Saturday and South School one evening per week. The program is designed so that children are playing with others of comparable age and talent as well as playing under conditions which encourage progressive development.

Other youth programs that were provided during 1982 include the Hershey Track and Field Competition, from which many youngsters qualified to compete state wide, a Rifle Education Program and the Youth Fishing Derby (co-sponsored with the Londonderry Fish and Game Club).

The adult programs sponsored by the Commission provide recreational outlets for residents virtually every day of the week.

On Monday nights, men play basketball at South School.

On Wednesday nights, women play basketball at South School. On Wednesday nights at Matthew Thornton School the men play volleyball. They begin play from September to May.

On Sunday mornings September through November, the men's one hand touch football program is held on the field behind South School.

The Commission hopes that everyone will take advantage of the facilities at Londonderry Recreation Park off Nelson and Sargent Roads behind the Central Fire Station. The Commission maintains a 47-acre park which consists of two tennis courts, two basketball courts (which become a lighted ice skating rink in the winter), a volleyball court, horseshoe pits and various playground equipment. In addition, there is a multi-purpose field for softball, football and soccer. In 1982 lights were installed at the field to provide night activities. Surrounding the park is a nature trail that can be used as a cross country ski trail in the winter months. Picnic facilities are also on the site.

The Commission is always open to new ideas and programs which will benefit the entire community and eager to expand and upgrade existing facilities. We extend an open invitation to residents to attend our monthly meetings held on the second Monday of each month at 7:30 p.m. in the Town Hall.

We would like to thank the School Board for the use of their facilities and to all the individuals who have volunteered their time to make our program possible and successful.

Respectfully,

Londonderry Parks and
Recreation Commission

Joe Blasius, Chairman
Larry Gingrow
Debbie Guillow
Irv Smith

SEWER AND WATER COMMISSION

With the completion of the Harvey Road sewer line, we have our first sewer line owned and operated by the Londonderry Commission. With this project completed, it has become necessary to have a sewer ordinance which has been completed and is being presented at town meeting for approval.

The Mammoth Road — Noyes Road water line became operational this year. With it functioning, a water ordinance has been written that is also being presented at town meeting for approval. Work on the final phase of the water project, the pumping station, is moving ahead and should be completed in 1983.

The discovery of the waste dumping problems at both the Auburn Road dump site and off Route 102 have tested our ability to react quickly to a situation and to come up with a potential solution. Two warrant articles on water line extensions are being offered at town meeting with regard to these situations.

Londonderry was one of the four towns that were involved in litigation before the Public Utilities Commission on Manchester Water Works rate hike request. The resulting action was beneficial to the town in rate savings.

Respectfully submitted,

William O. Merrill
Chairman

SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission is an association of municipalities voluntarily organized and operating under the provisions of New Hampshire Revised Statutes Annotated, Chapter 36: 45-53. The Commission's statutory responsibility is to prepare a coordinated development plan for the region and to encourage its cooperative realization through the advisory process.

Directed by representatives of the City of Manchester and the Towns of Auburn, Bedford, Candia, Chester, Deerfield, Goffstown, Hooksett, Londonderry, New Boston, Raymond and Weare, the Commission's professional staff carries out the development of the technical elements of the plan.

The Commission's program is organized under regional, metropolitan transportation, and local technical assistance functions. Within these broad categories, individual tasks often vary on an annual basis according to the needs of the region and those of the Commission's participating communities.

In addition to reviewing detailed technical studies with appropriate area officials and agencies, staff reports on summaries of these and other timely planning items are covered in the Commission's quarterly newsletter "Project" which is widely distributed to approximately five hundred municipal officials and interested residents of the region.

Although several regional planning tasks were accomplished during the year, one stands out as a major achievement which can be directly attributed to the Commission's vigilance and its ability to act quickly and effectively on behalf of its member communities.

Due largely to the efforts of Chairman Ray F. Langer (Hooksett), Vice Chairman Donald M. Babin (Londonderry) and Commissioners Robert L. Wheeler (Goffstown) and John L. Sherburne (Deerfield), and the participation of the region's boards of selectmen, the State's Solid Waste Management Act was successfully amended by the Special Session of the General Court in May, 1982. On July 22, the Tricounty Solid Waste Management District was formally organized and the District by-laws were adopted by the ten participating towns in November. During 1983, the District will undertake the planning process which will ensure local compliance with the requirements of the new Act.

In connection with the annual update of the Metropolitan Manchester Transportation Planning Study, which serves as the basis for the

approval of federal funding to support eligible highway, bridge and transit service improvements in the City of Manchester and the Towns of Auburn, Bedford, Goffstown, Hooksett, and Londonderry, the following studies have been completed since our last report to you:

- "Vehicle Travel Time, Metropolitan Manchester Planning Study Area" (November, 1981);
- "Land Use Update, Metropolitan Manchester Planning Study Area" (March, 1982);
- "MTA Contingency Plan For A Petroleum Shortage" (April, 1982);
- "Analysis of 1980 Traffic Accidents, Metropolitan Manchester Planning Study Area" (June, 1982);
- "Short-Term Parking Study, Fiscal Year 1982, Central Business District, Manchester, N.H." (June, 1982);
- "Formulation of Transportation Control Measures for Carbon Monoxide Attainment in Manchester, N.H." (June, 1982), and
- "Transportation Improvement Program for Fiscal Year 1983" (September, 1982).

Local assistance services provided during the year included:

- Advised the Board of Selectmen of the scheduled availability of funding under the U.S. Department of Housing and Urban Development's fiscal year 1982 Community Development Block Grant program;
- Provided the Planning Board with a draft mock-up of a new street index system;
- Met with the Planning Board to review Commission services and staff resources that could assist the Board with their work;
- Advised the Board of Selectmen on the provisions of the State's new Solid Waste Management Act, and offered them an opportunity whereby the Town could achieve compliance;
- Provided the Planning Board with the graphics services needed to update the Londonderry Zoning Map;

- Informed the Board of Selectmen of the availability of Outdoor Recreation and Conservation Project funds – of possible interest to the Town’s Recreation and Conservation Commissions;
- Provided the members of the Planning Board, Zoning Board of Adjustment, Board of Selectmen and the Building Inspector with schedules of the Fall, 1982 Municipal Law Lecture Series;
- Assisted the Board of Selectmen with the preparation of a request to the Metropolitan Manchester Transportation Planning Policy Committee for an extension of the Federal Aid Urban Area boundary, and the addition of two local roads to the “D” system to increase Londonderry’s eligibility to secure federal financial assistance to carry out highway improvement projects.

Londonderry’s representatives on the Commission are:

Board of Commissioners: Mr. Donald M. Babin, Vice Chairman
 Mr. Gordon Arnold
 Mr. Marcel Demers

Executive Committee: Mr. Donald M. Babin

Metropolitan Manchester Transportation Planning Policy
 Committee: Mr. Robert Day

ANNUAL REPORT OF THE TAX COLLECTOR

Londonderry is continuing to grow, and with our growth it has become necessary to search for more economical methods of performing our services and duties. One of these has been our recent change to a postage meter which saves us three cents per envelope on bulk mailing. Another recent saving was changing to a local computer service for our property control and bill printing which requires more hand work but cuts down on our computer costs.

With our new charter, we are changing to a July 1 - June 30 fiscal year which will put us on the same schedule as the school system and the State. We are also changing to semi-annual tax billing which means we will not have to borrow as much money in the summer to operate our Town and school systems.

If the proposed legislation is passed, taxes assessed as of April 1, 1983 shall be assessed for a single eighteen-month accounting period running from January 1, 1983 to June 30, 1984. The Town shall budget its receipts and expenditures, raise and appropriate revenues on the basis of said single eighteen-month period. Taxes will be paid as follows: On June 1, 1983, a payment for said period shall be due which will equal one-half the amount of taxes paid on the 1982 assessment, a second payment shall be due on or before December 1, 1983, which will be equal to two-thirds of the assessment made for April 1, 1983, less the amount due June 1, 1983, and the balance of the taxes due about June 1, 1984. Taxes assessed as of April 1, 1984, and in all subsequent years shall be due as follows: one-half due December 1, 1984 and one-half due about June 1, 1985.

TOWN CLERK'S REPORT – 1982

While most statistics continue to show a slowing of growth, income from motor vehicles continues to increase, a 22% increase in these revenues was realized in 1982.

Residents will now be able to re-register their cars without having to go to a State Motor Vehicle Office. The Town Clerk's office is now equipped to issue stickers for re-registration on all passenger cars, light trucks of no more than 8,000 lbs. gross weight, trailers, motorcycles and farm tractors. New registrations will still require a trip to the nearest Motor Vehicle Sub-station for the plates. Plates cannot be issued through the Town Clerk's Office. A fee of \$1.50 will be charged for issuance of the stickers. Stickers may still be obtained at the Sub-stations without the extra fee.

Owners of the vehicles must present a certificate of title or the present registration certificate of the vehicle to the Town Clerk in order to obtain a permit. Those not having their previous registration certificate may be required to wait for their new certificate.

A reminder to new residents that vehicles must be registered in New Hampshire within 60 days of residency, regardless of the expiration date of the out of state registration. Town fees must be paid and a permit issued by the Town Clerk prior to obtaining registration plates at the Motor Vehicle Sub-station.

Vital Records for the Town are as follows:

Marriages down 7% to 127

Births down 15% to 191

Deaths down 4% to 48

Building permit fees down 22% to \$23,561

Dog license and fees down 8% to \$8,438

Total revenues up 19% to \$590,780.78

Respectfully submitted,

Alice M. Taylor
Town Clerk

ZONING BOARD OF ADJUSTMENT

TOWN REPORT

The Zoning Board of Adjustment is required by RSA 31:66, and is mandatory, whenever a town or city enacts a zoning ordinance. The Board of Selectmen is given the authority to make appointments to the Zoning Board of Adjustment (ZBA) and a new member is usually appointed for a five (5) year term.

State enabling Status (RSA 31:72) gives the Board the authority to act in three separate and distinct categories:

I. **APPEAL FROM ADMINISTRATIVE ORDER**

To hear and decide appeals where it is alleged there is an error in any order, requirement, decision or determination made by any administrative official in the enforcement hereof or of any ordinance thereto. (RSA 31:72)

II. **EXCEPTIONS** (Must be specified in the Zoning Ordinance)

To hear and decide Special Exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance. (RSA 31:72)

III. **VARIANCES**

To authorize upon appeal in specific cases, such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions, literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done. (RSA 31:72)

The majority of cases heard come under the variance category and each case usually presents a unique set of circumstances. When considering a variance, the following conditions must be present:

1. A hardship must exist which is inherent in the land in question and which is not shared in common with other parcels of land in the district.
2. The spirit and intent of the ordinance must not be broken by granting the variance.
3. The granting of the variance will not adversely affect other property in the district.

