BRADLEY'S SIMPIFIED RULES OF PROCEDURE

FOR

NOTTINGHAM SCHOOL DISTRICT AND TOWN MEETINGS

1. No person may speak during the meeting without the permission of the moderator and must speak through the moderator.
2. There must be a motion and a second on the floor for each article.
3. A reasonable amount of relevant and non-repetitious debate will be allowed.
4. The moderator will insure that the contents of all motions are fully understood.
5. Voting will be by:
 - A. Voter Cards
 - B. Secret Ballot requiring:
 1. The signatures of five (5) registered voters if requested prior to a vote, or
 2. That seven (7) registered voters stand and request a secret ballot after vote.
6. Results of all votes will be announced by the moderator.
7. Any other questions may be decided by the moderator subject to over-rule by a majority of the voters present.
8. Any amendment to a motion must be submitted to the moderator in writing prior to a vote being taken on the amendment.

Frank Winterer
Moderator

TOWN OF NOTTINGHAM
STATE OF NEW HAMPSHIRE

The Polls will be open from 8:00 am to 7:00 pm.

To the Inhabitants of the Town of Nottingham in the County of Rockingham in said State, qualified to vote in Town Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE TOWN HALL IN SAID NOTTINGHAM ON TUESDAY, THE NINTH DAY OF MARCH, 1993 NEXT AT 8:00 OF THE CLOCK IN THE FORENOON TO ACT UPON THE FOLLOWING SUBJECTS:

Articles 1 through 13 will be acted upon Tuesday, March 9, 1993 at the Nottingham Town Hall from 8:00 am to 7:00 pm.

Articles 14 through 25 will be acted upon Saturday, March 13, 1993 at the Nottingham Elementary School at 10:00 am.

ARTICLE 1: To choose all necessary Town Officers for the year ensuing.

ARTICLE 2: Are you in favor of adoption of Article 1 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend BUILDING CODE II - PERMIT NOT TO ISSUE, INJUNCTION: PENALTIES

A. The Building Inspector shall not issue a Building Permit unless the provisions of the Zoning Ordinance, as most recently amended, Building Code as most recently amended, and BOCA Basic Building Code, as amended, and as established by the Building Officials and Code Administrators International, Inc. have been complied with.

TO BE CHANGED TO READ AS FOLLOWS:

A. The Building Inspector shall not issue a Building Permit unless the provisions of the Zoning Ordinance, as most recently amended, Building Code as most recently amended, and BOCA Basic Building Code, as most recently amended, and as established by the Building Officials and Code Administrators International, Inc. have been complied with.

(Planning Board recommended approval)

ARTICLE 3: Are you in favor of adoption of Article 2 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE III - IMPACT CONTROL

C. Home Business - Home business, conducted by the resident in the personal residence:

1. home produce and products may be bought and sold and exposed for sale, including a roadside stand incidental thereto.
2. professional offices or small businesses such as real estate, foster homes, child care centers, private education facilities, insurance, doctor, veterinarian, engineer, architect and lawyer may be approved by the Planning Board without public hearing if adequate provision is made for off-street parking and other requirements. Other individual business activities may be permitted by the Planning Board on the premises after a public hearing, if adequate provision is made to abate undesirable impacts on the neighborhood. An impact statement is required for any activities included in this section.

TO BE CHANGED TO READ AS FOLLOWS:

C. HOME OCCUPATION

1. DEFINITION: Home occupation means an accessory use of a residential property for gainful employment involving provision or sale of goods and/or services. A home occupation is incidental to the primary use of the property as a residence.

2. INTENT: The Town of Nottingham recognizes the desire of citizens to use their residences for limited business activities. However, the Town believes that it is important to protect residential areas from any adverse impacts of activities associated with home occupations. The purpose of this ordinance is to allow home occupations that are compatible with residential areas.

3. MINOR HOME OCCUPATION is a home occupation in which no persons other than members of the family residing on the premises are engaged in the occupation, which has no visible exterior evidence of the conduct of the occupation, which does not create need for off-street parking beyond normal dwelling needs, which does not generate additional traffic. Minor home occupations shall not require a permit.

4. MAJOR HOME OCCUPATION is a home occupation in which not more than one person other than members of the family residing on the premises is employed on the premises, which has not more than one unlit sign not exceeding two square feet in area as visible exterior evidence of conduct of the occupation, and which accommodates both dwelling and home occupation parking needs off the street. A major home occupation shall require a permit from the Planning Board.

5. CRITERIA FOR A MAJOR HOME OCCUPATION

a. Employees - Not more than one non-resident of the home may be employed in the home occupation.

b. Signs - One unlit sign may be displayed, which shall measure no more than two square feet.

c. Residential appearance - There shall be no external alteration of the appearance of the property, dwelling, or accessory building in which the home occupation is conducted, which would reflect the existence of the home occupation, except that one unlit outdoor sign limited to two square feet shall be permitted.

d. General nuisances - No activity shall be allowed that would become a nuisance by way of noise, odor, smoke, dust, gas, vibrations, or electrical interference noticeable at or beyond the property line.

e. Parking - There shall be no parking on the public way.

6. APPLICATION PROCESS: The application for a major home occupation shall be via the Site Plan Review process.

(Planning Board recommended approval)

ARTICLE 4: Are you in favor of adoption of Article 3 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE III - IMPACT CONTROL

I. Fill and Dredge in Wetlands

2. At the time of filing with the New Hampshire Wetlands Board, applicant shall also file three (3) copies of said notice with detailed plan indicating the exact location of the proposed project with the Town Clerk. The Town Clerk shall forthwith send a copy of said notice to the Selectmen, Planning Board, and the Conservation Commission. An administration fee of two (\$2.00) dollars is required.

TO BE CHANGED TO READ AS FOLLOWS:

I. Fill and Dredge in Wetlands

2. At the time of filing with the New Hampshire Wetlands Board, applicant shall also file five (5) copies of said notice with detailed plan indicating the exact location of the proposed project with the Town Clerk. The Town Clerk shall forthwith send a copy of said notice to the Selectmen, Planning Board, and the Conservation Commission. A municipal fee and expenses as authorized by N.H. RSA 482-A:3,1 shall be submitted to the Town Clerk.

(Planning Board recommended approval)

ARTICLE 5: Are you in favor of adoption of Article 4 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE III - IMPACT CONTROL

A. Commercial/Industrial Zones

1. Commercial Zone

Town Center from Lot 1, Map 38 to Lot 23B, Map 42 (Rte 152 from the school to the post office both sides) and Lot 50, Map 43 to Lot 42, Map 43 (Rte 156 from the junction of Rtes 152 & 156 to the Congregational Church both sides). Commercial use in this area should have the characteristics of the "Center of Town" and blend well with the residential character of a rural New England town.

TO BE CHANGED TO READ AS FOLLOWS:

1. Commercial Zone

The zone shall extend back five hundred (500') feet from portions specified of the following roads. Town center from Lot 1, Map 38 to Lot 23B, Map 42 (Rte 152 from the school to the post office both sides) and Lot 50, Map 43 to Lot 42, Map 43 (Rte 156 from the junction of Rtes 152 & 156 to the Congregational Church both sides).

(Planning Board recommended approval)

ARTICLE 6: Are you in favor of adoption of Article 5 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE III - IMPACT CONTROL

A. Commercial/Industrial Zones

2. Commercial/Industrial Zones

Major highway Route 4 Northwood to Barrington town line both sides.

TO BE CHANGED TO READ AS FOLLOWS:

2. Commercial/Industrial Zones

These zones extend one thousand (1000') feet from each side of Route 4 in Nottingham, and only include lots with frontage on Route 4.

(Planning Board recommended approval)

ARTICLE 7: Are you in favor of adoption of Article 6 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE III - IMPACT CONTROL

A. Commercial/Industrial Zones

3. Commercial/Industrial Use in Other Zones

Commercial or Industrial use may be permitted by Special exception by the Board of Adjustment. All other zones subject to the following special exception criteria:

That the goals set forth in NH RSA 674:17-1 will be infringed by granting special exception.

TO BE CHANGED TO READ AS FOLLOWS:

3. Commercial/Industrial Use in Other Zones

Commercial or Industrial use may be permitted by Special exception by the Board of Adjustment, utilizing the following special exception criteria:

- a) whether the goals set forth in N.H. RSA 674:17 I will be infringed by granting such special exception;
- b) whether the terrain or configuration of the lot make it more appropriate than not for such a special exception to be granted; and
- c) whether the granting of such special exception would adversely impact neighboring parcels or rural character of the Town.

(Planning Board recommended approval)

ARTICLE 8: Are you in favor of adoption of Article 7 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE III - IMPACT CONTROL

J. Outdoor Signs

5. Advertising signs

- c. Temporary off-premises directional signs are permitted for a period not exceeding seven (7) days

TO BE CHANGED TO READ AS FOLLOWS:

J. Outdoor Signs

5. Advertising signs

- c. Temporary off-premises directional signs are permitted for a period not exceeding seven (7) consecutive days.

(Planning Board recommended approval)

ARTICLE 9: Are you in favor of adoption of Article 8 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE VI - DWELLING UNIT REQUIREMENTS

A. Dwelling Unit Requirements and Setbacks

1. No lot shall be less than two (2) acres in area, with a minimum contiguous frontage of two hundred (200') feet, including curb cut for approved access. Each lot must contain a 200 X 200 foot square fit for building or a sixty (60,000') thousand square foot contiguous area fit for building in which a house and septic system can be placed to meet all existing setback ordinances, consisting of upland soils classified by High Intensity Soil Survey (HISS) as class I through IV. However, a nonconforming lot, which does not abut other property under the same ownership, shall be exempt from these provisions, provided it was legal under the provisions in effect immediately prior to the passage of this Ordinance or subsequent amendments thereto, where approval can be granted without substantial detriment to the public interest and without substantially detracting from or nullifying the provisions and purpose of this Ordinance.

TO BE CHANGED TO READ AS FOLLOWS:

A. Dwelling Unit Requirements and Setbacks

1. No lot shall be less than two (2) acres in area, with a minimum contiguous frontage of two hundred (200') feet, including curb cut for approved access, except to the extent with regard to frontage of back lots approved in accordance with Part I of this Article VI. (Remainder of paragraph 1 to remain the same)

(Planning Board recommended approval)

ARTICLE 10: Are you in favor of adoption of Article 9 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE VI - DWELLING UNIT REQUIREMENTS TO INCLUDE PARAGRAPH I:

I. Back Lot Subdivision for Single Family Dwellings

1. Statement of Purpose

The purpose of this section is to allow for limited creation through subdivision of back lots, i.e. lots having less than the minimum contiguous frontage of two hundred (200') feet required under Article VI A 1.

2. Minimum requirements for lot to be subdivided in order to include a back lot

- a. The lot to be subdivided must be a lot of record existing prior to the adoption of this ordinance. (3-9-93)
- b. The frontage of the lot to be subdivided must be less than four hundred (400') feet on a street complying with N.H. RSA 674:41. If greater than four hundred (400') feet, the lot does not qualify for a back lot subdivision.
- c. The area of the lot to be subdivided must contain a minimum of six (6) acres.

3. Lot Requirements

- a. This subdivision is restricted to a total of two (2) lots with one (1) single family dwelling per lot.
- b. One lot created must contain a minimum of two hundred (200') feet frontage on a street complying with N.H. RSA 674:41, and a minimum of two (2) acres. This lot may not be further subdivided.
- c. The other lot created must contain a minimum of twenty (20') feet frontage on a street complying with N.H. RSA 674:41, including curb cut for approved access and a minimum of two (2) acres. The access road to this lot must be at least twelve (12') feet wide and must be owned in fee simple by the owner of the lot to be accessed. This lot may not be further subdivided.

- d. Both lots must comply with all other applicable Zoning Ordinance requirements.

(Planning Board recommended approval)

ARTICLE 11: Are you in favor of adoption of Article 10 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE VII - BUILDING PERMITS

A. Requirements - A building permit is required before:

1. Start any new habitable structures

TO BE CHANGED TO READ AS FOLLOWS:

1. The start of any new habitable structures.

(Planning Board recommended approval)

ARTICLE 12: Are you in favor of adoption of Article 11 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE XII - NONCONFORMING USE

- B. Whenever a lot which is nonconforming due to insufficient area, frontage, or setback abuts other property either owned in common or having one or more owners in common, all such property or lots shall be considered as a single tract for purposes of further development or for the sale of any portion thereof. This provision may be modified by the Planning Board, if it is established that substantial development has created vested interests which make change to conformity unreasonable or unjust.

