REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the School Board and Citizens of Auburn:

Herewith I submit the following reports for your consideration:

1. School organization.
2. School statistics for 1924-1925.
3. Medical inspection report.
4. Report of graduates, and perfect attendance.

Each report tells its own story.

During the past year, as in others, as executive of the various school boards in this supervisory union, I have devoted my entire time to my work. I have contributed a generous share of labor in the organization, the employment of teachers, the direction of their work, and in the numerous details of school administration.

Whatever is achieved is always in proportion to the true interest and desire of the community for educational advancement.

Very truly yours,

VINCENT GATTO,
Superintendent of Schools.

The following pupils were awarded diplomas last June on the recommendation of the Superintendent of Schools for having honorably completed the course of studies of the Auburn Public Schools, as prescribed by the School Board.