4. Not to grant the variance would result in injustice.

Many of the cases presented are presented as hardships. However, under zoning law, a hardship has nothing to do with the physical or economic condition of the owner, but relates directly to a condition of the land which prevents the owner from complying with the ordinance. Usually, peculiar characteristics of the land such as shape, size, topography or other unique conditions may present a hardship for the particular piece of land in question.

If the above characteristics are common and shared by other parcels in the district, the land in question is no longer unique and would not qualify under the hardship clause of the ordinance.

The Zoning Board of Adjustment meets at the Town Hall on the third Tuesday of every month. All requests for a variance must be applied for before the last day of each month. All townspeople are encouraged to attend the monthly meetings and deliberations.

THE UNIVERSITY OF CHICAGO
DEPARTMENT OF CHEMISTRY
PHYSICAL CHEMISTRY
LABORATORY

1. The first part of the experiment is devoted to the study of the temperature dependence of the rate constant for the reaction of hydrogen peroxide with iodide ions in the presence of ceric ions as a catalyst. The reaction is carried out in a series of solutions of known concentrations of the reactants and the catalyst. The rate of the reaction is measured by the appearance of a color due to the formation of iodine. The rate constant is determined from the initial rate of the reaction and the concentrations of the reactants. The temperature dependence of the rate constant is studied by carrying out the reaction at different temperatures. The activation energy of the reaction is determined from the Arrhenius plot of the rate constant versus the inverse of the absolute temperature.

2. The second part of the experiment is devoted to the study of the effect of the concentration of the reactants on the rate of the reaction. The reaction is carried out in a series of solutions of known concentrations of the reactants and the catalyst. The rate of the reaction is measured by the appearance of a color due to the formation of iodine. The rate constant is determined from the initial rate of the reaction and the concentrations of the reactants. The effect of the concentration of the reactants on the rate of the reaction is studied by carrying out the reaction in solutions of different concentrations of the reactants. The order of the reaction with respect to each reactant is determined from the log-log plot of the rate of the reaction versus the concentration of the reactant.

3. The third part of the experiment is devoted to the study of the effect of the concentration of the catalyst on the rate of the reaction. The reaction is carried out in a series of solutions of known concentrations of the reactants and catalyst. The rate of the reaction is measured by the appearance of a color due to the formation of iodine. The rate constant is determined from the initial rate of the reaction and the concentrations of the reactants. The effect of the concentration of the catalyst on the rate of the reaction is studied by carrying out the reaction in solutions of different concentrations of the catalyst. The order of the reaction with respect to the catalyst is determined from the log-log plot of the rate of the reaction versus the concentration of the catalyst.

(THIS IS NOT AN OFFICIAL COPY OF THE WARRANT)

1. To see if the District will vote to raise and appropriate the sum of \$5,159,213 for the support of schools, for the payments of salaries and benefits for the School District officials and agents (other than teachers' and custodians' salaries and benefits as negotiated), and for the payment of the statutory obligations of the District.
2. To see if the District will vote to raise and appropriate the sum of \$388,350 to fund all "cost items" relating to custodians' salaries and benefits for the 1983-1984 fiscal year, which sum is required to fund costs as a result of negotiations with the Londonderry School Custodial Employees (Local #1801 AFL-CIO).
3. To see if the District will vote to raise and appropriate the sum of \$4,451,425 to fund all "cost items" relating to teachers' salaries and benefits for the 1983-1984 fiscal year, which sum is required to fund costs as a result of negotiations with the Londonderry Education Association.
4. To see if the District will authorize the School Board to expend accumulated interest earnings of \$90,000 earned from the investment of idle funds in the Phase III and IV capital project funds through March 1, 1983, toward the judgment rendered July 16, 1982, by the Rockingham County Superior Court in favor of the contractor.
5. To see if the district wishes to exclude from the old age, survivors and disability insurance plan (Social Security), services performed by election officials or election workers for a calendar year in which the remuneration paid for such services is less than \$100.00.
6. To see if the district will vote to mandate the School Board to specifically identify the dollar impact on the tax rate for all warrant articles brought before the school district meeting for which there is a specific cost for implementation. (BY PETITION)
7. To see if the Londonderry School District will vote to give the Londonderry Panthers permission to use an area of approximately 5-3/4 acres in size located on Mammoth Road, this land now being owned by the Londonderry School District. Description of area as follows:

Beginning at an iron pipe on the westerly line of Mammoth Road, so-called, said iron pipe being the southeasterly corner of land now or formerly of Leandre and Lucien Paradis, said iron pipe also being the northeasterly corner of the herein described premises; thence

1. South 7 degrees East, by the said westerly line of Mammoth Road, 696 feet, more or less, to a point; thence
2. South 51 degrees West, by land of the Town of Londonderry, 400 feet, more or less, to a point; thence

3. North 7 degrees West, by said land of the Town of Londonderry, 845 feet, more or less, to a point; thence

4. North 74 degrees East, by the said land now or formerly of Paradis, 340 feet, more or less, to the point of beginning.

This land is to be used for a football field and/or other athletic activities. The Londonderry Panthers shall have the use of said property until authorization is rescinded by vote of a school district meeting. (BY PETITION)

8. To hear reports of agents and auditors and committees or officers chosen and pass any vote in relation thereto.
9. To see if the District will vote to authorize the School Board to accept and to spend in the name of and in behalf of the School District gifts for the use of the schools.
10. To see if the School District will vote to authorize the School Board to apply for, negotiate and do all other things necessary to obtain such State and Federal grants or aids, under Public Law 89-10, Public Law 89-313 and Public Law 94-142 (or any other funds) that may be available to the School District or its students, and to authorize the School Board to expend the same.
11. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1983-1984 school fiscal year provided that such expenditure be made for the purpose for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
12. To transact any other business that may legally come before this meeting including the appointment of committees.

LONDONDERRY SCHOOL DISTRICT

BUDGET SUMMARY

1983 — 1984

General Fund

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the town of Londonderry qualified to vote in district affairs:

You are hereby notified to meet at the Matthew Thornton School in said district on the eighth day of March, 1983, at seven o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing three years.
2. To choose a Clerk for the ensuing three years.
3. To choose one (1) member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing three years.

Given under our hands at said Londonderry this fourteenth day of February, 1983.

Karen Keegan, Chairman
Rodney K. Edwards
Robert W. Lincoln
Albert H. Pfyffer

ANNUAL REPORT

LONDONDERRY SCHOOL BOARD CHAIRMAN

1982 was a year of challenge to retain, for Londonderry's children, a high standard of educational excellence and opportunity, in the face of our nation's recession.

Diminished financial support, at all levels, necessitated difficult decisions and compromise. It was the creativity, team work, dedication and enthusiasm of all involved that allowed many programs to continue with as little negative effect on students as possible.

Regretfully, adult education, junior high strings and orchestra, high school music history and theory I and II, the venture program and physical education electives, junior varsity lacrosse, junior varsity girls' soccer and freshman football were eliminated, due to budgetary restrictions.

Reduced areas include summer school, intramural sports, guidance, library books, custodial time, community services, reading, art, math and science electives and athletic field and building maintenance.

Also, reductions in the number of busses caused some transportation problems.

The school lunch program underwent a complete overhaul which resulted in an ala carte presentation of various lunch selections. This change allows our food service department to be self-sustaining, while providing a nutritional lunch with reduced food waste.

The school district administrative office was computerized, allowing for more efficient accounting procedures.

Our long-range goal for high school accreditation became a reality in 1982, culminating two years of preparatory work done by high school staff and administration.

Expansion of the work experience program for students who plan to pursue a career directly after high school was achieved through the cooperation and assistance of local businesses. Also, the vocational building trades students received "hands-on" experience in home construction through the cooperation of the Southern N.H. Home Builders' Association.

Portable classroom facilities, rented to accommodate junior high students at our three elementary schools, were returned in July of 1982, pending the completion of the junior high school. Construction of the Londonderry Junior High School was an ongoing project throughout the year. Its classroom wing opened to house seventh and eighth grade students in September 1982, with project completion scheduled for January 1983.

The opening of the junior high school allowed space to become available for the establishment of Londonderry's own Early Intervention Program. Presently housed at Matthew Thornton School, this State mandated service meets the educational needs of handicapped pre-schoolers at a reduced cost to the district.

We extend our appreciation to the citizen building committee, whose members volunteered much time and effort to make our junior high school a reality.

Also, I take this opportunity to thank all of the PTO's, the PTA's, support groups and Londonderry's citizenry, who have given freely of their time to make our schools and community a better place to learn and grow.

Respectfully submitted,

Karen Keegan, Chairperson
Londonderry School Board

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

School district personnel continue to give time and attention to the all important task of teaching our younger children the concepts and skills of reading, writing, mathematics and verbal communication. We also prepare them for the demands and challenges of a secondary school where students receive general academic programs, experience a college preparatory curriculum and prepare for the world of work.

Our overall goal is one of providing basic, structured, self-supportive teaching in an atmosphere where children are encouraged to become inquisitive, judgmental, dependent upon themselves and responsible young citizens of their schools and community.

As is the usual practice, this document contains specific reports (from appropriate administrative and teaching personnel) re school programs and individual and group achievements. As superintendent I shall comment on the general state of our schools and mention some highlights over the past year.

The long awaited **completion of our new junior high** has become a reality and our gratitude goes out to current and past **building committee members** and other townspeople influential in making this building and its programs possible.

The New England Association of Schools and Colleges **evaluation report** was extremely positive. A thirty-six (36) page report details commendations and recommendations specifically related to the Londonderry High School's new **Accreditation** status.

Two quotes from the report manifest general impressions of the visiting committee.

"Londonderry High School is blessed with a professionally dedicated, capable teaching staff, a conscientious and productive secretarial and custodial staff, an enlightened administration and a supportive community."

"Londonderry High School has no programmatic weaknesses of consequence. Only certain facility deficiencies are worthy of note; that is, ventilation problems that warrant immediate correction, physical education/athletic fields that need to be refurbished and expanded and the lack of a school/community auditorium"

School district **enrollments** have leveled off considerably in comparison with the rapid growth of the late 1970's. Although we shall experience an increase of approximately 112 students at the high school next fall, the overall net increase (for the district, grades 1-12) shall be approximately 75 students.

Three years ago Londonderry High had the highest **per pupil cost** in the state; while as recently as last year, the junior high cost was third highest. The latest report from the State Department of Education indicates the high school has dropped to 23rd and the junior high to 19th in per pupil cost comparisons.

