### THE STATE OF NEW HAMPSHIRE

(L. S.)

*To the inhabitants of the Town of Tilton in the County of Belknap, qualified to vote in town affairs:*

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 8th day of March next at ten o'clock in the forenoon, to act on the following subjects:

1. To choose a Town Clerk and Town Treasurer for a term of one year, one Selectman for a term of three years, one Road Agent for the ensuing year, one Trustee of Trust Funds for a term of three years, two Auditors for the year ensuing, and one member of the Park Commission for the term of two years.

2. To see how much money the Town will vote to raise for Memorial Day expense.

3. To see how much money the Town will vote to raise and appropriate for the care of Cemeteries.

4. To see how much money the Town will vote to raise for the use of Hospitals for the ensuing year.

5. To see if the Town will vote to raise and appropriate the sum of \$89.86 to obtain Town Road Aid from the State, the State to contribute the sum of \$599.10.

6. To see if the Town will vote to petition the State Tax Commission to have an audit made by the division of Municipal Accounting and make an appropriation to cover the expense of such audit.

7. To see if the Town will vote to raise and appropriate the sum of \$375.00 which is 1/100 of 1%

of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other towns in the Lakes Region.

8. To see if the Town will vote to raise and appropriate the sum of \$250.00 for Civilian Defense purposes.

9. To see if the Town will raise and appropriate the sum of \$700.00 to the Winnisquam Fire Department for the purpose of maintenance and operation of the Department.

10. To see what action the Town will take in regard to spraying trees, and raise money for the same.

11. To see if the Town will vote to accept the road known as Hill Road at Winnisquam, as a Town road. (By petition)

12. To see if the Town will vote to install one or more street lights on Clark Road and raise money for the same. (By request)

13. To see if the Town will vote to extend the sewer on Morrison Avenue and raise money for the same. (By petition)

14. To see if the Town will vote to raise and appropriate a sum not to exceed five hundred dollars (\$500.00) for the Tilton and Northfield Chamber of Commerce. This appropriation to be used by the Tilton and Northfield Chamber of Commerce to help finance their legal effort in preventing any curtailment of Railroad service in Tilton and Northfield by the Boston & Maine Railroad. (A similar article to appear in the Northfield Town Warrant)

15. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for new equipment.

16. To see if the Town will vote to allow a discount on early paid taxes.

## FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

---

Carelessness is responsible for 97 percent of all our forest fires. This is a serious indictment of our interest in our own welfare and that of our neighbors. In too many instances this carelessness results in the destruction, not of the careless one's own property, but of someone not even known to him.

Thoughtlessly thrown lighted cigars, cigarettes and matches from moving vehicles by hikers, hunters and fishermen; the careless burning of debris during hazardous periods, high winds or in dangerous locations; improperly extinguished camp or cook fires — all add up to the CARELESSNESS that means serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

It points to the need of eliminating CARELESSNESS so far as it concerns fire from our daily life. The rules are simple — your cooperation is earnestly solicited.

1. Be careful with fire in or near woodlands.
2. Be sure that all lighted material — cigars, cigarettes and matches — is completely out before discarding it. Use ash trays in autos.
3. Secure the required written permission to burn from your local forest fire warden when the ground is not completely covered with snow.
4. Insist that others be careful and comply with burning requirements.
5. Call the warden promptly when fire is detected and aid him to extinguish it.

Let's remember that FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT undertaking!

During this period the District Nurse cared for the following:

	<i>Calls</i>	<i>Cases</i>
Non-communicable	1,696	328
Acute	9	9
Orthopedic	12	12
Post Natal, Prenatal and New Baby	85	82
Office	59	45

Calls in behalf of health services:

Adult	153	119
Infant and Preschool	90	79
Baby Office Conference	68	53

There were 149 new and 301 repeat cases that were admitted to the nursing service and 70 new and 167 repeat cases under health service.

Twenty-nine trips were made transporting patients to clinics, hospitals and specialists.

