New Durham, New Hampshire ANNUAL REPORT

For the Year Ended December 31, 2011

NEW DURHAM'S 2012 TOWN ELECTION & MEETING

Town Election

When: Tuesday, March 13, 2012

Time: 8:00 A.M. to 7:00 P.M.

Place: New Durham Elementary School Gymnasium

The town shall hold an election annually for the election of town officers on the second Tuesday in March. If you have not registered to vote, you may do so on the Election Day. You will be asked to show proof of ID, age, citizenship and domicile. After the polls close at 7:00 PM, the ballots will be counted and the results announced.

Town Meeting

When: Wednesday, March 14, 2012

Time: 7:00 P.M.

Place: New Durham Elementary School Gymnasium

The remaining articles will be presented, discussed and voted upon. By law, any bond articles must be presented after the election of officers and all votes on zoning matters.

January 24, 2012, is the day prior to the first day of the filing period for candidates for the town offices. The Supervisor of the Checklist will hold a session for the correction of the checklist from 7:00P.M. -7:30 P.M. RSA 669:5

January 25-February 3, 2012, is the filing period for town offices. Any candidate filling on last day must file in person. RSA 669:20

February 7, 2012, is the last day for 25 or more voters or 2% of the voters (whichever is less) to petition the selectman to include a warrant article. The town clerk must be available to receive petitions at least between 3 PM -5 PM. RSA 39:3

February 28, 2012, is the last day the selectman shall post the warrant. The selectmen shall include as part of the warrant; the place, day and hour of the election. The warrant must clearly specify which items shall be voted on by ballot at the town election and which items shall be considered at the town business meeting. RSA 669:2

March 3, 2012, the Supervisors of the Checklist shall hold a session for the correction of the checklist. This is the last day the town clerk or the supervisors can accept voter registration applications. No additions or corrections shall be made to the checklist after this session, until Election Day. RSA 654:8

March 6, 2012, the selectmen shall cause their report and those of other town officers required by law to be available to the voters at least 7 days prior to the date of the annual meeting. RSA 41:14

March 12, 2012, the town clerk must be available to accept absentee ballots filed in person at least between 3 PM -5 PM. RSA 652:20, 669:29, 657:7

March 13, 2012, Town Elections and March 14, 2012 Town Meeting

March 16, 2012, is the last day for any person for whom a vote was cast to request a recount of votes cast at Town Election. RSA 669:30 652:20

March 20, 2012, is the last day for 10 voters of a town to petition the clerk to recount ballots on any question printed on the official ballot. The town clerk must be available at least between 3 PM -5 PM. RSA 40:4-c

STATE OF NEW HAMPSHIRE'S 2012 ELECTIONS

State Primary Election Day

When: Tuesday, September 14, 2012

Time: 8:00 A. M. – 7 P.M.

Place: New Durham Elementary School Gymnasium

June 5, 2012 is the last day to change party affiliation before the State Primary.

Presidential & State General Election Day

When: Tuesday, November 2, 2012

Time: 8:00 A. M. – 7 P.M.

Place: New Durham Elementary School Gymnasium

NEW DURHAM'S 250TH ANNIVERSARY COMMEMORATION

1762 - 2012

The New Durham Park & Recreation Department, in conjunction with the Town of New Durham, invites you to join in celebrating our 250th Anniversary (Semiquincentennial) of New Durham on the 27th, 28th & 29th of July 2012.

The celebration will be one that is for the whole community and therefore shaped by the community.

The planning for all the activities is still in the early stages. If you have a suggestion for an activity or would like to volunteer, please contact the New Durham Park & Recreation Department at 859-5666.

Theme: PAST, PRESENT and FUTURE

Check out the tentative activities:

Friday, July 27th

Movie at the Library- entertaining and light-hearted look at New Durham from the very beginning to the present day, featuring local residents.
Spaghetti Dinner

Saturday, July 28th

Road Race
Antique Car Show
Cow Patty Bingo
Tractor Races

Recreation Director Kellie Chase is planning an anniversary parade that will include bands, organizations, historical characters/floats, and local celebrities who will be invited "home" to participate in their hometown's anniversary. Veterans/military personnel, civic associations, businesses and schools will be encouraged to march with their neighbors, who can display their own banners.

Library: Movie will play all day
Concert
Fireworks

Sunday, July 29th

Pancake Breakfast, Sponsored by the Cub Scouts

Granted by the Masonian Proprietors in 1749 as Coheco Township, New Durham was settled in 1750 almost entirely by colonists from Durham. It was incorporated as New Durham on December 7, 1762.

ABOUT NEW DURHAM

Incorporated: 1762

Origin:

First known as “Cochecho Township”, a group of settlers from Durham petitioned the Masonian Proprietors in May of 1749 for a 45 square mile grant of land north of Rochester. In the spring of 1750, the land was surveyed and a plan (map) of numbered lots was drawn up and lots auctioned off. The terms of the settlement were:

“There should be forty families settled within five years after peace was proclaimed between the English, French and Indians. Each lot owner was to build a house at least 16 square feet and each family should have three acres cleared within six years and a sawmill within five. “

It is not known exactly how many people came in the years between 1750 and 1762. The residents put in a request to the Royal Governor, Benning Wentworth, for recognition in the form of a charter, which would authorize them to have a town government of their own. King Charles III granted the charter and the town was officially born in this wild, wooded land. New Durham is very fortunate to still hold its original Town Charter, only one of a very few known to still exist in the state.

And such was the beginning of “New Durham ...”

Taken from excerpts “*New Durham Historical Material*” by Eloise Bickford and “*Origin of the Name*”

Royal Governor Benning Wentworth

DEDICATION

Lawrence Corson, “Larry” was born March 5th, 1933. He lived in New Durham for over 70 years, until recently moving to Alton.

When Larry was a child, his father wound the clock at Town Hall. Larry would always ask to go with him. In 1941, when he was 8 years old, he took over the winding of the clock for his dad, because his dad had grown to be a rather large man and could no longer fit through the hole to the clock tower. When Larry took over winding the clock, his dad would pay him for his help, and Larry has been winding the clock ever since.

Larry climbing the ladder to the clock tower

Larry seated next to the Town Hall Clock

For the past 71 years, Larry has wound the clock every single Sunday, even when he was sick. It usually takes Larry about half an hour to wind the clock.

*Larry Corson standing next to the Town Hall bell
Photographs of Larry Corson taken by Alison Webb*

Once on his way up to the clock tower, Larry startled some pigeons that had nested there and they came after him. Since that time, the Town put chicken wire up to keep the pigeons out. He remembers as a child his father telling him how neighborhood kids would sneak into the Town Hall and climb up into the bell tower to ring the bell. This would usually happen on the fourth of July and on Halloween. Larry’s father soon caught onto the prank and would hide the ladder behind the settees on holidays to keep the kids away from the bell. There was also a time when someone got up into the bell tower, and broke the handle that winds the clock. Larry’s father started hiding the crank, and Larry continues to hide it to this day.

The bell that is up in the tower right now was made in Boston and came from the old gunpowder mill, which was located where the Fish Hatchery is now.

You can always find Larry in the Town Hall parking lot, checking his clock to make sure that the time is right. Larry has served this town for many years and we proudly dedicate the 2011 Town Report to him.

Incorporated: 1762

Origin: Granted in 1749 as Coheco, New Durham was first settled almost entirely by colonists from Durham, New Hampshire. Colonel Thomas Tash, who had fought in England's Seven Years War against France and was granted land in reward for his service, was appointed proprietor's clerk and called the first town meeting. The town was incorporated as New Durham in 1762. An early minister in the town, Reverend Benjamin Randall, founded a new religious denomination called the "Free-Will Baptists," later known as Free Baptists.

Villages and Place Names: Copplecrown Village District

Population, Year of the First Census Taken: 554 residents in 1790

Population Trends: Population change for New Durham totaled 1,773 over 50 years, from 463 in 1950, to 2,236 in 2000. The largest decennial percent change was a 103 percent increase between 1970 and 1980, followed by a 65 percent increase between 1980 and 1990. The 2010 Census for New Durham was 2,638 residents.

Population Density and Land Area, 2009 (NH Office of Energy & Planning): 62.5 persons per square mile of land area. New Durham contains 41.4 square miles of land area and 2.4 square miles of inland water area.

2011 BOSTON POST CANE PRESENTATION

Photograph taken by Cathy Orłowicz

The town's Boston Post Cane was presented by Selectman Theresa Jarvis (shown sitting between Mr. and Mrs. Rogers) to New Durham's oldest resident, 96 year-old Everett G. Rogers (pictured here holding the cane) during the New Durham Fire Company's annual Senior Holiday Dinner. This is the third year in a row that Mr. Rogers has received the award. Mr. Rogers has been married to his wife, Margaret (seated to the left of Mr. Rogers) for 55 years and has lived in New Durham for 59 years.

2011 CITIZEN OF THE YEAR

Dot (Martin) Veisel said Bill Grigg was speechless when told he'd be named the town's 2011 Citizen of the Year.

"There was complete silence on the phone for 20 seconds," Veisel recalled.

"But why?" he finally responded, and Veisel, a past recipient of the award, had no trouble telling him at the New Durham town meeting Wednesday night.

Grigg was the deputy health officer for the town and served as the health officer for many years, helping struggling families.

Grigg, a resident of New Durham for more than 30 years, not only has volunteered as an EMT and firefighter, being named

Photograph by John Huff, with permission of *Foster's Daily Democrat*

firefighter of the year, but was also a member of the police commission, contributed funding to athletics in town and "worked hard to acquire the town beach, library and current location for the food pantry," Veisel said.

He went above and beyond his paid position," Veisel said. "He advocated for stressed families in town, was seen delivering food to the food pantry and served as a voice for those who don't have a voice."

Veisel described Grigg as a man who always served in the background, but would disappear before he could receive a "thanks." She even joked that "it took him considerable coaxing to get him on stage tonight."

"Many in town felt it was time to say, 'Thanks, Bill,' Veisel said as she handed him the award.

"I'm still speechless,"

Grigg

NEW DURHAM FIREFIGHTER SERVICE AWARD

On September 26th, Dave Stuart was honored by his peers at the New Durham Fire Station Community Room for his thirty years of service as a firefighter for the Town of New Durham.

Back in high school, Stuart was looking for something to do with his life. He got his introduction to firefighting through his father.

KG Lockwood, the Deputy Chief remarked that "Dave is a very dedicated individual. He is extremely community orientated. We are honored to have him as a member, and it is something that we are very proud of."

Text by Tim Croes, with permission of The Baysider

Photograph by John Huff, permission of Foster's Daily Democrat

NEW DURHAM PARKS & RECREATION VOLUNTEERS AWARD

Background workers remained the theme as Kristyn Bernier, chairman of the Parks and Recreation commission, handed out three Volunteer of the Year awards at the 2011 Town Meeting. "Parks and Recreation cannot function without volunteers," she said. Despite the difficulty in choosing three recipients, Bernier said the commission was able to find three who "do a lot for us but don't get the fanfare."

Photograph by John Huff, permission of Foster's Daily Democrat

James Nyman, who coaches several athletic teams and is a Boy Scouts leader, was named the first recipient.

"When we need hands to do things he's always there," Bernier said.

The second two showed volunteering can be a family affair.

Text by Aimee Lockhardt, with permission of Foster's Daily Democrat

Rob Joy, Bernier said, is always there to help out and volunteer when the Recreation Department needs help.

Joy's son, Trevor, a junior at Kingswood High School, helped line fields every week for soccer and put up nets, Bernier said.

"He represents the many kids we have in the community that are kind, generous, willing and fun," she said. "He's an example of a role model for others."

BOARD OF SELECTMEN'S ANNUAL REPORT

"If you don't like the weather, wait five minutes and it will change" is a saying that many believe Mark Twain invented. Even though there is no record that Mr. Twain actually uttered this phrase it seemed to be very appropriate for New Durham in 2011.

January started off with a bang dropping 18+/- inches of snow. Spring brought rain that never seemed to end. June 1st brought a tornado to neighboring Massachusetts. July brought high temperatures which were followed in August by an earthquake that was felt at Town Hall.

Shortly after that New Durham was notified that Hurricane Irene was headed our way. In preparation for her arrival the Town's Department Heads and their staff took proactive measures ranging from ensuring all chain saws were fueled up to purchasing additional supplies in case basements needed pumping to revisiting work schedules. New Durham's Emergency Operations Center opened Sunday morning and remained open for several days after the storm passed. The Department Heads, Selectmen and the Town Administrator were present in the EOC at various times for updates of damages in New Durham and statewide. New Durham has a long history of people working together. Both town staff and citizens worked together as a team to ensure that critical services were provided, that those in need were assisted and that New Durham returned to normal as soon as possible.

Early October brought days of weather warmer than usual. For some, these temperatures stirred hopes of a short, mild winter. This was not to be with the arrival of what some are calling "the Halloween Snowstorm of 2011". Once again our roads were covered with varying amounts of snow from 5 inches to 18+ inches. As the Board of Selectmen worked on the 2012 budget we hoped that this storm was not an indicator of what the winter of the 2011 – 2012 would be!

However the weather was not the only concern of the BOS. During 2011 many projects were started that will have a long term impact on the town. A management plan for the Shirley Forest has been completed and selected harvesting is scheduled for 2012. The Personnel Manual has been undergoing a complete review and is being revised, as needed, to bring the town into compliance with changes in state and federal laws. Along with the Personnel Manual review the BOS established a written hiring policy that will apply to all town positions and is working on a promotional policy. The Town's Metrocast franchise is up for renewal in 2013. A multi town consortium is working on renewal requirements with Town Administrator Alison Webb as our representative.

The Historical Assessment of Town Hall, which was approved at the 2011 Town Meeting started in August. The costs of some of the recommended repairs are reflected in the 2012 budget. The Town Hall is not the only building that the Board is thinking about. We continue to think about the long term needs of town government such as an addition to the highway building or a satellite fire station in the Kings Highway area of town. Through the Capitol Reserve Fund program monies are being put away so that when it is time for these projects to be completed we will not have to borrow 100% of the necessary funds.

There are many ways that you can serve your community. Complete the New Durham Town Talent Bank Application found in this annual report or on the Town's web site <http://www.newdurhamnh.us/Pages/index> and return it to the Town Administrator at ndadmin@metrocast.net.

Respectfully Submitted,
Terry Jarvis, Chair

David Bickford, Vice Chair

Jeff Kratovil

NEW DURHAM'S TOWN MEETING MINUTES

MARCH 8 & 9 2011

The New Durham Town Election-Meeting was held on Tuesday, March 8, 2011 in the New Durham School Gymnasium, located at 7 Old Bay Road, New Durham, N.H. Moderator Cecile Chase called the Town Election to order at 8:00 AM and declared that the polls would remain open until 7:00 PM. Moderator Chase publicly inspected the town and school district's ballot boxes and then locked the two boxes for voting. The voting by official ballot included only Article 1 (the election of town officers) and Article 2, (the three Planning Board amendments).

As per RSA 659:49, absentee ballots were processed after 1:00 PM. The Supervisors of the Checklist certified that there were one thousand nine hundred and eighty (1980) registered voters on the checklist when the polls opened. One new voter registered at the polls with the Supervisor of the Checklist. At 7:00 PM the Moderator declared that the Town Meeting would be recessed until 7:00 PM on Wednesday, March 9, 2011. At 8:20 PM Moderator Chase reported the preliminary results. A total of two hundred sixty six (266) ballots were cast, of which sixteen (16) were absentee ballots.

ARTICLE 1: To choose all necessary town officers for the ensuing year:

Official Ballot

Selectman (3 Years)

Kratovil, Jeffrey (write-in)	107	McHale, Mary (write-in)	7
Alden, Frank (write-in)	1	Murray, Brian (write-in)	1
Behr, Marc, (write-in)	3	Neister, Ed (write-in)	1
Behr, Rebecca (write-in)	1	Orlowicz, Cathy (write-in)	3
Booth, Fred (write-in)	1	McGrew, Lou (write-in)	1
Chamberlin, John (write-in)	1	Porter, Chester (write-in)	35
Drake, Jonathon (write-in)	1	Rhoades, Peter (write-in)	6
Gehl, Ron (write-in)	3	Shields, Ken (write-in)	1
Krovoti, Scott (write-in)	1	Swett, Tom (write-in)	1
Kroepel, Bob (write-in)	1	Veisel, Dot Martins (write-in)	4
March, Frederic (write-in)	3	Woods, Carleton (write-in)	1

Library (3 Years)

Rhoades, Nancy	201		
Quimby, Fred	209		
Bernier, Shawn (write-in)	1	Mitchell, Deanna (write-in)	1

Crowe, Max (write-in)	1	Woods, Katie (write-in)	1

Planning Board (3 Years)

Raslavicus, Paul	191		
Craycraft, Robert	176	McHale, Mary (write-in)	1
Berry, Dennis (write-in)	1	Mickey Mouse (write-in)	1
Berry, Lon (write-in)	1	Neister, Ed (write-in)	1
Bickford, David (write-in)	1	Orlowicz, Cathy (write-in)	2
Gale, George (write-in)	2	Rhoades, Peter (write-in)	1
Hunter, Barbara (write-in)	2	Shagoury, David (write-in)	1
Kratovil, Jeffrey (write-in)	2	Swett, Tom (write-in)	1
MacKenzie, Stephanie (write-in)	1	Woods, Carleton (write-in)	1
March, Frederic (write-in)	1	Woods, Katie (write-in)	2

Cemetery Trustee (3 Years)

Martin, Denis (write-in)	5		
Alden, Iris (write-in)	1	Lamontagne, Jason (write-in)	1
Bernier, Shawn (write-in)	1	Levigne, Roger (write-in)	1
Bickford, David (write-in)	2	Lilljedahl, Lee (write-in)	1
Brady, Frank (write-in)	1	Mason, Tom (write-in)	2
Clarke, Mike (write-in)	2	McGrew, Lou (write-in)	1
Comeau, Randy (write-in)	1	Monroe, David (write-in)	2
Gavel, Priscilla (write-in)	1	Murray, Kimberly (write-in)	1
Gelinas, Grace (write-in)	1	Orlowicz, Cathy (write-in)	3
Goss, Tom (write-in)	1	Porter, Chester (write-in)	2
Haley, Monica (write-in)	1	Smith, Leon (write-in)	4
Holmes, Gail (write-in)	1	Woods, Carleton (write-in)	3
Kratovil, Jeffrey (write-in)	1	Woods, Katie (write-in)	1

Trustee of the Trust Funds (3 Years)

McHale, Mary	6		
Behr, Rebecca (write-in)	1	Levigne, Roger (write-in)	1
Bernier, Kristen (write-in)	1	Martin, Denise (write-in)	1
Berry, Lon (write-in)	1	Munroe, David (write-in)	1
Bickford, Ezra (write-in)	1	Parker, Lois (write-in)	1
Chase, Cecile (write-in)	2	Quigley, Ken (write-in)	1
Clarke, Mike (write-in)	1	Quimby, Cynthia (write-in)	1
Gale, George (write-in)	1	Rhoades, Peter (write-in)	1
Gavel, Galen (write-in)	1	Smith, Leon (write-in)	1
Gelinas, Mike (write-in)	2	Tollner, Patricia (write-in)	1
Goss, Tom (write-in)	2	Wood, Katie (write-in)	3
Grigg, Peter (write-in)	1	Woods, Carleton (write-in)	1

ARTICLE 2: Are you in favor of the adoption of amendments to the New Durham Zoning and Land Use Ordinance and the New Durham Building Regulations proposed by the Planning Board as follows:

Amendment 1: Are you in favor of adopting Amendment 1 as proposed by the Planning Board for the New Durham Zoning and Land Use Ordinance as follows? Official Ballot

To adopt "housekeeping" amendments to Articles VI (Water Quality Protection), IX (Shorefront Conservation Area), XII (Conservation Focus Area), and XIII (Steep Slopes) of the New Durham Zoning Ordinance that bring standards and reference materials regarding stormwater practices into conformity with Article XI, the Stormwater Management Ordinance, that was adopted by the Town at 2010 Town Meeting. This amendment makes no substantive changes to the Zoning Ordinance.

PASSED YES 189 NO 59

Amendment 2: Are you in favor of adopting Amendment 2 as proposed by the Planning Board for the New Durham Zoning and Land Use Ordinance as follows? Official Ballot

To adopt amendments to Article III that requires all subdivision applications that exceed certain thresholds to participate in the Design Review process before submitting a formal application. This requirement currently applies to all Open Space Conservation Subdivision applications. It allows the Planning Board to give feedback and direction to the applicant before he/she invests large sums of money in engineering and survey plans. This would not affect one- or two-lot subdivisions.

PASSED YES 190 NO 64

Amendment 3: Are you in favor of adopting Amendment 3 as proposed by the Planning Board for the New Durham Building Regulations as follows? Official Ballot

To simplify and shorten the Building Regulations by deleting all material that duplicates the national and international codes that the Town has adopted. This amendment does not make any substantive changes to the requirements for getting a building permit or building a structure. It simply eliminates duplicated language.

