------------------------------------	-----------

SUMMARY OF ACTION TAKEN ON ARTICLES IN

1978 TOWN WARRANT

The meeting was opened at 10:10 A.M. by Robert A. Johnson, Moderator, on March 18, 1978. The meeting was held at Coe-Brown Northwood Academy with about 125 present. The warrant was read through in its entirety.

ARTICLE 1 To see if the Town will vote to raise and appropriate the sum of \$100,000.00 for an incinerator, or another method of solid waste disposal, together with the necessary building and associated equipment and authorize the issuance of notes upon the credit of the Town for all of the sum so raised and appropriated. The note term to be fifteen (15) years, with annual payments of \$7,541.00 plus interest.

Mr. Lester, representing the Budget Committee, moved the Article as read. After an hour and a half of lengthy discussion of other alternatives, whether other towns would join us, was it safe for pollution, would it have a re-sale value, would it be hard to repair, could we save a lot by paying for it all at once, could we get more up-to-date figures on the Lamprey proposal and the Rockingham County proposal, at last Mr. Ahlgren moved an amendment that we lay this article, as well as Articles 2 and 3 on the table and defer a decision on it until after consideration of Article 45. This was adopted by a voice vote.

ARTICLE 45 To see if the Town will vote to recess the Town Meeting to reconvene at the call of the Selectmen for the purpose of taking whatever action is necessary or indicated by the Rockingham County Solid Waste Study to enable the Town to meet its solid waste disposal needs in conformity with existing laws and regulations.

Mrs. Post moved to amend the article by deleting the words "Rockingham County Solid Waste Study". This amendment passed by a voice vote. Mr. Post moved the amended article. The motion was adopted by a voice vote.

ARTICLE 4 To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Mr. Lester moved that we raise \$89,615.00. Mr. Charles Johnson amended the figure to \$92,047, because of an increase in insurance of \$1,932.00 and in Social Security of \$500.00. Amendment adopted by voice vote. Amended article adopted by voice vote.

ARTICLE 5 To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes and vote to raise and appropriate the sum of \$1,000.00 for interest on same.

Article adopted by voice vote.

ARTICLE 6 To see if the Town will vote to raise and appropriate the sum of \$5,550.00 for the Northwood Public Libraries.

Article adopted by voice vote.

ARTICLE 7 To see if the Town will vote to raise and appropriate the sum of \$7,700.00 for Parks and Playgrounds.

Article adopted by voice vote.

ARTICLE 8 To see if the Town will vote to raise and appropriate the sum of \$3,885.00 for the care of Cemeteries.

Article adopted by voice vote.

ARTICLE 9 To see what sum of money the Town will vote to raise and appropriate for Town Highways.

Mr. Lester moved the Town raise and appropriate \$64,000.00 (\$35,500.00, summer, \$23,900.00, winter, \$4,600.00 general expense of Highway Department). Article adopted by voice vote.

ARTICLE 10 To see if the Town will vote to raise and appropriate the sum of \$4,800.00 for the purpose of Street Lighting.

Mrs. Herron asked if we needed them. Mr. Low said we'd eliminated all unnecessary ones a few years ago. Article adopted by voice vote.

ARTICLE 11 To see if the Town will raise and appropriate the sum of \$4,563.83 for the purpose of Town Road Aid, the State's share to be \$3,968.55 and the Town's share to be \$595.28.

Article adopted by voice vote.

ARTICLE 12 To see if the Town will vote to raise and appropriate the sum of \$541.00 for the Concord Hospital.

Article adopted by voice vote.

ARTICLE 13 To see if the Town will vote to raise and appropriate the sum of \$3,714.00 for Ambulance Service, to be paid to the Center Barnstead Fire Department.

Article adopted by voice vote.

ARTICLE 14 To see if the Town will vote to raise and appropriate the sum of \$2,785.50 for the Town's per capita share of the Rural District Health Council.

Article adopted by voice vote.

ARTICLE 15 To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purpose of increasing the Highway Equipment Capital Reserve.

Mr. Post said if we are not buying equipment, do we need to put money in this reserve fund? A YES and NO ballot showed 38 YES 56 NO. Article was not adopted.

ARTICLE 16 To see if the Town will vote to transfer \$1,500.00 from the revenue of the Municipal Court to the Highway Safety Equipment Capital Reserve Fund.

Article adopted by voice vote.

ARTICLE 17 To see if the Town will vote to raise and appropriate the sum of \$18,000.00 for the maintenance of the Town Dump.

Mr. Lane amended the article to appropriate \$8,000.00 to run the Dump until the reconvened meeting and to discuss it further at the reconvened meeting. Amended article adopted by voice vote.

ARTICLE 18 To see if the Town will vote to raise and appropriate the sum of \$1,665.00 for the Northwood Rescue Squad.

Article adopted by voice vote.

ARTICLE 19 To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for pick-up appraisals by the State of New Hampshire.

Mr. Post moved we defer action until action on Selectmen's salary. Motion passed by voice vote.

ARTICLE 20 To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to pay the salary and expense of the Supervisor of the Summer Program for Economically Disadvantaged Youths, (S.P.E.D.Y.).

Article adopted by voice vote.

ARTICLE 21 To see if the Town will vote to receive and spend up to \$6,000.00 from Rockingham-Strafford Manpower Administration for the S.P.E.D.Y. Program.

Mr. Ahlgren read an amendment for Mr. Mills, amending the article to read \$28,000.00 in place of \$6,000.00; \$6,000.00 for S.P.E.D.Y., \$22,000.00 for Planning Board for the development of a Town Master Plan. Breakdown:

S.P.E.D.Y.: \$6,000.00

Master Plan: Planner, \$9,000.00, Clerk-typist, \$5824.00, Building Inspector, \$3,120.00, FICA \$1,085.62, Workmen's Comp. Ins., \$500.00, Travel Expenses, \$2,000.00, total rounded off to \$22,000.00.

Mr. Johnson explained why the plan is needed. Mr. Bassett and Mr. Behm spoke in opposition. Mr. Ahlgren reminded us that the plan would be voted on. After much discussion the vote on amendment passed by a show of hands, 60 YES - 25 NO. Moderator Johnson asked people in future to insert such an amendment in the warrant as an article.

ARTICLE 22 To see if the Town will vote to raise and appropriate the sum of \$22,000.00 to be used in conjunction with the Town Road Aid Funds raised and appropriated in Article 11 to reconstruct that part of the Ridge Road between the residence of David White and Gerald Poling.

Mr. Low asked that it be made a part of the record that of that \$22,000.00 this year we received an additional highway subsidy which must be spent on new construction or reconstruction. \$6,321.00 is the additional highway subsidy amount for the year 1978, and is included in the framework of the \$22,000.00. Article adopted by voice vote.

ARTICLE 23 To see if the Town will vote to raise and appropriate the sum of \$700.00 for Planning Board expenses.

Article adopted by voice vote.

ARTICLE 24 To see if the Town will vote to raise and appropriate the sum of \$375.00 for Northwood Conservation Commission expenses.

Article adopted by voice vote.

ARTICLE 25 To see if the Town will vote to authorize the Northwood Conservation Commission to retain the unexpended portion of its 1977 appropriation (\$240.), said funds to be placed in a special Northwood Conservation Fund in accordance with RSA 36-A:5.

Article adopted by voice vote.

ARTICLE 26 To see if the Town will raise and appropriate the sum of \$100.00 for addition to the special Northwood Conservation Fund in accordance with RSA 36-A:5.

Article adopted by voice vote.

ARTICLE 27 To see if the Town will vote to remove the so-called Deslaurier Lot on Saddleback Mountain, of 31.2 acres, more or less, bounded and described as follows: southerly by the Town of Deerfield line, easterly by land now or formerly of E. Davis, northerly by land now or formerly of Inland Acres, Inc., and westerly by land now or formerly of R. C. Batchelder, now on the Selectmen's list of Town-owned lands to be sold for taxes, so that it no longer shall be upon said list, but to be held for Town purposes, including recreation, wildlife, conservation and timber-growing purposes, still under control of the Board of Selectmen, or take any other action relative thereto. (By Petition)

Mrs. Post moved the article. Mr. Frary moved to amend the article by inserting after the name of R. C. Batchelder "and the Ben Giles Pasture Lot, so-called, abutting easterly on Upper Deerfield Road by land now or formerly of Grondin, westerly by land now or formerly of Weeks and of Pinkham, to Upper Deerfield Road, and thence along Upper Deerfield Road to the point of beginning, being about 36 acres more or less".

Amendment and amended article both passed by voice vote.

ARTICLE 28 To see if the Town will vote to establish a Town Administration Study Committee composed of seven (7) members, one to be selected by the Moderator, one by the Selectmen, one by the Budget Committee, one by the School Committee, one by the Planning Board, one by the Conservation Commission and one by the Variance Board, all to be selected by April 1, 1978, to elect their own chairman and secretary from among themselves, to determine whether the Town should utilize an administrator assistant or a shared administrator assistant, recommend any other changes in the existing Town organization they determine of benefit to the Town, hold hearings and information meetings or combinations thereof to inform the voters of these subjects, and render a written report with their recommendations to the Selectmen by October 1, 1978 who shall in turn prepare any recommended Article for the 1979 Warrant, or take any other action relative thereto. (By Petition)

Mr. Lawrence Tasked moved we indefinitely postpone the article. After much discussion this motion was defeated by a voice vote. Mr. Lidback moved the original article which was adopted by voice vote.

ARTICLE 29 To see if the Town will vote to limit the pay of the Selectmen to one thousand dollars (\$1,000.00) annually and limit the pay of the Chairman of the Board to fifteen hundred dollars (\$1,500.00) annually, or take any other action relative thereto. (By Petition)

Mr. Post moved the article be indefinitely postponed. Motion passed by voice vote.

ARTICLE 30 To see if the Town will vote to reclassify that portion of the Old Deerfield Road, approximately 1000 feet, between the present end of its Class Five (5) and the driveway to the permanent residence of Leo W. and Doris M. Dagenais, from Class Six (6) to Class Five (5). (By Petition)

Mr. Richardson moved this article be indefinitely postponed because there is no money for it. This motion adopted by voice vote.

ARTICLE 31 To see if the Town will vote to improve that section of Old Deerfield Road (approximately 1000 feet) between the present end of its Class Five (5) and the driveway leading to the permanent residence of Leo W. and Doris M. Dagenais. Said improvements requiring repairs to old drainage ditching and some gravel on road surface and one culvert. (By Petition)

Mr. Post moved the article as printed. After much discussion about T.R.A. funds, etc. Mr. Post withdrew his first motion and moved that the Town improve the section of Old Deerfield Road, (about 1000 feet) between the present end of its Class V and the driveway leading to the permanent residence of Leo & Doris Dagenais said improvements requiring repairs to old drainage ditching and some gravel on road surface and one culvert, to the extent Town highway funds are legally available. Motion adopted by voice vote.

ARTICLE 19 Article was reconsidered and Charles Johnson moved we indefinitely postpone it. Motion adopted by voice vote.

ARTICLE 32 To see if the Town will vote to reclassify from Class Six (6) to Class Five (5) that portion of Upper Deerfield Road between the residence of Mr. and Mrs. Christopher Mello and the residence of Mr. and Mrs. Albert Grondin. (By Petition)

Mr. Post moved the article which was adopted by voice vote.

ARTICLE 33 To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the repair of that section of Upper Deerfield Road between the residence of Mr. and Mrs. Christopher Mello and the residence of Mr. and Mrs. Albert Grondin. (By Petition)

Mrs. Post moved the article which was adopted by show of hands.

ARTICLE 34 To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to support the Family Center and Children's Village. (By Petition)

Jean Lane moved the article. Some felt this could not be done legally, others felt there still might be a way through Municipal Association and Department of Revenue Administration. Mrs. Herron amended the article to read "provided the appropriate authorization can be obtained from the State. Amended article adopted by voice vote.

ARTICLE 35 To see if the Town will vote to appropriate the sum of \$7,500.00 for the purpose of modifying the Town Hall to satisfy fire and insurance regulations as well as provide office space for town officers, and authorize the withdrawals of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Mr. Lester moved the article. Mr. Charles Johnson amended the article to read \$8,695.00, to refinish the old Town Hall floor

and purchase office and maintenance equipment. Breakdown: safety, \$4,170.00, office dividers, \$850.00, floor, \$2,000.00, office equipment, \$1,675.00. Motion was adopted as amended by voice vote.

ARTICLE 36 To see if the Town will vote to appropriate the sum of \$4,500.00 for the purpose of constructing a parking lot at the Elementary School and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Mr. Charles Johnson moved this article be indefinitely postponed as it is illegal. Motion adopted by voice vote.

ARTICLE 37 To see if the Town will vote to appropriate the sum of \$2,500.00 for the purpose of installing acoustical tile in the Elementary School gymnasium and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Mr. Keith Lidback moved the article be indefinitely postponed. Motion adopted by voice vote.

ARTICLE 38 To see if the Town will vote to appropriate the sum of \$4,000.00 for the purpose of purchasing communications equipment for the Northwood Fire Department, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Mr. Lester moved the article. Allan Clark moved to amend the article to read \$5,000.00. Amendment and motion both adopted by voice vote.

ARTICLE 39 To see if the Town will vote to appropriate the sum of \$2,000.00 for the purpose of installing new storm windows and insulation at the Northwood Narrows and East Northwood Fire Houses, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Mr. Lester moved the article. Mr. Clark moved to amend the article to read \$4,450, including a chimney and other repairs at Narrows Station. Amendment and motion adopted by voice vote.

ARTICLE 40 To see if the Town will vote to appropriate the sum of \$500.00 for the purpose of purchasing communications equipment for the Northwood Rescue Squad, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Mr. Lester moved the article. Sandra Dewey moved to amend the article to read \$1,000.00. Amendment and motion adopted by voice vote.

ARTICLE 41 We petition the Town of Northwood to continue maintaining the roads involved in said area, better known as Cole's Development. In the definition of maintaining roads, let it be brought to the attention of the Road Maintenance Department, that summer grading and hole filling, etc., can and will be accomplished by the signers of this petition. The main object is snow plowing and when necessary sanding, which must be brought to your attention,

that in spite of a rough winter, sanding was only necessary twice. I, for one would not have put my life's savings, to make a home here if I had not been led to believe that I would be plowed. I, and I am sure all of the people involved, believe that getting no other service for our taxes, should at least get plowed. The irony of this situation is that a percentage of our tax money is allotted to fire department and police department, etc. Now, if ever the need arises, can we receive any help from services if they cannot get into the area. We believe that three miles of snow plowing is a good investment by the town. (By Petition)

Mrs. Jean Lane moved we indefinitely postpone this article. Motion defeated by 36 YES - 50 NO on a YES and No ballot. Mr. Bassett moved we pass the article as read and challenge the Revenue Administration. After lengthy discussion Moderator Johnson suggested we postpone Article 41 to be tabled with its accompanying motion to our adjourned meeting. Mr. K so moved and motion adopted by voice vote.

ARTICLE 42 To see if the Town will vote to require the Selectmen to establish a policy of publicly advertising in at least two (2) local newspapers, and obtaining a minimum of three (3) bids in writing, for all services, materials, and equipment needed by the Town which cost in excess of \$200.00. Also, to establish a policy that local businesses providing such services, materials, and equipment be directly notified and to have first consideration. (By Petition)

Mr. Bennett amended this article to read: "... which cost in excess of \$500.00." Mr. Bane thought we ought to retain right to reject bids. Mr. Johnson explained maybe the cost of the advertising would be too great. Amendment and motion defeated by voice vote.

ARTICLE 43 To see if the Town will vote to authorize the Selectmen to sell the town sander and loader to the highest bidder.

Mr. Johnson moved the article which was adopted by voice vote.

ARTICLE 44 To see if the Town will vote to authorize the Selectmen to sell property of the Town acquired by Tax Collector's Deeds as a result of Tax Sale.

Mr. Sherman moved the article which was adopted by voice vote.

ARTICLE 45 This article was dispensed with after Article 1.

ARTICLE 46 To transact any other business that legally may come before said meeting.

Vincent Bane moved to adjourn this meeting, to meet again at this hall at 10:00 A.M. on Saturday, April 29, 1978, to conclude our town's business. Motion adopted by acclamation at 5:50 P.M.

ADJOURNED TOWN MEETING OF April 29, 1978

The meeting was called to order at 10:15 A.M. by Moderator Robert Johnson and he proceeded to open under Article 45.

ARTICLE 45 Mr. Harold Lester reported of a meeting with Wheelabrator-Frye and told us that any action there would be 5 to 8 years away. He then moved that any action with the Rockingham

County Solid Waste project be indefinitely postponed. It was seconded. By a show of hands this motion was unanimously adopted.

ARTICLE 1 Mr. Lester discussed meeting with Lamprey Project officials. The town committee has changed its mind and now recommends the Lamprey proposal as the best way to go; 1. better to let the management and engineering of an incinerator be in the hands of regional expertise, 2. waste will be burned and sold as energy to U.N.H. At end of a year our dump will be weighed and our share of cost adjusted. Mr. Elmer Tasker asked how long a contract would we have to sign. Answer - 15 years. Mr. Roland Thomas asked what effect this would have on our taxes. Answer - Incinerator will not be operative until after July 1979 so no effect this year. Mr. Frary asked if our share would be adjusted annually. Answer - Yes. Mr. John Lane asked if Lamprey proposal would cost more than our own incinerator. Mr. Ahlgren gave an estimated cost projection of annual costs: 1979 - \$34,281, 1980- \$45,000, 1981 - \$38,000. Mr. Charles Johnson pointed out that we lack expertise in running our own incinerator. Mr. Perry Richardson asked if we'd be subject to state fine if we aren't operational by July 1, 1979. Answer - The State has said they will do everything in their power to help if we take a definitive step now. Mrs. Herron asked for a poll of the Dump Committee and Selectmen. It was noted that the Dump Committee voted 6 - 2 in favor of Lamprey at their recent meeting, a marked change in their previous philosophy. Mrs. Fogg asked how we'd operate as individuals. Answer - Take our own dump as now to the Town Dump where there will be compactors and places to separate dump as now. Mr. Charles Johnson said Board of Selectmen concur with the Dump Committee. Mr. A. J. Lane would like to be on record as favoring our own incinerator. Mr. Post asked if we could join Lamprey at a later date. Answer - Maybe - no guarantee. Mr. W. Burchstead asked if we get any profit from separating our dump now. Also wondered why contract dumpers aren't required to separate. Answer - We need to be more stringent. Mr. Frary asked why we can't have sanitary land fill. Mr. Low said State has tested and found no site suitable because of our water table and water shed. Mr. Harold Lester then moved we indefinitely postpone Article 1. Mr. Charles Johnson seconded the motion. Motion was adopted by a YES and NO ballot 62 YES 24 NO.

