# **REPORT OF THE FIREWARDS**

We have had a very good year with only one fire loss at Harry E. Winn's in the West part of Town. Calls in the center part of Town:

	Chimney fires,	9
	House fires,	2
	Forest fires,	0
	Truck fires,	1
	Total,	12
Calls in	the west part of Town:	
	Chimney fires,	4
	House fires,	3
	Grass fires,	2
	Truck fires,	2
	Total,	11

We have installed a new booster tank on the Center truck and remodeled the body of the truck.

We have had a tower for drying hose put on the west part fire station and have installed ropes and pulleys in the same.

We recommend that the fire department appropriation be raised so that we can pay the firemen this year.

> Respectfully submitted, HAROLD INGALLS, ARVID PEARSON, Firewards.

## **REPORT OF THE BOARD OF HEALTH**

The past year has been an active one and cannot be gone into in detail in this report for lack of space. We have cleaned up Lake Spofford's outlet and rebuilt the gate house and are keeping a close watch on the lake level at all times. Sections of the Town have been posted against the dumping of rubbish and we urge our residents and non-residents alike to use the town dump which has been provided for that purpose. Dead animals have been properly buried and we ask that the town dump be not used for this purpose. Improvements have been made in disposing of sewage from Lake Spofford Hotel by excess chlorination. There still exists an odor around the canal which can be cleared up by a little cooperation. The sewage system of one of our boys' camps has been ordered changed. Water samples of places used by the public have been tested and are being watched at all times. Three camps in town have been condemned as being unfit to live in and posted as such by the board.

Twenty-five milk licenses were issued, ten of which were issued to buy and sell milk and cream, these being: Harry Nosek, William Manch, John Belliveau, George Joslyn, George LaPlante, John Redding, C. J. Fossey, Byron Davis, Henry Chickering and Samuel Winn. A beach house with flush toilets was built on the town beach during the past year and a caretaker placed in charge, in the interest of the public. Contaminating conditions close to water supplies have been cleared up to a great extent.

Venereal discases are quite prevalent in all parts of the country and we are no exception. We are doing our best with the aid of the State board to safe-guard our people and we strongly urge anyone with any doubts concerning themselves to get in touch with either your health officer or one of your selectmen who comprise the board.

We are determined to rid the town of unsightly shacks and health menaces. This can be done, and, with cooperation from mill owners, in a very short time.

Water samples have been taken from all parts of the lake at all hours and the results of these tests are a part of the town records for those who care to see them. From a health standpoint we consider the lake to be excellent for bathing and we urge those using it to help keep it that way.

A clean town means a clean bill of health for you and your children.

Respectfully submitted, HAROLD E. RANDALL, JOHN MANSLEY, CHESTER M. BURNHAM, ALBERT D. BERRY, The Board of Health.

# PATROL OFFICER'S REPORT

The third year of police protection for the lake properties has been very gratifying to your officer, the value of a night patrol and the daily check-up on the cottages has resulted in keeping the breaks down to a minimum with no breaks reported or discovered around the lake during the past year, and only one theft reported, that of a row boat.

In addition to the lake patrol, other duties have included, on order of the selectmen, police duty at dances in the town hall; summer traffic duty; and the investigation of a break in a summer property in another part of the town, which resulted in the arrest of the party responsible and the recovery of the goods stolen; also your officer has handled a great many other calls throughout the year for a variety of other matters.

It is felt that the police protection should include the summer properties in the other parts of the town, as our summer colony is growing and your officer believes these properties should be afforded the same protection as the lake properties, a careful study of your town report shows that our summer people should be afforded every protection.

> LYLE P. BLAKE, Patrol Officer.

# **REPORT OF AUDITORS**

February, 1938.

Board of Selectmen,

Chesterfield, N. H. Gentlemen:

We, the undersigned, hereby certify that the accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agents, Library Trustees, Trustees of Trust Funds, and Fire Precinct have been carefully examined.

We believe them well kept, properly vouched and correct to the best of our knowledge and belief with the exceptions of the following items:

Owed to the town by Harry E. Winn \$1.00 for error on abatement on 1935 book.

Owed to the town by Harry E. Winn, 99c for error on 1937 taxes.

Owed to the town by Walter J. Post 91c.

Owed to Earl Delill by the town 20c for overcharge on redeemed taxes.

The total payments of the Town Treasurer exceed the total of orders of Selectmen by \$2.10, by error of Treasurer. This amount was refunded to the town by L. B. Chickering.

We find that the balance on hand of the Trustee of Town Library Feb. 1, 1937, should have been \$13.97 instead of \$18.41 as reported. Feb. 2, 1937 omitted credit from G. H. Tilden Co. for \$4.44. Total receipts (correct), \$175.31. Under expenditures the item for G. H. Tilden Co., for \$65.00 was unpaid Jan. 31, 1938. Balance on hand Jan. 31, 1938 should be \$90.52.

Signed,

HAROLD E. RANDALL, ELEANOR J. PEARSON, Town Auditors.

For further details of health activities, consult Miss Edgett's report.

### MINOR REPAIRS

In addition to the usual minor repairs on the three school houses, new ceilings in the two rooms at the West school house were installed. These ceilings were much needed and give additional beauty to the rooms and a satisfying comfort to the pupils and teachers. Also screens for windows and doors have been provided.

### NEW EQUIPMENT

Due to the increase in number of pupils, three new desks were installed at the Spofford Grammar and five new desks at the West Grammar. Also bought new visitors' chairs for three buildings. Electric clocks have been installed in each school building. In conclusion, I wish to thank the school board, teachers and parents for their cooperation and support.