PASSED YES 218 NO 35

**CONTINUATION OF THE TOWN MEETING ON MARCH 9, 2011,
AT THE NEW DURHAM SCHOOL**

Pursuant to the foregoing warrant, the voters convened at 7:00 PM to act on the balance of Warrant Articles 3 through 36. Moderator Cecile Chase reminded voters to check-in with the Supervisors of the Checklist in order to pick up their voter card. The Moderator led the assembly in the Pledge of Allegiance. The following Town officials were introduced: Administrative Consultant Alison Rendinaro, Selectmen Chairman Theresa Jarvis, Selectman David Bickford, Selectman Frederic March and Town Clerk Carole Ingham.

Dot Veisel announced that James William Grigg is the recipient of the "2010 Citizen of the Year" award for the many years he volunteered as an EMT/Firefighter, and secretary/treasurer of the New Durham Fire Company. Also Mr. Grigg supported youth athletic teams, was a past president of the Merrymeeting Lake Association, worked to acquire the town beach, the town library building and he helps with the Food Pantry, the Wish Upon a Star program and the Senior Christmas Dinners. When Dot called him to say he had been selected to receive this honor, he was speechless... and finally recovered to say "But why?" When Dot began to enumerate the many reasons, he just said, "But, I just loved doing those things!" Dot ended her announcement by sharing the thoughts of many friends and neighbors in town who felt that this was the year we needed to say, "Thank you Bill."

Parks and Recreation Commissioner Kristyn Bernier announced that the "2010 Recreation Department Volunteers of the Year" recipients for 2010 are James Nyman, Robert Joy and Trevor Joy. "They are always helping wherever they can, coaching, team parent, Seniors Bingo, Celebrate New Durham Day, at the ball fields, creating the walking path and just being great role models. Thank You."

Selectman Theresa Jarvis thanked retiring Jan Bell for volunteering on the Ethics Committee and noted Mary McHale was retiring from the Trustee of Trust Funds, but has accepted the position again after being elected by write-in votes. Retiring Selectman Frederic March was recognized for serving a one year term on the Board of Selectmen after previously serving from 1993 thru 1999. Lastly, the Selectmen thanked all the board and committee members who volunteer their time to the Town.

After reviewing the rules and procedures of the meeting, the Moderator announced the results of the previous day's election.

Moderator Chase read each article. The articles were moved, seconded and discussed and voted on as follows:

ARTICLE 3: Moved by David Curry and seconded by Tom Goss to see if the Town will vote to raise and appropriate the Budget Committee and Board of Selectmen's recommended budget amount of **\$ 2,994,140.00** which represents the Town of New Durham's operating budget. This article does not include appropriations contained in other warrant articles. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

David Curry made a motion, seconded by Tom Goss to amend Article 3 to read “to see if the Town will vote to raise and appropriate the Budget Committee and Board of Selectmen’s recommended budget amount of **\$2,953,808.00** which represents the Town of New Durham’s operating budget. This article does not include appropriations contained in other warrant articles.”

David Curry explained that the amendment reduces the operating budget by \$40,332, which is the cost of the first year of the principal payment of the grader in Article 4. The 2011 operating budget \$2,953,808 reflects a 2.2% decrease in the operation of the Town compared to 2010. The decision to purchase the grader this year meant that almost all town employees did not received pay increases. This is the third year in a row that the employees have not received a COLA or merit pay raise. Selectmen Theresa Jarvis explained that the \$10,000 increase in the Executive Budget is because the Selectmen have added four hours for fifty-two weeks administrative assistance to any department that may need help. The Selectmen estimated impact on the tax rate to be \$5.63 per thousand.

A voice vote was taken on the amendment to Article 3 and the Moderator declared that amendment passed.

A voice vote was taken on Article 3 as amended (\$2,953,808) and the Moderator declared the amended Article 3 passed.

PASSED \$2,953,808

ARTICLE 4: Moved by Don Vachon and seconded by Selectman Frederic March to see if the Town will vote (i) to authorize the Selectmen to enter into a five-year (5) lease/purchase agreement for \$189,000.00 for the purpose of leasing a grader with wing gear for the Highway Department, and (ii) to raise and appropriate the sum of **\$40,332** for the first year’s principal payment for the lease purchase of the grader. This lease contains a non-appropriation clause. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

Road Agent Mike Clarke explained that the Town would like to purchase a Volvo Model G946 Grader. He noted that the cost of repairs to the current John Deere grader would be greater that its trade-in value. The Volvo grader comes with a full five-year warrant. The Highway Department did get three quotes and the grader operators had an opportunity to review all three grader styles.

Also discussed were concerns that the CRF may need to be replenished at a greater amount in the future, lease purchase versus purchasing out right and that the interest rate in the lease purchase was very low at 3.35% from TD Equipment Finance Inc. The Selectmen estimated impact on the tax rate to be \$0.10 per thousand.

A voice vote was taken on Article 4 and the Moderator declared the article passed.

PASSED \$43,332

ARTICLE 5: Moved by Don Vachon and seconded by Selectman Frederic March to see if the Town will vote (i) to raise and appropriate the amount of **\$138,000.00** for the purchase of a highway truck with plow and wing, (ii) to approve withdrawal of **\$100,000.00** from the Highway Truck Capital Reserve Fund created for this purpose and (iii) to take the remaining **\$38,000** from the unreserved fund balance. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

Road Agent Mike Clarke explained that the 1996 L8000 Ford truck is going to be traded-in. The Highway Department did retuned \$38,000 from the highway’s budget to the general fund. It was noted that the Town benefits from state bid process when pricing out trucks. The Board of Selectmen has discussed changing the Capital Reverse Funds back to individual funds. An example of this would be changing the heavy equipment

fund to a separate loader fund, backhoe fund and a grader fund. This would make it easier to tell how much has been saved for each piece of equipment.

The Selectmen estimated impact on the tax rate to be \$0.00 per thousand because the funds are coming from the Highway Truck CRF and the unreserved fund balance.

A voice vote was taken on Article 5 and the Moderator declared the article passed.

PASSED \$138,000

ARTICLE 6: Moved by Don Vachon and seconded by Selectman Frederic March to see if the Town will vote to raise and appropriate the sum of **\$117,038** for the purpose of the Road Surface Management System for 2011. This sum is to be offset by the New Hampshire State Highway Block Grant Aid. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

Road Agent Mike Clarke noted that the State Highway Block Grant may not be available next year because of the State's budget problems. The Selectmen estimated that the impact on the tax rate to be \$0.00 per thousand because the funds are coming from the State's Highway Block Grant.

A voice vote was taken on Article 6 and the Moderator declared the article passed.

PASSED \$117,038

ARTICLE 7: Moved by Police Chief Shawn Bernier and seconded by Selectman Theresa Jarvis to see if the Town will vote (i) to raise and appropriate the sum of **\$36,955** for the purchase of a police cruiser and laptop computer, (ii) to approve withdrawal of **\$34,740** from the Police Cruiser Capital Reserve Fund created for this purpose and (iii) to accept a grant of **\$2,215** from Highway Safety for the purchase and installation of a laptop computer for the cruiser. This will replace the 2003 Ford Explorer. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

The Selectmen estimated that the impact on the tax rate to be \$0.00 per thousand because the funds will be withdrawn from the Police Cruiser Capital Reserve Fund. Chief Bernier noted that the Advisory Capital Improvement Committee changed the cruiser replacement cycle from a nine year plan to a seven year plan. The 2001 Ford Explorer has 120,000 miles on it and it being replaced with another four-wheel drive Explorer. The Police Department's cruisers racked up a total 90,000 miles in all the cruisers in 2010.

A voice vote was taken on Article 7 and the Moderator declared the article passed.

PASSED \$36,955

ARTICLE 8: Moved by Selectman Theresa Jarvis and seconded by Cathy Orlowicz to see if the Town will vote to raise and appropriate the sum of **\$15,000.00** for a historic assessment of Town Hall with such sum to be offset by a **\$7,500.00** grant from the NH Land and Community Heritage Investment Program and the rest to come from general taxation. This is a non-lapsing article under RSA 32:7VI and will not lapse until December 31st, 2016, or until the project is completed, whichever is sooner. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

Mark Behr **made a motion**, seconded by Kevin Ruel to amend the article to read to see if the Town will vote to raise and appropriate the sum of **\$15,000.00** for a historic assessment of Town Hall with such sum to be offset by a **\$7,500.00** grant from the NH Land and Community Heritage Investment Program and the rest to come from general taxation.

Mr. Behr has not in favor of the use of non lapsing funds.

The Selectmen estimated that the impact on the tax rate to be \$0.02 per thousand. Selectman Theresa Jarvis summarized some of the problems with the town buildings. The Town Hall has a mold problem in the basement, drafty and broken windows, doors that don't close tightly, etc. The historic assessment will help the Board in making repairs in accordance with historic restoration guidelines. This is a 50/50 matching grant.

A voice vote was taken on the motion for the amendment and the Moderator declared the motion to amend the article failed.

A voice vote was taken on Article 8 as originally written and the Moderator declared the article passed.

PASSED \$15,000

ARTICLE 9: Moved by Selectman David Bickford and seconded by Selectman Theresa Jarvis to see if the Town will vote to raise and appropriate the sum of **\$10,000.00** for the purpose of purchasing and maintaining a drive on scale system at the Transfer Station. This is a non-lapsing article under RSA 32:7VI and will not lapse until December 31st, 2016, or until the project is completed, whichever is sooner. (Majority Vote Required) Special Warrant Article. The Board of Selectmen and the Budget Committee recommend this article.

Transfer Station foreman Joe Bloskey explained that the Town estimates the cost of debris by volume, whereas the vendors bill the Town by the weight. The drive on scale would be more accurate way of calculating cost of the debris. Last year the Town paid \$15,000 more to the vendors than the Transfer Station collected in revenue. Selectman David Bickford explained that the scale system would cost about \$30,000 – \$35,000 and would take three to four years to save for. The State of New Hampshire requires both the scale system and the operators to be certified. The drive on scale system would be used mostly for e-waste and construction debris. The use of a non- lapsing fund instead of a capital reserve fund was discussed. It was suggested that adding \$10,000 to the Solid Waste Equipment Capital Reserve Fund as an alternative to starting a non-lapsing fund. Transfer Station office manager Cathy Orlowicz stated that the scale system could also be used to check the weight of the bailed newspapers, aluminum cans and cardboard prior to resale.

Robert Kroepel **made a motion**, seconded by Ed Neister, to amend Article 9 to see if the Town will vote to raise and appropriate the sum of **\$30,000.00** for the purpose of purchasing and maintaining a drive on scale system at the Transfer Station.

A voice vote was taken on the motion for the amendment and the Moderator declared the motion to amend the article failed.

A voice vote was taken on Article 9 as originally written and the Moderator declared the article failed.

FAILED

ARTICLE 10: Moved by Don Vachon and seconded by Selectman Theresa Jarvis to see if the Town will vote (i) to raise and appropriate the sum of **\$10,000.00** for the purpose of purchasing, upgrading, maintaining, cleaning and monitoring of a new fuel depot system. This is a non-lapsing article under RSA 32:7VI and will not lapse until December 31, 2016, or until the project is completed, whichever is sooner. (Majority Vote Required) Special Warrant Article. The Board of Selectmen and the Budget Committee recommend this article.

Road Agent Mike Clarke explained that the fuel pumps were installed in the 1980's and the Town recently spent \$2,600 in repairs. The pumps are used by the Highway Department, Police, Fire Department, Transfer Station and the GWRSD school buses. The present process is that the driver of the vehicle writes the amounts pumped on a log and the logs. The accounts do not always balance. Mr. Clarke stated that he was not in favor of using the state's pumps at the state shed on Route 28, noting the Town would still need fuel on site for the equipment at the transfer station. The Selectmen estimated that the impact on the tax rate to be \$0.02 per thousand.

A voice vote was taken on Article 10 and the Moderator declared the vote was too close to call. A vote by showing voter registration cards was taken and the Moderator declared the article failed.

FAILED YES 52 NO 56

ARTICLE 11: Moved by Cathy Orlowicz and seconded by Carole Ingham to see if the Town will vote to raise and appropriate the sum of **\$9,000.00** to come from the unreserved fund balance to pay Preservation Timber Framing Inc. monies owed for the dismantling of the Boodey House. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

Cathy Orlowicz **made a motion**, seconded by Carole Ingham, to amend Article 11 to see if the Town will vote to raise and appropriate the sum of **\$7,000.00** to come from the unreserved fund balance to pay Preservation Timber Framing Inc. monies owed for the dismantling of the Boodey House.

Cathy Orlowicz explained that Preservation Timber Framing Inc. has waited over two years for payment and has asked to be paid in full by the end of this year. The Boodey House committee will continue to fund raise. The Selectmen estimated that the impact on the tax rate to be zero because the funds will be withdrawn from the Town's unreserved fund balance.

Ron Gehl stated that he was not in favor of encumbering the town funds with this expense and does not agree with using the town funds.

Selectman David Bickford stated he feels the same way as Mr. Gehl, but he has been advised by town council that the debt is the Town's expense. Selectman Bickford read Section 2 of the Agreement for Donation and Preservation of the Boodey House that the Board of Selectmen (Ron Gehl, Peter Rhoades and Dwight Jones) signed on March 1, 2006.

*Section 2. The town agrees to secure professional assistance from Arron Sturgis, Preservation Timber Framing Inc., to complete the appropriate disassembly of the timbers, center chimney and top portion of the fieldstone foundation of the "Boodey House", cause them to be properly documented and accounted for future re-construction, and store them in secure storage trailer units to be obtained by the Town. **Remuneration for Mr. Sturgis's professional expertise shall be funded by a number of means including, but not limited to, solicitation of funds and grants from public and private foundations; appropriations from the Town of New Durham; donations from charitable organizations and individuals; and other legal means to support the project. Trailer units are to be secured as domination to the project.***

Mary McHale inquired, "Who signed the contact with Preservation Timber Framing Inc?" David Bickford stated he has only seen the agreement and Cathy Orlowicz stated she did not sign a contact.

Cathy Orlowicz explained that there is no cost after five years for the trailers and that the Ferguson Family Trust will extend the Boodey House Agreement for another five year period.

A voice vote was taken on the motion for the amendment and the Moderator declared the motion to amend the article passed.

A voice vote was taken on Article 11 as amended and the Moderator declared the article passed.

PASSED \$7,000

ARTICLE 12: Moved by Fred Quimby and seconded by Selectman David Bickford to see if the Town will vote (i) to raise and appropriate the sum of **\$7,500.00** for milfoil treatment and (ii) to approve the withdrawal of \$7,500 from the Milfoil Capital Reserve Fund established for that purpose. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

Fred Quimby explained that the State of New Hampshire Department of Environmental Services (DES) has studied the Merrymeeting Marsh system. Their report noted that milfoil was established in Downing Pond and was also widespread on the area from the bridge crossing to the dam at the south end of Jones Pond. In 2010, 26.7 acres were treated with herbicide 2,4-D. In the spring of 2011 DES will review the results of the treatment. An additional treatment will be required in 2011 together with divers physically removing the plants. The Selectmen estimated that the impact on the tax rate to be \$0.00 per thousand because Article 33 raises the funds into the Capital Reserve Fund.

A voice vote was taken on Article 12 and the Moderator declared the article passed.

PASSED \$7,500

ARTICLE 13: Moved by David Bickford and seconded by Selectman Frederic March to see if the Town will vote to repeal the Ethics Ordinance. Majority Vote Required

Selectman David Bickford stated that Local Government Center has advised the Board of Selectmen that there are many problems with the Ethic Ordinance and that the town’s attorney agreed with some of the problems. Even if all of the articles changing the Ethics Ordinance passes tonight, Selection Bickford states we still have issues with the ordinance itself and the Board of Ethics rules of procedure.

James Fenske **made a motion** to amend Article 13, seconded by Police Chief Shawn Bernier to see if the Town will vote to repeal the Ethics Ordinance and reinstate it as an Ethics Policy intended to provide guidance to town officials and employees as to what is expected of them in ethical behavior.

Board of Ethics member Skip Fadden spoke against the amendment. He stated that the Ethics Ordinance is the public’s tool that prevents unethical, illegal and unfair actions of the town officials.

A voice vote was taken on the motion at amend Article 13 and the Moderator declared the amendment passed.

A voice vote was taken on Article 13 as amended and the Moderator declared the vote too close to call. A vote by showing voter registration cards was taken and the Moderator declared the article passed.

**PASSED AMENDMENT TO REINSTATE ETHICS ORDINANCE AS A ETHICS POLICY
PASSED YES 56 NO 41**

Former Selectman Ron Gehl spoke against changing the ordinance to a policy. He stated that the purpose of the Ethics Ordinance was to have a comprehensive summary of ethical policies all in one place and that an extensive amount of legal review went into developing the ordinance.

Board of Ethics Chairperson Barbara Hunter stated that the purpose of the ordinance was to set guidelines for ethical behavior and that there was no need to appeal the ordinance that is not broken, but just modify it as needed over time.

Selectman Theresa Jarvis **made a motion**, seconded by James Fenske to see if the Town will vote to restrict reconsideration of Articles 3 thru Article 13.

A voice vote was taken on the motion to restrict reconsideration of Article 3-13 and the Moderator declared the motion passed.

PASSED MOTION TO RESTRICT RECONSIDERATION OF ARTICLES 3-13

James Fenske **made a motion**, seconded by Kristyn Beirner, to indefinitely postpone Article 14 thru 23 and to move to empower the Moderator to appoint a committee of 5 members, 2 from the current Board of Ethics, 1 town employee and 2 from the town –at –large, to rewrite the current Ethics Ordinance to an Ethics Policy changing articles and wording as appropriate.

A voice vote was taken on the motion to indefinitely postpone Articles 14 thru 23 and have the Moderator appoint a committee to rewrite the policy as appropriate. The Moderator declared the motion passed.

PASSED A MOTION TO POSTPONE INDEFINITE ARTICLES 14 THRU 23 AND HAVE THE MODERATOR APPOINT A COMMITTEE TO REWRITE THE POLICY AS APPROPRIATE.

ARTICLE 14: To see if the Town will vote to change the third bullet in the Ethics Ordinance PURPOSE that currently reads:

- We expect town officials, board members and employees to remove themselves from decision making if they have a conflict of interest or even the appearance of one.

To:

- We expect town officials, board members and employees to remove themselves from decision making if they have a conflict of interest.

(Majority Vote Required)

INDEFINITELY POSTPONED

ARTICLE 15: To see if the Town will vote to change the Ethics Ordinance SECTION I. CODE PROVISIONS B. that currently reads:

B. A Duty to Recuse in Quasi-Judicial Actions

A “quasi-judicial action” is any action where the board or committee you are a member of is acting like a judge or a jury. For example, when your board or committee has a duty to notify the potential parties, hear the parties, and can only decide on the matter after weighing and considering such evidence and arguments as the parties choose to lie before you, you are involved in a quasi-judicial action. The work of the planning and zoning boards is largely quasi-judicial. Not only do officials, board members and employees of the Town of New Durham have a duty to recuse themselves as outlined in the section above, you must recuse yourself in a quasi-judicial action if you would not be qualified to sit as a juror in that case. For example, jurors are not qualified to sit in a case if they have advised or assisted either party in a matter being decided, are prejudiced to any degree regarding the pending matter, or believe they cannot for any reason be totally fair and impartial. Information gained through general knowledge as a citizen of the Town, or solely as a result of the individual’s service in an official capacity, does not disqualify the member unless it has biased the member to such a degree that he or she cannot be impartial. As a representative of the Town of New Durham, you are expected to hold yourself to this same standard.

To:

B. A Duty to Recuse

Conflicts of interest apply to both quasi-judicial/judicial and legislative situations and may warrant the disqualification of a board or committee member in deciding the matter. Ultimately, the decision to recuse or not to recuse is up to the individual with the alleged conflict. Information gained through general knowledge as a citizen of the Town, or solely as the result of the individual’s service in an official capacity, does not disqualify the member unless it has biased the member to such a degree that he or she cannot be impartial. The type of decision (quasi-judicial/judicial vs. legislative), not the type of board, is the primary factor for possible disqualification.

- (i) A **quasi-judicial action** is any action where the board or committee acts like a judge or jury to decide a matter affecting specific individuals. For example, members are involved in a quasi-judicial action when the board or committee has a duty to notify the potential parties, hear the parties, and decide the matter only after considering and weighing such evidence and arguments as the parties choose to present. Not only do the officials, board members, and employees of the Town of New Durham have a duty to recuse themselves as outlined in Section A, but they also must recuse themselves in a quasi-judicial action if they would not be qualified to sit as a juror on a case (RSA 673:14 and 46:6). Stricter standards of fairness tend to be applied by the courts in cases where a board is acting judicial and must demonstrate impartiality.
- (ii) A **legislative action** is administrative in nature and involves a matter affecting all citizens equally. For example, members are acting in a legislative capacity when they set goals, create policies, develop rules and regulations, research and write amendments, and tend to other procedural matters. Here, the need to recuse often is more the exception than the rule.