TO BE CHANGED TO READ AS FOLLOWS:

- B. Whenever a lot which is nonconforming due to insufficient area, frontage, or setback abuts other property having the same ownership, all such property or lots shall be considered as a single tract for purposes of further development or for the sale of any portion thereof. This provision may be modified by the Planning Board, if it is established that substantial development has created vested interest which make change to conformity unreasonable or unjust.

(Planning Board recommended approval)

ARTICLE 13: Are you in favor of adoption of Article 12 as proposed by the Planning Board for the Nottingham Zoning Ordinance and Building Code as follows:

Amend ZONING ORDINANCE ARTICLE XV - DEFINITIONS

34. LOT OF RECORD - land designated as a separate and distinct parcel in a legally recorded deed and plan filed in the Registry of Deeds of Rockingham County, New Hampshire.

TO BE CHANGED TO READ AS FOLLOWS:

34. LOT OF RECORD - land designated as a separate and distinct parcel in a legally recorded deed or plan filed in the Registry of Deeds of Rockingham County, New Hampshire.

(Planning Board recommended approval)

ARTICLE 14: To raise such sums of money as may be necessary to defray the Town charges for the 1993 fiscal year and make appropriations for the same.

886,793.⁰⁰

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$17,000 to purchase and equip a new cruiser for the Nottingham Police Department.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of \$4,000 to purchase a cruiser video system for the Nottingham Police Department, (\$2,000 in State grant money has been awarded to offset 50% of this purchase).

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$70,000 (Seventy thousand dollars) to purchase and equip a 1993 Frontline Type I Ambulance for the Nottingham Fire and Rescue Department. (by petition)

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$10,000 to purchase Turn Out Gear for the Nottingham Fire and Rescue Department.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$81,000 for construction/reconstruction and guardrail replacement for McCrillis Road.

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of \$11,148 to support the following social service agencies in the following amounts:

10% LIMITATION OF APPROPRIATIONS
(SEE RSA 32:8, 8-a, & 32:10-b)

Please disclose the following items (to be excluded from the 10% calculation)

\$ _____ Recommended Amount of Collective Bargaining Cost Items. (RSA 32:8-a). \$ _____ Amount of Mandatory Water & Waste Treatment Facilities. (RSA 32:10-b).

RSA 273-A:1.IV "'Cost Item' means any benefit acquired through collective bargaining whose implementation requires an appropriation by the legislative body of the public employer with which negotiations are being conducted."

HELP! We ask your assistance in the following: If you have a line item of appropriation which is made up of appropriations from more than one (1) warrant article, please use the space below to identify the make-up of the line total. We hope this will expedite the tax rate process by reducing the number of inquiries from this office.

BUDGET OF THE TOWN OF Nottingham, N.H.

BUDGET FOR TOWNS WHICH HAVE ADOPTED THE PROVISIONS OF THE MUNICIPAL BUDGET LAW

SUMMARY OF THE NOTTINGHAM TOWN MEETING
MARCH 14, 1992

ARTICLE 1: To choose all necessary Town Officers for the year ensuing.

The following officers were elected:

Selectperson	Charlie Evans	3 years
Selectperson	Betty Johnson	1 year
Tax Collector	Brad Batchelder	1 year
Treasurer	Cheryl Travis	1 year
Trustee of Trust Funds		3 years
Library Trustee	Janet Hall	3 years
Town Clerk	Sharon Olsson	2 years
Cemetery Trustee		3 years
Budget Committee	John Gardner	3 years
	Kay Kyle	3 years
	Lisa Stevens	3 years
	Web White, Jr.	1 year
Planning Board	Thatcher Caldwell	3 years
	Serena Camacho	3 years
	Sandra McPhee	2 years
Moderator	Frank Winterer	2 years
Supervisor of the Checklist	Laura Clement	6 years

ARTICLE 2: Are you in favor of adoption of the proposed change by the Planning Board for the Nottingham Zoning Ordinance as follows:

Amend Article VII BUILDING PERMITS, Paragraph B, Application and Issuance, Section 4, fees for: which now reads:

- a. habitable structure shall be based on the estimated on-site cost at a rate of \$3.50 per \$1,000 to be calculated by the Building Inspector using a standard formula approved by the Planning Board.
- b. all other structures shall be based on a rate of \$.15 per square foot of ground floor space but in no case shall the permit be less than ten dollars (\$10).

TO BE CHANGED TO READ AS FOLLOWS:

- a. habitable structure shall be based on the estimated on-site cost at a rate of \$3.50 per \$1,000 to be calculated by the Building Inspector using a standard formula approved by the Planning Board.

b. all other structures shall be based on a standard formula approved by the Planning Board. In no case shall the permit be less than ten dollars (\$10.00).

(Planning Board recommended approval).

VOTED IN THE AFFIRMATIVE. YES - 259. NO - 163.

ARTICLE 3: To raise such sums of money as may be necessary to defray the Town charges for the 1992 fiscal year and make appropriations for the same.

Motion made by Charlie Evans and seconded by Philip Fernald to raise and appropriate the sum of \$861,258 to defray the Town charges for the 1992 fiscal year exclusive of special articles.

Motion made by Stephen Jones and seconded by Jonathon White to increase the Line 4611 fiscal year exclusive of special articles.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

VOTED IN THE AFFIRMATIVE BY CARD VOTE ON THE AMENDED FIGURE OF \$861,758.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of \$20,000 for construction/reconstruction of McCrillis Road.

Motion made by Philip Fernald and seconded by Charlie Evans to accept Article 4 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$5,000 for engineering services on the North River section of McCrillis Road.

Motion made by Philip Fernald and seconded by Charlie Evans to accept Article 5 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$10,000 to upgrade radio communications for the Nottingham Volunteer Fire/Rescue Department.

Motion made by Charlie Evans and seconded by Philip Fernald to accept Article 6 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$7,500 to purchase a chipper/shredder for the Nottingham Recycle Center, said purchase to be made by sealed bid.

Motion made by Charlie Evans and seconded by Betty Johnson to accept Article 7 as read.

Motion made by John Fernald and seconded by Kim Gardner to amend Article 7 to read: To raise and appropriate the sum of \$13,000 to purchase chipper/shredder for the Nottingham Recycle Center, said purchase to be made by sealed bid.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

Motion made by John Fernald and seconded by Hank Turcotte to amend Article 7 to read: To raise and appropriate the sum of \$14,500 to purchase a chipper/shredder for the Nottingham Recycle Center, said purchase to be made by sealed bid.

VOTED IN THE AFFIRMATIVE BY CARD VOTE. YES - 72. No - 51.

Motion made by Edward Buckley and seconded by William Garnett to amend Article 7 to read: To raise and appropriate the sum of \$2000 to rent a chipper/shredder for the Nottingham Recycle Center.

MOTION WITHDRAWN.

Motion made by Charlie Evans and seconded by Betty Johnson to table Article 7.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$9,620 to support the following social service agencies in the following amounts:

a.	Lamprey Health Care.....	\$2,250
b.	Rockingham Counseling Center.....	650
c.	Richie McFarland Children's Center.....	500
d.	Seacoast Mental Health.....	500
e.	Rockingham County Community Action.....	2,576
f.	Rockingham County Nutrition Program....	175
g.	Area Homemaker Home Health Aid Service.	1,000
h.	Sexual Assault Support Services.....	533
	(formerly Women's Resource Ctr)	
i.	Strafford Hospice.....	1,236
j.	A Safe Place.....	200

Motion made by Betty Johnson and seconded by Charlie Evans to accept Article 8 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 9: To see if the Town of Nottingham will vote to raise and appropriate the sum of \$1,400 for the purpose of defraying the cost of services provided to the Town of Nottingham and its residents by Seacoast Big Brother/Big Sister of New Hampshire. (by petition)
(Not recommended by the Budget Committee).

Motion made by Betty Johnson and seconded by Judy Batchelder to accept Article 9 as read.

Motion made by Earle Rourke and seconded by Kim Gardner to amend Article 9 to read: To raise and appropriate the sum of \$500 for the purpose of defraying the cost of services provided to the Town of Nottingham and its residents by Seacoast Big Brother/Big Sister of New Hampshire.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

Motion made by Grant Seaverns and seconded by Kay Kyle to table Article 9.

VOTED IN THE AFFIRMATIVE BY CARD VOTE. YES - 61. NO - 42.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose of hiring a certified public accounting firm to conduct the annual audit of the Town's financial records for the fiscal year 1992.

Motion made by Betty Johnson and seconded by Charlie Evans to accept Article 10 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 11: To see if the Town will vote to eliminate, effective immediately, the positions of the 2 elected Town auditors and to authorize the Selectmen henceforth to hire a certified public accounting firm to conduct the annual audits of the Town's financial records pursuant to RSA 41:31.

Motion made by Betty Johnson and seconded by Charlie Evans to accept Article 11 as read.

Motion made by Oscar Pevear and seconded by Grant Seaverns to table Article 11.

MOTION WITHDRAWN.

Motion made by Earle Rourke and seconded by Heidi Seaverns to amend Article 11 to read: To authorize the Selectmen henceforth

to hire a certified public accounting firm to conduct the annual audits of the Town's financial records pursuant to RSA 41:31.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

Motion made by Kay Kyle and seconded by Web White, Jr. to amend Article 11 to read: To authorize the Selectmen to hire a certified public accounting firm to conduct the annual audits of the Town's financial records pursuant to RSA 41:31.

MOTION IN THE NEGATIVE BY CARD VOTE.

Motion made by Minot Granberry and seconded by Gary Todd to table Article 11.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

Motion made by Elizabeth Olsson and seconded by Kim Gardner to reconsider Article 11.

MODERATOR REFUSED TO ALLOW MOTION TO RECONSIDER.

Motion made by Elizabeth Olsson and seconded by Gary Todd to reconsider Article 11 as written.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 12: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept, and expend money from the State, Federal and any other governmental or private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

Motion made by Charlie Evans and seconded by Betty Johnson to accept Article 12 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 13: To see if the Town will vote to authorize the Selectmen to accept in behalf of the Town gifts, legacies, and devises made to the Town in Trust for any public purpose as permitted by RSA 31:19.

Motion made by Charlie Evans and seconded by Walter E. Chamberlain, Jr. to accept Article 13 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 14: To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than money, which may be offered to the Town for any public purpose

according to the provisions of RSA 31:95-e. This authorization shall remain in effect until rescinded by a vote of Town Meeting.

Motion made by Charlie Evans and seconded by Betty Johnson to accept Article 14 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 15: To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

Motion made by Charlie Evans and seconded by Betty Johnson to accept Article 15 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 16: To see if the Town will vote to discontinue and convey to David E. Pearson and Gail W. Pearson by Quitclaim Deed that portion of the Summer Street Rangeway, a rangeway of uncertain width, which bisects the property of David E. Pearson and Gail W. Pearson as described on Nottingham Tax Map 10 as lot 9 and to accept in exchange by Warranty Deed and Boundary Line Adjustment from David E. Pearson and Gail W. Pearson a strip of land 100 feet wide and 1900 feet long which extends Northeasterly along the Westerly side line of lot 9 on Map 10 adjacent to Town owned property.

Motion made by Philip Fernald and seconded by Charlie Evans to accept Article 16 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 17: To see if the Town will vote to accept the following as a public highway:

a certain parcel of land shown as Lot 4A on a plan entitled "A Survey and Plat of a Subdivision prepared for James S. Fernald of the Samuel Watson Homestead" on South Summer St. and recorded in the Rockingham County Registry of Deeds as Plan D-19461.

Motion made by Charlie Evans and seconded by Betty Johnson to accept Article 17 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 18: To see if the Town will vote to accept the following as a public highway:

all land up to 25 feet southwesterly of the center line of

the existing right-of-way of Gile Road, beginning at a Beech tree, being the easterly corner of a plan entitled "Subdivision Plan, Peavy Hill Acres" and recorded at the Rockingham County Registry of Deeds as Plan D-21175, thence running northwesterly along Gile Road a distance of 956 feet more or less to a drill hole set in the stone wall southwesterly and adjacent to Gile Road.

