DEDICATION

Ruby Pearson

A native of Plymouth, New Hampshire, Ruby Pearson has been an Ossipee citizen for about fifty years. A graduate of Plymouth Teachers' College, Ruby began her career at Ossipee High School as a teacher of English, French, and Latin, and as coach of the girls' basketball team.

After earning a Master's Degree in Library Science, Ruby became the first librarian at the new Kingswood Regional High School, where she served the library needs of teenagers for thirteen years. She worked as an aide at the Wolfeboro Public Library before returning to Ossipee in August 1983 as librarian of our Ossipee Public Library.

Only Ruby would have tackled, undaunted, the job of cataloging an entire fifty year collection of books in a crowded two-room library. Six years later her efforts convinced our community to approve a bond issue that would provide for our library needs for the coming twenty years. The modern facility which we now enjoy is the result of her dedicated efforts.

During her nine-year tenure as librarian, patron registration numbers grew to more than 2000, weekly hours increased by 14, summer reading programs for children were initiated, and a variety of programs of interest to the entire community were offered.

Ruby's thrifty Yankee ways stretched the budget, making possible the purchase of a bestseller requested by a patron or a research book requested by a child. Her dry sense of humor is still remembered by patrons.

While keeping up with a busy professional career, Ruby also found the time to raise a son and two daughters. Ruby and her husband Donal are currently enjoying a retired lifestyle at their home on Folsom Road.

Our hats go off to you, Ruby Pearson! With great respect and appreciation we dedicate this 1991 edition of our Annual Town Report to you.

ARTICLE 2: "Do you favor the continuation of the Town Manager plan as now in force in this town?" (Submitted by petition)

The following vote was received: YES 309 NO 356

ARTICLE 3: Are you in favor of the adoption of amendment #1-91 as proposed by the Planning Board for the Ossipee Zoning Ordinance as follows:

To amend the existing Ossipee Zoning Ordinance by amending Article XXXIII. Definitions: By adding the definition "PRESITE BUILT HOUSING: Any structure designed primarily for residential occupancy which is wholly or in substantial part made, fabricated, formed or assembled in off site manufacturing facilities in conformance with the United States Department of Housing and Urban Development minimum property standards and local building codes, for installation, or assembly and installation, on the building sit. For the purpose of this ordinance, presite built housing shall no include manufactured housing, as defined in RSA 674:31" and to amend the definition of "DWELLING SINGLE FAMILY" and Article XXXV Description of Permitted Uses, 35.1(a) to read as follows: "A detached residential building other than a manufactured home, designed for and occupied by one family only. Presite built homes which are constructed on a conventional foundation are considered to be single family dwellings, as distinct from manufactured housing."

INTENT: To clarify the difference between Presite Built Housing and Manufactured Homes in this ordinance as defined by State Statute, and to have conformity in the wording of the Definitions and Descriptions of Permitted Uses Articles reflecting this additional definition paragraph.

Submitted and approved by the Ossipee Planning Board.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$23,500.00 for the purpose of purchasing a new one ton four wheel drive truck with plow and dump body, to replace the 1982 four wheel drive Chevrolet truck operated by the Highway Department: (Submitted by the Selectmen) (Recommended by the Budget Committee)

After little discussion on what purposes this truck would be used for this article was passed.

ARTICLE 10 PASSED AS READ

ARTICLE 11: To see if the Town will vote to authorize the Selectmen to negotiate and enter into a lease for a new police cruiser

and to raise and appropriate the sum of \$2,500.00 for the first year's payment toward said lease. (Submitted by the Selectmen)
(Recommended by the Budget Committee)

ARTICLE 11 PASSED AS READ

ARTICLE 12: To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from State, Federal, other Governmental Unit or a private source which becomes available during the year in accordance with the procedure set forth in New Hampshire Revised Statutes Annotated 31:95-B. The Selectmen shall, before accepting funds from the above list of sources, hold a public hearing to obtain the feeling of the Town. (Submitted by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 12 PASSED AS READ

ARTICLE 13: To see if the Town will vote to authorize the Selectmen to transfer Tax Liens, to sell and convey by Quitclaim Deed following notice of sale by advertisement, any and all properties acquired by Town Tax Collector's Deed by Public Auction (or advertised sealed bids) or in such a manner as determined by the Selectmen as justice may require, pursuant to RSA 80:80. The Selectmen shall hold a public hearing to obtain the feeling of the Town. (Submitted by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 13 PASSED AS READ

ARTICLE 14: To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19. (Submitted by the Selectmen)
(Recommended by the Budget Committee)

ARTICLE 14 PASSED AS READ

ARTICLE 15: To see if the Town will vote to authorize the Selectmen to enter into an agreement between governmental units, pursuant to RSA 53-A, with the Towns of Effingham and Freedom, or with such Town or Towns as vote at the 1991 Town Meeting, for the

formation of the Ossipee Lake Dam Authority established for the operation, maintenance and oversight of the Ossipee Lake Dam and to enter into any agreement necessary to carry out these functions. (Submitted by the Selectmen) (Recommended by the Budget Committee)

Discussion was opened on this article with many questions, such as Liability. Doug Meader explained the agreement the Board of Selectmen have made with the State, and he explained that the State will take over the Dam from CMP with the liabilities and the Towns of Ossipee, Effingham and Freedom will maintain and operate the dam. By allowing this it enables the three towns to operate the gates as to the levels of the lake with certain guidelines from the State. One question was raised as to what would happen if it's voted down. Doug Meader explained that CMP would blow up the dam and no one would be able to change the water level of the lake.

ARTICLE 15 PASSED AS READ

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of \$15,900.00 as the Town's first annual appropriation to the Ossipee Lake Dam Authority. (Submitted by the Selectmen) (Recommended by the Budget Committee)

Questions were raised as to what the impact would be to Ossipee if the 2 other towns don't vote it in.

Doug Meader explained how the fund would be established, by equalized assessed valuations example: Ossipee's assessed valuations are 53.1%, Freedom's are 31.2% and Effingham's are 15.7%. Ossipee and Freedom would have the most to lose should this not pass, and should Effingham not go along with it we would still not go over the original cap of 30,000.

ARTICLE 16 PASSED AS READ

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$5,000,00 to be added to the Rescue Vehicle Capital Reserve Fund, previously established. (Submitted by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 17 PASSED AS READ

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$4,200.00 for repayment to the Tax Collector of 1988 and 1989 Lien Fees paid over to the Town. (Submitted by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 18 PASSED AS READ

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for development of a landfill Closure plan pursuant to the directives from the State of New Hampshire and an agreement executed between the State and Town. (Submitted by the Selectmen) (Recommended by the Budget Committee)

Questions were raised as to what this money was for. Doug Meader stated that these were the final closure costs (i.e. engineering, survey work)

ARTICLE 19 PASSED AS READ

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of \$35,000.00 for dumping and hauling of Construction/Demolition debris, said funds to be offset by fees. (Submitted by the Selectmen) (Not Recommended by the Budget Committee)

Joe Goss made a motion to table this article and a hand count was taken: 86 in favor of tabling this motion and 50 opposed.

