THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Rumney in the County of Grafton in said State, qualified to vote in Town Affairs: (L*S)

You are hereby notified to meet at Rumney Town Hall in said Rumney on Tuesday, the twelfth (12th.) day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see how much money the town will vote to raise and appropriate for Highways in addition to the amount required by law.
4. To see how much money the town will vote to raise and appropriate for the care of the Library.
5. To see how much money the town will vote to raise and appropriate for street lights.
6. To see how much money the town will vote to raise and appropriate for the care of Cemeteries.
7. To see how much money the town will vote to raise and appropriate for the care of the Common.
8. To see how much money the town will vote to raise and appropriate for the LaMott-Hall Post No. 76, American Legion, for Memorial Day and other patriotic purposes.
9. To see how much money the town will vote to raise and appropriate for the Fire Department.
10. To choose a Fire Commissioner.

11. To see if the town will vote to raise and appropriate \$ 400.00 for control of the White Pine Blister Rust in co-operation with the State Forestry and Recreation Commission.

12. To see if the Town will vote to ratify and confirm the deed given by the selectmen of the town of Rumney November 1, 1941, to Albert C. Chase which covers the property described in said deed recorded in Grafton County Registry of Deeds, Liber 731, Folio 37, which is the same property deeded to the town of Rumney by Martha L. Blake August 12, 1936, recorded in said Grafton County Registry of Deeds, Liber 664, Folio 202.

13. To see if the town will vote to raise and appropriate the sum of \$86.00, which is one one hundredths of 1% of the assessed valuation of the town, to the Lakes Region Association, for the purpose of publicizing and promoting the natural advantages and resources of the town, in co-operation with other towns in the Lakes Region.

14. To see if the town will vote to authorize the selectmen to administer, lease, rent, or sell or otherwise dispose of any real estate or any "Mineral Rights" acquired by the town at its tax collector's sales, and for which it has received tax deeds.

15. To see if the town will vote to authorize the selectmen to sell the 'Cummings' woodlot (about 14 acres) deeded to the town of Rumney by Abbie Cummings in July 1938, Liber 723, Folio 87, Grafton County Registry of Deeds, being the same lot deeded to S. Elmer Cummings by Joel A. Wright in 1904, and to execute the necessary papers.

16. To see if the town will vote to deed to Winnifrede W. Baker the following described land, being the north-westerly corner of the "athletic" field in Quincy, on the road

running from Rumney Village to Plymouth, north of Baker River, and being bounded by the Quiney school house lot on the west, the above mentioned highway on the north for a distance of 140 feet, more or less, by a part of the "athletic field" on the east, and by a southerly bound of 76 feet, more or less, an extension of the rear boundary line of the said school house lot,- containing approximately $\frac{3}{4}$ ths of an acre,- in consideration of Winnifrede W. Baker quitclaiming to the town any interest she may have in the property (the so called athletic field) described in her deed recorded in Grafton County Registry of Deeds, Book 645, Page 337, including the releasing of any restrictions and conditions contained in said deed.

17. To see if the town will vote to raise and appropriate \$1,276.50 to secure from the State \$2,552.00 to be set aside for future construction under the State Aid Orange System, on the North Groton Road.

18. To see how much money the town will vote to raise and appropriate for the Sceva Speare Memorial Hospital of Plymouth, N. H.

19. To see if the town will vote to petition the State Tax Commission to have an audit made by the division of municipal accounting and to make appropriation to cover the expense of such audit.

20. To see if the town will vote to allow a 2 per cent discount on all taxes paid within fifteen days after presentation of tax bill.

21. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.

22. To see how much money the town will vote to raise and appropriate for the purchase of a new truck.

23. To see if the town will authorize the selectmen to accept State Bridge Aid, and will vote to raise and appropriate such sums of money as are required by law for the construction of a new Bridge over Stinson Brook on the Stinson Lake Road about 2 miles north of the Rumney postoffice.

24. To see if the town will vote to consider favorably the suggestion of the State Tax Commission for the town to start a project for the making of Property Tax Maps and Records over a period of years, and to raise and appropriate a modest sum of money to its capital reserve fund to be used in partial payment of the cost of such tax maps and records. It is estimated that the work of making a tax and the completion of the required office records can be done at an overall cost of about 20 cents per acre, or about \$4,000.00 for the average New Hampshire town, and the work and payments for the same can be distributed over a number of years, until completion.