Motion made by Charlie Evans and seconded by Betty Johnson to accept Article 18 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 19: To see if the Town will vote to abandon that portion of the Old Raymond Road, also known as Route 156, that was discontinued by the State of New Hampshire upon relocation of said road. This land is located on the easterly side of the present Route 156 and lies within Tax map 64, Lot 1 and Map 66, Lot 1. (by petition).

Motion made by James Fernald and seconded by Charlie Evans to table Article 19.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 20: To see if the Town will vote to accept the road known as Sutton Street as a Town road as shown on Town tax map 7, the road having been completed to Town specifications as of September 1991 and approved by the Town's engineer. (by petition)

Motion made by James Fernald and seconded by Charlie Evans to accept Article 20 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 21: To see if the Town will vote to accept the road named Little River Road as a Town road. (by petition)

Motion made by Kenneth DeCosta and seconded by William Stevens to accept Article 21 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 22: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to appoint a deputy treasurer pursuant to the provisions of RSA 41:29-a.

Motion made by Betty Johnson and seconded by Charlie Evans to accept Article 22 as read.

VOTED IN THE AFFIRMATIVE BY CARD VOTE.

ARTICLE 23: To transact any other business which may legally come before this meeting.

Robert Weston expressed concern about a handout that the Chairman of the Board of Selectpeople was distributing at the polls during town elections reflecting his view of who should be elected. Mr. Weston stated that he personally resented this and felt that the voters should be allowed the privilege of voting for who they want. Ednah Carlson ended the discussion by declaring that she felt it was most unethical.

Harold Gierke asked when the trailers from Cedar Waters would be removed from Town property, where they are currently being stored. Selectperson Philip Fernald stated that they had taken measures to seek removal through the Town's legal counsel but the owners had yet to remove them. The selectpersons will continue to work on this matter.

Motion made by Earle Rourke and seconded by Charlie Evans to adjourn the meeting.

VOTED IN THE AFFIRMATIVE BY VOICE VOTE.

Meeting adjourned at 2:50.

Respectfully submitted,

Sharon L. Olsson
Town Clerk

REPORT OF THE BUILDING INSPECTOR

For the second year in a row growth in Nottingham was about 2% with 12 new homes being finished in the 92 year. The market has stabilized with 18 new house permits being issued. This number is consistent back to 1988 with the speculative market now gone.

Nine out of the 29 permits for additions consisted of major construction and increases in square footage--staying consistent with last year and the slow realistic market and low sales values on existing homes.

Construction is expected to increase this year but will not hit the numbers reached in the mid-80s, a slow turn-around to our economy should follow.

Please apply for building permits on Saturdays from 9:00am to 12:00noon at the Town Hall only.

Tabulations of Permits Issued in 1992 and Activity Since 1985:

	1985	1986	1987	1988	1989	1990	1991	1992

Respectfully submitted,

Christopher Albert
Building Inspector

REPORT OF THE PLANNING BOARD

The Planning Board this year saw its third year of slow development. There were three subdivisions, all of minor size; three lot line adjustments; nine home business approvals; two commercial approvals, which were increases in existing businesses, and one subdivision revocation.

The subdivision revocation is our second in two years. This is a result of the poor economy and the inability of developers to renew letters of credit with the banking community. At this time there are no new subdivisions in the works which would result in internal roads and the need for letters of credit.

The nine home business approvals have taken a major part of the Planning Board's time. It has also led to much discussion on the language of the current zoning on home businesses in Nottingham. The board has found that the current article is too vague and a subcommittee has worked on writing a new home business article which will be in this year's zoning changes.

Other Planning Board activities have included the new proposed back lot ordinance. This new zoning article has been in the works for two years. Discussion on impact fees and the state's new Shoreline Protection Act are also now being looked at and will be studied this current year.

Respectfully submitted,

Christopher Albert
Planning Board Chair

REPORT OF THE CHIEF OF POLICE

The disturbing trend seen by this department in 1992 was an upshot in confrontational situations. Requests for this department to respond to family crisis escalated. The overall activity increased by 9.4% while requests for intervention in Domestic Violence and Juvenile Services increased 50% over previous years. Not all of these instances were due to economic conditions. This, unfortunately, mirrors what is taking place state and nationwide. Through a concept of community policing, we can identify and assist troubled families and youths through service contacts. This approach is the initial step in a positive direction.

The D. A. R. E. (Drug Abuse Resistance Education) program was instituted in the Nottingham Elementary School last October. The seventeen week course, taught to the fifth and sixth grades, is a comprehensive course to not only educate children on drug abuse consequences, but self-awareness and self-improvement. The D.A.R.E. program, which was conceived and implemented in, of all places, Los Angeles, is Law Enforcement's most effective tool in the so called "war on drugs".

Included with this report is the Police Department Mission Statement. This expresses to the citizens of Nottingham the philosophy and objectives of this department.

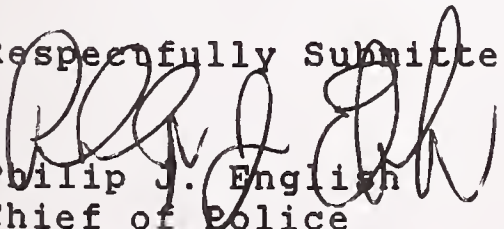

To say "well done" to the officers on the department does not seem to be enough. The quality of their work, their professionalism and their want to give that little extra to the community places this department above others.

All of us here at the Police Department want to commend Chief Gary Chase and the Fire and Rescue personnel. Their dedication to the community and assistance to this department is invaluable.

We want to say thank you to all of the citizens of town for the continued support. I would like to make one request of you before closing. Any input, positive or negative, you wish to furnish me about the Police Department will be welcome. This is your department and I feel it is necessary to see ourselves through your eyes. This would only serve to enhance the already high standard of quality service we provide.

Thank you again, and please have a safe 1993.

Respectfully Submitted,

Philip J. English
Chief of Police

1992 STATISTICS OF THE NOTTINGHAM POLICE DEPARTMENT

Motor Vehicle Summonses	70% increase above 1991
Motor Vehicle Warnings	20% increase above 1991
Driving While Intoxicated (1&2)	38% increase above 1991
Motor Vehicle Accidents*	52% increase above 1991
Arrests	32% increase above 1991
Criminal Mischief	10% increase above 1991
Burglary	45% decrease below 1991
Theft	20% increase above 1991

* Denotes one Off Highway Recreational Vehicle Fatality.

Increase of Services from 1991 to 1992 is 9.4% (20,671)

NOTTINGHAM POLICE DEPARTMENT

MISSION STATEMENT

THE MISSION OF THE NOTTINGHAM POLICE DEPARTMENT IS:

TO PROTECT THE LIVES AND PROPERTY OF THE PUBLIC,

TO DETECT AND DETER CRIMINAL ACTIVITY,

TO RESPOND SAFELY AND PROMPTLY TO REQUESTS BY THE
PUBLIC FOR AID AND ASSISTANCE,

TO OBJECTIVELY AND IMPARTIALLY INVESTIGATE ALL COMPLAINTS,

TO OBJECTIVELY AND IMPARTIALLY INITIATE PROSECUTIONS,

TO EXHIBIT PROFESSIONALISM AND COURTESY TO THE PUBLIC
AND TO FELLOW DEPARTMENT AND TOWN EMPLOYEES.

REPORT OF THE VOLUNTEER FIRE-RESCUE DEPARTMENT

The Nottingham Fire & Rescue Department has had significant changes in the past year and will continue to change as new personnel join, others upgrade their training and vehicles are replaced to meet the growing needs of the town. We are fortunate to have significant stability also. Gary E. Chase continues to serve as Chief in his 28th year. John T. Fernald continues as Deputy Fire Chief and Fire Warden. The Chief has served the department 31 years with John Fernald close behind in years of service. See the asterisk(*) on the roster for those with ten or more years of service to our department. This is true dedication and commitment since all service is volunteer. Fire and rescue services are provided seven days a week, twenty-four hours a day. Also on call 365 days a year is Jean Fernald as our dispatcher, who has served for 38 years. We express our thanks and deep appreciation for all that she does.

The department has had over 200 calls each of the past four years. According to State records, we have excellent response times, a 9 minute average. Each rescue call takes an average of 2.5 hours. A fire call takes from one hour for a simple check to three days. There is cleanup of vehicles and paperwork thereafter. The hours volunteered calculate to the thousands. We know that those who have called upon Fire or Rescue in the middle of the night, especially during a storm, and have had both Fire and Rescue personnel respond to serve and save lives and property, understand our commitment to community service.

The hospitals to which calls have been made this past year are Concord, Elliott, Exeter, Frisbie, Manchester VA, Portsmouth, and Wentworth Douglas. The patient is taken to the closest one whenever it is deemed necessary, but the distance and time vary greatly.

We are part of the Seacoast Interstate Emergency Unit (IEU). Through this organization, we had mutual aid interaction with the towns of Durham, Epping, Lee, Northwood, and Raymond in 1992.

Other volunteered activities of the departmental personnel include participation in National EMS Week with demonstrations in Barrington, rescue coverage for the New England Orienteering weekend at Pawtuckaway State Park, installation of free smoke detectors to the elderly and those in need, putting up the town hospital bed where loaned, and involvement with workshops and school parades to encourage all to feel comfortable with lights and sirens and those who serve. Again this year with the Police Department, Fire and Rescue escorted Santa on his visit to Nottingham.

Training is essential. Ten fire fighters successfully completed the State Certification program Fire Fighter Level One, including the first female firefighter on the department. The course contained 110 hours of classroom and practical training.

Rescue personnel can be licensed ambulance attendants with First Responder training of 75 hours, but most of our personnel are Emergency Medical Technicians with at least double that in initial training and recertification every two years (a minimum of 24 hours; 72 hours for those Nationally Registered). All additional skills (EOA, Defib, etc) require recertification every two years and 6 month interval practical testing. Training was not counted in hours calculated above as volunteered to the Town. We have requested an increase in the training budget for 1993 because it is difficult to keep asking volunteers to provide prepayment for their education.

These volunteers have not been forgotten this year. The Scouts honored them with cookies, caroling, cocoa and an "edible wreath" (for the birds) which was hung on the fire house. Many donate to the Fire and Rescue Association in memory of those who have died, for the free trip to the hospital they received, and even toward a specific major item not covered in the town budget. This year more rescue personnel have oxygen with them for going directly to a scene. The Fire & Rescue Association provided \$600 toward three additional oxygen tanks with carriers. A donation from D.R. Dimes & Company, Ltd provided substantial funds to get the expensive regulators required for the tanks. We are grateful to all for their donations.

We would like to thank all of the following people for their donations in 1992. Some made in memory of Sylvaneous Bosworth, John Foss, Jean McKenna, and Alvina Pevear, others for services provided by the Department. Many thanks to: Carl Aichelle, Joan Arsenault, Brenda Bouchard, Lynn Bova, the Carlson's, David & Martha Drukker, Edlund Employees, Nona Foss Favazza, Jean & John Fernald, Phil Fernald Jr, Alan & Elizabeth Foss, Fred & Marjorie Foss, Friends and neighbors in West Nottingham, Edie Gero, Ella Foss Grant, Mr. & Mrs. Byron Haley/PSNH, Robert & Margaret Hayden, William Kyle, Ralph & Judy London, Emma MacEachern, Bernice Manuel & family, the McAleer's, Robert & Sharon Mendum, Donald & Linda Morel, Claire Morgan, Mary & John Moul, New England Orienteering Club, Kenneth Palmer, Earle & Marion Rourke, Merle Twombly family, Carol Stevenson & Greg Callahan, and Elisabeth Webb.

There is a new ambulance on the 1993 Town Warrant to replace the one purchased used seven years ago. We have been advised with recent estimates that it is not feasible or economical to continue with the constant repairs. It needs a new electrical system, two doors, and tires, in addition to regular maintenance. We spent \$3,200 in repairs in 1992.