Academically, our pupils are performing well, e.g. our achievement test scores continue to be quite satisfactory and our college entrance examination scores this year were above the state, regional and national levels in both verbal and math. Matthew Thornton students won individual and team mathematics honors regionally (and) Londonderry High School produced three National Merit Finalists including two winners. The State of Massachusetts produced only twelve (12) winners from its entire high school population.

The Londonderry School District's top priorities are **quality instruction** by staff and **quality performance** by students.

In our efforts to achieve these ends, I pledge our initiative, diligence and resourcefulness (and) I encourage community support and involvement. Thank you.

Respectfully submitted,

A. J. Ouillette, Jr.
Superintendent of Schools

ANNUAL REPORT OF THE BUSINESS ADMINISTRATOR

1981-1982

The business operations of the Londonderry School District this past year focused on several major tasks. The successful completion of these tasks have and will contribute significantly to the effective operation of the school system.

CASH MANAGEMENT — A cash management program was initiated which has allowed the School District to take advantage of recent high interest investment rates. This effort has yielded extremely impressive results:

1. The short-term investment of general operating funds this past year generated over \$90,000 of interest income revenue (up from \$22,000 the previous year);
2. Junior High School capital project funds have been continually invested throughout the project and have generated over \$300,000 of interest income. This interest income will be used to offset the cost of short-term borrowing.

ENERGY MANAGEMENT — Phase I of the School District's energy management program was completed in June, 1982. This past year's goal was to establish an energy usage reporting system and to enlist the assistance of all school personnel to conserve energy. Phase I of our program has met with considerable success as witnessed by the energy savings generated in all schools. For example, the School District experienced a reduction in electricity of 213,484 KWH or \$18,898.87 in "energy cost savings". These savings were accomplished by the conscientious efforts of our instructional and support staffs.

Future efforts in energy management will require capital expenditures. Projects for consideration are to have a projected payback of two years or less. For example, a computerized energy monitoring system is planned for the high school. The projected payback is less than one year.

DATA PROCESSING — The School District's in-house data processing system has become fully operational. The district office staff currently processes the school district payroll, accounts payable, performs all fund accounting according to New Hampshire requirements, and generates timely financial reports. The district office staff is to be credited for the successful and timely accomplishment of this task. Their commitment to this goal was beyond my expectations.

BUILDING PROJECT – The Junior High School Building Project which began in late April 1981, has proceeded according to schedule. In September, 1982, the school officially opened even though only partially completed. The estimated completion date of the facility is January, 1983.

Due to prevailing high interest rates (12%-13%), the School Board, on the advice of its financial advisors, the Shawmut Bank, held off selling Junior High School construction bonds in October 1981 and February 1982. The Shawmut Bank has projected that bond rates should drop to around 10% in the first quarter of 1983. Based on that projection, it is anticipated that the School District will sell the Junior High School construction bonds in February 1983.

Respectfully submitted,

Craig A. Young
Business Administrator

REPORT OF THE LONDONDERRY HIGH SCHOOL ADMINISTRATION

On Saturday, June 19, 1982, the first class to have spent its entire high school career at Londonderry High School was graduated. This class, in particular, exemplified the traditions, personality and strengths of the school.

School and community scholarship funds continue to increase dramatically and we were privileged to award about twice as much money in scholarships to members of the graduating class as we had last year. Especially noteworthy in this regard are the efforts of the Citizens Scholarship Foundation (Dollars for Scholars).

The year was highlighted by many awards and achievements. Three students, Robert Hines, Willard Lyman, and Michelle Ouellette were recognized as semi-finalists for National Merit Scholarships with Hines and Ouellette being selected as finalists.

In athletics, the first state championship was won in the fall by the Boys' Cross Country team. This was quickly followed by championships in Girls' Field Hockey, Boys' Winter Track and Baseball. Four State Championships in one year! In addition, the Boys' Soccer and Girls' Basketball Teams qualified for tournament play, the Boys' Spring Track was runner-up for the state championship, and the Girls' Tennis Team won its division. The first varsity football game was played in the rain against Exeter High School ending in a scoreless tie. In overtime, Londonderry beat Exeter 7 to 6.

The Music Program continued to receive accolades both locally and regionally. A concert by Maynard Ferguson highlighted the concert season. Thirteen students were selected as participants in the All State Music Festival. Londonderry hosted a junior high school festival and next year will host the All State Festival.

The Merit System and In-School Suspension programs were recognized as exemplary educational programs in the state. Carroll Boyle, Supervisor, and David Sousa, Assistant Principal, presented this program at a state conference.

Mindy Oleson, English teacher, made a presentation to the National Council of Teachers of English. Physical Education teachers William Newcomb, Mary Lu Chamberlain, Anthony DeFrancesco, and Daniel

Kiestlinger made presentations at the State Health and Physical Education Conference. Music teachers Andrew Soucy and Richard Bowers participated in the National Conference of Music Educators.

In the spring, a Visiting Committee from the New England Association of Schools and Colleges spent four days evaluating the school for accreditation. The professional staff had spent two years in preparation with the self study under the leadership of Anne DeFrancesco, Steering Committee Chairperson. As a result of this visit and evaluation, Londonderry High School will be recommended for a ten year initial accreditation.

A number of staff members who have given dedicated service to the junior-senior high school will no longer be with us. Nancy Meyers, Assistant Principal, is the new junior high school principal. Robert Pedersen, Guidance Director, has accepted a new position. Mark Turnbull and Steven VanKouwenberg, science teachers, are returning to graduate school full time. A number of staff members have been re-assigned to the junior high school. The contribution of all of these people to the development of the high school has been significant.

The 1981-1982 school year was very successful and rewarding. As the high school continues to grow in student population, the school has become a quality educational institution with exemplary academic and co-curricular programs. The students and staff continue to provide for individual and collective positive growth.

The school has accepted many challenges in its short history, but it continues to be willing to serve the needs of its students and the community.

Respectfully submitted,

Edmond Thibodeau
Principal

David Sousa
Assistant Principal

Edward Boyle

LONDONDERRY JUNIOR HIGH SCHOOL
Nancy D. Meyers, Principal

ANNUAL REPORT OF THE PRINCIPAL
1981-1982

To the citizens of Londonderry, I hereby submit my first annual report as principal of Londonderry Junior High School.

The preparation for opening the new junior high school was a personal and professional challenge which I accepted with enthusiasm and excitement. However, the creation of a new educational facility is, without doubt, a team effort and I am fortunate to have had the help and support of many members of the community and the school district's professional staff.

Long before the principal was appointed, the Junior High Building Committee, chaired by Dr. Jerrold Kronenfeld, had already devoted many hours to decisions regarding the design and construction of the building itself in order to insure that it met community needs. Their efforts, in conjunction with the professional expertise and commitment of the architect, Mr. Frank P. Marinace, have resulted in a facility which meets the needs of the educational program and provides a productive learning environment for the students and staff.

With the principal taking an active role in January, 1982, the initial tasks of staff recruitment and "setting up shop" began. Mrs. Judith Moody, principal's secretary, and Mr. Harvey Hayashi, library-media specialist, began work toward the end of January. Mr. James Elefante, assistant principal, joined us in March. The development of the program of studies; creation of teacher and student/parent handbooks; student scheduling; transfer of student records; involvement in building construction; purchasing equipment and supplies; staff recruitment and transfers and the planning and coordination of a variety of activities related to all of the above required much time and energy.

Although we were housed at the District Office until July, every effort was made to visit the elementary schools in order to establish contact with our future students and their parents. We held scheduling orientation sessions, visited classrooms, attended athletic contests and co-curricular activities and, on occasion, just went to have lunch with the students. With the cooperation of Miss Claudette Roy, art teacher, we held an art contest to develop a Warrior logo for the cover of our first Student-Parent Handbook. Joseph Lynch submitted the winning design, and it now appears on the handbook as well as on Londonderry Junior High School bookcovers. The purpose of all these activities was

to begin developing a school identity and pride even before we opened our doors.

During this time, we also visited many other middle and junior high schools in surrounding communities in order to observe their programs and procedures. Our sincere thanks are given to all those principals who welcomed us and shared their ideas and experience.

One of the biggest challenges facing us was to develop a cohesive faculty with common goals to provide for positive academic and personal growth of the students. The majority of our staff was transferred from the four other schools in the district with a few new additions and replacements. We met individually with each of them and had two faculty meetings before the close of school in June. At last the team was complete! We held several staff tours of the facility under construction and as each area of the school progressed our excitement and anticipation grew. The junior high was no longer just a construction site. The staff had been assigned; the students had been scheduled; we were developing our own identity as a distinct educational unit; we were becoming a school. Moving day was just around the corner.

July at last! Teachers, coordinators and custodians had packed up literally tons of books, supplies and furniture. These materials, along with new equipment, etc. converged on the junior high under the direction of Mr. Robert Blanchette, head custodian, and we moved in with the construction workers. I am convinced that our custodial staff were secretly wearing superman outfits under their shirts! Community volunteers came to help organize the library, teachers worked in classrooms, secretaries organized offices and administrators did some of everything.

We were finally ready to welcome the public to our only partially occupied facility. On August 26th, approximately 1,000 students, parents and community members attended an open house. The citizens of Londonderry can be proud of the program and facilities of Londonderry Junior High School. A comprehensive curriculum is offered through regular academic classes, the mini-course program, and the extra-curricular activities available to all students. We encourage citizens to visit our school.

In closing, I would like to thank all of those members of the community, the professional and support staff and others who have helped

and cooperated in any way with the planning, construction, staffing, organizing and opening of the new Londonderry Junior High School.

Respectfully submitted,

Nancy D. Meyers
Principal

ANNUAL REPORT OF THE PRINCIPAL
1981-1982

To the citizens of Londonderry, I hereby submit my report as Principal of the Matthew Thornton School.

During the past academic year the students, staff and parents of the Matthew Thornton School were involved with ongoing positive education practices. Focal points of the year included:

Curriculum: Teaching content-scope and sequence, strategies and materials are the basis of a sound educational program. At Matthew Thornton the teachers utilized the District Language Arts Curriculum guides and the First Grade Curriculum guides that were distributed in September. The major Language Arts Curriculum goal for the year was Writing. This goal's objectives were achieved through participation in the Young Authors' project, specific grade level goals and activities, plus PTO sponsorship of the award-winning children's author, Patricia MacLachlan. In addition, the 1980-81 Language Arts goal of Listening was continued. As well, the grade levels have expanded Social Studies, Science and Career Education Curriculum through activities and projects within the classrooms.

Discipline: In order to develop better home-school relationships, discipline in grades 1-7 centered around direct parent contact. A seventh grade merit system patterned after the Junior High/High School system was utilized and developed.

Other educational highlights included:

A pre-observation Form was formulated and used primarily with first year teachers with hopes to expand its use next year. This Form is an attempt to assist the teachers and administrators in planning for the classroom observation.

