WARRANT

STATE OF NEW HAMPSHIRE

SULLIVAN, SS.

TOWN OF PLAINFIELD

To the inhabitants of the Town of Plainfield, in said county of Sullivan, and said State of New Hampshire qualified to vote in Town affairs:

You are hereby notified to meet at the Plainfield School gymnasium on Tuesday, the 8th day of March next at 10:00 o'clock in the forenoon to act upon the following subjects:

ARTICLE I: To choose by ballot, one Moderator for two years, one selectman for three years, one Trustee of Trust Funds for three years, two Library Trustees for three years, one Auditor for two years, one Supervisor of Checklist for six years, and any other necessary Town Officers.

ARTICLE II: To see what action the Town will take with regard to the following question, said question being on the following changes proposed by the Selectmen and the Planning Board to the Town of Plainfield Zoning Ordinance, Manufactured Housing Park Licensing Ordinance and Building Construction Ordinance as follows:

Do you favor the following changes?

Change the title of Article I from "General Provisions" to "Enactment".

Change the title of Section I.I from "Title" to "Authority".

Replace all references to recodified State statutes with the new State chapter and section designation.

Add to Section 1.2 Purpose:

This Zoning Ordinance is designed:

- (a) To lessen congestion in the streets;
- (b) To secure safety from fires, panic and other dangers;
- (c) To promote health and general welfare;
- (d) To provide adequate light and air;
- (e) To prevent the overcrowding of land;
- (f) To avoid undue concentration of population;
- (g) To facilitate the adequate provision of transportation, solid waste facilities, water, sewerage, schools, parks;
- (h) To assure proper use of natural resources and other public requirements; and
- (i) To encourage the most appropriate use of land throughout the municipality.

Change the title of Section 2.1 from "Zoning Districts: General" to "Zoning Districts: Description".

Change all references to the "Wetland- Floodland" district to the "Wetland- Floodland Conservation" district.

Delete Section 2.1(7) as it does not describe a purpose of a district.

Refer to the Flood Insurance Rate and Flood Boundary and Floodway Maps in Section 2.2 Establishment of Zoning Districts by adding "and the Flood Insurance Rate and Flood Boundary and Floodway Maps" after the words "District Map" in sentence 1.

In Section 2.3, replace the soil symbol and soil name with the new soil symbol and name as presented in the Soil Survey of Sullivan County, New Hampshire and reference this source at the bottom of the list of soil symbols and names.

Add to the description of the Wetland- Floodland Conservation District in Section 2.3, following the list of soils: "and 2) designated as the

regulatory floodway on the Flood Insurance Rate and Flood Boundary and Floodway Maps prepared by the Federal Emergency Management Agency(FEMA)- Federal Insurance Administration(FIA) dated April 18, 1983.

The Wetland-Floodland Conservation District as herein defined is shown on a map or maps designated as the Town of Plainfield Wetland-Floodland Conservation District Map and the Flood Insurance Rate Map and Flood Boundary and Floodway Map of the Town of Plainfield dated April 18, 1983 as prepared by FEMA-FIA. These maps are part of the district map of the Town and are hereby adopted as part of this ordinance".

Move Paragraph 2 of Section 2.3 to the end of Section 2.3.

Move Section 2.3B to Schedule A, Section F-1 and change the title from "Purpose" to "Specific Purposes".

Move Section 2.3C to Schedule A, Section F-3.

Add the word "ground" in front of the word "surface" in Schedule A, Section F-3.

Move Section 2.3D, Paragraph 1 to Schedule A, Section F-4.

Create a Subsection 2.4B which states: "Whenever any uncertainty exists to the boundary of any zoning district as shown on the Wetland-Floodland Conservation District Map, the following rules shall apply".

Move Section 2.3D. Paragraph 2 to Item 1 of Subsection 2.4B.

Insert in Subsection 2.4B, Item 2: "Flood elevation data found to be acceptable to the Federal Emergency Management Agency may be used to supplement the understanding of the location of boundaries".

Add to the end of the title of section 2.5 the words "by District".

Add to the second paragraph of Section 2.5: "All development permitted as listed in Schedule A must also conform to the standards in Articles III & IV".

Delete minimum off-street parking standards from Schedule A and add the list of parking standards as contained in the Site Plan Review Regulations adopted in 1987 to Section 3.4.

Replace all references to "Country Inn" with "Country Inn/Bed & Breakfast".

Add Country Inn/Bed & Breakfast to the list of uses allowed as special exceptions in the Village Residential District in Schedule A.

Add Country Inn/Bed & Breakfast to the list of uses allowed as special exceptions in the Rural Residential District in Schedule A.

Add "20% impervious surface" to the maximum lot coverage standard listed for the Rural Residential District in Schedule A.

Add "impervious surface" following "20%" to the maximum lot coverage standard listed for Village Residential District in Schedule A.

Replace "one half lot size" with "20,000 square feet" in the special Provisions & Requirements, Paragraph a., for the Village Residential District in Schedule A.

Delete Paragraph c. Special Provisions & Requirements in Schedule A, "Coverage regulations do not apply to auto parking areas" for RC I and RC II districts.

Replace Paragraph c. Special Provisions & Requirements in Schedule A, "Coverage regulations do not apply to auto parking areas" for VR and RR districts with: "Lot coverage standard includes paved and unpaved parking, driveway and turnaround areas".

Replace "Accessory residential building use" with "uses and structures accessory to a residential use" as a permitted use listed in Schedule A for the VR, RR, RC I and RC II districts.

Remove the standard, "Mean depth in linear feet", from the minimum lot size section of Schedule A for all zoning districts.

Add to Schedule A a new standard for the RR, RC I and RC II districts, "Lot Shape: The ratio of lot width to lot depth shall not exceed 1:4".

Replace the dimension of "300" linear feet in width at the front lot with "400" linear feet in the RC II district in Schedule A.

Add to Schedule A, for each district: "Any use not specifically permitted herein shall be prohibited. Among the uses prohibited shall be aircraft landing strip and mini-mall".

Replace all references in the text of the Zoning Ordinance and in Schedule A to "mobile home" with "manufactured housing" and to "mobile home park" to "manufactured housing park"

Amend Section 3.1 Fences, Walls and Hedges by adding: "3. Every in-ground swimming pool shall be entirely enclosed with a good quality chain link wire, stockade or other equivalent fence of not less than five (5) feet in height measured from the ground level unless a special exception is granted".

Amend Section 3.3 Home Occupations, Item 2, by replacing "such sign not to exceed two (2) square feet in area" with "such sign not to exceed eight (8) square feet in area" and amend Section 3.7 Signs by adding: "Signs erected to identify home occupations shall not exceed eight (8) square feet in area".

Amend Section 3.7 Signs by adding: "The total area of signs used to display a message shall not exceed thirty-two (32) square feet in area".

Delete the entire text of item 6. from Section 3.8 Nonconforming Uses, Buildings and Structures.

Move the Planned Residential Development Ordinance to a new section, Section 3.10 Planned Residential Development and replace "requirements of this planned residential development ordinance uses" in the first sentence with: "following requirements".

Replace the full text of the minimum size standard of Section 3.10 Planned Residential Development or the Planned Residential Development Ordinance with: "No PRD shall be permitted on tracts of land of less than ten (10) acres in the RR, RC I or RC II districts and less than five (5) acres in the VR district."

Delete from the first sentence of the density standard of Section 3.10 Planned Residential Development or the Planned Residential Development Ordinance: "except when multiple family dwellings are being considered".

Replace "plus one half (1/2) of that lot size requirement" in the third sentence of the density standard of Section 3.10 Planned Residential Development or the Planned Residential Development Ordinance with "plus twenty thousand (20,000) square feet".

Add to the density standard of Section 3.10 Planned Residential Development or the Planned Residential Development Ordinance: "Fifty (50) percent of the total area of the tract shall be reserved as open space".

Change the title of Article IV from "General Supplementary Regulations" to "General Provisions".

Amend Section 4.2 by adding: "Lots under common ownership on either side of the road shall be considered contiguous".

Amend Section 4.3 Principal Use of the Lot by adding: "Two principal uses may be permitted as special exceptions by the Zoning Board of Adjustment if the following conditions are met:

- (1) One of the uses shall be a one or two family dwelling;
- (2) The second use which is incidental and subordinate to the residential use is listed in Schedule A as a permitted use or special exception;
- (3) A non-residential use is owned and operated by an inhabitant of a dwelling unit on the lot;
- (4) The use complies with the requirements for special exceptions".

Add the word "effluent" to follow the word "noise" in Section 4.8.

Amend Section 4.11 Site Plans by deleting the second sentence and list of information (1)-(7) and replacing them with: "Site plans shall be submitted according to the procedures and standards set forth in the Town of Plainfield Site Plan Review Regulations".

Adopt: "Section 4.12 Height Restrictions No structure shall exceed the thirty-five (35) foot height limitation without approval of the Zoning Board of Adjustment. Approval for structures over thirty-five (35) feet in height shall not be granted unless they are found to be in conformance with the conditions set forth for the granting of a special exception and shall be set back from all property lines a distance equal to their height. Portions of structures not meant for human occupation such as steeples, cupolas, and silos are exempt from this height limitation.

Renumber Section 5.3 to become Section 5.5 and change the title from "Procedures" to "Procedures & Public Notice Requirements".

To conform with State law, replace the last sentence of the former Section 5.3 (proposed Section 5.5) with: "Hearings on appeals, proposals, and requests shall be conducted as follows:

Prior to exercising its power to grant an administrative appeal, special exception or variance, the Zoning Board of Adjustment shall hold a public hearing. The public hearing shall be held within thirty (30) days of the receipt of the application requesting consideration by the Board.

Notice must be sent by certified mail to all abutters not less than five (5) days before the date of the hearing. "Abutter" means any person whose property is located in New Hampshire and adjoins or is directly across the street or stream from the land under consideration by the local land use board. For the purpose of receiving testimony only, and not for the purpose of notification, the term "abutter" shall include any person who is able to demonstrate that his or her land will be directly affected by the proposal under consideration.

Notice shall be published in a newspaper of general circulation not less than five (5) days before the date of the hearing and shall indicate time and place of meeting and shall indicate what relief is being sought. Where possible, there should be reference to the Ordinance Sections under which a special exception is being sought or from which a variance is being sought or under which an administrative appeal is being taken.

Adopt: "Section 5.6 Appeals to the Zoning Board of Adjustment

If it is alleged that an error has been made, any aggrieved person, officer, department, board or bureau of the town affected by any decision of the administrative officer may appeal to the Board. Such appeals must occur within fifteen (15) days of the granting or denial of a zoning permit, by filing with the Zoning Board of Adjustment a notice of appeal specifying the grounds for appeal. Work may not continue during an appeal unless the administrative officer states that work stoppage would cause imminent peril to life and property.

An appeal stays all proceeds under the action appealed from unless the officer from whom the appeal is taken certifies for the Board of Adjustment, after notice of appeal shall have been filed with him or her, that, by reason of facts stated in the certificate, a stay would in his or her opinion, cause imminent peril to life or property. In such case, proceedings shall be stayed by a restraining order which may be granted by the Board of the Superior Court".

Adopt: "Section 5.7 Conditions to be met

A. Administrative Appeal To grant an administrative appeal, the Zoning Board of Adjustment must apply the strict letter of the law. It must find that the administrative official correctly or incorrectly interpreted a particular provision of the Ordinance. If it finds that the ordinance was properly interpreted, it cannot grant relief (unless a request has been made for a variance or special exception) even if it feels relief might be in order. The Zoning Board may reverse, or affirm, completely or in part, any administrative decision from which an appeal is sought.

B. Special Exceptions In order for the Board to grant a special exception it must find that the special exception being sought by the applicant is in fact permitted and specified in the Zoning Ordinance and that all the conditions for the special exceptions are met".

Move Section 6.4 to become the second paragraph of Section 5.7B Special Exceptions.

Adopt as the third and fourth paragraphs of Section 5.7B Special Exceptions: "For the purpose of this ordinance, the following are established as general conditions upon the granting of all special exceptions (subject to further conditions as may be defined elsewhere herein as to the uses concerned) namely:

- (a) That the use will not be detrimental to the character or enjoyment of the neighborhood by reason of undue variation or undue violation of the character from the kind and adverse violation of the character of the neighborhood;
- (b) That the use will not be injurious, noxious, or offensive, and thus detrimental to the neighborhood;
- (c) That the use will not be contrary to the public health, safety or welfare by reason of undue traffic congestion or hazards, undue risk to life and property, unsanitary or unhealthful emissions or waste disposal, or similar adverse causes or conditions.

As to all uses subject to Site Plan Review by the Planning Board, the following conditions are namely:

- (a) That the applicant's site plans must be on file with the Board of Adjustment;
- (b) That the location and size of the use, the nature and intensity of the operations involved, the size of the site in relation to the proposed use and the location of the site with respect to the existing or future street giving access to it, shall be in harmony with the neighborhood. The location, nature and height of buildings, walls and fences will not discourage the appropriate development and use of the adjacent land and buildings or impair the value thereof. In this regard the Board may impose the following safeguards in addition to the applicable requirements of this Ordinance including but not limited to the following:
 - (I) Front, side or rear setbacks greater than the minimum requirements of the Ordinance;
 - (II) Screening of parking areas or other parts of the premises from adjoining premises or from the street by walls, fences, planting or other devices;

- (III) Footprint or lot coverage;
 - (IV) Modification of the exterior features or appearance of the building or structure;
 - (V) Limitation of size, number of occupants, method of time of operation or extent of facilities;
 - (VI) Regulation of number, design and location of drives, or other traffic features;
 - (VII) Off-street parking or loading spaces beyond the minimum requirements of this ordinance;
 - (VIII) Control of the number, location and size of lighting and signs.
- (c) That operation in connection with such a use shall not be more objectionable to nearby properties by reason of noise, fumes, odor, or vibration, than would be the operation of any permitted uses in this District which are not subject to special exception procedures".

Adopt: "Section 5.7C Variance The Board of Adjustment may, on an appeal, grant a variance from the provisions of this Ordinance, if ALL the following facts are found by the Board of Adjustment and such finding is specified in its decision:

- A. That there are unique physical circumstances or conditions including irregularity, narrowness or shallowness of lot size or shape, or exceptional topographical or other physical conditions peculiar to the particular property, and that unnecessary hardship is due to such conditions and not the circumstances or conditions generally created by the provision of the Ordinance in the neighborhood or district in which the property is located.
- B. That because of such physical circumstances or conditions there is no possibility that the property can be used in strict conformity with the provisions of this Ordinance for the permitted use of the applicant's choice and that the authorization of a variance is therefore necessary to enable the reasonable use of the property.
- C. That the variance, if authorized, will not alter the essential character of the neighborhood or district in which the property is located nor substantially or permanently impair the appropriate use or development of adjacent property nor be detrimental to the public welfare;
- D. That the variance, if authorized, will represent the minimum variance that will afford reasonable relief".

Move Section 6.3 to become items E.-I. of Section 5.7C.

Move Section 6.8 to become Section 5.8 Action by the Board of Adjustment.

Move Section 6.8 (formerly 5.8), paragraph 3 so that it becomes paragraph 7.

Add as paragraph 3 to Section 6.8: "The concurring vote of a majority of the Zoning Board of Adjustment shall be necessary to reverse any action of the administrative official or to decide in favor of the applicant on a request for a special exception or variance".

Move Section 6.9 to become paragraphs 4 and 5 of Section 5.8 and delete the title of Section 6.9.

Adopt as paragraph 6, Section 5.8: "The Board shall issue a final written decision which either approves or disapproves an application. This decision shall be filed in the Town Office within seventy-two (72) hours after the decision has been made. If the application has been approved, the decision should state that the conditions of the special exception or variance were found to exist, and indicate any conditions and time limitations attached to the approval. If the application is denied, all the reasons for denial shall be indicated in the denial letter and on the record.

Move Section 6.5 to become Section 5.3 and change the title from "Applications for Permit" to "Applications for Appeal, Variance or Special Exception".

Move Section 6.6 to become Section 5.4.

Delete Article VI since its contents have been moved to Article V and renumber Article VII Administration to become Article VI.

Add to paragraph 4, Section 6.1 (former 7.1) after the word "Administrator": "or Zoning Board of Adjustment in the case of the Wetland-Floodland Conservation District".

Adopt: "Section 6.3 Violations Upon determination of the Selectmen or Administrator that this Ordinance is being violated, the Selectmen and Administrator shall take immediate steps to enforce the provisions of this Ordinance. If necessary, the Board of Selectmen shall seek an injunction in the Superior Court or by any other legal action enforce the provisions of this Ordinance".

Adopt: "Section 6.4 Penalties Any violation of the provisions of this Ordinance shall subject the violator to a fine of not more than one hundred dollars (\$100) for each day such violations are found by a court to continue after the conviction date or after the date on which the violator receives written notice from the town that he or she is in violation of this Ordinance". and delete Section 8.5 Penalties.

Adopt: "Section 6.5 Expiration of Permit A zoning permit shall expire two years after the date of issuance, if work on the project has not been initiated, or it shall expire if it has been discontinued for a period of two years. In the case of death, bankruptcy or other incapacity of the owner, the time limit may be extended by the Board of Adjustment to a total period of no more than five years".

Renumber Article VIII so that it becomes Article VII and create a new Article VIII Definitions.

Add the following definition to Article VIII: "Community Water System: Community water system means a system for the provision to the public of piped water for human consumption, if such system has at least fifteen (15) service connections or regularly serves an average of at least twenty-five (25) individuals at least sixty (60) days out of the year", and replace all references to "public" or "municipal" water systems with "community" water systems.

Replace the definition of dwelling unit in Article VIII with: "Any building or portion thereof, including manufactured housing, with one or more rooms arranged for the use of one or more individuals living as a single housekeeping unit with cooking, living, sanitary and sleeping facilities".

Replace the definition of building in Article VIII with: "A constructed unit, including a manufactured housing unit forming a shelter for persons, animals or property having a roof and being permanently located on the land. Where the context allows, the word "building" shall be construed as followed by the words "or part thereof".

Add "and impervious surfaces" following the words "Accessory buildings" to the definition of lot coverage in Article VIII.

Add to the definition of manufactured housing in Article VIII: "A manufactured housing unit is considered to be a dwelling unit".

Add "and underground storage tanks" following the word "towers" to the definition of structure in Article VIII.

Add to Article XII Definitions the following definitions taken from Appendix I, Article XII and delete those definitions from Appendix I not listed herein: Home Produce and Products, Right-of way, Frontage, Junk, Obnoxious, Trailer or house trailer, Owner, Permit.

Repeal of the Manufactured Housing Park Licensing Ordinance
Since manufactured housing is to be regulated as any other dwelling in the Town, repeal the Manufactured Housing Park Licensing Ordinance.

Amendments to the Building Construction Ordinance

Add to 6. Foundations: "A permanent foundation includes a poured concrete slab, mortared cement block, brick, stone or other comparable

materials and poured concrete or mortared piers, which extend below the frostline".

Replace: "9. Construction: All construction shall conform to the standards recommended in the 1967 abbreviated edition of the National Building Code, as published by the American Insurance Association, except that manufactured housing units shall be of a design and construction approved by the U. S. Department of Housing and Urban Development." with "9. Construction: All construction shall conform to the standards recommended in the 1987 BOCA building code and N.F.P.A. Life Safety Code 101, except that manufactured housing units shall be of a design and construction as recommended in the most recent standards set forth by the U. S. Dept. of Housing and Urban Development as Title 24 Part 3280 Manufactured Home Construction and Safety Standards. Name plate data and serial numbers shall be submitted as required by the standards."

Number the Floodplain Development Regulations as #10 of the Building Construction Ordinance.

Move the enforcement section from Appendix I, Article VIII to become #11 of the Building Construction Ordinance.

Move the Board of Adjustment section from Appendix I, Article IX to become #12 of the Building Construction Ordinance.

Delete the entire text of the board of adjustment section in Appendix I, Article IX or #12 of the Building Construction Ordinance and retitle and replace it with: "Building Code Board of Appeals. The Building Code Board of Appeals shall have the power, upon an appeal filed with it by any person aggrieved by a decision of the building inspector dealing with the building code, to vary the application of any provision of the building code to any particular case when, in its opinion, the enforcement of the building code would do manifest injustice and would be contrary to the spirit and purpose of the building code and the public interest. Pursuant to RSA 673:1, the Building Code Board of Appeals shall be the Zoning Board of Adjustment".

Move the amendments section from Appendix I, Article X to become #13 of the Building Construction Ordinance.

Move the penalty section from Appendix I, Article XI to become #14 of the Building Construction Ordinance.

Delete the text of the penalty section in Appendix I, Article XI or #14 of the Building Construction Ordinance and replace it with: "Any violations of the provisions of this Ordinance shall subject the violator to a fine of not more than one hundred dollars (\$100) for each day such violations are found by a court to continue after the conviction date or after the date on which the violator receives written notice from the Town that he or she is in violation of the Ordinance".

28. Recreation	4,200
29. Patriotic	250
30. Conservation Commission	1,500
31. Principal of Long-Term Bonds & Notes	31,200
32. Interest Expense - Long Term Bonds & Notes	9,400
33. Interest Expense - Tax Anticipation Notes	12,000
34. FICA, Retirement & Pension Contributions	18,000
35. Insurance	73,800

TOTAL APPROPRIATIONS \$751,850

ARTICLE VII: To see if the Town will vote to authorize the Conservation Commission to conduct a sale of timber on the "Episcopal Lot" owned by the Town of Plainfield on the Columbus Jordan Road and, further, that any net proceeds from said cutting of timber be placed in the existing "Special Conservation Fund" to be used for future conservation projects in accordance with RSA 36-A:4 & 5.

ARTICLE VIII: To see if the Town will vote to raise and appropriate the sum of \$13,500 for the purchase of a new Police Cruiser, and to authorize the Selectmen to sell or trade the Town's old Police Cruiser.

