THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Plymouth in the County of Grafton in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Grade School Auditorium in said Plymouth on Tuesday, the eighth day of March, next at ten o'clock in the forenoon, at which time the polls shall be opened and shall close not earlier than nine o'clock in the afternoon to act upon the following articles; all articles except articles 1 and 2 to be considered at 7:30 o'clock in the evening.

1. To choose all necessary Town Officers for the ensuing year.

2. Shall the provisions of Chapter 171-A of the Revised Laws relative to playing games of beano be adopted in this city or town?

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

4. To see what sum of money the Town will vote to raise and appropriate for the support of the Free Public Library.

5. To see what sum of money the Town will vote to raise for the maintenance and construction of highways.

6. To see what sum the Town will vote to raise and appropriate for sidewalks.

7. To see what sum of money the Town will vote to raise for town maintenance in cooperation with the State.

8. To see what sum of money the Town will vote to raise for Memorial Day.

9. To see what sum of money the Town will vote to raise for cemeteries.

10. To see if the Town will vote to raise the sum of four hundred dollars (\$400.00) for the control of the White Pine Blister Rust.

11. To see what sum of money the Town will vote to raise and appropriate for Civil Defense.

12. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to provide quarters for a Plymouth Unit of the New Hampshire National Guard.

13. To see if the Town will vote to raise and appropriate, to the Plymouth Youth Council, Two Thousand Dollars (\$2,000.00) to establish, equip and maintain suitable places for Public Playgrounds, including coasting and skating and other programs of said Youth Council.

14. To see what sum of money the Town will vote to raise and appropriate for the care of shade trees in the Town.

15. To see what sum of money the Town will vote to raise for the Sceva Speare Memorial Hospital of Plymouth, New Hampshire.

16. To see what sum of money the Town will vote to raise for Band Concerts during the summer of 1955 by the Plymouth Community Band.

17. To see if the town will vote to raise and appropriate the sum of Four Hundred Two Dollars (\$402.00) which is 1/100 of 1% of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town; in cooperation with other towns in the Lakes Region.

18. To see if the Town will authorize the Selectmen to purchase needed highway equipment and borrow money for same.

19. To see if the Town will authorize the Selectmen to hire clerical service and raise the sum of One Thousand Five Hundred Dollars (\$1500.00) for same.

20. To see if the Town will vote to authorize the Selectmen to appoint a zoning commission of five members to recommend to the next town meeting the boundaries of a zoning district and appropriate regulations to be enforced therein, in accordance with Section 50-70 inclusive, Chapter 51 Revised Laws of New Hampshire, as amended, and to raise and appropriate such sum of money as may be necessary to make a preliminary report and/or survey to carry out the provisions of this article.

21. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to be used for advertising the facilities and resources of the Town.

22. To see what action the Town wants to take relative to widening Highland Street from Langdon Street to Broadway.

23. To see if the Town will authorize the Selectmen to sell and convey any real estate which the Town may acquire by tax collector's deed.

24. To choose a Library Trustee for a term of three years.

25. To choose a Trustee of Trust Funds for a term of three years.

26. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, and pay the obligations of the Town.

27. To transact any other business that may legally come before this meeting.

Given under our hands and seals this ?? day of February in the year of our Lord one thousand nine hundred and fifty-five.

WALLACE C. CUSHING, JR.,
ARNOLD W. SPENCER,
FRED C. TOBEY, JR.,

Selectmen of Plymouth

A True Copy of Warrant—Attest:

WALLACE C. CUSHING, JR.,
ARNOLD W. SPENCER,
FRED C. TOBEY, JR.,

Selectmen of Plymouth

DRAFT

To the Voters of the Town of Plymouth:

Last September we were visited by a delegation of auditors from the State Tax Commission.

This was an unsolicited audit and the reason therefor or the period of the audit were not made known to us.

A complete and full report has been supplied our office, together with a bill of \$330.65 for the audit.

Under the law, it is optional with us as to whether we shall print in the Town Report the full proceedings of the audit. We have decided to limit the printed report to the letter of transmittal and Certificate of Audit.

This report from the State Tax Commission is a public record and may be examined by any one at the Town Offices. The decision not to go to the expense of printing the full report is principally governed by the fact that no misfeasance or malfeasance of any town officer developed during the audit.

WALLACE C. CUSHING, JR.
ARNOLD W. SPENCER,
F. C. TOBEY, JR.

Selectmen,

January 15, 1955

Town of Plymouth

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

October 29, 1954

Board of Selectmen
Plymouth, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Plymouth which was made by this Division, acting under authority of Chapter 82, Section 27, of the Revised Laws of New Hampshire, which provides in part as follows:

“Audit on Motion of Commission. The Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such. xxxx”

This audit covered the fiscal year ended December 31, 1953, and the period from January 1st to September 10th, 1954. Exhibits as hereafter listed are included as part of the report which is made up in three sections as follows:

Section I—Fiscal Year Ended December 31, 1953

Section II—Period January 1st to September 10th,
1954

Section III—Ten Year Statement of Indebtedness,
Valuation and Taxes

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Municipal Court and Road Agent.

FINANCIAL STATEMENTS

Comparative Balance Sheets
December 31, 1952 — December 31, 1953:

(Exhibit A)

Comparative Balance Sheets as of December 31, 1952 and December 31, 1953, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$19,816.26 during 1953.

Analysis of Change in Financial Condition:

(Exhibit B)

An analysis of the change in financial condition of the Town during the year 1953 is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Decreases in Net Debt

Long Term Notes and Bonds Paid	\$ 11,720.00
Net Budget Surplus	8,126.30
Increase in Accounts Receivable	1.37
	<hr/>
	\$ 19,847.67

Increases in Net Debt

Abatement of 1951 State		
Head Taxes	\$	15.00
Increase in Accounts Payable		16.41
		<hr/>
		31.41
		<hr/>
Net Decrease	\$	19,816.26

Comparative Statements of Appropriations

And Expenditures — Estimated and Actual Revenues:

(Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1953, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net unexpended balance of appropriations of \$3,115.91, plus a net revenue surplus of \$5,010.39, resulted in a net budget surplus of \$8,126.30. **Summary of Receipts and Expenditures: (Exhibit E)**

A summary of receipts and expenditures for the fiscal year ended December 31, 1953, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of September 10, 1954, is indicated in Exhibit L.

Statement of Indebtedness: (Exhibit K)

A statement of long term indebtedness as of December 31, 1953, showing annual maturities of principal and annual interest requirements, is contained in Exhibit K.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Indebtedness, Valuation and Taxes:

Table I presents a ten year statement of Indebtedness, Valuation and Taxes, covering the fiscal years of 1943 to 1953, inclusive.

It is noted that the long term notes and bonds outstanding increased from \$14,700.00 to \$30,231.55, and the Net Debt from \$2,661.75 to \$11,195.52 during this period.