ARTICLE 20: TABLED

Article 21: To see if the Town will raise and appropriate funds to contribute to the Appalachian Mountain Teen Project, in the amount of \$1,200.00 for the direct service to the youth participants living in Ossipee. (Submitted by the Selectmen) (Not recommended by the Budget Committee)

Ann Marie Albine gave a brief explanation of the article.

ARTICLE 21 PASSED AS READ

ARTICLE 22: To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the support of Ossipee children using

services of the Bearcamp Valley School and Children's Center.
(Submitted by Petition) (Not recommended by the Budget Committee)

Eva Porter stood up and made a motion to postpone this article until Article 28 due to the fact that she was misinformed about the number of signatures needed on a petition for the Ossipee Co-Op School. She was told to make this motion by the moderator, but withdrew the motion when an amendment was made to increase the amount to include \$1000.00 for the Ossipee Co-Op School. New Article to read: To see if the Town will vote to raise and appropriate the sum of \$2,000.00, \$1,000.00 for support of Ossipee Children using services of the Bearcamp Valley School and Children's Center, and \$1,000.00 for the Ossipee Co-Op School.

ARTICLE 22 PASSED AS AMENDED

ARTICLE 23: To see if the Town will vote to raise the Permit Fee for Solid Waste Haulers to \$100.00 and useage fee of \$7.50 per customer. (Submitted by Petition)

Maurice Bishop made a motion to table this article, seconded and passed.

ARTICLE 23: TABLED

At this time Ron Adams made a motion to take Article 20 off the table for consideration, seconded and passed.

ARTICLE 20 TO READ: To see if the Town will vote to raise and appropriate the sum of \$35,000.00 for dumping and hauling of Construction/Demolition debris, said funds to be offset by fees.

Much discussion was made on this article, a motion was made to amend article 20 to include a tipping fee for all commercial haulers.

Article 20 amended To see if the Town will vote to raise and appropriate the sum of \$35,000.00 for dumping and hauling of Construction/Demolition debris, said funds to be offset by fees to include tipping fees for all commercial haulers. Amendment seconded and passed.

ARTICLE 20 PASSED AS AMENDED

ARTICLE 24: To see if the Town will vote pursuant to RSA 202-A:6, to expand the Library Trustees for three (3) to five (5) beginning with the Annual Town Meeting for the year of 1992. (Submitted by the Selectmen)

ARTICLE 24 PASSED AS READ

ARTICLE 25: To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to appoint a deputy treasurer. Said deputy treasurer shall be sworn, shall have the powers of the treasurer, and may be removed at the pleasure of the treasurer. (Submitted by the Selectmen)

ARTICLE 25 PASSED AS READ

ARTICLE 26: To see if the Town will vote the following resolution: "The Town of Ossipee strongly encourages our state to maintain its commitment to programs and services that serve the basic human needs of the poor, sick, disabled, children, elderly, and unemployed. Further, that the maintenance of this commitment should not involve a shift of financial responsibility to the local community." (Submitted by petition)

ARTICLE 26 PASSED AS READ

ARTICLE 27: To hear reports of Agents, Auditors, Committees, or Officers thereto.

Rick Cogswell gave a brief report on the progress of the Beach Committee.

ARTICLE 28: To conduct any other business that may legally come before said meeting.

Rick Cogswell made a motion to require the Selectmen to appoint the Codes Enforcement Officer prior to April 1, 1990 that was voted in at last years Town Meeting. Seconded and Passed.

Motion was made to adjourn the meeting at 10:30 pm. Seconded and passed.

Respectfully Submitted,
JUDITH M. MASON
Town Clerk

**STATE OF NEW HAMPSHIRE
CARROLL, SS. TOWN OF OSS�PEE
TOWN WARRANT**

To the inhabitants of the Town of Ossipee in the County of Carroll, in the State of New Hampshire, qualified to vote in Town affairs:

To act on the following Articles, the polls to remain open until Six O'Clock in the afternoon (6:00 p.m.) of said day.

ARTICLE 1: To elect all necessary Town Officers for the ensuing year as follows: to choose one (1) Selectman for a term of three (3) years, one (1) Treasurer for a term of one (1) year, one Moderator for a term of two (2) years, one (1) Town Clerk / Tax Collector for a term of three (3) years, two (2) Budget Committee members for terms of three (3) years each, one (1) Cemetery Trustee for a term of two (2) years, one Cemetery Trustee for a term of three (3) years, one (1) Trustee of Trust Funds for a term of one (1) year, one (1) Trustee of Trust Funds for two (2) years, one (1) Trustee of Trust Funds for a term of three (3) years, one (1) Supervisor of the Checklist for a term of six (6) years, one (1) Library Trustee for a term of one (1) year, one Library Trustee for a term of two (2) years, and one Library Trustee for a term of three (3) years.

ARTICLE 2: Zoning (submitted by the Selectmen)

ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT #1-92 AS PROPOSED BY THE BOARD OF SELECTMEN FOR THE ZONING ORDINANCE AS FOLLOWS:

To amend the existing Ossipee Zoning Ordinance by adding Manufactured Homes as a category of Residential Use Permitted in the Village, Residential and Rural Districts, so that Article XXXIV, Table 1, Chart of Uses, would be amended to include Sec. 34.1(g) Manufactured Homes, permitted (P) in the Village, Residential, and Rural Districts, and by adding a paragraph 35.1(g), to Article XXV, as follows:

All Manufactured Homes installed after the adoption of the amendment must comply with the most recent specifications and

standards established by the U.S. Department of Housing and Urban Development. (24 CFR Ch. XX).

INTENT: Presently, Manufactured Homes as defined in Article XXXIII are only allowed in Manufactured Home Parks and in Manufactured Home Subdivisions. This amendment would allow placement of Manufactured Homes on individually owned lots in the Village, Residential, and Rural Districts.

Manufactured Homes on individually owned lots would meet the same specifications and standards established by the U.S. Department of Housing and Urban Development, as currently apply to Manufactured Homes in Manufactured Home Subdivisions and Parks (Article XIII, Sec. 13.5 and Article XIV, Sec. 14.3.17)

Submitted by the Ossipee Board of Selectmen.