(Majority Vote Required)

INDEFINITELY POSTPONED

ARTICLE 16: To see if the Town will vote to change paragraph 6 in the Ethics Ordinance SECTION IV. COMPLAINTS that currently reads:

The Board of Ethics may require, with sufficient written notice, any official, board member or employee of town government to appear before it to provide testimony regarding pending complaints. The board may for this purpose administer oaths and require the production of evidence such as document.

To:

The Board of Ethics may request, with sufficient written notice, any official, board member or employee of town government to appear before it to provide testimony regarding pending complaints. The board may for this purpose request production of evidence such as documents. The Board only can make findings based on evidence provided.

(Majority Vote Required)

INDEFINITELY POSTPONED

ARTICLE 24: Moved by David Shagoury and seconded by Selectman Frederic March to see if the Town will vote to discontinue the Sidewalk Capital Reserve Fund created by Article 15 of the March 13, 2007 Town Meeting. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's General Fund. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

David Shagoury explained that the \$10,000 plus interest could be returned to the Town's general fund because the Town has no plans to use the funds in the near future.

A voice vote was taken on Article 24 and the Moderator declared the article passed.

PASSED

ARTICLE 25: Moved by Selectman Theresa Jarvis and seconded by Selectman David Bickford to see if the Town will vote to discontinue the addition to the New Durham Fire Station Capital Reserve Fund created by Article 10 of the March 14, 2000 Town Meeting. Said funds, with accumulated interest to date of withdrawal are to be transferred to the Town's General Fund. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

Selectman Theresa Jarvis stated that the addition to the fire station has been completed and no more additions can be added to the existing structure because of the limitation of the lot size. The balance \$1,972.88 plus any interest could be returned to the Town's general fund.

A voice vote was taken on Article 25 and the Moderator declared the article passed.

PASSED

ARTICLE 26: Moved by Mary McHale and seconded by Selectman Theresa Jarvis to see if the Town will vote (i) to change the purpose of the Town Hall Computer Systems and Office Equipment Expendable Trust Fund created in Article 11 of the March 13, 1996 Town Meeting and amended in Article 20 of the March 15, 2000 Town Meeting to include all town department computer systems and office equipment, (ii) to change the name of the fund to the Computer Systems and Office Equipment Expendable Trust Fund, (iii) to raise and appropriate the sum of **\$5,000** to be deposited in the Computer Systems and Office Equipment Expendable Trust Fund, and (iv) to name the Board of Selectmen as agents to expend. A 2/3 majority vote is required for passage. Special Warrant Article. The Board of Selectmen and the Budget Committee recommend this article.

Mary McHale explained that the trust fund purpose needed to be expanded to include all town departments not just the Town Hall. The Selectmen estimated that the impact on the tax rate to be \$0.01 per thousand.

A voice vote was taken on Article 26 and the Moderator declared the article passed with a 2/3 majority vote.

PASSED \$5,000

ARTICLE 27: Moved by Selectman Theresa Jarvis and seconded by Marc Behr to see if the Town will vote to rescind the provisions of RSA 31:95-c to restrict the revenues from ambulance charges to expenditures for the purpose of ambulance vehicles repairs, renovations, and new purchases. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the New Durham Special Revenue Ambulance Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. This article is contingent on article 28 passing. (Majority vote required) Special Warrant Article. The Board of Selectmen and Budget Committee recommend this article.

A voice vote was taken on Article 27 and the Moderator declared the article passed.

PASSED

ARTICLE 28: Moved by Selectman Theresa Jarvis and seconded by Marc Behr to see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h for the purpose of providing ambulance services. All revenues received from ambulance fees shall be deposited into the fund and the money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the town's general fund unreserved fund balance. The town treasurer shall have custody of all money in the fund and shall pay out the same only upon order of the Board of Selectmen. This revolving fund will be used primarily for the purchase of a new

ambulance, and ambulance billing services. It may also be used for capital equipment in which the total cost of a single piece of equipment is over \$10,000.00 and is deemed appropriate to spend by the Board of Selectmen. Further to raise and appropriate **\$155,000** to deposit into this fund with such amount to come from the general fund balance. This article is contingent on article 27 passing. (Majority vote required) The Board of Selectmen and Budget Committee recommend this article.

Selectman Theresa Jarvis explained that the Town would use the new revolving fund to replace the ambulance in about four years, but would be expanding the use to buy equipment with the excess funds. The \$155,000 has no impact on the tax rate because the Town is closing one account transferring the funds to the general fund and then transferring the funds again to the new fund to be known as the Ambulance Revolving Fund.

A voice vote was taken on Article 28 and the Moderator declared the article passed

PASSED \$155,000

ARTICLE 29: Moved by Don Vachon and seconded by Selectman Frederic March to see if the Town will vote to raise and appropriate the sum of **\$291,000** to be placed in previously established Capital Reserve Funds as follows:

NAME	ESTABLISHED	APPROPRIATION
Expansion of the Highway Garage	March 13, 2007 Article 14	\$ 20,000.00
Highway Equipment	March 15, 2006 Article 12	\$ 30,000.00
Highway Truck	March 4, 1988 Article 9	\$ 70,000.00
Road Reconstruction	March 10, 2010 Article 5	\$171,000.00

(Majority Vote Required) Special Warrant Article. The Board of Selectmen and the Budget Committee recommend this article.

The Selectmen estimated that the impact on the tax rate to be \$0.70 per thousand.

A voice vote was taken on Article 29 and the Moderator declared the article passed.

PASSED \$291,000

ARTICLE 30: Moved by Cathy Orlowicz and seconded by Selectman Frederic March to see if the Town will vote to raise and appropriate the sum of **\$22,000** to be placed in previously established Capital Reserve Funds, as follows:

NAME	ESTABLISHED	APPROPRIATION
Solid Waste Equipment	March 13, 2007 Article 13	\$ 13,000.00
Solid Waste Facilities Improvement	March 10, 2010 Article 14	\$ 9,000.00

(Majority Vote Required) Special Warrant Article. The Board of Selectmen and the Budget Committee recommend this article.

The Selectmen estimated that the impact on the tax rate to be \$0.05 per thousand.

Selectman Theresa Jarvis **made a motion** to amend Article 30, seconded by Cathy Allen to change the amount to raise and appropriate in the Solid Waste Equipment Capital Reserve Fund from \$13,000 to \$23,000 as suggested during the discussion in Article 9.

A voice vote was taken on the amendment to change the amount in Article 30 and the Moderator declared the amendment failed.

A voice vote was taken and the Moderator declared Article 30 as originally written passed.

PASSED \$22,000

ARTICLE 31: Moved by Chief Shawn Bernier and seconded by Selectman Theresa Jarvis to see if the Town will vote to raise and appropriate the sum of **\$52,500** to be placed in previously established Capital Reserve Funds, as follows:

NAME	ESTABLISHED	APPROPRIATION
Public Safety	March 10, 2010 Article 17	\$ 10,000.00
Dry Hydrant	March 14, 2001 Article 10	\$ 2,500.00
Fire Truck	March 12, 2003 Article 11	\$ 15,000.00
Police Cruiser	March 15, 2000 Article 7	\$ 25,000.00

(Majority Vote Required) Special Warrant Article. The Board of Selectmen and the Budget Committee recommend this article.

The Selectmen estimated that the impact on the tax rate to be \$0.13 per thousand. Selectman Theresa Jarvis noted that the dry hydrant fund was at zero because the Fire Department has recently installed dry hydrants alongside Tash Road, Davis Crossing Road, March's Pond and by the State boat ramp on Merrymeeting Lake.

A voice vote was taken on Article 31 and the Moderator declared the article passed.

PASSED \$52,500

ARTICLE 32: Moved by Fred Quimby and seconded by Cathy Allyn to see if the Town will vote to raise and appropriate the sum of **\$5,500.00** to be placed in previously established Capital Reserve Funds, as follows:

NAME	ESTABLISHED	APPROPRIATION
Library Facilities	March 13, 2007 Article 7	\$ 2,000.00
Library Technologies	March 13, 2007 Article 8	\$ 2,000.00
Smith Ballfield & Equipment	March 12, 2008 Article 9	\$ 1,000.00
1772 Meeting House Restoration	March 15, 2000 Article 14	\$ 500.00

(Majority Vote Required) Special Warrant Article. The Board of Selectmen and the Budget Committee recommend this article.

The Selectmen estimated that the impact on the tax rate to be \$0.01 per thousand.

A voice vote was taken on Article 32 and the Moderator declared the article passed.

PASSED \$5,500

ARTICLE 33: Moved by Fred Quimby and seconded by Selectman David Bickford to see if the Town will vote to raise and appropriate the sum of **\$28,500** to be placed in previously established Capital Reserve Funds, as follows:

NAME	ESTABLISHED	APPROPRIATION
Milfoil	March 9, 2009 Article 7	\$ 7,500.00
Revaluation	March 15, 2000 Article 12	\$ 20,000.00
JC Shirley Site Improvement	March 9, 1994 Article 11	\$ 1,000.00

(Majority Vote Required) Special Warrant Article. The Board of Selectmen and the Budget Committee recommend this article.

The Selectmen estimated that the impact on the tax rate to be \$0.07 per thousand.

A voice vote was taken on Article 33 and the Moderator declared the article passed.

PASSED \$28,500

ARTICLE 34: Moved by Selectman Theresa Jarvis and seconded by Carole Ingham to see if the Town will vote to raise and appropriate the sum of **\$57,500** to be placed in previously established Expendable Trust Funds, as follows:

NAME	ESTABLISHED	APPROPRIATION
Accrued Employees Benefit	March 11, 1992 – Article 16	\$ 3,500.00
Forest Fire Control Fund	March 12, 2003 – Article 15	\$ 3,500.00
Record Management	March 23, 1999 – Article 23	\$ 500.00
Town Building Improvement	March 15, 2000 – Article 15	\$ 50,000.00

(Majority Vote Required) Special Warrant Article. The Board of Selectmen and the Budget Committee recommend this article.

The Selectmen estimated that the impact on the tax rate to be \$0.14 per thousand.

A voice vote was taken on Article 34 and the Moderator declared the article passed.

PASSED \$57,500

ARTICLE 35: Moved by Selectman David Bickford and seconded by Selectman Theresa Jarvis to see if the Town will vote to raise and appropriate **\$2,000** towards the costs associated with the future acquisition of the 3 acre state owned land, identified on Map 251 and contained within Lot 21, which is surrounded by the Shirley Land Trust. This is a non-lapsing article under RSA 32:7VI and will not lapse until the project is completed or until December 31, 2016 whichever comes first. (Majority Vote Required) The Board of Selectmen and the Budget Committee recommend this article.

The Selectmen estimated that the impact on the tax rate to be less than a penny per thousand.

Selectman David Bickford explained that the State of NH Department of Transportation has approached the Town to see if the Town wants to buy the 363 feet by 363 feet (three acre) lot that town officials always thought that the Town owned. The Police Department uses the lot for a shooting range and the Highway Department uses the lot for material storage and a staging area for road projects. Chief Bernier stated his department could take out a membership at Farmington Fish & Game Club, if needed, to use as a shooting range. The old salt shed is located on this lot. The assessed value is about \$45,000.

A voice vote was taken on Article 35 and the Moderator declared the article passed.

PASSED \$2,000

ARTICLE 36: To conduct any other business, which may legally come before the town.

Moderator Cecile Chase mentioned that a few people have suggested moving the Town Meeting from Wednesday evening to a Saturday morning. Moderator Chase asked the public to please contact the town offices with your opinions on this matter.

The Moderator adjourned the Town Meeting at 10:50 PM

Respectfully submitted,

Carole Ingham
Town Clerk

Town of
New Durham,
New Hampshire

WARRANT & BUDGET
2012

For the Year Ended December 31, 2011

**TOWN of NEW DURHAM
TOWN MEETING WARRANT 2012**

To the inhabitants of the Town of New Durham, in the County of Strafford, in said State of New Hampshire qualified to vote in town affairs:

You are hereby notified that the Annual Town Meeting of the Town of New Durham will be held on two days as follows:

Tuesday, March 13, 2012 in the New Durham School Gymnasium, located at 7 Old Bay Road, New Durham, NH, where there will be voting by official ballot for the election of Town Officers and voting for Article 2, amendments to New Durham's Zoning and Land Use Ordinances.

Wednesday, March 14, 2012, we will reconvene in the New Durham School Gymnasium at **7:00 PM** where the votes on Articles 1 and 2 will be presented. Articles 3 through 15 will be presented, discussed and acted on.

ARTICLE 1: To choose all necessary town officers for the ensuing year:
(By official ballot)

<u>Office</u>	<u>Term of</u>
(1) Selectman	3 Years
(1) Moderator	2 Years
(1) Library Trustee	3 Years
(1) Planning Board	3 Years
(1) Cemetery Trustee	3 Years
(1) Trustee of Trust Funds	3 Years
(1) Trustee of Trust Funds	2 Years
(1) Supervisor of the Checklist	6 Years
(1) Supervisor of the Checklist	2 Years

ARTICLE 2: Are you in favor of the adoption of amendments to the New Durham Zoning and Land Use Ordinance proposed by the Planning Board as follows?
(By official ballot)

Amendment 1: Are you in favor of adopting Amendment 1 as proposed by the Planning Board for the New Durham Zoning and Land Use Ordinance as follows?

To amend **Article V** (Town Center Mixed Use District) to extend the district east to Tash Road. If approved the district would add Old Bay Road between Brackett and Tash Roads, Tash Road to the intersection of Route 11 and the south side of Route 11 from Tash Road to Depot Road.

Amendment 2: Are you in favor of adopting Amendment 2 as proposed by the Planning Board for the New Durham Zoning and Land Use Ordinance as follows?

To amend **Article XIV** (Stormwater Management and Erosion Control) to clarify a) those parts of the ordinance that apply to new subdivisions only, b) the ordinance applies to any situation that would increase impermeable coverage above 20%, and c) to exempt any part of a lot left disturbed by a previous owner from calculations of total disturbance on the lot. None of these changes affect the substance of the ordinance.

This article is recommended by the Planning Board.

ARTICLE 3: To see if the Town will vote to raise and appropriate the Budget Committee's recommended budget amount of **\$3,067,407**, which represents the Town of New Durham's operating budget. This article does not include special or individual articles addressed in other warrant articles.

(Majority vote required)

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 4: To see if the Town will vote (i) to establish an Expendable Trust Fund pursuant to RSA 31:19-a to be known as the Emergency Management Expendable Trust Fund, for the purpose of Emergency Management, and (ii) to raise and appropriate the sum of \$5,000 to be placed in said fund with said funds to come from the Unreserved Fund Balance, and (iii) further to appoint the Board of Selectmen as agents to expend.

(Majority vote required)

Special Warrant Article

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 5: To see if the Town will vote (i) to establish a Capital Reserve Fund pursuant to RSA 35:1 to be known as the Gravel Capital Reserve Fund, for the purpose of purchasing gravel or material to process gravel, and (ii) to raise and appropriate \$15,000 to be placed in said fund to come from the Unreserved Fund Balance, and (iii) further to appoint the Board of Selectmen as agents to expend.

(Majority vote required)

Special Warrant Article

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 6: To see if the Town will vote (i) to establish a Capital Reserve Fund pursuant to RSA 35:1 to be known as the Fuel Pump Capital Reserve Fund, for the purpose of replacement/repair and maintenance of the Town fuel pumps, and (ii) to raise and appropriate \$5,000 to be placed in said funds to come from the Unreserved Fund Balance, and (iii) further to appoint the Board of Selectmen as agents to expend.

(Majority vote required)

Special Warrant Article

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 7: To see if the Town will vote (i) to raise and appropriate the sum of \$130,396 to purchase a highway truck with plow and wing, and (ii) to authorize the withdrawal of \$100,000 to come from the Highway Truck Capital Reserve Fund created for this purpose, and (iii) for the remainder, \$30,396, to come from the Unreserved Fund Balance. This will replace the 1999 Sterling Dump Truck with plow and wing.

(Majority vote required)

Special Warrant Article

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 8: To see if the town will vote (i) to raise and appropriate the sum of \$8,550.00 for milfoil treatment, (ii) to authorize the withdrawal of \$4,275 from the Milfoil Capital Reserve Fund established for that purpose and (iii) to accept \$4,275 to come from a grant from the NHDES Exotic Species Program.

(Majority vote required)

Special Warrant Article

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 9: To see if the town will vote (i) to raise and appropriate the sum of \$270,571 for the purpose of the Road Surface Management System for 2012. This sum is to be offset by \$100,571 from the New Hampshire State Highway Block Grant Aid, with \$170,000 to come from the Capital Reserve Fund established for that purpose.

(Majority vote required)

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 10: To see if the town will vote (i) to raise and appropriate the sum of \$29,014 for the purchase of a police cruiser and (ii) to authorize withdrawal of \$29,014 from the Police Cruiser Capital Reserve Fund created for this purpose. This will replace the 2005 Chevrolet Impala.

(Majority vote required)

Special Warrant Article

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$36,100 for the purchase of the 3 acres of land located within Map 251, Lot 21 on Berry Road, known as the "Shirley Pit," from the State of New Hampshire, with said funds to come from the Unreserved Fund Balance.

(Majority vote required)

The Board of Selectmen and Budget Committee recommend this article.

ARTICLE 12: To see if the town will vote to raise and appropriate the sum of \$383,550 to be placed in previously established Capital Reserve Funds as follows, with said funds to come from taxation.

NAME	ESTABLISHED	APPROPRIATION

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 14: To see if the town will vote to (i) raise and appropriate the sum of \$26,600 for repairs to the Downing’s Pond Dam as directed by the NH Department of Environmental Services, and (ii) to purchase an easement along the dams easterly side, with said funds to come from the Unreserved Fund Balance.

(Majority vote required)

Special Warrant Article

The Board of Selectmen and the Budget Committee recommend this article.

ARTICLE 15: To conduct any other business which may legally come before the town.

Given under our hands and seal, this _____ day of February in the year of our Lord Two
Thousand and Twelve

Theresa Jarvis, Chairperson

David Bickford

Jeffrey Kratovil

Selectmen of New Durham

We hereby certify that on this _____ day of February, 2012, we posted an attested copy of the
warrant at the place of Meeting within named and a like copy at the New Durham Town Hall, a
public place in said Town.

Theresa Jarvis, Chairperson

David Bickford

Jeffrey Kratovil

Selectmen of New Durham

TOWN of NEW DURHAM 2012 WARRANT NARRATIVE

- Article 1:** Town Officers.
- Article 2:** Planning Board articles.
- Article 3:** The Operating Budget was finalized on February 7, 2012. The Budget Committee and the Board of Selectmen agree upon the amount of \$3,067,407. The estimated impact that Article 3 will have on the tax rate is \$5.86 per \$1,000.
- Article 4:** The intent of the Emergency Management fund is to offset unforeseen personnel costs in the event of an emergency or natural disaster in which the participating departments have not budgeted for the resources used. This fund will be created with money from the unreserved fund balance and will not increase the tax rate. According to the Department of Revenue Administration (DRA) an unreserved fund balance, or surplus fund balance, is an excess balance sheet amount used in tax rate setting to offset appropriations (reduces tax rate). This year, the Board of Selectmen opted to fund several of the warrant articles with money turned back by Departments at the end of the year.
- Article 5:** As the Town's gravel pit will be closed in 2015 per court order, the Board of Selectmen and Road Agent recommend the creation of this fund to offset the cost for gravel after 2015. The town uses gravel on all of the dirt roads, as well as for shoulder work on all town roads. This fund will be created with money from the Unreserved Fund Balance and will not increase the tax rate.
- Article 6:** The Town will need to replace the 1970 gas pump located at the Highway Garage in the near future. The diesel pump was hit by a fuel truck last summer and was replaced, at no cost to the town, for approximately \$8,500. There is also the future need for a better accountability system. The Board of Selectmen would like to begin by putting \$5,000 away in the hopes of having enough to fully fund the replacement of the pump when it is needed. This article will be funded from the Unreserved Fund Balance and will not increase the tax rate.
- Article 7:** The 1999 Sterling Dump Truck with plow and wing will be replaced with a 2012 International Dump Truck with plow and wing. For this purchase \$100,000 will come from the Capital Reserve Fund established for this purpose, which will have an impact of \$0.25 per \$100,000 on the tax rate within Article 12. \$31,209 will come from the Town's unreserved fund balance. This amount will not increase the tax rate.

Article 8: The Town has received a matching grant from the New Hampshire Department of Environmental Services Exotic Species Program in the amount for \$4,275 for Milfoil treatment in the town. The estimated impact for our portion of \$4,275 is \$0.02 per \$1,000. This effect on the tax rate will be reflected in Article 12.