The assessed valuation of taxable property increased by \$1,590,460.00, or 60%, while the amount of the annual tax levy increased from \$101,781.00 to \$240,653.00, or 136%. Uncollected taxes at the close of the fiscal year increased from \$8,468.00 to \$28,338.00, or 235%, but unredeemed taxes from tax sales decreased from \$6,977.00 to \$2,688.00, a percentage decrease of 62%.

The local average tax rate increased from \$3.72 to \$5.60 per hundred, compared to an increase in the average tax rate for the State during this period of \$3.03 to \$4.48.

Appropriation for "Miscellaneous":

It is noted that an appropriation for "Miscellaneous" in the amount of \$3,850.00, was made in 1953. Expenditures in the amount of \$5,200.30 were charged to this appropriation account. These were as follows:

Insurance	\$ 1,662.08
Printing Town Reports, Ballots, Etc.	1,030.41
Janitor Service	225.00
Register of Deeds, Etc.	64.65
Motor Vehicle Permits	768.50
Repairs to Fountains & Tree Service	76.30
Livermore Falls Bridge Repairs	1,285.62

Postage	48.00
Refunds on Motor Vehicle Permits	19.45
Other	20.29
	<hr/>
	\$ 5,200.30

Inasmuch as all of these expenditures could have been charged to standard appropriation accounts, it is recommended that in next year's budget the "miscellaneous" appropriation be eliminated. Other appropriation accounts could be adjusted to include the items previously covered by the "miscellaneous" account.

Treasurer's Records:

It has been the practise for the Town Treasurer to keep a classified record of expenditures which duplicates the record kept by the Board of Selectmen. This is not necessary and it is recommended that the Treasurer adopt the use of the standard form of Town Treasurer's cash book.

Road Agent's Accounts:

Town checks issued to the Road Agent for payrolls should be deposited promptly by this official to avoid bank overdrafts and protest charges. This bank account should be reconciled monthly.

Unredeemed Taxes:

As indicated by Exhibit N, as of September 10, 1954, there were unredeemed taxes from tax sales on account of the levies of 1950 and prior years as follows:

1950	\$ 534.39
1949	309.14
1948	133.70
1947	9.88
1946	55.34
	<hr/>
	\$ 1,042.45

As the two year period in which redemption may be made has lapsed in all of these cases, it is recommended that tax deeds be given by the Collector to the Town on properties represented by such unredeemed taxes unless there is good reason why such procedure should not be followed.

Treasurer's Surety Bond:

The Town Treasurer's surety bond is written for \$6,000.00. Inasmuch as the funds handled by the Treasurer last year amount to almost \$400,000.00, it is recommended that the amount of the surety bond be increased to \$15,000.00 in order that it may be more proportionate to the amount of funds handled by this official.

Conclusion:

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of Plymouth for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

C. David Sullivan, Auditor
Joseph W. Beaudreau, Accountant

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

October 29, 1954

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Plymouth for the fiscal year ended December 31, 1953, and the period from January 1st to September 10th, 1954; and subject to exceptions as herein indicated, found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1953, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,
HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

C. David Sullivan, Auditor
Joseph W. Beaudreau, Accountant

Magazines and newspapers currently received	28

Services

Number of volumes of fiction lent	4,208
Number of volumes of non-fiction lent	1,888
Number of magazines lent	1,454
Number of volumes of children's books lent	5,398
	<hr/>
Total circulation for year	12,948
New borrowers added	194

PUBLIC HEALTH NURSE'S REPORT

The following is a report of activities carried on in the Town of Plymouth, by the N. H. Department of Health, Bureau Public Health Nursing, for the year 1954.

A series of three clinics were held at the Plymouth Grange Hall on March 23, April 13 and May 4, 1954, for physical examinations, immunizations and vaccinations.

Twenty babies and preschool children were given physical examinations. Total attendance at three immunization and vaccination clinics 140.

Infants 10, preschool age 88, school age 42.

The number of children that completed three immunizations or booster shots for diphtheria, tetanus and whooping cough was 74.

Infants 3, preschool age 40, school age 31.

Smallpox vaccinations completed 36, preschool 27, school age 9.

The nurse was assisted at these clinics by Dr. F. McIver, Dr. John Archibald, American Legion Auxiliary of Plymouth, School Nurse and Teachers, and local Registered Nurses. The clinics were held at Plymouth Grange Hall. My sincere thanks to all who helped make these clinics available to the children of the community.

Home calls have been made on mothers, babies and preschool children. Arrangements have been made under Cripple Children's Services for several children to attend clinics at Laconia, Hanover and Boston Children's Hospital. Arrangements have been made to assist financially for correction of handicaps in preschool children, to help make healthier and happier citizens.

Respectfully submitted,

LOIS W. BARTON, R.N.
Public Health Nurse,
N. H. Department of Health

AUDITORS' REPORT

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Road Agent, Overseer of the Poor, Trustees of Trust Funds, Treasurer of the Library Trustees and Justice of the Municipal Court.

We have verified cash balances and reconciled banks statements for all officials having town business bank accounts. The individual expenditures were verified by comparison of authorization with issued checks.

We have examined the securities in the Trust Funds.

We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds and Road Agent.

MILTON E. PETTENGILL,
LEON M. HUNTRESS,

Plymouth, N. H.
January 31, 1955

Auditors

Forest Fire Prevention Is Everybody's Business

Carelessness is responsible for 97 per cent of all our forest fires. This is a serious indictment of our interest in our own welfare and that of our neighbors. In too many instances this carelessness results in the destruction, not of the careless one's own property, but of someone not even known to him.

Thoughtlessly thrown lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; the careless burning of debris during hazardous periods, high winds or in dangerous locations; improperly extinguished camp or cook fires—all add up to the CARELESSNESS that means serious loss of property, disruption of industry and farm work and unnecessary expenditures of town and state funds.

It points to the need of eliminating CARELESSNESS so far as it concerns fire from our daily life. The rules are simple — your cooperation is earnestly solicited.

1. Be careful with fire in or near woodlands.
2. Be sure that all lighted material—cigars, cigarettes and matches—is completely out before discarding it. Use ash trays in autos.
3. Secure the required written permission to burn from your local forest fire warden when the ground is not completely covered with snow.
4. Insist that others be careful and comply with burning requirements.
5. Call the warden promptly when fire is detected and aid him to extinguish it.

Let's remember that FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT undertaking!

STATE OF NEW HAMPSHIRE

To the Inhabitants of Plymouth Village Fire District qualified to vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium on Thursday, the tenth day of March next, at 7:30 o'clock in the afternoon to act on the following subjects.

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the ensuing year.

Article 4. To choose three Fire Commissioners for the ensuing year.

Article 5. To choose one Water Commissioner for the ensuing three years.

Article 6. To choose Auditors for the ensuing year.

Article 7. To see what action the District will take regarding the employment of a full time secretary in conjunction with the Town.

Article 8. To see what sum of money the District will vote to raise for fire apparatus, supplies, care of fire alarm system, pay of firemen and other necessary expenses of said District for the ensuing year.

Article 9. To see what sum of money the District will vote to raise for Sidewalks, for the ensuing year.

Article 10. To see what sum of money the District will vote to raise for fire protection, for the ensuing year.

Article 11. To see what sum of money the District will vote to raise for sewer purposes.

Article 12. To see what action the District will take regarding the salaries of the District Officers.

Article 13. To see what action the District will take with regard to any unexpended money raised under article 13 of 1954.

Article 14. To see if the District will vote to adopt a plan for extending to employees of the District the benefits of title II of the Federal Social Security Act (Old-Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951, and to raise and appropriate the sum of \$75.00 to defray the district's share of the cost thereof.

Article 15. If the foregoing article is adopted, to see if the District will authorize the Commissioners to execute on behalf of the District the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the District will designate the District Treasurer as the officer to be responsible for the administration of the plan.

Article 16. To see if the District will vote to authorize the Commissioners to appoint a zoning commission of five members to recommend to the next district meeting the boundaries of a zoning district and appropriate regulations to be enforced therein, in accordance with Section 50-70 inclusive, Chapter 51 Revised Laws of New Hampshire, as amended, and to raise and appropriate such sum of money as may be necessary to make a preliminary report, and or survey, to carry out provisions of this Article.

Article 17. To see if the District will vote to authorize its Commissioners to borrow such sums of money as may be necessary to pay debts of the District and to give notes therefor, countersigned by the District Treasurer.

Article 18. To transact any other business that may legally come before the said district.

Given under our hands this fourteenth day of February, 1955.

WATER DEPARTMENT

New Construction

In accordance with the precinct vote of March 11, 1954, the Plymouth Village water system was extended from Foster Street to Fred Rowe's Corner and thence along Rumney Road to the property line of Merlond McLoud. Ten bids were submitted for installing the extension with a low of \$14,260.00 and a high figure of \$51,460.00. A thorough investigation was made of the four lowest bidders with the contract ultimately being awarded to the Ralph W. Payne Construction Company of Keene, New Hampshire.

The following is a list of materials used for the new construction:

- 6566 feet of ten inch pipe.
- 3774 feet of eight inch pipe.
- 131 feet of six inch pipe.
- 10 hydrants.
- 3 ten inch valves.
- 2 eight inch valves.
- 15 six inch valves.

The total cost to the Town of Plymouth for labor, material, engineering and other miscellaneous items amounted to \$57,764.81 for the complete project.

\$65,000.00 was raised through a bond issue with the First New Hampshire Corporation. Added to this amount, \$294.38 has been received in interest, leaving a balance in the new construction account of \$7,529.57.

The Water Department also contracted with the Ralph W. Payne Construction Company to lay 494 feet of six inch pipe and install one valve and hydrant on Crescent Street. The following reflects materials taken from inventory and charges paid from the general account:

Materials:

494 feet of six inch pipe	\$	741.00	
1 six inch valve		56.00	
1 hydrant		50.00	
		<hr/>	
			\$ 847.00

Labor:

Laying six inch pipe	\$	537.04	
Installing valve		8.00	
Setting hydrant		14.00	
		<hr/>	
			\$ 595.04

Total \$ 1,442.04

The new extension to the system has enabled approximately twenty-four homes to receive adequate domestic water and fire protection.

General

All hydrants were given two coats of special hydrant paint during the summer months to not only preserve them, but to eliminate "eyesores" from the community.

The fence was repaired and a gate set up at the upper pumping station to insure proper isolation from the public.

The Department also acquired a small storage shed at "Five Points" in order to properly store and insure safe-keeping of costly valves and fittings.

This summer all valves will be checked, repaired and, where necessary, replaced to insure proper service and distribution to the community. Many of the valves are not working properly, resulting in shut-offs for large areas when breaks occur.

For several years now the Water Department has operated on a minimum of revenue. Inasmuch as it has been necessary to borrow money and pay interest several times to meet emergency finances, the Commissioners feel that it would be wise for the precinct to vote the balance of \$7,529.57 from the New Construction Account to be applied to the General Account. This would enable the Department to have a small surplus drawing interest but available in times of emergency.

Furthermore we quote from the ruling of the State of New Hampshire Public Utilities Commission: "Every public utility shall carry a proper and adequate DEPRECIATION RESERVVE account to cover the full replacement of all tangible property in service."

SUMMARY OF JUDGE A. J. CONNOR'S DECISION
IN DISTRICT COURT

In Civil Action No. 1161, Plymouth Village Fire District v. New Amsterdam Casualty Company and P. DiMascio & Son, Inc., I conclude that the plaintiff is entitled to the stipulated sum of \$1,535.62, the sum of \$889.86 for repairs as heretofore found, and the further sum of \$4,410 as liquidated damages:—a total of \$6,835.48.

In Civil Action No. 1173, P. DiMascio & Son, Inc. v. Plymouth Village Fire District, I conclude that there is due and owing to the plaintiff the sum of \$6,349.98, withheld under the provision of the contract, the sum of \$696 for the work at the high-level pumping station, and the further sum of \$87.50 for extra work on Highland Street;—a total of \$7,133.48.

The Clerk is directed to enter judgment conformably to these findings and ruling.
January 28, 1955

The Commissioners have instructed our attorneys to file a motion to reopen the case with regard to certain parts of the decision which was handed down by the Judge.

AUDITORS' REPORT

We have audited the cash books of the Treasurer of the Plymouth Village Fire District and Plymouth Village Water and Sewer Departments, and have found the entries therein correctly cast and well vouched.

We have prepared reports and summaries which represent the scope of the financial transactions in these departments during the year ending December 31, 1954.

We have examined the surety bond of the Treasurer.

We have burned twelve \$1,000.00 Water Bonds, numbered 25-36, totalling \$12,000.00.

We have burned three coupons No. 37-39 (October 1953); two hundred and sixty-six coupons No. 25-122 and No. 133-300 (April 1954); two hundred fifty-four coupons No. 37-122 and No. 133-300 (October 1954); sixty-five coupons No. 1-65 (November 1954).

MILTON E. PETTENGILL,
LEON M. HUNTRESS,

January 28, 1955

Auditors

DRAFT

To the Voters of Plymouth Village Fire District:

Last October we were paid a visit by the Auditors from the State Tax Commission.

They made an extensive examination of our books and records for the period January 1, 1953 through September 30, 1954.

What prompted the audit or the period of accounting selected were not revealed to us.

The certificate of audit and letter of transmittal of their detailed report are printed in this report.

The recommendations of the Commission are being put into effect.

The detailed exhibits accompanying the Auditors' report consist principally of reports given to you in last year's District Report. The expense of printing them in full in this year's report does not seem warranted. These reports may be examined by any one desiring to look at them in our office.