ANNUAL REPORT OF THE OSS�PEE PUBLIC LIBRARY TRUSTEES

To the Townspeople of Ossipee:

The past year at Ossipee Public Library has been exciting. Hours of operation and patron use have both increased. The Meeting Room has been in constant use with a variety of programs, classes, art displays and, of course, meetings.

Our biggest change has come in personnel. After twenty-six years of professionally devoting her time to books, Librarian Ruby Pearson retired on May 31, 1991. Since becoming Librarian in August 1983, Ruby has overseen the transformation of a simple collection of books into a modernized Library with a card catalog, more than 2,000 patrons and a building expansion that tripled the Library's original size. Ruby's dedication to her job will be long remembered and appreciated by our community. She was undoubtedly the major force in the rebirth of Ossipee Public Library.

Lindalee Lambert became Librarian on June 1, 1991, continuing to facilitate the Library's rapid growth. On June 10, over 100 students, parents and teachers from Ossipee Central School were hosted by the Ossipee Public Library for an "Author's Tea." The children divided into groups and read their published books to their peers. Refreshments were served. It was wonderful to hear the Library ring with laughter and applause.

On July 1, 1991, the Library hours were increased one third to 30 hours per week. Additional evening hours were added, making the Library open three nights each week. The summer reading program "Some Enchanted Reading" began on Tuesday, July 9. Ossipee Recreation Department children participated in the same program on Wednesdays. In keeping with the Medieval theme, the children's knights and ladies climbed the tower of the Library's castle. The children kept track of the books read and received prizes at the program's end in August. A total of 280 books were read and over 70 certificates of achievement were awarded. Thank you to Linda Grouleau of Terrace Pines Campground for her encouragement and assistance with the Reading Program.

In cooperation with Martha Moulin at Camp Marist, students from Mexico came to the Library on Wednesdays. They were introduced to an American library, learned how it worked, and expanded their English vocabulary with stories. A total of 114 children participated.

Civil War Week was popular at the Library. To complement the Library's recent purchase of the popular PBS video series "The Civil War," a special collection of photographs, wearing apparel and medals was on display. Bob and Martha Amidon, attired in authentic Civil War attire, spoke to over 25 people, telling about life during the 1860s. Authentic refreshments were prepared and served by the Library Trustees.

Eileen Leavitt and the Librarian gave a children's presentation entitled "Follow the Drinking Gourd." 30 school age children listened to two stories about life in the 1860s and learned a song that the Underground Railway used as a "map" to help guide the slaves.

August wrapped up the summer reading programs and the children were treated to the Squam Lake Nature Center's "Animals with Bad Reputations." Over 65 children and adults attended.

August saw the Library go "on-line" with the State Library computer. This enables the Librarian to electronically locate and requisition a book needed for a patron from another Library in the state. Thank you to Peter Lambert for hooking up the system and getting it operational.

On August 15th, 30 student-musicians from the BlockHaven Ensemble treated the public to classical music. We were told that the Library Meeting Room has "terrific acoustics." Virginia "Ginney" Bradley organized and helped serve refreshments.

September saw the resumption of the Pre-School Story Time which continues through the year. Volunteer Jennifer Clough reads to an average of 15 children and then co-ordinates a craft related to the books read.

In October, six classes from Ossipee Central School started visiting the library weekly. A total of 1536 school children have been read to since October 1991.

Through a donation from Barbara Lemery, the Library received Simplicity Sewing Patterns to loan out. Maria LaGuardia spoke to a group about perennials, gardens and their care and upkeep. Especially interested were members of the Ossipee Woman's Club. The members of the Club have volunteered to maintain the lovely flower garden that graces the Library's entrance walk-way.

November saw a special exhibit of "Local Women's Handwork." The exhibitors included: Marjory Clark, Jean Green, Ruth Loring, Lindalee Lambert, Barbara Lemery, Ann Morrison, Kathy Prause, Priscilla Reny and Jennifer VanCor. Thank you to all of these talented craftswomen who made this exhibit possible.

December was a busy month. A visitor to Ossipee from Mexico, Patty Guajardo, co-ordinated with the Librarian to present "A Children's Christmas in Mexico." Luminarias lit up the Library entrance, but the weather did not co-operate. The program was offered to Ossipee Central School primary grade students. The response was overwhelming! Over 90 adults and children learned about the Christmas holiday in Mexico. They use marachas, learned a Spanish song that the children sang while they took turns hitting the piñata. Patty had made the piñata and filled it with traditional treats. Mrs. Santa Claus visited the Library right before Christmas. Mrs. Claus, her helpers and guests came to the reading in their pajamas and nighties to hear special bed-time Christmas stories.

Each month since July, the Meeting Room of the Library has been the setting of art exhibits by local talent. Our special thanks to Ron White for his help in co-ordinating these exhibits and the artists who made it possible: Marsha Haughy, Don Wyatt, Dan Lee, Lee Gridley and Ron White.

The Meeting Room has also been the scene for quilting, Christmas decoration and basketweaving classes. Thanks to Saima Davis, Barbara Lemery and Marilu Souza for sharing their skills.

The Friends of the Ossipee Public Library have shown their support in so many ways this past year. The funds they raised went into outfitting a kitchen in the Meeting Room. Their generosity also enabled the Library to look especially festive this past holiday season. Electric candles were purchased for all the Library windows. Wreaths and garlands decorated the fireplace mantles, doors and windows. The Friends sponsored a Wreath Making Party to make the fresh wreaths that were hung outside. Their work transformed the Library overnight. The Friends also treated Mrs. Santa Claus's guests with a holiday treat.

It would not be possible to operate such a large and busy facility such as the Ossipee Public Library without the invaluable help of its volunteers. Thank you to Eleanor Bassett, Isabella Clark, Edith Gimpel, Jean Greene, Sylvia Witherall and Catherine Ziegler. These ladies work at the Library very week and help keep the Library running at top efficiency. Other people that have volunteered their time and energy include: Virginia "Ginnie" Bradley, Mabel Davis, Patty Guarjardo, Doris "Dorrie" Johnson and Maria LaGuardia.

The Librarian would like to extend her personal thanks to the many people who made her transition into the Ossipee Public Library as smooth as possible, including: Ruby Pearson, Jennifer Clough, Georgina Leland, Trustees of the Ossipee Public Library, The Friends

of the Ossipee Public Library, and so many of the townspeople of Ossipee.

REPORT OF OSS�PEE POLICE DEPARTMENT

Annual Report 1991

There were 2 fatal accidents this year along with some serious accidents most notably of which was a 3 car pile up that sent 12 people to the hospital with serious injuries. Otherwise the number of accidents is down slightly this year.

Recertification training occurred in all the needed areas. The following officers received additional training: Loomis, Liability management; Morgan, Property control; Grow, DARE; Eldridge, Highway Drug Interdiction - HGN; French, Sexual assault investigation; Thibault, Suicide prevention.

