**REPORT OF WINNISQUAM FIRE DEPT.****To the Town of Tilton for 1956**

---

For the period beginning January 1, 1956 and ending December 31, 1956, the cost of maintaining the Winnisquam Fire Department was \$2,764.94.

Of this amount four hundred dollars (\$400.00) was for the purchase of a used 1953 Chevrolet chassis on which we are going to mount the tank and equipment which is presently on our Engine No. 2, a 1935 Ford.

During this same period we responded to twenty-five fire calls in our district, broken down as follows:

Tilton — 8  
Belmont — 7  
Sanbornton — 8  
Laconia — 1  
Gilford — 1

Respectfully yours,

ELLIS N. BLAISDELL, Clerk & Treas.  
RICHARD B. MEYERS, Chief

## YOUR TOWN DUMP

### Use it freely

### Care for it

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised — regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you — personally and financially.

If, however, you do burn on your premises

1. Secure a permit from your local forest fire warden — the law requires it. The warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is **DEAD OUT** before leaving it.

Save yourself much possible difficulty.

Use your dump freely

Help Keep it safe

## TILTON-NORTHFIELD RECREATION COUNCIL

---

After numerous attempts to form a recreation program, the Tilton-Northfield Recreation Council was formed in 1956 with representatives from leading organizations from both Towns. We are now permanently organized and are members of the National Recreational Association.

Our programs involved hundreds of children from both towns in a wide variety of recreational activity. The program is administered by a part-time paid Director, under the supervision of the Council.

The Community Center is held at the Town Hall, and is open four nights weekly. Monday evening is devoted to games, boxing, badminton, and is open to all age groups from the third grade up. Wednesday evening is devoted to dance instruction, ballroom and square dancing. Friday evening is fifth and sixth grade social evening with games and square dancing. Saturday night is devoted to senior socials and involves grades seven through twelve.

Basketball at 10 a.m. is held at the High School gym under the direction of Mr. Robillard and Kim Perkins, our director.

An archery program was begun in February of this year and is held on Thursday afternoon, between four and six p.m. in the Thibodeau Block. Town Hall was not available due to possible property damage, and office occupancy during these hours.

In the spring of 1956, four baseball teams in a Town league were organized. Fifty uniforms were purchased at \$2.00 each, from Laconia, so that each player was properly equipped. The teams played in other towns and were successful in all attempts. Chief coach was Tom Andrews.

In the summer of 1956, a swimming program was organized with bus transportation provided to Northfield Pond. Cork markers were floated for safety and a new raft was built. A paid life guard, assisted by mothers, provided safety for the sixty to eighty children who used this service three times weekly. It is hoped that this year two life guards trained by the Red Cross will provide safety and swimming instruction. We are particularly grateful to the town of Northfield for their assistance in improving beach facilities.

A lighted skating rink was established in December of 1956 at the Union School. Unfortunately, due to continuous snow storms and ground softness, we were unable to fully make use of this facility.

Since recreation is not only the domain of children, but of all age groups, at the time of this writing, a Senior Citizen's Club is being formed, under the direction of both the Recreation Council and the Episcopal Church, which has offered the use of its Hall. The Reverend G. Stackley Hurst will help in its direction. The problem of Old Age is a serious one in this State, which has the highest percentage of this group in the entire nation. Senior Citizen's Clubs, or Golden Age Clubs answer some of the needs of our aging population by providing a meeting place where they can enjoy company, read, play at favorite games, and otherwise occupy time fruitfully.

The opportunities of recreation to express, to create, and to find satisfying uses of leisure time are limitless in our towns. It is our hope and aim to acquire a building and a full time director for this purpose. We are grateful to all the organizations which have supported us and to many citizens who have given us encouragement, time and money.

Respectfully,

NATHANIEL KESSIN, Chairman  
Tilton-Northfield Recreation Council

## ANNUAL REPORT OF THE DISTRICT NURSING ASSOCIATION

Fiscal Year January 1, 1956 to December 31, 1956

---

During this period the District Nurse cared for the following:

|                           | Calls | Cases |
|---------------------------|-------|-------|
| Acute and Noncommunicable | 1675  | 350   |
| Prenatal and Postnatal    | 17    | 16    |
| New Baby                  | 30    | 24    |
| Office                    | 85    | 37    |
|                           |       |       |
| Health Service            |       |       |
| Adult                     | 170   | 128   |
| Infant and Preschool      | 118   | 112   |
| Baby Office Conference    | 28    | 4     |

There were 78 new and 251 repeat cases that were admitted to the nursing service and 64 new and 187 repeat cases under health service.