Mr. Charles Johnson requested permission to read a letter before Article 2. The letter ascertained that it will be legal to give the \$1,000.00 voted in March to the Family Center and Children's Village.

ARTICLE 2 Mr. Lester moved that Article 2 be adopted as read. The motion was adopted by a YES and NO ballot, 88 votes cast - 69 YES 19 NO.

ARTICLE 3 Mr. Lester moved and amended this article as it appears to read \$12,000 instead of \$22,835. Explanation was that Durham is not yet ready to operate. Mr. Post asked what our \$75,000. will be doing. Mr. Low said it will be used for the compactor and for hauling our trash from July 1, 1979 until the time that Durham is operational. This motion and amendment was unanimously adopted.

ARTICLE 17 Mr. Charles Johnson moved that we reconsider the vote of \$8,000. for the Town Dump. Seconded and adopted by a voice vote. Mr. Charles Johnson then moved the town raise and appropriate \$10,000. (the former \$8,000 plus \$2,000) for the maintenance of the town dump. Seconded. Motion adopted by voice vote.

ARTICLE 41 Raymond d'Amante, attorney for Cole's Development spoke to the group. Mr. E. Tasker, Mr. J. Bennett, Mrs. T. Herron, Mr. R. Peterson, Mrs. Buchan, Mr. J. Small, Mr. Larry Sargent all spoke in favor of plowing these roads. Mr. Charles Johnson explained they could not spend public money for private roads. Mr. Lidback read a letter saying roads couldn't be made a precinct. In a letter received today from their attorney RSA 31:39 provides for collection for snow removal. Mr. J. Small believes RSA 234:20 allows Selectmen to treat these private roads as public roads during the winter. After further discussion Mr. James Small amended Article 41 to read: "the Selectmen are to take note of RSA 234:20 and take appropriate action in declaring all formerly plowed roads as public roads exclusively for winter use and these roads to be kept open from November 15 to April 1." Much more discussion followed. Moderator R. Johnson reminds us that Selectmen cannot do anything illegal even though we vote it. The amendment was adopted by a YES and NO ballot 56 YES 20 NO. Then a YES and NO vote followed on the amended Article. Motion was carried by 53 YES - 18 NO.

Mr. Herbert Sherman moved we adjourn. Meeting adjourned by voice vote at 2:40 P.M.

Respectfully submitted

Arlene W. Johnson  
Town Clerk

The State of New Hampshire

The Polls will be open from 10 A. M. to 7 P. M.

To the Inhabitants of the Town of Northwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Northwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Coe-Brown Northwood Academy in said Northwood on Saturday the 17th day of March next at ten of the clock in the forenoon to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes and vote to raise and appropriate the sum of \$1,500.00 for interest on same.

3. To see if the Town will vote to raise and appropriate the sum of \$5,800.00 for the Northwood Public Libraries.

4. To see if the Town will vote to raise and appropriate the sum of \$7,400.00 for Parks and Playgrounds.

5. To see if the Town will vote to raise and appropriate the sum of \$550.00 for the care of Cemeteries.

6. To see what sum of money the Town will vote to raise and appropriate for Town Highways.

7. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for the purpose of Street Lighting.

8. To see if the Town will raise and appropriate the sum of \$5,339.88 for the purpose of Town Road Aid, the State's share to be \$4,643.37 and the Town's share to be \$696.51.

9. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 to be used to complete the reconstruction of that part of the Ridge Road between the residence of David White and Gerald Poling.

10. To see if the Town will vote to raise and appropriate the sum of \$22,200.00 for new construction on Harmony Road (Route 4 to Allard's driveway and DeWitt's to Wallman's corner), Green Street, Cross Street (Murray Small's to Gerald Poling's), Ridge Road (Route 4 to Caverly's) and West Street. The \$22,200.00 is comprised of \$14,967.19 tax monies and \$7,232.81 special highway subsidy.

11. To see if the Town will vote to raise and appropriate the sum of \$3,770.00 for Ambulance Service, to be paid to the Center Barnstead Fire Department.

12. To see if the Town will vote to raise and appropriate the sum of \$2,956.50 for the Town's per capita share of the Rural District Health Council, Inc.

13. To see if the Town will vote to transfer \$1,500.00 from the revenue of the Municipal Court to the Highway Safety Equipment Capital Reserve Fund.

14. To see if the Town will vote to raise and appropriate the sum of \$10,500.00 for the maintenance of the Town Dump.

15. To see if the Town will vote to raise and appropriate the sum of \$1,660.00 for the Northwood Rescue Squad.

16. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to pay the salary and expense of the Supervisor of the Summer Program for Economically Disadvantaged Youths, (SPEDY).

17. To see if the Town will vote to receive and spend up to \$10,000.00 from Rockingham-Strafford Manpower Administration for the SPEDY Program.

18. To see if the Town will vote to raise and appropriate the sum of \$2,490.00 for Planning Board and Board of Adjustment expenses.

19. To see if the Town will vote to raise and appropriate the sum of \$235.00 for Northwood Conservation Commission expenses.

20. To see if the Town will vote to authorize the Northwood Conservation Commission to retain the unexpended portion of its 1978 appropriation (\$91.19) said funds to be placed in the Northwood Conservation Fund in accordance with R.S.A. 36-A:5.

21. To see if the Town will vote to raise and appropriate the sum of \$100.00 to be placed in the Northwood Conservation Fund in accordance with R.S.A. 36-A:5.

22. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the supervisor's salary and expenses for the Conservation Commission's CETA project, Title VI.

23. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to support the Family Center and Children's Village. (By Petition)

24. To see if the Town will vote to empower the Selectmen to hire an executive secretary to be paid no less than the current minimum wage and no more than \$5.00 per hour, and extra secretarial/clerical help as needed, to be paid no less than minimum wage and no more than \$3.50 per hour. (Recommendation of Administrative Study Committee)

25. To see if the Town will vote to authorize the Selectmen to hire personnel in the range of \$2.50 - \$5.00 per hour instead of the maximum of \$3.00 per hour presently in effect, such authorization to become effective April 1, 1979. (Selectmen's recommendation for all other personnel)

26. To see if the Town will vote to provide workers' compensation coverage for eligible employees by participating in the New Hampshire Municipal Association Self-Funded Workers' Compensation Program commencing April 1, 1979, and to authorize the Selectmen to take such action in furtherance of this vote as may be necessary.

27. To see if the Town will vote to spend \$20,188.00 on a Town ambulance, \$7,500.00 to be received from Federal Funds and the remainder, \$12,688.00, to be raised and appropriated. (Submitted without recommendation of the Budget Committee)

28. To see if the Town will vote to raise and appropriate the sum of \$500.00 in support of the Seacoast Regional Counseling Center.

29. To see if the Town will vote to raise and appropriate the sum of \$500.00 in support of the Newmarket Health Center.

30. To see if the Town will vote to raise and appropriate the sum of \$224.00 in support of the Rockingham Child and Family Services.

31. To see if the Town will vote to raise and appropriate the sum of \$7,229.00 as its 1979 share of the capital costs with interest for the construction of an incinerator and energy recovery facilities as set forth under the Agreement For Formation of the Lamprey Regional Solid Waste Cooperative, and to take such other actions as may be necessary as shall be in the best interest of all members of the Cooperative, and to allow the Selectmen to accept Federal or State and other grants that may be available to the Town in providing its share in the project.

32. To see if the Town will vote to receive and spend up to \$23,500.00 from Rockingham-Strafford Manpower Administration for the CETA Program (Town Plan - Title VI).

33. To see if the Town will vote to appropriate \$10,718.05 for the purpose of purchasing additional equipment and dry hydrants for the Fire Department and authorize the withdrawal of \$10,718.05 for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Breakdown:

1.	Equipment and Supplies necessary to convert recently obtained Military 4 X 4 into a Forestry Vehicle		\$2,200.00
2.	3 Hydrant Kits (dry hydrants to be installed in the three best water holes dug by Army)		1,968.05
3.	Required equipment for Underwriter's Specifications:		
	2 1-1/2" Task Force Nozzle	\$ 600.	
	1 5" Floating Strainer	250.	
	1000' 1-1/2" Polyester Hose	<u>1,150.</u>	2,000.00
4.	4" Hose and Required Fittings		
	1000' 4" Hose	\$3,500.	
	Distributor Valve	550.	
	Relay Valve	<u>500.</u>	4,550.00

34. To see if the Town will vote to appropriate \$9,675.00 for the purpose of constructing driveways to the Town Garage and Police Station, and the purchase of new office equipment and authorize the withdrawal of \$9,675.00 for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Breakdown:

Driveway to Town Garage	\$ 900.00
Driveway to Police Station	475.00
Lighting, Town Hall	500.00
Bookkeeping Machine	7,500.00
Map Racks	300.00

35. To see if the Town will vote to raise and appropriate the sum of \$16,560.00 to employ a full-time police chief, the above amount includes the necessary insurance involved. (Submitted without recommendation of the Budget Committee)

36. To see if the Town will vote to close the following Class VI roads, subject to gates and bars, per recommendation of the Highway Advisory Committee:

- a. Upper Deerfield Road from Dagenais' driveway northerly to Marsten's driveway.
- b. Bow Street from Charles Varney's driveway westerly to Reckard's driveway.
- c. Upper Deerfield Road from Weinhold's driveway southerly to the Deerfield line.
- d. Mountain Road from David Behm's driveway to the Winding Hill Road.
- e. Winding Hill Road from Tanja Winter's driveway to the Deerfield line.
- f. Bennett Road from Gaviat Green Development's easterly driveway in a westerly direction to Gaviat Green Development's westerly driveway.
- g. Canterbury Road from Helen Moak's corner to the Epsom line.
- h. Old Pittsfield Road from Silvana Cenci's driveway to the Epsom line.

