Commissioners' Report

1942-1943

Activities of our Village District in the past year were curtailed to a bare minimum because of the war and the attendant scarcity of labor. Mosquito prevention and life guard service were temporarily suspended. The increased annoyance from mosquitoes has been noticeable.

Matters undertaken during the past year have been as follows:

I. *Hydrant service for fire protection*: Maintained as in the past.

II. *Sidewalks*: Maintained as in the past. Owing to the shortage of labor, the grass along the walks has not been kept trimmed as effectively as in other years. The large expense of replacing the plank walk at Bass Beach this spring was largely due to war labor conditions.

III. *Rock Garden at Fish Houses*: Maintained as heretofore by Mr. Miller. This has been an outstanding attraction.

IV. *Winter Watchman Service*: Maintained for four months to supplement the military coast patrol.

V. *District Maps*: We have had 100 copies made of the recent survey of our village district by Edward M. Smith, showing property lines. A copy may be had free of charge by any taxpayer or property owner. Additional copies are available at 25 cents apiece.

VI. *Zoning Appointments*: Following the annual district meeting last September, your Commissioners appointed Edward R. Hale as Zoning Inspector for one year, and re-appointed Arthur L. Hobson as a member of the Zoning Board of Adjustment for a term of five years.

VII. *Taxes*: Our District tax rate was kept at \$2.60 per thousand dollars' valuation. The total levy was

\$2,371.30, less discount allowed of \$103.77, to make a net levy of \$2,267.53, as against actual expenditures of \$2,005.46.

VIII. *Budget for 1943-1944:*