With special pride it can be noted that Matthew Thornton placed First in the Math Competition for Merrimack and Rockingham counties.

Contact was established with the new Junior High staff to promote a positive transition for the sixth and seventh graders entering the new school.

Staff members were involved with staff development to maintain certification and to further develop their knowledge and skills. Several teachers are currently enrolled in graduate degree programs.

Matthew Thornton Staff were also involved with supplemental programs. Miss Patricia Archie successfully served as coordinator for the New Hampshire Young Authors' Conference. Under the direction of Mrs. Janet Boutin, the Matthew Thornton Band and Chorus received 'A' ratings at State competitions in Wolfeboro. Miss Archie, Mrs. Boutin and gym teacher Mr. Michael Peters were all involved with coordinating local student programs during the year.

To better develop working relationships and cohesiveness, the Staff held several get-together breakfasts.

I would like to give special mention to Miss Archie who has served as my Vice Principal this year. She has utilized her talents and leadership skills to better promote the education at Matthew Thornton.

I would also like to thank all of the Staff: teachers, specialists, secretary, aides, custodians and cafeteria staff for their direct service to the students. The PTO, school volunteers, and room parents were also instrumental in promoting a positive educational climate at the school.

Finally, I would like to thank Mr. Ouillette and the Londonderry School Board for their direct interest and dedication to the students of the community.

Respectfully submitted,

Robert J. Shea
Principal

Patricia A. Archie
Vice Principal

NORTH LONDONDERRY SCHOOL
Donald R. Jobin, Principal

ANNUAL REPORT OF THE PRINCIPAL
1981-1982

To the citizens of Londonderry, I hereby submit my report as Principal of the North Elementary School.

This was our second consecutive year with grades 1 through 7 at this school, closing in June with 550 students.

During the school year we, as school staff, enriched the curriculum and activities offered to our students.

A library skills program for each grade was established. Teachers, with the assistance of the library-media staff, committed themselves to the teaching of library skills based on a sequential development curriculum. This program will continue as part of our regular programs.

SPIRIT DAYS were organized, whereby each grade, once during the school year, would plan innovative activities relating to a specific theme or phase of the curriculum. Parents, teachers, students and community members participated.

Olympics of the Mind was a new adventure for many of our students. Specific problems were given to teams of students coached by parents and staff and coordinated by Mr. Anton Lysy. The teams presented to the students their various solutions. Parents and staff were instrumental in the success of this program.

Various other activities were conducted allowing students to be challenged and to develop their own ideas. Some of them were: The Young Authors, The Spelling Bee, The New England Mathematics League and others.

Career Education became very important at North School. All grades developed projects whereby students acquired an awareness of various careers. The second grade staff created an exemplary program. Guest speakers from the community came to the classroom and acquainted students with their careers. Among these were a bank teller, a cake decorator, a field service manager, a travel agent, a pilot, a systems analyst and many others. Students were taught how to make comparisons among these professions relative to the training necessary, duties and responsibilities of each. This was indeed a tremendous learning experience for these students.

The PTA had a very good year under the leadership of Mrs. Sue Turmelle. She was assisted by many dedicated parents. Our Parent Volunteer program also continued with many hours of tutoring given to our students. We are most appreciative.

I wish to take this opportunity to honor two outstanding educators at North School. First, Mrs. Erma Knox, who is retiring after fifteen years as a reading teacher here. Her dedication and professionalism is unparalleled. We wish Erma many years of happiness. Secondly, Mrs. Joan D'Amico, our guidance counselor, who was chosen as Elementary Counselor of the Year in New Hampshire. Congratulations to you, Joan.

My sincere appreciation to the staff at North School; teachers, specialists, secretary, aides, custodians and cafeteria workers. Their dedication and love for students resulted in a very successful year.

I would like to thank Mr. Ouillette, Mr. Young and the School Board for their support and guidance.

To the parents of our students, we appreciate your cooperation, understanding and support.

Respectfully submitted,

Donald R. Jobin
Principal

SOUTH LONDONDERRY SCHOOL
James E. Gratton, Principal

ANNUAL REPORT OF THE PRINCIPAL
1981-1982

To the citizens of Londonderry, we submit our annual report for South Londonderry Elementary School.

As we reflect upon the past academic year, we are reminded of several accomplishments that can be viewed with pride.

The school's enrollment figure this year was approximately 620 students in grades R-6. We opened the school year with 26 classrooms, a strong competent staff and excellent support people.

The strength of any educational program can be measured by the quality of the teachers and their ability to meet the needs of "the whole child" whether they be academic, social, emotional or physical. It is inherent in South's philosophy that our school provide an environment that is conducive to learning and one that fosters the creative spirit. It is imperative that teachers, support staff, parents and administration work to meet the needs of students.

The PTO has been very supportive of school programs not only with funding but also with personnel when needed. Mrs. Anne Lasnier, our PTO President, is to be commended for her excellent coordination among parents, school and community in her successful implementation of several projects: financial assistance for Sargent Camp, Volleyball, book fairs, RIF (Reading is Fun), school store, school fair (our culminating activity). Mrs. Mary Perkins, another most supportive parent, was extremely instrumental in the implementation of South School's playground. Together, these two persons and their supporters have given hours to South School. A sincere thank you seems so inadequate to express heartfelt appreciation.

The management team concept, adopted in 1980, was put into full operation this year. Team time, team planning, and team sharing have gradually become an accepted operative procedure in our school. It has become a cornerstone for strong curriculum development within our school — an important point in light of the district's current thrust with curriculum development.

In February 1982, Mrs. Sharlene Rautio, English Coordinator for grades 7-12, was appointed Assistant Principal when Miss Lucille Di-Cicco assumed the Principalship of the Lamprey River Elementary School in Raymond, New Hampshire.

We wish to take this opportunity to thank the members of the community for their support of South School, Superintendent A. J. Ouillette, Jr. for this educational leadership and Mr. Kenneth Brewer for providing our students with the special services they need, and to the Londonderry School Board for their dedication in response to the needs of the young people of our community.

Respectfully submitted,

James E. Gratton
Principal

Sharlene Rautio
Assistant Principal

REPORT OF THE DIRECTOR OF PUPIL SERVICES

The 1981-1982 school year proved to be a very busy and fruitful one for the pupil services area. Throughout the year staff members were involved with the implementation of the revised N.H. Special Education Standards. This included attending workshops presented by Educational Development Associates from Durham and development and utilization of a required Written Summary Report.

The school year also brought a State review in April of the district's special education programs as mandated by the Special Education Standards. As part of this process, a district committee was formed to complete a self study of its programs.

The district's Child Find Process was greatly expanded. As a part of the P.L. 94-142 project, hearing impedance equipment was purchased and screenings were conducted free of charge for the town's pre-school population. Because of the growth in the identification of the handicapped pre-school population, school board approval was given in the spring to implement an in-district pre-school program which would be housed at the Matthew Thornton School starting in the fall.

A committee was formed to review the district's reading curriculum and program recommendations were made for implementation in September. A committee also was formed to review the district's standardized testing which was implemented for grades 2, 3, 5, 7 and 9 for the first time in October.

Continued expansion and growth occurred in numerous other pupil service areas. A description of these areas is provided in the specific reports which follow as prepared by coordinators or individual staff members.

I am most grateful for the professional expertise, support and dedication that all of them have provided in order to meet the ever challenging needs of our student population.

Respectfully submitted,

Kenneth M. Brewer
Director of Pupil Services

Guidance Department: Elementary Level

The elementary guidance counselors continued their active programs to reach and meet the needs of the students and staff members of the Londonderry School District. Joan D'Amico of North School, Nancy Hemmerich and Joyce Maynard of South School, and Susanne Toomajian of Matthew Thornton counseled with 389 children on an individual and small group basis. Affective educational programs were run in readiness through seventh grade classes as a part of our developmental guidance program. Joyce Maynard and Nancy Hemmerich also ran small group theme-oriented programs to meet student identified needs. Themes included coping with divorce and death within the family unit.

Counselors were consultants to teachers, administrators, and parents by helping to generate and coordinate various approaches to meet the social and emotional needs of students in difficulty. This role was further reinforced with the use of formal parenting classes using the Systematic Training for Effective Parenting text at North School.

In response to staff identified needs, the counselors arranged and/or conducted two release day workshops on stress management and on the analysis and interpretation of the CTBS (Comprehensive Test of Basic Skills) achievement test.

Mrs. Hemmerich, as co-chairperson for Project Adolescent, was a force in helping the Project's efforts to disseminate information about the age learner characteristics of the ten to fourteen year old on a state-wide basis.

Mrs. D'Amico was named counselor of the year for the State of New Hampshire by the School Counselors' Association. This honor was in recognition of her ardent effort in fostering programs to promote the social and emotional growth of her student population.

In an effort to provide our southern New Hampshire community with qualified guidance counselors, Mrs. Hemmerich and Ms. Toomajian cooperated with Rivier College in offering a field site and supervision for two of Londonderry's guidance candidates.

The counselors participated on the pupil placement team. Included responsibilities were: organizing and coordinating member participation for the meetings; serving as intelligence testers and test interpreters during the meeting; and providing assistance in writing prescriptive programs designed to meet individual student needs.

Counselors continued to help in the identification of gifted students and handicapped pre-schoolers. They also served as out-of-district case coordinators for two severely emotionally disturbed and seven moderately retarded children.

In an effort to maintain their professional growth, they have attended college courses, workshops and conferences. Ms. Toomajian completed her Certificate of Advanced Educational Studies in School Psychology from Boston College.

Continuing school and community support provides both a purpose and incentive to our work, and we thank you.

Respectfully submitted,

Joan D'Amico
Nancy Hemmerich
Joyce Maynard
Susanne Toomajian

Guidance Department: Secondary Level

The high school guidance department has again been through a busy year. It has been a year of transition as two new counselors were hired to replace two who left us at the end of last year. We also had a change of secretaries after the school year began, and now because of budget cuts we are faced with the loss of a school year secretary for next year, and a counselor has been transferred to the junior high school. These changes will certainly stretch the department to its limits for the coming year.

As we look back at the year behind us, however, we see the results of a very productive year. In the area of college placement, our seniors show some high aspirations. Approximately 55 percent of them are planning to attend some sort of post-secondary school. Three of those seniors are National Merit Scholarship recipients — an achievement attained by a select few across the nation. Approximately 30 to 35% of the seniors will be entering the work force directly after graduation — a tribute to our Vocational Education program, Cooperative Work Study program and Work Experience program. The counselors have spent much of their time in career planning activities with students, be it through interest testing, aptitude assessment or occupational exploration via the MOIS computer terminal housed in our office (which saw tremendous usage during the year).

A series of "career seminars" was conducted for students in the fall, including such areas as social work, computers, and writing/journalism. In December, the department hosted a financial aid night for parents of students going to school. Later on, a series of evening group sessions for parents were held dealing with the issues surrounding adolescence. The response to these sessions was extremely positive. Additional groups were conducted with students throughout the year around issues of school orientation and adjustment, communication with parents and adjusting to "broken homes". As new students enrolled in school from other communities, they were automatically included in "new student groups" which met periodically to help students adjust to their new surroundings. As can be seen, group counseling is a vital part of our function in the high school, and yet the cornerstone of our job remains the one-to-one contact maintained by the counselors with their caseload of better than 300 students each.

Some of the other activities performed by the counselors during the year include: group and individual testing (i.e., CTBS and College Entrance Examination Board tests), follow-up of graduates; providing information about summer opportunities for students; providing job shadowing experiences for students; career field trips to such places as Digital; college field trips for juniors and seniors to college fairs at St. Anselm's College and Hynes Auditorium in Boston; scheduling scores of sessions with college admissions representatives right here in our office to meet with students; a spring College and Career Night for parents and students; and three issues of a guidance newsletter informing parents of events and dates throughout the year. In addition to the academic, personal adjustment and career counseling done with students on a daily basis and the consulting with faculty and administration regarding students, these are representative of the many vital tasks performed by the dedicated staff of the high school guidance department.

Our two secretaries have remained very busy this year also. Making appointments for students and parents, answering the phone, arranging parent conferences, enrolling new students and sending transcripts on departing ones, processing college recommendations, maintaining student cumulative files and typing a variety of correspondence, among other things, have made them an indispensable part of our operation.

Each year brings new challenges, and I'm sure next year will be no exception. Fortunately, the staff welcomes each challenge as it

comes, and we look forward to the coming year with eagerness and resolve.

Respectfully submitted,

Robert A. Pedersen
Director of Guidance
Londonderry Junior-
Senior High School

Speech and Language Department

The 1981-1982 school year was a busy and productive one with a Speech and Language Department staff of three full-time and one half-time Speech-Language Pathologists. Mrs. Catherine O'Brien serviced North School and the Junior/Senior High School, Miss Karen Wilson serviced South School, Mr. Allan Pare serviced Matthew Thornton School and Mrs. Deborah Gratton serviced the pre-school population.

The Department meets the educational needs of students from three to twenty-one with diagnostic and evaluation procedures, consultation, direct therapy, developmental lessons, and in-service training. Other duties and responsibilities include participation at staffings and conferences, professional advisements, coordination of out-placed students, administrative functions, as well as completion of numerous professional reports including Individual Educational Plans, progress reports, testing interpretations, staffing reports, staffing summaries and state forms.

The Department provides clinical services for all types of communicative disorders including voice, fluency, auditory, articulation and language. At all levels 129 students received direct service in individual or small group therapy settings, and 141 students participated in weekly classroom developmental speech-language lessons.

The pre-school program has continued to be a vital part of our program as the team evaluated and observed 22 children referred to us. Our participation in the spring registration drive continues to be an integral part of the educational process.

We wish to show our appreciation to all the citizens of Londonderry who assist us in playing such an important role in the total educational experience.

Respectfully submitted,

Catherine O'Brien

Karen Wilson

Allan Pare

Deborah Gratton

Health Services

The Londonderry school nurses provide the components of primary health care for school-age children.

Primary health care includes initial assessment, management of minor illness and/or referral to other health professionals, monitoring of chronic diseases, health supervision, counseling, promotion of health life styles, disease prevention, and the coordination of services when specialized care is required.

The availability of these health services in schools improves the students' ability to make responsible decisions related to their needs and to utilize existing community health services.

The support of local community organizations has been invaluable in the health maintenance of the children of Londonderry. We would like to thank the following organizations for their financial support. The American Legion Parmenter Post 27 for continued backing of the Preventive Dental Program. Mrs. Barbara Coish, R.D.H. has coordinated this program for the children of Londonderry for thirteen years. The Londonderry Grange provides assistance for students who need audiological evaluations, the Londonderry Lions Club assists us in helping children with vision problems and along with the Londonderry Women's Club, have funded an Emergency Dental Care program.

The school district was able to secure three M.S. microprocessor Impedance Analyzer/Pure Tone Audiometers. These were purchased by Public Law 94-142 funds and have been incorporated into the school health program, which has now been expanded to include the preschool population.

Sharon Carpenter and the Parent-Teachers Associations coordinated the volunteers for preschool registration and this was greatly appreciated.

A special thank you to our school physician Dr. Ronald Gagne for providing in-school physicals for students participating in athletics and the Camp Sargent Program.

Respectfully submitted,

Claire Hunter, R.N.
Londonderry Jr.-Sr. High School

Patricia Plouff, R.N.
South Elementary School

Ellen M. Edes, R.N.
Matthew Thornton School

Marilyn Ham, R.N.
North Elementary School

Title I

The Londonderry Title I Program serviced 105 students, from Readiness through Grade 5, during the 1981-82 school year. This federally funded program provided daily supplemental Language Arts tutoring in the communication skills area of speaking, listening, and writing. Another major program priority involved creative activities to build and enhance the child's self-concept.

The Title I Parent Advisory Council, elementary faculty members, and district personnel conducted a state-mandated evaluation of Londonderry's Title I Long-Range Planning. The positive results obtained during this evaluation indicate substantial success in meeting program goals. This success also reflects the cooperative efforts of school board members, parents, elementary faculty members, administrative and district personnel and Title I staff.

We look forward to the continuation of the Title I Program as an integral part of Londonderry's total educational program.

Respectfully submitted,

Marilyn K. Childs
Title I Coordinator

Reading Department

One of the primary goals of the Reading Department for the 1981-82 school year was the refinement of curriculum continuity throughout the district. The revised Language Arts curriculum guides were utilized by the teachers in grades R-6. Developmental Reading was added to the seventh grade curriculum and will also be offered to eighth grade students during the 1982-83 school year.

In addition to the regular language arts program, students were given the opportunity to become involved in the New Hampshire Young Authors' writing project. Several hundred students in grades 1-6 participated in the writing project. Seven of these students were selected to be representatives at the June 5th, State Young Authors' Conference.

Other reading activities that took place within the district included Reading is Fundamental, use of the novel in grades 1-6, as part of the grade level reading instruction, and a visit from a guest children's author.

We would like to extend our congratulations to Mrs. Erma Knox, who will be retiring at the end of this school year. Her expertise and dedication as an educator will always be appreciated.

The Reading Department would like to thank the staff, administration, school board and the community for the support that has been provided during the past year.

At the Junior/Senior High School approximately 170 students were serviced this school year by two reading specialists. Additional students were tested throughout the year for placement, evaluation and staffing purposes.

C level 8th, 9th and 10th grade English classes were administered the Nelson-Denny Reading Skills Tests in October of 1981.

Each reading specialist taught reading one period each week in 8th, 9th and 10th grade C level English classes.

Other responsibilities included the writing of goals for Individualized Educational Programs and attendance at Pupil Placement Team Meetings and Parent Conferences.

Scheduling of students and budgeting, ordering and maintaining of reading materials are other duties performed.

For a second year the reading program hosted a Book Fair.

Respectfully submitted,

Jr.Sr. High School

Learning Resource Centers

The Learning Resource Center at South School provided direct service daily for fifteen (15) students in grades one (1) through three (3). Each student received an individualized program suited specifically to meet the child's needs. Each student was mainstreamed into his or her homeroom for physical education, music, art and for academic instruction when appropriate. All other academic needs were met within the Learning Resource Center where there were provisions for small group and individualized instruction.

The Learning Resource Center at Matthew Thornton School provided direct services daily to eleven (11) students in grades four (4) and five (5). Children participated in replacement programs of language arts, mathematics, and other areas as stated in individual education programs.

The LRC teacher is also involved in input at staffings, reports of evaluations and recommendations, compilation of educational plans, completion of mandatory state forms, classroom observations and quarterly progress reports.

The LRC teacher and the regular classroom teacher work closely together in the spirit of cooperation and understanding to insure a successful school year for each student.

The sixth-seventh grade Learning Resource Center at Matthew Thornton serviced 8 students this year. All students were involved in language arts and math replacement classes. Students were mainstreamed for art, music, P.E., library and various homeroom activities appropriate for their needs.

The administrative responsibilities included staffing input, evaluation, reports, writing of educational plans, completion of state forms and progress reports.

Close contact is kept between parent, regular classroom teachers and L.R.C. teacher in order to provide the best, most supportive program for each student.

The Resource Program at North School has serviced a total of thirty-eight (38) students in grades one (1) through seven (7).

Students who experienced difficulty with one or several areas of academic instruction participated in supplemental or tutoring programs. This support was provided on a short or long term basis as needed throughout the school year.

Respectfully submitted,

Pamela Flynn
South School

Fran LeBlanc
Matthew Thornton School

Heidi Trubacz
Matthew Thornton School

Anne Silvius
North School

Special Education Department: Junior-Senior High School

The Special Education Department of Londonderry High School serviced 58 handicapped students grades eight (8) through twelve (12) during the 1981-1982 academic year. In addition, tutoring services were made available to all students (handicapped and non-handicapped) through S.L.A.P. (Student Learning Ancillary Program). Thirty-three (33) students were tutored for four weeks each in basic skill areas, upon the recommendation of a classroom teacher

and with parental permission. Regularly scheduled full-year tutoring sessions were assigned to handicapped students needing remediation of basic skills or academic support.

The department consisted of two learning resource teachers, two learning disability teachers, a Special Education department coordinator, one part-time classroom aide and one part-time clerical aide. Supplemental services were provided by Dr. Margaret Hodinott, consulting psychologist, and Mrs. Catherine O'Brien, Speech and Language Therapist. Additional services were contracted as needed.

Learning Resources

Services were provided to students in the learning resource centers by two teachers, Danielle Sabol and Ronald Janowicz. Supportive services were provided by a part-time classroom aide, Kathy Wicker. Part-time clerical services were provided by Joan Hale and Lori Gianquitto.

LRC Replacement classes were taught in the following areas: Social Studies LR 8 and LR 9; English LR 8 and LR 9; Fundamental Math 9, 10, and 12; Math LR 9; Math LR 10; Math LR 8; and Fundamental Life Skills. Fundamental Biology was team taught by David Johnson (Science Coordinator) and Ronald Janowicz (LRC Teacher).

Learning Disabilities

Two learning disabilities teachers, Gail Hytner and Kenneth Merrill, provided remedial services to those students identified as having a mild, moderate or severe learning disability. Fundamental replacement classes were taught in the following areas: English LR 10 and English LD 10, and Science LR 8.