37. To see if the Town will vote to reclassify from Class Six to Class Five that portion of the Upper Deerfield Road, approximately 1000 feet between the present end of its Class Five and the driveway to the permanent residence of Leo W. and Doris M. Dagenais. (By Petition)

38. To see if the Town will raise and appropriate the sum of \$5,000.00 to improve that section of Upper Deerfield Road, approximately 1000 feet between the present end of its Class Five and the driveway leading to the permanent residence of Leo W. and Doris M. Dagenais. (By Petition) (Submitted without the recommendation of the Budget Committee)

39. To see if the Town will vote to authorize the Selectmen to sell property of the Town acquired by Tax Collector's Deeds as a result of Tax Sale.

40. To see if the Town will vote to accept and maintain year-round Bigelow Road, beginning at so-called Lower Deerfield Road and continuing to the southeast corner of Big Buck Road. (By Petition)

41. To see if the Town will vote to adopt width requirements for Class V Winter Public Roads established under R.S.A. 234:20, such roads, and only such roads, having been plowed by the Town during or prior to the 1977-78 season, so that said width requirements for the purpose of Winter Public Roads shall be those of the existing rights of way at the time when last plowed by the Town, or take any other action relative thereto. (By Petition)

42. To see if the Town will vote to accept the newly constructed gravel road on the westerly side of Cross Street as shown in the Subdivision Plan #4437 of Warren E. Bryant, Sr., approved by the Northwood Planning Board on April 25, 1974 and recorded at the Rockingham County Registry of Deeds. (By Petition)

43. To see if the Town will vote to retain the right-of-way, and to not close subject to gates and bars, the following roads; the Mountain Road from Blake's Hill to David Behm's property, and the Winding Hill Road from Blake's Hill to the Deerfield line. (By Petition)

44. To see if the Town will vote to establish a permanent Town Roads Committee of six (6) members to be appointed by the Selectmen for terms of three years, two to be appointed annually in overlapping terms, except the first year when two shall be appointed for three years, two for two years, and two for one year, the purpose of said Town Roads Committee to be to advise the Selectmen and the Town Meeting on policies and standards concerning all matters having to do with public and private ways within the Town, to present an annual report to the Annual Town Meeting, said report to be published in the Annual Town Report, or take any other action relative thereto. (By Petition)

45. To see if the Town will vote to allow the Plus 55 Club of Northwood to use the Town Hall facilities for their meetings and projects without charge, provided that the Club members clean up after their meetings and projects and make a nominal gift to the Town as they have been doing in the past, or to take any other action thereon. (By Petition)

46. To see if the Town will vote to accept the provisions of N. H. R.S.A. 128 (Health Officer), request the Selectmen to nominate said Health Officer, or a shared Health Officer, and set the compensation for such officer's services including expenses, or take any other action relative thereto. (By Petition)

47. To see if the Town will vote to raise and appropriate the sum of \$150.00 as compensation for the services and expenses of a Town Health Officer, or shared Town Health Officer, under the provisions of N. H. R.S.A. 128 when approved by the Town

Meeting, or take any other action relative thereto. (By Petition)  
(Submitted without recommendation of the Budget Committee)

48. To see if the Town will raise and appropriate \$1,000.00 to lay out Spruce Cove Road for a Town road, running from Route 4 at Spruce Cove Meadow to Old Turnpike Road at the Northwood-Epsom line. Said road having been laid out by Walter F. O'Neill, C.E., 239 Young Street, Manchester, New Hampshire, and approved by the Planning Board of Northwood, New Hampshire on February 23, 1974, George V. Linscott, Chairman. (By Petition) (Submitted without recommendation of the Budget Committee)

49. Authorization of existing Section 8 only -- be it resolved by the Town of Northwood that the New Hampshire Housing Commission be and is authorized to operate in the Town of Northwood, in the State of New Hampshire, that said New Hampshire Housing Commission is authorized to sponsor a project for elderly/low income persons under Section 8 of the U. S. Housing Act of 1937 as amended, for the following accommodations; existing standard housing, five dwelling units.

50. To see if the Town of Northwood will allow the sale of single grave sites in the Pine Grove Cemetery, the price to be \$85.00 - \$35.00 for the lot and \$50.00 for perpetual care.

51. To see if the Town will vote to discontinue the sale of 1/4 lots in the Pine Grove Cemetery.

52. To transact any other business that legally may come before said meeting.

If the above articles have not been completely acted upon by 5 P.M. on March 17, 1979, the meeting will be adjourned to 10 A.M. on March 24, 1979.

Given under our hands and seal this 20th day of February, in the year of our Lord nineteen hundred and seventy-nine.

REPORT OF TOWN AUDIT

This is to certify that we have examined the records of the Town Clerk, Tax Collector, Selectmen and Trustee of Trust Funds, Revenue Sharing Funds and Treasurer and found them correct to the best of our knowledge and belief.

Eleanor T. Pinkham  
Walter Fiander

Auditors

February 22, 1979

REPORT OF THE NORTHWOOD HIGHWAY ADVISORY COMMITTEE

The following is a summary of the work that was accomplished on Town roads in 1978.

1. Graded and raked all gravel roads.
2. Graveled approximately 1-1/2 miles of Town roads.
3. Shimmed and surfaced treated about 5 miles of Town roads.
4. Brush was cut on about 10 miles of road.
5. Rebuilt Ridge Road from G. Caverly's to Chadwick's and surfaced treated it.
6. Improved drainage and installed culverts on Range Road, Ridge Road and Pleasant Pond Road.
7. Removed rocks and bumps on Lower Bow Street and resurfaced complete road.
8. Rebuilt section of Upper Deerfield Road between Old Mountain Road and Grondin's residence.
9. Shimmed and patched Upper Bow Street from Route 4 to J. Lovely's.
10. Shimmed and patched Lucas Pond Road and installed guard rail.
11. Widened sections of Lower Deerfield Road and installed guard rail.

The Committee recommends that the following road improvements be scheduled for 1979.

1. Rebuild Harmony Road from Route 4 to Allard's driveway.
2. Rebuild road from Wallman's corner to Helen DeWitt's house.
3. Make major repairs on Green Street by widening, improve drainage and replace culverts.
4. Make major repairs on Cross Street starting at Murray Small's and ending at Poling residence. This would include shimming and surface treating.
5. Surface treat lower end of Upper Bow Street, Lower Bow Street and new section of Ridge Road.
6. Rebuild Ridge Road from Route 4 to G. Caverly's.
7. Make improvements on West Street.
8. Complete new construction at Hill's Corner.

The Committee recommends that the Town vote to close all Class 6 Town roads subject to Gates and Bars.

Priority should be given to surface treating existing Class 5 Town roads and bring them up to State Standards before other roads in Town are accepted.

Respectfully submitted,

Robert Bailey, Chairman  
Andrew J. Lane, Secretary  
Robert Grant  
J. Perry Richardson  
Murray Tasker

December 4, 1978

The Northwood Highway Advisory Committee met at the Northwood Town Hall at 7:30 p.m.

Members present:

Robert Bailey  
Andrew J. Lane  
J. Perry Richardson

Members absent:

Robert Grant  
Murray Tasker

The meeting was called to order by Chairman Robert Bailey.

Minutes of November 20, 1978 were read and accepted.

Two petitions were received from the Board of Selectmen. The first is in reference to proposed improvement of 1000 ft. of Upper Deerfield Road with reclassification from Class 6 to Class 5. The second petition proposes the acceptance of 750 ft. of gravel road in Warren E. Bryant, Sr. subdivision on the Westerly side of Cross Street. The Committee recommends that no action be taken until the Town Master Plan is finalized.

The next meeting will be held Monday, December 11, 1978 at 7:30 p.m. at the Town Hall.

The meeting was adjourned at 9:00 p.m.

Respectfully submitted,

Andrew J. Lane,  
Secretary

## LIBRARY REPORT 1978

We are pleased that movies are being shown to the children. Remember that the libraries are for YOU. Please use them. The hours for the James Bryant Memorial Library at the Narrows are Friday, 1 - 5 p.m. The Chesley Memorial Library at East Northwood has hours on Wednesday, 1 - 4:30 and 6:00 - 9:00 p.m. and on Saturday, 1 - 5:30 p.m.

The Trustees and Librarian have attended several meetings and conferences pertaining to the library.

We wish to thank the following people who have given to the libraries:

Clyde Guphill, Velna Carll, Mr. & Mrs. Roland Thomas, Miriam Towle, D. A. R. Society, Doris Bennett, Cynthia Fernald, Mark Seaver, Mr. and Mrs. John Viens, Marilyn Reed, Mt. Laurel Grange, Postmaster Seaver, Mr. & Mrs. J. A. White, Dr. and Mrs. Mihachik, Gladys Gardner, Tammy and Melissa Reed, Kelby & Sarah Longueil, Mrs. Lillian Poling, Mrs. Charles Johnson, Charles Gardner, The Sims Family, Amy Stanley, Brenda Johnson, True Chesley, Margery Bassett, Michelle & Renee Small, Muriel Moore.

