STATE OF NEW HAMPSHIRE,  
ROCKINGHAM, SS.

EXETER, N. H., May 20, 1890.

The members of the Rockingham County Legislative Convention are hereby notified to meet at the Town Hall in Exeter, on Monday, June 16th, 1890, at 12 o'clock M., to see if said convention will reconsider so much of the resolution passed by said convention at a meeting held in Portsmouth on the 5th day of August, 1889, as empowers the committee then chosen to locate the new county building to be erected in Exeter for the county records, and take such action as may be necessary regarding the location of said building.

GEORGE W. SANBORN,  
JOHN F. MAGRAW,  
WALTER J. DUDLEY,

Commissioners of Rockingham County.

Pursuant to the above notice the members of the Rockingham County Legislative Convention met in Exeter, at the Town Hall, on Jan. 16th, 1890, at twelve o'clock, M., and were called to order by the chairman of the Convention, Mr. George E. Hodgdon of Portsmouth, who read the above call for the convention, and in the absence of the clerk, Mr. Ilsley of Exeter was chosen to act as clerk pro tem, but declined to serve, where-upon Mr. Lane of Hampton was elected to act in that position.

The roll of members being called it was found that thirty-eight were present out of a total number of forty-eight.

Mr. Marston of Exeter moved that liberty be given any person to make any statement in regard to the business of the convention, viz: the location of the new county buildings at Exeter, which permission was given by the chairman, no vote being taken.

The chairman read a statement of the proceedings of the Convention in regard to the erection of the new county buildings up to the present time.

The following resolution was then offered by Mr. Marston of Exeter :

Resolved, That the matter of the selection of a lot for the new county building in Exeter, and the price to be paid therefor, be left to the county commissioners, and that the said commissioners be and are hereby authorized and empowered to sell the present county lot in Exeter, upon the best possible terms, either at public auction or private sale, provided in their judgment it is expedient to do so ; and that so much of the vote of this convention passed at a meeting holden at Portsmouth, on the 5th day of August, 1889, as is inconsistent with the present vote be, and hereby is rescinded.

Debate on the resolution ensued.

Mr. Marston of Exeter moved that an adjournment be taken until 1.45 o'clock, which motion was rejected.

Mr. Marston of Exeter offered an amendment to his resolution by inserting the following words : "And provided that said new lot shall not cost the county more than fifteen hundred dollars in addition to what can be obtained for the old lot," and to strike out the words "or private sale," so as to make the resolution, as amended, read as follows :

Resolved, That the matter of the selection of a lot for the new county building at Exeter and the price to be paid therefor be left to the county commissioners, and that said commissioners be and hereby are authorized and empowered to sell the present county lot in Exeter upon the best possible terms at public auction, provided that in their judgment it is expedient so to do ; and also provided that said new lot shall not cost the county more than fifteen hundred dollars in addition to what can be obtained for the old lot ; and that so much of the vote of this convention passed at a meeting holden at Portsmouth on the 5th day of August, 1889, as is inconsistent with the present vote be, and hereby is rescinded.

The above amendments were then adopted.

Upon the adoption of the resolution, as amended, the question was put by the chairman and declared lost, but Mr. Marston of Exeter called for a division, which resulted in eighteen voting in favor and sixteen against. Mr. Oliver G. Woodbury of Salem called for the yeas and nays, and the clerk proceeded to call the roll with the following result : twenty-two

gentlemen voted in the affirmative, viz: Greenough, Rowe, Darbe, Wheeler, Pike, Marston, Fellows, Martin, Lane, Healey, Austin, Brewer, Robie, Rowell, Lamprey, Holmes, Cronin, Russell, Rand, Hoyt, Eaton of South Hampton, Neal.

Sixteen gentlemen voted in the negative, viz: Eaton of Auburn, Turner, Hill, Cilley, Learnard, Ilsley, Packer, Pickering, Stoddard, Treadwell, Casey, Hodgdon, Conlon, Brown, Oliver G. Woodbury of Salem, Scammon.

And the resolution as amended, was passed and was so declared by the chairman.

Upon motion of Mr. Marston of Exeter the convention adjourned sine die.

	\$76,620.14

The affairs at the County Farm and House of Correction have been under the management of Mr. and Mrs. Charles C. Tucker, (whose services are engaged for the coming year), to the satisfaction of the commissioners. We are confident both superintendent and matron have endeavored to accomplish the end for which the institution was established—to furnish everything comfortable for the inmates, kindly caring for the sick and to perform all the duty to which the unfortunate poor are entitled, but in no way to encourage indolence and pauperism and fill the institution with those too mean to care for themselves.

The question of giving relief to those having no town settlement is a very important one, and good judgment should be used to ascertain whether those asking charity are deserving,

for there is a class of people who solicit public charity and at the same time make no effort to help themselves.