Article 9: Of the \$270,571 requested for the Road Surface Management System, the Town is receiving \$100,571.20 in State Highway Block Grant Aid. \$170,000 is requested to be added to the Capital Reserve Fund for Road Repairs in 2012. This amount will have estimated impact of \$0.43 per \$1,000 on the tax rate within Article 12.

Article 10: The 2005 Chevrolet Impala is scheduled to be replaced in 2012, and is set to be replaced with a 2012 Ford Taurus from the State Bid List. This article will affect the tax rate in Article 12; the amount of \$29,014 will have an impact of \$0.07 per \$1,000 on the tax rate.

Article 11: At the 2011 Town Meeting the Board of Selectmen asked if the Town was interested in looking into the purchase of the 3 acre lot on Berry Road, known as the Shirley Pit. The State has offered that property to the Town for \$36,100. The property is currently used by the Town as storage for culverts and equipment. It is also used to access the old gravel pit and Police shooting range. The property is in close proximity to the Shirley Cemetery and has the same type of soil. The Town had assessed the property at \$45,000. The DRA requires a recommendation from the Board of Selectmen and the Budget Committee. The Budget Committee and the Board of Selectmen recommended this article so that the Town's people could vote on whether or not to purchase the property. This article will be funded from the Unreserved Fund Balance and will not increase the tax rate.

Article 12: All Capital Reserve Funds help the Town to put away money for large purchases down the road. The intent of most of these funds is to away a portion of the money each year, so as to not pay out a large sum all at once. The requested amount for the CRFs by Departments and the CIP committee was \$571,584. This year the Board of Selectmen and Budget Committee are recommending adding \$383,550 into the Capital Reserve Funds in Article 12. The estimated impact of funding the Capital Reserve Funds is \$0.96 per \$1,000.

Article 13: The estimated impact of funding the Expendable Trust Fund accounts would be \$0.07 per \$1,000. Expendable Trust funds are used for maintenance and operational purposes. This year, the Board of Selectmen and Budget Committee reduced the amount going into the ETFs by \$30,500 from last year. The funds that are included in this article are for the Building Improvements fund which may be used on all municipal buildings, Computer and Office Equipment for departments, Records Management used by the Town Clerk for restoring and preserving town records, and Accrued Employee Benefits holds monies should the Town need to pay out to an employee upon their retirement or leaving.

Article 14: The Town has been directed to repair Downing's Pond Dam by the New Hampshire Department of Environmental Services. The cost associated with this project includes a crane rental to complete the work. The Town is also exploring the possibility of purchasing an easement to gain access to the easterly side of the dam if you are facing the dam from Main Street. Either scenario will be covered by the cost proposed in this article. The Town must comply with the NHDES order by the end of 2012. This article will be funded from the Unreserved Fund Balance and will not increase the tax rate.

BUDGET OF THE TOWN WITH A MUNICIPAL BUDGET COMMITTEE

OF: NEW DURHAM

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2012 to December 31, 2012

or Fiscal Year From _____ to _____

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

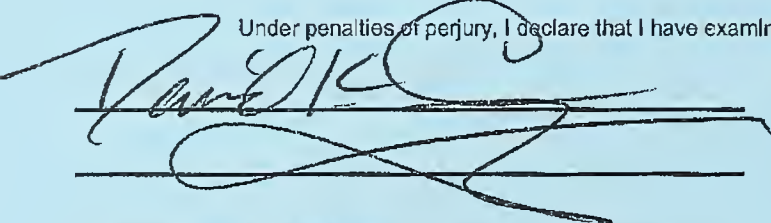

1. Use this form to list the operating budget and all special and individual warrant articles in the appropriate recommended and not recommended area. All proposed appropriations must be on this form.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days after the meeting.

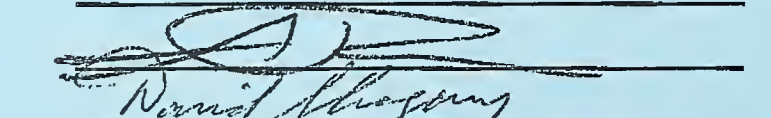

This form was posted with the warrant on (Date): 2/8/2012

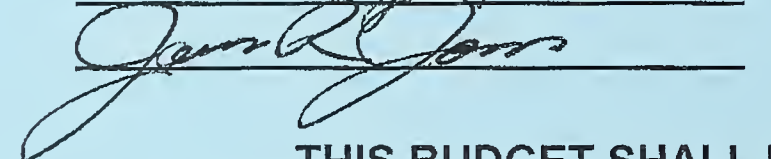

BUDGET COMMITTEE

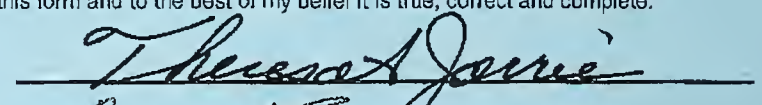

Please sign in ink.

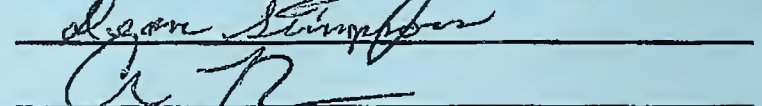

Under penalties of perjury, I declare that I have examined the information contained in this form and to the best of my belief it is true, correct and complete.

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

APPROVED “HOUSEKEEPING” WARRANT ARTICLES

The following articles were approved, until rescinded, by the voters at prior Town Meetings. The voters may reverse these decisions by a majority vote at any subsequent Town Meeting, provided an article is included on the Warrant. An article may be placed on the warrant by the Board of Selectmen or by petition {RSA 40:13 II-a (b)}.

Adopted Town Meeting 1994 Article 7:

Shall the town accept the provisions of *RSA 202-A:4-c* providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority the Public Library Trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a State, Federal or other governmental unit or a private source which becomes available during the fiscal year?

Adopted Town Meeting 1994 Article 6:

Shall the Town vote to accept the provisions of *RSA 31:95-b* providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a State, Federal or other governmental unit or private source which becomes available during the fiscal year.

Adopted Town Meeting 1994 Article 5:

Shall the Town vote to accept the provisions of *RSA 33:7* providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to borrow money in anticipation of taxes?

Adopted Town Meeting 1994 Article 8:

Shall the Town vote to accept the provisions of *RSA 80:80* providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to administer, sell, or otherwise dispose of any tax lien or real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks?

Adopted Town Meeting 1994 Article 9:

Shall the Town vote to authorize indefinitely, until specific rescission of such authority, under *RSA 674:40-a*, the Selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided such street has been constructed to applicable town specifications as determined by the Selectmen and their agent?

Adopted Town Meeting 1997 Article 24:

Shall the Town vote to accept the provisions of *RSA 202-A:4-d* providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair or replacement of such personal property?

Adopted Town Meeting 1998 Article 3:

To see if the Town will vote to accept the provisions of *RSA 31: 95-e* providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the

APPROVED “HOUSEKEEPING” WARRANT ARTICLES

Selectmen to accept gifts of personal property, other than money, which may be offered for any public purpose.

Adopted Town Meeting 2006 Article 18:

Shall the town vote to accept the provisions of *RSA 41:9-a* providing that any town at an annual meeting may adopt an article authorizing the Board of Selectmen indefinitely, until specific rescission of such authority, to establish or amend fees in which a license or permit is required as part of the regulatory process?

Adopted Town Meeting 2009 Article 12:

Shall the Town vote to accept the provisions of *RSA 31:19* providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose?

New Hampshire

FINANCIAL REPORTS

For the Year Ended December 31, 2011

AUDITOR'S REPORT

PLODZIK & SANDERSON

Professional Association/Accountants & Auditors

193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX 603-224-1380

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of New Durham
New Durham, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of New Durham as of and for the fiscal year ended December 31, 2009, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of New Durham's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

As discussed in Note 15 to the financial statements, management has not disclosed a liability and all other related information for other postemployment benefits in governmental activities. Accounting principles generally accepted in the United States of America require that other post employment benefits be disclosed on the government wide financial statements, which would possibly result in liabilities, reduce the net assets, and change the expenses of the governmental activities. The amount by which this departure would affect the liabilities, net assets and expenses of governmental activities is not reasonably determinable.

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the financial statements referred to previously do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the governmental activities of the Town of New Durham, as of December 31, 2009, or the changes in financial position thereof for the year then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Town of New Durham as of December 31, 2009, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The budgetary comparison information is not a required part of the basic financial statements, but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The Town of New Durham has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America have determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of New Durham's basic financial statements as a whole. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

AUDITOR'S REPORT

PLODZIK & SANDERSON

Professional Association/Accountants & Auditors

193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX 603-224-1380

INDEPENDENT AUDITOR'S COMMUNICATION OF CONTROL DEFICIENCIES AND OTHER MATTERS

To the Members of the Board of Selectmen
Town of New Durham
New Durham, New Hampshire

In planning and reporting our audit of the financial statements of the Town of New Durham as of and for the fiscal year ended December 31, 2009, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of New Durham's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies and other deficiencies that we consider to be material weaknesses.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Town's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the financial statements that is more than inconsequential will not be prevented or detected by the Town's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Town's internal control. We believe that the following deficiencies constitute material weaknesses.

Town Policies

The Town's control environment should require that management and employees establish and maintain an environment throughout the Town that sets a positive and supportive attitude toward internal control and conscientious management. The control environment established by the Board of Selectmen sets the tone for how the Town employees and elected officials conduct its business.

As the Board of Selectmen, Trustees of Trust Funds, Library Trustees, and department heads strive to achieve the goals of the Town and provide accountability for their operations, they need to continually examine internal controls to determine how well they are performing, how they may be improved, and the degree to which they help identify and address major risks for fraud, waste, abuse and mismanagement.

We noted that the Town has no formal policy covering general accounting procedures, including handling of cash receipts and related deposits, which are areas essential in managing the Town's resources. Written policies are important in minimizing interruptions due to personnel changes and also assist in facilitating supervision and evaluation.

We recommend that the Board of Selectmen develop and formally adopt the noted policy in order to clearly communicate the Town's position on these matters.

AUDITOR'S REPORT

*Town of New Durham
Independent Auditor's Communication of Control Deficiencies and Other Matters*

Ambulance Billings

We identified a weakness in control over ambulance revenues, as the billings invoiced by Comstar were not reconciled to the ambulance run reports in a timely manner. This reconciliation process is essential to ensure that all revenues are recorded.

We recommend that the total ambulance runs be reconciled to the Comstar billings. The reconciled information, with backup documentation, then be presented to the finance department on a monthly basis, or the ambulance run records and Comstar billing records submitted to finance so that they may perform the reconciliations, ensuring that the financial activity is properly recorded.

We also want to discuss the following other issues that we do not consider to be significant deficiencies.

Disbursements

We noted the following during our review of disbursements:

1. Ten out of sixty payments examined were not paid in a timely manner (i.e., within one month of receipt of the invoice).
2. Two instances were noted where the purchase order was backdated to the date of the invoice.
3. One instance was noted where a bid was not obtained for an expenditure in excess of \$3,000, in accordance with the Town's purchasing policy.

We recommend that steps be taken to ensure that proper purchasing procedures are being followed.

This communication is intended solely for the information and use of management, the board of selectmen, others within the organization, and state and federal agencies, and is not intended to be and should not be used by anyone other than these specified parties.

CITY/TOWN OF New Durham IN Strafford COUNTY

CERTIFICATION

This is to certify that the information provided in this report was taken from the official records and is correct to the best of our knowledge and belief.
Rev 1707.03(d)(7)

PRINT NAMES OF CITY/TOWN OFFICIALS	SIGNATURES OF CITY/TOWN OFFICIALS* (Sign In Ink)
Theresa A. Jarvis	
David A. Bickford	
Jeffrey M. Kratovll	

*Under penalties of perjury, I declare that I have examined the information contained in this form and to the best of my belief it is true, correct and complete.

Date Signed 10/11/2011 Check one: Governing Body Assessors

City/Town Telephone # 603.859.2091

Due date: September 1, 2011

Complete the above required certification by inserting the name of the city/town officials, the date on which the certificate is signed, and have the majority of the members of the board of selectmen/assessing officials sign in ink.

REPORTS REQUIRED: RSA 21-J:34 as amended, provides for certification of valuations, appropriations, estimated revenues and such other information as the Department of Revenue Administration may require upon forms prescribed for that purpose.

NOTE: The values and figures provided represent the detailed values that are used in the city/towns tax assessments and sworn to uphold under Oath per RSA 75:7. Please complete all applicable pages and refer to the instructions tab for individual items.

THIS FORM MUST BE RECEIVED BY THE DRA NO LATER THAN SEPTEMBER 1ST.

Village Districts - pages 8-9 must be completed for EACH village district within the municipality.

RETURN THIS SIGNED AND COMPLETED INVENTORY FORM TO:

N.H. DEPARTMENT OF REVENUE ADMINISTRATION
MUNICIPAL SERVICES DIVISION
PO BOX 487
CONCORD, NH 03302-0487

Under penalties of perjury, I declare that I have examined this form and to the best of my belief it is true, correct and complete. (If prepared by a person other than the city/town officials, this declaration is based on all information of which the preparer has knowledge.)

Preparer: Vickie L. Blackden (Print/type) E-Mail Address: ndfunds@metrocast.net

FOR DRA USE ONLY

Regular office hours: 9-5 Monday - Friday

See Instructions (pdf link) on page 10, as needed.

* RSA 362-A:6 was reinstated, effective 4/1/2006. This statute allows municipalities to enter into payment in lieu of tax agreements with small scale power facilities. However, these new PILOT agreements are also taxable under RSA 83-F.

Questions regarding these laws please consult with the DRA Utility Tax Appraiser at (603) 230-5950.

VILLAGE DISTRICT/PRECINCT ONLY

LAND BUILDINGS	Lines 1 A, B, C, D, E, F & G List all Improved and unimproved land - include wells, septic & paving. Lines 2 A, B, C, D & E List all buildings.	NUMBER OF ACRES	2011 ASSESSED VALUATION BY CITY/TOWN

Remitted to Treasurer:				
Redemptions	\$35,532.74	\$97,511.34	\$64,350.92	\$25,690.09
Interest and Cost After Lien Execution	\$2,134.80	\$17,568.49	\$24,481.43	\$12,119.67
Liens Deeded to Municipality		\$6,697.56	\$6,352.84	\$11,671.26
Unredeemed Taxes	\$165,534.10	\$65,693.79	\$16,802.91	\$3,740.68
Total Credits	\$203,201.64	\$187,471.18	\$111,988.10	\$53,221.70

Important Dates:

May 1st is the date that the 2011 property tax amount and interest due must be paid in full to prevent further action of the tax lien process. The collector shall give notice to the current owner, if known, of impending liens at least 30 days prior to the execution of any lien and send a notice to all persons holding a mortgage within 45 days from the date of the execution of a lien. The interest rate changes from 12% to 18% per annum on any remaining balance that is not paid by the date of the lien execution.

July 1st is usually when the first issue of the property tax bill is due. The first bill is an estimated bill based on half of the previous year's tax bill, unless you have made improvements to your property or your assessed value has changed.

December 1st is usually when the second issue property tax bill is due. This bill is calculated using the new tax rate, that is calculated in October, multiple by the assessed value of your property as of April 1st. The tax year runs from April 1st to March 31st.

Respectfully submitted,
Carole M. Ingham
Tax Collector

**COPPLE CROWN
VILLAGE DISTRICT
REPORTS**

For the Year Ended December 31, 2011

2011 ANNUAL MEETING MINUTES

APRIL 27, 2011

The meeting was called to order at 7:14 p.m. on Wednesday April 27, 2011 by Commissioner Christopher LaPierre.

Article 1: To choose all necessary Village District officers.

Moderator- 1 yr term- Vacant

Secretary- 1 yr term- Paula Pero re-elected

Treasurer- 1 yr term- Cathleen LaPierre re-elected

Auditor- 1 yr term- Patricia Grant (if needed) (Christopher LaPierre will ask for a waiver from the State of NH)

Commissioner - 3 yr term- Brian McKenna re-elected

Article 2: To see if the Village District will vote to raise and appropriate the sum of \$1000 to be placed in the Uranium Treatment Media Replacement Capital Reserve Fund previously established.

Passed- 1st Motioned by Pat Grant

2nd Motioned by Brian McKenna

All were in favor - none opposed

Article 3: To see if the Village District will vote to raise and appropriate the sum of \$106,025 for general municipal operations. This article does not include special or individual articles previously mentioned.

After reviewing each line on the MS -37 a **new motion to increase line #4902 from \$500 to \$5000 was made - Richard Jackson made the motion to accept and Brian McKenna made the 2nd motion to accept, all were in favor, none opposed. Motion was ACCEPTED, PASSED.**

ARTICLE 3: appropriate sum of \$106,025 was changed to \$110,525 and a new motion to accept was needed. 1st Motion to accept was made by Pattie Frizzle, 2nd motion by Brian McKenna all were in favor, none opposed new budget was Accepted and Passed.

Article 5: To conduct any other business that may legally come before the meeting:

- a) **Safety Concerns** were made about the speeding: Commissioners are looking into having seasonal speed bumps put in.
- b) **Safety Concerns** were made about vehicles parked in the road going down the mountain in a blind curve, the Commissioners will be sending out a letter to inform the resident about the safety issues
- c) **Concerns were made about personal boats and campers that are parked on the lawn** by the lodge, the Commissioners will be sending letters out to the owners for their removal.
- d) **Road repairs:** discussions was made about fixing the cracks in the roads and the Commissioners will be looking into having them repaired.
- e) **Paula Pero** mentioned she needed more loom and mulch to be able to put new plants in order to maintain the CCVD sign at the intersection of Kings Highway and Mountain Drive.
- f) **Lodge in need of a new roof** and Pool clean up was discussed the commissioners will post when volunteers will be needed for both.

Motion to adjourn at 8:07 p.m. by Commissioner LaPierre was made and seconded by Pattie Frizzle all were in favor.

Respectfully submitted,
Paula Pero, Secretary/Clerk

BUDGET FORM FOR VILLAGE DISTRICTS

WHICH HAVE ADOPTED THE PROVISIONS OF RSA 32:14 THROUGH 32:24

DATE OF MEETING: 01/11/12 For Fiscal Year: 2012

VILLAGE DISTRICT: Copple Crown County: Strafford

In the Town(s) Of: New Durham

Mailing Address: 81 Mountain Drive

Phone #: 603-569-3772 Fax #: _____ E-Mail: ccvd@metrocast.net

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. RSA 32:5 requires this budget be prepared on a "gross" basis showing all revenues and appropriations. At least one public hearing must be held on this budget. All proposed appropriations MUST be on this form.
2. This budget must be posted with the Village District warrant not later than the fifteenth day before the day of the meeting.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the village district clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days of the meeting.

This is to certify that this budget was posted with the warrant on the (date) _____

BUDGET COMMITTEE

Please sign in ink.

Under penalties of perjury, I declare that I have examined the information contained in this form and to the best of my belief it is true, correct and complete.

**GENERAL
ADMINISTRATION
REPORTS**

For the Year Ended December 31, 2011

RESTORATION OF INVOLUNTARILY MERGED LOTS HB – 316 NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

This notice must be:

- *Posted continuously in a public place from January 1, 2012 until December 31, 2016, and*
- *Published in the 2011 through 2015 Annual Report.*

Read the full statute at [RSA 674:39-aa Restoration of Involuntarily Merged Lots](#).

NEW HAMPSHIRE'S RIGHT-TO-KNOW LAW

“Openness in the conduct of public business is essential to a democratic society. The purpose of [RSA 91-A- the Right to Know Law] is to ensure both the greatest possible public access to the actions, discussions and records of all public bodies, and their accountability to the people.” RSA 91-A:1

Meeting Notices: Notice of a Public Meeting shall be posted with time and place at least 24 hours in advance of the meeting, in two (2) legal places- one of which can be the Town's website. **RSA 91-A:2 II**

Posting Minutes: Minutes should be available for public inspection no later than 5 days after a public meeting. **RSA 91-A:4 IV** Non Public minutes must also be kept and they must be made available within 72 hours after the meeting unless the Board votes to **seal** them. **RSA 91-A:3III**

A meeting is a quorum or a majority of the membership of a public body (Board, Commission, Committee) gathering in one place. Sometimes this happens by chance and that is alright if it is not convened for the purpose of discussing or acting upon matters of that public body. **RSA 91-A:2**

Electronic Participation: “A public body may, but is not required to, allow one or more members of the body to participate in a meeting by electronic or other means of communication for the benefit of the public and the governing body.” Examples include telephone or internet video. **RSA 91-A:2 III**

Availability: Every citizen during the regular or business hours of all public bodies or agencies, and on the regular business premises of such public bodies or agencies, has the right to inspect governmental records in the possession, custody, or control of such public bodies or agencies. There are exceptions to this law, and there is a fee associated with making copies. **RSA 91-A:4**

Statutory Reasons for going into Non Public Session:

RSA 91-A:3, II(a) The dismissal, promotion, or compensation of any public employee or the disciplining, or investigation of any charges against him or her, **unless** the employee affected (1) has a right to a public meeting, and (2) requests that the meeting be open, in which case the request shall be granted.