Twenty trips were made transporting 26 patients to clinics, hospitals and specialists.

Toxoid clinics in cooperation with the State Board of Health were held in April, May, June, September, October, November, and December. Dr. Archie Grevior and Dr. Frank Robinson alternated as attending physicians at the clinics. Assistants were Mrs. Margery Robert, Mrs. Richard Sullivan, Mrs. Lois Caveney, Mrs. Lurline McCook, R.N., Miss Harriet Stone, R.N., and Mrs. Willa Downar, R.N. A total of 225 received the Triple Toxoid for protection against diphtheria, whooping cough, and tetanus, which is given in graduated doses a month between treatments, ages 4 months to 7 years. Forty-three completed the series of three hypos. Fifty-three received Booster hypos that are given two years after the first series as an added protection. Sixty-five were vaccinated for protection against smallpox.

Mrs. Lurline McCook, R.N., substituted for the District Nurse while she had her vacation.

The nurse assisted Miss Harriet Stone, R.N. in buying, wrapping and distributing gifts in the two towns at Christmas. Money and gifts were given through the kindness of the Rotary Club, Business and Professional Women's Club, teachers of both schools and individuals.

Twenty dinners were given by the Elks, American Legion, Odd Fellows and Salvation Army.

This is an opportunity for me to thank the doctors, selectmen, nursing board, and the individuals for their help in so many ways, also their cooperation and sincere friendliness to me throughout the past year.

Respectfully submitted,

ALICE FRENCH, R.N.

**THE STATE OF NEW HAMPSHIRE  
SCHOOL WARRANT**

---

*To the Inhabitants of the School district in the town of  
Tilton-Northfield qualified to vote in district affairs:*

You are hereby notified to meet at the Tilton-Northfield High School in said district on the 13th day of March 1957, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
- 3a. To choose a Member of the School Board for the ensuing three years to fill the vacancy arising from the expiration of the term of office of Alexander G. MacGregor.
- 3b. To choose a Member of the School Board for the ensuing three years to fill the vacancy arising from the expiration of the term of office of Charles F. Dwinal.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the

payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the School Board to use the probable balance of one thousand three hundred seventy-three dollars and seventy-six cents (\$1,373.76) or such balance as exists on June 30, 1957 from the bond issue for Union School renovations and the appropriation for a roof at said school for the modernizing of existing classrooms at the Union School.

10. To see if the district will appropriate the sum of eight thousand six hundred forty-five dollars (\$8,645.00) to be added to the 1957-58 school budget for the conversion of the high school heating facilities to oil, zone control in the gymnasium, installation of a 6200 gallon oil tank, conversion of hot water heating system to oil, and all necessary labor and equipment; and to see if the district will authorize the School Board to use any unanticipated balance from tuition receipts for non-resident pupils and children from foster homes and such portion of said appropriation as may be necessary, not exceeding eight thousand six hundred forty-five dollars (\$8,645.00) to complete the purposes of this article.

11. To see if the district will authorize the School Board to make application for and accept in the name of the school district for district purposes, such funds or grants-in-aid as may be obtainable from the State, Federal Government, or other agencies or departments.

12. To transact any other business which may legally come before this meeting.

Given under our hands at said Tilton-Northfield this eighth day of February 1957.

## REPORT OF TILTON-NORTHFIELD SCHOOL BOARD

---

We have held three meetings to discuss the 1957-1958 school budget and believe that the real necessities to maintain good schools are in the budget and that items postponed to future years will not handicap the successful operations of the schools.