Burglaries and thefts are up slightly while juvenile intervention has dropped slightly. The number of reported assaults is the same as last year but the arrest rate doubled. Operating After Suspension arrests are also up significantly. Most other statistics remain at about the same level as last year.

I would like to thank all the fire departments and rescue squad for their assistance at accident scenes, etc. I would also like to recognize them for their outstanding work at various fires, rescue scenes, disasters, etc. at which we assisted them.

Officer Martha French will no longer be working the "road" and will be in the office on a full time basis. In addition to her normal office duties Martha types all the reports, prepares complaints for court. She also investigates some matters as assigned most notably bad checks and assisting DCYS with abuse/neglect cases. All other personnel will remain the same.

Hours worked: Loomis, 1972 hrs., 984 admin.; Morgan, 1738 hrs., 63 OT, 178 admin.; Grow, 1954 hrs., 105 OT, 255 admin.; Eldridge, 1958 hrs., 132 OT, 70 admin.; Thibault, 480 hrs., 20 OT, 13 admin.; Kinmond, 71 1/2.

SELECTMEN'S YEARLY REVIEW

Your Selectmen have put in more hours this year than any in the past. We were without an Administrator for most part of the year and by keeping a day to day finger on the pulse of the operation we kept expenses to a controlled minimum for a small tax decrease in the tax rate, three cents per thousand.

We now have a Codes Officer, David Senecal. Dave brings years of Codes experience and has already reduced the load of problems for the administrator.

We were proud to have been able, through a Community Block Grant, to purchase the vacant Ossipee Crossings Building for use by Ossipee Concerned Citizens for a Day Care Center, Senior Day Care, Meals on Wheels, WIC and daily congregate meals. This is an asset to our community.

Our new tax assessor, George Ballester, has located to date over \$5 million in valuation for the tax rolls.

The Police Department is now at full complement and during the year the officers have been receiving continuing education in law enforcement areas. We hope to give them a new home in 1992 which will enhance their visibility to the public.

The Recreation Department has a program for everyone from Squeaky Sneakers (2-4 yrs. old) to Senior Walking Clinic, along with sports for all ages.

For anyone looking for a jewel of a small park, check out the Mill Pond below the Dam. Emile Legendre has made one of the most beautiful areas in town. Many thanks, Emile.

The Ossipee Lake Dam Authority is still going in a forward motion. The Dam should belong to the State of New Hampshire soon.

The Highway Department had a busy year with their winter duties and then in the summer they had Hurricane "Bob" to deal with. The Hurricane cost approximately \$20,000 and we received \$9,000 from FEMA to help offset the cost.

The Town hired a Town Administrator in 1991 and this has taken the burden off the selectmen on the day to day operation. Thomas Gaydos comes to us from a small community in Maine and he knows small town problems and if we all work together we can keep our problems small.

With a new team in place, the Selectmen's goal is to increase the public's awareness of the Town's activities and serve the people's needs. We feel that if all decisions address the question "What is best

for Ossipee?" the Town will move in a direction that will ultimately make Ossiee a better place to live.

In closing let us thank all employees, boards, committees and commissions for a job well done and we are looking forward to continued cooperation, and we thank the citizens of Ossipee for taking an interest in the affairs of the town. This is the first year we can recall having at least one candidate for each office on the ballot.

OSSIPEE RECREATION DEPARTMENT 1991-1992

WOW! What a year! Our Department has been keeping extremely busy providing a diversified recreation program for ages 2-72. Who would have thought community members would be hopping in T-Shirts and shorts in below zero weather at our first adult beach party ... only to reappear weeks later bundled up to assist their children in our 1st Annual Ice Fishing Derby?

Participation in all our programs has been excellent! We are especially happy to say that even our Adult recreation programs have been successful and steadily increasing in numbers.

The following list will provide you with a better understanding of what the Ossipee Recreation Department has offered to the community during the past year.

OSSIPEE LAKE BEACH COMMITTEE
Annual Report 1991

Dear Residents of Ossipee:

During the last year the Ossipee Lake Beach Committee has been busy preparing for commencement of the Constitution Park projects. We have received notification of receipt of the \$25,000 Land and Water Grant funds. We hope to commence construction the segments of the Elevated Walkway this winter and complete installation this spring before ice out.

The Selectmen have agreed to assist in coordinating the use of Road Department equipment during the summer for construction of the Conservation Area parking lot and in completing the sub-base for the three tennis courts.

Judy Silverberg of N.H. Fish and Game has been helpful in starting trail designation and will be assisting in preparing lesson plans for environmental site walks for our school children. We hope to use the park as a site for training for the upcoming Envirothon this spring.

In addition to work on the park the Committee has been continuing progress toward access to Ossipee Lake and the 2000 foot beach in Ossipee Lake State Park. This past summer I completed site walks in the State Park with members of the North Country Resource Conservation Development Area and the Soil Conservation Service. We have found several access routes to the state beach and will be presenting proposals to the State this year. We have commitments from the State that they will look seriously at any proposal presented. We have also been active in other areas concerning access to Ossipee Lake which will be described in more detail in the near future.

During this summer we will need workers for trail clearing, elevated walkway construction, tennis court construction and sign placement. We will need volunteers with bulldozers, backhoes, weed whackers, etc. We are looking for volunteers to help with five sub-committees. The Walkway Crew, the Parking and Road Way Crew, Trail Crew, Tennis Court Crew and the Park Layout and Design Team. We can use volunteers for each of these areas. Please call me at 539-5939 for more information and watch for announcement of beach committee meetings in the papers and on WASR Radio. Let's make this year's Earth Day goal for Ossipee to complete Constitution Park Conservation Area.

TRI-COUNTY COMMUNITY ACTION

Serving Coos, Carroll & Grafton Counties

To the Citizens of Ossipee:

The Community Action Program (CAP) is a non-profit agency providing a needed service to Ossipee, primarily in the area of Outreach - Fuel Assistance - Weatherization - Federal Emergency Money Assistance (FEMA) - Homeless - Headstart - GED and Adult Tutorial Program - Carroll County Big Brother, Big Sister, - Food Pantries (two in Ossipee) - U.S.D.A. Food for Mass Distribution and Local Christmas Baskets - and numerous other services.

The dollar value of these programs and services for 1991 totals \$146,953.27.

Once again the Community Action Program is assisting the Selectman's Office with the town welfare program. In November, 1991, local outreach coordinators, Margie Vacca and Bleinda Cullen began interviewing welfare recipients to determine specific needs and to make necessary referrals to other available services prior to making final recommendations to the selectmen's office. This referral service to other sources of welfare funds has already saved the town money.