Medical calls account for more than 50% of the runs and the ambulance also responds to fire calls when necessary. Both road and idling time cause wear on all emergency vehicles and the old ambulance simply has ceased to be reliable and economic. It also does not provide adequate space for major trauma and medical support techniques. It is our hope the new ambulance will be

funded since we are willing to staff it in service for our town and those visiting and passing through.

The dangers faced are many from TB and HIV to collapsing walls and hazardous waste. We thank you for your support in the past, such as our hepatitis shots last year and we hope you understand the increasing cost demands which we face to be effective.

Finally, we were all saddened this year with the passing of John Foss, the last survivor of the founders of this department. The Nottingham Fire Department Chemical No. 1 was founded October 8, 1928. The plaque commemorating this and achievements of the department are housed at your fire station. If you are interested in volunteering, please contact the department through the Town Hall or a member of the department for details on how to make application and become trained.

The emergency number for fire and rescue services is 679-5757. Be sure to give your name, location of the emergency, type of emergency, and the number you are calling from. For outdoor burning permits, contact John Fernald, Fire Warden at 679-8802.

This is your department. Our meetings are held the first Sunday of every month at 1900 hours and the public is invited to attend.

REPORT OF THE SOLID WASTE ACTION TEAM

MEMBERS: Charlie Evans, Selectmen's Representative
Phil Fernald, Jr.
Rich Lewy
Gary Troy

STAFF MEMBERS:
Norm Cinfo
Alice Witham
Dick Reilly

In 1992, the Solid Waste Action team continued to oversee and assist the recycling operations. New developments this year include the successful collection of CFCs (Chloro-Fluro Carbons).

In addition, a program was implemented to collect household hazardous waste materials. Three neighboring towns participated in this collection which was held one Saturday last fall. The success of this event enables us to make it an annual part of the solid waste budget.

The state-mandated closure of the landfill area is still pending. Phase II monitoring of wells will be installed by early 1993. Data will be collected for the third and final phase for closure.

SWAT continues to seek new alternatives for improving the recycling efforts of the town and its residents, and the committee wishes to extend thanks to the staff, Alice, Dick, and Norm, for a job well done.

Lastly, the committee would like to extend thanks to the residents of Nottingham for its support of the Recycling Center.

REPORT OF THE HEALTH OFFICER

1992 was a light year for the health inspector. Several homes were licensed for pre-school day care, foster child care, and for qualification for the food costs compensation from the county/federal subsidy program. The licensing form has been modified and is now one-third the length of its former size. Two key provisions remain: one requiring a proof of water safety within the last year. A new provision extends the license to three years instead of two prior to requiring re-licensing.

Only two septic systems were reported and both had the replacement work in progress. The town has purchased a jar of industrial red tablets to be used as a dye in leach fields and septic systems. These tablets can be used by the building inspector as well as the health inspector.

We learned this year that the water at the school had to be tested periodically, and this reporting is now being done by the school nurse. I have recommended to the town, after reading a medical report in the Boston Globe about the danger of sudden allergic reaction of school children to food (especially milk), that epinephrine to counteract anaphylactic attacks be kept on hand at all times by the school nurse.

I have attended meetings of the NH State Health Officers Association and have also been to a seminar on lead poisoning.

Robert H. Deane, RN
Health Officer

REPORT OF THE EMERGENCY MANAGEMENT DIRECTOR

Our national emergency management finally got off its duff and responded quickly to the disasters caused at Homestead, Florida and the island of Kauai in Hawaii. Hurricanes are bad news in natural disasters but there are others such as fire, explosions, floods, icy roads, etc. Our protection against hazards is preparedness--knowing what to do. We have a great team in our local emergency management group with a permanent police department, a volunteer fire department, and a public works team that take care of our daily needs and are there when disaster strikes. They're the people we all count upon in every emergency.

Last year, I suggested we form a "Local Emergency Planning Committee" (LEPC). I looked forward to an active participation of our elected officials and volunteer citizens. As of this date, I've had no response. There is a need for emergency planning and one individual can't do it all, especially wading through the tons of paper issued by State and Federal Emergency Management Agencies. Let's get with it and not wait until disaster strikes us. Since September of 1991, I've had the pleasure of chairing one of the most outstanding and dedicated groups of individuals I've ever met, who all volunteered to assist the Department of Environmental Services (DES) in evaluating water quality of Pawtuckaway Lake. Their weekly assistance and concern over what's happening to Pawtuckaway (which is at its turning point in life) shows what cooperation and participation can do. By September of 1993, we should have a full report from DES showing what the watershed is contributing to the pollution of Pawtuckaway. I say pollution because green lawns, septic, old dumps, farms, boats, and the State Park are all big contributors to the phosphorous entering the lake. DES has generated a very large and detailed database for Pawtuckaway except for one area, the Shore-Front Sanitary Survey. Those of you who have not sent in your survey, please do so as soon as possible. PLIA has been very active this year in educating people, both visitors and residents, in keeping contaminants from getting into the lake. Now, if PLIA can do it, why can't a local emergency planning committee do the same for the town.

For those who would like to know more on FEMA publications:
FEMA Publication L-196, "Your Family Disaster Plan"
FEMA Publication L-191, "Your Family Disaster Supplies Kit"
FEMA Publication L-189, "Emergency Preparedness Checklist"
FEMA Publication L-215, "Emergency Food & Water Supplies"

Take action now to increase your emergency preparedness in time of disaster. Give me a call at 895-2142, and I'll send for as many copies as you desire.

Respectfully submitted,

Werner Sachs
Emergency Management Director

REPORT OF THE CEMETERY COMMISSION

The three major cemeteries in town were being well-maintained this year at a savings of over \$1000 below budget figures. We sincerely thank both the weathermen and our dedicated cemetery workers for the top quality maintenance this past summer. Total expenses in 1992 were \$6191, of which \$874 was provided by Trust monies. Cost of lots now includes perpetual care, thus avoiding more individual trusts and attendant expense.

This year nearly 400' of fencing at the Southside Cemetery was solidified, straightened, and painted. Several new small lots were established in the Old North Cemetery with metal markers installed to identify them. More lots in the Southside Cemetery were also defined with markers. Once again, areas within the New North Cemetery were loamed, seeded, and fertilized.

Initial Funds	\$6500
Interest	\$82
Trust Funds	\$8134
Expenditures:	
Maintenance	\$3646
Fence Repair	\$1007
Landscaping	\$590
Balance in checking	
12/31/1992	\$990.86
Certificate of Deposit	\$7389.34

Respectfully submitted,

Webster W. White, Jr., Chairman
Joseph Unwin
Deborah Foss

Annual Report for the Nottingham Conservation Commission: 1992 (January 14, 1993)

During 1992, the Nottingham Conservation Commission (NCC) has continued to ensure proper utilization and protection of the natural resources of the Town of Nottingham. A diverse range of activities were undertaken as part of our mission, as government regulations and citizens' interests related to natural resources continue to prod us to branch out in new directions. Routine matters were addressed such as reviewing subdivision plans and dredge and fill applications, conducting site visits where wetland delineation or disturbance was in question in these applications, and roadside clean ups with the Boy Scouts. The regular public meetings have been changed from the third Monday to the third Wednesday of each month because of the frequency of holidays on Mondays. Mr. Mark West has been elected as the new Chairman, starting in January, 1993. Several members of the Commission attended public hearings and seminars on natural resource and conservation issues that affect development in Nottingham. The NCC continues to pursue conservation easements for protecting significant natural areas in Nottingham. As in the past few years, we sent a student to the New Hampshire Youth Conservation Camp, and an adult also went. They will be working with the NCC on a conservation project in the town this year.

Two particularly significant activities were undertaken in 1992. The biggest project was completing a survey of the prime wetlands in Nottingham. This project was begun in 1990, and may continue on a smaller scale so as to include more prime wetlands. The work is a volunteer effort by the NCC using supplies from the NCC budget. In addition to the wetlands survey, a significant effort was made to initiate acquisition of computerized maps for the town that will include the wetlands and other natural resources on a base map of roads, boundaries, and surface waters. This project is coordinated with computerized State mapping efforts and will be extremely useful for future town planning and for protection of Nottingham's natural resources.

In other activities, NCC Commission members continue to be involved in the Pawtuckaway Lake study initiated in 1991 by the State Dept. of Environmental Services. NCC members are involved with weekly monitoring of flow and water quality and the project Citizen's Advisory Board. In a related issue, NCC members were all involved in discussions about potential future expansion of the state park. Discussions with state and other town officials appears to have resulted in a satisfactory plan that should meet many diverse needs.

Activities planned for 1993 include sending another adult and student to the Conservation Camp, coordinating Earth Day activities, continued cooperation with DES on the Pawtuckaway Lake study, and continuation of routine activities. We will organize data on the natural resources of the Town by continuing development of a series of standard maps that will contain critical information on aquifers, soils, nonpoint pollution sites, agricultural lands, wetlands, unique natural areas, residential and commercial sites, and significant historical sites.

We encourage all interested citizens to become involved with our activities.

Respectfully submitted,

Stephen H. Jones

REPORT OF THE RECREATION COMMISSION

Thanks to a wonderful staff, volunteers, and parents, the programs for 1992 were full to overflowing.

Aerobics has doubled in size with classes in the a.m. and p.m. Classes are run 50 weeks out of the year (Christmas being the only break). Both men and women attend; instructors vary with each class, and step aerobics are now being taught in the mornings and the evenings. Revenues taken in for this program alone are \$2800.

Not many of you had cabin fever, but none-the-less a dance was held, and the group had a good time.

The Second Annual Fishing Derby was another great success. Eighty-four children and numerous adults helped to make the day a memorable one! Next year's promises to be bigger and better than ever.

What a concept--the Business Expo. In a tough economy, and an even tougher networking system, the expo was to bring residents together with the businesses in their community. It was a smashing success, and I hope a profitable one for those who had displays and promotions for viewing.

Thanks to a new picnic area at the beach and the Summer Swim & Arts/Crafts Program were combined to offer a unique playground atmosphere. One hundred and fifteen children participated in a busy eight week program. The summer also offered weekly gymnastics trips for the second year, and the van was always full.

The fall brought the Bike-A-Thon, Oktoberfest, a puppet show, and a first-time rabies clinic. The clinic gave the town \$1 for every shot given. Look for this event again in the spring.

Then we had a ski & skate swap, and Santa finally stopped by at the Christmas party. Next year he's going to join in our parade around town and then stop by for some hot chocolate--so be sure to mark your calendars.

Thank you to all fellow departments for your time and support during this busy year.

Respectfully submitted,

Lisa J. Stevens
Recreation Director

REPORT OF PAWUCCOWAY GRANGE NO. 166

This past year has been, as usual, both busy and successful for the Pawtuccoway Grange.

Early in the year we received a plaque from the National Grange in recognition of our having celebrated our 100th Anniversary during the previous year.

Our displays at county fairs have been continuing to win first prizes:

Stratham Fair....1st Prize and \$50
Rochester Fair....1st Prize and \$100
Deerfield Fair....1st Prize and \$100

Other activities:

Book donated to library in memory of James Kelsey.
Regular contributions to the Nottingham Food Pantry.
Ham and Bean Supper at the Betty Fernald Chapel.
Gift of a toy to the Wish Tree.
Hall made available to the Nottingham Food Co-op.

Respectfully submitted,

William P. Kyle
Master
Pawtuccoway Grange

REPORT OF THE BLAISDELL MEMORIAL LIBRARY

We are pleased to report that 1992 was an exciting and rewarding year at the library. Many new programs were offered including an interesting presentation on herb gardening by Tana Jackson of the Urban Forestry Center, as well as an informative video presentation on hiking the Appalachian Trail given by Don MacDougall of Nottingham. The book discussion group continues to attract new members to its monthly meetings. Pat Vachon organized several walks to nearby scenic areas, and Attorney Kathryn Williams of Epping gave an informational seminar on estate planning. Fifteen young adults completed the babysitting course co-sponsored by the 4-H and the Library. This educational endeavor would not have been possible without the assistance of all the people who served as community resources. The summer reading program remains a successful and popular activity for children from preschoolers to young adults. During the school year there are separate story hour groups for two, three, and four year olds.