Toxoid Clinics in cooperation with the State Board of Health were held in March, April, May, June, October, November, and December. Dr. Kathleen Robinson was the attending physician for the spring clinics and Dr. Frank Robinson for the fall clinics with Mrs. Joanna Carter, R.N., State Preschool Nurse, assisting. A total of 201 received the triple toxoid for diphtheria, whooping cough and tetanus. This is given in three graduated doses, a month between treatments.

The nurse procured the necessary workers for the Bloodmobile and also assisted when it came to Tilton in February and September.

Mrs. Caroline Dorman, R.N. substituted for the District Nurse while she had her vacation.

The school nurse, Miss Harriet Stone and the District Nurse wrapped and distributed a large number of gifts for appreciative youngsters of the two towns at Christmas. These gifts were given through the generosity of the Rotary Club, Business and Professional Women's Club, Johns Manville, teachers of both schools and many individuals. The Catholic Daughters gave generous baskets of fruit and candy and cookies to two large families.

Many dinners were given by the American Legion, Odd Fellows, Elks, and Salvation Army.

I wish to take this opportunity to sincerely thank the doctors, the District Nursing Board, the selectmen of Tilton and Northfield and the citizens of both towns for the cooperation, kindness and courtesy shown to me at all times during my work as District Nurse. It has been very much appreciated.

Respectfully submitted,

ALICE FRENCH, R.N.

H. HOWARD ALIEFF,  
ROY A. JORDAN,  
ARTHUR A. COVIEO,

Firewards

To the Inhabitants of Tilton and Northfield:

In closing the records of the Tilton-Northfield Fire District your management takes pleasure in presenting its report for 1954, which includes a detailed Statement of Expenditures, Notes Payable, Insurance and Estimated Expenses for the year 1955.

The two outstanding events of the year were the total destruction of the Craig Homestead on School Street and the Firemen's Convention in September.

The Craig home was struck by lightning during an electrical storm and completely destroyed. The cattle and some equipment were saved, but the buildings and contents were a total loss. Once again an old landmark has been removed from a list that is fast diminishing throughout the country-side.

The State Firemen's Convention was rained out by Hurricane Edna, which somewhat held up many demonstrations by exhibitors of fire fighting equipment. This was supplemented with various panel group meetings that proved very beneficial and instructive.

Operating expense showed a small increase over the previous year. The major items being for new equipment and replacements. This is an era when cost of equipment and replacements are constantly growing and your management realizes that in order to maintain an efficient Fire Department it is essential that we procure and provide the members of our department with the necessary equipment, not only for their own protection and safety, but also for the protection of our Taxpayers who so generously provide the necessary funds to maintain our Fire Department.

The management appreciate the fine active interest the Citizens of Tilton and Northfield have taken in the welfare of our Fire Department, and we realize that

it is through your cooperation and interest that we have achieved our present position in having one of the finest equipped departments within the State.

As we start the new year we are confident that all you citizens and members of the Fire Department will approach the challenge and opportunity to serve your Fire Department with the same loyalty, and spirit of teamwork, that has characterized your performance in the past.

We are grateful to you all for your interest in our Department and we wish to assure you that the duties entrusted to us as Firewards will continue to receive our careful attention.

Respectfully submitted,

ROY A. JORDAN,  
H. HOWARD ALIEFF,  
ARTHUR A. COVIEO,

Fire Wards

SCHOOL WARRANT**

---

*To the Inhabitants of the School district in the town of  
Tilton-Northfield qualified to vote in district affairs:*

You are hereby notified to meet at the Tilton-Northfield High School in said district on the ninth day of March, 1955, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To chose a Member of the School Board for the ensuing three years to fill the vacancy arising from the expiration of the term of office of Dorothy B. Buswell.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance

between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the school district will vote to adopt a plan for extending to employees of the school district the benefits of title II of the Federal Social Security Act (Old-Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$356.39 to defray the school district's share of the cost thereof.