Classes were team taught in the following areas: Team General Math (taught by Gail Hytner and Michelle Keady, Math teacher); Team Social Studies Overview (taught by Gail Hytner and Walter Sidney, Social Studies teacher); Fundamental English 11 and 12 (taught by Gail Hytner and Mindy Oleson, English teacher); Fundamental Earth and Life Sciences (taught by Ken Merrill and Ronald Janowicz, LRC teacher); and Team English 9 (taught by Ken Merrill and Jacquelyn Grainger, English teacher). Handicapped students were tutored during scheduled periods throughout the year.

Respectfully submitted,

Joan Kricksciun
Special Education Coordinator

Diagnostic Services

During the 81-82 academic year many initial goals of the diagnostician were achieved to provide a more comprehensive diagnostic program for this district. In addition to providing assessment of students referred for special education service due to potential handicapping conditions that interfere with a successful school experience, evaluating students currently in special programs, and screening and evaluating students considered for the Special Curriculum Development Program, many new components were added to the position to provide early intervention for preschool students.

The District Child Find Program became a reality during the 81-82 year with assistance and support from parents, area preschool service providers and professional staff. Flyers and brochures were sent to over 3000 area residents outlining and describing the Child Find Process. Area pediatricians and early care providers were also notified of the program and services provided for young children who may be handicapped or in need of supportive services (for example Language Stimulation Therapy). The number of new referrals for evaluation between the ages of birth and six increased more than 100 percent, with 90% of those children needing special services.

Public awareness of the Child Find Program has alerted parents and preschool providers of signs displayed in handicapped children. The many telephone calls received from parents who "just wanted to check" their child was heartwarming. The next step in our program will be a town-wide early intervention screening for children from birth to six.

The Registration and Entrance Testing Process was another service provided by the District Diagnostician. Students entering the Londonderry School District received the Gesell School Readiness Battery in order to provide a recommendation for the most appropriate, and beneficial placement during their initial school experience. In the spring of 1982 an orientation meeting for parents of entering students was held at the Matthew Thornton School to introduce the testing process and first year programs provided by the district.

Over 400 children were serviced by the Diagnostic Program during the 81-82 academic year in an effort to provide early intervention, successful school experiences and positive self concepts for the children of Londonderry.

Respectfully submitted,

Deborah Anne Falcigno-Sibiga
District Diagnostician

Occupational Therapy Services

As the full-time occupational therapist for the Londonderry School District, I have worked throughout the year at all three elementary schools and with several preschoolers. I have provided individual and small group therapy in the areas of gross motor coordination, fine motor coordination, sensorimotor integration and visual-perceptual motor development. This year I have spent time on a regular basis in each readiness class to provide movement activities. This has worked well and will continue to be one of the goals of the program. A total of 22 children received direct therapy in addition to the readiness classes.

In addition to servicing the elementary schools, a great deal of time this year has been spent with the preschool population. As a member of the preschool team, I have been involved in screening, testing, identifying and placing preschool children with special needs in appropriate educational settings.

As the school personnel and parents become aware of the variety of services the occupational therapy program can offer, the greater the outreach program can be. This helps build strong lines of communication between the therapist and community. Modifications in the classroom or home programming are being encouraged in addition to therapy for the children.

The occupational therapy program will continue to expand and adapt to the needs of the Londonderry School District. The townspeople's and school administration's support for the program is greatly appreciated.

Respectfully submitted,

Holly Morrison
District Occupational Therapist

Special Curriculum Development

During the last year, the Special Curriculum Program expanded its offerings. Courses on astronomy, computers, creative writing, journalism, the stock market, medicine and veterinary medicine were taught by mentors from the community. Volunteers from the faculty and community also served as coaches for the Olympics of the Mind, a national creative problem solving competition available in New Hampshire for the first time.

Supplemental reading materials were added to the elementary school library through a Title IV grant and plans were developed to introduce computers to the elementary schools through an extension of the grant. Curriculum development work was done at the eighth grade level and a philosophy course was taught to seniors.

Formal screening continued and now extends from grades five through eight. But the extension of offerings to all interested students implemented this year provided the program with a broader base to work with in years to come.

Respectfully submitted,

Anton Lysy
Coordinator of Special
Curriculum Development

Learning Disability Department

The Learning Disability Department's Program during the 1981-1982 year reflected growth, as additional needs and services in the school district were addressed and refined. The changing needs were defined through annual review and evaluation of the handicapped students' individual programs with the parents, and as a result of information received from the classroom teachers and building principals throughout the year.

As District Coordinator, I was involved in several long-term projects involving detailed planning, meetings, time and research. Extensive after school time and hours were devoted to the development of a requested Curriculum Guide and Entrance and Exit Criteria which were presented in the form of a Program Booklet that was compiled and distributed to the principals and special service staff members during the year.

Another major project this past year was a Plan of Action for Early Intervention and Identification that was developed to enhance the growth of potential high risk students in the primary grades. The specific plan for the first year included classroom visits, consultation and screening of Readiness students. Meetings were held with the teachers of the children in the first three grades to discuss ways of helping students experiencing academic difficulty. The Readiness Classes and some selected first graders for a total of 76 students were given a Pre-Academic Screening administered by the Learning Disability Department to provide additional information to the teachers in the classroom as they prepared daily instructional activities. The program was well received, and the feedback from teachers and parents was positive, as the on-going task of helping children during their early development unfolded.

The P.L. 89:313 Grant was developed, written, and implemented by the Coordinator with the hiring and programming of two aides to provide supplemental help to handicapped students returning to our public school programs. Many hours of quality service were given to the program and children by Susan Norton and Patricia Ganster. The Coordinator also participated on an On-site Evaluation Preparation Committee, as a Pre-school Team Evaluator, and Building Team Member for staffings of individual students at the request of the principals. Eleven out-of-district students were addressed either through evaluation, observation or staffing. In addition, twenty-two preschoolers were staffed with potential learning problems, requesting review and observation or testing. A total of well over 300 staffings was recorded as attended this past year which reflects the growing and expanding needs of the district.

Nancy Blackwood, Gail Hytner, Dorothy Manning, Kenneth Merrill and Thelma Raine, as the Learning Disability teachers in each school, prepared and implemented the instruction required in the Individual Education Programs (IEP's) for approximately 97 students coded as handicapped. In addition, requests for observation, testing and consultation were conducted as over 40 students who needed extra support, but were not handicapped, were served. The 1981-1982 school year was indeed a challenging one with continuous requests and new referrals to be addressed, as well as the implementation of daily programming requirements. These devoted teachers were an integral part of the on-going success of the program.

At this time, as coordinator of the program, I would like to sincerely thank all staff members for their help whether they were participants or typists. Many different people were involved, and extended

excellent effort and gave valuable time, on a daily basis. A special thank-you, also, to the parents whose vital part to the success of our program cannot be measured in either effort or time.

Respectfully submitted,

Lois E. Ireland
District Coordinator of
Learning Disabilities

LIBRARY/MEDIA ANNUAL REPORT 1981-1982

To the citizens of Londonderry I hereby submit my annual report on the status of the school library/media program of the Londonderry School District.

This has been the year of accreditation at Londonderry High School. Since Educational Media Services was a major consideration as a standard membership of the New England Association of Schools and Colleges, a great deal of time was spent in the self-evaluation process on examining our current program and, during the three years of self-study, much emphasis was placed on improvement of service, facility and collection. It was indeed gratifying to learn in the final report that the visiting committee commended us for staff competence and flexibility as well as depth of resource collection. Library/Media committee members are to be commended for their diligence in preparing the self-study but the credit rightfully belongs to the library staff for their consistent efforts to provide the best program possible given the constraints of time and shrinking space. We are now making plans to deal with expanding staff levels to provide optimum service and will propose modifications to increase space for services and collection.

We welcomed two new professionals at the secondary level this year. Mr. Henry E. Knight has assumed the duties of High School Media Generalist and has brought many new talents and ideas to the program. Additionally, Mr. Harvey Hayashi joined us at mid-year to assume responsibility for providing services for the new Junior High School. As Media Generalist for that building, Mr. Hayashi spent countless hours in identifying materials at other schools to be transferred to the new school. He also selected and acquired new materials and equipment and familiarized himself with curriculum and program needs. Due to Mr. Hayashi's persistence and dedication, I believe we can look forward to a "model" program within the coming year. We would like to take this opportunity to cite the contributions of the "corps" of volunteers who helped us in preparing for our move to the new junior high facilities. They include Judy Piper, Aurie Sullivan, Debbie Currier, Carol Tomaswick, Mary Falvey, Betsy Andersen, Sue Campbell, Theresa Elliot, and Dorothy Grover. Sincere thanks are extended to all of these "friends of the library".

At the elementary school level we have continued in our effort to balance the collections relative to size of the student population. I am pleased to report that at South School our continued plan of collection development has brought the total number of volumes available to approximately 8,200 as of 6/82. Matthew Thornton houses approxi-

mately 7,600 and North School 7,900. It is our sincere hope that we will be able to finally align these figures in the coming school year. There are still serious concerns regarding space at Matthew Thornton and we will again propose modifications to the School Board to help alleviate the problem. With the withdrawal of the seventh grade to the junior high, we look forward to being able to fully develop more appropriate use of the elementary library/media centers in regard to children's services.

Other highlights of this school year include the implementation of a new circulation policy to help deal with the problem of overdue materials. Initial analysis and commentary from library staff indicates that we have been able to effect better control of materials using this policy. Additionally, professional staff members have greatly appreciated the opportunity to work with the Londonderry Cable Television Advisory Committee, chaired by Edward J. Newcombe, to assist in analyzing cable company proposals for the Londonderry Board of Selectmen. We are confident that the educational possibilities of cable television will enhance curriculum and career opportunities for local students.

In closing I would like to thank all library/media staff for their continued efforts on behalf of the program. In September we will welcome Mrs. Linda Bowen to our junior high staff and Mrs. Sue Badois to the senior high staff. Those of us already part of the library/media program are anxious to begin another school year and we hope that our new colleagues will find their experiences as rewarding as we have over the past few years.

Respectfully submitted,

Susan M. Doyon
District Media Coordinator

LIBRARY STATISTICS 1981-1982

	Hours Open Per Week	Days Open Per Week	Book Collection	Circulation
NORTH	30	5	7,997	11,300
SOUTH	30	5	8,280	14,716
MATTHEW THORNTON JUNIOR/SENIOR HIGH	30 35	5 5	7,574 13,818	14,896 7,725 +

+Most High School students use a great many books (especially reference materials) within the media center and consequently the circulation figure for this building may seem inordinately low when compared to the elementary schools.