25. To see if the town will vote to have the inventory blanks distributed at the time of taking appraisal of property.

26. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 24th, day of February, in the year of our Lord nineteen hundred and forty-five.

ANNUAL REPORT OF
THE SUPERINTENDENT OF SCHOOLS

To The Rumney School Board-

My third annual report as your Superintendent of Schools presents discussions, statistics and other information which may be of interest to you and the people of Rumney. Any one who desires more specific information than this report offers is urged to request it.

Mrs. Marie L. Atherton was unable to return to the Montview school in September and was given a leave of absence until it became evident that she could not resume her duties during the present school year. Her place was taken by Mrs. Leona Edgell of West Campton until late in October. At that time, Mrs. Bernice G. Spaulding of Rumney began her work which is expected to continue until the close of the year.

As I have encountered teacher changes and interruptions to schoolwork in other towns it has often occurred to me how fortunate Rumney has been. Your townspeople have reason to be grateful for the excellence of teaching and the efficient conduct of the schools their children are privileged to attend. Your superintendent appreciates it.

A newspaper article printed last spring after our school reorganization was assured explained the desirable features of the new plan. By adding five miles per day to one transportation route it has been possible to put grades 5 to 8 in the Depot School and grades 1 to 4 in the Village. We are thus able, with the same four teachers who were employed last year, to give each one two grades instead of four. With only half the grade load they are able to do more thorough work with pupils than in former years. This all means a better chance for the children who are and should always be our principal concern.

Negotiations now being carried on make it appear likely that before school opens next September the Depot School will have its own water system. The annual financial saving and greater convenience to teachers and pupils should prove adequate compensation for the long wait since a special appropriation for that purpose was made in 1943.

Shortly after the district meeting of last March declined to make the suggested appropriation to install flush toilets at the Village School, condemnation of existing sanitary conveniences forced the School Board to take immediate action. Since the district vote definitely eliminated flush toilets the next best choice was to install Kanstine septic toilets. They are now ready for use but at a cost fully as great as the appropriation proposed last year for a much more efficient system. We are all grateful that another menace to pupil health has been removed.

Runney children have as modern textbooks and as good materials of instruction as they would use in a city school system. An almost complete change in books has cost a lot of money but it is one of the soundest investments in child welfare that can be made. Pupils in rural schools are entitled to instructional equipment as attractive and efficient as those in urban areas are privileged to use. Anticipated changes will not be complete until we have new geographies which will enable us to finish that subject in grade seven.

When that is done we can offer science to the eighth grade. We hope to complete the change in September.

Emphasis is continuously put on regular and punctual school attendance. Since school opportunities are open to children for relatively few years of their life span nothing should be left undone to make those years as valuable as possible. Parents who do not insist on school attendance except when children are physically unable to attend, are taking away something that can never be restored. The most important business any child has to do is to make thorough preparation for the duties and responsibilities of adult living.

Your schools are dedicated to that purpose. Your teacher-

and superintendent are pledged to making the fulfillment of that purpose a reality.

The sincere purpose and the never failing cooperation of the Rumney School Board are genuinely appreciated

Respectfully submitted,

Arthur S. Rollins

REPORT OF SCHOOL NURSE

To Rumney School Board:

I herewith submit my report of school nursing from September 1944 to July 1945:

—————

Children inspected 108

Symptoms of defects found:

Dental,	38
Tonsils, enlarged or diseased	20
Vision	5
Enlarged glands	11
Underweight	4

The following correction of defects were made:

Dental	33
Tonsil operations	6
Vision: 4 new glasses, 6 lenses changed	

The children from the third to the eighth grades inclusively were tested by the audiometer for hearing defect. Five cases of defective hearing were found. One child with seriously defective hearing was taken to an ear specialist where treatment was prescribed.

3 children had examination and glasses through the State Light Conservation program.

13 children had dental work done which was partly paid for by the Red Cross.

The schools were exceptionally free from childhood communicable diseases this year. 9 skin cases and 3 of pediculosis were reported.

In September 1945 inspection was again made with the following results.

Number of children examined	98
Dental defects	30
Tonsils enlarged or diseased	17
Vision defects	6
Enlarged glands	8

Corrections reported to date:

Vision	4
Teeth	15
Tonsils	6

It is hoped that as many of the defects of the children as possible may be corrected to help them to make normal growth, both mentally and physically. As Daniel Webster said, "Gold that buys health can never be ill spent."

The interest and help shown by parents, teachers Superintendent and School Board is greatly appreciated

Respectfully submitted,

ANNA M. LOVETT, R. N.