Circulation of books increased to 12,703 which is double the circulation of six years ago. Video and audio tape circulation also increased. Additional services provided include inter-library loan, which allows patrons to borrow books from other libraries throughout the state. With funds provided by the Lisa Batchelder Fund, we purchased a collection of audio tapes of books, poetry, and music for children. There is a family pass, co-sponsored by the Recreation Commission, to the Christa McAuliffe Planetarium in Concord available throughout the year at the Library by reservation. The meeting room was utilized by a number of community organizations.

The Library received a generous bequest from the Estate of Elinor Fernald for the purpose of improvements to the building. During the year, the Library received donations of books from the Grange, Nottingham Pre-School, PTA, and the Women's Club. The Historical Society donated a movie screen to the Library which is used weekly for story hours. We would like to thank the following businesses for their support: Adventure Golf, Demmon's Store, and Liar's Paradise.

At this time, we wish to express our appreciation to all our volunteers who contribute to the success of the Library. We would also like to recognize the many years of service Aldona Hoppa and Ariel Parent contributed as Trustees to the Library. Thank you also to our dedicated librarians, Rhoda and Pat.

Respectfully submitted,

REPORT OF THE NOTTINGHAM FOOD PANTRY

The Nottingham Food Pantry was opened in January 1992 for the purpose of helping people within the community. Due to the economic climate, many families found themselves without employment. There were no jobs, people were out of work, and help was not locally available to families in need of food. The government agencies were backlogged with the number of clients to see in a day, and those resources were not scaled to meet the needs of some families, especially those families with a home and a car who just found themselves without work. Society has changed, and with that change has come some of the largest numbers of homeless and hungry children ever seen in America.

Through the tireless efforts of Nottingham residents and friends, the Nottingham Food Pantry was established. This has been a community-wide effort run solely on the steam of volunteers. The Food Pantry services Nottingham residents in need of assistance. The pantry is a non-profit organization, operating out of the Nottingham Community Church.

There is little that compares to the true joy that is expressed as love is felt when a gift has been given freely and received graciously. It has truly been a privilege to serve as Chairman for the Nottingham Food Pantry this year.

1992 Officers:

Chairman	Mary Fanslau
Assistant Chairman	Cathy Douglas
Treasurer	Peter Bock
Recording Secretary	Elaine Gardner
Corresponding Secretary	Susan Faretra

If you or someone you know is in need of assistance, or for more information, please contact Mary 942-8841 or Linda 679-2312.

Through generous gifts and donations, along with the countless hours of volunteers, HOPE has been rekindled in the hearts of many Nottingham residents. Thank you and God Bless America!

Respectfully Submitted,
Mary Fanslau

1992 ANNUAL REPORT
STRAFFORD REGIONAL PLANNING COMMISSION

SRPC is a public agency responsible for coordination of municipal, state, and federal planning activities in Strafford County and portions of Rockingham County, New Hampshire. Fifteen of 16 municipalities in the region are currently SRPC members.

In 1992 SRPC's efforts were focused on several major projects: the redevelopment of Pease Air Force Base, regional economic development, and metropolitan transportation planning. Since early 1992 SRPC has been working with consultants for the Pease Development Authority (PDA) and with the Rockingham and Southern Maine Regional Planning Commissions on the development of a Seacoast traffic model. SRPC is the lead planning agency of the Seacoast Metropolitan Planning Organization (MPO), which is responsible for conducting air quality assessments and coordinating transportation planning activities for the Seacoast area. SRPC also conducts operational planning for the COAST bus system.

In July 1992 SRPC published an Economic Profile for the Seacoast area, which is being used by the PDA and local economic development officials to promote the area. The profile contains economic and demographic data for the Portsmouth-Dover-Rochester metropolitan area and detailed profiles of 12 industrial parks in the Strafford region.

SRPC continued the development of a regional Geographic Information System (GIS) in 1992. In June 1992 we completed an update of our regional GIS coverage on existing land use. This information has subsequently been used in two Pease-related consultant studies: the Part 150 Noise Study and the Pease Surface Transportation Master Plan. In addition to its regional applications, the data is used to produce existing land use maps of each of our towns.

In 1993 SRPC will be completing a regional base map on the GIS which contains most of the data portrayed on standard USGS topographic maps (7.5 minute quadrangles). We are also producing wetlands and developability maps for towns based on Soil Conservation Service (SCS) soil survey data and mapping various pollution sources in the region.

Beginning in 1993, SRPC will be expanding its transportation planning activities for the Seacoast MPO to include our rural communities as well. The Commission is forming a Rural Transportation Committee comprised of SRPC representatives from our 10 rural towns to provide direction on rural transportation issues.

More information on recent and upcoming work on the Strafford Regional Planning Commission can be obtained from your town's representatives to SRPC.

Respectively submitted,

Paul B. Smith
Executive Director

Edward W. McNitt (Durham)
Chairman

REPORT OF THE HIGHWAY DEPARTMENT

I have never submitted a road report since taking over as Road Agent in 1984. I always felt that my accomplishments could be seen, and my work efforts would speak for me.

I am going to try to explain what the Highway Department has done this past year and list some of its accomplishments. The highway year includes your winter operations and three other seasons.

Winter, the last two years, has been with little snow, but very icy conditions have been a problem. It is possible in winter to spend half of the year's operating budget. It is important to do a good job on winter maintenance for the safety of the general public. We must provide access for emergency vehicles at all times if humanly possible.

During the winter time we cut brush on Stevens Hill Road and graveled 500 feet of road above Rowell's. We also cut brush on Kennard Road. It is important to try to do road improvement even in the winter if possible. The Department tries to utilize time wisely during the winter because there is so much roadwork that needs to be done.

This past year we started in February grading roads and stopped grading roads the last of November. There are approximately 29 miles of dirt road. Grading depends on the amount of traffic and weather conditions. Some roads need to be graded as many as 12 times a year and some roads less. Road grading is a continuous operation, as long as the road is not frozen.

The replacement of culverts included: Stevens Hill Road, 200 feet of culvert, one catch basin, cleaning all inlets and outlets of culvert. We also fixed the intersection at Stevens Hill Road and Deerfield Road for better visibility. Deerfield Road: installed 70 feet of culvert, one at the Town Beach entrance and one across from Dr. Verploeg. Dwight Avenue: 50 feet of culvert, and Gile Road: 70 feet of culvert. Forty feet of culvert was also installed on Case Road. We also repaired the guardrails on Smoke Street and Deerfield Road.

Shim and Seal Coating Program: The first step is to clean all shoulders and drainage ditches, the inlets and outlets of all culverts, and flush all culverts that fill with sand and other materials. This was done on Deerfield Road, Flutter Street, and Dwight Road to prepare the road for shim and seal coating.

Hot top was spread with grader and rolled on Deerfield Road (532 tons), Flutter Street (324 tons), and Dwight Road (207 tons). The reason for using the shim is because it eliminates roughness and rutting, and gives the road a better crown and drainage. This results in a smoother travel way. The Highway Department seal coated 2.7 miles of Deerfield Road, .7 miles of Dwight Road, and 5600 feet of Flutter Street.

McCrillis Road and Mill Pond Road toward Smoke Street intersection, had approximately 1700 feet shimmed by Pike Construction using 368 tons of hot top.

McCrillis Road Project rebuilt approximately 1100 feet plus intersection at McCrillis and Gile Road. On this project we reclaimed 480 yards of gravel and old asphalt to be used in the new road bed. This will be a continuing operation in future rebuilding of roads. We installed 160 feet of new culvert and catch basin at intersections of Gile and McCrillis. Four hundred feet of drainage pipe was installed. The Department used approximately 2660 yards of bank run gravel, 300 yards of crushed gravel, 100 yards of 1 1/2 crushed stone, and 18 yards of rip rap. The surface took 330 tons of hot top.

Also McCrillis Road: we widened shoulders beyond Lavoie Drive, added 80 feet of drainage pipe to make the area safer.

Gravel section of Case Road: we cleaned shoulders, cut brush, flushed culverts, and cleaned inlet and outlet of culvert.

On Ledge Farm Road from the intersection of Poor Farm Road to the Epping Line: we cut brush and cleaned the shoulders.

On Poor Farm Road: we cleaned the shoulder and cut approximately 500 feet of brush.

Mowing included gravel roads for the first time this year. I plan to continue on a rotating basis due to lack of funds.

The Highway Department has also worked with Kimball Chase Engineering Firm in regard to a project in 1993.

I have attended 48 hours of courses given by UNH Technical Transfer Center. I have also attended 16 hours of workshops given by private companies.

The Highway Department spent approximately 510 hours at the recycling plant hauling glass, newspaper, plastic, and cardboard to Nashua and covering landfill.

I would like to express my thanks and appreciation to the men and women who have helped me this year. Their help made this a successful year for the Highway Department. My thanks to the town officials and townspeople for their support during this year.

Respectfully submitted,

John T. Fernald, Jr.
Road Agent

REPORT OF ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

As a non-profit, multi-service agency, RCCAP provides a wide range of services that together meet the most essential needs of the county's low-income residents. These services include: Child Care, Fuel Assistance, Head Start, Project Good Health, Family Resource and Support, Gift of Reading, Housing Services, Outreach Centers, Weatherization, and Women, Infants, and Children.

Greater Raymond Community Action Center is an outreach office of RCCAP that serves the residents of Nottingham and 14 other communities. The following services were provided to eligible residents of Nottingham from July 1, 1991 through June 30, 1992:

- 44 households received fuel assistance (a financial grant of up to \$550 to assist with energy-related expenses)
- 1 household received a loan through NH Cares (no-interest loans of up to \$200 for the purchase of fuel)
- 4 homes were weatherized through the Weatherization Program
- 20 children and day care providers participated in Family Day Care Program (sponsored by Child & Adult Care Food Program)
- 1 child care referral was arranged through the Child Care Resource and Referral Program
- 35 women, infants, and children received help through WIC (offering supplemental food, nutrition education, and health care referrals)
- 1 household received Helping Hand (emergency grants of up to \$1000 for rent, mortgage, property taxes, furnace replacement, electricity, or fuel)
- 69 food packages were provided through Surplus Food Program
- 3 food packages were provided through Emergency Food Pantry
- 2 households received Crisis Assistance (a one-time financial grant for rent, mortgage, electricity, or fuel in emergencies)
- 2 individuals were maintained on Emergency Response System (24-hour access to community medical responders for elderly and handicapped individuals)

Since the services we offer relieve the town of the full financial burden of providing needs for its low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 4.5% of the total dollar value of services provided during the previous year.

From July 1, 1991 through June 30, 1992, Community Action provided \$61,625 in services to Nottingham residents, which reflects an 8% increase over last year. We are therefore requesting that the town of Nottingham contribute 4.5% of this amount, or \$2,773.

Respectfully submitted,

Amy Mueller-Campbell, Director
Greater Raymond Community Action

REPORT OF RURAL DISTRICT VISITING NURSE ASSOCIATION

Rural District VNA continues to grow at an unprecedented rate. Our number of visits to homebound clients exceeds 2,000 per month. In addition to our contracted services, our staff has grown to forty-one. The skill level of our nursing staff has grown with the increased level of hi-tech services provided in the home.

Among the services we have provided to the residents of Nottingham are: physicals, immunizations, nutritional, and growth development counseling to children; maternal and child health care programs to parents, and blood pressure and glucose screenings, nutritional and medical counseling, and flu shots through our Adult Health Screenings.

Summary of Nottingham visits:	1991	1992
Skilled Nursing	566	687
Home Health Aid	508	740
Homemaker	0	86
Physical Therapy	175	163
Occupational Therapy	1	1
Speech Therapy	1	17
Maternal/Child Home Visits	1	4
Maternal Child Clinics	10	23

We are pleased to be able to once again reduce our per capita assessment; it will be \$1.50, calculated on the 1991 O.S.P. estimates supplied by the New Hampshire State Department of Planning published in August 1992. Your contribution to Rural District Visiting Nurse Association, Inc. will be \$4,400 for 1993. This is a \$2,907 reduction from 1992.

Respectfully submitted,

Linda Hotchkiss
Executive Director

REPORT OF AREA HOMEMAKER HOME HEALTH AIDE SERVICE, INC.