10. If the foregoing article is adopted, to see if the school district will authorize the School Board to execute on behalf of the school district the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the school district will designate the School District Treasurer as the officer to be responsible for the administration of the plan.

11. To transact any other business which may legally come before this meeting.

Given under our hands at said Tilton this tenth day of February 1955.

## REPORT OF THE TILTON-NORTHFIELD SCHOOL BOARD

---

We have carefully prepared the proposed budget for the 1955-56 school year, with two purposes in mind, — the first, to make certain that all the children attending our schools are furnished the resources for a good education, and the second, to remove any expenditures that are not necessary at this time. We do not wish to increase the tax rate beyond the ability of our citizens, and the life blood of our community, business and industry.

The School Board will probably officially accept the new school building from the contractor by the annual district meeting. We shall give a report showing the exact receipts and expenditures of the \$135,000 bond issue.

Our proposed budget shows an increase of approximately \$20,000. Our increased pupil enrollments require the addition of two teachers. We have also proposed a new salary schedule in accordance with rising costs in teachers' salaries all over the nation. We are also proposing the installing of an oil burner at the Union Grammar School in order to prepare later for using coal storage space for other purposes. It was necessary to increase the item for water, light, and janitor supplies to meet the actual costs of these services.

We again wish to express our deep appreciation for the excellent services of the members of the Building Committee, Mr. Gilman Lowery, Mr. Rudolph Prosser, Mr. Brackett Hill, and Mr. Burt Smith for their work in making this new building possible, and their sacri-

face of time in the many meetings required to study finances, plans, specifications, and possibilities.

We wish to thank the Parent-Teacher Association for its cooperation with the school board, teachers and staff. Their support of the Scholarship Fund and the Room Mothers have contributed to a successful year.

We thank the Rotary Club, the American Legion, the Chamber of Commerce, the Golden Rule Farm, the Peabody Chapter, Order of the Eastern Star, and the many individuals who have contributed funds and time to the grading and development of a baseball field at the Tilton-Northfield High School. It is expected that the Committee in charge of the field will complete the work in the spring of 1955.

We wish to thank the Lions Club for its work at the Union School playgrounds and its contributions to the recreational welfare of the youngsters.

We thank the Golden Rule Farm for the \$1,730.00 received for the equalization of tuition for out-of-state pupils during the past school year. This fund has been held in reserve as a special equipment fund.

We wish to thank all organizations and individuals who have contributed in any way during the past year for scholarship funds, donations, gifts, and prizes for children of the Tilton-Northfield schools.

We appreciate the many suggestions received during the year by citizens for the improvement of the schools. We are very receptive to suggestions from our citizens at any time. We know that we are chosen as representatives of the people to carry out your wishes. We appreciate the support we have received from the voters.

We suggest that you carefully read the report of the Superintendent and all of the information presented.

We thank everyone who has contributed in any way to better schools by suggestions, assistance and encouragement.

Respectfully submitted,

ALEXANDER G. MacGREGOR  
DR. ARCHIE GREVIOR  
DOROTHY B. BUSWELL  
ERNEST DECATO  
CHARLES DWINAL

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the Members of the School Board:*

### **New Grade School**

The new elementary school opened in September, 1954, with complete new equipment for pupils and teachers and a new educational horizon for Tilton-Northfield children.

The enrollment for the first three grades was unusually large. This was partially caused by the inability of parochial schools in neighboring cities to accept additional pupils from Tilton. The additional teacher provided in the budget aided the situation.

This new landmark removed two grades from Union School corridors, two grades from the High School, two grades from the auditorium of the Union School, and one grade from the old Scout House. The new central kitchen has been used for the preparation of meals for the three schools.

The high school projected enrollments will show some decrease by pupils leaving school although the new state law requiring attendance until sixteen will reduce the drop outs. This census predicts that there will be 100 more pupils in our schools in September 1956 than in September, 1954. It also predicts that there will be 150 more pupils in September, 1958 than in September, 1954.