There is an opinion manifest among the citizens and overseers of the poor, that those asking assistance can be supported in their own towns for the same price per week as at the almshouse, that it would be just as well for the county to do so, but our experience is that whenever such poor people become sick, their friends, as a general rule, soon realize it is not their duty to wear themselves out caring for them without ample compensation, sometimes amounting to ten or twelve dollars per week, whereas, were they at the farm the cost of their support would be no more than for any inmate, and at the same time they would receive better nursing, doctoring and accommodations every way, than before coming there to live.

The school, under the care of Miss Grace Tucker, has shown a marked improvement; the number of scholars has been less than usual, as we have been able to obtain good places for several of the children.

Drs. Mitchell and Spaulding have attended the sick and insane; the health of the inmates has been better, and the death rate not as large as for the preceding year.

Chaplain Jones has been unwearied in his exertions to present the truth in its simplest form and impressive manner. We hope much good may result.

There has been an ice house built, and a large refrigerator constructed in the basement of the almshouse, also the coal sheds at the farm have been repaired, from funds appropriated for general repairs; the remainder of the appropriation will be expended in painting the buildings the coming season.

We fail to see any advantage in the recent alteration of the coroner law of the State, whereby these officers can now hold inquests at their own option, whereas formerly it was left with the town or county authorities to order such when advisable. The new law tends to create costs, rather than deter crime or promote the public safety, so far as we have observed, and we

recommend a recurrence to the old plan.

The new court house and jail are in process of erection at Portsmouth; plans and specifications have been accepted for the county record building at Exeter, and bids advertised for building the same.

Acknowledgements are due all who have contributed books, papers, etc., for the inmates of the county farm.

We would once more extend the invitation to citizens of the county to visit, inspect and advise whenever and wherever they see cause.

GEORGE W. SANBORN,  
JOHN F. MAGRAW,  
WALTER J. DUDLEY.,  
Commissioners of Rockingham County.

## AUDITORS' REPORT.

EXETER, N. H., May 16, 1891.

We, the Auditors of the County of Rockingham, have carefully examined the accounts of the County Commissioners, for said County, and find them correctly cast and with proper vouchers for all expenditures. From the best evidence by us obtained, we are satisfied that the articles procured by the Commissioners for the use of the County have been purchased at a fair market value and have not been diverted from their legitimate use.

# PHYSICIANS' REPORT.

---

*To the Commissioners of Rockingham County.*

GENTLEMEN: In compliance with custom and duty, we would submit the twenty-first annual report of the medical department of the institution of charity and correction and insane asylum at Brentwood.

The general health of the inmates has been good. There has, however, been the usual amount of sickness peculiar to the aged, infirm and crippled.

The visitation of the epidemic Influenza has for the most part been mild, due in a measure, without doubt, to the good sanitary condition and regular fumigation practiced there.

There have been no cases of illness of a nature to indicate a violation of hygienic rules.

The changes for the better during the last few years have been such that about the last and only remaining objectionable feature is the old or lower asylum, which we are happy to say is to be replaced directly by a new building, better suited to present needs and ideas, we trust.

What success has followed our ministrations, has, as in previous years, been due in great part to the able and faithful manner in which our worthy superintendent Mr. Tucker and his estimable wife have assisted our efforts. We can but feel that they and all those in other positions of trust connected with the institution have not spared themselves, but first of all striven to prolong the days and relieve the distress of the unfortunate classes committed to their care.

To them all we are profoundly grateful.

There have been eleven deaths, the smallest number recorded in any previous year.

Josiah Mercier, admitted from Kingston May 1st, 1890, died July 10th, 1890, of consumption, aged 84 years.

Frank E. Quimby, admitted from Plaistow, Sept. 26, 1889; had fits, fell into the little pond and was drowned July 11, 1890, aged 23 years.

George P. Burleigh, admitted July 18, 1890, from North Hampton, died of typhoid fever, July 26th, aged 41 years.

Silas C. Everett, died Sept. 10, 1890, of dry gangrene, aged 75 years, admitted from Derry.

Mary Fife, of feeble mind, admitted from Deerfield, died Oct. 6th, 1890, of typhoid dysentery, aged 49 years.

Walter Whittier, born on the farm Aug. 1st, 1890, died Oct. 7th of marasmus, aged 2 mos. and 7 days.

Jerry Worthen, died of general debility Oct. 11, 1890, aged 54 years, admitted from Fremont on March 31st, 1890.

Mary Hunt, admitted from Portsmouth Oct. 14th, 1890, died Oct. 20, 1890, of general exhaustion, aged 55 years.

John Lamprey, insane, died Feb. 15, 1891, of gangrene, aged 71 years, admitted from Portsmouth Aug. 29th, 1890.

Albie Pierce, insane, admitted from Raymond June 10, 1890, died of general debility Feb. 17, 1891, aged 74 years.

Lizzie Janvrin, of feeble mind, admitted from Portsmouth May 3d, 1887, died March 13th, 1891, of scrofula, aged 43 years.

Mary J. Hall, died April 18th, 1891, of general debility, aged about 65, admitted from Nottingham, Oct. 14th, 1869.

Of this number, three were ill with their last sickness and passed but a short time in the institution.

There have been two births during the year:

Walter Whittier, born Aug. 1st, 1890, to Mary E. Whittier, from Danville.

Annie F. Allen, born Dec. 3d, 1890, to Mary Allen, from Portsmouth.

A. W. MITCHELL, M. D.

## CHAPLAIN'S REPORT.

---

*To the Honorable Board of Commissioners for Rockingham County.*

GENTLEMEN:—I herewith present my fifth annual report. The year just closed has not been marked by anything unusual, either in the nature of the Chaplain's work, or its results.

The preaching services have been regularly observed, and all things considered, have been well attended, clearly showing there is no lack of interest on the part of the inmates in this provision for their good. We still continue our work of cheer and comfort among the sick and unfortunate, and are often cheered ourselves in return by their expressions of gratitude and appreciation. Nor are those who die, and receive burial in the Farm cemetery, overlooked, but a funeral service is held in the case of each one of this class.

The Sunday school has held its sessions regularly during the year, at 4 o'clock p. m. of each Sabbath, and all have been privileged with attending its exercises.

The music, both vocal and instrumental, is still under the direction of Miss Grace Tucker (Superintendent's daughter), who cheerfully and kindly gives her services, to aid in this part of divine worship. Friends and visitors are with us quite often during chapel exercises.

We have endeavored also during the year to procure good reading matter for distribution among the inmates. In this we have been quite successful, furnishing what we could from our own stock, and adding thereto the contributions of gener-

ous friends. Everything of this kind is eagerly appropriated, and apparently highly appreciated.

On the whole, we think some good is being done. It cannot be that all the efforts put forth for the moral and spiritual elevation of these people are utterly lost. It is not in human nature, however perverse, to resist all good influences and divinely appointed instrumentalities. For God himself has declared that His word shall not return to Him void, but that it shall prosper, and prevail.

In closing, I would again mention with pleasure and gratitude the continued courtesy and kindness of Mr. and Mrs. Tucker. Thanks are due also to others connected with the institution for favors received.

Respectfully submitted,

W. H. JONES, Chaplain.

# SHERIFF'S REPORT.

---

*To the Board of County Commissioners.*

GENTLEMEN : — I have the honor to respectfully submit my Fourth Annual Report in connection with matters relating to my office as Sheriff up to date.

There have been committed at Portsmouth Jail for the year ending May 1, 1891, eighty-six prisoners for offences as follows :

Breaking glass	1
Defrauding	2
Debt	2
Burglary	1
Bonds to keep peace	1
Stealing team	1
Bigamy	1
Assault with attempt to kill	1
Selling liquor	11
Assault simple	16
Disorderly house	6
Assault on officer	4
Breaking and entering	10
Larceny	14
Drunkenness	11
Murder	4
	—
Total	86
Highest number at one time	32
Lowest number at one time	12
Females	6
Males	80
Foreign born	34

Native born	52
Average	22
At present in jail	14
Committed to State Prison	6
Committed to Asylum	1
Committed to Reform School	2

The committals for drunkenness have been very much less the past year, as that class have mostly been sent to Brentwood; but for murder and high crimes this jail has been constantly stocked.

We have fortunately been successful in speedy arrests thereby rendering the costs much lighter.

On account of sickness we have been unable to have religious services since December last; and are under great obligations to the Young Men's Christian Association, John Sise, Ezra A. Winchester, Mark Wentworth, Col. William H. Sise, Misses Tuckerman, George W. Lord, and many others for their kindness in contributing reading matter for the prisoners.

For the sanitary condition of the jail I refer to the physician's report; also report of jailer at Exeter.

PORTSMOUTH, April 30, 1891.

The amount of sickness at the jail during the past year has been considerable, yet the diseases have been of a mild, non-contagious nature and no deaths have occurred.

While the bad sanitary condition of the jail becomes each year more apparent, the cells and other portions of the building were invariably found in good condition.

The prisoners give evidence of having received proper care and attention and the general management reflects credit upon the officials in charge.

JOHN J. BERRY, M. D.

EDWARD D. COFFIN, Shdriff.

I would respectfully report as Deputy Jailer at Exeter that there have been confined in this jail during the year ending April 30, 1891, fifty-four persons charged with offences as follows:

Breaking and entering	2
Brawl and tumult	2

Lowest number at any one time	3
Average	10

ALBERT J. SANBORN, Deputy Jailer.

The above reports I respectfully submit.

EDWARD D. COFFIN, Sheriff.