The Community Action Program would like to thank the residents of Ossipee for their continued support during 1991. We would like to offer special thanks to June Palmer who recognized the need and has faithfully volunteered a minimum of 30 hours a week in the CAP office, and Joyce Eldridge for her continued support and service. It is dedication such as this that has enabled our agency to continue to provide the services that have become so necessary in these hard economic times.

Respectfully submitted,
MARGIE W. VACCA

MT. WASHINGTON VALLEY ECONOMIC COUNCIL 1991 TOWN REPORT

Established in November, 1990, the Mt. Washington Valley Economic Council (EC) is a non-profit community development corporation. As a public-private partnership, the EC works to improve the economic vitality of the region. A twenty-five (25) member Board of Directors governs the Economic Council with twelve (12) towns in the region having the right to appoint one Selectperson as a Director and the remaining fourteen (14) decided by the membership. The Council has seven (7) committees, as well, being responsible for completing specific work activities. During 1991 the Council's accomplishments include:

Job Retention. In cooperation with the U.S. Small Business Administration, the EC established a no-cost business counseling program. Retired executives formed the SCORE program and have assisted several local businesses. Through the Business Visitation Program, Council members are contacting local manufacturers in order to identify issues such as financing, job training, exporting and governmental affairs. By resolving issues such as these, local manufacturers should find the business climate conducive for expansion and job creation. Twenty-five area manufacturers participated in a Business Appreciation Day in September.

Financing. The EC has sponsored several workshops and seminars on business and financial planning which were attended by over 500 business people. In December, the EC sponsored an information meeting with the New Hampshire Director of the Small Business Administration on the agency's new financial programs. Council representatives have worked with the Congressional Delegation on these changes. Because of the lack of credit for worthy business ventures, the Council is documenting the need for increased credit through a Revolving Loan Fund.

Economic Marketing. In cooperation with the State, and through participation at trade shows, the EC is marketing the Valley and western Maine to prospective companies. Work is progressing on a revitalization plan for Mill Street in Conway.

Transportation. Through meetings with the New Hampshire Congressional Delegation, and the New Hampshire Department of Transportation, the EC assisted in securing \$6.3 million as an initial "down payment" on the Route 16 highway improvements. Additional funds are available to study the extension of the Spaulding Turnpike

to Conway. The Council has established an Airport Task Force to encourage improvements to the Fryeburg Airport and to establish an industrial park at the airport site. U.S. Representatives Snow (ME) and Zeff (NH) co-chair the Task Force.

Communications. Over 150 participants attended the Economic Summit in January, which highlighted area problems and opportunities. The Council has met with members of the Congressional Delegation and key state officials to work on Valley problems. The EC has informed the public of its activities through regular contact with the media.

In 1992, the Economic Council will focus on the following:

1. Creation of a Revolving Loan Fund
2. Job retention efforts
3. Economic marketing
4. Airport/Industrial Task Force
5. Technical assistance; Business Counseling/Workshops
6. Revitalization of Mill Street
7. Regional Mapping

The Council's Board of Directors is pleased with the progress and appreciates the support that local government and the community at large have provided.

THE CENTER OF HOPE
January 30, 1992

To the Citizens of Ossipee:

The Board of Directors of The Center of Hope, Inc./Area Agency - Region XI has made the decision not to request financial support on behalf of our transportation program for 1992. This decision is made with acknowledgement of the strong support for our program over the years, as well as the current economy.

The Town of Ossipee has been very generous, helping us to provide transportation to jobs, community services and friends. Our commitment to transportation services continues. We will work to offset the lack of Town funds in 1992 through fund raising and economies in other areas of Agency operation which will not affect services.

We thank you, once again, for your past assistance and hope that any future request for Town support will be considered.

Sincerely,
PETER BLUE
Executive Director

SUMMARY OF LOCAL ASSISTANCE PROVIDED BY THE LRPC 1990-1991

Over the past fiscal year, the Lakes Region Planning Commission provided support and assistance to the Town of Ossipee at both the regional and local levels. Below is a sample of the services provided as a benefit to the community.

- Under an extremely short timeframe, provided the Planning Board chairman with a FEMA approved model ordinance and a model public notice to keep the Town's floodplain ordinance eligible in the National Flood Insurance Program (NFIP).
- Provided six (6) copies of the Ossipee Master Plan to the Planning Board.
- Reviewed the Town's Site Plan Review Regulations with a Planning Board member and pointed out deficiencies and made recommendations.
- Ordered and delivered eight (8) copies of the 1990-1991 Planning and Land Use publication to the Planning Board.
- Attended two meetings with the Planning Board regarding updating and amending the Town's Master Plan with a special emphasis on mapping and transportation.
- Met with the Planning Board regarding traffic counts being done on certain roads in the Town.
- Co-hosted the annual Municipal Law Lecture Series, where practicing attorneys provide a legal perspective on local planning, zoning, and procedural issues.
- Presented three public workshops for local land use boards on Planning Board tools of the trade, agricultural lands and impact fees.
- Presented Legislative Night, where state legislators addressed water quality and ground water legislation and solid waste legislation.
- Produced and distributed the *Draft Regional Transportation Plan -1991* and held four public hearing in the Lakes Region.
- Continued services as an Affiliate State Data Center for the 1990 Census. Distributed census information where appropriate.
- Produced four quarterly newsletters focusing on planning topics and issues relevant to the Lakes Region.
- Maintained a regional transportation planning program designed to assist members with local and regional road and traffic problem solving.

- Represented the Region on key legislative issues such as impact fees, shoreland development and transportation.
- Produced and distributed the fourth edition of *Development Regulations with the Lakes Region*.
- Prepared the *1990 Public Utilities and Infrastructure Plan*.
- Represented the Region on the Governor's appointed N.H. Heritage Trail Advisory Committee.
- Represented the Region on the DES Statewide Household Hazardous Waste Advisory Committee.

OSSIPEE PLANNING BOARD 1991 ANNUAL REPORT

The Ossipee Planning Board functioned under the leadership of Bruce Bennett, Chairman, and Frederick Brainerd, Vice-chairman. Rick Cogswell served as a hired consultant to the Board

The Planning Board is a volunteer group of citizens interested in Ossipee's planning and development. The Board meets every Tuesday evening at 7:30 p.m. at the Ossipee Town Hall.

During 1991 the Board approved 4 subdivisions and 8 boundary line adjustments. They issued 1 special use permit and acknowledge 2 plans of land. They conditionally approved 2 gravel excavation proposals.

Ossipee taxpayers appropriated \$15,578 for Planning Board expenses in 1991. Expenditures were \$13,562. Receivables, from fees etc., were \$7,667. Another year of good fiscal planning!