ADDITIONAL STATISTICS:

Approximate loss rate for the school year (HS) — 1.5%

Library Usage — High School:	September — 2534	December — 4254	March — 7395
	October — 5647	January — 4309	April — 5847
	November — 4612	February — 3845	June — 3459
			TOTAL: 47,357

All Elementary: Approximately 1 visit per student each week.

ACCOUNTABILITY COMMITTEE REPORT

1981-1982

To the citizens of Londonderry, I hereby submit my annual report as chairperson of the Accountability Committee.

The committee's goal for the 1981-1982 academic year was to complete the final step of the six basic steps of the State mandated accountability program. The emphasis of our time was spent developing an appropriate management plan for the ensuing years.

Mr. Tim Mayes, Miss Kathy Laureti, Dr. Dan Fitz-Simons and Mrs. Sharlene Rautio had the task of preparing and designing the management plans for the disciplines based on the testing results for the individual disciplines and on future projections. The coordinators presented the management plan for approval to the Accountability Committee, the School Board and the State Department. Their time and effort were greatly appreciated, and resulted in a document that will aid in improving the educational programs for our students.

The accountability committee's goals for the 1982-83 academic year focus on evaluating the testing tools presently in use and on the continuing refinement of the six basic components in the state accountability model.

Respectfully submitted,

James E. Gratton
Principal

STAFF DEVELOPMENT REPORT

1981-1982

During the school year of 1981-1982, the Staff Development Committee, composed of a School Board member, administration, parents and teachers, dedicated themselves to help with the implementation of our revised Master Plan.

In 1981-1982, we were in the second year of the implementation of the Master Plan. We have one more year on this Master Plan and so far the Committee and staff have found it a most workable plan.

We are now in the process of working on our new five year Master Plan. This new revision will be taking place in August of 1982. Each Master Plan that is revised helps as an updated guideline for all professionals in education.

Also this year a new chairperson has been elected. Mrs. Margaret Bowersox will be organizing the activities of the Staff Development Committee for the 1982-1983 school year.

I would like to thank all members of the Main Committee, my co-chairperson, James Doherty, and the review committees for giving me their support and ideas during my chairpersonship.

Respectfully submitted,

Johanna M. Gibbons-Bell

NT — New Teachers Report
 TW — Teacher Workshops
 LD — Labor Day
 CD — Columbus Day
 V — Veterans' Day

TD — Thanksgiving Day
 NS — No School
 PC — Parent Conferences
 MD — Memorial Day

September 6 — Schools Open
 November 24-25 — Thanksgiving Recess
 December 24-30 — Christmas Recess

February 20-24 — Winter Recess
 April 23-27 — Spring Recess
 June 14 — 180th School Day

This calendar provides for 180 school days for students and 185 work days for teachers. Schools will close upon the completion of the 180th day.

Junior High Graduation (Evening of 180th school day)
 Senior High Graduation (June 9, 1984)

If days are lost because of inclement weather, they will be made up in June following the now scheduled 180th day (and) the final teacher workshop will be the next day.

LONDONDERRY COMMUNITY ADULT EDUCATION PROGRAM ANNUAL REPORT

The Londonderry Community Adult Education Program began on February 2, 1981, as a response to the needs of the community. The community program had been in the planning stages for several years prior to its official opening. On January 20, 1976, the Community School Task Force issued a report suggesting the establishment of a community education program. The report noted that a community education program would tap the tremendous potential in community resources, would utilize the talents of the citizens of the community, as well as those of the existing school staff and would provide maximum return upon tax investment.

The Londonderry School District appointed Ms. Karen McCarthy and Ms. Elizabeth Platt to research the feasibility of such a program. Their planning activities included: 1. designing a community questionnaire on course preferences; 2. establishing a community advisory board; 3. designing a job description for the coordinator's position; 4. acting as liaisons between the Londonderry School District and the School Board.

In October, 1980, the Londonderry School District hired Mr. Albert Jacobbe to coordinate the program. The School Board mandated the program be self-supporting; all costs, excluding the salary of the coordinator were to be funded from receipts. Further, the School Board mandated courses run for a minimum of eight weeks.

Programs

1. Winter 1981 – February - March

In the Winter term of 1981, the Londonderry program offered ten eight-week courses. The courses began on February 2, 1982 and ended March 26, 1981. The community preference questionnaire determined the course selection. Six of these courses ran. The total enrollment for the six courses was 73 students.

2. Spring 1981 – April - May

In the Spring of 1981, five four-week workshops were offered. Three of these courses ran with a total enrollment of 26 students. At the end of the first term, 99 residents had participated in the program. The expenses for the combined programs were \$1,945.36; the com-

bined income for the programs was \$1,975.00. The program had a surplus of \$29.64.

3. Fall 1981 — October - December

In the Fall term of 1981, 14 ten-week courses were offered. The courses began the week of October 5, 1981, and ended the week of December 14, 1981. Two out of the 14 courses ran. The total enrollment for the two courses was 22 students.

In October 1981, the community program offered college courses leading to an Associates Degree in Management and Marketing. The courses were offered through Nashua Vocational Technical College. In the Fall 1981 term, two courses ran, one in Management, one in Accounting. These courses enrolled in total 16 students.

In addition, in the Fall program, the community program offered a series of career job search workshops. The workshops were offered jointly with the N.H. Vocational Technical College in Nashua. They were offered the week of November 9th and ran for four consecutive evenings. They were attended by 13 people.

Total expenses for the Fall program were \$843.11; total revenue was \$773.64. There was a shortfall of \$69.47. This deficit was covered by excess funds in the supply budget that the School Board had allocated to the community program.

4. Winter 1982 — February - March

In the Winter 1982, one four-week course, two six-week courses and five eight-week courses ran with a total enrollment of 14 students. In addition to these eight courses, the Center for Life Management offered two workshops and the program also offered income tax preparation to the senior citizens free of charge.

Conclusions

In a one-year period, 14 out of 37 courses ran with a total enrollment of 135 residents. Two courses were offered with an enrollment of 16 residents, and 13 residents attended the workshops on career job search. In all, one hundred sixty-four (164) residents attended the programs offered by Londonderry Adult Education.

Respectfully submitted,

Albert G. Jacobbe

ANNUAL SCHOOL DISTRICT MEETING

March 5, 1982

Londonderry High School

At exactly 7:07 p.m., William Foley, moderator, opened the Annual School District Meeting with the Londonderry High School Color Guard presenting arms. After the Pledge of Allegiance, the Star Spangled Banner was sung, accompanied by the L.H.S. Ceremonial Band, directed by Andy Soucy. Mr. Foley introduced Fr. Thomas Bresnahan, pastor of the new St. Mark's the Evangelist Parish of So. Londonderry, who gave the Invocation. Bill introduced Robert Lincoln to give a very special presentation. Myrtle Pond, retiring School District Treasurer, was called upon to receive a dozen long-stemmed roses, and a beautiful Paul Revere Bowl for her service of thirty-three years to the District, 1949-1982. Al Connors presented Myrtle with the bowl and read the inscription of thanks.

Chet Ham then came forward to mention the three finalists for the National Merit Scholarship. He introduced the students and their families: Robert Hines, Michelle Ouilette and Willard Lyman. Chet remarked that this achievement of three finalists was a fine reflection of our school system.

Mrs. Karen Keegan made a presentation to Roger Dykstra and Chet Ham, retiring school board members, and gave each a plaque with an inscription of thanks as a small token of appreciation for their three years of service on the board.

The head table was then introduced by Bill: to his far left, Mr. Lewis Soule, legal counsel; Mr. Craig Young, business administrator for the district; Mr. A. Joseph Ouilette Superintendent; Board members- Mr. Rodney Edwards, Mrs. Karen Keegan, Mr. Chet Ham, Mr. Roger Dykstra, Mr. Robert Lincoln; Mrs. Charlotte R. Pfyffer, Clerk; and Mr. Robert Webber, assistant Moderator. He also introduced Ray Reed, Rob Webber, Doug Hartwell, and Hank Knight who were responsible for the audio-visual equipment used that evening.

With the ground rules and restrictions reviewed, Bill Foley began immediately with Article I (Interest and Income).

ARTICLE I: To see if the District will vote to authorize the School Board to apply toward the cost of the Londonderry Junior High School project any interest income resulting from the investment of bond anticipation notes and bond proceeds in an amount equal to the interest costs incurred through borrowing. Interest income will not be applied to the project in excess of interest expense.

MOTION by Karen Keegan, second by Chet Ham. Mrs. Keegan gave an explanation of Article I, and asked if there were any questions. With no response, Bill then re-read the article and asked for a hand vote.

AFFIRMATIVE vote passes ARTICLE I.

ARTICLE II (Support of Schools): To see if the District will vote to raise and appropriate the sum of \$4,364,676 for the support of schools, for the payment of salaries and benefits for the School District officials and agents (other than teachers' and custodians' salaries and benefits as negotiated), and payment of the statutory obligations of the District.

MOTION by Roger Dykstra and second by Rod Edwards. Before Roger's presentation, he moved to amend Article II by raising the figure by the sum of \$39,835 for the purpose of School Psychologist, SERESC membership, Home Bound instruction, and Special Education Therapy Services. Second by Rodney Edwards.

Mr. Patterson asks if this passes does it mean that we are moving the \$39,835 to Article IV. They responded yes. With no further questions, Mr. Foley re-reads the Amendment and asks for a hand vote. The Amendment CARRIES.

With the newly amended figure of \$4,404,511, Chet Ham and Roger Dykstra proceed with a slide presentation on a comprehensive budget break-down. At the conclusion of about twelve slides, which covered major cuts already made, the Junior High impact, personnel and benefits, federal funds, salaries, etc. At the conclusion, the estimated tax impact would be approximately \$4.70 per thousand.

Mr. Al Madison, member of the Budget Committee, then made a motion to amend Article II to decrease the new figure to \$3,864,511, a reduction of \$540,000. Victor Tunberg seconds the motion. Much discussion ensued, and many questions were addressed by the School Board and the Budget Committee. Mr. Stopherd made a statement about drastic increased tax rate over the past several years. Mr. Reed, also of Budget Committee, addressed Mr. Stopherd and then asked Mr. Lincoln to justify the increased budget. Bob gave a lengthy answer and asked the townspeople to support the School Board's recommended budget.

More questions and concerns from Mr. Bob Early, Gary Clark, Mr. Sealy, Jim Cassotis were all heard and finally Mr. John Powers felt that we have been pretty lenient to our schools, but economy as it is, he was in favor of the cut and moves the question. Second by Gary Clark. All those in favor of moving the question were asked to raise their hands. **AFFIRMATIVE.**

Mr. Foley read the motion to amend Article II by \$540,000 to the new figure of \$3,864,511. With a hand vote, the Amendment CARRIES.