Our proposed budget for 1957-1958 shows an increase. The main increase is represented in three items. The first is in the principals' and teachers' salaries with an increase from \$131,007.44 to \$145,043.12 representing automatic increases under the salary schedule, an additional teacher at the high school, and Tilton's share of the cost of an additional music teacher. The second increase is the salary of a high school secretary so that the principal will be free for supervision, administration and guidance, — an item of \$2000. The third increase is in the principal and interest payments under bonded indebtedness, since principal payments advance from \$13,000 to \$18,850 and the interest payments are increased \$1000. Budget increases will be reduced considerably by expected increased receipts.

We are proposing a special article in the warrant for \$8,645 for an oil burner installation at the high school. We have estimates that the costs would be \$720 for conversion of the hot water, \$1725 for motorized controls in the gymnasium, \$5700 for a 6200 gallon tank and all work and equipment, and \$500 for digging. We feel that the advantages of oil are well worth the cost of this investment, and that we will secure lower bids on oil with all the schools using oil.

We are also requesting the district to allow us to use the small balance from the Union School renova-

tions bond issue and roof installation to modernize more classrooms in the old Union School.

We are very proud of the investment of \$46,850 for renovations and the \$3800 for the roof, for we gained three modern classrooms similar to the new building, new girls' and boys' restrooms, and a teachers' room. We also cleared the school of the old unsanitary basement toilet rooms, and are saving for education the time lost by pupils having to go up and down several floors all day.

The people of the district will be very pleased to have the Veterans' Memorial Field in back of the high school in operation for recreation and athletics this spring. This acquisition will improve the physical education program and the beauty of the grounds.

We appreciate the contributions from the sixth grade of the Union School, the Rotary Club, the Parent-Teacher Association, and the prize money from art pupils of Mrs. Maude Gray, to start a fund for the landscaping of the grounds of the two Union Schools.

Our policy in starting a fund for band uniforms has received contributions from the American Legion and the Class of 1956 of Tilton-Northfield High School. The Band Booster organization has worked very hard to raise funds for this same purpose.

May we thank the Journal-Transcript for its very meritorious policy of developing the annual and permanent fund for the award of scholarships to pupils of Franklin and Tilton-Northfield. We want to thank the individuals who have made contributions to this worthy cause.

We express again our appreciation to the Parent-Teacher Association for its contributions to the Scholarship Fund and the excellent work of the Room

Mothers. The Parent-Teacher Association has contributed to every worthy cause in the schools.

May we thank every organization and every individual who has helped the schools in any way during the past year. We are pleased to receive any suggestions at any time for the improvement of the schools.

We are selected to represent you and carry out policies for the best education that your money will provide. We appreciate the wonderful support we have received from the voters and the taxpayers.

Respectfully submitted,

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

### Classroom Space — Union Grammar School

The renovation of the old basement rest rooms and the coal storage room to three modern classrooms, with new boys' and girls' rest rooms on the first and second floor, and a new teachers' room, was the most economical and practical step for the school district to take. The School Board deserves a great deal of commendation for recommending this logical development to save dollars for the taxpayers. The new roof on the school will save the costs each year of roof repairs and damage to ceilings.

### **Teaching Staff**

The 1956-57 budget calls for one additional teacher for the high school to cover the increased enrollment.

### **Competitive Bids**

Tilton-Northfield proceeded to gain the advantages of low costs by continuing to have competitive bids on school supplies, oil, renovations, and all articles where bids were feasible.

### **Finances**

The school district ended the 1955-56 school year with all bills paid and another balanced budget.

### **Special Achievements by the Tilton-Northfield School Board**

The following points represent actions taken or policies adopted by the Tilton-Northfield School Board that again marked progress in education:

1. New salary schedule for teachers of \$2800 for the first year, \$3000 for the second, and \$100 a year to \$4000. Sick leave, 5 school days per year for first and second years non-cumulative then 10 days a year cumulative to 30 school days. Teachers were given two steps on the salary schedule for the 1956-57 year, representing increases of at least \$200 for everyone.

2. Renovation of the Union Grammar School to provide three additional classrooms, removal of outmoded, unsanitary rest rooms from the basement, establishment of modern rest rooms on the first and second floors, a new teachers' room, — all well within the bond issue of \$46,850.00.