Our thanks to all others who have donated anonymously by putting books in the "book return".

Respectfully submitted,

Alfred D. Mihachik  
Theresa Herron  
Virginia Sly

## 1978 CONSERVATION COMMISSION REPORT

The Commission secured oblique stereo aerial photos of the Town and a stereoscope that can be used to determine topographic features of the land in Northwood, particularly useful in outlining wetland areas.

Members also continued to produce maps needed for developing the Town Plan and obtained the aid of a Senior at U.N.H. in environmental studies for this project, working through the Strafford Regional Planning Commission.

The Commission sponsored an Arbor Day Program which included setting out a tree on the Town Parade, and a poster contest in the 5th and 6th grades of the local school, and a picture contest in the 2nd, 3rd and 4th grades. In addition, Stanley Knowles, County Extension Forester, provided a slide presentation of trees.

A number of Dredge and Fill investigations were completed. A questionnaire concerning open space was filed with the Strafford Regional Planning Commission, as well as one with the Urban Forestry Center, a DRED affiliate, Division of Forest and Lands, concerning what we are doing and what the Town wants to do with shade trees on Town land.

The Commission provided a clearing house for the investigation of the algal problem in Northwood Lake and a report was prepared and placed on file. We have requested a survey of all Northwood lakes and have learned that the N. H. Water Supply and Pollution Control Commission has received Federal government funding, Section 314 funds, to make such a survey.

The Commission has made a preliminary study of the Giles and Deslaurier lots and will mark the corners and lines after which the Division of Forest and Lands of DRED will provide management recommendations for the Town.

ANNUAL REPORT - 1978

RURAL DISTRICT HEALTH COUNCIL, INC.

During the past year the Rural District Health Council has seen an increase in services provided by the Council. As the Federal Government studies the cost of health care, there is increased interest in home care and preventive medicine, as methods of reducing costs and improving health services. The Rural District Health Council continues to qualify as a certified home health agency, implementing procedures to continue to provide quality care.

The agency supported the Referral Coordinator at Frisbie Memorial Hospital for four years; with the increase in service and cost of the program, the agency looked to other sources for financial help. In February of 1978 the hospital agreed to reimburse the agency for this program. Mrs. Marie Dexter, R.N. continues to fill this position.

The agency's priority is the care of the sick services, provided in the home.

The staff conducts Adult Health Screening clinics on Wednesday. The first and third Wednesdays it is held in Farmington. The second in Northwood, the fourth in Milton. For a better provision of services the program has changed its schedule and is providing the service twice a month in Farmington. This program cares for a great number of patients. There have been 595 patients seen, with 174 new patients enrolled with 52 direct referrals made.

The staff also participates in the after care program in cooperation with the Strafford Guidance Center and Seacoast Counseling Center.

The council continues Home Health Aide Services through the contract with the Strafford County Home Maker, Home Health Aide Association, and the Portsmouth Area Home Maker Home Health Aide Association covering Rockingham County Towns. The agency also employes two Home Health Aides, Gail LaRosa and Renee Wormell. This enables the council to better utilize the professional staff while continuing to provide quality care.

The Child Health Program has once again seen an increase in service. Miss Arlene Thorne, R.N., coordinator of the program remains on the State Child Health Conference Committee. Because of the added case load it was necessary to have additional help. In August of 1978, Mrs. Paula Davis, R.N. was employed to work within this program and also to act as coordinator of the Elderly Health Screening Program.

The Child Health Program offers physical examinations, immunizations, teaching and counseling for ages 0-6 years with an enrollment of 842 children. It also provides a Dental program which includes cleaning and flouride treatment twice a year

with referrals to local dentists for follow-up care when needed. This program provides service to 513 children 3-6 years with 163 referrals to local dentists. Home visits are provided when necessary to assure continuity of care. This is funded in part by the U. S. Department of Health, Education and Welfare, N. H. Division of Public Health, Bureau of Maternal and Child Health grant and the Rural District Health Council.

This year the agency has opened its clinics to school children to make it possible for the schools to raise the level of immunity within the school age child.

The agency is providing the medical component to the Supplemental Food and Nutrition Education Program for Women, Infants, and Children, (WIC) in conjunction with the Strafford County Prenatal Family Planning Program, Inc. The program provided service to 225 children from ages 0-5 years. The food includes formula, dairy products, fruit juices and cereals.

Transportation being a factor in the areas covered by the agency, the council offers space to the Strafford County Prenatal and Family Planning Clinic to hold a satellite program for family planning once a month.

The agency's dedicated staff is Mary Timmons, R.N., Supervisor, Arlene Thorne, R.N., Paula Davis, R.N., Marie Dexter, R.N., Barbara Drew, R.N., Myrtle Walsh, R.N., JoAnn Pearson, R.N., BSN, Betty Coons, R.N., Alice Ziegra, R.N., BSN, Gail LaRosa, Renee Wormell, Carl Scholl, RPT, Eleanor Eaton and Junellen Chase.

With the increased cost of the home visit the council feels it is more realistic to increase the charge per visit for the care of the sick. The agency continues to feel that patients who are not covered by insurance are not expected to pay the full charge. The council provides service to any one regardless of ability to pay. This allows the per capita request to remain at \$1.50, from each town.

During the past year the council has made 340 skilled nursing visits, 119 Home Health Aide visits, 154 Physical Therapy visits, 108 Child Health Visits, and 113 children have attended the Child Health Clinic.

Anyone interested in additional information is urged to contact the Rural District Health Council, Inc., P.O. Box 563, 6 So. Main Street, Farmington, N. H. 03835. Telephone 755-2202 between the hours of 8:00 A.M. - 4:00 P.M. Monday through Friday.

Ardela Houle, R.N.

## LAMPREY REGIONAL SOLID WASTE COOPERATIVE

Since the approval of the agreement for the formation of the Cooperative voted by the twelve cooperating towns at their annual and special town meetings of 1978, the representatives formally established their organization to promulgate the administration and activities of the Cooperative as set forth in the approved agreement. The Joint Board of Directors consisting of one representative from each of the twelve communities selected a Chairman, a Secretary-Treasurer, and a three member Operational Committee to carry out the day-to-day work of the Cooperative. These officers, with the full cooperation of all of the Directors, have been working diligently and effectively to implement the terms of the agreement since its establishment on June 22, 1978 as a formal and legal organization. The names of the Directors and Officers are listed at the conclusion of this report.

The Cooperative, through its Operational Committee in July of 1978, initiated interviews with prospective private engineering firms for the purpose of planning and designing the incinerator to be constructed on the University campus. This resulted in the selection and engagement of the firm of Camp Dresser & McKee, Inc. of Boston, Massachusetts, from the eight firms considered, in August of 1978. The engineering firm began their investigations in early September and have conducted detailed studies of the site, including subsurface explorations as well as evaluations of possible types of incinerator units to be purchased. The preliminary design phase of the engineering study is now complete and a report with recommendations, is being prepared concurrently with the development of plans and specifications soliciting quotations for the incinerator units. The receipt of bids for these critical elements will be received in early March. At the same time, the engineering firm is proceeding with the final design of the building and allied facilities with beginning of actual construction planned for May of this year. Depending on the delivery time of critical equipment, which will be determined by the quotations submitted for the incinerator units, every effort will be made to complete the plant construction and place it in operation in late 1979 or early 1980. The Board, through its officers and committees and acting as a committee as a whole, has participated actively in moving this program ahead in accordance with the schedule established for itself at the time of its formal organization.

Concurrently with the carrying on of the Cooperative's activities, the Directors as a whole, again through its officers and committees, has been working actively with each community to assist each of them in developing plans for the collection and transportation of its solid waste to Durham when the plant becomes operative. At the same time, plans are being made to conduct the ongoing required handling of their waste being generated during the interim period. The Cooperative also prepared a preliminary agreement with the University which was submitted through the University of New Hampshire President's Office to both the University's Physical Plant Development Committee and that of the Board of Trustees, and finally to the Board of Trustees, all of whom approved the agreement or "Declaration of Intent" between the University and the Cooperative, enabling the Cooperative to move ahead in the planning and design of the project.

The Cooperative has made every effort to explore funding assistance through State and Federal agencies. These efforts include correspondence and inquiries through our congressional delegation as well as personal testimony in Washington before appropriate government agencies and formal applications for all presently known possible sources of funding. To date, no special grants or funds have been obtained.

The Treasurer has received approved funds from the cooperating towns for a total of \$159,778.22 and has invested them carefully except for those necessarily needed to meet the ongoing expenses of the Cooperative. Due to the funds made available by the communities, the town of Durham has not been required to issue the primary bonds, thereby eliminating substantial interest costs until the total bond issue is needed. The town of Durham plans to raise the authorized \$2,420,000 to be made available to the Cooperative in February of this year.

The Directors of the Cooperative wish to express their deep appreciation for the assistance given its efforts by officers and staff of the University System and the University of New Hampshire, as well as the officers and staff of all of the cooperating towns. Every effort will be made through continuing correspondence and news releases to keep all of the residents of the twelve towns informed on the progress in the development of their solid waste disposal and energy recovery plant.