The census shows that approximately sixty more pupils entered the first grade in September, 1954 than will be graduated from the high school in June, 1955. It also shows that there will be sixty more pupils entering the first grade in September, 1955 than will

graduate in June, 1956. It also shows that in a few years the number entering the first grade will approximately equal the number of graduates.

It is evident that Tilton-Northfield will need space for one hundred more pupils in September, 1956 than the enrollment of September, 1954 and will need space for one hundred fifty pupils in September, 1958 than it had in September, 1954.

Real study is required during the next year for the most economical and educational solution of the problem of providing classrooms for these additional pupils.

### Teaching Staff

The proposed budget for 1955-56 provides for two

additional teachers to meet increased enrollment. A study of the census shows that it will be necessary to add one teacher in 1956 and two teachers in 1957. This teaching staff will apparently be sufficient, barring industrial development in this vicinity which would naturally increase pupil enrollment.

### **School Supplies**

Tilton-Northfield continued to secure bids for all school supplies with the other four towns of Supervisory Union No. 59, resulting in extensive reductions in price. Bids were also secured for all other items it is possible to purchase under bid.

### **Finances**

The school district ended the 1953-54 school year with all bills paid and some fuel supplies on hand to start the new year.

### **Testing Program**

The Union School used the same testing program conducted by the University of New Hampshire for two years so that results are available for all pupils over that period. The high school has followed the system of mid-year and final examinations to give pupils who are entering college or the Armed Services necessary experience for examinations.

### **Special Achievements by the Tilton-Northfield School Board**

The following represent special actions by the Tilton-Northfield School Board that represent real achievement and progress in education:

1. The securing of excellent experienced and beginning teachers to fill all vacancies in a period of teacher shortage.

2. The participation of grade two children in Tilton-Northfield in the nationwide polio vaccine clinic under the direction of Dr. Archie Grevior, Drs. Bernard and Kathleen Robinson and Miss Harriet Stone, Supervisory Union nurse.

3. The retirement and sale of the old station wagon formerly used for school transportation and auto driving instruction.

4. The sale of the old Scout House formerly used for school facilities.

5. The annual pre-school registration under the direction of Miss Harriet Stone with the assistance of many parents.

6. The building of a driveway for the new school.

7. The grading and surfacing of the lawn for the new school and the restoration of the lawn for the Union Grammar School.

8. The removal of the high school cafeteria from the Home Economics Department of the high school.

9. The establishment of a new insurance system for all school buildings and property through the cooperation of the local insurance agents. The new general policy gives more protection at lower cost with two general policies in existence, one for fire and extended coverage and the other for liability. Small policies are maintained for auto driving and treasurer's bond.

10. The placing of \$1,730.00 received as equalization tuition from the Golden Rule Farm for out of state pupils to a special equipment fund reserved for future use.

11. Progress through the cooperation of many organizations on the athletic field development.

12. The saving of approximately \$500 per year on subsidiary transportation by a three year bid.

13. The Open House for public inspection of all the Tilton-Northfield school buildings.

14. New policy for charges for the use of the high school facilities.

15. The proposal for a new salary schedule for Tilton-Northfield teachers in accordance with rising costs in every field.

16. The holding of public meetings to explain the school budget.

17. Completion and occupancy of the new grade school.

The School Board has held regular monthly meetings and many special meetings while the new school building was under construction. The members of the board have given many extra hours from their own personal responsibilities to study the problems of the school district. All proposed school policies have been debated thoroughly before action was taken to put policies into operation.

I wish to express my appreciation to the school board, principals, teachers, office workers, custodians, bus operators, and cafeteria workers for their excellent cooperation during the past year. The School Board, Building Committee, and all the citizens of Tilton-Northfield are now enjoying the satisfaction of constructing a new school that has relieved tremendous educational problems and given the children an excellent building for modern education.

Cordially yours,

GORDON L. FOX,

Supt. of Schools