E. WALTER AVERY,
MALCOLM C. CAYES,
GLENN L. WILLIAMS,

Commissioners of Plymouth
Village Fire District

Plymouth, N. H.
February 2, 1955

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

November 2, 1954

Board of Commissioners
Plymouth Village Fire District
Plymouth, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Plymouth Village Fire District which was made by this Division, acting under authority of Chapter 82, Section 27, of the Revised Laws of New Hampshire, which provides in part as follows:

“Audit on Motion of Commission. The Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such. xxxxx”

This audit covered the fiscal year ended December 31, 1953, and the period from January 1st to September 30th, 1954. Exhibits as hereafter listed are included as part of the report which is made up in two sections as follows:

Section I—Fiscal Year Ended December 31, 1953

Section II—Period January 1st to September 30th, 1954.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Water Department, Fire Department and Sewer Department.

FINANCIAL STATEMENTS

Comparative Balance Sheets—December 31, 1952- December 31, 1953: (Exhibit A)

Comparative consolidated balance sheets of the Fire District as of December 31, 1952 and December 31, 1953, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$14,700.57 during 1953.

Summaries of Receipts and Expenditures: (Exhibits B, D & E)

Summaries of the receipts and expenditures of the Water, Fire and Sewer Departments for the fiscal year ended December 31, 1953, are included in Exhibits B, D and E, respectively. Proof of the Treasurer's balance as of September 30, 1954, is indicated in Exhibit H.

Accounts Receivable—Water Department:

A new form of individual ledger sheet for Water Department customers was prescribed. This will contain "debit," "credit" and "balance" columns and will reflect the current condition of the accounts at all times.

To establish a more adequate control of Accounts Receivable, it is recommended that a monthly report be made by the Treasurer to the Commissioners. This would be in summarized form as follows:

Accounts receivable - January 1, 1954	\$.....
Charges During January
	<hr/>
	\$.....
Accounts Paid During January
	<hr/>

*Accounts Receivable - January 31, 1954 \$

* This amount to be proved by adding machine tape, listing and totaling individual accounts receivable.

Fire District Budget:

In order that the appropriations which are voted by the annual meeting may include all estimated expenditure items, it is recommended that the Fire District adopt the use of budgetary procedure similar to that which is followed by the Town.

Estimated revenue should include:

- (1) Water Serviced Income.
- (2) Town Appropriation for Hydrant Rental.
- (3) Proceeds of Proposed Issues of Long Term Notes.

Estimated expenditures of the Water, Sewer and

Fire Departments should be listed under the following general classifications:

- (1) Operation and Maintenance.
- (2) New Construction.
- (3) New Equipment.
- (4) Principal of Indebtedness.
- (5) Interest on Indebtedness.

The amount of the Fire District tax will be determined by subtracting the total amount of estimated revenue from the total amount of estimated expenditures (appropriations).

Conclusion:

The accounts and records of the Fire District were found to be in good condition and the accounting procedure, with exceptions as herein indicated, conformed to prescribed methods.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the annual report of the Village District. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Plymouth Village Fire District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,
Director,
Division of Municipal Accounting
State Tax Commission

C. David Sullivan, Auditor
Joseph W. Boudreau, Accountant

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

November 2, 1954

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Plymouth Village Fire District for the fiscal year ended December 31, 1953, and the period from January 1st to September 30th, 1954, and found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the Plymouth Village Fire District on December 31, 1953, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER,
Director,

Division of Municipal Accounting
State Tax Commission

STATE OF NEW HAMPSHIRE

Grafton, ss.

To the Inhabitants of the School District in the Town of Plymouth qualified to vote in district affairs:

GREETINGS

You are hereby notified to meet at the Guy E. Speare Auditorium in said district on the third (3rd) day of March, 1955, at eight o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the fiscal year beginning July 1, 1955.

Article 4. To choose a Member of the School Board for the ensuing three years.

Article 5. To determine and appoint the salaries of the District Officers, and fix the compensation of any other officers or agents of the District.

Article 6. To hear the reports of Agents, Auditors, Committees, or Officers heretofore chosen, and pass any vote relative thereto.

Article 7. To choose Agents, Auditors and Committees, in relation to any subject embraced in this Warrant.

Article 8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of pub-

lic school and the payment of statutory obligations of the District, as determined by the School Board in its annual report.

Article 9. To see if the school district will vote to adopt a plan for extending to employees of the school district the benefits of title 11 of the Federal Social Security Act (Old-Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$180.00 to defray the school district's share of the cost hereof.

Article 10. If the foregoing article is adopted to see if the school district will authorize the School Board to execute on behalf of the school district the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the school district will designate the School District Treasurer as the officer to be responsible for the administration of the plan.

Article 11. To conduct any other business that may legally come before this meeting.

SUPERINTENDENT'S ANNUAL REPORT

TO THE PLYMOUTH SCHOOL BOARD

I hereby submit my annual report as Superintendent of Schools of the School District of Plymouth.

This report will deal largely with observations that have been made since I have been with you and will include only things that I have worked on or seen since I assumed my duties with you.

I have made some study of the High School curriculum and feel that your offerings in most fields are adequate. I have already recommended that beginning September, 1955, Junior Business Training as a required course for all students should be eliminated and replaced with a science or a math course, whichever offers the most advantage to the pupil concerned. I have not studied the matter deeply enough yet to come to a definite conclusion, but it seems to me that, serving as many outlying towns as we do, there is also a need for some type of agriculture course offering.

I have observed many physical education classes in action, and I feel that an excellent job is being done in this department. The programs vary; participation and competition are good and the students seem to enjoy the classes. I am happy to see also such a fine Driver Education course. In my opinion and in that of other professional educators, this type of training is valuable and should be a component part of our total education picture. Statistics prove that young drivers who have had the benefit of such a course are generally good drivers.

At some future date I would like to see more done in the field of guidance in your school. Much is being done already, and the University of New Hampshire Testing Service, which you now use, is excellent, but

I would like to see a situation where some person trained in guidance could devote some time each day in personal interviews with students who have problems, educational or otherwise. Who would have for his use and the students an up-to-date and complete cumulative record folder, who would have access to and time to put out occupational information and who would be able to keep records on placement and follow-up studies of the graduates. This type of information makes it easier for us to ascertain proper curriculum offerings, both present and future, and to better enable us to meet the needs of our students.

Your High School staff appears to be doing fine work, and results of their teaching seem to prove this. The numbers of boys and girls that continue their education in one type of school or another after leaving Plymouth High School, and the few failures among them, seem to bear out what has just been said previously about your teachers. I wish there were a way we could offer more to boys and girls of a vocational nature who will not continue beyond high school, but where it is desired New Hampshire technical institutes provide a good solution, and for the present it is something to work on.

The physical condition of your school plants is very good. In the High School, however, the corridors and stairways are noisy. I believe this year we shall be able to correct this in the lower corridor and in succeeding years to do others as well as some classrooms. It is now being planned and with a minimum expenditure a music room will be completed in the basement. The furnace, which you had reconditioned last year, is working out well and the money was well spent. A new type of floor finish has been added to your gym which, in my opinion, has improved it a great deal, and now if we are able to paint the inside of the gym it should be in good condition for a number of years.