## NORTHWOOD PLANNING BOARD REPORT

In 1978, the Northwood Planning Board realized the need for a Town Plan, and decided to involve the Townspeople in the process, in order that the Plan accurately reflect the Community's goals. A questionnaire was sent to all property owners. Over 33% of the questionnaires were returned and were reviewed and analyzed by the Planning Committee.

Citizens expressed concern in the following areas: the fear of the Town losing its rural character; limitations on industry and commercial development; improvements in recreational facilities and the purchase of additional land for recreational purposes; preservation of land areas; control of growth rate; limitations on subdivisions based upon acreage held by the subdivider and services and building permits required; restrictions on the number and locations of mobile homes; stronger police enforcement and a stricter leash law.

Concern over Route 4 was reflected by observations that the speed limit should be enforced and businesses should provide ample and safe parking.

Additional comments demonstrating concern were: Northwood's need for a police dispatcher, health officer and building inspector; that ordinances and amendments be mailed to all Townspeople; that dry hydrants should be installed and that subdividers should be required to provide a water supply and dry hydrant for fire department use; that the dump hours be adjusted to fit the needs of the working residents during the week.

Taking all of these comments into consideration, and keeping them in mind, the Planning Committee recruited and coordinated a little over 30 residents, representing a wide variety of backgrounds, to participate in a Sounding Board and to assist the Planning Board in the development of a Town Plan. The following committees were then formed: Economic Base, Education, Fire Problems, Hazardous Waste, Natural Resources, Population, Recreation, Roads and Streets, Small Business, Zoning and Relevant State Laws.

These Committees devoted time and energy researching specific planning topics, and at the same time, met on a monthly basis to consider Northwood's growth-related problems and to help prescribe long-range goals as well as immediate solutions/recommendations. The Planning Board and the Planning Committee have shared many hours of discussion and deliberation in developing the draft of the Town Plan. Their mutual concern has been to guide the Town's development and utilization of its resources in order that growth within the Town of Northwood occur in a reasonable, responsible and conscientious manner.

Amidst this time, the Planning Committee held two public hearings on the present draft of the plan. At both of the hearings this draft was discussed and reviewed. The Citizens were urged further to comment and to make suggestions. Both the Planning Committee and the Planning Board feel that these hearings were a success. Citizens, young and old, showed their interest by attending, and their concerns by speaking up. Their comments and suggestions at the hearings and through the questionnaire have been seriously taken into account.

On February 22, 1979, the Planning Board approved the edited draft of the Town Plan, which is now being prepared for printing. There are mimeographed copies available for the public, courtesy of the U.N.H. Extension Service, at the Town Hall.

On March 6, 1979, a public hearing will be held at the Town Hall, at 7:30 P.M. on the proposed subdivision regulations. All interested citizens are urged to attend.

An interesting figure, of which everyone should be aware, is the Town of Northwood has issued 130 building permits from January 1978 to December 31, 1978. This is one of the reasons for a Town Plan, and in the stages of implementation, a goal must be attained, through recommendations and to provide for and still allow for orderly growth. Another purpose is to make the community of Northwood a better place to live than it would otherwise be if growth, change, and land uses all take place without either a general plan or coordinated guidance. The rationale: rather than have an arbitrary future imposed on us by happenstance, we do have the freedom of deciding what the future will be. We must identify and be aware of the matters which in fact can be affected at the local level and those beyond the control of local influence. We may not be able to influence change, however, we can plan now to best react to it.

The process: Examine and inventory assets, i.e., population, economy, public facilities, natural resources, housing, and technical assistance available. To specify the goals and objectives. Analyze alternatives and select courses of action, given the goals to attain and the resources available.

There are a few things that must remain clear here. The Town Plan is not law, it is a guide, a set of public policies developed by the Citizens, for the Citizens. It is an overall study of the Town. Now, the implementation to protect what the Town has, this is where ordinances are adopted, and you, as Townspeople adopt them.

The Plan will change, to accommodate changing times, there will be additions and it will be updated, all for the protection of the Town and its citizens.

Credit is extended to the following Chairmen and their Committee members:

Economic Base:	James Morse, Chairman Ellen Morse, Candice and David Seavey
Education:	James Bennett and the Northwood School Board
Fire Problems:	Robert LaRoche and all Fire Department Officers
Natural Resources:	Charles Frary, Chairman Clarence R. Ahlgren, Ross E. Allen, Margaret Hopkins, Ronald Alie
Population Study:	Keith W. Lidback
Roads and Streets:	Robert Bailey, Chairman George Linscott, J. Perry Richardson Joann Bailey, Jules Blier
Small Business:	Gareth Jones Walter Fiander (antique report)
Recreation:	Volunteers are still needed
Hazardous Waste:	Volunteers are still needed
Route 4 Study:	Being worked on

Gardner W. Mills, Chairman and Walter Crandall, Jr., Vice-Chairman of Planning Board - their guidance and expertise are appreciated.

Deborah Fadden: Administrative Assistant

Strafford Regional Planning Commission

Respectfully submitted,

Karen M. Devine  
Planner

## NORTHWOOD FIRE DEPARTMENT REPORT

The year 1978 was an extremely busy year for the Northwood Fire Department with both the number of calls and the number of major structural fires increasing. In 1978 the department responded to a total of 107 calls compared to 73 in 1977. An estimated 2800 manhours were donated to the Town by the firefighters at fires. The department is entirely volunteer and numerous hours are spent by the men training and maintaining equipment.

### 1978 Breakdown of Calls

Structural	11	Motor Vehicle Accidents	21
Mobile Home	1	Smoke Investigations	4
Brush	11	Dump	3
Chimney	5	Wires Down	5
Rescue	3	Medical Emergencies	4
Car Fires	2	Stove Fires	2
Mutual Aid	21	Rubbish	5
False	2	Needless	3
Miscellaneous	4		

Besides the large number of calls, the department has done work in several areas to provide better fire protection. Through the efforts of the department insurance ratings have been increased from 3 miles from a station to 5 miles from a station. Those who live within 5 miles, but more than 3 miles from a fire station should contact their insurance agent in regards to a savings in their premium.

During the Spring, we converted our out-dated dispatching system to a modern central dispatching system. This has provided much improvement in response times and allows the department to have 3 pieces of apparatus responding within 4 minutes of a call. The radio alerting of all firefighters allows them to be "on duty" 24 hours a day.

The Department has also surveyed the entire Town and distributed phone stickers. The new emergency number for all emergencies other than police is 1-225-3355. If you do not have a phone sticker please contact one of the firefighters.

We have completed renovation work on the Ridge Station and have installed insulation and storm windows on all stations. It is hoped that this will result in a savings in energy costs. Much of the work done to the Ridge Station was donated by the firefighters. The Ridge Station is a building that the Town can be proud of and interested citizens should stop to inspect the renovations.

During 1978, the Department has continued its intensive training program and has sent more firefighters to Fire School than ever before.

The Department installed a dry hydrant in Cole's Pond in the Gulch Mountain Acres - Pine Point Acres section of Town. Arrangements have also been made with the U. S. Army Reserves to improve eight water holes in Town during 1979. It should be noted that without municipal water the only way that we can provide adequate fire protection is by installing dry hydrants and improving water sources.

I would like to thank the officers and firefighters of the Department who have given so unselfishly of their time. I thank the wives and families of the firefighters for their support and understanding. I also thank the people of Northwood who have continually supported us both financially and morally.

Respectfully,

Donald E. Bassett, Chief

1978 Fire Department Officers

Chief Donald E. Bassett

Deputy Paul Colby

Deputy Allan Clark

Capt. Robert LaRoche

Capt. Charles Bailey

Capt. William Calef

REPORT OF DISTRICT FOREST FIRE CHIEF

AND YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000. or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

1978 Forest Fire Statistics

	<u>No. of Fires</u>	<u>No. of Acres Burned</u>

Paul Colby  
Forest Fire Warden

REPORT OF CEMETERY TRUSTEES

For the Year Ending December 31, 1978

Report of sale of lots in Town Cemetery, Pine Grove:

1/2 Lot 125	George Pease	\$ 85.00
Lot 67	Henry and Edith Shaw	150.00
Lot 61	Donald and Veronica Post	150.00
1/2 Lot 127	Warren and Alice Bryant	85.00
1/2 Lot 125	Ernest Pinkham	85.00

WORK ACCOMPLISHED 1978

That portion of the road to the left and the rear of the cemetery has been upgraded from gravel to tarred surface. The pre-existing roadways were repaired, tarred and sanded.

Of the \$3,000. approved for the purpose of upgrading and repairing the cemetery roads, \$1,780.94 remains as carryover for construction of the remaining section of the second loop as shown on the cemetery plan. This work will be completed during 1979.

During 1978 several of the cemeteries were damaged by vandals. The old Narrows Cemetery on Ye Olde Canterbury Road was extensively damaged when many grave markers were broken and knocked over. The Hoitt Morrill cemetery located behind the bank was also extensively damaged. The damage appears to have been caused by young teenagers. Repairs of the damage is expensive and in many cases the cracked stones can not be repaired. All citizens are asked to report any activities which in their opinion are causing this kind of mistreatment and disrespect to the cemeteries.

The cemeteries were again well cared for during 1978. There was a major problem in the form of the summer drought. The use of a lawn mower raised clouds of dust and blew away the arid topsoil. During the latter part of the year mowing was held to a judicious minimum.