The purpose of Area Homemaker Home Health Care Aide Service is to help people remain independent in their homes with dignity and happiness for as long as possible, thereby avoiding the higher costs of institutionalization. All reports continue to project a steady increase in the number of frail and elderly living alone who will need home care and support in the years ahead. Our policy has always been to try to serve all clients as needed without a waiting list, but for the second year in a row we were forced to create such a list. With your assistance, we will be able to serve all Nottingham residents who need our help.

Area Homemaker Home Health Aide Service respectfully requests an allocation of \$1200 from your 1993 town budget. We have had to raise considerable dollars beyond those received from state and country allocations in order to provide services to the residents of Nottingham. We are aware of the impact of these difficult economic times, but our service to Nottingham has risen steadily in recent years. Thus, we are asking you to share more equally in the cost of services not covered by state and county funds.

Respectfully submitted,

Richard Park, ACSW
Executive Director

REPORT OF STRAFFORD HOSPICE CARE, 'INC.

Strafford Hospice Care is a non-profit agency providing multi-professional case management and volunteer support for grief and other reactions in patients and families dealing with terminal illnesses. Strafford Hospice began serving patients in 1983 and now consists of four part-time professionals and a cadre of more than 70 trained volunteers. We serve almost 200 patients and their families each year, including more than five Nottingham residents.

Our 1993 budget request is based on two factors: the first is the number of patients we serve within each town, and the second is the expectation that public support will only cover half of our budget with the other half coming from charity and fund-raising efforts. The town's half for 1993 is \$283.50 per patients multiplied by the projection of eight patients per year in Nottingham. Thus our request for 1993 is \$2268.

Respectfully submitted

Jean H. Lawrence
Executive Assisant

REPORT OF SEXUAL ASSAULT SUPPORT SERVICES

Since our name change over one year ago, Sexual Assault Support Services has seen increased numbers from the communities we serve. We continue to provide services that include: 24-hour sexual assault crisis hotline; 24-hour accompaniment to police stations and emergency rooms for sexual assault victims; support groups for rape survivors, incest survivors, parents, and others affected by sexual assault or abuse; professional training and consultation, and sexual abuse prevention education in schools for children and teens.

In 1991-92 Sexual Assault Support Services provided residents of Nottingham with 35 hourly units of service. The cost of an hourly unit is \$50; we are requesting towns to support us with 1/3 the total cost of services rendered. Thus, we ask for a \$583 contribution from the Town of Nottingham.

On behalf of our clients, board, and staff, I want to thank Nottingham for its continued support.

Sincerely,

Maxine J. Stein
Executive Director

REPORT OF SEACOAST MENTAL HEALTH CENTER, INC.

I am requesting that the Town of Nottingham allocate \$500 in its 1993 Budget for Seacoast Mental Health Center.

We continue to provide comprehensive mental health services for residents of Nottingham. We also continue to offer reduced fees for those who are in need. Town money helps subsidize those programs that are not eligible for funding from the State of New Hampshire.

Our statistics indicate that in FY92, we provided 208 hours of service to 19 residents in the Nottingham community.

Seacoast Mental Health Center greatly appreciates the help that the Town of Nottingham has provided in the past. Without town support, we would be unable to provide the reduced fees for lower income families.

Sincerely,

Jeffrey C. Connor, Ph.D.
Executive Director

REPORT OF ROCKINGHAM NUTRITION & MEALS ON WHEELS PROGRAM

The Rockingham Nutrition & Meals On Wheels Program respectfully requests funds from the Town of Nottingham to help provide meals to your elderly and disabled residents.

Last year we fed ten town residents on a regular basis serving meals 250 days during the year with provision for 365 days, two meals per day if needed.

Our primary function is feeding people. We feed elderly people trying to remain in their homes, adults recuperating from surgery or medical treatment, middle-aged or older adults coping with chronic debilitating diseases, very old and frail adults, and others as need justifies.

The Nutrition Program provides hot noon lunches at a local center five days a week and, through that center, delivers meals to residents who are homebound. The cost of feeding one person can range from \$1375 to \$2000 per year. We are requesting \$28 per resident per year from the town, and ask that Nottingham provide \$224.

Sincerely,

Debra Perou-Hermans
Director

REPORT OF THE RICHIE MCFARLAND CHILDREN'S CENTER

A small investment in services provided for the young delayed children in Nottingham may save thousands of dollars in the future. That information comes to us from the U.S. Department of Education and a study conducted in 1981 that showed that an average of \$16,000 in special services is saved if a child begins receiving services from birth rather than waiting until elementary school age.

These special services are available through the Richie McFarland Children's Center--the only early intervention program available for delayed children aged birth to three who live in your community. RMCC serves families with children whose development has been delayed for any of a variety of reasons: congenital disorders, physical/emotional trauma, or environmental risks. These children may need comprehensive or limited therapy including physical, occupational, and speech therapy, as well as special education.

We are asking that each of the communities within our catchment area contribute \$250 per year per child. In this fiscal year, we have served two Nottingham children and ask that Nottingham contribute \$500.

Miriam R. Stahl
Executive Director

REPORT OF LAMPREY HEALTH CARE

Lamprey Health Care provides a variety of services to residents of your community.

The Senior Citizen Transportation Program operated by Lamprey Health Care is one of the most important services provided to residents of the area. The buses provide necessary transportation for food shopping, medical appointments, the pharmacy and for recreational trips. Residents are picked up at their homes and assisted with bundles and with shopping if necessary. The Senior Transportation Program is affiliated with COAST.

In 1992 all five of the regular buses operated by this program will be handicapped accessible. Special appointments which cannot be incorporated into the specific routes serving your area are arranged through the Transportation Coordinator and a group of volunteers. The program almost operates as a "Friendly Callers" program in that the seniors who ride are in contact with the program, and if not, they are checked on to be sure that everything is all right. The Transportation Health Workers (drivers) from the program also do necessary errands for their riders if they are unable to do them due to illness, etc. This program does a great deal toward keeping our elderly population healthy, independent, and in their homes.

The medical services provided by Lamprey Health Care include primary medical care, health promotion and education, and social services. Increased capacity in both our Raymond and our Newmarket centers allows Lamprey Health Care to serve the residents of our local areas in a timely and efficient manner. Staffing for both centers includes five Board Certified Family Physicians and one Pediatrician. A Certified Physicians Assistant, three Nurse Practitioners, and a support staff of Registered and Licensed Practical Nurses and Community Health Workers round out the medical team. Medical care provided includes prenatal care, adult medicine and geriatric medicine, as well as screenings and follow-up for various medical conditions.

Lamprey Health Care has a primary mission to provide for the total health needs of the residents of our service area. From prenatal to geriatric care and from primary health to transportation for seniors and information and referral through the Rockingham County Info-Center and Tel-Med Health Information, we take great pride in the services provided to the communities we serve. The support of the communities served by Lamprey Health Care is critical to the continuation of our services.

Sincerely,

Ann H. Peters
Executive Director

REPORT OF ROCKINGHAM COUNSELING CENTER

Rockingham Counseling Center provides a valuable service to many individuals in need of counseling throughout Rockingham County. The current difficult economy poses two challenges for us here at the center:

1. Since many people have lost their jobs, and some even their homes, we have seen an increase of those looking for support;

2. As a result of the economic downturn our county funding has been eliminated and many of our funding sources have been cut back. So, we're faced with the dual challenge of providing more services with less funding.

We anticipate that we will provide \$149,175 in charged counseling services during 1992, \$49,228 of that will be collected in client fees based on a sliding fee. This means we must compensate \$99,947 worth of services provided by raising funds from towns like yours. This year we are requesting \$650 from Nottingham for the 1992 year.

Who are our clients? Our referrals come from your schools, courts, residents, physicians and human service agencies. Every day we help residents from your community deal with the stress caused by unemployment, physical illness, chemical dependence, parenting skills and problems with their children, and a variety of other issues. In the past year we have seen an increase of referrals.

In 1991 we provided 12 client visits to residents of Nottingham, which equals \$1020 in services, with a contribution of \$650 from the Town of Nottingham. Rockingham Counseling Center subsidized Nottingham's residents' fees by \$250. (See accounting outline below.) In past years we have relied on Rockingham County as a major source of funding, however last year we were one of four human services cut from their budget. This means that we must find additional sources to compensate this \$15,000 loss.

We appreciate your support from years past and look forward to continuing to provide the residents of Nottingham with the professional counseling that so many need, but may not be able to afford without Rockingham Counseling Center.

Sincerely,

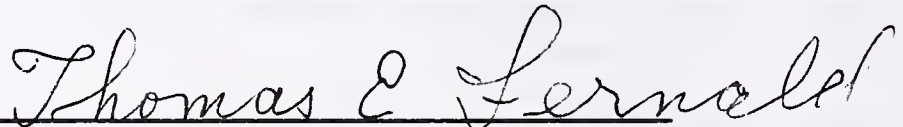

Bernadette P. Pelczar
Executive Director

School Board

The State of New Hampshire

*To the Inhabitants of the School district in the town of Nottingham
qualified to vote in district affairs:*

You are hereby notified to meet at the **Strafford School** in said district on the
6th day of March 1993, at **10 o'clock** in the **forenoon**,
to act upon the following subjects:

1. To see if the School District will vote to raise and appropriate the sum of four million nine hundred thousand dollars (\$4,900,000) for the purpose of the construction of a K-8 elementary school on District land formerly known as the Fernald Property located on Route 152 in Nottingham, N.H. including equipment and furnishings, architectural fees, site development, professional service fees and any other items incident to and/or necessary for said construction; to determine whether such appropriation shall be raised by the issuance and sale of bonds and/or notes upon the credit of the Nottingham School District in accordance with the provisions of RSA Ch. 33, as amended; to authorize the Nottingham School Board to obtain and expend state and other aid which may be available for said project; to authorize the Nottingham School Board to determine the time and place of payments of principal and interest, to determine the rate of interest and the provisions for the sale of twenty year (20) notes and/or bonds, and to determine all other matters in connection therewith; or, to take any other action relative thereto. (2/3rds vote required) (Recommended by Budget Committee).
2. To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.
3. To see if the school district wishes to extend the Building Committee as presently constituted and further, to raise and appropriate the sum of four thousand dollars (\$4,000) to pay for operating expenses. (Recommended by Budget Committee)
4. To see if the school district will vote to establish the position of Assistant Treasurer.
5. To see if the school district will vote to raise and appropriate the sum of five-thousand dollars (\$5,000) to replace the vinyl flooring, purchase a steel exit door and re-side one exterior wall of the Dame School. (Recommended by Budget Committee)
6. To see if the school district will vote to raise and appropriate the sum of eight thousand dollars (\$8,000) to replace carpeting with vinyl flooring and replace damaged ceiling tiles and insulation of the primary wing. (Recommended by Budget Committee)
7. To see if the school district will vote to raise and appropriate the sum of three thousand dollars (\$3,000) for the cost of air quality testing. (Recommended by Budget Committee)
8. To see if the school district will vote to raise and appropriate the sum of three thousand, five hundred dollars (\$3,500) to contract for the services of an auditing firm. (Recommended by Budget Committee)
9. To see what sum of money the school district will raise and appropriate for the support of schools, for the salaries of School District officials, agents and employees, for capital construction, and for the payment of statutory obligations of the School District.

10. To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forth coming from the United States Government and/or State agencies; private agencies and/or other sources in accord with the provisions of RSA 198:20-b.

11. To choose agents and committees in relation to any subject embraced in this warrant.

12. To transact any other business which may legally come before this meeting.
Given under our hands at said this day of 19

Enter in these columns the numbers which were revised and approved by DRA and which appear on the current tax rate papers.

10% LIMITATION OF APPROPRIATIONS
(SEE RSA 32:8, 8-a)

Please disclose the following items (to be excluded from the 10% calculation):

\$ _____ Recommended Amount of Collective Bargaining Cost Items.
(RSA 32:8-a)

RSA 273-A:1,IV " 'Cost Item' means any benefit acquired through collective bargaining whose implementation requires an appropriation by the legislative body of the public employer with which negotiations are being conducted."

INSTRUCTIONS FOR COMPLETING FORM MS-27 (RSA 32:5)

SECTION I - Appropriation. Enter in the first column the last approved budget which was revised and approved by DRA and which appears on the current tax rate papers. Enter in the second column the school board's total proposed budget for the coming year.