There is only one other point which I wish to mention and that has to do with the condition of the school grounds. It would seem as if there is a decided need for a retaining wall along the sidewalk between the High School and Memorial School, and a hardtop court installed which would allow drainage to go back from, rather than to, the street. Such a surface would allow for outdoor basketball courts, shuffle board, tennis or badminton to be played in these areas. This, of course, cannot be accomplished all at once but could be a project over several years. Small amounts of money spent periodically for upkeep, repair and replacement work out better and are less of a burden to the taxpayer.

My aim is to see that the boys and girls receive the ultimate in education from the tax dollar, and my endeavors will always be in that direction.

Please feel free to call on me for advice or professional information regarding your schools. I shall always cooperate in any way I can to help you improve your educational standards.

May I take this opportunity, too, of thanking the School Board, the teachers and the people of Plymouth whom I have met, and the cooperation I have received, which has made my work here so pleasant.

Respectfully submitted,

M. WAYNE BOWIE,

Superintendent of Schools

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953, requires that school district annual reports show the total amount paid to the superintendent as per the following quotation:

“REPORTS. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union.”

One-half of the supervisory union expenses is pro-rated among the several school districts of the union on the basis of adjusted valuation. One-half is pro-rated on the basis of average daily membership in the schools for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1953-1954 received a salary of \$5600 which was made up as follows: \$2500 paid from the per capita tax, \$3100 pro-rated among the several school districts. Allowance of \$750 for travel within the union was also pro-rated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 573.50	\$ 138.75
Dorchester	58.90	14.25
Plymouth	1,113.83	269.48
Rumney	437.10	105.75
Thornton	230.33	55.72
Wentworth	159.03	38.48
Woodstock	527.31	127.57
	\$ 3,100.00	\$ 750.00

Superintendent's salary for 1953-54 based on the above figures is reconciled as follows: \$3100 paid by various districts, plus \$2500 received from State per capita tax, equals \$5600 Superintendent's basic salary. This, plus \$750 travel allowance allocated as indicated above, totals \$6350 — amount received from State Treasurer for salary and travel of the Superintendent of Schools.

M. WAYNE BOWIE,
Superintendent of Schools

PRINCIPAL'S ANNUAL REPORT

To the Superintendent of Schools:

I herewith submit my third annual report as Principal of Plymouth High School.

In September, we opened our school with only two new teachers in our classrooms. This indicates a feeling of satisfaction for our faculty and also a feeling of security for me and the school board.

The town is fortunate in having such a commendable group to teach the students of this area.

In order to give every student a more balanced education, we are adding two requirements for all graduates.

At present, all students must pass four years of English, a course in Junior Business Training, and a year of American History. In the future they will be required to take one science course and one mathematics course. We plan to add a General Mathematics course for students who are not interested in Algebra or Geometry.

Let me point out that the above changes affect only the students who are not taking college curriculum.

In our college curriculum we require two years of mathematics, two years of science and two years of a language, but we **strongly recommend** three years of each to the students who are proficient in these fields.

The recent Dartmouth, New Hampshire University, and Boston University surveys show that public school students do better college work than private school students after the first year of college.

Our school has an enviable record in the number of students that continue their education.

More than 65% of the graduating class of 1954 is attending some kind of school for the year 1954-1955.

Graduates of 1954

Preparatory Schools	1
Armed Forces	6
Employed	10
Four-year Colleges	18
Unemployed	4
Nursing Schools	5
Junior Colleges	4
Trade Schools	4
Commercial Schools	3

I wish to express my appreciation to the School Board, Superintendent Bowie, teachers, pupils, and citizens for their help and cooperation during the past year.

Respectfully submitted,

GEORGE C. ZOULIAS,

Principal

PLYMOUTH ELEMENTARY SCHOOL REPORT

To the School Board, Superintendent of Schools,
Parents and Citizens of Plymouth:

The list of teachers with grade assignments and enrollments for this year and last follows:

Grade	Teacher	Enrollment	
		Jan. 1955	Jan. 1954
Kindergarten	Mrs. Ella Batchelder	31	37
1	Mrs. Hazel Bullen	51	60
	Miss Josephine Logan (Sept. 1954-Jan. 1955)		
	Miss Martha Rand (Jan.-June 1955)		
2	Miss Roberta Christie	60	63
	Mrs. Marie Salmons		
3	Miss Hilda LaDeau	59	46
	Miss Dorothy O'Neill		
4	Miss Rosemary Dickerson	45	41
	Miss Martha Rand (Sept. 1954-Jan. 1955)		
	Mr. Robert Frey (Jan.-June 1955)		
5	Miss Lulu Hoyt	41	49
	Mrs. Ellen Tapply		
6	Mr. Maurice Davis	48	52
	(Sept.-Dec. 1954)		
	Mrs. Thelma Dennis (Dec. 1954-June 1955)		
	Mrs. Mildred Pötter		
7-8	Mr. Kenneth Marrer 7	52	32
	Mrs. Mary Sanderson 8	32	38
	Miss Pauline Spitzner		
	Mr. Phil Tapply		
	Totals	419	418

Thus the enrollment seems to have become stable after having dropped slightly when the new Holder-ness Central School was opened.

The greatest change in our school offering this year is the addition of one teacher in junior high school. This has permitted the giving of general shop instruction for boys and an expanded arts and crafts program for girls. Mr. Kenneth Marrer, an experienced instructor, has set up this department in one portion of the basement of Rounds Hall. The school board has furnished several new pieces of equipment for beginning a good basic program for all 7th and 8th grade boys and girls.

Our children are able to get more individual help than would be the case in the usual public elementary school for in addition to our well-trained regular staff, teaching reasonably small classes in most grades, we have these special instructors: Miss Marion Seavey in charge of testing and remedial reading; Mrs. Sarah Leahy, who teaches sewing in junior high school; Mr. Hans Jorgensen, who has a beginning band, an intermediate band and a junior high mixed chorus; and Mrs. Ella Batchelder, who this year began remedial speech instruction. In addition the student teachers and certain other assigned upperclassmen from the Plymouth Teachers College give the regular room teacher valuable assistance daily which means more actual instruction time per child is available.

Through Open House during American Education Week, scheduled individual conferences with parents in grade one, room programs to which parents were invited, and as many other personal contacts as possible we have tried to assure everyone interested that we are happy to have you visit us and to know what is taking place in **your** schools with **your** children.

Respectfully submitted,
RAYMOND P. HARRIS,
Principal

SCHOOL CALENDAR
SUPERVISORY UNION NO. 48 FOR 1955-56

School opens Wednesday, September 7, 1955.

October 7 (one session) Supervisory Union Teachers' meeting.

October 12, Columbus Day, schools close.

October 20th and 21st, State Teachers' Convention, schools close.

November 11, Armistice Day, schools close.

November 23rd, Wednesday, (one session) schools close for Thanksgiving recess; reopen Monday, November 28th.