During the year the Board continued its work on the proposed site plan review regulations and on the updating of the Master Plan. Members attended conferences, lectures, workshops, and classes on such topics as the Zoning Board of Adjustment in New Hampshire, What Planning Boards Do, building codes, etc.

The Ossipee Planning Board would like to encourage more people to take an interest in town government. We especially need people to help on committees participating in the update of the Master Plan. To volunteer your help, contact any Planning Board member or one of the Selectmen.

OSSIPEE CONSERVATION COMMISSION ANNUAL REPORT - 1991

The Ossipee Conservation Commission functioned this year under the leadership of Peter Olkkola, Chairman, and Ralph Buchanan, Jr., Vice-chairman. A total of 13 Dredge and Fill Applications were processed through the New Hampshire Wetlands Board. The Commission also investigated several complaints by members and residents.

In May, the Commission sponsored an informative slide-tape program on deer management and the habitat requirements for their survival. This program was conducted in cooperation with the University of New Hampshire Cooperative Extension and the New Hampshire Fish and Game Department. Sixteen residents attended, including some who have State-identified deer yards within the boundaries of their property.

In cooperation with the Society for the Protection of New Hampshire Forests, the Commission advertised for a volunteer from Ossipee to participate in the New Hampshire Community Tree Steward Program. Pamela Tilton responded and has enrolled in a weekly training program at the Urban Forestry Center in Portsmouth. The Community Tree Steward is responsible for increasing the awareness of community trees, planting and maintaining trees, and delivering tree programs to youths and adults.

The Commission received 11.4 acres of land from the Estate of Shirley Clay of Brookline, Massachusetts. This land, consisting of two contiguous parcels on the Granite section of Foggs Ridge Road (Tax Map 25, Lots 29 and 30), is to be used for recreational, conservation, or park purposes. The legal aspects of this bequest are presently being handled by town legal counsel.

In June, Ralph Buchanan, Jr., attended a workshop on Wetlands Evaluation. In November, James Rines attended a seminar on the new Shoreline Protection Act.

The Commission has recommended to the Selectmen that forest management activities be conducted on selected portions of town-owned land, with revenues to be deposited in the conservation fund.

The Commission meets on the second Wednesday of each month at 7:30 p.m. at the Town Hall in Center Ossipee. All meetings are open to the public and your participation is appreciated. The Commission is a member of the New Hampshire Association of Conservation Commissions.

Our appreciation is extended to those people who, during 1991, served our community through the Conservation Commission,

including James Tully, Alternate, who found it necessary to resign during the year.

ZONING BOARD OF ADJUSTMENT 1991 ANNUAL REPORT

The Zoning Board of Adjustment functioned this year under the leadership of Mark McConkey, Chairman, Robert Burton, Vice-chairman, and Joseph Skehan. The ZBA is pleased with the Selectmen's appointments of Stanley Brothers and Randy Lyman to our Board.

The ZBA function is to interpret the intent of the Ossipee Zoning Ordinance. The ZBA has the authority to act on appeals of administrative decisions, to approve special exceptions, and to grant variances.

In addition to answering numerous zoning questions, the Board held four public hearings for variances or special exceptions. All four applications were granted. One public hearing was held for an appeal from an administrative decision, with the appeal being denied. One motion for a rehearing was also denied. The Board issued one Temporary Structure Permit for a temporary manufactured home.

In October, the ZBA attended the Municipal Law Lecture on the topic of "The New Hampshire Board of Adjustment."

Our appreciation is extended to Beverly Mason and Frank Riley who served the ZBA from its inception. Their diverse knowledge and devotion to this town and our Board will be greatly missed.

ANIMAL CONTROL 1991

This has been another busy year for Animal Control in the Town of Ossipee. I traveled a total of 3,822 miles, responded to 315 telephone calls, impounded 36 dogs, picked up 8 dead dogs, followed legal procedure in 9 dog bite cases, picked up 4 dead cats and filed two Court Complaints.

Most of the stray dogs which were impounded were not claimed by their owners and since the majority of the stray dogs I deal with have no rabies tags, no licenses and no collars it is impossible to find their owners. It is possible that some of these dogs were deliberately abandoned.

Again this year, the majority of the complaints I received were in regard to dogs running at large off their owners' properties, dogs barking for extended periods of time thus disturbing the peace and quiet of a neighborhood, and dogs who were not being properly cared for.

There ARE specific Dog Laws and it is the responsibility of the Animal Control Officer to respond to complaints about the violations of these laws. For example:

1. It is unlawful for any dog to run at large except when accompanied by its owner or during other specific supervised activities. At large means off the property of the owner and not under control.

2. It is unlawful for a female dog in heat to be loose or tied outside even on the owner's property. Except for necessary walks on a leash, while in heat she must be confined within a building or an enclosure.

3. It is unlawful for any dog to be a menace, a nuisance or vicious.

4. It is unlawful for a dog not to be licensed once it has reached the age of three months and from then on it must be licensed every year. The license tag must be attached to the dog's collar.

5. It is unlawful for a dog that is three months of age or older not to have a Rabies Vaccination. Revaccination is required again within the first year and then again every three years. The veterinarian will inform the owner at the time of the vaccination as to when the next vaccination is due. The Rabies tag should be securely attached to the dog's collar.

6. It is unlawful for a dog (or any animal) to be deprived of necessary care, sustenance or shelter or to be mistreated.

The above laws are the ones which are most often violated and are therefore the ones in reference to which I receive the most complaints.

All of these laws are in effect in the Town of Ossipee and complaints about any of them will be handled by the Animal Control Officer. I can be reached by calling the Ossipee Police Dept. or the Sheriff's Office or Troop E and I will make every effort to respond to your complaints as soon as possible. This is not a full-time job so I am not always at home because I am fulfilling other job responsibilities but I do have an answering machine and I will return your call as soon as I can. ANY COMPLAINTS I RECEIVE ARE HANDLED WITH COMPLETE CONFIDENTIALITY AND YOUR NAME DOES NOT HAVE TO BE REVEALED. PLEASE however always leave ME your name and phone number so that I can get back to you and we can discuss the situation with which you are having a problem.

The Ossipee Concerned Citizens organization sponsors a Rabies Clinic at the Ossipee Town Hall every spring. This clinic is run by the Kindness Animal Hospital of Ossipee. The cost of the vaccine at this clinic is considerably less than it would be at the office of your veterinarian. Please watch for the date and time of this Clinic in your local newspapers.

Dogs which are picked up as strays will be transported to an animal shelter for the required impoundment but I will usually keep a stray at my Holding Facility for a day or two in hopes that the owner will get in touch with me and can be reunited with his pet as soon as possible. If you have a stray dog on your property or see one in danger on a highway I will always appreciate your care of the dog until I can come and pick it up but PLEASE do not risk your health or your safety.