The third and fourth columns entitled "Recommended" and "Not Recommended", respectively, are to be used by the budget committee in the preparation and reporting of their budget. The budget committee should also include in the not recommended column, other special items requested by the school board or by petition, which the committee does not wish to recommend but upon which the voters are entitled to vote.

Supplemental appropriations funded from sources other than taxation, items funded from notes or bonds or by withdrawal from capital reserve funds, need to be offset in section II.

10% LIMITATION: Please disclose the recommended amount of Collective Bargaining Cost Items on the bottom of page 3. A supplemental schedule (a separate cover) has been included for you and your voters' convenience. The purpose of this schedule is to aid in the computation of the 10% budget increase limit permitted by RSA 32:8

SECTION II - ESTIMATED REVENUES AND CREDITS. Enter in the first column entitled "Revised Revenues," the revenues and credits as revised and approved by the Department of Revenue Administration in setting the last school assessment (tax rate papers). Enter in the second column entitled "School Board's Budget" the school board's estimated revenues and credits for the coming year. In the third column, the Budget Committee should enter its own estimated credits and revenues for the coming year.

SIGNATURES: A majority of the budget committee must sign this form on page 1.

REPORT DISTRIBUTION:

- 1 Copy Superintendent-to submit district's budgetary requirements to the Budget Committee.
- 2 Copies School Board for posting (at least 20 days before the annual district meeting).
- 1 Copy Commissioner of Revenue Administration (within 20 days of the annual or special meeting(s)).
- 1 Copy Retention by Budget Committee.
- 1 Copy Courtesy Copy for posting In each participating town of the regional school district (when applicable).

NOTTINGHAM SCHOOL DISTRICT
ANNUAL MEETING
SATURDAY MARCH 7, 1992

ATTENDANCE: Moderator Frank Winterer; Clerk Heidi Carlson; School Board Members Ed Gauthier, Bill Kyle, and Gary Todd (11:00 am); Superintendent Barry Clough; Principal John McAdam; Budget Committee members Chet Batchelder, Phil Fernald, Jack Gardner, Charlie Evans, Joe Leddy, Cheryl Travis, Dave Fernald, Elaine Schmottlach, Brad Batchelder; Supervisors of the Checklist Ednah Carlson and Melinda Cadwell; Ballot Clerks Sandra Jones and Enid Fernald. Mr. Winterer introduced all of these people to the audience. There were 189 registered voters present.

Moderator Frank Winterer called the Annual School District Meeting to order at 10:07 am. He announced that if necessary, Jack Gardner would be Acting Moderator. Jack Gardner gave a prayer and JC Marston lead the group in the Pledge of Allegiance. Mr. Winterer read some announcements and stated that the PTA was selling snacks and lunch in the front lobby.

Mr. Winterer read through Bradley's Rules of Order as printed on page seven of the Town Report.

It was moved by Ed Gauthier and seconded by Kim Gardner to allow the following non-residents to speak: Lauren Belita, HL Turner Group; Steve Page, Bonnette, Page & Stone Corp; John McAdam, and Barry Clough.

VOTED in the AFFIRMATIVE by card vote.

ARTICLE 1: To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

It was moved by Ed Gauthier and seconded by Bill Kyle that the School District vote to accept the reports of agents, auditors, committees, and officers as printed in the School District Report.

VOTED in the AFFIRMATIVE by card vote.

ARTICLE 2: To see if the School District will authorized the School Board to contract for the harvesting of timber from a portion of the School District property, formally known as the Fernald Property, and further, to deposit all proceeds realized from the sale of said timber in the School District General Fund as an unanticipated revenue in the year harvested.

It was moved by Ed Gauthier and seconded by Bill Kyle to accept Article 2 as read.

Following some discussion, it was moved by Earle Rourke and seconded by Kim Gardner to table Article 2.

VOTED in the AFFIRMATIVE by card vote.

ARTICLE 3: To see if the School District wishes to extend the Building Committee as presently constituted and further, to raise and appropriate the sum of fifty-seven thousand dollars (\$57,000) to defray design, site, geotechnical analysis, construction management, engineering and drilling cost estimating and legal fees to be incurred by the Building Committee through the final design phase.

It was moved by Ed Gauthier and seconded by Bill Kyle to accept Article 3 as read.

It was moved by Ed Buckley and seconded by Earle Rourke to amend Article 3: To see if the School District wishes to extend the Building Committee as presently constituted.

VOTED in the AFFIRMATIVE on the amendment by card vote. Yes - 92, No - 75.

VOTED in the AFFIRMATIVE on the amended Article 3 by card vote.

ARTICLE 4: To see if the School District will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) for necessary renovations to bring the school into compliance with the 101 Life Safety Code Standards.

It was moved by Ed Gauthier and seconded by Bill Kyle to accept Article 4 as read.

It was moved by Ed Gauthier and seconded by Bill Kyle to amend Article 4 to raise and appropriate the sum of ten thousand dollars (\$10,000).

VOTED in the NEGATIVE on the amendment by card vote.

VOTED in the AFFIRMATIVE on the original Article 4 by card vote.

ARTICLE 5: To see if the School District will vote to raise and appropriate the sum of four thousand, five hundred dollars (\$4,500) to scrape, paint and insulate the north wall of the original 1952 school section from the Dame Building to the 1972 addition.

It was moved by Ed Gauthier and seconded by Bill Kyle to accept Article 5 as read.

VOTED in the AFFIRMATIVE by card vote.

At 11:50 am the meeting was recessed until 12:30 pm for lunch.

The meeting was reconvened at 12:35 pm.

ARTICLE 6: To see whether the School district will vote to approve the cost items included in the Collective Bargaining Agreement reached between the Nottingham School Board and the Nottingham Education Association which calls for the following increases in salaries and benefits:

Year 1991-92	Amount
\$23,272.00	-Appropriated at March 1991 Meeting
+20,048.62	-To be paid out of current surplus
\$43,320.62	TOTAL

And further, to appropriate the sum of twenty thousand and forty-eight dollars and 62 cents (\$20,048.62) for the 1991-92 Fiscal Year, which when added with the \$23,272.00 raised and appropriated at the March 1991 School District Meeting, represents the additional cost attributable to the increases in salaries and benefits over those paid in a prior fiscal year. Furthermore, to authorize the use/transfer of Budget Surplus for this purpose. (Supplemental Appropriation)

It was moved by Ed Gauthier and seconded by Bill Kyle to accept Article 6 as read.

VOTED in the AFFIRMATIVE by card vote. Yes - 105, No - 46.

ARTICLE 7: To see whether the School District will vote to approve the cost items included in the Collective Bargaining Agreement reached between the Nottingham School Board and the Nottingham Education Association which calls for the following increases in salaries and benefits:

Year	Estimated Amount
1992-93	\$18,507.64

And further, to raise and appropriate the sum of eighteen thousand, five hundred and seven dollars and sixty-four cents (\$18,507.64) for the 1992-93 Fiscal Year, which represents the additional cost attributable to the increases in salaries and benefits over those paid in the prior 1991-92 fiscal year.

It was moved by Ed Gauthier and seconded by Gary Todd to accept Article 7 as read.

VOTED in the AFFIRMATIVE by card vote. Yes - 82, No - 55.

ARTICLE 8: To see what sum of money the School District will raise and appropriate for the support of schools, for the salaries of School District officials, agents and employees, for capital construction, and for the payment of statutory obligations of the School District.

It was moved by Ed Gauthier and seconded by Bill Kyle that the School District vote to raise and appropriate the sum of \$2,993,584 which EXCLUDES the monies raised and appropriated in Articles 3, 4, 5, 6, and 7 of this warrant for the support of schools, for the salaries of School District officials, agents and employees, for capital construction, and for the payment of statutory obligations of the School District.

It was moved by Earle Rourke and seconded by Ed Gauthier to amend Article 8 to raise and appropriate the sum of \$2,993,577 by removing the Life Insurance, LTD, and Longevity (seven lines at one dollar each) throughout the budget.

VOTED in the AFFIRMATIVE on the amendment by card vote.

VOTED in the AFFIRMATIVE on the amended Article 8 by card vote.

ARTICLE 9: To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forth coming from the United States Government and/or State agencies; private agencies and/or other sources in accord with the provisions of RSA 198:20-b.

It was moved by Ed Gauthier and seconded by Bill Kyle to accept Article 9 as read.

VOTED in the AFFIRMATIVE by card vote.

ARTICLE 10: To choose agents and committees in relation to any subject embraced in this warrant.

It was moved by Ed Gauthier and seconded by Bill Kyle to table Article 10.

VOTED in the AFFIRMATIVE by card vote.

ARTICLE 11: To transact any other business which may legally come before this meeting.

Pam Twombly thanked Ed Gauthier for his three years of dedicated service to the School Board and to the Community, which was followed by a round of applause.

It was moved by Terry Bonser and seconded by Earle Rourke to direct the School Board not to drill a well until such time as a new school building is certain at the new school site. It was explained that this vote was non-binding to the Board.

VOTED in the AFFIRMATIVE by card vote.

Nottingham School District Meeting
March 7, 1992

Page Five

Janet D'Eon asked that it be policy to have available school job vacancies posted at the school and places around town.

Mr. Winterer announced that Town Elections would be held at the Town Hall on Tuesday March 10, with the polls open from 10:00 to 7:00 pm. Town Meeting will be held on Saturday March 14 at 10:00 am, and the Barrington/Nottingham Cooperative School District Meeting will be held on Tuesday March 17 at 7:00 pm at the Barrington Elementary School in Barrington.

With no further business, it was moved by Brad Batchelder and seconded by Jack Gardner to adjourn the meeting at 2:00 pm.

VOTED in the AFFIRMATIVE by voice vote.

Respectfully submitted,

Heidi L. Carlson, Clerk

Heidi L. Carlson
School District Clerk

TO: NOTTINGHAM SCHOOL BOARD MEMBERS
Gary Todd, Chairman

Enclosed please find my statement certifying that I have examined the books, vouchers, bank statements and other financial records of the Treasurer of the School District of NOTTINGHAM for the fiscal year ending June 30, 1992, and find them correct in all respects.

This certification also includes that I have examined the checking account held with the Nottingham Elementary School and find them correct in all respects.

Respectfully submitted,

Ann L. Clark

Ann L. Clark, District Auditor
1991-1992

REPORT OF THE NOTTINGHAM SCHOOL BOARD
MARCH 1993

The year ending June 30, 1992, was a year of carryover accomplishments for the board. Our main concern this year was to live within our budget and continue to manage expenses, per our long range goals.

We continued the plan of repairing the existing building and completed all of the major improvements, and Life Safety renovations that were approved in the 92-93 budget. The building is still in need of a few more repairs, and plans are in the works for completing the upgrades over the 93-94 year.

Due to a concerted effort by the board, and by seeking competitive bids on all repairs, we were able to accomplish all of our goals plus a few extras. We were able to repair some exterior vinyl siding problems and paint siding in areas that we were going to defer. We checked and replaced weather-stripping on all of the exterior doors, and installed two exterior steel doors on the boiler and resource rooms.

The proposed plans for next year include repainting the four oldest class rooms, the front entry, the main hallways, and the gym interior. The four class rooms in the 1972 addition and the art room will have new vinyl floors installed. The reason for carpeting replacement is to eliminate the problems with dust and air quality problems that occur with carpeting. The Dame building will have one more exterior side redone, only one more wall to go, and the project will be complete.

For the past three years we have made a conscious effort to address the air quality problems associated with older buildings, and this is evident in our low overall student and staff absenteeism record. We have opened all exterior ventilation systems, installed a heat and air recovery system for the principal's office and all small interior rooms, increased the air circulation system on the 1952 building, and blocked off the system under the classrooms that is no longer used for heating and ventilation, and established regular maintenance for all heating and ventilation equipment.

There have been several important changes this year that were not well publicized and are worth noting.

Barry Clough the SAU 44 superintendent for 17 years, resigned to accept a position overseas. We on the board and the staff will miss the support and knowledge that Barry was well known for. We wish him well in his new job.

During the interim the joint board hired the services of Mr. Fokian Lafionatis, retired superintendent of the Franklin NH SAU, to act as interim superintendent. Mr. Lafionatis did a great job guiding the SAU during the transition period while we searched for and hired a new superintendent.