The Trustees are pleased with the response from lot owners with regard to trust funds. Several new trusts have been placed on older lots and smaller trusts have been increased. It is a simple matter of economics. If we want our cemeteries to look nice, then we must keep up with inflation. The rates of interest on monies on deposit simply have not kept up with inflation. We, therefore, continue to urge our citizens to put adequate trusts on their lots so that they may be properly cared for.

Mr. Sherman Elliott, the major caretaker of our cemeteries, has given much of his time to the preparation of a set of books for recording the interments in our cemeteries. We now have books for East Northwood, Harvey Lake, and Fairview Cemeteries. Mr. Elliott is now preparing a new book for the Ridge Cemetery. These books list all of the individuals buried in each cemetery and a plot map showing the location of each interment.

The Cemetery Trustees are developing a card file of information on burials of individuals in the smaller cemeteries scattered throughout the Town. It is hoped that when completed the combination of books and card file will enable the Trustees to answer the several inquiries about location of ancestors received each year.

Respectfully submitted,

Donald E. Post  
William McGowen  
Herbert A. Sherman

Petition for an Article in the 1979 Town Warrant  
Town of Northwood, New Hampshire

We, the undersigned registered voters of the Town of Northwood, New Hampshire, hereby petition the Selectmen of the Town of Northwood to place the following Article in the Warrant for the 1979 Annual Town Meeting:

To see if the Town will vote to adopt width requirements for Class V Winter Public Roads established under RSA 234:20, such roads, and only such roads, having been plowed by the Town during or prior to the 1977-78 season, so that said width requirements for the purposes of Winter Public Roads shall be those of the existing rights of way at the time when last plowed by the Town, or take any other action relative thereto.

PETITION

Town of Northwood

We petition the Town of Northwood to accept the newly constructed gravel road on the Westerly side of Cross Street as shown in the Subdivision Plan #4437 of Warren E. Bryant, Sr., approved by the Northwood Planning Board on April 25, 1974 and recorded at the Rockingham County Registry of Deeds.

This road was constructed on the 50' Right of Way as shown on said plan and meets all the specifications of a Class V road. The road is 750' long and is 22' wide with a 50' x 100' snow plow turn-around area at its inner end. The entire construction is on level, well drained ground.

Seven residential lots front on this road, of which five have been sold and recorded.

The following signatures are registered voters of the Town of Northwood.

Clarence L. Ahlgren  
Ernest L. Pinkham  
Helen S. Frary  
Charles S. Frary, Jr.

1978 SCHOOL DISTRICT MEETING REPORT  
March 11, 1978

The annual School District meeting was called to order at 1:10 p.m. at the Northwood Elementary School, by Moderator Robert Johnson. Mr. Johnson introduced Mr. Bernard Davis, Assistant Superintendent of Schools. The School Warrant was then read by Mr. Johnson.

ARTICLE 1 To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the District.

Mr. Harold Lester moved that the sum of \$1,347.00 be raised. Mr. Thomas Madson moved to amend the School Board salary from \$250.00 per member to \$500.00 per School Board Member. This was seconded, and a vote was taken for the amendment, which was passed by a vote of 26 to 4. A motion was made to accept the motion as was amended. This, too, was passed and the amendment was adopted.

ARTICLE 2 To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

Mr. Bennett asked to have the article accepted as read. Mrs. Marion Knox asked to have this article amended, in order that the voters of Northwood might know how the School District budget monies have been spent. She moved "that officers of the Northwood School District be required to place a detailed statement of receipts and payments, similar to that of the Town of Northwood, in the School District section of the annual Northwood Town Report." A vote was taken on the amendment by a show of hands: 30 yes 6 no. Mr. Bennett was opposed to the amendment. A vote for the adoption of amendment was taken verbally - YES and the amendment passed.

ARTICLE 3 To choose agents and committees in relation to any subject embraced in this warrant.

Mr. Bennett moved we close this article. It was seconded by Mrs. Herron. This was voted on and passed.

ARTICLE 4 To see what sum of money the district will raise and appropriate for the support of the schools, for the salaries of School District officials and agents and for the payment of statutory obligations for the district.

Mr. Lester asked that this article be accepted as read for a budget of \$585,440.00. Mr. Bennett asked that on Line 210, Salaries that it be reduced \$3,000.00 (from \$195,608.00 to \$192,608.00). Reason: one of the teachers will be leaving and a replacement teacher would be making less money. A vote was taken and this line item was accepted.....Line 700 Maintenance of Plant, Mr. Bennett asked for an increase of \$1,000.00 to be used for outside improvements, such as enlarging and improving the driveway and parking area. This amendment was passed and accepted.....Line 1477.1 Tuition, Mr. Bennett asked that this be increased by \$7,000.00 (the original amount asked for) from \$205,000.00 to \$212,000.00. Amendment was voted on and accepted.

Line 1470 Expenditures other than Public Schools, Mr. Bennett asked that this item be changed from \$11,400.00 to \$18,600.00 for Special Education. This amendment was voted on by show of hands: 4 YES 29 NO. Motion does not prevail.

A total budget of \$590,440.00 was passed.

ARTICLE 5 To see if the district will authorize the School Board to make application for and to receive and expend, in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies, private agencies and/or other sources.

Mrs. Herron moved that this article be accepted as read. This was seconded and the article was passed.

ARTICLE 6 To see if the district will vote to appropriate a sum of money not to exceed five thousand dollars (\$5,000.00) from the unencumbered balance at the end of the 1977-78 fiscal year. Said sum of money is to be deposited in a capital reserve fund in accordance with the provisions of RSA 35 for the purpose of financing all or part of the cost of new construction for the School District. This article was accepted as read. Mr. Madson stated it's a fund for a future building and that it would be added to last year's fund.

ARTICLE 7 To transact any other business which may legally come before this meeting.

Mr. Johnson praised our "out-going School Board member" Tom Madson, for his 6 years of truly dedicated work. He was given a standing ovation.

The meeting adjourned at 2:15 P.M.

Respectfully submitted,

Jean W. Lane  
Clerk

The State of New Hampshire

To the Inhabitants of the School district in the town of Northwood qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 13th day of March 1979, at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose Auditors, and all other necessary officers and agents for the ensuing year.

Given under our hands at said Northwood this 13th day of February 1979.

James R. Bennett

The State of New Hampshire

To the Inhabitants of the School District in the town of Northwood qualified to vote in district affairs:

You are hereby notified to meet at the Northwood School in said district on the 10th day of March 1979, at 1:00 o'clock in the afternoon, to act upon the following subjects:

1. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
2. To choose agents and committees in relation to any subject embraced in this warrant.
3. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District.
4. To see if the District will authorize the School Board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies; private agencies and/or other sources.
5. To see if the District will vote to appropriate a sum of money not to exceed five thousand dollars (\$5,000.00) from the unencumbered balance at the end of the 1978-79 fiscal year. Said sum of money is to be deposited in a capital reserve fund in accordance with the provisions of R.S.A. 35 for the purpose of financing all or part of the cost of new construction of the school district.
6. To see if the District will vote to raise and appropriate the sum of five thousand eight hundred fifty dollars (\$5,850.00) for a contingency fund as provided by the New Hampshire Revised Statutes Annotated 198:4b.
7. To see if the District will vote to authorize the School Board to appoint a planning committee to explore the possibility of entering into a long term tuition contract for seventh and eighth grade pupils with a Cooperative School District in the event such a district is formed by surrounding communities. Said committee to report to the District at the next School District meeting.

8. To transact any other business which may legally come before this meeting.

Given under our hands at said Northwood this 13th day of February, 1979.

REPORT OF THE SUPERINTENDENT  
AND  
ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Northwood School District:

When School opened in September 1978, the Northwood Elementary School was organized as indicated below:

<u>Employee</u>	<u>Assignment</u>
Thomas Conway	Principal
Barbara Fraser	Grade 1
Albertina Hoogeveen	Grade 1
Nancy Osborne	Grade 2
Eva Pollard	Grade 2
Virginia Gustafson	Grade 3
Jane Weiland	Grade 3
Susan Drew	Grade 4
Eleanor Loewer	Grade 5
John Bresnahan	Science
Mary Harte	Math
David Bragdon	Music part-time
S. Thomas Hall	Social Studies
Bonita Hibbard	Language Arts
Joanne Kreed	English
Eleanor Byrne	Art part-time
Anne Grabowski	Learning Disabilities
Joanne Grossblatt	Special Education
Susan Musarra	Speech Therapist
Carline Kallgren	School Nurse
Mary Marini	Teacher Aide
Jane Bates	Teacher Aide
Ruth Hubner	Secretary
Laura Josiah	Lunch Supervisor
Kathleen Bernier	Lunch Worker
Lorraine Colby	Lunch Worker
James Purtell	Custodian
Jan Wilhelm	Reading*

\*Funded as part of the Joint Project under Title I for Barrington, Northwood, Nottingham and Strafford.

