REPORT OF TROY FIRE DEPARTMENT

FIRE ENGINEERS

At the end of the year we find that our trucks and equipment are in excellent condition.

The Department is now located at its new station which has a lot more room.

We want to thank the members of the Department for donating their time in getting the station ready for use.

During the year many members of the Department attended Fire Training School to give the Citizens of Troy a well trained and well organized Fire Department.

The Department now has their new 1,200 gallon Tanker in use which is a great asset to the Citizens of Troy.

We want to thank the Fire Department and the Citizens of Troy for their cooperation in helping to combat and prevent fires.

Respectfully submitted,

GEORGE R. WOODS,

REPORT OF TRUSTEES OF GAY-KIMBALL LIBRARY FUND FOR YEAR ENDING DEC. 1966

Several improvements have been made in the library building this year. Aluminum combination windows were purchased for all windows. Two new double electrical outlets were installed in the children's room. Repairs to our water system now insure water 12 months a year.

12 new adult chairs were purchased and 2 tables have been added to the children's room.

71 adult fiction books and 90 adult non-fiction books have been purchased. 73 juvenile fiction and 31 juvenile non-fiction books have been added.

Attendance at the library is led by the juveniles with 1,276 coming to the library. 1,224 teenagers attended, followed by 937 adults, and 133 pre-schoolers.

Juvenile books led in circulation with 2,481 books. This was followed by 1,469 books in the fiction category and 1,374 books in the non-fiction category.

A library open-house which featured movies and refreshments and a contest for the children highlighted library week. The Area Womans Club Art Contest winners were exhibited at the library in February. From June 5 to June 25 an exhibit of the work of Mr. Oscar T. Carlsson was displayed at the library. November featured an exhibit "Art for Enjoyment", a collection of paintings and art work by area artists who paint for fun.

The trustees thank the librarian, Mrs. Dorothy Lagrenade, Mrs. Francis Childs, substitute librarian and Miss Mary Callahan and Miss Judy Syria, assistant in the children's room for their contributions and interest.

The Friends of the Library have again this year made many contributions of time, effort, and material. They have been responsible for furnishing readers for children's story hours on alternate Thursdays throughout the year. They have presented the library with a portable stereo record player which will receive wide use.

Contributions of books, records, and magazines by various citizens of Troy are deeply appreciated.

Your library has been open two additional hours this year to better serve you. The trustees and staff of the Gay-Kimball library urge you to visit the library often and to make use of the new facilities which the library offers.

The salaries paid to the instructors, director, was handled by the Selectmen and will be found in their report.

The summer staff were Richard Oman, director; Mary Callahan, Martha Cumings and Sheila Lagrenade, assistants.

The amount of money which was ear-marked for the addition to the wharf was put instead toward the fence and gates, repairs to the building and clearing of the grounds at this time was found more important.

The generous amount of \$920.00 was donated to the War Memorial Program by Dr. Samuel Paul for half of a new tennis court which was put in by Theron Goodnow, who also

gave much of his labor without cost. The M. & M. Co. from Winchendon, Mass. also donated much time and labor when paving the tennis area. Our sincere thanks go to these people.

We do appreciate the fact that we had no trouble with the water level this year. Our thanks go to the Troy Mills Inc.

The Sam Dam Program enjoyed the convenience of a telephone in the building with all expenses taken care of by Robert Daniels. Thank you.

FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — Instruct your children that matches are not play things.

Thanks to the supervision of the dump, we had a very good year. Remember, not getting a permit could be expensive. Let 1967 be a better year.