ARTICLE IX: To see if the Town will vote to raise and appropriate a sum of \$500 for the purchase of equipment used by the Sullivan County Hazardous Materials Response Team (SCHMRT) members in the Town of Plainfield. (by request)

ARTICLE X: To see if the Town will vote to raise and appropriate \$10,000 to be placed in the Capital Reserve Fund for the Revaluation of the Town.

ARTICLE XI: To see if the Town will vote to raise and appropriate the sum of \$1,000 for the Plainfield Patriotic Committee to continue editorial work leading to publication of a complete History of Plainfield. (by request)

ARTICLE XII: To see if the Town will vote to raise and appropriate a sum not to exceed \$4,035 for Human Services as recommended by the Human Services Committee. (by request)

ARTICLE XIII: To see if the Town will vote to raise and appropriate the sum of \$3,843 in order for the Philip Read Memorial Library to renovate the existing furnace and to construct a fire wall around said furnace. (by request)

ARTICLE XIV: To see if the Town will vote to raise and appropriate the sum of \$10,000 to be placed in the Town of Plainfield's Equipment Trust Fund established in 1987 pursuant to RSA 31:19-A, said fund to be used for the acquisition of Equipment for the various Departments of the Town.

ARTICLE XV: To see if the Town will vote to remove the resident tax per RSA 72:1-C which authorizes any Town or City to elect not to assess, levy, and collect a Resident Tax.

ARTICLE XVI: To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1988 appropriation, said funds to be placed in a special Conservation Fund in accordance with RSA 36-A:5. (by request)

ARTICLE XVII: To see if the Town will instruct the Moderator to appoint a Finance Committee of six persons to advise the Selectmen and other officers of the Town in the prudential affairs of the Town.

ARTICLE XVIII: To see if the Town will direct the Selectmen to appoint a committee to continue the KUA/Plainfield Tax Study for 1988.

ARTICLE XIX: To see if the Town will vote to increase the real estate exemption on dormitories, dining rooms, and kitchens of Kimball Union Academy above \$150,000 as allowed in RSA 72:23, and take any other action relating thereto.

ARTICLE XX: To see if the Town will vote to authorize the Selectmen to dispose of property acquired by Tax Collector's deed.

ARTICLE XXI: To see if the Town will vote to authorize the Selectmen to enter into a three year contract for the removal of rubbish in the Town of Plainfield.

ARTICLE XXII: To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend money from the State, Federal or other governmental units, or a private source, which become available during the year without further action by Town Meeting. The funds shall be used only for the legal purpose for which the Town may appropriate money. The Selectmen shall hold a Public Hearing prior to the application for Grants from Governmental sources or prior to the acceptance of Funds from any sources.

ARTICLE XXIII: To see if the Town will instruct the Moderator to appoint a committee of five to pursue locating other facilities for the Town Offices and to report back to the Selectmen by May 31, 1988.

ARTICLE XXIV: To transact any other business that may legally come before said meeting.

Given under our hands this 19th day of February, 1988.

Kathryn MacLeay was declared elected.

ARTICLE II: To see if the Town will vote to add to the Town of Plainfield Subdivision regulations as follows: **ARTICLE VII. SITE PLAN REVIEW.** The Town of Plainfield will authorize the Plainfield Planning Board to review, and approve or disapprove site plans for the development of tracts for non-residential uses, or for multi-family dwelling units, which are defined as structures containing more than two dwelling units, whether or not such development includes a subdivision or resubdivision of the site.

The vote was in the affirmative and so declared by the Moderator.

ARTICLE III: To see what action the Town will take with regard to the following questions, said questions being on the following amendments and changes proposed by the Board of Selectmen, and the Planning Board to the Town of Plainfield Zoning, Mobile Home, and Building Construction Ordinances as follows:

Question 1. Do you favor the following amendment?

To change the title of said ordinances to: Town of Plainfield Zoning; Manufactured Housing, Planned Residential Development, and Building Construction Ordinances.

Yes 188

No 34

The vote was in the affirmative and so declared by the Moderator.

Question 2. Do you favor the following amendments?

To amend Chapter 1. Zoning Ordinance Schedule A by deleting item d. in VR and RR Districts under special provisions and requirements.

To amend Chapter 1 Article III, Section 3.4, and renumbering Section 3.5 to 3.4, Section 3.6 to 3.5, Section 3.7 to 3.6, Section 3.8 to 3.7, Section 3.9 to 3.8, Section 3.10 to 3.9

To amend Chapter 1, Article VII, Section 7.2, Paragraph 1 from "No building construction or land development may..."To "No building construction, land development, or siting of manufactured housing may..."

To amend Chapter 1, Article VII, Section 7.2, Paragraph 2 from "Location on the lot of the building and accessory buildings to be erected..." to "Location on the lot of the building or manufactured housing, with accessory buildings, to be erected..."

To amend Chapter 1, Article VIII, Section 8.7 by adding the following definition: Building: A constructed unit, including a manufactured housing unit, forming a shelter for persons, animals, or property and having a roof, and being permanently located on the land and/or being connected to its own or shared sanitary facilities. Where the context allows, the word "BUILDING" shall be construed as followed by the words "or part thereof".

To amend Chapter 1, Article VIII, Section 8.7 by deleting the definition of Mobile Home and inserting in place thereof the following definition: Manufactured Housing: any structure, transportable in one or more sections, which, in the traveling mode, is 8 body feet or more in width and 40 body feet or more in length, or when erected on site, covers an area of 320 square feet or more, and which is built on a permanent chassis or designed to be used as a dwelling with or without a permanent foundation when connected to required utilities, which include plumbing, heating, and electrical heating systems contained therein.

To amend Chapter 1, Article VIII, Section 8.7 by deleting Mobile Home Park and inserting in place thereof, the following definition: Manufactured Housing Park: any tract of land (a.) subdivided to provide prepared locations and accommodations for manufactured housing units under single ownership, and where sites are rented or leased to tenants for the location of a manufactured housing unit or where sites together with a manufactured housing unit are rented or leased to tenants; or (b.) subdivided and developed for the sale of lots for the location of manufactured housing units exclusively. Only manufactured housing units together with their accessory buildings shall be allowed within a Manufactured Housing Park.

To amend Chapter 1, Article VIII, Section 8.7 by adding the following definition: Principal Use: The use which constitutes the predominant activity on the premises.

To delete Chapter 1, Article IV, Section 4.12 Planned Residential Development.

To amend Chapter 1, Article IV, Section 4.1, by adding (7.) Indicate the names and locations of all abutters.

To amend Chapter 1, Article VI, by changing the title to Administrative Appeals, Variances, and Special Exceptions.

To amend Chapter 1, Article VI by deleting Sections 6.2, 6.3, and 6.4, and renumbering 6.5 to 6.6, 6.6 to 6.7, 6.7 to 6.8, and 6.8 to 6.9. to further amend Article VI by inserting the following:

Section 6.2 Appeals from administrative decisions
The Zoning Board of Adjustment shall hear and decide appeals from administrative decisions if it is alleged that an error has been made, and reverse or affirm, completely or in part, any administrative decision from which an appeal has been sought.

Section 6.3 Variance Requirements

All the following conditions must be found in order to grant a variance:

- (1) No diminution in value of surrounding properties would be suffered.
- (2) Granting the permit would be of benefit to the public interest.
- (3) Denial of the permit would result in unnecessary hardship to the owner seeking it.
- (4) That by granting the permit substantial justice would be done.
- (5) The use must not be contrary to the spirit of the ordinance.

Section 6.4 Special Exception Requirements

A special exception as specified in this ordinance may be permitted only if the Board of Adjustment makes the following findings of fact:

- (1) The use is one that is ordinarily prohibited in the District.
- (2) The use is specifically allowed as an exception under the terms of the ordinance.
- (3) Appropriate and adequate facilities will be provided for the proper operation of the proposed use.
- (4) The proposed use will comply with the applicable regulations of the District in which it is to be located.

Section 6.5 Applications For Permit

Applications for a variance or special exception permit shall be made in accordance with procedures established by the Board of Adjustment and on a form recommended by the Planning Board. A site plan, as specified in Section 4.11 of this ordinance, shall accompany all application for a variance or special exception.

Yes 198

No 37

The vote was in the affirmative and so declared by the Moderator.

Question 3. Do you favor the following amendment?

To delete the mobile home ordinance in Chapter 11 and insert the following:

MANUFACTURED HOUSING PARK LICENSING ORDINANCE

1. Licensing requirement: No lot in an MHP, as defined in the Town of Plainfield zoning ordinance, may be sold, rented or leased with or without a manufactured housing unit located on said lot, unless a license for the operation of said MHP shall have been first issued by the Board of Secectmen.

2. Provisional license: Upon the issuance by the Board of Adjustment of a permit for the development of a MHP, the Board of Selectmen shall issue to the developer a provisional license for the operation of a MHP. Said license shall be valid for a period of two years.

3. Final license: No later than 60 days prior to the expiration of the provisional license, the holder of said license shall apply to the Board of Selectmen for the operation of a MHP. The application for a final license shall be accompanied by an application fee to be determined by the Selectmen and shall include the following information and documentation:

- a. In the case of a MHP where lots are to be sold, the name and address of the developer of the MHP, to whom the final license shall be issued.
- b. In the case of a MHP where lots and/or manufactured housing units are to be rented or leased, the name and address of the owner of the MHP, to whom the final license shall be issued.
- c. In the case of a MHP for which an owners' association is the responsible party, under the terms of the planned residential development ordinance, for maintaining the MHP's common facilities in accordance with the terms of its development permit, the names and addresses of the officers of the owners' association, and the final license shall be issued to the association.
- d. In case of a developer or owner of a MHP who is not a resident of the State of New Hampshire, the name and address of the developer's or owner's agent for service of process within the State of New Hampshire.
- e. The location and legal description of the land on which the MHP is located.
- f. The total number of lots within the MHP.
- g. The number of lots within the MHP which are occupied as of the date of filing the application.
- h. A certificate by the Board of Adjustment that the development of the MHP has complied with all the conditions of its development permit.
- i. An affidavit by the applicant that the operation of the MHP complies in all respects with the requirements of RSA 205-A:2. The Board of Selectmen, acting no later than 60 days after the submission of an application, shall, if the application contains all the information and documentation required above, issue such license to the applicant. The license shall be valid for a period of five years.

4. Continuing supervision: The Board of Selectmen and the Town Health Officers shall be responsible periodically, but not less than annually, to inspect the MHP to determine that the licensee has maintained the park in accordance with the terms of its development permit, and it shall be the duty of the licensee to afford to the Board of Selectmen and the Town Health Officers free access to the premises of the MHP at reasonable times for the purpose of inspection.

5. Duties of licensee: Each licensee shall maintain a register for the registration of all manufactured housing units, which register shall contain the following information, which shall be made available upon request to the Board of Selectmen acting in their capacity as Town Assessors:

- a. Name and permanent address of the owner of a manufactured housing unit or of the occupant in charge of the unit.
- b. For each unit:
 1. The Make, Serial Number, Year of Manufacture, Length and Width of the unit.
 2. Identification of the lot on which the unit is located.
 3. The date of arrival of the unit at the MHP.

The licensee shall be under a continuing duty to notify the Board of Selectmen of the date of the intended departure of a manufactured housing unit from the MHP as soon as the licensee becomes aware of the intent of the owner of the unit to remove the unit.

6. Renewals: Final licenses for the MHPs shall be subject to renewal for additional five-year terms upon application duly filed, but only in the event that, after such investigation as the Board of Selectmen may deem proper to make, the Board finds that the MHP continues in all respects to meet all the standards and requirements for a license hereunder. A renewal permit fee determined by the Selectmen shall be charged for each five-year renewal term.

7. Nontransferability: No final license shall be transferable and there shall be no refund if a license is not used for its full term. Every licensee shall give notice in writing to the Board of Selectmen at least fifteen days before any transfer of an interest in, or control of a MHP, other than a transfer in mortgage as a security for a bona fide loan. If, upon receiving notice of such a proposed transfer of interest in or control of a MHP, the Board of Selectmen is satisfied that the proposed transferee is a proper person to hold a final license, the Board may cause a new permit to be issued to said transferee for the unexpired term of the existing permit, upon payment of the fee determined by the Selectmen. The transferee must operate the MHP at the same location at which it was originally licensed and subject to the same terms as those of the original license.

8. Revocation: Any final MHP license may be revoked by the Board of Selectmen at any time, if, after hearing, the Board finds that the licensee has violated any of the provisions of the ordinance or that the MHP is being maintained in a manner which violates any of the conditions of the development permit issued for the MHP or in a manner which violates the requirements of RSA 205-A:2. Notice of such revocation shall be recorded by the selectmen in the Sullivan County Registry of Deeds.

9. Effect of revocation: A revocation of the final license of a MHP shall suspend the right to continue the sale of unsold lots or to rent or lease additional lots, with or without manufactured housing units, but shall not be construed to prevent the use or resale of lots previously purchased by third parties. In the case of MHPs in which the obligations of the developer have been assumed by an owners' association, the requirements hereof shall be enforced by a fine of \$100.00 per day for each day of violation after notice thereof to the association by the Board of Selectmen.

10. Other remedies: Nothing contained herein shall be construed to prevent the Board of Selectmen, or any member of the community, or any resident of a MHP, from pursuing any legal or equitable remedy to correct any violation hereof or any other condition which constitutes a nuisance or a danger to health and safety.

Yes 179

No 34

The vote was in the affirmative and so declared by the Moderator.

Question 4. Do you favor the following amendment?

To amend Chapter III by deleting item 1. and inserting 1. Size: residence and seasonal dwelling units, including manufactured housing units, shall have a ground floor area not less than 320 square feet.

To amend Chapter III by deleting item 6. and inserting: 6. Foundations: all residential structures, including manufactured housing units, shall be set on permanent foundations or piers of cement, brick, stone or other masonry except that manufactured housing units located in MHPs may be situated on structural carriers designed for the support of such units. All spaces beneath residential structures built on piers shall be closed off with latticework, skirting, or other appropriate material in the case of structures to be used only for accessory use or as seasonal dwellings, the building inspector may permit the use of foundations of piers made of wood, metal, or other less permanent material.

To amend Chapter III by deleting 8. and inserting: 8. Sewerage: All permits for new residence construction, including the siting of manufactured housing units, shall be granted only upon provision of acceptable sanitary systems of sewerage disposal.

To amend Chapter 111 by deleting 9. and inserting: 9. Construction: All construction shall conform to the standards recommended in the 1967 abbreviated edition of the National Building Code, as published by the American Insurance Association, except that manufactured housing units shall be of a design and construction approved by the United States Department of Housing and Urban development.

To amend Chapter 111 by changing its Chapter number from 111 to 1V.

Yes 180

No 32

The vote was in the affirmative and so declared by the Moderator.

Question 5. Do you favor the following amendment:

To add a new Chapter 111 (in place of the Chapter 111 which was renumbered to Chapter 1V) to read: Chapter 111. Planned Residential Development Ordinance. Purpose: To promote efficient use of land in harmony with natural terrain and natural features and efficient concentration of utilities and street paving, an owner or owners of a tract of land or the duly authorized agent of an owner may, in connection with the submission of a subdivision plan for Planning Board approval, develop the tract on a planned residential development basis if the plan meets the general intent of the zoning ordinance and complies with the requirements of the planned residential development ordinance uses: only residential uses shall be permitted in the Planned Residential Development (PRD). These shall include single-family, two-family, or multiple family type dwellings, whether of traditional construction, or manufactured housing, or of modular construction. Each PRD shall be dedicated exclusively to use and occupancy by either manufactured housing units or site-built dwelling units. Developers of PRDs shall submit to the Board of Adjustment as part of their plan for development, a proposed declaration of restrictions and covenants which will so dedicate the use of the lots within the development. Upon approval by the Board of Adjustment of the PRD, including the proposed declaration of restrictions and covenants, said declaration shall be recorded in the Sullivan County Registry of Deeds.

Minimum Size: No PRD shall be permitted on tracts of land of less than ten (10) acres in the RR District and less than five (5) acres in the VR District. Minimum lot sizes shall be 20,000 square feet in PRDs in the RR District and 10,000 square feet in PRDs with municipal water and sewer in the VR District. PRDs without municipal water and sewer in the VR District shall have minimum lot sizes of 20,000 square feet.

Density: In no case shall the number of dwelling units within a tract proposed for a PRD exceed the number of dwelling units developable on the same tract under the regular and ordinary lot size provisions of the zone in which the tract is situated, except when multiple family dwellings are being considered. In the case of multiple family dwellings the same lot size as for any single family shall be required for the first dwelling unit, plus 20,000 square feet of lot size for each additional unit shall be required in the RR District. In the VR District the lot size required for any single family dwelling shall be required for the first dwelling unit, plus one half (1/2) of that lot size requirement for each additional dwelling unit.

Location and Screening: No dwelling unit shall be constructed or manufactured housing unit placed closer than 150 feet to the center line of any state highway or 100 feet to the center line of any town highway or closer than 50 feet to any side or rear boundry of the PRD. Dwelling units shall be constructed and manufactured housing units shall be located on individual lots as to comply with the front, side, and rear yard requirements established in the VR District. Trees and shrubbery shall be planted and/or maintained so as to minimize the impact of the PRD on the surrounding neighborhood.

Parking and Roadways: PRDs shall provide, within reasonable proximity to each residential unit, two off-street parking spaces for each such unit. Roadways in PRDs shall comply with the road requirements set forth in the subdivision regulations.

Common Areas and Utilities: PRDs will be permitted only subject to the development of a satisfactory solution regarding ownership, use and maintenance of areas proposed for open land, provisions for water, and treatment and disposal of sewerage effluent. The water supply, sewerage and all other sanitary and public health arrangements at manufactured housing parks shall conform with all applicable regulations and standards for trailer, mobile home, and manufactured housing PRDs as promulgated by the State of New Hampshire Department of Health and Welfare, and any other state agency having jurisdiction of the premises.

Procedure Upon Application for Permits: Application shall be made in accordance with the procedure established by the Planning Board for the submission of applications for subdivision approval under the Town of Plainfield Subdivision Ordinances and shall include all plats, sketches, certifications and other documentation required by that ordinance, and in addition shall include such other documentation as may be necessary to demonstrate the compliance of the proposed PRD with the terms of this Planned Residential Development Ordinance.

Development Requirements: PRDs shall comply with the development requirements for subdivisions set forth in the Town of Plainfield Subdivision Ordinance, insofar as those requirements are not inconsistent herewith. Where the provisions of this Planned Residential Development Ordinance are inconsistent with the provisions of the Subdivision Ordinance, the more restrictive shall be controlling. The Planning Board may permit deviation of a PRD from a requirement of the Subdivision Ordinance upon a showing by the PRD developer that the requirement in question:

- a. Is unsuitable to the development, because of the clustered nature of the PRD, as opposed to a conventional subdivision; or
- b. Imposes on the developer a cost which is significantly disproportionate to the benefit to the community as a whole of enforcing the requirement.

Permit: No permit shall be issued for a PRD unless the Board of Adjustment shall find that the specific premises proposed for the PRD are well adapted to such use, that such use will not be detrimental to the neighborhood, or to the community at large, and that it is consistent with the spirit of the Town of Plainfield Zoning Ordinance to grant the permit sought.

Continuing Operation of PRD: (Developers of manufactured housing PRDs, as defined in the Town of Plainfield Zoning Ordinance, are referred to the Town of Plainfield Manufactured Housing Park Licensing Ordinance.) Upon completion of development of a PRD and the sale of 75% of the lots therein, the responsibility of the developer for the maintenance of the common facilities shall be assigned to an Owners' Association which will thereafter become the responsible party for maintaining the development's common facilities in accordance with the terms of the development permit and to assure the health and safety of the residents therein. Until such time, the developers shall remain responsible for compliance with the conditions of the permit, the PRD approvals, this ordinance and other state and local regulations applicable thereto. In the event the developer shall fail to comply herewith, the development permit shall be suspended until such time as the developer shall have corrected those items specified in the notice of suspension. Such permit shall be suspended only upon complaint by the Board of Selectmen to the Board of Adjustment, which may, after hearing, suspend the permit if it finds that the holder thereof has violated any of the provisions of this ordinance.

A suspension of the development permit shall suspend the right to continue construction in expansion of the PRD and/or the sale or lease of further lots by the developer, but shall not be construed to prevent the use or resale of lots previously sold by the developer.

Upon assumption of the obligations of the developer by the owners' association, the requirements hereof shall be enforced by a fine of \$100.00 per day for each day of violation after notice thereof to the association by the Board of Selectmen.

Nothing contained herein shall be construed to prevent the Board of Selectmen from any other legal or equitable remedy to correct any violation.

Definitions: For the purposes of this ordinance, all words and phrases shall be defined in the same manner as the same words and phrases are defined in the Town of Plainfield Zoning Ordinance.

	<hr/>
Total Appropriations	\$660,772.00

ARTICLE VII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town raise and appropriate a sum not to exceed \$11,000.00 for the purchase of a used roadside mower, and to authorize the Selectmen to sell the Town's old roadside mower.

Voted unanimously in the affirmative and it was so declared by the moderator.

ARTICLE VIII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town raise and appropriate the sum of \$6,000.00 for the Meriden Fire Department to help defray the amount of this year's payment on the new pumper/tanker.

Voted unanimously in the affirmative and it was so declared by the moderator.

ARTICLE IX: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town raise and appropriate \$10,000.00 to be placed in the Capital Reserve Fund for the revaluation of the Town by the appraisal division of the Department of Revenue Administration.

Voted unanimously in the affirmative and it was so declared by the moderator.

ARTICLE X: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town raise and appropriate the sum of \$2,000.00 for the Plainfield Patriotic Committee to continue editorial work leading to publication of a complete history of Plainfield.

Voted unanimously in the affirmative and it was so declared by the moderator.

ARTICLE XI: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town raise and appropriate a sum not to exceed \$3,750.00 for Human Services as recommended by the Human Services Committee.

Voted unanimously in the affirmative and it was so declared by the moderator.

ARTICLE XII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved; That the Town instruct the Moderator to appoint a Finance Committee of six persons to advise the Selectmen and other officers in the prudential affairs of the Town.

Voted unanimously in the affirmative and it was so declared by the moderator.

ARTICLE XIII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town adopt the provisions of RSA 72:1-c which authorizes any Town or City to elect not to assess, levy, and collect a Residence Tax.

Yes 10

No 131

The vote was in the negative and it was so declared by the Moderator.

ARTICLE XIV: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town authorize the Conservation Commission to retain the unexpended portion of its 1987 appropriation, said funds to be placed in a special conservation fund in accordance with RSA 36-A:5.

Voted unanimously in the affirmative and it was so declared by the moderator.

ARTICLE XV: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town raise and appropriate \$10,850.00 for the purchase of land on the southeast corner of 12A and Stage Road. Said funds to be transferred from the Conservation Commission Funds by the Town Treasurer.

Voted unanimously in the affirmative and it was so declared by the moderator.

ARTICLE XVI: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town direct the Selectmen to appoint a committee to continue the KUA/Plainfield tax study for 1987.

The vote was in the affirmative and so declared by the Moderator.

ARTICLE XVII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town increase the real estate exemption on Dormitories, Dining Rooms and Kitchens of Kimball Union Academy above \$150,000.00 as allowed in RSA 72:23, to \$1,256,400.

After discussion the question was called and voted in the affirmative.

Yes 167

No 32

The vote was in the affirmative and so declared by the Moderator.

ARTICLE XVIII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town authorize the Selectmen to dispose of property acquired by Tax Collector's Deed.

The vote was in the affirmative and so declared by the Moderator.

ARTICLE XIX: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town authorize the Selectmen to apply for, accept, and expend money from the State, Federal or other government units, or a private source, which become available during the year without further action by Town Meeting. The funds shall be used only for the legal purpose for which the Town may appropriate money. The Selectmen shall hold a public hearing prior to the application for grants from government sources or prior to the acceptance of funds from any sources.

The vote was in the affirmative and so declared by the Moderator.

ARTICLE XX: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town authorize the Selectmen to establish the Town of Plainfield Highway Equipment Trust Fund pursuant to RSA 31:19-A. Said fund to be used for the acquisition of equipment for the Town Highway Department of the Town of Plainfield.

Said Highway Equipment Trust Fund and Monies or portion thereof shall be released by the Trustees of Trust Funds to the Selectmen upon approval of a Warrant Article by majority vote at any legal or special Town Meeting.

Also to authorize the Selectmen to transfer the \$21,500 plus interest remaining in the Capital Reserve Fund established for repairs of the Meriden Covered Bridge to this new Highway Equipment Fund.

Yes 134

No 2

The vote was in the affirmative and so declared by the Moderator.

ARTICLE XXI: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town instruct the Selectmen to appoint a committee to study the feasibility of hiring an administrative assistant to assist the Selectmen in the administration of Town affairs.

The vote was in the affirmative and so declared by the Moderator.

ARTICLE XXII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town designate the **DWARF WEDGE MUSSEL** -a rare bivalve for which Plainfield provides one of the last remaining habitats - "The Plainfield Town Mollusk".

The vote was in the affirmative and so declared by the Moderator.

ARTICLE XXIII: The following resolution was offered and it was moved and seconded that it be adopted.

The Highway Department was given a warm vote of thanks for their excellent work done during this past winter.

Sherry W. Kelley was given a rising vote of thanks for the past years she has served the Town as Selectman.

Howard Zea. Town Clerk of
Plainfield, New Hampshire
March 14, 1987

SELECTMEN'S REPORT

1987 has been a busy, growing year for the Town. We regretfully accepted the resignation of Road Agent, John McNamara. John dedicated many caring hours maintaining our highways and will be greatly missed.

We subsequently appointed Paul Rondos as Road Agent. Paul lives in Cornish Flat and has an extensive background in highway construction.

In June, the Town began sending its household trash to the refuse disposal in Claremont. This has resulted in many changes. Trash pickup was changed to a two day cycle. Household trash only goes to Claremont whereas the remaining trash goes to Lebanon landfill. An increase in the fees at Claremont prompted the decision to not pay for deliveries or refuse taken to Lebanon.

Concerns for safety from the Fire and Police departments resulted in the passing of an Ordinance prohibiting building construction that does not have access on a Class V or better highway.

The Board is continuing to investigate the possibility of Cable television. Several companies have shown interest with one company submitting actual plans for each village.

The Board engaged the services of CPA, Robert Snyder, who did a partial audit of town records. The records were in good order and valuable information was obtained. We would like to complete this review in 1988.

The Board would like to thank employees, committees, volunteers and all other townspeople who assisted the Selectmen during the past year.

Respectfully submitted,

Bruce W. Baird, Chairman
Judith A. Belyea
Peter W. Haubrich

REPORT OF THE PLAINFIELD/KUA COMMITTEE

The Plainfield/KUA Committee met regularly at approximately two week intervals through the fall and early winter to review the relationship between the town and the school. During the early meetings many aspects of the relationship were reviewed. These included services rendered to the school by the town such as trash collection, police protection, and education of faculty children and benefits to the town made possible by KUA such as the use of the skating rink by Plainfield school children, participation in advanced math and language classes by qualified Plainfield seventh and eighth graders, participation in the Meriden Volunteer Fire Department by KUA students and use of the KUA pool at a nominal fee by the Plainfield recreation program. Specific areas where communication problems have developed in the past year were openly discussed and, by and large, resolved. In addition, the committee studied in detail the reduction of property taxes paid by KUA through annual exemption at Town Meeting and admissions and financial aid policies of KUA as they relate to Plainfield Students. The history of these matters and their current implications were also reviewed.

Given the present tax rates, the present Lebanon tuition rates, the amount of KUA property eligible for exemption and the present numbers of Plainfield students attending KUA the situation for 1987-88 is as follows: KUA's taxable valuation was reduced by action at last year's Town Meeting by \$1,256,400. At the tax rate of \$45.20 per thousand this resulted in a tax reduction of \$56,771. Thirty Plainfield students presently attend KUA and each of these receive tuition reduction of at least \$2,925 or total tuition support of Plainfield students totaling in excess of \$87,750. Had these students attended Lebanon High School it would have cost Plainfield \$121,260 (present Lebanon tuition of \$4,042 X 30 students). If only half of these students had attended Lebanon High School it would have cost Plainfield \$60,630.

Predicting whether or not this apparently favorable present financial balance will work in the future in favor of or against Plainfield taxpayers proved to be difficult to do with precision. Important factors influencing this prediction include the future Plainfield tax rate, the future Lebanon High School tuition rate, and the number of Plainfield students who would continue to attend KUA if the tax abatement were abandoned. Several members of the committee felt that in the short term it was possible to make a reasonable prediction that fewer than 25% of present Plainfield KUA students would leave KUA if the arrangement were terminated. There was overall agreement that the long range effect of terminating the arrangement was much more difficult to predict.

After reviewing these and related matters in considerable detail a motion to recommend maintaining the existing relationship between the town and KUA passed by majority vote. A motion to continue the KUA/Plainfield Study Committee and to seek more specific accountability of the way in which funds made available through tax relief are used by KUA was passed unanimously.

REPORT OF MERLE W. SCHOTANUS
REPRESENTATIVE TO THE NEW HAMPSHIRE GENERAL COURT

The 1987 session proved to be very busy and highly productive. I again served on the Environment and Agriculture committee and assumed my new duties as a Republican floor leader, assisting the House Speaker and Majority Leader shepard bills through the legislative process. From my perspective, the high point of the session was the passage of the Land Conservation Investment Program (LCIP), or land trust bill. The bill was heard by my committee and passed the House with overwhelming support. The LCIP, or public side of this innovative public-private approach to land preservation is well on its way to getting up and running. It should be a valuable tool for preserving the state's critical land resources in the face of extremely rapid growth. The Connecticut River Authority was finally passed. Another Cornish-Windsor bridge act, co-sponsored by Sara Townsend, me, and other members of the Sullivan County delegation, provided additional funding for the restoration of the bridge and directed that construction begin in April, 1988. Department of Transportation progress on this project is being monitored very closely by the legislature, especially in light of the unfortunate closing of the bridge in July, last year.

The 1988 session has become a "horse race" due to tight scheduling and over 600 bills. Most of these bills will not survive, especially if they call for money. Some of the bills of major importance are the affordable housing, AIDS, literacy (drop-out problem) and solid waste management initiatives now wending their way through the legislature. My special focus this session is on the landmark Environment and Agriculture committee solid waste management which concentrates on recycling as a major element of the state's solid waste management policy. This bill responds to overwhelming support voiced by over 175 towns for a state mandated solid waste management policy and programs which provide technical and marketing assistance to the towns, and require state agencies to recycle and utilize recycled waste material.

I again chair the Sullivan County delegation. The 16 member delegation now enjoys a good reputation in Concord as a tightly knit team working for Sullivan County. The not-so-bright situation of the county budget continues to be a problem, due in large part to increasing welfare, insurance, and health costs over which the county has little or no control, and to loss of federal revenue sharing funds. We now find ourselves living in an era of "fend-for-yourself" federalism. I believe this is a sound concept, but will require the state and its counties and towns to achieve a stronger partnership in which costs for services are more equitably shared. In 1987, I, and the chairpersons of the state's 10 county delegations established the County Forum, a legislative coalition of county delegation leaders organized to work toward fine tuning the state-county-town relationship to more effectively handle the financial problems generated by the federal deficit. Although we are in the early stages of our work, I am confident our efforts will be beneficial to our constituents.

Your comments on legislative issues are very important in helping me to represent you. Please write or call (863-1928 or 271-3661) and let me know your views. I look forward to serving you again.

Representative Merle W. Schotanus; Grantham
District 1, Sullivan County

REPORT OF REPRESENTATIVE SARA M. TOWNSEND

The session of 1987 was a busy one. About 450 new laws were enacted. Overshadowing all of the rest was the regional interstate banking bill. Never has there been more intense lobbying on any piece of legislation in my memory. The result was that N.H. banks may now be acquired by out of state banks, provided that they are New England based, and have no holdings in states beyond New England.

With all of the horror stories that little banks would soon disappear, etc. to date there has been no appreciable change in N.H. banking business. As this is being written, there is a bill in the '88 session to allow national interstate banking. The time on this bill seems a bit off, and I predict failure.

There is a new Speaker of the House and, since I did not support him during the campaign, I lost my office, my parking space, and many of my previous assignments under the speakership of John Tucker. However, I did get to keep the chair of Joint senate and house administrative rules committee: this is the group which has to approve every rule or regulation put forth by the state agencies; it is a hot seat at times, such as during the debate on how to apply the new law of reduction of the business profits tax. It probably has more power than other committees except for the fiscal committee.

The new leadership tends to compress a good deal of work into a shorter space of time than I have ever witnessed. This may be all well and good except that I personally do not feel that we have adequate time to do justice to the bills. By hurrying to get through we may be unfair to the people of the state, as well as to those who sponsor legislation. I oppose return to biennial sessions.

Another very controversial bill which became law prohibits gay men and women from becoming foster parents.