The enrollment by grades in the Northwood Elementary School at the opening of school was as indicated on the chart below:

<u>Grade</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>Total</u>
Number	42	37	39	31	30	43	33	30	285

Northwood pupils attending secondary schools at district expense are listed below:

School Attended	Special	9	10	11	12	Total	Tuition Rate
Coe-Brown Academy		40	32	26	30	128	\$1344.00
Dover High School	2	7	8	1	2	18	\$1410.00

Great Bay	2					2	\$2300.00
Rockingham	1					1	\$2462.00
Northwood Parent Co-op	1					1	
<b>Totals</b>	<b>6</b>	<b>47</b>	<b>42</b>	<b>29</b>	<b>38</b>	<b>162</b>	

In April of 1978 the State Board of Education adopted an original document entitled GUIDELINES FOR THE IMPLEMENTATION OF NEW HAMPSHIRE ACCOUNTABILITY PLAN. The purpose for this action was to require each school district to re-evaluate its current curriculum, teaching techniques and testing procedures in order to insure the accountability of the district's educational programs to the citizens. In anticipation of this decision by the State Board of Education this office has been stressing the importance of curriculum development to all principals in the Supervisory Union since 1976. Faculty curriculum efforts from throughout the Supervisory Union were reviewed and consolidated this past summer by an accountability/curriculum committee composed of teachers from the various school districts. Miss Barbara Fraser and Mrs. Eleanor Loewer served on this committee as the teacher representatives from the Northwood School District. After many long hours and much effort, the committee developed common educational objectives and identified specific learning tasks to be mastered by the pupils. We are presently working on reviewing our current achievement test, the Science Research Associates Achievement series, to determine the validity of this test relative to its ability to assess the progress of our pupils. The intent of this plan is to identify any necessary curriculum modifications in order to insure that our pupils are achieving the basic rudiments of a sound education.

As I stated in this report two years ago, one of the most far reaching laws to be passed in recent years in terms of the impact it will have on local school district budgets is P.L. 94-142. Subsequent to the passage of this new Federal law, our own New Hampshire Legislature passed House Bill 16 which caused a significant alteration in the budgetary process through a revision of State Law RSA 189-A. Prior to the passage of H.B. 16, local school districts were only required to budget up to double the State wide average tuition rate for the handicapped child in question in the event that the child required specific schooling outside of the school district. If there were any excess costs for such an out-of-district placement of a child, the receiving school would bill the State Department of Education directly for the additional costs. H.B. 16 has revised State law RSA 189-A to the point where the local school district must pay the entire cost of educating a handicapped child for whom an out-of-district placement has been deemed necessary. While the local school district liability remains the same at double the State wide average tuition rate, the revision of State law requires the

local district to submit a reimbursement request to the State Department of Education for the excess costs. This action has forced local school districts to budget the full costs of out-of-district placements on the expenditure side of their budgets and to show the anticipated reimbursements from the State Department on the estimated revenues side of the budget. For this reason, at first glance it would appear that our Special Education costs at the local level have skyrocketed dramatically when in reality the actual cost to the local school district has not risen as rapidly as the combined figures would indicate to be the case.

In addition to conducting the normal curriculum development activities and bringing the school district into compliance with the new Special Education legislation, this office will be assisting the School Board and administration in developing an awareness for the new school financial accounting system referred to as Financial Account Classification Handbook II Revised. This new mandated financial accounting system must go into operation as of July 1, 1980. While it appears that this new accounting system will make a school district's budget and bookkeeping more complex in terms of additional paperwork, it will enable the school boards to retrieve information more rapidly which should contribute to more effective management decisions.

The Federal and State governments have placed a large degree of importance on energy conservation practices through the passage of the National Energy Act. Local school districts may soon become eligible for 50/50 matching grants totaling 1.5% of a respective school district's total energy costs for the preceding year. These grants according to our latest information will enable school districts to contract for the proper insulation of ceilings, the installation of combination windows, renovation of existing heating plants, etc. This office will assist local school districts with the application process for these funds.

In summary, we wish to express our appreciation to the members of the School Board, the teachers, pupils and citizens for the cooperation exhibited during the past year. We look forward to a long and productive relationship in which our mutual goal will continue to be the best possible education for our young people.

Respectfully submitted,

Barry L. Clough  
Superintendent

Bernard R. Davis  
Assistant Superintendent

## PRINCIPAL'S REPORT

To the Northwood School Board and the Citizens of Northwood:

The 1977/78 school year at the Northwood School has been a very productive year. Our students scored extremely well in our S.R.A. testing program. We feel that the concentration on basics in education has been responsible for the improvement in our students' performance.

Our enrollment for this year is as follows:

Grade 1	40
2	39
3	38
4	31
5	31
6	41
7	35
8	31

At the present time, we have 14 full-time teachers, a part-time Speech Clinician and Learning Disability specialist, and a full-time Special Education Director. Our art teacher and our music teacher are also part-time. At the present, two Aides are also a part of the staff. Through federal programming, we have a Title I Reading Specialist three days each week, and because of the large first grade, we have a CETA person helping at that level.

New teachers to our system this year are Mrs. Jane Weiland, Grade 3; Mrs. Joanne Kreed, Language Arts for Grade 6 thru 8; and Miss Mary Harte, math for Grades 6 thru 8. Miss Susan Musarra is our new Speech Clinician and Mrs. Mary Marini is the new Aide at the Learning Center. Mr. James Purtell, our new head Custodian comes with a great deal of experience in this field.

Our teachers, in conjunction with all the teachers in Union #44, have been working toward an accountability model for the Union. This model will be used to evaluate students in the basic skills at Grades 4 thru 8. Students who can not pass this exam will be held at grade level. This program is required as part of a state-wide program that will require all schools to establish such a program by 1980.

The School Board authorized some maintenance work done during the summer: a new roof on the modular units and a new rug in the first grade room.

A "School Volunteer" program has been established for the 1978/79 school year, and we have been very pleased with this program as it has allowed many of our students to receive extra individualized help.

As in the past, we have maintained our active extra-curricular programs after school. We feel that these programs are beneficial for the students because of the limited opportunities for recreation in the community, and it is our feeling that the school should serve this function. Students who are involved in these programs must maintain satisfactory grades in their studies or they are not allowed to participate. This is a very strong incentive for some students to keep their grades at a level consistent with their ability.

Our graduates of 1978 have gone on to high school, and we are pleased to hear that they are doing a fine job. The opportunity to watch students grow from Grade 1 to High School graduation is one of the most rewarding experiences that I have in my position in Northwood.

In closing I would like to express my appreciation to the Superintendent's Office, Mr. Barry Clough, Superintendent of Schools and Mr. Bernard Davis, Assistant Superintendent, for the help they provide the school. A special thanks to the Northwood School Board who have worked long and hard for quality education in Northwood, but especially, on behalf of the entire staff, I want to thank the citizens of Northwood for their continued support of all of our programs.

Sincerely,

Thomas R. Conway  
Principal

## SCHOOL HEALTH REPORT 1977 - 1978

The health program for the year 1977 - 1978 was carried out in the usual manner with an annual physical inspection of each student by the nurse. When defects were noted the appropriate referral and follow-up were made.

Vision tests	320	Heights	308
Hearing tests	330	Weights	308
First Aid	696	Inspections	308
Home Visits	14		
Mal-occlusion Clinic and Treatment			1
Ill students transported home by nurse			11
Students transported to:			
Immunization Clinics			111
Dentist			7
Hospital			1
Pre-school registration			38
Pre-school vision and hearing screening			90

The students received the benefit of preventative dental care through several worthwhile programs. Six students received dental care through Northwood Matching Funds. The money was made available this year through very generous contributions from the Harvey Lake Women's Club, Lions Club, Post 7217 V.F.W., Home Extension, Fire Department Auxiliary, Grange and Crescent Chapter, O.E.S. Dr. David Gruette, Northwood, was the participating dentist. Through a program sponsored by the N.H. Bureau of Dental Health, all students in grades 1-6 were given the opportunity to participate in a daily dry brushing and weekly Fluoride Rinse Program. One hundred and thirty-four students participated in the dental Cleaning and Fluoride Clinic held in October. Mrs. Claire Sklarin and Mrs. Linda Sawyer were the participating hygienists.

Instructions from the Federal Government and the N. H. Division of Public Health Services required all student health records be reviewed for immunization levels. Opportunities were provided for students to receive any immunizations that were needed. The following were administered at the Rural District Health Council, Northwood Town Hall, Clinic.

Diphtheria and Tetanus	86	Measles, Mumps & Rubella	11
Polio	49	Mumps	35
Measles	6	T.B.	1

The following Communicable Diseases were noted:

Whooping Cough	1	Strep Throat Cultures	74
Pediculosis	2	13 positive cultures	
Impetigo	3		

During the school year I made weekly visits to Levels 1-5. Health related lessons and activities were planned and carried out. This year a Family Living Program was introduced into the Health Curriculum for grades 1-6. It was enthusiastically received by the students. As part of V.D. education for the seventh and eighth grade students, lectures, movies, filmstrips and discussions were

planned and carried out. The sixth grade completed the Red Cross, Basic First Aid Course.

During the school year I attended workshops on Nutrition, Immunizations and Handicapped Children. During Drug Education Week I spoke on behalf of the N. H. School Nurses, Channel 9.

I would like to express my thanks to the Superintendent, School Board Members, teachers and parents for their cooperation and support during the past year.

Carline Kallgren, R.N.  
School Nurse

PROPOSED SCHOOL CALENDAR

1979-1980

September	18 days	February	15 days
October	22 days	March	21 days
November	19 days	April	19 days
December	15 days	May	19 days
January	19 days	June	18 days
September-January	93 days	February-June	92 days

Days Out

September 3	Labor Day	November 22-23	Thanksgiving Recess