RSA 91-A:3, II(b) The hiring of any person as a public employee.

RSA 91-A:3, II(c) Matters which, if discussed in public, would likely affect adversely the reputation of any person, **other than a member of the board**, unless such person requests an open meeting. This exemption shall extend to include any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant.

RSA 91-A:3, II(d) Consideration of the acquisition, sale or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community.

RSA 91-A:3, II(e) Consideration or negotiation of pending claims or litigation which has been threatened in writing or filed against this board or any subdivision thereof, or against any member thereof because of his or her membership therein, until the claim or litigation has been fully adjudicated or otherwise settled

RSA 91-A:3, II(i) Consideration of matters relating to the preparation for and the carrying out of emergency functions

**TOWN DEPARTMENT
REPORTS**

For the Year Ended December 31, 2011

BOARD OF ETHICS

In January 2011 after an intensive review of the Code of Ethics and consideration of public input, seven articles were placed on the 2011 Town Warrant.

At the March 2011 Town Meeting, residents voted to repeal the Ethics Ordinance and gave Cecil Chase, Town Moderator, the authority to establish a committee to revise and rewrite the ordinance into a policy. The committee was to consist of two members of the Board of Ethics, two residents at large and a town employee.

The Ethics Policy Revision Committee was established in April comprised of Dot Vesiel, Carol Allen, Mike Gelinas and Barbara Hunter. The town employee position was not filled.

The EPRC had its final meeting on Tuesday, December 27, 2011. At that time, the New Durham Ethics Policy was adopted, the Board of Ethics disbanded and, with the completion of its work, the EPRC suspended.

The policy was presented to the Board of Selectmen at their meeting on December 28 and will take effect on January 26, 2012.

I want to thank the following members who have served during various times on the Board of Ethics since its inception in the spring of 2008: Jan Bell, Marcia Clark, Dennis Cooper, Linscott "Skip" Fadden, Mike Gelinas, Debra Jelley and Anneleen Loughlin, our recording clerk.

Respectfully submitted,

Barbara Hunter, Chair
New Durham Board of Ethics

Twilight on March's Pond

BOODEY HOUSE COMMITTEE REPORT

I would like to take this opportunity to thank, Sherry and Crissa for their dedication and hard work given to the preservation efforts for the Boodey House. Each has contributed countless hours to organizing and supporting efforts to fund raise and seek donations. Great job ladies, it is an honor to serve on this committee with you.

I am pleased to inform the citizens on the achievement of a goal, paying off the obligation for the balance owed to Preservation Timber Framing. During 2011 Town Meeting seven thousand dollars was appropriated to pay down the balance and three thousand three hundred and forty seven dollars and ten cents was raised from donations and fund raising efforts. 2012 will begin the second phase of reconstruction of the Boodey House, seeking quotes for ground breaking and construction of the basement. The committee would like to thank everyone for supporting our efforts.

D & N Trucking has loaned the storage trailers to the Town for as long as they are needed, at no cost. I am sure the citizens can appreciate the gift for this arrangement.

Thank you for the continuing support of the efforts to preserve this historically important building.

Respectfully Submitted:

Catherine Orlowicz,
Boodey House Committee Chair

Members:
Cheryl Cullimore
Crissa Evans

Future Location of Boodey House, corner of Berry and Stockbridge Roads

BUDGET COMMITTEE

Members of the Committee:

David Curry, Chair;
David Shagoury, Vice Chair
Members: JR Jones, Adam Buehne (CIP rep), Dean Stimpson, Terry Jarvis (BOS rep), Chris LaPierre (Village District Rep & CIP rep) with Vicki Blackden (Fin. Ass't)

The March 2011 Town Meeting passed appropriation measures of \$3.9 Million dollars. The Operating Budget portion of the budget was \$2.95 million and reflected

a 2% decrease from the 10 budget. This is significant as the budget had been growing over the last ten years at a 4.6% annual rate. In the 2011 budget the major capital expenses were the new grader for the Highway department, a new police cruiser and a plow truck with wing. All have been purchased this year and as we've seen in the 2011 expenditures and the 2012 budget proposed fleet maintenance expense has decreased a good bit. We have conducted quarterly reviews of expenditures and progress toward accomplishment of Town Warrants and report that all have been accomplished and that each department has performed well against budget objectives.

We met with the Board of Selectmen in early September to discuss CY2012 Budget goals. Among items discussed was a move toward a meaningful performance based pay system. This undertaking is a significant commitment by the BOS and we encourage its completion. We also anticipated the result of a historical assessment of the Town Hall. All expected a pretty expensive proposition so we wanted to ensure we included consideration of this expense in this year's budget consideration. This has been done and this coming year we have allocated about \$25K to address proper restoration, health and safety issues in the building. We also resolved to allow consideration of some type of pay increase to the town staff as they had not received any increase in over two years. We agreed to let the Board of Selectmen develop ideas how to achieve this.

This last issue came to a head in the fall. Due to roll-backs and modifications by the state in the retirement accounts, the BOS approved in the budget submittals a 2% increase in salary to off-set state mandated individual contributions to retirements. This meant that employee take home pay would remain the same. The budget committee has approved these increases in the operating budgets of each department.

Finally, the operating budget for CY 2012 has been approved at \$4.0M. This represents a 1.77% increase in the budget for next year. Given the pay increased the budget committee exercised due diligence and is recommending a very modest appropriation increase for next year.

We are looking for people interested in joining the committee. If you could volunteer about 30 hours/year at 12-13 meetings over the course of the year, please contact the town moderator Cecile Chase and express your interest OR complete a town volunteer sheet at the Town Clerk's Office.

Respectfully submitted and thanks for the opportunity to serve you.

Dave Curry, Chair.

BUILDING INSPECTOR/ CODE ENFORCEMENT OFFICER/ HEALTH OFFICER

We have seen a slight decrease in building permits. There were a total of 71 building permits issued in 2011 as compared to 81 in 2010. The breakdown of permits is as follows:

1. New Homes including demolition and rebuild – 8
2. New out buildings - garages/sheds plus additions – 24
3. All other permits such as re-roof, repairs to homes, decks, etc. – 39

Total value of construction for 2011 - \$2,745,200

Total fees collected for 2011 - \$20,735

Impact fees collected for 2011 were about - \$26,366.10

In comparing the numbers from this year to last year, we have seen a 21% decrease in the value of construction, a 17% decrease in fees collected and a 37% decrease in impact fees. Even with the decreases in revenue, the department met its goal for revenue. The department was almost entirely funded by permit fees. Although there may have been a decrease in permits, keep in mind that the numbers do not include all permits that are still open from 2010.

The town was successful in getting an out of court settlement for an illegal junkyard to be cleaned up. This illegal junk yard has been a case lingering in town for years.

Please feel free to stop by my office or call my cell phone with any questions. My cell number is 603-978-2190.

Respectfully submitted,

Arthur Capello

Building Inspector/Code Enforcement Officer/Heath Officer

Photograph of Merrymeeting Lake during a misty morning taken by Arthur Capello

CIP ADVISORY COMMITTEE RECOMMENDATIONS

A Capital Improvement Program (CIP) is a critical tool to implement the Town's Master Plan. It is also a useful tool in anticipating future costs to the Town, and planning ahead for those costs. The Town of New Durham has used a 10-year cycle overview rather than a 6-year schedule as some other plans use.

The Advisory Capital Improvements Committee has reviewed the Town of New Durham Capital Improvements Plan for the upcoming 2012 budget season. The CIP committee has made changes to the CIP in order to adjust to the economic environment, as well as to reflect the decisions of the 2010 and 2011 Town Meeting.

The CIP committee has suggested the creation of one new capital reserve fund, but left the funding recommendation open to the Budget Committee and Board of Selectmen to decide. It is the recommendation of the Advisory CIP Committee that the Capital Reserve Funds be funded at the level indicated in order to ensure sufficient funds for future expenditures.

In 2011, the Committee met on seven occasions (June 27th, July 11th, July 25th, August 8th, August 22nd, September 12th and September 26th), resulting in the following recommendations:

PUBLIC SAFETY

Public Safety Facilities Capital Reserve Fund

Recommendation: \$25,000

Rationale: The committee anticipates that the Fire Department will make some major improvements next year. The committee also anticipates the need for a future Public Safety Facility. They would like to see this account funded for the updates to the Fire Station, and for future planning of a concentrated Public Safety facility in Town.

FIRE DEPARTMENT

Fire Truck Capital Reserve Fund

Recommendation: \$30,000

Rationale: \$30,000 over a span of 6 years will keep the fund at a safe level after purchasing the next fire truck.

Planning, Construction Satellite Fire Station

Recommendation: \$10,000

Rationale: This has been a topic of discussion for the committee. The CIP committee feels it is a matter of time before the town needs a satellite station. The department has secured the land, and the committee would like to see the town prepare for this expense. There may be an opportunity to rotate a fire truck up to this facility, when it is time for replacement of this truck. There is also a significant level of interest from Kings Highway area residents to participate as fire fighters at a closer station.

POLICE DEPARTMENT

Police Cruiser Capital Reserve Fund

Recommendation: \$53,000

Rationale: All of the equipment in the Police Department's Chevy Impala will have to be replaced as the Chief is moving to a Ford with this next cruiser. The committee thinks that the Town should be prepared for the every other year replacement that will be coming forward in the next few years. This amount will fund the vehicle for next year, with \$15,000 left over to bring this CRF back on a schedule.

HIGHWAYS AND STREETS

HIGHWAY DEPARTMENT

Highway Equipment Purchases Capital Reserve Fund

Recommendation: \$50,000

Rationale: Because the Town lease purchased the Grader in 2011, there is enough money for the CIP committee to recommend less than the CIP schedule calls for. The Loader is up for replacement in 2013, for \$125,000. There is enough money in the account to purchase the Loader and stay on schedule.

CIP ADVISORY COMMITTEE RECOMMENDATIONS

Highway Truck Capital Reserve Fund:

Recommendation: \$100,000

Rationale: The CIP is recommending more to this account because it was short funded last year and there are several major purchases coming up in the next few years: a dump truck with plow in 2012, a pick-up truck in 2013 and a dump truck with plow in 2014.

Construction/Expansion of Highway Garage Capital Reserve Fund

Recommendation: \$20,000

Rationale: The Road Agent will have enough to fund the construction of an addition to move the Highway Department Office, so as to make public access safer and more accessible. However, there are still several updates to the Highway Garage that need to be made including the roof, insulation, furnace, as well as the compressor to be moved. This will fund the reserve just enough, as the Road Agent feels he will have enough money to add the necessary addition to the Highway garage next year.

***Gravel Fund** (*New Capital Reserve Fund recommended)

Suggestion: Special note has been made of the Town's gravel pit. The CIP recommends the establishment of a gravel capital reserve fund.

Rationale: The Town-owned gravel pit has approximately two years worth of gravel left; and the pit has to be closed by the year 2015. The Road Agent will recommend the amount to be placed in this fund.

EQUIPMENT MECHANIC DEPARTMENT

Vehicle and Equipment Maintenance Capital Reserve Fund

Recommendation: \$0

Rationale: The Equipment Mechanic recommended zero funding this line. The committee would like to look into adding for unforeseen emergencies in the future.

SOLID WASTE

Solid Waste Facilities Improvement Capital Reserve Fund

Recommendation: \$5,000

Rationale: There is a temporary reduction in the recommendation this year, as there are no immediate plans for improvements to the Solid Waste facility, except to repair the roof.

Purchase Equipment for Transfer Station Capital Reserve Fund

Recommendation: \$5,000

Rationale: This amount has been reduced, due to the quality of the repair of the bailer this year. As there are significant equipment expenses coming up in the next ten years, the committee recommends that there be significant research done for the upcoming schedule.

CULTURE AND REREATION

PARKS AND RECREATION DEPARTMENT

Smith Ball Field Improvements Capital Reserve Fund

Recommendation: \$2,000

Rationale: There are many updates that need to be done at the ball fields; the first of which are in-field updates to the baseball fields. In the long term, some significant irrigation updates will be costly.

LIBRARY DEPARTMENT

Library Facilities Improvements Capital Reserve Fund

Recommendation: \$2,000

Rationale: The committee is recommending \$2,000 to keep accruing money in that account for future facility improvements.

CIP ADVISORY COMMITTEE RECOMMENDATIONS

Library Technology Improvements Capital Reserve Fund

Recommendation: \$0

Rationale: The Library Director said that it was not crucial to add to this fund this year. The committee decided to take that as a recommendation.

GENERAL GOVERNMENT

LAND AND BUILDING

Municipal Facility Land Acquisition

Recommendation: \$25,000

Rationale: The committee would like to see the proper planning for future town services, and feels that the time to start putting away money for the future acquisition of property is now.

Shirley Cemetary Improvements Capital Reserve Fund

Recommendation: \$0

Rationale: The CRF is holding approximately \$5,000. The committee has not received any hard numbers for future updates.

1772 Meeting House Restoration Capital Reserve Fund

Recommendation: \$10,000

Rationale: The cost to update this building is high, and the committee is working towards phase two of the project. They will be seeking a LCHIP grant to pay for half of the project, and would like to see enough to fund the Town's portion build up in this fund.

Master Plan

Recommendation: \$2,000

Rationale: The Planning Board would like to hire consultants for the Master Plan update next year. They believe it will cost close to \$10,000 to \$15,000 to do so.

CONCLUSION

For the 2011 budget year, the CIP committee recommended a total amount of \$428,616.25. That number included Dry Hydrants, and Milfoil (totaling \$12,500), which are not included in this year's recommendation. For 2012, we are recommending an amount of \$339,000, which is \$89,616.25 (21%) less than last year. The committee recognizes the need to keep the Town's budget low, and has gone through each project and capital reserve fund to determine what the funding for the 2012 budget should be to keep this plan on track. We believe we have accomplished this task while still achieving substantial savings.

The Advisory Capital Improvements Committee feels it is important to fund the above Capital Reserve funds at their recommended levels and not cut them anymore. The goal of the CIP committee is to maintain the Capital Reserve fund balance schedules so that future capital expenses do not incur large impacts to the Town's budget in any one year. In recent years, the committee has adjusted its recommendations to the schedule in order to adapt to the economic environment, as well as the budgetary decisions of the Town without sacrificing the purpose of the CIP itself.

Over the past few years, the Town budget has become less prone to large spikes and maintained a more level funded state due to implementation of the Capital Improvement Program. If the Plan is maintained according to schedule, the town will see a savings in the long run. If the CIP schedule is cut deeper, the Town budget will return to the past state where large fluctuations in budget expenses (and tax rates) occurred from year to year due to the need to make large Capitol purchases.

Please contact TA Webb at Town Hall for a copy of the full CIP report.

CAPITAL IMPROVEMENT PLAN SUMMARY

CATEGORY OF IMPROVEMENT	CAPITAL ITEM	APPROPRIATED 2011	CIP	
			RECOMMENDED for 2012	FUNDING OPTIONS
General Govt.	ETF Bldgs Imp.	\$50,000.00	NA	Exp. Trust

TOTAL COMBINED CAPITAL RECOMMENDATIONS			\$339,000.00	

CEMETERY TRUSTEES

The John C. Shirley Cemetery Trustees are pleased to report the following activities for the year 2011.

Denis Martin was elected Cemetery Trustee in 2011. His willingness to serve as a Trustee is appreciated and we look forward to his continued efforts.

The Rules and By-Laws were reviewed and updated during 2011. If anyone would like a copy, please contact the Cemetery Trustees at Town Hall. During the year there were three lots sold and several burials.

The Cemetery Trustees would like to thank several people for their hard work in keeping the John C. Shirley Cemetery a beautiful and tranquil area of New Durham. The Town Highway Department has kept the grounds in superb condition. Mike Clarke, Cemetery Sexton, has worked with bereaved families and funeral home personnel and has shown great respect and offered every assistance possible.

Activities for the year 2012 will include re-alignment of foot and headstones that have tilted over the winter. The annual spring clean up should be completed by Memorial Day. During the spring clean up; please help collect all outdated floral displays and miscellaneous items prior to Memorial Day Weekend. We appreciate your assistance and understanding. Flags will again be placed on the lots occupied by Armed Forces Veterans.

Future improvements include road paving, tree removal, and a sprinkler system. The Trustees will propose funding for these improvements through Warrant Articles at the annual Town Meeting.

No one likes to think about the passing of a relative or loved one but certain steps may be taken to ease the process. Lots may be purchased at the New Durham Town Hall during business hours. If you own a lot simply inform you funeral director or call the New Durham Town Hall for further assistance during your time of need.

Please contact the Trustees at Town Hall with family contact information if there are changes from the original deed.

Respectfully submitted by,

Joan Martin, Chairman
Michele Kendrick, Trustee
Denis Martin, Trustee

CONSERVATION COMMISSION

The New Durham Conservation Commission is pleased to have finished a successful year. Collaboration with Moose Mountains Regional Greenways and Strafford Rivers Conservancy continues to benefit the Town, as the expertise of these groups is crucial to furthering conservation easements and helping to keep taxes from skyrocketing. Trails on one of our recent tracts of conserved land have been marked for the enjoyment of hikers.

Our major accomplishment this year was the completion of the Natural Resources Inventory (NRI). Protecting the Town's natural resources is our highest priority, and the NRI will help us focus on the most critical areas. The NRI will also become a valuable tool for the Planning Board, as it supports careful land use in planning. The report is posted to the town's website at www.newdurhamnh.us. Just follow the links to the Conservation Commission page.

Our next step is to create co-occurrence maps based on themes important to conservation. Prioritizing lands for protection based on those co-occurrence studies can then take place. The final step is to create action plans based on those priorities, moving us from reacting to threats to a proactive position, based on a long-range plan.

The NDCC is committed to helping retain pristine aquatic habitats in the three local watersheds. Protecting lake quality is the single most important initiative the Town can take in protecting its tax base. More than 50 per cent of tax revenues come from lake properties, and if the water quality declines, then property values decline.

This year, the NDCC agreed on two steps toward better protection of water quality. Detailed follow-up on applications that come before the NDCC has been sporadic in the past. Increased enforcement will now become the norm. Contractors and applicants are informed that they must keep the building department apprised of progress, and inspections will take place upon completion of projects.

A mailing to lake residents reminding them of Shorefront permit requirements and noting this increased enforcement will be sent out in 2012. The flyer will also include small changes that homeowners can affect that will prove significant to water quality over time.

Sadly, 2011 marked the passing of NDCC member Marcia Clarke, a fair-minded and pro-conservation individual involved in many aspects of community life.

The NDCC is honored to continue safeguarding those features that draw people to New Durham and provide its residents with the recreational opportunities they so enjoy.

Respectfully submitted,

Cathy Allyn, Charles Berube, Ron Gehl, Paddy McHale, Bill Malay, Robert Craycraft

EMERGENCY MANAGEMENT DIRECTOR

The New Durham Emergency Management Department continues to work on a wide variety of issues to improve our ability to assist the citizens of New Durham. Fortunately, we have terrific cooperation among all town departments.

The remnants of Hurricane Irene created some loss of power issues caused by trees down on power lines. The highest priority during an emergency is to assess casualties and damage and also assessment of road conditions. Available resources will be allocated to open and maintain all roads for emergency services vehicles.

We are working closely with the Health and Safety Council of Strafford County to update and consolidate regional shelter plans.

The Emergency Management Department, with input from all town departments, will continue to work on the town's Emergency Operation Plan. Work on this upgrade has already begun and will be completed in 2012.

Respectfully submitted,
Ken Quigley
Emergency Management Director, New Durham

Photograph of damage caused by Hurricane Irene

ETHICS POLICY REVISION COMMITTEE

At the March 2011 Town Meeting, voters rescinded the Ethics Ordinance and charged the town moderator to appoint a committee to rewrite and adapt the Ordinance into a Policy, changing articles and wording as appropriate. Since our first meeting in April, the Ethics Revision Committee has met bi-monthly to meet this goal.

Our first task was to review and vote on the articles 13 through 24 from the Town Warrant. They were voted on and amended to meet the criteria of a policy. Then, there followed 7 months of scrutiny, debate, research and discussion. Consensus was achieved on every point. This committee has worked hard to preserve and maintain the standards that had been put forth in the Ethics Ordinance. The focus of our work has been to remove ambiguities and inconsistencies in language and those items not clearly supported by the RSAs of the State of NH. After review by town counsel the new Ethics Policy was formally adopted and presented to the Board of Selectmen in December. A copy of the New Durham Ethics Policy is included in this report and available on the Town Web Site.

I want to thank committee members Carol Allen, Barbara Hunter, and Michael Gelinis for their many hours of hard work and thoughtful deliberation.

Respectfully submitted,
Dorothy Veisel, Chair

Sugaring at Miller Farm

TOWN OF NEW DURHAM ETHICS POLICY

PURPOSE:

The purpose of this code is to establish guidelines for the ethical behavior of the conduct for public servants.