Bill asked if there were any further questions or discussion on Article II. Mr. Sigrist made a motion that \$2,080 be added back into the budget for Freshmen Basketball and amend the figure to \$3,866,591. Mr. McCarthy seconds. Mr. Sigrist addresses his own amendment in favor of the benefits of this program. With more discussion from

Mr. Arnold, Mr. Lincoln, Mrs. Reed and Mr. Stopherd, the latter making the motion to move the question. Gary Clark seconds, and a vote was taken to amend the figure to \$3,866,591 to be utilized for Freshmen Basketball. The Amendment was **DEFEATED**.

Mr. Madison then moves to accept Article II as amended and proceed with the meeting. Mr. Swerling seconds. With a hand vote, The Amendment **PASSES** and is so ruled by Bill Foley.

By 8:40, Bill moved to Article III (Salaries and Benefits-Custodians).

ARTICLE III: To see if the District will vote to raise and appropriate the sum of \$380,291 to fund all "cost items" relating to custodians' salaries and benefits for the 1982-1983 fiscal year, which is required to fund costs as a result of negotiations with the Londonderry School Custodial Employees (Local # 1801 AFL-CIO).

MOTION by Chet Ham with a second by Robert Lincoln.

Chet Ham explained that Article III was the result of the second half of negotiations with the custodians. Following Chet's presentation, Bob Early moves the question with Mr. Powers, seconding. With the question moved Article III **PASSES** as read.

ARTICLE IV: To see if the District will vote to raise and appropriate the sum of \$4,014,876 to fund all "cost items" relating to teachers' salaries and benefits for the fiscal year 1982-1983, which sum is required to fund costs as a result of negotiations with the Londonderry Education Association.

MOTION by Bob Lincoln and second by Karen Keegan. Before Bob's presentation, he made a motion to amend Article IV with an increase of \$139,991 to a new figure of \$4,154,867. He justified this increase due to the negotiations of teachers' salaries with the LEA. He explains that this is also a result of many hours of negotiations, and is a 10% increase which includes benefits, salaries, and the new teachers for the Junior High School. After discussions, Bob Early asks to keep our professional people and moves the question with a second from Mr. Fowler.

MOTION-CARRIES

More questions and discussion from Mr. Reed, Ed Newcombe, Mr. Cassotis, and James Wray, with answers coming from Bob Lincoln, Mr. Soule and Roger Dykstra. Mrs. Pat Nesmith moves the question, and Mr. Doug Enman seconds. With an **AFFIRMATIVE** vote and with ARTICLE IV amended, Bill asks for a vote on the increased figure of \$4,154,867. ARTICLE IV-**AFFIRMATIVE**.

Bill Foley, having a vested interest in the next article, passed the gavel to Bob Webber, assistant moderator.

ARTICLE V (Three year terms): To see if the District will vote to change the terms of the school district clerk, moderator, and treasurer from one year to three years, beginning with the terms of the school

district clerk, moderator, and treasurer to be elected at next year's regular school district meeting. (BY PETITION)

MOTION by Karen Keegan and second by Roger Dykstra. Karen simply explained that a new law has allowed this change and that we were empowered to adopt this policy. With no debate, Mr. Robert Day moves the question and Mr. Early second. With ARTICLE V re-read, a hand vote CARRIES ARTICLE V.

ARTICLE VI (Agricultural-Vocational Students): To see if the District will vote to only send agricultural-vocational students to State of New Hampshire sanctioned agricultural-vocational schools. This will result in the State reimbursing the Town of Londonderry for a portion of the tuition. (BY PETITION)

MOTION by Bob Lincoln with a second by Chet Ham.

Mr. Stan Gustavson stated that 45% of the tuition of students sent out-of-district to N.H. sanctioned agricultural-vocational schools would be paid by the State and would be a savings to the District. The non-State sanctioned schools' tuition is the total burden to the district. Mr. Lincoln stated that we were only talking about 5 students. Discussion by Mr. Merrill and Carol Maize followed. Jim Cassotis then made the motion to move the question, and several people second. With the question moved, an actual hand count ensued to vote on ARTICLE VI. 141 in favor of ARTICLE VI, 105 against. ARTICLE VI, **AFFIRMATIVE.**

ARTICLE VII (School Calendar): To see if the District will vote to bring before the School District Meeting the 1982-1983 school calendar, with the intent to change said calendar and make it acceptable to the voters in said District. (BY PETITION)

MOTION by Rodney Edwards, second by Robert Lincoln. Mrs. Dorothy Grover of the North School PTA was introduced to give a presentation on Article VII. Mrs. Grover refers to page XXXVII in the Annual Town Report and moves to change ARTICLE VII to read that 1. Start of school shall be September 2, 1982. 2. To retain Spring Recess as an actual vacation. 3. School year would end on June 13, 1983 with any snowdays to be made up would follow immediately after that date. 4. To have This District use Delayed Opening whenever the predicted conditions would warrant. To which Mr. Gramling added: 5. To hold school on Friday, October 22 (Teachers' Convention). 6. To add the Holiday of Monday, October 11, Columbus Day.

Mr. Lincoln, Mrs. Grover, Rodney Edwards and Dorothy Baker debated the pros and cons at length. Don Babin made the motion to move the question, Mr. Swerling seconds. Bill re-reads the Amendment to ARTICLE VII, and with a hand vote, **PASSES** ARTICLE VII and Bill so declares. COUNTED VOTES-161 in favor, 99 against.

Rodney Edwards made a motion to reconsider and Karen Keegan seconds. Both felt that the change would invalidate the teachers' negotiated 185 days. Mrs. Grover addressed this issue, and Mr. Lincoln, Mrs. Keegan and Mr. Powers continue discussion. Mr. Gramling moves the question, and Mrs. Anagnos seconds. The RECONSIDERATION is **DEFEATED**.

ARTICLE VIII (Reports): To hear reports of agents and auditors and committees or officers chosen and pass any vote in relation thereto.

MOTION by Roger Dykstra with a second by Chet Ham. With no real discussion or questions and no presentations, **ARTICLE VIII PASSES** as read.

ARTICLE IX (Acceptance of Gifts): To see if the District will vote to authorize the School Board to accept and to spend in the name of and in behalf of the School District gifts for the use of the schools.

MOTION by Robert Lincoln and seconded by Rod Edwards. With no discussion, a hand vote **PASSES** ARTICLE IX.

ARTICLE X (Accept/Expend Federal Funds): To see if the School District will vote to authorize the School Board to apply for, negotiate and do all other things necessary to obtain such State, Federal, or other funds, grants or aids, including Public Law 89-10, Public Law 89-313, Public Law 93-203, Public Law 93-380, Public Law 93-561, Public Law 94-142, Public Law 94-444, Public Law 94-482, and Public Law 95-49, as may be available to the School District or its students, and to authorize the School Board to expend the same.

MOTION by Chester Ham, seconded by Karen Keegan. Mrs. Kerwin reminded all that when we accept Federal Funds we also accept any strings attached. With nothing added to this statement, and **ARTICLE X** re-read, it **PASSES** unanimously.

ARTICLE XI (Accept/Expend Money): To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1982-1983 school fiscal year provided that such expenditure be made for the purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

MOTION by Rodney Edwards, seconded by Roger Dykstra. No questions, and no discussion, **AFFIRMATIVE** vote on **ARTICLE XI**.

ARTICLE XII (Other Business): To transact any other business that may legally come before this meeting including the appointment of committees.

MOTION by Mrs. Keegan with the second by Rod Edwards. When asked if there were any questions, Mr. Hugo Ulrich approached the Board. He asked the School Board if they would give their opinion on the court case presently going on in Concord concerning the poorer Districts vs the State, to which each member answered. Mr. Powers asked how the State's reduction to double A-rating would affect us, to which Mr. Lincoln and Mr. Young responded. Mr. Early then made the following motion: to compel the School Board and their agents to print the Budget in a manner that is at least consistent with the budget printed in the previous years' District Report or provide a sensible manner to evaluate the previous Budget. Mr. Newcombe seconded. Discussion ensued by Craig Young, James Anagnos, Ed Newcombe and Harry Anagnos. Mr. Don Babin made the motion to move the question to which Mr. Chase seconded. With the question moved, Mr. Foley re-reads Bob Early's motion to which an **AFFIRMATIVE** vote was cast. Mr. Anagnos made a point of order and directed his question to Mr. Lewis Soule, wanting to know if the latter vote was legally binding to the School Board. The answer is **NEGATIVE**.

Bill asked if there was any further business. Mr. James Jones came forward to again thank Mr. Ham and Mr. Dykstra for their three years of service on the Board, to which the audience responded with a loud round of applause.

Mr. James Wray then took the floor and pleaded with the audience to form some sort of committee to assist the School Board in this year when it will experience a reduced budget. He also urged people to volunteer their services in any way they can to maintain our good educational system.

Mr. Chester Ham made a final motion to adjourn this year's Annual School District Meeting, to which many seconded.

At 10:10, Mr. Foley declared the meeting adjourned.

These notes, to the best of my knowledge, are accurate and true.

Respectfully submitted,

Charlotte R. Pfyffer
Clerk

LONDONDERRY SCHOOL DISTRICT ANNUAL MEETING

March 9, 1982 – Tuesday

Meeting opened by Bob Webber, at 7:00 a.m.

Warrant read by Bill Foley, Moderator.

Polls opened at 7:05 a.m.

About 25 people present.

Polls closed at 7:00 p.m.

School count completed approximately at 9:20 p.m.

VOTING RESULTS

One Year Term William J. Foley elected Moderator	1112 votes
---	------------

One Year Term Charlotte R. Pfyffer elected Clerk	1105 votes
---	------------

One Year Term Rowland H. Schmidtchen elected Treasurer	1046 votes
---	------------

Three Year Terms Jerrold E. Kronenfeld	507
Josephine "Jaye" McCallion	347
Al Pfyffer	628
S. B. "Tod" Wicker	735

Al Pfyffer and Tod Wicker elected for three year term on the School Board.

Respectfully submitted,

Charlotte R. Pfyffer
Clerk

AUDITOR'S REPORT

August 27, 1982

To the Members of the School Board
Londonderry School District
Londonderry, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Londonderry School District as of and for the fiscal year ended June 30, 1982, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles.

As described in Note 4A, the Food Service Fund utilizes resources of the General Fund to provide the cash needs of the school lunch program. The balance sheet of the General Fund includes a receivable from the Food Service Fund of \$31,072, the collectibility of which is contingent on the ability of the Food Service Fund to attain profitable operations in subsequent years.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation and subject to the recoverability by the General Fund of advances to the Food Service Fund as explained in the above paragraphs, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Londonderry School District at June 30, 1982, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Londonderry School District. The information has been subjected to the auditing procedures applied in the examination of the combined, combining, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

August 27, 1982