I very much enjoy being your Animal Control Officer and I do care about you and your animals. I also appreciate your awareness of the animals in your area so that I can enforce the laws governing their health and their safety.

My very appreciative thanks as always to the Ossipee Police Department, the Ossipee Town Officials, the Sheriff's Office, Troop E, The Ossipee Sanitation Dept., and the Town and State Highway Crews. Without their help my job would be impossible.

NEW HAMPSHIRE HUMANE SOCIETY
Box 572, Lanconia, NH

January 1992

Office of Selectmen
Town of Ossipee
Ossipee, New Hampshire

Dear Friends:

The 1991 totals of the number of animals brought to the N.H. Humane Society shelter from your town are as follows:

By your Animal Control Officer:

Dogs & Puppies: 10	Cats & Kittens: 0	TOTAL: 10
--------------------	-------------------	-----------

From local Residents:

Dogs & Puppies: 11	Cats & Kittens: 32	TOTAL: 43
--------------------	--------------------	-----------

Total number of All animal received	53
-------------------------------------	----

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1991. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray animal problems. We encourage your town and especially your Animal Control Officer to use our services more in 1992.

Sincerely,

FRITZ T. SABOW
Executive Director

**VISITING NURSE ASSOCIATION
Of Wolfeboro and Vicinity, Inc.
Box 141, Wolfeboro, New Hampshire 03894
(603) 569-2729**

1991 ANNUAL REPORT

The Visiting Nurse Association of Wolfeboro and Vicinity, Inc. continues to provide both Home Health Care and Clinic Services to Ossipee residents.

The following services were provided to residents in Ossipee:

Home Care Services:	Residents Served	Visits Made
Nursing, Physical, Occupational or Speech Therapy, Health Aide	90	1076
Clinic Services		
Blood Pressure Clinics	145	365
Flu Clinic	140	140
Cholesterol Screenings	4	4
Child Health Program	100	181
School Children Immunized	75	75
Total	554	1841

The Agency now provides nursing, physical, occupational and speech therapy services and health aide services. Nursing visits are available 24 hours a day.

Although there was a 25% decrease in home visits made to Ossipee residents in 1991, there was an 18.8% increase in utilization of clinic services.

Funding for these services is received from Medicare and other insurances, fees collected and a Grant from the N.H. Bureau of Maternal and Child Health. Gifts, Donations and Town Appropriated funds enable us to continue to provide needed services to those who need them without regard for their ability to pay.

The Board of Directors, the Staff and I thank you all for your continued support and assistance.

Respectfully Submitted,
DAVENA R. DeWOLF, R.N.
Administrator

OSSIPEE CONCERNED CITIZENS, INC.

To the Selectmen and citizens of the Town of Ossipee, Ossipee Concerned Citizens, Inc. submits its 1991 annual report:

This report presents to the residents of the Town of Ossipee a bulk of information relating to programs under the auspices of Ossipee Concerned Citizens, Inc. This information is used as a basis of evaluation for our citizens, and for our Board of Directors and staff members. No year should pass without learning to make changes to the future. Nor should it pass without recognizing what is good. We are proud of our agency's accomplishments in 1991.

34,441 congregate and home-delivered meals were provided by our meals program. Dozens of volunteers logged thousands of miles throughout Ossipee, Effingham, Freedom, and Tamworth to make it all possible. Of the above total units, 23,602 were to residents of Ossipee.

As part of the elderly program services, Sandy Montgomery of the Wolfeboro Visiting Nurses Association is available on the third Thursday of each month following the congregate meal to take blood pressures. The VNA also provides annual flu shots, and periodic health screening clinics throughout the year.

Transportation for medical and shopping trips is provided as necessary during the year. Additionally, group recreational trips are scheduled, and this year included bowling, Christmas shopping, Newicks, Christa McCauliff Planetarium, Hobo Railroad, Anhauser-Busch Brewery and Clydesdales in Merrimack, Willowbrook, Foliage trip, Songo River Queen Boat Excursion in Naples Me., Mt. Washington Boat Trip from Wolfeboro, and a four-day bus trip to Pennsylvania Dutch Country.

The Carroll County WIC Program is a service provided thorough our agency offering health screening, nutritional counseling, and food vouchers to eligible pregnant women, nursing mothers infants and children to age five who reside in Carroll County. As of January, 1991, 904 clients were enrolled. Of that total, 233 were served at the Ossipee site.

Operation Polar Bear was a new project last year designed to provide warm winter outerwear for local children and adults. Thanks to donated clothing and the Ossipee and Wolfeboro Cleaners, the project was once again a great success. Over 200 jackets, coats, and snowsuits were distributed through the Ossipee Concerned Citizens' building.

Last September Ossipee Concerned Citizens, with the support of the Ossipee Children's Fund, became the sponsoring agency for the

former YMCA Afterschool Daycare Program located at Ossipee Central School. This program will continue at the school until the renovation to the Ossipee Crossing Building is completed.

Significant time and effort are required for fundraising projects. These funds are re-invested into agency programs. The major fundraisers are the following: Fourth of July Celebration; Food Catering and Suppers; Christmas Fair; and the Santa '91 Fundraising Letter. An additional fundraiser to be included within the past year was made possible by Mr. and Mrs. Mo Whitman who donated 80 tree farm Christmas trees which were cut and sold by our agency. The last three activities mentioned above financed the Santa '91 Christmas Program.

Ossipee Concerned Citizens, Inc. had a 1991 operating budget of \$245,000.00. With the addition of the Childrens Day Care Program in 1992, the budget will increase to over \$320,000.00. Of the present budget, over 90% of these funds are contracted through the following Health and Human Services Programs of the State of New Hampshire: Division of Elderly and Adult Services (Titles XX, III, USDA), Bureau of WIC Services (USDA). The remaining 10% is derived through client donations, town support, and fundraising.

1991 was our sixteenth year of operation from a small building that used to be the Ossipee Town Garage. 1992 will bring our greatest and most exciting change. All programs will be moved into the newly purchased and renovated Ossipee Crossing Building. With this additional space, a new Childrens Day Care Program will become operational in the spring.

Neither space nor words are sufficient to express our gratitude to each of you who has made our program a success. We realize that without the support of VFW Post 8270, the Whittier Lions Club, the Ossipee Rotarians, Skandia Estates, Scout Troops, the WIC Convoy, volunteers in a variety of roles, town officials, local news media, and many businesses and individuals, Ossipee Concerned Citizens, Inc. would not be as encompassing.