We expect our public servants and volunteers to act in the best interest of the town.

- We expect public servants to disclose any personal, financial, material or substantial interests in matters affecting the town which come before them for action, excluding trivial or transient interests which are the natural result of living in a small town.
- We expect public servants to remove themselves from decision making if they have a conflict of interest.
- We expect public servants to be independent, impartial, and responsible to their fellow townspeople in their actions.
- We expect that the town's official decisions and policies be made through the proper channels of government.
- We expect that public servant positions in our town not be used for personal gain.

It is important that the public have confidence in the integrity of its government and that town public servants have an opportunity to protect their personal reputation.

This policy establishes a committee that will develop procedures by which one may obtain guidance and education regarding potential ethical issues. This committee hears inquiries and advises individuals. The Ethics Committee will provide non-binding responses to inquiries. All complaints will be handled by the Board of Selectmen.

SECTION I: DEFINITIONS

As used in this policy, the following terms shall have the meanings indicated:

Appearance: To someone without knowledge of relevant facts, a public servant's involvement in a matter seems to be in violation of the standards set forth in the Town's Ethic Policy.

Board: Any board, committee or commission, permanent or special, established in accordance with New Hampshire law.

Conflict of Interest: A situation, circumstance, or financial interest which has the potential to cause a private or personal interest to interfere with the proper exercise of a public duty, or which has rendered the individual incapable of being impartial; the situation, circumstance, or financial interest must be immediate, definite and capable of demonstration; not remote, uncertain, contingent, and speculative.

Electioneer: To act in any way specifically designed to influence the vote of a voter on any question or office.

Employee: A person who is paid by the Town of New Durham for his/her services, but who is not an independent contractor.

Immediate Family: A spouse, civil union partner, children, step children or foster child of the public servant, a person that the public servant is the legal guardian of or where the public servant or their spouse is a person standing "in loco parentis" of another, mother, father, grandparent or sibling of either the public servant or the public servant's spouse or relative living in the public servant's domicile or a

- A duty to disclose
- No unfair personal use of town property
- No misuse of confidential information
- No improper gifts
- Fair and equal treatment
- No investments that conflict with duties
- No nepotism
- No conflicts of interest
- A duty to recuse

TOWN OF NEW DURHAM ETHICS POLICY

person that the public servant is otherwise in an intimate relationship with and residing in the same household as the public servant.

Interest: Any legal or equitable right, share, or claim, whether or not subject to an encumbrance or a condition, which is owned or held, in whole or in part, jointly or severally, including but without limitation, a right, share or claim to land, excluding incidental or minimal rights, shares or claims.

Misuse: The incorrect or improper use or misapplication of information, position, authority, or influence, as well as town resources, property or time by a public servant.

Nepotism: Favoritism shown to an immediate family member by a public servant while in his/her official capacity.

Public Servant: All town officials, boards and employees of the Town of New Durham, whether elected, appointed, paid or unpaid.

Quasi-judicial Action: Any action where the board has a duty to notify the potential parties, hear the parties, and can only decide after weighing and considering such evidence and arguments as the parties choose to lay before them.

Recuse: Completely removing or excusing oneself from participation as a public servant in a specific action or discussion due to a conflict of interest.

Resident: A person whose legal address is in the Town of New Durham.

Taxpayer: A person or business who is subject to taxation by the Town of New Durham.

Town: The Town of New Durham, including all of its public servants, residents and taxpayers.

SECTION II: PROVISIONS

A. Conflicts of Interest – Specific Provisions

(i) Public servants shall avoid conflicts of interest.

(ii) A public servant who wishes to appear on behalf of himself/herself or any party shall publicly disclose the nature and extent of that interest and disqualify him or herself before advising, deliberating, representing that someone and/or voting on the matter involved. The following conditions shall be met:

- A written public disclosure of the member's conflict of interest or relationship with an explanation of the representation is provided to the board and included in the minutes.
- The member, when representing himself/herself or any party, shall step down from the board after first publically declaring his/her reason for stepping down.

(iii) A public servant shall recuse himself/herself in any matter in which he/she or an immediate family member, have a personal interest which may directly or indirectly affect or influence the performance of his/her duties.

(iv) A public servant shall recuse himself/herself if engaged in any investment, business, transaction, or private employment or have any financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his/her duties.

(v) No public servant shall use, or attempt to use, his/her position as a public servant to obtain any financial gain, contract, license, privilege or other private or personal advantage, direct or indirect, for the public servant or any person or firm associated with the public servant.

(vi) No public servant shall coerce, by intimidation, threats, or otherwise, any other public servant to engage in political activities.

(vii) No public servant shall request any subordinate public servant to participate in a political campaign. For the purposes of this provision, participation in a political campaign shall include managing or aiding in the management of a campaign, soliciting votes or canvassing voters for a particular candidate, or performing any similar acts which are unrelated to public servant's duties or responsibilities.

(viii) No public servant shall electioneer while in the performance of his/her official duties or

TOWN OF NEW DURHAM ETHICS POLICY

use town property, including, but not limited to, telephones, facsimile machines, vehicles, and computers, for electioneering, unless such use is available to residents and taxpayers on equal terms.

(ix) No public servant shall receive compensation for performing any official duty except from the town or a grant preapproved by the Office of Selectmen.

B. A Duty to Recuse

Conflicts of interest apply to both quasi-judicial and legislative actions and may warrant the disqualification of a board member in deciding the matter. Ultimately the decision to recuse or not to recuse is up to the individual with the alleged conflict. Information gained through general knowledge as a citizen of the town, or solely as the result of the individual's service in an official capacity, does not disqualify the member unless it has biased the member to such a degree that he or she cannot be impartial. The type of decision (quasi-judicial vs. legislative), not the type of board, is the primary factor for possible disqualification.

(i) A "quasi-judicial action" is any action where the board acts like a judge or jury to decide a matter affecting specific individuals. For example, members are involved in a quasi-judicial action when the board has a duty to notify the potential parties, hear the parties, and decide the matter only after considering and weighing such evidence and arguments as the parties choose to present. Not only do public servants of the Town of New Durham have a duty to recuse themselves as outlined in Section A, but they must also recuse themselves in a quasi-judicial action if they would not be qualified to sit as a juror in that case (RSA 673:14 and 46:6). Stricter standards of fairness tend to be applied by the courts in cases where a board is acting judicial and must demonstrate impartiality.

(ii) A legislative action is administrative in nature and involves a matter affecting all citizens equally. For example, members are acting in a legislative capacity when they set goals, create policies, develop rules, and regulations, research and write amendments, and tend to other procedural matters. Here the need to recuse is more the exception than the rule.

C. A Duty to Disclose

A public servant should make every effort to disclose a possible appearance of a conflict of interest. In any instance where there is a conflict of interest or there could be the appearance of a conflict of interest, a public servant shall disclose the circumstances prior to the time the matter arises for official consideration or discussion, stating all:

- investments or other private transactions
- interests
- relationships
- friendships
- possible conflicts

D. No Unfair Personal Use of Town Property

No public servant shall use town property, services, or labor personally, or make the same available to others unless such use is available to other residents and taxpayers upon request on equal terms.

E. No Misuse of Confidential Information

No public servant shall use any confidential information acquired by virtue of that individual's official position for personal benefit, or for the benefit of any other person or business. This does not apply to information which is readily available to the general public. In addition, no public servant shall violate the privacy of others by publicizing, gossiping, or discussing information confidentially acquired in the course of official duties without a legitimate reason to do so.

TOWN OF NEW DURHAM ETHICS POLICY

F. No Improper Gifts

No public servant shall accept a gift (or allow acceptance of such gift by an immediate family member) from any individual, group, or corporation which have or are planning to have a matter pending before the board on which the public servant serves. This provision of the code is not meant to apply to gifts traditionally exchanged between immediate family members, at holidays or birthdays, for example.

Exceptions

Any discounts provided to a whole class which has been appropriately authorized by the Board of Selectmen and three other exceptions:

- (i) Unsolicited advertising or promotional materials of nominal intrinsic value not to exceed a maximum of \$25.00, such as ball caps, tee shirts, pens, and calendars.
- (ii) Awards for meritorious civic service contributions.
- (iii) Unsolicited consumable items that are donated to an entire work group during holidays.

G. Fair and Equal Treatment

Acting in their official capacity, all public servants shall give each and every person fair and equal treatment. No public servant shall in the course of their official duties give or deny any person special consideration, advantage, or treatment as a result of the person's public status, position, sex, race, religion, creed, sexual orientation, or national origin.

H. No Nepotism

No public servant shall influence or attempt to influence the appointment, hiring, transfer, suspension, promotion, discharge, assignment, reward, discipline, direction of work, or the adjustment of grievances of an immediate family member. If a proposed appointee is a member of the immediate family of any board member, that member shall remove himself/herself completely from the process.

SECTION III: EXCLUSIONS

A. The provisions of this Code of Ethics shall not be interpreted so as to bar:

- (i) Any public servant who is a resident of the Town of New Durham from fully participating in any Town Meeting;
- (ii) Acceptance of donations for the expressed purpose of financing a political campaign, provided such contributions are reported in accordance with all local, state and federal laws which pertain to such donations;
- (iii) Participation in a matter which relates to a person or business from which a public servant has merely purchased goods or services, if the individual in question has no other conflict of interest relating to that person or business;
- (iv) Police officers, fire fighters, and other emergency personnel from acting in the course of their official capacities when responding to emergencies in accordance with the rules and regulations of their departments;
- (v) Supervisors of Town employees from appropriately carrying out personnel policies.

B. Nothing in this policy shall read to prevent a public servant from acting when, due to circumstances beyond the control of the parties, a failure to serve or act would result in the denial of the party's basic right of representation, right to be heard, or denial of some other important due process right, provided that this exception to the policy be as narrowly drawn as possible and last as short a time as possible.

TOWN OF NEW DURHAM ETHICS POLICY

SECTION IV: FORMATION of the ETHICS COMMITTEE

The Board of Selectmen shall appoint a committee of no more than 5 or less than 3 persons, with staggered 3 year terms, such committee will be named the Ethics Committee. A quorum of three or more committee members shall be necessary to hear any inquiry that is submitted.

Appointees shall be residents of the Town of New Durham. No Board of Selectmen or Department Head shall serve on the committee; one member may be a public servant.

The Town of New Durham will establish an Ethics Committee to:

- . Educate public servants regarding the provisions of the Ethics Policy guidelines.
- . Provide advice and counsel regarding ethical issues.
- . Submit Ethics Policy revisions to the Board of Selectmen.

SECTION V: INQUIRIES

Individuals who have questions about interpretation/application of the Ethics Policy may submit inquiries verbally or in writing to the Ethics Committee. After review of written inquiries and when requested, the Ethics Committee shall in writing reference how the policy relates to the inquiry. At the conclusion of the discussion of an inquiry, a written response will be issued within ninety (90) days.

The Ethics Committee will establish rules of procedures making every effort to protect reputations of all parties.

When submitting an inquiry, the individual certifies that he/she has read the New Durham Ethics Policy, and that the matter merits discussion. The Ethics Committee advises but does not judge the merit of an inquiry. It is the responsibility of the applicant to formalize and submit a complaint to the Board of Selectmen.

SECTION VI: COMPLAINTS

Complaints should be brought to the attention of the Board of Selectmen. Complaints involving town employees shall be handled in accordance with the procedures outlined in the New Durham Personnel Policy.

SECTION VII: EFFECTIVE DATE

This policy shall become effective thirty days (30) after its adoption by the Ethics Policy Revision Committee.

SECTION VIII: POLICY REVISIONS

Any changes to the Ethics Policy will be drafted by the Ethics Committee and submitted to the Board of Selectmen for approval.

Adopted by the Ethics Policy Revision Committee December 27, 2011

FIRE DEPARTMENT REPORT

Many thanks to the town for this opportunity to present the 2011 report for the New Durham Fire Department. This past year we answered 339 calls for assistance and have continued to work diligently to improve the efficiency and effectiveness of our operations. I enjoy this chance to share with you some highlights of the year we had, which as always, included hundreds of hours of time and labor donated by the members of your Fire Department.

The former Rescue Unit that had seen a big transformation in 2010 through 2011, mostly through donated time by your Fire Department's members, was requested to several fires this year. The ability to provide an on scene medical screening examination in addition to a clean place for resting and rehydrating was met with much appreciation from the hard working men and women on these scenes.

There was much excitement this year as K.G. Lockwood came onboard to the replace Deputy Fire Chief Michael S. Davenport. Deputy Chief Lockwood was well known to the members and officers of your Fire Department who have worked alongside him in his previous tenures as Deputy Chief at Lakes Region Mutual Fire Aid and as Fire Chief of the Gilmanton, NH Fire Department. Deputy Chief Lockwood brings along with him many years of expertise in the fire service and has already had a positive impact on the efficient operations of your Fire Department.

The Fire Department was proud to recognize Captain David Stuart for 30 years of dedicated service to the town of New Durham in the New Durham Fire Department. You should all be very proud to have such a dedicated public servant in your town!

The end of the year found our department transitioning from dispatch services with Lakes Region Mutual Fire Aid to dispatch services with Strafford County Sherriff's Office. The transition has put our town in position to save over \$19,000 per year. This transition also finds your Fire Department working more closely with the towns of Farmington, Middleton, Milton and Wakefield to find new and better ways to efficiently serve our respective communities.

For those of you who enjoy the yearly statistics here you go:

Fire Calls:	113
E.M.S. Calls:	167
MV Crashes/Rescues:	37
Service Calls:	22
Total Calls:	339

The New Durham Fire Department will sorely miss our recently retired members who have given so much of themselves to better our community, Michael Egeler and Michael S. Davenport. I would, also, like to thank the citizens of New Durham for the continued support of the New Durham Fire Department.

Respectfully submitted, Peter R. Varney, Fire Chief

FOREST FIRE WARDEN & STATE FOREST RANGER REPORT

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-l: 17) a fire permit is required for all outside burning, unless the ground is completely covered in snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Both in terms of the number of fires, as well as the number of acres burned, this past fire season was the smallest since records have been kept. Extensive rainfall virtually all season long kept the fire danger down. When fires did start they were kept very small. The largest fire for the season was only 5.4 acres which occurred in Littleton on May 2nd 2011. There was however a small window of high fire danger in the northern third of the state during July when little rainfall was recorded. During this time there were a number of lightning started fires which are fairly unusual in New Hampshire. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

The Town of New Durham was not much different than the rest of the state this past year, a wet & rainy summer had minimized the fire activity in town. However a few fires were called upon to be extinguished. As mentioned above a permit is required for any outdoor burning when the ground is not completely covered in snow. Permit activity this past year is up with nearly 500 permits being issued. To obtain a fire permit you may stop by the fire department or call one of the numbers below.

Forest Fire Warden Dave Stuart 44 Ridge Road- 859-6098

Brinley Nelson 122 Old Bay Road - 859-2101

Dwight Jones 320 Kings Highway - 569- 4844

These folks have been selected to help reduce the need to drive to the fire station every time for a permit. I'm asking each citizen to be fire wise and not to burn if windy or dry conditions exist.

The town of New Durham has purchased a track set up for our Mule ATV. This will able the fire & rescue personal to gain access to snow covered terrain. It will allow personal to transport injured patients off mountains and trails should they get injured. Again as always thank you for your support in an effort to minimize the danger of fire here in New Durham.

Thank you
David F. Stuart
Forest Fire Warden

State of New Hampshire
Division of Forest & Lands

HIGHWAY DEPARTMENT

I would like to take this opportunity to thank my entire crew for their hard work and dedication to the smooth transition and operation of the Highway Department in my first year as Road Agent in 2011. Thank you all for making my transition as comfortable as possible.

I would also like to thank the Town Mechanic and all other Department Heads as well as Alison Webb (Town Administrator) for their cooperation and help guiding me through this past year. As most taxpayers saw, the Highway Department was quite busy this year on projects around Town, getting areas repaired for new pavement as well as several culvert projects.

I would like to thank the taxpayers and residents of New Durham for their patience and for bringing their concerns to me. I hope that you continue to feel free to contact me with any concerns you might have, or suggestions that you feel should be brought to my attention. With all of us feeling the economic crunches, believe me, we are trying to do the best with what we have. Let's all hope that better times are ahead of us.

This year the Town had its share of Snow, Rain, and of course Hurricane Irene, which saw a great effort from all departments working well together. The Police, Fire, and Solid Waste Departments were outstanding in helping with all aspects of the vast amount of clean-up and organizing. There again, I Thank All involved.

In closing, again I want to thank the Crew, and Don Vachon, the Highway Department Foreman, for the true professional manner in which all tasks were undertaken. GREAT JOB! And to the countless hours Office Manager Cathy Orlowicz performed with FEMA applications and general paperwork.

Respectively Submitted,

Michael R. Clarke
Road Agent

LIBRARY DIRECTOR

It has been a year of progress at the New Durham Public library. From expanding our digital reach to increasing our programming for children and adults, the library has been reaching for new patrons, new events, and new technologies.

One of the biggest and most timely changes this year is the addition of downloadable ebooks for the Nook, iPad and, as of 2011, the Kindle. Now, if you have any sort of ereader, you can use your library card to download free books for loan directly to your device—with exactly the same loan period you would have if you came in and picked the book up physically. If you looked at the service earlier, please do swing by our website and check it out again; we've increased the number of ebooks in our collection dramatically.

In terms of non-digital efforts, the library has added a wealth of new programming and events. Perhaps most notably, we've expanded our after-school programming to be year-round. Programs available to students this year included a cartooning class, a variety of arts & crafts, a filmmaking class, and German language instruction, and more. The library also sponsored (with the help of the Friends) a Junior FIRST Lego League team, which met at the library for eight weeks and competed at an event in Hollis. (Our team, USAFOX, won a trophy for the "Most Innovative" award.) We also expanded our programs for adults this season—from an ongoing class on drawing, to the revived knitting club, to fun "one-shot" activities like "Storytime for Grown-Ups"—we've been on hand throughout the year to provide fun, educational enrichment.

And this was just our new programming. The library has continued with the programs and events that New Durham patrons have come to expect. This year we played host to a spectacular Summer Reading program, "Around the World in 30 Days", in which young readers learned about a variety of world cultures. From bagpipers to a Peruvian panflutists, our library had a wide variety of international guests, and was the most attended Summer Reading Program we've ever had! So enormous was the turnout (over 70 kids in the first week) that we are dividing next year's program into two age groups!

Of course, the library has continued its usual programs—our weekly preschool storytime has enjoyed as much success as ever and our growing partnership with the Parks & Recreation program has continued to generate great events like pumpkin carving, scarecrow building, game night and more.

Looking back, it has been a great year for us at the library. But, in truth, we owe our success to you. From the patrons who visit us every week to check out books, to the staggering work that volunteers have contributed to running events and programs—the accomplishments of the library have been the results of a town that cares about community and reading. It has been an honor and pleasure to oversee the library this year, and I look forward to great things from the library in 2012.

Respectfully Submitted,
Max Crowe Wirestone
Library Director

LIBRARY TRUSTEES

The Trustees of the Library are the stewards for the library's facility and operation, and 2011 was a year of both challenges and improvements for our institution.

Several long-term projects of the Trustees came to fruition this year. The library's front walkway, which had been deteriorating with each successive winter was finally repaved. At the same time, the safety issues plaguing the library's rear exit have at long last been resolved. The back exit now features a wheel-chair accessible ramp, and a hutch prevents accumulating snow, finally ensuring the fire exit is usable even in the depths of winter.

The Trustees also oversaw some simpler cosmetic changes to the library this year. The task that was started with last year's re-carpeting of the library continued this year with the vinyl composite tile in the library's foyer and bathrooms also being replaced. And while the new tile looks great—this change was more than merely aesthetic. The older tile had been splitting apart (particularly in the restrooms) and action was necessary to prevent damage to the floor beneath. Another cosmetic but functional change this year was the installation of a slat wall in the children's room, allowing library staff to easily display books and flyers.

The Trustees also saw improvements realized that library users are less likely to have noticed. For example, this year we replaced the library's failing copy machine, helped the staff brainstorm ways to increase circulation and efficiency, made innumerable reviews and additions our library's policies, among other many small but important tasks.

One thing that didn't change this year was the Trustees themselves. For the first year in many, we've retained exactly the same Trustees as the year prior. Although we welcome new blood and new ideas, one of the most powerful things a board can have is a strong institutional memory, and we move into 2012 with Library Trustees that have more experience than ever.

We look forward to 2012, and remain committed to the idea of well-run, well-maintained library that meets the literary, informational, and cultural needs of New Durham.

Respectfully submitted,
Richard McCormack, Chair

MILFOIL & INVASIVE WEED COMMITTEE

As reported last year the Committee adopted a five-year plan as recommended by the Department of Environmental Services to halt the spread of the variable milfoil plant which is well established in the Merrymeeting River, Jones Pond, and to a lesser degree, Downing Pond. There is concern that if left unabated the plant could find its way into other bodies of water in New Durham, including Merrymeeting Lake. The plant is most concentrated in that portion of the River running south from the bridge where the Merrymeeting Road crosses the River to the dam at the end of Jones Pond.