3. Voted to continue the four-year course in agriculture.

4. Purchased 30 new desks and chairs for Union School.

5. Purchased 9 new electric clocks for Union School.

6. Installed new roof for Union School.

7. Sponsored a two-day Art Workshop for teachers of Union from 4 to 9 P.M.

8. Sold school bond issue for renovations at low rate of 2.75 per cent and a bonus.

9. Made plans to start landscaping program at Union Schools with funds raised by the pupils of Grade 6 from a food sale, contributions from Rotary Club and Parent-Teacher Association, and money won by art pupils of Mrs. Maude Gray, Art Supervisor, from contests.

10. Ended another school year with a balanced budget.

11. Adopted policy of establishing band uniform fund with the District Treasurer with gifts from the American Legion and the Class of 1956 Tilton-Northfield High School, with a local committee to advise School Board on selection when funds are adequate.

12. Adopted new transportation system with limits as follows:

|                    |  |
|--------------------|--|
| Main Street (East) | William Foster Residence                 |
| Main Street (West) | City Service Garage                      |
| Winter Street      | Calef Hill Road                          |
| Park Street        | Corner Park & Summer                     |
| Sargent Street     | Tilton School Athletic<br>Field Entrance |
| Bay Street         | Robert Elliot Residence                  |
| School Street      | Raymond Nudd Residence                   |

One mile from central point — corner Winter and Main Streets

13. Made contracts with two bus operators for 60-passenger buses instead of 48, thus with the new bus limits ending a third trip for one of the buses.

14. Approved an extension course on Improving the Teaching of Arithmetic for teachers.

15. Adopted new school lunch system under which:
  - (a) Any pupil may purchase the school lunch by the day or week
  - (b) Non-bus pupils may remain at the school
  - (c) Any pupil may remain at school all day during weather storms.
16. Accepted \$5200 building aid from the State of New Hampshire.
17. Approved engaging a high school secretary for 40 weeks a year to allow Principal time for class supervision, guidance and administration.
18. Purchased furniture for teachers' rooms at Union Schools and on December 3, 1956 authorized \$150 for high school teachers' room — thus giving each school the identical amount, with the teachers making the selection.
19. Continued for second year Saturday morning recreation and basketball from 8:30 to 12:30 Noon, for grade and high school pupils.
20. Sponsored an after-school Music Workshop for teachers.
21. Approved a four-day workshop for Art and Guidance from September 3-6 inclusive, with schools opening on September 9.
22. Studied with Public Service Company and other electrical representatives the problem of improving lighting in the gymnasium and classrooms of the high school.
23. Made a record of being the last school to close out the veterans' agricultural course, after all veterans in the area desiring instruction had graduated.
24. Continued to ask bids on equipment, supplies and services and save money for the taxpayers.

### **Additional Music Teacher**

The five towns of Supervisory Union No. 59 voted to add a second full-time music teacher for the 1957-58 school year. The district was losing the music teacher at the end of each year for five years in a row, since it was impossible for one teacher to teach 1723 pupils in five towns, a pupil growth from 1082 in 1944.

### **Building Aid Law**

Tilton-Northfield School District will receive 40 per cent of all principal payments on bond issues this year, thanks to the alertness of Representative Warren Metcalf in seeing that the law covered Tilton-Northfield as a cooperative district.

### **New Foster Homes Bill**

The school district is collecting tuition on children in foster homes this year. Representative Warren Metcalf worked to secure a fair law for three sessions of the legislature.

### **Budget for 1957-58**

The budget items for the next year are almost identically the same as this year with the following exceptions:

- (a) An increase in principals' and teachers' salaries from \$131,007.44 to \$145,043.12 to meet the costs of the salary schedule, one additional high school teacher, and Tilton's share of the cost of a second music teacher.
- (b) An additional cost of \$2000 for a high school secretary.
- (c) An increase in the bond payments on principal from \$13,000 to \$18,850.

These added costs are depreciated to some extent by increased estimated income from tuitions.

### **Appreciation**

May I express my appreciation to the members of the School Board, Selectmen, principals, teachers, office workers, custodians, bus operators, cafeteria workers, and Parent-Teacher Association for all their cooperation and help during the past year. It is a wonderful thing for a joint-community to back its schools and the School Board as the people of Tilton-Northfield have demonstrated. It is apparent that the people want good schools and are willing to pay for them.

Cordially yours,

GORDON L. FOX,  
Supt. of Schools