New Hampshire fell behind other states in the matter of providing money for an educational program on AIDS because of an amendment without scientific data. The Governor, Senate President and House Speaker wanted to require mandatory AIDS testing of couples applying for a marriage license. There is still a lack of evidence finding this group at risk. Thus we lost a year in getting educational programs established. Now the Governor and the others have withdrawn this amendment. The money will be voted out in '88.

An "affordable housing" bill went into study. It will emerge in '88. All sectors of the state admit to a housing crisis, but we have as yet to reach the proper mix of public-private help in solving it.

During the past summer I served with a committee charged with recodification of laws affecting the elderly, Henceforth these laws will be in one place and easy to access.

Also, the Municipal and County Government committee studied all the laws granting property tax exemptions for the elderly, veterans etc. and will come in with one piece of legislation as an umbrella piece. This will eliminate alot of confusion, it is hoped.

The matter of long term care for the chronically ill and the elderly will always be of concern, both because of the great expense as well as for the need to come up with a good care management plan for the state. It is said that 50% of the patients in nursing homes are victims of Alzheimer's disease. Financing their care in a different manner is paramount. I worked on the task force studying that problem. We have a number of initiatives. Time will tell whether they are successful.

As a result of being elected by the physicians of the state at their fall convention I am now the beneficiary member of the Board of Peer Review Organization. This board is charged with being sure that all Medicare patients are appropriately treated in hospitals, nursing homes and by home health agencies. I represent the AARP and shall be doing a good deal of outreach to get the word out to senior citizens. This program is mandated by the Health Care Financing Administration as a result of Congressional action. There is so much money spent on Medicare that the Feds want to be sure it is being spent properly for effective care. I look forward to this new experience.

More details of the '87 laws are always available from

Your servant,

Sara M. Townsend Tel: 469-3313.

WELFARE REPORT

In 1987 \$687.34 was spent on General Assistance to Plainfield's poor. Generally, this assistance takes the form of payments for food, fuel and shelter. Persons must make application in person to the overseer and they can expect immediate response if need is indicated. Funds for direct relief are appropriated out of Town tax revenues and two Trust Funds: the Ward Fund and the Burnap Fund.

Many hours have been spent finding "other" sources of assistance for people in need. You may call the Town Office at 469-3201 from 9-12 daily for more information.

Nancy Baker
Overseer of Welfare

MERIDEN GOOD CHEER AND CHRISTMAS COMMITTEE

The Committee wants to thank the Meriden Community for their generous contributions received during the 1986-1987 Holiday Season.

Eight families were assisted at the holiday season and throughout the year. The notes of thanks received by committee members are extended to the community.

A gift was recently made to the Meriden Volunteer Fire Department in memory of John F. McNamara, David Millar and Marjorie Williams.

Natalie LaFlam was the recipient in 1987 of the \$100.00 scholarship awarded to a Meriden Senior graduating from Lebanon High School. This will become an annual award to continue as funds permit.

Thank you all for your continued support in allowing the committee to aid those of our community in their time of need with a show of love from their Meriden neighbors.

REPORT OF THE PLAINFIELD POLICE DEPARTMENT

I would like to thank the citizens of Plainfield for your continuing support and assistance. I would like to express my appreciation to the officers of the Plainfield Police Department for their dedication and support. They are Sgt. Larry Dore, Cpl. Stewart Adams, and Officers Don Jordan, Larry Hawkins, Tim Follensbee, and Sue Keller. We look forward to serving the citizens of Plainfield in 1988.

The police department answered a total 659 calls for service and Criminal Complaints in 1987. An increase of 19% over 1986. The following is a report of activities for 1987.

CORNISH RESCUE SQUAD

1987 was a fairly busy year for the Cornish Rescue Squad. We had a total of 106 calls. In addition there was much time spent getting the new truck on the road and in training.

As you know, we are purchasing Automatic defibrillators, however, to go along with this, it is much more important that the residents of our towns realize the urgency in calling us quickly for any type of medical problem, particularly anything cardiac related.

In addition, the Rescue Squad will be offering C. P. R. training to any resident or group of residents that would like it. Our ultimate goal is to have as many people as possible trained in C. P. R., including the older school children. If anyone is interested in this training, please contact any Squad member. We will begin to offer courses in the spring.

Larry Dingee, President

"Meriden Baptist Church"

JOHN F. McMAMARA

February 5, 1897 - July 30, 1987

Few people in the history of Plainfield can match the record of John F. McNamara. Selectman, school board member, auditor, ballot clerk, moderator, constable--he handled each and every office he held with integrity, honesty and good humor.

John was a man that recognized that when times change, it's time to change with the times. Thus he was always in the forefront of efforts to improve Plainfield's schools, highways and other public services. He worked hard for the things he believed in, and many aspects of the town's government today bear his mark.

One of the ideas he introduced to his fellow townspeople and which he championed for more than half a century was that of having a town finance committee to work with the selectmen and other town officers in the management of the prudential affairs of the town. He envisioned it being a sounding board of knowledgeable people who could improve communications between the voter and the elected officials and help shape responsible budgets.

Community service had to fit into a busy life for John F. McNamara for he was also a committed husband, loving father, farmer, sawmill operator and plumber. And at his side throughout was his wife Florence, who died January 13, 1986.

The Town of Plainfield respectfully dedicates this Annual Report to the memory of John F. McNamara.

"Mr. & Mrs. John McNamara"

MERIDEN LIBRARY TRUSTEES REPORT

New patrons have used the library this past year increasing our circulation. 1500 more library materials were circulated over last years total. It is gratifying to have so many townspeople using their Library. Television is popular but books are still the best source of knowledge and relaxation as many of us are continuing to realize.

Our children's programs (movies and story hours) average 16-20 in attendance. Thanks go to Ann McAllister who continues to delight the children at each story hour when she appears in costume to read stories (aided by her puppets) sing songs, and shows, and helps the children with a craft project. Story hour is held on the third Thursday of each month at 10:30 am. The date does change once in a while so check with the librarian at the beginning of the month so your child/children will not miss out on all the fun.

The Chellis Showcase housed many exhibits this past year featuring crafts, hobbies, or collections of our residents. Please call the Library if you would like to display your collection for others to enjoy.

The Trustees' book sale held at the Library in October wasn't our best but we thank all who contributed donations. During the year the book sale continues in the front entry. All proceeds go into the book budget.

Your librarian continued with the Library Technique classes offered by the State Library through the school of lifelong learning. Two more classes and the required 8 classes as prescribed in the new State Library Standards will be completed. She also attended meetings on both the local and state level to keep informed in the Library world as well as exchanging ideas with other Librarians so as to better serve our library patrons.

A new service added to our Library for our patrons began with the purchase of audio books last January. These books on cassettes may be borrowed for two weeks or longer. Many patrons stock up when planning a car trip. They are great entertainment while travelling. Besides those by authors who write for adults, we also have cassettes available for family listening. Our initial collection was purchased with gifts given in memory of Meriden resident and faithful library patron Mary Akerstrom.

Memorial gifts received in memory of David Millar will be used as initial funds to purchase a computer terminal and necessary aids needed to access the N.H. State Automated Information System which is centered at the State Library and will give us access to over 200,000 titles, and other services, as plans are completed at the state level. Dave was one of many who volunteered time and service to help raise funds needed to build our library building back in the 60's. It has been said that it was often Dave's enthusiasm that, whenever a stumbling block appeared, kept the other volunteers going on with the project. Bringing a new service to the patrons of our library, we feel, is a proper memorial to Dave. He always seemed to have his sights set toward new horizons.

During this new year more adult programing will be available at the Library, please watch for announcements.

In late April or early May your Librarians will once again issue an invitation to all parents to have their children 18 and under participate in the Kid-Pic program that began in 1985. The Police Department will fingerprint each child and a photo will be taken. These will go into a provided folder and given to the parent to keep in a safe place. We do not like to think of any child near to us being abducted or getting lost but it could happen and a set of fingerprints and a photo may return them safely. This is a service provided by your Librarians and funded by the Plainfield and Meriden Good Cheer Groups. Watch for posters and announcements in local papers for date, time, and place for the event.

Respectfully Submitted,
Laura Lichiello
Jack Ragle
Susan Timmons

Balance December 31, 1987 \$4,781.20

The money from Murray Stevens is the start of a building fund for an addition to the library in the future.

PHILIP READ MEMORIAL LIBRARY
TRUSTEES REPORT

Circulation at our library increased almost 13% in 1987 with a total of 11,054 books, magazines, tapes, puzzles and other library materials circulated compared to 9,788 in 1986. In addition to 522 books purchased, 219 books as well as magazines and other items were given to the library.

A Building and Renovation Committee has been meeting regularly to address the critical need for additional space in the library, and a bank account has been established to receive donations to the Building and Renovation Fund. Suggestions and participation on the committee are welcome as are donations to the fund.

The Apple II+ Computer, a gift of Ruth and Jesse Stalker, has been connected to the N.H. Automated Information System by a MODEM. Accessible information includes interlibrary-loan ordering, status of current legislation and other statistics.

Clare and Fiske Boyd's extensive papers on the history of Plainfield and its residents have been given to the library by their daughter Sheila Hoermann. A circulating copy will be available in 1988.

A collection of photographs by Jerold Wikoff, depicting life in the Upper Valley area on the Connecticut River before the 20th century, was on exhibit from the Montshire Museum. In changing monthly exhibits the memorial showcase reflected the interests and hobbies of Plainfield Citizens. Librarian Nancy Norwalk has a sign-up sheet for anyone wishing to reserve a month for a display.

For the fourth successive year an adult book-discussion program was funded by the N.H. Council for the Humanities. Jeff Nintzel presented a slide program featuring colorful scenes of France and Italy. There was a combined attendance of 902 adults and children at the various programs held at the library. Groups using the meeting room included 4-H, Brownies, Water District, Board of Selectmen, School Board, Land Trust, Conservation Commission, Plainfield Historical Society, and Plainfield Book Committee.

Continuing children's programs included the summer reading program, free monthly movies (every second Friday at 3 PM), story hour (all other Fridays at 3 PM) and several holiday parties. The float of the Plainfield and Meriden Libraries in the July Fourth parade contrasted the library of yesteryear with the library of today.

Federal income-tax information and forms are available from January through April. For a small charge the public may have copies made on our Canon Copier. The money collected for this service is used to purchase new cartridges and paper. Many people who might not have done so otherwise have become acquainted with the library through their need to have copies made.

Librarian Nancy Norwalk completed two library-science courses with two more necessary to fulfill N. H. State Library Standards requirements. She and Trustees Alice Hendrick, Susan Woodward and Sarah Longacre attended the N. H. Library Association's Spring Conference at Waterville Valley at their own expense.

The Friends of the Library, under the leadership of Diane Rogers, to whom we are very grateful, held their annual meeting in November. Fund-raising activities in 1987 included a very successful consignment sale of baby furniture and toys, a food sale in conjunction with the annual book sale, the sale of notepaper and of flags on July Fourth. The Friends continue to be a strong support group and have purchased many adult books-on-tape. New members are always welcome.

