### HOUSE OF CORRECTION.

To the County Commissioners,  
Gentlemen:

It becomes my duty again to make my annual report to you, and in so doing I am happy to be able to state that the year has passed away very pleasantly, with but very little trouble from those who have been committed to my charge. Many of these, while here, have formed resolutions to lead better lives and are now living up to these resolves; while others, as soon as they gained their liberty, returned to their old habits of idleness and dissipation, with no efforts and apparently no desire for any thing better. Two of those who have been in the house of correction are now confined in jail charged with crimes the proof of which will send them to State prison.

The number of persons committed, 12, for the following offences: Drunk, 2; Common Drunkards, 5; Stealing, 1; Vagrant, 4.

### COUNTY JAIL.

The number of prisoners committed to jail the past year is much larger than previous years, consequently the expenses are larger. Board, clothing and repairs on jail amount to \$522.72. One has been transferred from our jail to Manchester by order of the court on petition of the Sheriff representing our jail not suitable to confine a woman in. I would recommend that such repairs be made as will make it suitable for both male and female and not be obliged to transfer our prisoners to other counties where the expenses must be larger, besides the disgrace of not having a suitable jail. But a very little outlay, in my opinion, is necessary to make it both convenient and comfortable.

During the past year 21 persons have been committed to jail; charged with the following offences: Drunk, 5, Adultery, 1; Incendiary, 1; Stealing, 3; Embezzlement, 1; Assault, 4; Selling liquor, 2; Improper conduct with a young girl, 1; Fornication, 1; Killing horse, 1; Breaking, entering and stealing, 1.

Respectfully submitted,

WILLIAM S. WOODMAN,  
Supt. of House of Correction and Deputy Jailor.

In presenting our report to the tax payers of Belknap County we can congratulate them on the present good condition of those who have been supported at the farm during the past year. But it will be observed that the expense for the support of the external poor has very much increased from last year by reason of the depression in business which still continues and the aid which has to be rendered to transient poor, and another class, which have become a great nuisance, and daily increasing, called tramps.

The superintendent, W. S. Woodman and his estimable wife, have had charge of the farm and every thing connected with it for the last eight years, and have performed their difficult and perplexing duties to the entire satisfaction of the commissioners and to the people of the County, as far as we know, and have so far improved the farm and its surroundings that it is now considered one of the most pleasant and most productive farms in the County. And we regret to say that they are to retire from their long and faithful service at the end of the present political year. We have engaged Mr. Rufus Clark and wife, of Meredith, to take their places and trust they will be successful, as they come well recommended.

The expense of supporting so large a number has necessarily been great, but no County in the State can boast of better management under similar circumstances. We do not propose to extend our remarks, as a perusal of the foregoing report will show the facts, and need not be repeated.

Also, herein will be found the Report of the Superintendent of the County Farm, House of Correction and Deputy Jailor, Clerk of Court, and County Treasurer,

Respectfully submitted,

DAVID C. CLOUGH, } Commissioners  
ALVAH FOSS, } of  
JAMES M. PAINE, } Belknap County.

NOTE.—The following items should have appeared in the report of the County Commissioners:
