## AUDITOR'S REPORT

---

February 18, 1928.

We have examined the reports of the Selectmen, Treasurer, Road Agent, Trustees of Trust Funds, and Trustees of Libraries and believe them to be correctly vouched and cast.

GILBERT M. THAYER,  
FLOYD E. DAVIS,

Auditors.

---

To the Inhabitants of the Town of Orford:

In presenting our report for the past year we wish to call attention to the increase of the net debt which was caused by the Flood of November 3rd and 4th. While Orford was fortunate in not suffering the damage which many near-by towns sustained, yet, like to them, it was an unlooked-for calamity to us, and coming as it did at the close of the road building season, no plans could be made either for making permanent repairs or for financing the work out of available funds; therefore we were obliged to incur an additional indebtedness in order to put the roads into passable condition for the winter. Had it not been for the Flood Emergency the indebtedness of the town would have shown a material decrease.

Considerable attention has been paid this year to the cemeteries of the town. The fences at West Cemetery and Dame Hill have been repaired and painted;

and much needed work done in the latter in the matter of resetting stones and grading. It being the 150th Anniversary of the Battle of Bennington at which he lost his life, it was thought not inappropriate that the grave of Captain Post should receive special attention, also the adjoining grave of Mrs. Spooner, a benefactress of the town, and whose headstone was erected by the town to commemorate her. Much credit for this work is due to Mr. Jesse R. Kenyon of Gloucester, Mass. who started these repairs while he was selectman and whose plans were carried out at this time.

The electric light line has been extended to Orfordville, and, while the street lights are not in place at this time, yet the people of the village are appreciative of the vote of the town last year which made this extension possible.

The State Aid Bridge in "Davistown" was built within the estimate, even in spite of the adverse conditions caused by the Flood.

In closing we wish to thank the people for their support and help during the past year.

WILLARD R. HARRIS,  
OLIN N. RENFREW,  
CHARLES L. CUSHMAN,

Selectmen of Orford.

### Personal

I wish to take this opportunity to thank the people of the town of Orford for the confidence they have shown in me and for the support given me during the past twenty-five years in the various offices to which I have been chosen. I, in turn, have tried to give you the best that was in me; and while I have not been above mistakes, yet they have been errors of judgment and not of intention.

It was my ambition to leave the town out of debt, but powers beyond human control ordained otherwise, therefore that part of my work is left unfinished.

Now, as my term of office expires and I return to you the commission which you bestowed on me ten years ago, I would ask you, one and all, to work for the good of our whole town. Let all private animosities and political jealousies give place to united effort for upbuilding the community. Let us endeavor to see who best can work and best agree. Let all criticism be constructive and not destructive. In this way we can make a better, richer and more prosperous Orford.

WILLARD R. HARRIS.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Orford:

I take pleasure in presenting my first annual report as superintendent of the schools of Orford.

During the year 1926-1927 the enrollment for the entire year was 122. The schools were in session an average of 175 days out of a possible 180. The per cent of attendance was 93.74, a little lower than the average for the whole state, which was 94.57%. As the child, when absent, is always the loser, parents are urged to have their children, unless sick, present at every session.

This year the enrollment so far has been 131 pupils. This is an increase and indicates that the schools are fulfilling a growing need in the community.

The teachers for the present year are as follows: High School, Gladys Twitchell, headmaster; three senior from Plymouth Normal School, assistants; Village Grammar, Stella Morrill; Village Primary, Rena Young; Orfordville, Kathleen Huntoon; Mount Cube, Helen Coburn; East Orford, cadet from Plymouth Normal School.

Following the established custom Miss Underhill, the school nurse, has continued to look after the health of the pupils. The registers show 41 school visits were made last year. An earnest endeavor upon the part of the parents to co-operate with the school in maintaining healthful conditions in the home will bring lasting benefit to the children.

It is very gratifying to be able to report that the high school has more than come up to its first promises. The enrollment is nearly twice what it was in June

and the quality of the work seems to keep up to the high standard of last year. This excellence of the work of the Orford High School was publicly applauded at the superintendents and headmasters' conference in Keeee last August. It was, of course due to the superior leadership of Miss Twitchell and her assistants from the normal school, and the fine spirit of industry upon the part of the young people who attended. It is my firm belief that every boy and girl who graduates from the grammar school should pursue with earnestness the high school course, and that the time so spent will prove a valuable investment.

Respectfully submitted,

EDWARD A JANES,

Superintendent of Schools.