In spite of continually rising costs, particularly of books, supplies, new equipment and maintenance of our building, we strive to meet the needs of our patrons as best we can. To this end we added four additional open hours in 1987 (Wednesday 1-5 PM). Also, an important goal is to increase the librarian's salary so that it is commensurate with the professional level of her position.

It is interesting to note that the appropriation by the town for our library expense in 1986 represented 1.01% of the total appropriated for general government and in 1987 approximately 1.24%, very insignificant amounts in terms of the services we provide.

We are grateful to those who donated money and books and to the volunteers who gave their time and energy to help in so many ways. Special thanks to Carl Woodward for performing numerous handyman chores and shoveling snow, and to our hard-working librarian Nancy Norwalk.

Respectfully submitted,

Alice Hendrick
Susan Woodward
Sarah Longacre

1987 ANNUAL REPORT
CONSERVATION COMMISSION

1987 was a busy and exciting year. In addition to the annual events sponsored by the commission, several longterm projects were begun or continued.

The annual events included sponsorship of Spring Clean Up Day, during which many Plainfield organizations and neighborhoods collected monumental amounts of trash from our roadsides. The eighth grade planted an oak at the Plainfield School. Eric Abrahamson, a Plainfield student with a special interest in environmental issues, was chosen to attend the Conservation Camp that is sponsored by the Society for the Protection of New Hampshire Forests. A Montshire Museum course, "Earth Caretakers," was sponsored for the fifth grade. Finally, the commission reviewed all dredge and fill applications that had been sent to the New Hampshire Wetlands Board for approval.

One highlight of this year was final Federal approval of our grant proposal to acquire matching funds for the purchase of recreation land on Stage Road. Now that the land belongs to the Town we can begin the exciting process of landscape and trail design that will ultimately lead to multiple recreational uses for the townspeople of Plainfield.

Much Conservation Commission activity has revolved around the various opportunities for land conservation. An information session was sponsored in April in order to discuss land conservation options with the townspeople, and in December a Conservation Task Force began to meet regularly to begin the process of seeking funds from the Trust for New Hampshire Lands.

The evaluation of water quality in Plainfield is another item on the current agenda. Research into various methods of assessment was conducted this year and the commission hopes to begin water testing in the near future.

The challenges of 1987 will continue into 1988 and we welcome all interested citizens who wish to participate in Conservation Commission activities. We have reluctantly accepted the resignation of Carl Strong, whose expertise was very much appreciated. Please call any of the commission members with your questions and suggestions.

Respectfully, Ruth Ann Wheeler, Chairman
Nancy Mogielnicki, Steve Beaupre,
Mary Ellen Sullivan, John Zimmer,
and Armand Rondeau

\$4,500.00

CONSERVATION TASK FORCE REPORT
1987

The Conservation Task Force formed in December 1987 was spearheaded by the town's Conservation Commission members and was enthusiastically and officially recognized by the Selectmen; Bruce Baird, Peter Haubrich and Judy Belyea.

The task force's goal is "to contribute to the preservation of the rural landscape and the natural resources of Plainfield." To achieve this goal, this group will assess and select land for preservation which has the following characteristics: scenic beauty, recreational potential, wildlife habitats, public access, bodies of water and aquifers, and agricultural value. The task force will apply to the Trust for N. H. Lands for a grant which will provide funds for the purchase of development rights of land(s) chosen.

Interested and knowledgeable people who wish to support and aid in the conservation project may call or contact any of these members.

John Zimmer 675-2285

1987 REPORT OF THE
PLAINFIELD BOARD OF ADJUSTMENT

Special Exceptions were granted during the year to:

1. Phillip and Grace Parmenter to allow the operation of a Day Care Family and Group Home at their residence in the Village Residential Zone on Bonner Road in Meriden.
2. Henry Therrien to allow the First New Hampshire Bank to establish a Branch Bank in what at present is Hank's Carpet Shed in the Village Residential Zone on Route 12A in Plainfield Village.
3. John D. Bassette to allow for the manufacturing of kitchen cabinet materials and the assembly, sales and distribution of overhead garage doors at the old snath factory in the Village Residential Zone on Route 12A in Plainfield Village.
4. Grace A. Cordina to allow her to establish a retail business selling new and used furniture, antiques, collectables and gifts at her residence on Bonner Road in the Village Residential Zone.
5. James Benware to allow him to sell at retail scopes, slings, ammo., etc. in conjunction with his gunsmithing business at his residence on the Brook Road in the Rural Residential Zone.
6. Allan and Jean Wilson to allow the operation of a mail order business by telephone from their residence on Black Hill in the Rural Residential Zone.

A Variance was granted to:

1. Henry Therrien and Barbara Therrien to allow a depth of side lot of 18 feet where the ordinance requires 20 feet on their lot on Ferry Hill Road in the Rural Residential Zone.

A Special Exception was denied to:

1. Edmond G. Goodwin, Dorothy M. Goodwin, and Kenneth C. LeClair to allow the operation of a sand and gravel pit southeast of the intersection of Beauty Hill Road and Route 12A in the Rural Residential Zone. A request for a rehearing was later withdrawn.

The Board, at its November 9, 1987 meeting, voted unanimously that in its opinion the uses being put to their property by Mr. and Mrs. Drew as it relates to "Country Furniture and Caning" was not in violation of the ordinances. It was the opinion of the Board that this was a "Home Occupation" and that all sales made by them were incidental and resulted from their efforts as craftsmen.

Respectfully submitted

Ira P. Townsend, Clerk

1987 ANNUAL REPORT OF THE PLANNING BOARD

During the past year, in addition to regular work with the subdivision process, the Planning Board has reached two long term goals. With the acceptance of the final chapter of the Master Plan, the work begun more than two years ago was finally complete and copies of the Master Plan were printed, put on file, given to town officials, and made available to the public for a fee. In March 1987, at Town Meeting, the Planning Board asked for and received authority to implement the site plan review process. After some months of preliminary work, the Site Plan Review Ordinance was approved by the Planning Board on July 20, 1987. Both the Site Plan Review and the Master Plan are important tools for a town such as Plainfield to have available to channel and direct growth, which is inevitable in all towns.

As 1987 drew to a close, work on a major revision of the current zoning ordinances was underway. This project demanded much extra work on the part of the board, the Selectmen, the Zoning Board of Adjustment, the Zoning Administrator, the town's attorney, Barry Schuster, and the Upper Valley Lake Sunapee Council official, Vicki Smith, all were involved in preparing the lengthy text of changes and amendments to the Zoning Ordinance which will appear on the warrant in March for a vote by the town. The majority of the items are "house keeping" items and items required to be in compliance with state statutes. Other changes were made to reflect recommendations in the Master Plan.

Regular monthly meetings and extra meetings to work on the long term projects kept members busy. In 1987, 10 subdivision applications were heard and approved, creating 23 new lots and 2 annexations. At least 26 preliminary consultations were held. These consultations are a great benefit to potential applicants and the Board, whether application for subdivision or site plan review follows or not.

There was one change in membership. Erich Witzel replaced long time member Judy Belyea.

Respectfully submitted,

Mary Cassedy, Chairman
Paul Franklin, Vice-Chairman
Beatrice Clark, Sec.-Treas.
Raymond Morin

Human Services Report

Five organizations applied to the Town of Plainfield for funding in 1988. These remain the same five agencies that received an appropriation in 1987. They have all expressed their gratitude for our continuing support.

1. Headrest, Inc.: Provides information and referral for Human Services in the Upper Valley; Maintains a 24-Hour Crisis Hotline (Telephone 448-4400) and through a N.H. State Grant provides outpatient substance abuse counseling.
14 Church St. P.O.Box 221, Lebanon, NH 03766
Rick Barrows: Administrative Director Telephone 448-4872
2. Hospice of the Upper Valley: A caring service for people with life-threatening illness, and their families; designed to support and supplement the existing health care system.
10 Commerce Bldg. P.O.Box 225, Lebanon, NH 03766
3. Wheels Around Windsor: A multi-program for Senior Citizens, including meals, transportation, recreation, advocacy. Stoughton House also provides housing and supervised medical care to 40 residents.
Stoughton House, 46 N. Main St., Windsoe, VT 05089
Nina La Rose: Director Telephone 802-674-6773.
4. Grafton County Senior Citizen's Council: Provides services to Senior Citizens: meals, transportation, adult day care, recreation, health screening, and social services.
10 Campbell St. P.O.Box 433, Lebanon, NH 03766
Carol W. Austin, ACSW: Executive Director. Tele. 448-4213
5. Community Youth Advocates: Provides counseling and support for area youth and their families, available 24 hours, works with court-ordered juveniles from Sullivan County. Maintains Chandler House, an emergency, temporary home for these clients.
36 Tremont Square, Claremont, NH 03743.
Leslie Clough: Executive Director, Telephone 543-0427
542-4976

LEBANON AREA HEALTH CARE, INC.
1987 ANNUAL REPORT

Lebanon Area Health Care, Inc. provides a full range of home health care and support services to residents of Plainfield. The agency's purpose is to promote the health and well-being of all those it serves. LAHC experienced the federal changes in Medicare reimbursement policy for home care with a \$35,000 decrease in Medicare revenue for 1987 over 1986. Support for persons for whom Medicare will no longer pay came largely from municipal, United Way and County allocations to the agency. As a result of cost containment measures, the agency was able to end the fiscal year with a modest deficit when a much larger one had been anticipated one quarter into the year.

448-1597

Plainfield residents serving on LAHC's Board of Directors during 1987 were: Gregory Marshall, Robert Steinsieck, MD, Paul Pryzbyla and Andrea Shusko.

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

Between July 1986 and June 1987, we experienced fewer forest fires than normal. The three leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS - 1987

MERIDEN VOLUNTEER FIRE DEPARTMENT

1987 closed with the Meriden Fire Department having responded to 52 alarms. Those alarms were broken down as follows: 21 KUA alarms, 4 Structure fires; 2 in Cornish 1 in Plainfield 1 in Enfield, 5 Chimney fires; 4 in Plainfield, 6 Plainfield School alarms, 3 Brush fires, 3 Motor vehicle accidents and an assortment of other alarms.

A log of man hours was kept in 1987 for alarms, drills, special training and other Fire Department projects. Excluding our three major fund raising events and the hours given to the New Truck fund drive, 1558 hours were spent by members of the Meriden Fire Department.

We gained five new members this year. They are Larry Best, Shawn Lundrigan, Cliff Mills, Rob Taylor and David Tyler. There were some old members who resigned and to them I extend a sincere thank-you for all the time and effort that they have given us.

The new Ford chassis arrived October 15 at Dingee Machine. The pump was installed the first week in November and the major body fabrication is complete at this time. May 9 is the delivery date for the completed truck.

Three members took a Hazardous Materials Level 1 course in Cornish. This course was sponsored by the Sullivan County Haz-Mat Team.

A Hazardous Materials Primary Library was purchased. This set of reference books will help us to better identify the chemicals and their properties that we may encounter at a spill or other type of chemical emergency.

I would like to thank the members of the Meriden Fire Department for their great support this past year.

On behalf of the Fire Department, to all the members, their families and others who gave their physical or financial help to us this year, we thank you!