We have completed two years of the five-year plan. The results have been encouraging, but not conclusive. In 2010 the infested area was treated in the early summer and a second time in the early fall with 2,4-D the recommended and approved herbicide. 26.7 acres were treated beginning at the bridge over the river and ending at the private bridge at the upper end of Jones Pond.

Following that treatment the DES inspected the results and mapped out areas that needed to be treated again to attack the plants that survived the double application. This follow up treatment took place in the summer of 2011. As part of this treatment 2,4-D was also applied in Jones Pond. A DES inspection then was made and divers supplied by the DES went into Jones Pond and pulled out plants that the herbicide had not eliminated. However not all of the plants have been eliminated. The Committee has come to the conclusion that it may be impossible to completely eliminate the plant, and that the battle is to control it. That opinion is shared by DES and Milfoil Committees in other towns. It is a constant struggle.

After the efforts of the divers this past September, DES again inspected the treated areas of the River and Jones Pond and recommended additional treatment of a smaller area in the River and in Jones Pond for 2012. A contract has been signed and treatment will take place this coming summer.

The Committee was informed last fall that we were awarded a grant from the State (DES) in an amount in excess of \$4000.00 to assist in this effort. With this grant money and the continued support of the Town, we are hopeful that we can continue to control the plant in the river system and in Jones Pond, and begin to address the infestation in Downing Pond.

The good news is that the river system and Jones Pond are healthier than they were three or four years ago. It is now possible to navigate the river without having to carve out a path through the plant. However, in many areas, the plant remains just below the surface and is visible.

The people who use the Merrymeeting River and Jones Pond for fishing, canoeing, etc. can help in this battle. Avoid using motors in the affected areas. The blades and props chop up the plant, creating what become seeds for new growth. Those who canoe or kayak should avoid areas where the plant is visible. The paddles can pick up parts of the plant and deposit them elsewhere.

All who use the river system should clean all boats, paddles, fishing lines, and remove all particles or pieces of the plant.

To stay on top of this struggle requires the aid and assistance of the New Durham community and those who are not from New Durham, but use and enjoy the bodies of water that are such an important feature of our town. The Committee needs new and fresh bodies and new and fresh ideas. If you are interested please call me at 859-2964

Respectfully submitted,
Arthur W. Hoover
Chairman

PARKS & RECREATION COMMISSION

Another year has flown by, and along with it, the Recreation Department continues to grow with regard to programs and residents it serves. Athletics and the Creative Kids Club before and after school program are still the foundation programs, however recreation in New Durham has blossomed in the last two years, offering more than the community has ever seen before. There is always a little something going on for everyone in town these days!

Our senior citizens pile in on Sundays for bingo, and we have an impressive group of regulars showing up every week for cribbage. Toddlers are playing in organized activities, school age kids are choosing from field trips to craft classes, and adults are taking guitar classes and going on deep sea fishing trips. Kellie always has something fun going on for people to do!

The Parks and Recreation Commission continue to oversee the day care program, the recreation programs, athletics, the town beach, the ball fields and the budget. The Recreation Department is also spearheading New Durham's 250th Birthday Celebration in July of 2012. There is much to do, and town departments, boards and commissions are joining in to make this event one to remember. We are issuing a challenge to everyone in the community to take part in this event by sharing an interest, hobby, expertise or volunteering to help in any way. No experience is needed – just the love of community and a willingness to have fun giving a little bit of your time.

Goals for 2012 include an amazing town celebration of the community, the completion of the walking path at the Smith Ball Fields, moving forward to upgrade our ball fields and fix run-off and safety issues, and continuing to provide a little something fun for citizens of all ages and interests.

We wish to thank all of the wonderful people in this community who generously donate their time as coaches, team parents, administrative helpers, event staff and field trip chaperones. We are grateful to the town departments who support our endeavors every day – whether it be through book keeping or providing safety support, we appreciate the team work with the highway department, police department, fire department, library, the New Durham School and town hall. We also wish to thank citizens and businesses in our community who sponsor our events and athletic programs, as sponsorship funds help defray program costs and allow more children the opportunity to participate in recreation activities and team sports.

May 2012 be a fun, healthy, prosperous and safe year for our community.

Respectfully submitted,
Kristyn Bernier, ND Parks and Recreation Commission Chair

PLANNING BOARD

What do you want New Durham to look like, feel like, and be like for your children and grandchildren when they grow up?

The Planning Board is charged by the New Hampshire Legislature and the voters of New Durham with four tasks:

1. Figure out and articulate your answers to those questions about the future;
2. Identify the most important things the town government and citizens can (or should not) do to help that vision come true;
3. Plan initiatives that will help New Durham be what you want for your children and grandchildren, including, but not limited to, new town laws or ordinances for you to vote on;
4. And then reviewing property owners' plans for new uses of the land they are done in ways that help and do not hinder getting to that ideal picture of the future.

Obviously many of the strongest forces that affect what New Durham is like in 20-25 years are beyond local control: things like the economy and wars, population growth, and the Aging Boomers were once baby boomers. The better the Planning Board can understand those forces, the better it can do at figuring out where the town should focus its efforts over the next few years.

The tool for that work is the Master Plan, and the Board will focus considerable effort this year on how to go about getting the most useful plan possible. The process for actually making the plan will start in 18-30 months.

Over the last few years the Board has prepared warrant articles that brought important new ordinances to Town Meeting. The board is gratified by the strong support you have given to their proposals: all have passed by margins of 60% or more. In 2011 the Board has focused on implementing and fine tuning those initiatives. The two warrant articles the Board is bringing to you come out of that process, not from big new plans.

In 2011 the Board reviewed and approved

- 3 subdivision proposals, for two, three, and four new lots;
- 1 site plan for a new storage shed business;
- 1 excavation permit;
- 1 home occupation permit;
- 1 Conditional Use permit for stormwater management on steep slopes;
- 1 hotly contested appeal of a driveway permit where the Planning Board upheld the decisions of the Road Agent and the Code Enforcement officer to grant the permit; and
- 3 minor adjustments to property lines.

Respectfully submitted, Bob Craycraft, Chair

POLICE DEPARTMENT

I would like to start by wishing everyone a Happy New Year. 2011 was another busy year for the police department. Burglaries, thefts and domestic violence calls increased for 2011.

I would encourage everyone to please lock the doors on your homes and your vehicles, especially if you are not home. Another good idea is to get motion lights for the outside of your residence. If possible place firearms and other valuables such as jewelry or cash in a safe inside your home. This will deter burglars from removing these items. If possible keep a record of serial numbers on electronics or other valuables so they will be easily identified when the items are located.

As always, thank you all for your assistance with calls on suspicious vehicles or persons. These are the times when neighbors have to look out for each other, and report anything that seems unusual as soon as possible.

Respectfully submitted
Shawn C. Bernier, Chief of Police

SOLID WASTE FACILITY & TRANSFER STATION

I want to thank the residents of New Durham for all of their effort to recycle their household waste correctly. The increased recycling has reduced the amount of Solid Waste (MSW) tonnage and Construction and Demolition (C&D) tonnage. C&D reduction was 26.76 tons and MSW was 35.05 tons for 2011.

Ever since New Durham entered into a contract with Bestway Disposal last year, disposal and hauling fees have gone down. Now that the town separates shingles from the rest of the construction waste we are able to eliminate a lot of landfill. Please remember to keep wood, paper and metal flashing out of the shingles.

I would like to thank New Hampshire the Beautiful for the grant to purchase a new 4x4 platform scale with a printer to weigh bales of construction debris and recyclables. Thanks to the residents of town we recycled 2000 gallons of waste oil to heat the recycling building. I would like to take this opportunity to congratulate Mike Clarke on becoming the new Road Agent and for all the help and support he and his department give to the Solid Waste Facility (SWF). I also wish Cathy Orlowicz a quick recovery and thank you for your record keeping, grant writing and support throughout the year.

I especially want to thank my fellow workers at the SWF, Leo Mondou and Randi House for the great assets they are to me and the Town of New Durham. I'd also like to thank Bradley Bosse for his help during the summer months.

Respectfully submitted,

Joseph Bloskey
SWF Foreman

Downing Ponds Dam in the Fall

TAX COLLECTOR'S REPORT

Your tax rate of \$22.40 is determined by the amount of the tax levy (the amount of taxes to be raised). There are several steps involved in determining the tax levy. First, the town, county and school district develops and adopts a budget. Revenue from all sources other than the property tax (state aid, motor vehicle registration fees, permits and licenses, income from investments, etc.) is determined. These revenues are subtracted from the original budget and the remainder becomes the tax levy. This is the amount of the tax levy that is raised through the property tax. The state education tax is determined by the State and is calculated separately, but added to the tax rate when your bill is calculated. The county tax is determined by Strafford County and is also added to the tax rate when your bill is calculated. In New Hampshire the tax rate is calculated by the Department of Revenue Administration for all municipalities. The total tax rate for the Town of New Durham for 2011 is comprised of:

- \$6.88 for the local government's tax rate.
- \$10.55 for the local's education tax rate.
- \$2.33 for the State's education tax rate.
- \$2.64 for Strafford County's tax rate.
- \$7.08 for Cople Crown Village District's additional tax rate.

The state education tax is known prior to the budget being finalized in the spring of each year, however, the county tax and town tax may not be known until shortly before the tax rate is set in the fall. Changes to tax assessment or estimated revenues could impact tax levy.

A property's assessment is based on its fair market value. Fair market value is how much a property would sell for under normal conditions. The assessment is determined by the assessor and should be based on the fair market value of the property less any applicable property tax exemptions. Every parcel of real property, no matter how big or small is assessed. Though all real property is assessed, not all of it is taxable. Some, such as religious, non profit or government owned property are completely or partially exempt from property taxes. Others are partially exempt, such as elderly or disabled individuals who qualify for an exemption for part of their resident.

In summary the taxes you pay are based on the value of the property you own and periodically that value is adjusted to ensure that each taxpayer pays his or her fair share of the overall tax burden.

Respectfully submitted,
Carole Ingham

TOWN ADMINISTRATOR'S REPORT

A Note of Thanks: I began working for this town in May of 2010. In the short time that I have been here, I have seen firsthand what the spirit of volunteerism looks like. The dedication that is shown by the residents and employees of New Durham is not only encouraging for a new administrator, but as a citizen, it is inspiring. It is the people within that make a community great, and regardless of the changes this community faces, the people get through.

This year has been filled with many changes and challenges for New Durham. Along with a new Selectman and Road Agent, we saw a decline in the Town's overall valuation for the second year in a row. However, the Board of Selectmen and Budget Committee were able to level fund the operating budget and reduce the municipal portion of the tax rate, with the help of the voters at Town Meeting and the town's department heads and committee chairs.

In the upcoming year, one of the projects that I will be focusing on is the town's Franchise Agreement Renewal with MetroCast that is due in 2013. The town has joined an inter-municipal agreement with eleven neighboring communities to aid in this lengthy process. Through public input and municipal participation, the Lakes Region Cable Television Consortium hopes to produce an agreement that will provide up-dated and technologically sound cable service that will see us through the next ten years. If you have any questions, comments or future cable-related needs that you would like to see met, please do not hesitate to contact me at Town Hall.

This year we will also be undergoing some repairs to Downing's Pond Dam, which the New Hampshire Department of Environmental Services has required us to complete in 2012. As maintenance needs in town get brought to light, the Town is working hard to address and be responsive to them. That is why you will also see some building maintenance and energy saving projects in and around Town Hall and in other Town Buildings, so that we can assure that the quality of our assets remains intact.

As 2011 comes to a close, I would like to thank you for teaching me what it means to really care about the place in which you live. The commitment and volunteerism in this town has inspired me to get involved in my own community, by joining the Master Plan Steering Committee. I think that we have a tremendous opportunity to effect the change we want to see at the local level by getting involved and making our voices heard. I encourage everyone to take part in some way, whether it be by joining a board or committee, volunteering at the food pantry, signing up for a recreational activity, recycling, or by coming out to Celebrate New Durham Day for the Town's 250th year on July 28th. It is up to us to make our communities great, and I think you are doing a good job.

Respectfully submitted,
Alison Webb
Town Administrator

TOWN CLERK'S REPORT

During 2011, the town clerk's office implemented an online payment system called EB2GOV that processes dog licenses, certified copies of vital records, motor vehicle renewals and property tax payments. The following credit cards are accepted for online payments: Visa, MasterCard, Discover or Diners Club International. You can also pay at the town clerk's office using the following credit cards: Master Card, Discover and Diners Club International, unless you are paying real estate taxes in which case a Visa card can be used. Please note, there is a \$1.50 for each transaction as well as additional fees of 2.95% with a \$1.50 minimum for both online payments and over the counter credit card payments at the town clerk's office. You can also pay online by processing an ACH payment using a checking account. There is a \$1.50 fee per ACH transaction. The fees for processing the payments are the responsibility of the residents using the system.

New Durham citizens will have the opportunity to vote four times in 2012. The following answers some of your questions about voting:

Who can register? In New Hampshire residents who will be 18 years of age or older on the next election day, and a United States citizen, may register with the Supervisors of the Checklist or the Town Clerk until 10 days before any election. You may also register on Election Day at the polling place. There is no minimum period of time that you are required to live in the state before being allowed to register. You may register as soon as you move into town. You will be asked to show proof of age, citizenship and domicile.

How do I request an absentee ballot? Absentee ballots are available from the town clerk's office approximately 30 days prior to an election. You can request the absentee ballot application from the town clerk's office or you may download the application from the town's website (newdurhamnh.us) or, if you wish, you may submit in writing all the information required i.e. your name, voting address, mailing address and your signature. An application for an absentee ballot may be transmitted by fax (603-859-6644) to the town clerk's office.

Political parties? When you register to vote, you are not required to register for a political party (democratic or republican). You may register as an undeclared voter. If you are registered as an undeclared voter and go to vote in a federal or state primary election, you will be required to choose a party when accepting a ballot. You should be aware of your party status before a primary election. If you voted on a party ballot in the 2011 President Primary election, you are now a registered member of that party, unless you signed a form to return to undeclared status with the Supervisors of the Checklist. If you are unsure of your party affiliation, you should contact the town clerk's office, as we have records of party membership or check on the State of New Hampshire's on-line registration portal for registered voters to look up their current party affiliation (<http://cfs.sos.nh.gov/app/Public/AbsenteeBallot>).

Voter registration deadlines: June 5, 2012, is the last day to change your party affiliation prior to the State's Primary Election. More information about the 2012 election dates is listed on the inside cover of this Town Report.

HELP WANTED: The town needs more ballot clerks to work the polls on election days. If you are interested in becoming a ballot clerk or would like more information please call the town clerk's office at 859-2091.

Deputy Town Clerk Stephanie MacKenzie and I are always striving to improve the services we provide to you. We always enjoy having residents visit us in person, but for your convenience most transaction can be accomplished by mail or recently by internet as well. Please check out the town's website at newdurhamnh.us. You will see the "Online Payments" button on the left side of the home page.

Respectfully submitted,
Carole Ingham

The term "party" when used in the election laws means any political organization which at the preceding state general election received at least four percent of the total number of votes cast for any one of the following: office of Governor or the office of United States Senators. RSA 652:11

TOWN HISTORIAN REPORT

The Town of New Durham's request for a New Hampshire Historical Highways Marker has been granted!

It really is true, good things come to those who wait. I'll explain.

In August of 1990, former Town Historian Eloise Bickford submitted a formal request to "The NH Division of Historical Resources", which included a citizen's sign petition, asking that a marker for the 1772 Meetinghouse be considered for the program. The marker would be of no cost to the citizens if certain conditions were followed. One condition was the marker had to be placed along a state maintained highway. The number of letters and punctuation are limited also. As the years passed by, Eloise and I wondered about the status of this program. With twenty years gone by, I figured the program was abandoned. And as usual, when you are about to let something go, a letter arrived in the mail informing the Town our request for the historical highways marker was being granted. The only requirements confirm the language for the marker and confirm its location on State Route 11.

During the summer of 2011 the Division Three DOT crew placed the marker just east of the Davis Crossing Road, in the shoulder of the west bound lane of Route 11. It sure looks handsome.

New Durham will be celebrating its' 250th birthday in 2012. Watch for coming news about events and activities scheduled for the day, July 28th.

Respectfully Submitted:
Catherine Orlowicz
Town Historian

WELFARE REPORT

Under RSA 165 "Whenever a person in any town is poor and unable to support himself, he shall be maintained by the overseers of public welfare of such town, whether or not he has residence there."

The Welfare office provides assistance to individuals, families and households who temporarily lack the adequate resources to meet their basic needs. We work as facilitators to direct people in need to federal, state and non-profit relief agencies, and continue to work with clients on budgeting and other self-supporting steps. These steps help reduce the financial burden on our department's budget, as well as on the taxpayers of New Durham. While providing assistance, we strive to promote self-reliance, independence and self-sufficiency for our clients.

This year we have seen several new families as well as some we have helped in the past. The Strafford County Community Action Program continues to assist families in town through fuel, electric, and weatherization programs. However, due to budget cuts this year they will not be able to assist as many families as they have in the past. Thus the burden could fall on the Town to ensure these people have sufficient heat and electricity through the winter months.

The New Durham Food Pantry continues to assist residents, which eases the burden on the Town. We continue to direct people to use the state **2-1-1 hotline** to locate agencies and organizations that may be able to help them with their situation. There is also a new prescription drug program called Honest Discounts available.

Please remember that the Welfare Office is here to help and provide assistance but the Town does place a lien on property or requires a payment arrangement be made by asking those who are residents, but not property owners, to sign a Promissory Note agreeing to make time payments to the Town. This past year the Town has received \$2,875.07 from lien releases and reimbursement payments.

Please feel free to call the welfare office for more information. The office hours are Monday, Tuesday, Thursday and Friday from 9:00 AM to 1:00 PM. If you have an emergency and it is after hours, you can call the Town Hall or Police Department and someone will assist you.

Assistance Statistics 2011

Fuel Assistance	\$ 2,450.85
Utility Assistance	\$ 2,622.58
Rent Assistance	\$ 6,794.18
Medical Prescriptions Assistance	\$ 400.00
Other miscellaneous	\$ 60.00
Total	\$12,327.61

Laura Zuzgo, Welfare Officer

ZONING BOARD OF ADJUSTMENT

The New Durham Zoning Board of Adjustment (ZBA) is a quasi-judicial body that is based on the idea that protection of property rights requires an understanding that “one size does not always fit all”. The Zoning Board considers four types of applications:

- A ***Variance*** gives a property owner legal permission to do something that would otherwise not be allowed by Town Zoning Ordinances or Regulations: but only in situations when something unique about the piece of property limits you from doing something on your lot that most people could do easily on their lot. The ZBA approved two variance requests in 2011 for relief from lakefront setbacks on old non-conforming lots. A third variance allowed slightly smaller lot size in a subdivision. They also denied one request asking for two dwellings on a single lot.
- A Zoning Ordinance that sets limits on some kinds of property use may include a clause that says that in certain circumstances it’s ok to do this and you can go the ZBA and ask them to grant you a ***Special Exception***. The ZBA approved two such requests in 2011. One was to build a new subdivision road across wetlands, and one was to operate a business.
- An ***Equitable Waiver of Dimensional Requirements*** is a tool for giving after the fact legal non-conforming status for something that was done in the past that was allowed by mistake. These are very rare requests, and usually come up when a potential property buyer or mortgage bank finds the problem and worries they may be setting themselves up for legal action.
- If you feel a decision of a staff person or town board relating to land use is wrong you can file an ***Appeal of an Administrative Decision***. The board did have one very infrequent appeal come before it this year. A property owner appealed a driveway permit given to a neighbor because of concerns about the negative impact the driveway might have on their lot. The original driveway permit application was withdrawn and so the case became moot.

Zoning Board members include Wendy Anderson, Mike Hoffman, Larry Prelli, Dave Shagoury, Joan Swanson, and Helen Wellman. The ZBA performs an important service for the town which it accomplishes with efficiency, thoughtfulness, and good humor. The Board meets as needed. The board is authorized to have five (5) regular members and (5) alternate members. We are in need of more members, and encourage you to contact Town Hall if you may have interest.

1772 MEETINGHOUSE RESTORATION COMMITTEE

In 2011, the 1772 Meetinghouse Restoration Committee met with Historic Resource Specialist Amy Dixon of the Land & Community Heritage Investment Program regarding grant monies. Echoing Steve Bedard, who compiled the Historic Structure Report (HSR) on the building, Ms. Dixon indicated the 1772 Meetinghouse is a prime recipient for matching grants.