December 21st, Wednesday, schools close for Christmas recess (all day session).

Tuesday, January 3rd, 1956, schools reopen.

February 21st, Tuesday (all day session) schools close for Washington's birthday vacation; schools reopen Monday, February 27th.

April 20, schools close for Spring vacation; reopen Monday, April 30th.

May 30, Memorial Day, schools close.

June 15, 1956, end of school year.

This school calendar allows for 180 days actually in session plus two days for State Teachers Convention which count as school days. This makes a total of 182 days for the school year 1955-1956 and no time will need to be made up unless more than two days are lost because of storm or various other reasons.

REPORT OF SCHOOL NURSE

To the Plymouth School Board:

I herewith submit my final report as School Nurse in Plymouth.

This report includes the findings of Dr. McIver, the School Physician, and covers the period of the school year 1953-54.

The total inspections numbered 707 and symptoms of these defects were found:

Dental	146
Tonsils	55
Vision	62
Rales in Chest	2
Abdomen	2
Hearing	13
Heart	2
Posture and Flat Feet	57
Orthopedic	2

These corrections were reported at the end of the year:

Dental	298
Tonsil Operations	24
New glasses and lens changed	83

266 children had chest x-rays by the State Mobile x-ray Unit.

68 pupils of the 7th and 8th grades were skin-tested by Miss Clough, R.N., the Grafton County Tuberculosis nurse. Three had positive reactions and had chest x-rays. Eight other children had examinations and chest x-rays at the chest clinics held in Plymouth.

25 children attended eight dental clinics and had 36 extractions and 14 fillings.

37 children had immunizations at the Well Child Conferences held in the spring by Mrs. Lois Barton, R. N., State Board of Health nurse.

Two pre-school clinics were held for children entering school in September at which 36 children were examined by the School Physician.

Plymouth Lions Club and New Hampshire Sight Conservation helped with some of the vision corrections. The vision of the lower grade pupils was checked with the Massachusetts Eye Testing equipment while the Orthorater, donated by the Lions Club, was used in the upper grades.

This year the schools were exceptionally free from communicable diseases. No large epidemic occurred but these scattered cases were reported:

Chicken Pox	21
Measles	2
Mumps	18
Scarlet Fever	4

I have worked 26½ years in New Hampshire schools, 6½ years as a teacher and 20 years as School Nurse, and have always considered my work a privilege and a pleasure.

I am glad of this opportunity to thank all who have assisted in the Health Program through these years.

Respectfully submitted,

ANNA M. LOVETT, R.N.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

November 3, 1954

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Plymouth School District for the fiscal year ended June 30, 1954; and, with exceptions as herein indicated, found them to be in good order.

In our opinion the Exhibits included herewith reflect the true financial condition of the Plymouth School District as of June 30, 1954, and the results of the financial transactions of the District during the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director

Division of Municipal Accounting
State Tax Commission

C. David Sullivan, Auditor
Joseph W. Boudreau, Accountant

History And Origin Of Plymouth Youth Council And Current Annual Report

January 24, 1955

To All the Citizens of Plymouth:

It is a great privilege and honor to present to you the first annual report of the Plymouth Youth Council. In this, our first formal report I feel it fitting and proper to give you a brief report of our history and origin, purpose and functions, program and activities, operating costs, value, and our goals.

History and Origin

The Plymouth Youth Council is the outgrowth of three different youth activities in the Town of Plymouth. The first of these activities was started about 1944 by Bernard Smith. Mr. Smith met a group of boys, who were very gloomy, after returning from Beebe River, where they had suffered a very bad defeat in a game of basketball with a much younger and smaller team. Seeing the need for organized team play and the lack of adult direction or guidance, Mr. Smith started a Saturday morning program to coach boys in basketball. In the spring of 1945 Mr. Smith started a similar program in baseball. He carried these two activities on and raised money to keep them going. Much of his financial backing was derived from the Plymouth merchants and the Plymouth Fire Department. Mr. Smith carried on in this manner until 1949, when his program was combined in the activities of the Plymouth Youth Council.

The second youth project to be organized was the "Youth Canteen." Rev. Deane Hodges started this activity early in the winter of 1947. This came about when the boys and girls of the Pilgrim Fellowship group of the Plymouth Congregational Church talked with Rev. Hodges about the lack of evening recreation for youth of high school age. As a result of these talks with Rev. Hodges, the Pilgrim Fellowship and the sociology class of Plymouth High School cooperated in starting the Youth Canteen. The Canteen met each Saturday night in the vestry of the Congregational Church where reading, games, dancing, and just plain good fellowship was enjoyed. The Canteen was sponsored by the Congregational Church and was open to all high school youth of our community. It was carried on in this manner until it was combined with the Plymouth Youth Council in 1949.

The third of our youth projects in Plymouth was organized by Frederick Speed in 1948. This was a ski program and included beginners training, race technique coaching and competitive races. The ski racing took place on Sundays and was for both boys and girls and was divided into three age groups: under 12 years, 12 to 15 years, and 16 years and over. Mr. Speed financed his program with backing from the Plymouth merchants and public subscriptions and continued this operation until 1949 at which time it

was combined with the Plymouth Youth Council.

The Plymouth Youth Council or the "P.Y.C.," as it is more fondly called by the youth of Plymouth, was incorporated in the State of New Hampshire on Jan. 26, 1949, as a non-profit corporation. This organization did not just come into being by itself, but took a lot of hard ground work. Much of the pioneer work for a community youth program was done by Rev. Hodges. For most of the year 1948, Rev. Hodges talked to the Plymouth Rotary Club, the Chamber of Commerce and citizens of Plymouth to stimulate interest in a youth organization. Finally late in 1948 Rev. Hodges secured enough citizens interested in Plymouth youth to organize the Plymouth Youth Council.

To the late Hazen K. Sturtevant goes much credit for his work in making up the articles of corporation and by-laws of the Plymouth Youth Council. Mr. Sturtevant's many years experience as Grafton County's solicitor gave him vast experience in juvenile delinquency problems and he knew the worth of a good youth program to combat delinquency.

Purpose

The purpose of the Plymouth Youth Council is well defined in Article 2 of our Corporation Agreement. The Article reads as follows:

The object and purpose for which this corporation is established are: To encourage and promote education, sportsmanship, patriotism, and supervised recreational activities among all members of the community; to take by gift, devise, or grant money or other assets and to lease, rent, purchase, sell, transfer, mortgage or pledge both real and personal

property, to house and to conduct the business of this corporation and otherwise; to do all things necessary to establish and operate recreational rooms and facilities, housed or outdoor, for the use and benefit of the community; to foster interest and participation in civic affairs and to do any legal act in furtherance of the above stated purposes.

Function

The function of our Plymouth Youth Council has been to listen to the wishes expressed by our youth and to then coordinate recreational activities, with adult guidance, along the lines desired by the youth themselves.