The Board of Directors and staff of Ossipee Concerned Citizens, Inc. take this opportunity to thank all residents for providing the support necessary to make our town a closer community.

Executive Director

OSSIPEE WATER AND SEWER DEPARTMENT ANNUAL REPORT - 1991

To the Selectmen & Citizens of Ossipee

The early months of this year were hectic getting data & facts to present to the water/sewer hearings. The changes in rates & charges were finally established for 1991 and the resulting quarterly statements were processed to the revenue payers. By the end of the year most questions on application of these rates were answered and abatements handled in a streamlined orderly fashion

The Department has functioned but with the reduction of one full time employee since October 1990, while the Superintendent feels strongly that the Department is under staffed. The extra hours worked by the two part-timers and the Superintendent document this condition.

The Water System experienced only four Serious Leaks this summer and Fall and the Department repaired them quickly once they were located.

Revenues have come in quite well even in the face of a deficient economy. For the promptness of payment, the Department thanks the rate paying customers.

One of the Department's employees was off for 5-6 weeks last summer due to illness. We are glad he was able to return to work & is well.

The Town still faces mandates this year from the State and Federal Government to comply with changes brought forth by the Safe Drinking Water Act. These mandates confront at least two issues surface water usage (filtration and/or treatment, or possible wells & corrosion control efforts).

The year 1991 has been a very busy year. The Superintendent takes this opportunity to Thank the Department Employees & all other Departments & Agencies that have assisted us this year.

Office of the Superintendent
ROLAND C. STOCKBRIDGE

**OSSIPEE RESCUE SQUAD
1991**

To the Selectmen and the citizens of Ossipee:

The Ossipee Rescue Squad again was very active throughout the year. We increased our membership by five (5) members. Four Nationally Registered EMTs and one First Responder. Unfortunately, we lost one of the founding members, Wayne Aleska, who resigned this past January. His leadership and dedication will be greatly missed by all.

The Ossipee Rescue Squad now has fourteen members. We intend to continue to grow and improve, and make Ossipee Rescue an organization the town can be proud of.

Continuing Education in the emergency medical services is being pursued by all members. This increases our ability to better deal with the more complex medical emergencies and rescues.

1991 saw an increase in the number of rescue calls that we were dispatched to, 213 calls, and increase of 39.

The Ossipee Rescue would like to thank the citizens of the town for their continued support. It is the support of the town that makes being a volunteer rewarding.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fires in 1991 were non-permit, children and smoking materials. 450 wildland fires in New Hampshire burned approximately 150 acres for an average fire size of one-third acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system and the quick response of our trained local fire departments.

In every municipality, there is a Forest Fire Warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the N.H. Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year, presented by the N.H. Forest Fire Service, to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In New Hampshire, any open burning, except when the ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor.

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank you for being fire safe.

Robert D. Nelson
Chief, Forest Protection

REPORT OF THE TOWN FOREST FIRE DEPARTMENT 1991 ANNUAL REPORT

1991 started off snowless and very dry. This put the town fire service on a high awareness and readiness status for fire suppression needs.

Part of this readiness was training. The wardens received training from the State in the use of Class "A" foam. Class "A" foam, when used with water, will increase its suppression qualities by three times. So instead of carrying 1000 gals. of water, we can now increase that to 3000 gals. of extinguishing agent. A perfect tool where water is a problem. At this time the town has Class "A" foam capabilities for use on wildland fires as well as structure fires, and has been used with great success.

This year town training was on fire ground management using the incident command system (ICS). ICS when used will insure firefighter safety along with proper use of resources, personnel and equipment. This ultimately means fighting fires as effectively and efficiently as possible.

The 15 fire calls we had this year were a result of either a non-permit fire or carelessness. This resulted in the town billing the responsible person for the cost of extinguishment. This year's total suppression cost was \$1873.21. When collected, will go back into the town's general fund.

Remember you must have a written permit to kindle an open fire when the ground is not covered with snow. Permits are available at no cost at the Selectmen's office or by contacting me, or if you have any questions on outside burning, call 539-4683.

With the retirement of Frank Riley as chief of Ossipee Corner fire precinct, there has been a change in personnel. Mark Washburn is now a Deputy Warden as new chief of Ossipee Corner.

In closing, I want to thank my Deputies, the Police Department, Selectmen's office and all the others that have helped in keeping Ossipee a little safer from forest fires this year.

WEST OSSIPPEE FIRE DEPARTMENT

1991 marked another busy year for the West Ossipee Fire Department. The Fire Department responded to 99 calls for service. The continuing training has brought us to 2 career level firefighters, 7 level 1, and 6 attending level 1, at this time. We have 3 National Fire Academy Graduates of the Incident Command System Program.

The Fire Department would like to take this time to THANK the taxpayers for the purchase of the new engine 1. The unit is now in service at Jewell Hill Station. This unit replaces a 21-year-old pumper.

The Fire Department as always encourages new membership.

Have a safe and happy 1992.

**Office of the Commissioners
CENTER OSSIPEE FIRE PRECINCT**

1991 was a busy and exciting year for the Center Ossipee Fire Precinct. After nearly five years, our building project is nearing completion. The members of the Fire Department, who already give so much of their time, have worked many hours on renovating the old portion of the Fire Station and they all deserve our thanks.

We continue to make good progress in all areas of Fire Department operations including Training, Fire Presentation etc.

We have worked hard to maintain and improve the services without raising the precinct tax any more than is necessary, but of course, as with everything there are expenses involved. Please remember that this is not an "us vs. you" issue. Most of the members of the Fire Department are also precinct taxpayers, therefore we give our money and our time to provide fire protection for this community.

We the Commissioners would like to thank Chief Roland Stockbridge, the Officers and members of the Center Ossipee Fire Department, the Ladies Auxiliary, and the citizens of the Center Ossipee Fire Precinct for their time and continued support.

Sincerely,
RICHARD H. MORGAN
WENDELL DREW

CENTER OSS�PEE FIRE DEPARTMENT ANNUAL REPORT

Incident Record

The department throughout the year answers several types of incidents from fire emergencies to simple service calls for assistance. In the process of answering the calls for assistance department members have also logged hundreds of hours in meetings. For example, officers, business, training meetings held monthly. Almost every Thursday night year round our volunteers gather at the station to support this fire service organization. 1991 has been a very busy year after settling into the new station on Dec. 23, 1990. The department members agreed to undertake a rather large task of remodeling the first floor area of the old station. The Precinct was to purchase the materials and the labor to be volunteered by the members. We are pleased to say we are approximately eighty percent done and logged over 1600 hours by the end of Dec. 1991 and still going strong as we enter 1992. We are proud of what we have accomplished on behalf of the precinct residents. We feel confident they too will be proud of their fire safety facility.