Work in Phase II of the HSR can be broken into smaller projects, but to restore integrity to the building, the help of grants is the only realistic answer. Matching grants are more readily available than outright gifts, but the Committee has been stymied in securing those in the amounts necessary, since our available funds are still too few. We have sent out feelers in other directions, as we wait for the Capital Reserve Fund to build up, and because of the historical and cultural value of the building we have met with enthusiasm on several fronts.

The Committee and Ms. Dixon toured the adjacent lot, now part of the Meetinghouse grounds, and discussed its future use. The Committee is currently seeking volunteers to help with clearing and grading part of the parcel to create a dirt parking lot and a community garden. Volunteers are needed for maintenance work on the building, also.

We ask that interested parties join the 1772 Meetinghouse Guild, a group of private citizens that supports the Committee's efforts, especially in opening up the building to the public on a regular basis. Tours for groups can be arranged by contacting Town Hall. This past year the Winnepesaukee Chapter of the Daughters of the American Revolution met on the grounds. Other groups are encouraged to make use of the facility, as well. In addition to a building that was here before George Washington became a household name, the old Town Pound, a cemetery, a vernal pool, and a walking trail share the property.

The Committee would like to remind residents that the only way New Durham could become a town was to build a meetinghouse. We are fortunate to still have such a symbol and a showpiece of the early settlers' determination and pride. The building deserves our attention, and the Committee urges you to take advantage of what the grounds offer.

Respectfully submitted,
Cathy Allyn, Mary McHale, Bob Craycraft, Ernie Vachon

**REGIONAL & NON-PROFIT
REPORTS**

For the Year Ended December 31, 2011

Community Action Partnership of Strafford County is a 501(c)(3) private non-profit organization established in 1965 under the provisions of the Equal Opportunity Act of 1964. We work with community, state and federal partners to assist more than 10,000 people each year, and the majority of program participants have extremely low incomes (below 75 percent of the federal poverty threshold). Our mission is to assist these clients to become or remain financially and socially independent through a variety of coordinated programs.

2011 Highlights include:

- Our agency provided \$3.8 million in federal fuel assistance to 4,333 qualified households in Strafford County during the 2010-2011 heating season. A total of 99 households in New Durham received \$65,152 in fuel assistance (an average benefit is \$760).
- Homes that have been improved through CAP's Weatherization program save an average of \$440 in heating and cooling costs annually. We weatherized 3 homes in New Durham for an investment of \$24,755.
- Our Senior Transportation bus provides low-cost rides to anyone age 60 and over to shops, grocery stores and pharmacies four days a week, resulting in an estimated 4,000 rides for Strafford County residents.
- Our food pantry in Farmington served 48,735 meals to 1,370 households, including New Durham residents, in 2011.
- We overhauled our website (now at www.straffordcap.org) to make it more user friendly, launched @StraffordCAP on Twitter and unveiled a new name and logo to better promote our programs and services.

Without the services provided by our agency, many local residents would be without a means to provide for their basic needs, including food, education, child care, utilities assistance, job training and employment services, transportation, emergency shelter, assistance with obtaining and retaining housing and referrals to other agencies. In addition to our administrative office located in Dover, CAP maintains its outreach capacity by operating offices in Dover, Farmington and Rochester and Head Start Centers in Dover, Farmington, Milton, Rochester and Somersworth. Additionally, we operate emergency food pantries in Dover, Farmington and Milton, and provide meals to more than 10,000 individuals annually.

The Community Action Partnership of Strafford County has 130 employees and a \$12 million operating budget. We receive federal, state and local funding as well as United Way grants, foundation and charitable grants, fees for service, private business and individual donations. However, funding at all levels have decreased this year, and we have made changes to streamline our operations in order to continue to provide quality services to all those who qualify.

In 2012, Community Action Partnership of Strafford County will focus on its efforts to educate and advocate on behalf of low-income individuals and families at the local, state and federal level through coordinated efforts with our myriad community partners.

Betsey Andrews Parker
Executive Director

COAST - Cooperative Alliance for Seacoast Transportation

A ribbon cutting ceremony was held in front the New Durham Town Hall to celebrate the launch of COAST bus service in town.

NORTH Bus~ Call 1-855-SE NH BUS (855-736-4287)

We're still looking for volunteer drivers! If you are interested, please contact:

Mail: COAST

C/O Jeff Donald

42 Sumner Drive

Dover, NH

Call between 9AM and 3 PM weekdays to reserve your seat!

Fax: 603-743-5786 Questions?

Call **Jeff Donald** at 603-743-5777 x120

The North Bus service is once-a-week service to the disabled and elderly in Middleton, Brookfield, Wakefield, New Durham and Milton. A COAST minibus, operated by volunteer drivers trained by COAST, will bring riders to Rochester for grocery and pharmacy shopping, providing access to those services to those who have few or no other transportation options. Others may ride if space is available. Service will be provided in the five communities as follows:

Middleton.....Tuesday

Wakefield & Brookfield.....Wednesday

New Durham.....Thursday

Milton.....Friday

Disabled & elderly residents have priority for once-a-week service from their homes, but others may ride as space permits. Service may be for up to three supermarket and/or pharmacies. Only the Walgreen pharmacy on South Main St. and the Ride Aid on Wakefield St. will not be served, due to unsafe access for the minibus. Eventually, a predictable pattern of service will develop for each town served so that riders can plan on access to particular stores, but during the startup period, callers will be asked to note their shopping location preferences so that COAST can select the destination stores that serve the most requests.

Call (toll-free): 1-855-SE NH BUS (736-4287) on weekdays from 9am – 3pm to reserve a ride. Reservations may be made up to 2 weeks in advance. Rides will be scheduled the day before service is delivered, when COAST will call to tell riders when they can expect to be picked up.

Fares will be \$5 round trip or \$2.50 each way for all riders except PCAs or children under 5. Fares must be either cash or discounted punch passes that are available by mail from COAST (8 one-way rides for \$18). Drivers will not make change nor handle fares.

Passenger will need to use the seatbelts and have no more than two shopping bags. Riders will need to adhere to the COAST Code of Conduct so that all passengers can expect to have a safe and pleasant ride.

FRIENDS OF THE LIBRARY REPORT

The Friends of the Library is a non-profit organization that promotes interest in the library, as well as supporting and assisting the library with programs and services. The organization was established by 12 volunteers in the fall of 2002. As of the end of 2011, our active members are 20.

Every year in the summer, we hold a book, bake and plant sale. All of the items for this sale are generously donated by the members and the community. This is our most successful fundraiser. With the proceeds from this sale, we have been able to help purchase many wonderful things for the library. This year we supported several after-school programs including a German class, an arts and crafts group, and cartoon drawing class. We purchased much needed storage containers. We also supported the Summer Reading Program by providing funds for a music program and supplies, as well as baked goods for refreshments. This program has really grown over the past few years and is very well attended.

This year we participated in the Celebrate New Durham event held in August. We provided information about our organization, held a raffle, and had a game for the children. We also sponsored a door again at the annual Halloween trick-or-treat night at the school.

We sponsored a new program at the library called First Junior Lego League. Six youngsters met weekly to create a machine made out of legos and then presented it at an event held in Hollis, NH with 25 other teams from around southern NH.

We added some new library membership passes this year including Strawberry Banke, Seacoast Science Center, and the NH Children's Museum. We also renewed membership to the NH Farm Museum.

In December, we held our annual Holiday Open House party with refreshments, entertainment and a visit from Santa. We were delighted to have singer, songwriter and storyteller Steve Blunt return this year to get us in the holiday spirit. We continued our tradition of collecting food items at the party to be donated to the New Durham Food Pantry. Our annual raffle was also a big success. We had many items to raffle and sold tickets at the library prior to the event, as well as at the party. The winners were drawn at the end of the party.

We would like to thank the community for coming out to support us and the library. Thank you for continuing to bake all the delicious goodies for our events. We couldn't do any of this without you.

The Friends of the Library are always looking for new members, either active or inactive. Our meetings are held on the third Tuesday of the month at 7 p.m. in the library, during the months of April through November.

Respectfully submitted,
Heather Wingate, President
Diane Thayer, Vice President
Marjorie Mohr, Secretary
Shirley McCormack, Treasurer

THE HOMEMAKERS HEALTH SERVICES

The Homemakers Health Services' continued commitment to improve the health and health care of the people in our community has led our organization through several positive transformations this year.

In addition to consistently navigating all the changes in the health care field at county, state and national levels, we have also successfully navigated management and restructuring changes at The Homemakers allowing for strong leadership in all aspects of our operations. These changes will allow us to continue to provide professional and compassionate home health, home support and adult day care services in our community despite the numerous and continuous changes in the health care field and particularly in home health care.

Since 1974, the mission at The Homemakers has been to help Strafford County residents remain independent, in their own homes, and out of hospitals and nursing homes by providing professional, cost-effective and quality home health, home support and adult day care services.

Annually, the Agency provides nearly \$3 million worth of home health, home support, and adult medical day care visits to adults throughout Strafford County. These visits include skilled nursing, physical and occupational therapy, infusion therapy, wound care, medical social work, home health aide, homemaker, adult in-home care, Alzheimer's respite, and adult medical day care services.

During our last fiscal year, The Homemakers:

- Provided 5,986 skilled health care visits throughout Strafford County including nursing, physical and occupational therapy, medical social work, and home health aid and personal care service provider visits.
- Provided 21,952 home support visits including homemaker, in-home care provider, and Alzheimer's respite visits.
- Provided 42,490 hours of adult day care for older and disabled person, as well as respite for their caregivers. Through our Day Out Day Care program, The Homemakers also provided 16,457 meals and 15,054 rides to and from the program.
- Offered numerous community-wellness programs including flu clinics, Alzheimer's educational seminars for caregivers, Friend-to-Friend, free Advance Directives seminars, and facilitated a monthly Alzheimer's Support Group.
- Delivered more than 125 holiday food and gift baskets to elderly and/or disabled people throughout the county.

As health care professionals, The Homemakers is committed to providing these services to all of those in need. It is through partnerships like the one The Homemakers has had with the Town of New Durham over the past several years that allows The Homemakers Health Services to continue to successfully meet the critical home health, home support, and adult medical day care needs of adults in our community who do not have the ability to pay for them.

Respectfully submitted,
Linda Howard, CEO

NEW DURHAM FOOD PANTRY

5 Main Street

P.O. Box 156
Open Every Saturday
9:00 – 10:00 AM

“A Charitable Agency”

To the Citizens of New Durham:

We would like to take the opportunity to thank everyone in and around our community who continue to make the success and operation of the Food Pantry possible. The New Durham Food Pantry receives no financial support from the Town or State government, and relies solely on donations of individuals, businesses and civic organizations and federal food subsidies.

In 2011, the Food Pantry has been assisting greater numbers of our fellow citizens due to continued difficult economic times. During a typical week, the Food Pantry assists somewhere between 15 and 20 households. However, despite the difficult economy, 2011 has been one of the best financial years in the Food Pantry's history due to the generosity of New Durham residents.

During the past year, the Food Pantry Board has undertaken installing propane heaters to heat the main areas of the building. These heaters have dramatically reduced the cost of using expensive electric heat.

The New Durham Food Pantry has continued to benefit from its affiliation with the New Hampshire Food Bank in Manchester, as well as Hannafords Supermarket in Alton. The Pantry's food supplies are derived from locally donated canned and dry goods; materials purchased through the NH Food Bank, federal surplus food supplies and products that are purchased by the New Durham Food Pantry. Through the community's generous donations and the help of many volunteers, we were able to provide:

* Ongoing food assistance for an average of 175 residents monthly.

* Approximately 50 holiday food baskets provided at both Thanksgiving and Christmas.

* "Wish Upon A Star" Christmas gift program ensured nearly 120 children and seniors did not go without this Holiday season.

Our special thanks to so many for their year round assistance and who donate so much of their time: Darlene & Dan DeMeritt, Tom & Ellen Ferguson, Rod & Sharon Doherty, Ellen Phillips, Jeannie Bernard, Patty Rogers, David and Joan Swenson and Diane Booth.

If you are in need of assistance or know of anyone in need, please call Darlene DeMerritt at 534-7032 or Winnie Berry at 817-0372 or 859-7000. You do not have to be on local welfare to be eligible for assistance and all calls are confidential.

Respectfully submitted;

Eileen Berry

President, Board of Directors

Secretary: Dorothy Veisel

Directors: Terry Jarvis

Rachel Lindberg

Treasurer: William G. Herman, CPM

Carol Allen

The New Durham Food Pantry has been designated as a 501 (c) (3) Public Charity by the U.S. Internal Revenue Service. Donations to the Pantry are tax deductible.

ROCHESTER DISTRICT VNA

“Your VNA”

ANNUAL REPORT for 2011

Rochester District VNA (Your VNA) continues to serve as your home health and hospice agency providing skilled nursing, rehabilitative therapies, medical social work, licensed nursing assistance and supportive services on an intermittent basis. We are proud to provide you with highly skilled and well trained clinicians. In addition, we provide an active Adult Day Care Center, which is open Monday thru Friday. Located at our office, it provides a safe, family atmosphere for loved ones no longer able to be at home alone. Our Certified Lactation specialist provides visits to new moms and babies to ensure a healthy beginning.

We continue to provide support services including: homemakers, personal care service providers and in-home companions although the numbers have been reduced due to lack of funding. Services are paid in part by Title XX and the patient, and it allows individuals who require minimal support to remain safely in their homes at the lowest possible cost.

We became recertified by Medicare for hospice care in April 2011 after Seacoast Hospice was sold to a for-profit hospice in 2010. We are the only non-profit hospice in Strafford County. We have admitted over eighty hospice patients in the first nine months. This is an example of our Board seeing a need in the community and responding to that need.

Our biggest and most critical challenge is being dependent on the government for 85% of our revenue. We are reimbursed at rates the government sets regardless of the actual cost to provide the care. Medicare is the only service we provide that is not always a loss, and the Medicare revenue has been used to assist in supplementing many of the under-funded programs we provide. Due to reductions in Medicare every year since 2006, we can no longer depend on a surplus in Medicare to assist with these programs. Therefore, your continued support of Rochester District Visiting Nurse Association (Your VNA) is vitally important to our ability to meet the many health needs in your community. The number of people depending on Medicaid continues to increase with the down turn in the economy. The state reimburses for Medicaid at about 40% of the cost.

You have a choice. Ask for Rochester District VNA by name. We are an independent, free-standing, non-profit providing quality care to thousands of people every year for 99 years. If you have questions please call 332-1133 or check our web-site @ www.yourvna.org

STRAFFORD REGIONAL PLANNING COMMISSION

2011 REPORT

Strafford Regional Planning Commission, a political subdivision, serves in an advisory role to New Durham and seventeen other communities. We provide planning services to assist officials, boards and citizens in managing growth and development and to foster regional collaborative efforts. The Commission's professional staff offers a range of planning services in transportation, land use, economic development, hazard mitigation, natural resources and geographic information systems (GIS) mapping and analysis. These services are available in customized modes to meet the diverse needs of communities. Access is also provided to SRPC educational resources including our website, library, workshops and forums, and customized training.

2011 Accomplishments:

- Collaborated with New Durham residents on the 2011-2015 Strafford Regional Comprehensive Economic Development Strategy, and met with Town officials to solicit transportation projects for the NH Transportation Ten Year Plan
- Sent information to the Town Administrator regarding energy programs and opportunities
- Assisted COAST with implementation of North Bus volunteer driver bus service
- Completed three traffic counts for NHDOT's annual program and seven Town requested traffic counts
- Updated the Town's standardized map set for transportation, conservation land, water resources and aerials
- Distributed *New Hampshire Planning and Land Use Regulation* books to Town land use boards
- Provided assistance to Town staff and boards on transportation, hazard mitigation and land use

SRPC provided the following services to all municipalities in 2011:

- Created the first Strafford Regional Comprehensive Economic Development Strategy
- Received support from the Federal Highways Administration to proceed with a regional culvert assessment inventory
- Awarded over 8 million dollars in Congestion Mitigation Air Quality grant funding for projects including a Park and Ride near Exit 13 of the Spaulding Turnpike, bus service from UNH to Rochester, via Route 125 and increased peak hour service for COAST Route 2, and UNH Wildcat Route 4
- Collaborated with the Alliance for Community Transportation (ACT) to provide coordinated transportation for human service agencies
- Published an email newsletter and alerts to keep communities informed of meeting schedules, events, local news and other beneficial information
- Downloaded and displayed the latest demographic and economic data to SRPC web page as tools for municipalities

Goals for 2012:

- Implement the Action Plan for the 2011 -2015 Strafford Regional Comprehensive Economic Development
- Attract new public and private investments to the Strafford region
- Assist UNH Wildcat and COAST transit providers in development of transit routes and services
- Assist citizens in the development of agricultural databases and development of production systems
- Initiate first year of the Sustainable Communities Regional Planning grant tasks
- Continue Broadband planning and mapping activities
- Continue transportation planning tasks in support of Safe Routes to School, safety, access management, park and rides, sidewalks, bike ways, and corridor studies.

We look forward to working with the citizens and officials of New Durham in 2012. Thank you for the opportunity to serve you and for your continuing support of regional planning. Further questions or comments can be referred to Cynthia Copeland, AICP, Executive Director at cjc@strafford.org. Please visit our website at www.strafford.org.

United States Senate

WASHINGTON, DC 20510

Dear Friends:

As I reflect on my first year in the United States Senate, I continue to be honored to serve the citizens of New Hampshire. I've appreciated the opportunity during the past year to support initiatives that would scale back the size of the federal government, reduce wasteful and duplicative spending, and put our country on a fiscally responsible path. We still have a long way to go to get our fiscal house in order and our economy back on track – and I won't rest until we do.

Here in the Granite State, we have a proud tradition of local, state and federal leaders working together to make our communities stronger, and I've worked hard to maintain a continuous dialogue with the citizens of our state. I know that the best ideas and input come from New Hampshire—not Washington. That's why my door is always open to you. I welcome hearing your views on matters of importance to our state and nation.

In addition to my regular stops, I was especially pleased to hold public town hall meetings in every county - providing residents with a convenient way to ask questions and receive updates on what's happening in Washington. These meetings also provide a great way for me to hear directly from New Hampshire citizens about their priorities. I will continue to hold town hall meetings throughout the state during the coming year.

Providing effective constituent service is a top priority for me, and I encourage you to contact any one of my offices - in Manchester, Portsmouth, Nashua, Berlin, or Washington - for assistance interacting with the federal government. You may also visit my website, <http://ayotte.senate.gov>, for more information about the services my office provides.

Public service is a privilege, and I consider it a true honor to be your voice in the Senate. Blessed to live in the greatest nation on Earth, all of us have a solemn obligation to keep it strong, prosperous and free. Please know that my work in Washington is guided by my commitment to keeping alive the American dream for our children and future generations. I continue to have great confidence in our country, and I know that working together, we can meet the challenges we face.

Thank you for all you do to make New Hampshire a better place to live, work, and raise a family. Best wishes for a happy, healthy 2012!

Sincerely,

Kelly A. Ayotte
United States Senator

SCHOLARSHIPS AVAILABLE TO NEW DURHAM RESIDENTS

“Elmer C. Smith Scholarship” Administered by the Trustees of the Trust Funds
Trustees of Trust Funds
PO Box 207
New Durham, NH 03855

Criteria: The student must be a resident of New Durham and under the age of 21. Funds will be administered after the Trustees of Trust Funds receive confirmation that the student has passed his/her first semester, after he/she has been notified of being awarded the scholarship. Also, the student is required to write a brief paragraph stating his/her reasons for attending college and why he/she should be a recipient of this scholarship.

New Durham Fire Department Memorial Scholarship
New Durham Fire Department
PO Box 207
New Durham, NH 03855

Criteria: The New Durham Fire Department offers a scholarship annually in memory of Richard Bickford, which is to be applied toward the expenses of attending any school beyond secondary level. The applicant must be a resident of New Durham, a High School graduate, admitted to a post-secondary school, of good moral character and in need of financial assistance.

Civil War Memorial Scholarship
PO Box 396
New Durham, NH 03855

Criteria: The student must be a resident of New Durham and aged 17-22, and graduating senior from high school, or equivalent schooling or a holder of a GED. After the student has been notified of being awarded the scholarship, funds will be administered after the New Durham Historical Society receives written confirmation of his/her passing grades from the first semester of college. Also, the student must write a brief essay on “How the Civil War has made a Difference in the Year 2011”.

Chief Douglas J. Scruton Memorial Scholarship Trust
PO Box 207
New Durham, NH 03855

Criteria: The New Durham Police Association offers a scholarship annually in memory of Chief Douglas J. Scruton. The applicant must be resident of New Durham, under the age of 23 and graduating senior from high school or a holder of a GED. After the student has been notified of being awarded the scholarship, funds will be administered after the Association receives written confirmation of his/her passing grades from the first semester of college. The student must write a brief paragraph stating his/her reasons for attending college and why he/she feels that he/she should be a recipient of the scholarship.

All scholarship application forms can be obtained at the Town Clerk’s office in the Town Hall, telephone: 603-859-2091 or on the Town’s website: <http://www.newdurhamnh.us>