The P. Y. C. has constantly expanded its activities till it now has programs running continuously the whole twelve months of the year. We are always on the search for more activities and explore all possibilities for youth appeal and needs in choosing additional activities. The selection of the best possible trained adults for guidance has been paramount in the functions of our Plymouth Youth Council. When special training was needed in some phase of instruction, such as swimming and life saving, the instructor was sent to school and the P.Y.C. paid the tuition and expenses during the training period.

Program

The P.Y.C. programs have been set up with the thought that to build a better community the youth should have the right and privilege of personal participation in community affairs. The preparation for good adult citizenship should start in the formative years of youth and there is no better place to start this training than in an active youth program, to which the

youth of our town may belong. In the Plymouth Youth Council programs they can get one of their first experiences in group activities outside the family circle. They may have a hand and voice in the planning and management of activities which touch their own interests and learn to share with adults the responsibility for managing their own organization. Through participation in our program the youth are given a chance to absorb lessons of human relations, democratic action and conform to rules of fair play that will stand them in good stead when they themselves become responsible citizens and take their place in our community.

Activities

The Plymouth Youth Council is now carrying on fourteen major activities, which cover the four seasons of the year and give complete continuity to a twelve month program. With the exception of sledding, skating, and the Canteen, which is social, all the other activities are subdivided into age groups and proficiency group of beginner, intermediate, and advanced. With this break down into age groups and experience groups one can readily see the comprehensive coverage of the activity and large number of youth participating in the activities. As one activity concludes another activity starts up in its place and gives our youth something to look forward to with expectation.

The P.Y.C. athletic teams have had an unusually high percentage of wins in their contests and we congratulate them. The main objective of our program is not to create winning teams, but rather to make a place for each boy and

girl in our activities. We want each youth to participate and to instill, within them, the feeling of being an important part of the activity because of belonging.

The Plymouth Youth Council activities have not been limited to just Plymouth, but have been kept open to all youth. We have had many participating from the following towns: Bridgewater, Camp-ton, Hebron, Holderness, Rumney, Thornton, Wentworth, and Warren.

The activities we are carrying on at the present time are shown divided into the four seasons of the year.

Spring

Baseball — boys
Softball — girls
Canteen — senior
Canteen — junior

Summer

Playground — arts, crafts, hobbies, special trips, sports, games
Swimming
Little League baseball

Fall

Football — boys
Fundamentals and touch
Basketball — girls
Cheerleading
Canteen — senior
Canteen — junior

Winter

Basketball — boys
Basketball — girls
Sledding
Skating
Skiing
Cheerleading
Canteen — senior
Canteen — junior

Operating Costs

The operating costs of the Plymouth Youth Council in 1954 was \$2,122.31 and our income from all sources was \$1,604.99. A complete financial report, as prepared by our

treasurer, will be found attached to this report. Statistics make very uninteresting reading and I have attempted to eliminate them as far as possible, but I believe you will be better able to understand our costs of operating the activities of the Plymouth Youth Council by the use of the following chart. In the computing of this chart I have not intended to reflect the total individual youths attending any given activity on a certain day or the total youths there at each session, but rather the average of all sessions on a given day. You will note that many activities take place at several sessions; i.e., morning, af-

ternoon, evening; on given days. The totals were derived by computing the daily average session by the total days an activity was operated and they reflect a much lower attendance than if the attendance at each session of each day had been used. For example: Boys basketball may have had 128 participating in morning and 96 in afternoon, this would be 128 plus 96, or 224. Divided by sessions 2 into 224 or 112 average for day. Then daily averages were added to make total attendance. This total was divided by 24, the number of days event took place, to give daily average attendance.

Activity	When	Time	Average		Total Attend.	Total Cost
			Weeks Duration	Daily Attendance		
Baseball (boys)	Saturday	Morning Afternoon	10	54	540	\$ 82.30
Basketball (boys)	Saturday	Morning Afternoon	24	94	2256	164.37
Basketball (girls)	Saturday	Morning Afternoon	28	35	980	30.00
Canteen (Junior)	Friday Once a month	7 to 10 p. m.	24	60	60	
Canteen (Senior)	Saturday	7 to 11 p. m.	28	60	1680	226.50
Cheerleading	Saturday	Morning Afternoon	10	12	120	21.00
Football	Saturday	Morning	6	33	198	
Little League	Daily	Afternoon Evening	8	26	1040	286.40
Playground	Daily	5 days Morning Afternoon	8	45	1800	728.53

Skating	Daily	Morning Afternoon Evening	10	Estimated 75	5250	107.61
Skiing	Saturday	Morning Afternoon	10	55	150	125.00
Sledding	Daily	Afternoon Evening	8	Estimated 35	1960	
Softball (girls)	Saturday	Morning Afternoon	8	20	160	68.60
Swimming	Tuesday & Thursday	Afternoon	8	47	752	282.00
Total 14					16,846	\$2,122.31

From our financial report you can see that our cost of operation was \$517.32 more than our gross income. We had to make up the difference by drawing from our contingency fund. The costs of maintaining certain activities will run a little higher some years because of replacing worn out equipment and uniforms and because of starting a new activity. Three of these higher costs are reflected in baseball, basketball, and Little League baseball. Baseball equipment had to be replaced and basketball uniforms had to be added. Little League baseball was added to the summer playground activities and the national rules call for completely uniformed and equipped teams to participate in the sport. The following three activities have paid personnel: skiing, senior canteen, and summer program (playground, swimming and Little League baseball). We hire a ski coach to teach beginner and intermediate skiing to boys and girls. The supervisor of the senior canteen, which is run for high school youths, is another of our paid staff. A playground director and an assistant director are hired

to supervise the playground activities, give swimming instruction and coach Little League baseball. The lack of swimming facilities in town has entailed the hiring of a bus to take the playground children to Newfound Lake, twice a week. This eight week summer program cost us \$1,296.93, which is a little more than one half of our total annual expenses.

We are operating fourteen (14) activities at the average cost of \$151.59 per activity and the cost for each participant averages 12.5 cents. The low operating costs for a program, with as large a scope as ours, has only been made possible by the generosity of the many friends of youth in our community. To the Plymouth School Board goes our thanks for the use of school and playground facilities and to the Plymouth Athletic Club for the use of the D&M Park. Our other benefactors now number in the hundreds. They have donated monies, cars for transportation, time and effort in guidance and coaching and to each and every one of them, we express our gratitude.

For some time, many of the Citizens of Plymouth have had the il-

lusion that the proceeds of the Winter Carnival went to the Plymouth Youth Council. The members of the Plymouth Youth Council have been asked time and time again, why do you have to work so hard to raise additional funds when you get the proceeds from the Winter Carnival. This erroneous belief may have arisen from either of two sources. One, the carnival advertising said the funds were being raised for the benefit of the Plymouth Youth. Two, we received \$906.55 in 1949, \$733.58 in 1950, \$582.36 in 1951 and \$365.58 in 1952 according to the records of our treasurer, from the Plymouth Chamber of Commerce as results of revenue taken in by the Winter Carnival in those years. The PYC has greatly appreciated the help the Plymouth Chamber of Commerce has given us and we have no criticism to make against them, but we are forced to bring this matter to the attention of the Citizens of Plymouth as the erroneous beliefs have had a damaging effect on our financial structure. The PYC is not in any manner attempting to criticize, but rather to clarify our financial status. We, of the Plymouth Youth Council will continue to give our wholehearted support to the Plymouth Chamber of Commerce and the Winter Carnival.