The joint board recently hired Dr. George Reid, the former assistant superintendent from the Rochester District to be our new superintendent. Dr. Reid was the unanimous choice from among forty some applicants for the position, and will come on board officially in February of 1993.

This year we instituted the combination class style of instruction. The last time this was done in the district was 1984-85. Nancy Mason is at the helm in our new 4/5 class room, and doing an outstanding job. We believe that this style of instruction can be beneficial for all, and enable us to better serve the town and still maintain a reasonable budget.

Our Kindergarten was a bit of a challenge this year. Due to high student enrollment, we had to annex the old music room, and provide an additional aide to assist Mrs Fleming who performed very admirably under difficult conditions. Hopefully next year the kindergarten population will settle down and we can resume business as normal.

This year we instituted three new programs. Puberty Education, AIDS Awareness, and the D.A.R.E. program. Each of these programs is presented to a limited segment of the student population, and deals with information that is slightly controversial, but we consider to be an important part of the educational process. The reception by the students and parents has been very positive, and we intend to continue and expand the programs in the future.

The S.I.P. (School Improvement Program) that was instituted this year has been meeting since August, and is making progress in analyzing the existing programs, and will be making recommendations in the future. Recently the team presented to the board copies of the profile of the Nottingham School. This profile examines all aspects of the instructional and physical plant, and will make a useful tool for possible future changes to improve the quality of educational services that we provide.

The building committee under the guidance of chairman Richard Beaumier worked diligently all year, even with out funding to come up with a workable realistic building proposal that will be voted on this year. Thanks to the volunteers who put in many hours, we have a building presentation that if approved will eliminate our long term space needs problems.

The High School Tuition Study Committee completed its search of alternative schools that may better serve the town of Nottingham. Based on verbal conclusions as conveyed by Mr Ed Gauthier, the present school of record, Dover High School is our best bet. They offer a modern school with a wide curriculum, they service all of our special needs students, and they have the capacity to continue to service our district for some time to come. The committee has unofficially recommended that we do not change at this time.

The budget being presented this year, is one that is considered prudent and in the best interest of the town. The increase that is due largely to the eighth grade graduating class of 47 students. This large number is offset by a small graduating class of 26 students. The net gain of 21 additional high school students plus tuition increases are the factors that affect the large increase. The total increase in high school tuition is roughly \$160,000.00. The other increases are very minor in nature.

The total budget increase is 6.4%, with 5.5% due to the high school tuition increases from the 21 additional students that will be attending next year. The other .09% increase is due to salary step and track increases which are in the master agreement, and other standard budget items.

Respectfully Submitted

HIGHLIGHTS OF STUDENT PERFORMANCE AS OUTLINED ABOVE:

Nottingham students in 1989-90 scored at the MNCE of 50 or ABOVE in 33 of the 42 areas listed above. The 1990-91 results have Nottingham students scoring 50 or ABOVE in 38 of the 42 areas listed. The 1991-92 results have Nottingham students scoring ABOVE 50 in 41 of the 42 areas listed above.

This matrix shows the Mean Normal Curve Equivalent scores for Nottingham students in grades 2-8. There are three sets of scores for each category - 1. for School Year 1989-90, 2. for School Year 1990-91, and 3. for School Year 1991-92. A score of 50 is exactly average. 51% of the * norming group scored from 36 to 65.

*Norm Group - the national sample composed of representative students

CAT T.R. 92

NOTTINGHAM SCHOOL DISTRICT
PRINCIPAL'S REPORT

Nottingham School officially opened its doors to students on Thursday, September 3. Our October 1 enrollment of 418 was up 6.9% over last year's enrollment figure of 391. As is customary, we started the new school year with a number of staff changes.

New faculty and staff:

Miss Kathleen Mackey - Grade 2
Mrs. Jayne Pelletier - Grade 8
Mrs. Sandra Vilchok - Kindergarten Aide
Mrs. Laura Clement - Special Education Aide
Mrs. Denise McCarthy - Assistant Custodian

Last year, Nottingham School listed 27 full-time teachers on the faculty. Of the 27 teachers, 2 resigned their positions in June and 2 teachers new to Nottingham were hired for September.

Due to a particularly large incoming kindergarten class, we played musical rooms to accommodate the numbers. Since the kindergarten room was a small classroom, we moved Mrs. Bilodeau's music class from the adjoining and undersized room back to the main building where she had been prior to the 1991-92 school year. This move allowed us to utilize both undersized rooms in the front modular to meet the needs of our entering kindergarten children. Mrs. Vilchok was hired as a second aide to assist the kindergarten teacher. Thus far, this arrangement has proven to be an effective solution to a short-term problem. It also has saved us the cost of an additional modular as well as a half-time teacher.

As with dominoes, moving the music room caused Miss Prell's fifth grade class to be bumped out to the fifth grade modular with the other fifth grade class. Miss Mason's fourth grade class displaced, was then in search of a new room, and since we had a bulge moving into the fifth grade, we decided to run a combination grade 4-5 class to even the number of children in grades four and five. Fortunately, the first grade teacher, Mrs. Whitehead, volunteered her larger room in the SLC Modular. Miss Mason's combination class had a home. The SLC made another (smaller) classroom available to us for Mrs. Whitehead. When I last checked all was well.

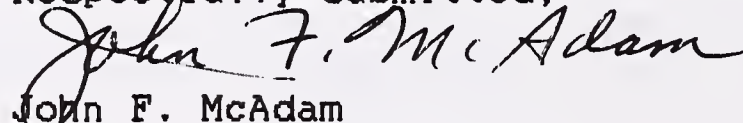

As one can readily gather from the description above, Nottingham School continues to grow and change in a number of ways. Many of our faculty and student population (44.9%) are located in modular units.

Nottingham School is fortunate to be added to the list of schools involved with the D.A.R.E. (Drug Abuse Resistance Education) program. This drug abuse education program sponsored by the New Hampshire State Police is presented by Trooper Mark Mitchell. Trooper Mitchell has been meeting with our second, fourth, and sixth grade classes. The curriculum which was developed in Los Angeles, California has been well received by our students. The primary emphasis of the program is to assist students in recognizing and resisting the pressures that influence them to experiment with drugs. Such topics as how to say no to peers, building self-esteem, assertiveness, social influences involved in the abuse of drugs and possible alternatives to drugs are covered as part of the program. Special thanks to Chief English who was instrumental in getting this program for Nottingham.

This past year, we were also fortunate to be accepted into the New Hampshire School Improvement Program (SIP). SIP is a nationally recognized state and local effort to improve the quality of education. The basic premise of SIP is that as the needs of our society change, so should our schools. "All schools - excellent, good, or mediocre - need improvement." The goal of SIP is to improve our school through a thorough assessment and a study of effective schools. It is a collaborative approach supported by a broad coalition of organizations, public and private, that have formed the non-profit New Hampshire Alliance for Effective Schools. The Nottingham School SIP Team is made up of the Principal, teachers, the school nurse, an aide, an Assistant Superintendent, the Chairman of the School Board, parents, and a member of the community in general. Our SIP Team received training this summer at the University of New Hampshire. At the present time, we are thoroughly underway in the process of assessing our school's needs. As part of that assessment, parents were also contacted by independent consultants to the SIP office out of Concord, New Hampshire. Personally, I am very excited about Nottingham School's involvement in SIP.

Once again, I am pleased to state my thanks for the overall level of support the Town of Nottingham has provided for our school. We have an excellent faculty and staff, an active and supportive PTA, and an outstanding Volunteer Program. It is my hope that we can continue to move forward in the same positive manner that traditionally has accented this town's commitment.

Respectfully submitted,

John F. McAdam
Principal

REPORT OF SCHOOL BUILDING COMMITTEE

The school building committee met 25 times during 1992. During this period, elections were held for new officers. Richard Beaumier is the Current Chairman, with Joseph McGann serving as assistant. There were several other changes in membership. The current active membership is as follows: Richard Beaumier, Thatcher Cadwell, Kathy Douglas, Phillip 'Archie' Fernald, Minot Granbery, Joseph McGann & Peter Rowell. John McAdam served as an advisor from the school and Gary Todd assisted from the School Board.

The committee established a charter as a basis to work from. This was an important step in establishing what we were to accomplish, and to maintain perspective throughout the process. The charter stated that we were to address the space needs requirements for our students into the next century. We were to have a design for a new school that would be the best overall value for the town, be affordable, yet we would be able to pay for the building with a bond, before we outgrew the facility. Finally, we wanted a building that would allow for future expansion. For our planning purposes we used an annual growth in student population of 3%.

In January, 1993 we received our final pricing from the architect and builder. We had attained a reduction in the maximum project costs of almost 10% from previous estimates given in September 1992. The current estimate is \$4,902,000. This also represents a reduction of over 20% from the last proposal for a school several years ago. We would be assisted in repayment from the State of New Hampshire for over 30% of this amount.

From voter approval in March of this year, final design would be completed by June, and constructing would commence, taking approximately one year. The new school would open for students in the fall of 1994.

Thanks to all who worked long and hard, both directly and indirectly, to make this all happen. Together, we have provided responsible planning for our community into the next century.

Respectfully submitted

Richard A. Beaumier

School Building Committee Chairman

SCHOOL NURSE REPORT

The past school year was rewarding and challenging in dealing with the varied health issues of school age children. I have endeavored to modify or remove those barriers which are health related and to promote for all students an optimal level of wellness. Health plans have been established for students with chronic health conditions such as asthma or diabetes to enable them to participate fully in school programs. Further health assessment has focused on a variety of health issues including acute illness such as strep throat, ear infections, and viral illness, to injuries, and screening of vision, hearing, height, weight, and scoliosis.

The maintenance of current accurate health records in order to satisfy the states requirements for immunizations and physical examinations requires much attention. To comply with a new state law, a Measles immunization clinic was held for students entering grade seven. The Nottingham PTA in conjunction with The Lamprey Health Care Center recently initiated a program to provide sport physicals for students participating in the school athletic program. I have appreciated parent support in providing me with information necessary to update health records.

In collaboration with the faculty and outside agencies a variety of health education programs have been undertaken. Included in these were fifth grade puberty education, educational programs on AIDS for the community, faculty and eighth graders, basic first aid and safety for primary grades.

Other initiatives involving the health office include playground safety, building environment, and training program for staff in the area of Attention Deficit Hyperactive Disorder.

I look forward to continuing to work with the school community in addressing health issues and I appreciate the support of the students, parents, staff, and administration.

Respectfully,
Martha E. Smith, R.N

SCHOOL VOLUNTEER PROGRAM

1991-1992

The School Volunteer Program is one of those intangible assets that gives Nottingham School its special face. Each year it grows as parents and community members join together to work for the benefit of the children. This year 28 new volunteers joined the program along with the 58 veterans. Almost every program in the school has had a volunteer(s) to lend a hand. Together volunteers have donated more than 4200 hours this year.

Every community member is invited to become part of the volunteer program. It requires time but the rewards are special. Questionnaires are sent home with students each September to recruit volunteers. By the end of September orientation is held and most volunteers have been placed in their volunteer assignment. But volunteers can be placed at any time during the year. There are no special talents required, just a desire to help out.

The majority of volunteers are in school weekly lending a helping hand to teachers, students and staff members. Ten volunteers staff the hot lunch program each week throughout the school year. There are also volunteers who work in the classrooms, publish student's books, help the gym teacher, work with the art and music teachers, assist the school nurse, coach basketball, and do clerical work. Volunteers also help in the library so the librarian can better help the students and the town's people.

Once again, the Nottingham School Volunteer Program has won the Blue Ribbon Award for an outstanding school volunteer program. The award was presented in February, in Nashua, by the New Hampshire Commissioner of Education.

While it is pleasant to be recognized on a state level, the support and gratitude of those we serve is just as rewarding. Each June, the volunteer program holds a luncheon for volunteers that is attended by the teachers and staff. It lets the volunteers know, in a small way, how much they are valued. It is funded by the school and the PTA. Students in the middle school help prepare the food.

It has been a full year for us. The volunteers' willingness to donate their time, the cooperation and gratitude of the teachers and students, and the support of the principal and the staff all helped to make it a successful year. We wish to take this opportunity to say "Thank You" to all who have made this program so successful.