For the year of 1955 we are requesting the Citizens of Plymouth to appropriate the sum of Two Thousand Dollars (\$2,000) for the use of the Plymouth Youth Council. We humbly solicit your support and vote, for our worthy youth organization, at the Town Meeting. The PYC is providing youth activities twelve months a year for all Plymouth children from the fourth grade through high school, which

is 75% of all school children in town. Our summer playground programs provide activities for children of pre-school age through high school and provides a program for 100% of all the youth of Plymouth. By analysis of the activities chart you will readily see we are furnishing the youth of Plymouth a year round program, comparable to those of \$5,000 to \$6,000 or more. This has only been possible by conservative spending and our large staff of volunteer adults. None of the officers or directors of the PYC receive any compensation for their labors, and much credit is deserved by our treasurer, secretary, and athletic directors for their hours of toil.

The Plymouth Youth Council has carried the responsibility of youth activities since 1949, but it is not only the responsibility of the PYC but of all the citizens of Plymouth to see that adequate recreational activities are provided for the wholesome development of our youth.

Value

The value of the Plymouth Youth Council in the Town of Plymouth can not be measured by any slide rule method. Nor can the savings to the citizens, of our community, in malicious damage and loss of property, which did not occur, be evaluated in dollars and cents, but the amount could be in the thousands of dollars. There are some costs and values we can compare. It costs the citizens of New Hampshire about \$1,700 per year to keep a boy or girl in the State Industrial School. When the cost of police investigation, probation investigation, maintenance of courts, and losses to property owners are added to the above cost of keeping a

juvenile confined, one can readily see the high cost of juvenile delinquency and the value of attempting to prevent its occurrence.

In a letter to law enforcement officials, dated November 1, 1954, J. Edgar Hoover, Director of the Federal Bureau of Investigation, reported some large increases in criminal activity. Portions of Director Hoover's letter are reprinted in this report with his permission: "The growing threat of public insecurity from criminal depredations is sharply outlined by statistics in the semi-annual Uniform Crime Reports bulletin for 1954 showing that during the first six months of 1954 robbery increased 20 per cent, larceny increased 9 per cent and burglary increased 13 per cent over the same months of 1953. These increases should not be viewed as isolated, short-term fluctuations. Actually, they are sharp accelerations in a clearly defined trend toward increasing criminal activity which has been developing for several years.

"The real significance of these figures is in the fact that the crimes which they represent—robbery, larceny, and burglary—are closely related to juvenile delinquency. For example, a study made of persons arrested during the calendar year 1953 in 1,174 cities having a population of 2,500 or more shows that nearly half of all persons arrested for burglary were not yet 18 years of age, over one-third of all arrests for larceny were made among children 16 years of age and under, and persons under 21 represented slightly more than half of all arrests for crimes against property. More arrests on robbery charges were made of persons 18 years of age than for any other age. These fig-

ures are convincing evidence that a sharp increase in robbery, burglary and larceny signifies a growing problem in juvenile crime and delinquency generally."

These alarming actual facts of our national juvenile problem do not apply directly to New Hampshire or Plymouth and are not shown to be misleading, but rather to give you an overall picture of juvenile delinquency. These facts do show us juvenile problems which exist in our state. Superintendent East of the New Hampshire State Industrial School furnished me the figures for the year 1954 and the totals over the past four years, 1951 through 1954, and they show sharp increases as follows: Population at school: increase in 1954 over 1953 30%; increase in four years (1951-54) 54%. Committed to school: increase in 1954 over 1953 76%; increase in four years (1951-54) 130%. Held for disposition: increase in 1954 over 1953 38%; increase in four years (1951-1954) 150%.

We have now seen the juvenile delinquency problem on a national and state level, now let's take a look at Plymouth. Our community has enjoyed a very low record. From the Plymouth Juvenile Court we find that juveniles sent to the Industrial School in 1954 were 0 and juveniles sent for the last three years (1952-54) was 1 (a non-Plymouth child). The foregoing facts point unwaveringly to the conclusion that the solution to the problem of juvenile delinquency lies in intelligent, coordinated community action—action which demands full cooperation of the home, church, school, law enforcement, and youth organizations. There may come years when our local record will climb and each of

us will have to work all the harder to combat the problem.

During the past year the newspapers, magazines, radio and T.V. have carried hundreds of comments on the juvenile problems. There have been as many theories, as there were authors, on its causes and results, but the one thing they all seemed to agree on was the fact that there was more need for planned supervised youth recreation programs. This is where the Plymouth Youth Council has an opportunity to take its place as a vital part of our community life. We all know that a boy or girl is not basically bad and they only seem to get into trouble for the lack of something else to do or because they crave some excitement in a seemingly dull existence. It is the idle hours that seem to breed this unrest and the PYC has provided activities to keep the youth preoccupied during this period. We are providing wholesome recreation to all the youth in Plymouth for sociability and fellowship, relaxation, self-expression and growth, physical and mental health, and general well-being. Now what is the value of the Plymouth Youth Council's program to the Town of Plymouth? \$1,000? \$2,000? \$5,000? You, the parents of children who have participated, or are now participating in the PYC activities can pick your own figure or value. To all of us in Plymouth, intelligent thinking shows to invest in our youth now means the building of a sound structure for our community's future.

Goal

The goals of the Plymouth Youth Council have been twofold. One, to build sound, intelligent, wholesome recreational programs to meet the needs of our youth. The emphasis has been to

create youth appeal activities to develop active participation. Two, to maintain a youth center with full time director. Early in our career we were forced to make the decision of whether to have curtailed activities and build towards the youth center or to postpone the youth center and expand activities. With the youth's needs in mind we chose to forego the youth center temporarily, and to expand our activities into many and varied fields to meet the needs and requests of our youth.

Meetings

The Plymouth Youth Council's membership is made up of representatives from practically every organization in town. Anyone interested in youth is welcome to become a member of the PYC. New faces, minds, and thoughts are needed at our meetings to make them a success. It is only by your coming to our meetings that we get the opportunity to get your suggestions and comments. Our regular meetings are held at the Plymouth High School at 8:15 p. m. on the second Monday of the following months: January, March, May, July, September, and November. Everyone is welcome, won't you come and join us!

The trials of gathering and compiling information for a volunteer organization are many. If there are any errors or omissions in this report it is without design or intention.

Respectfully yours,
ROBERT W. DEARBORN,
President
Plymouth Youth Council, Inc.