Respectfully submitted,

Douglas J. Chapman, Chief
Meriden Volunteer Fire Department

MERIDEN VILLAGE WATER DISTRICT MEETING
MARCH 17, 1987

At a legal meeting of the inhabitants of the Meriden Village Water District, in the County of Sullivan, State of New Hampshire, qualified to vote in District affairs, held at the Plainfield School on Tuesday, the seventeenth of March 1987 at 7:30 p.m., the business was disposed of in the following manner.

The Annual Meeting of the Meriden Village Water District was called to order on Tuesday, the seventeenth of March 1987 at 7:30 by Moderator Stephen Taylor and proceeded with the warrant.

ARTICLE I. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the following slate of District Officers be elected.

Moderator for one year: Stephen Taylor
Clerk for one year: Roberta Garfield
Commissioner for two years: Lee Lynd
Commissioner for three years: Donald E. Garfield
Treasurer for one year: Ira Townsend

It was voted in the affirmative and so declared.

ARTICLE II. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the District raise and appropriate \$53,220.00 to defray District charges for the ensuing year.

It was voted in the affirmative and so declared.

ARTICLE III. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the report of the District Officers be accepted as printed in the Town of Plainfield 1986 Town Report; subject to corrections and that a corrected copy be placed on file with the District Clerk.

It was voted in the affirmative and so declared.

ARTICLE IV. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Commissioners be authorized to borrow on the credit of the District, such sums of money as may be necessary to meet current expenses in anticipation of income.

It was voted in the affirmative and so declared.

ARTICLE V. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the District increase the sewer use fee for Kimball Union Academy to \$2,850 per month from \$2,600 per month. The new rate to be effective for the month of April 1985.

It was voted in the affirmative and it was so declared.

There being no business under ARTICLE VI, the meeting was voted adjourned.

Roberta Garfield
District Clerk
Meriden Village Water District

REPORT OF COMMISSIONERS
MERIDEN VILLAGE WATER DISTRICT

The water system this past year has been operated by the Commissioners, and this year has been relatively uneventful. In 1988 we plan to raise and/or replace some of the fire hydrants to make them more accessible. The new KUA faculty residence on Chellis Road was an additional customer on the water system this year.

The waste water treatment system required two major repairs this year, one being an overhaul of the diesel powered electrical generator system, and the other being a major renovation/rehabilitation of the aeration system in the lagoons. The lagoon repairs were accomplished in early November, and required sequential draining of the three lagoons. New "hook-ups" on the system included a Meriden Village residence and an additional service from KUA.

The Commissioners appreciate the outstanding work of Kevin Kingston in operating the waste water treatment plant, and Ira Townsend in maintaining the buildings and grounds.

Respectfully,

M.V.W.D. Commissioners
Donald E. Garfield
Jeffrey S. Allbright
Lee Lynd

WARRANT
THE STATE OF NEW HAMPSHIRE

SULLIVAN, SS.

TOWN OF PLAINFIELD

To the inhabitants of the Town of Plainfield in the said County of Sullivan in said State, who are legal voters residing in the Meriden Village Water District, and qualified to vote in said District affairs.

You are hereby notified to meet at the Plainfield School in said Meriden Village water District on Tuesday the fifteenth of March 1988 at 7:30 p.m. to act upon the following subjects.

ARTICLE I. To choose the necessary District Officers for the ensuing year or otherwise as the by-laws direct.

1. A moderator for one year.
2. A clerk for one year.
3. A commissioner for three years.
4. A treasurer for one year.
5. Such other officers and agents as the voters may judge necessary for the managing of the District's affairs, or as may be directed by law to be chosen.

ARTICLE II. To raise and appropriate such sums of money as may be necessary to defray District charges for the ensuing year.

ARTICLE III. To see what action the District will take with regard to the reports of the District Officers.

ARTICLE IV. To see if the District will vote to authorize the commissioners to borrow funds in anticipation of income.

ARTICLE V. To see what action the District will take with regard to water and sewer use charges.

ARTICLE VI. To enact any other business that may legally come before this meeting.

Given under our hands and seal this 28th day of February, in the year of our Lord, Nineteen Hundred and Eighty Eight.

A true copy attest:

Jeffrey S. Allbright
Donald E. Garfield
Lee Lynd
Commissioners,
Meriden Village Water District

PLAINFIELD VILLAGE WATER DISTRICT

1987 ANNUAL REPORT OF COMMISSIONERS

The year 1987 was without incident except for the usual leaks, one was a disaster, costing us a loss of water for two days until we located the leak. It took us that long because the building wasn't occupied except for occasional meetings.

Thanks to the conservation minded subscribers, the one well has provided the village with its water requirements. We are still endeavoring to install another dug well when we have decided it's location.

We are in the process of modernizing the pumping installation, we will have our own compressor installed, which will be tied into the tanks, We are also in the process of having a portable generator installed at the pumping station, this will be for the purpose of providing power to operate our pumps in the event of power failure due to a variety of reasons. The water district is also negotiating with a very professional company to flush the tanks, also, weather permitting, they will install other essential equipment around the village (blowers). The time has come to replace the roof on the pump house, we have already contracted this to be done.

We have the permission of the owner of Spruce Park to install one meter for the Park's use of water.

We would like the subscribers to continue conservation of water. We are constantly trying to maintain it's quality even if we don't have the quantity. We hope in time to have another well, which will provide us with much needed water for the more frequent flushing of the fire hydrants and the three blowers located throughout the village.

Respectfully submitted,

Commissioners of the
Plainfield Village Water District

Leonard D. Koehler
David W. Scott
Raymond Morin

PLAINFIELD VILLAGE WATER DISTRICT MEETING
MARCH 17, 1987

At the Twenty-first annual meeting of the Plainfield Village Water District on the seventeenth day of March 1987 at 7:30 P M., the Articles in the Plainfield Village Warrant were disposed of in the following manner:

The meeting was called to order by Susan Woodward acting Moderator for Wallace Pickering, at 7:40 P.M. and proceeded with the Warrant.

ARTICLE 1. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the following officers be elected:

1. a moderator for one year: Susan Woodward
2. a clerk for one year: Elaine Wheeler
3. a treasurer for one year: Elaine Wheeler
4. a commissioner for three years: Leonard Koehler
5. any other officers and agents the voters judge necessary for managing district affairs, or as directed by law to be chosen.

It was voted in the affirmative and so declared.

ARTICLE 11. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the District raise and appropriate \$24,174.60 or such sums of money as may be necessary to defray District costs for 1986, and any assignments to debt service and/or capital reserve.

It was voted in the affirmative and so declared.

ARTICLE 111. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the District officers' salaries remain the same but fees for labor, gas (mileage to be established) to be charged by commissioners and to establish expenditures in 1987 by and for the District, to be paid by the treasurer upon the authorization by the Commissioners.

It was voted in the affirmative and so declared.

ARTICLE 1V. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the reports of the District officers be approved as printed.

It was voted in the affirmative and so declared.

ARTICLE V. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the District transfer \$1,500 from current operating income to the capital reserve account.

It was voted in the affirmative and so declared.

ARTICLE VI. The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the District transfer a sum of money not to exceed \$15,000 from the capital reserve account to be applied toward the expense incurred in procuring an adequate water supply.

It was voted in the affirmative and so declared.

ARTICLE VII. There being no other business under Article VII, the meeting was voted adjourned.

Elaine Wheeler
Clerk-Treasurer

WARRANT
THE STATE OF NEW HAMPSHIRE

SULLIVAN, SS

TOWN OF PLAINFIELD

To the inhabitants of the Town of Plainfield, in said county of Sullivan, in said State, who are legal voters residing in the Plainfield Village Water District, qualified to vote in said District's affairs:

You are hereby notified to meet at the Phillip Read Library in said Plainfield Village on Tuesday the Fifteenth day of March 1988 at 7:30 P.M. to act upon the following articles:

ARTICLE I. To choose necessary District officers for the ensuing year or otherwise as the law directs:

1. A moderator for one year.
2. A clerk for one year.
3. A treasurer for one year.
4. A commissioner for three years.
5. Other officers and agents the voters judge necessary for managing District affairs, or as directed by law to be chosen.

ARTICLE II. To raise and appropriate such sums of money as may be necessary to defray District costs for 1987, and any assignments to debt service and/or capital reserve.

ARTICLE III. To fix district officers' salaries except the fees for labor, gas (mileage to be established) to be paid for the ensuing year, and to establish expenditures in 1988 by and for the District, to be paid by the Treasurer upon authorization by the Commissioners.

ARTICLE IV. To see what action the District will take with regard to the reports of the District officers.

ARTICLE V. To see if the District will authorize the transfer of \$1,500 from the current operation income to the Capital Reserve Account.

ARTICLE VI. To see if the District will authorize an amount not to exceed \$15,000 from the Capital Reserve Account to be applied toward the expense incurred in procuring an adequate water supply and quality.

ARTICLE VII. To see if the the Plainfield Village Water District will vote to authorize the Commissioners to apply for, accept, and expend money from the State, Federal or other government units, or a private source, which become available during the year without further action by a special meeting. The funds will be used for flushing and coating tanks, renovation on building and any other legal purpose which might arise from these improvements to the Plainfield Village District property.

ARTICLE VIII. To enact any other District business that may legally come before said meeting.

Given under our hands and official seal this Fifth day of January in the year of Our Lord, Nineteen Hundred and Eighty-eight.

A true copy attest:
Elaine R. Wheeler
Clerk-Treasurer

Plainfield Village Water
Commissioners

PLAINFIELD SCHOOL DISTRICT

WARRANT

State of New Hampshire

Sullivan, ss: School District of Plainfield

To the inhabitants of the School District of Plainfield, in the County of Sullivan, and State of New Hampshire, qualified to vote in District affairs:

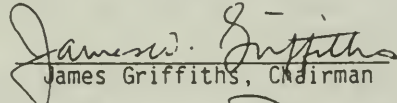

You are hereby notified to meet at the Plainfield School in the Village of Meriden in said Plainfield on Saturday, March 5, 1988 at 2:00 pm in the afternoon to act on the following subject:

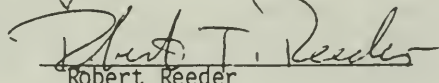

- Article I. To hear the reports of agents, auditors, committees, and other officers heretofore chosen and to pass any vote relating thereto.
- Article II. To see if the District will authorize the establishing of a Citizens' Advisory Committee of ten (10) people to work with the Plainfield School Board in developing interim and long term solutions to accommodate a growing student population.
- Article III. To see if the District will authorize the expansion of the size of the Plainfield School Board from three (3) to five (5) members and to have the change take effect with the 1989 Plainfield School District elections. The initial Board terms of the two new positions shall be as follows:
One Board term for a two year period for years 1989-91 and the other Board term for a three year period for years 1989-92. Both Board terms will become regular three year terms after the initial terms.
Note: The terms for the current three board positions are: 1988-91, 1989-92, and 1990-93.
- Article IV. To see what sum of money the District will raise, appropriate, and expend for the support of schools, for the salaries of the School District officials and agents, for the payment of statutory obligations of said district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state and federal governments, together with other income, the School Board to certify to the Selectmen the balance to be raised by taxation.
- Article V. To see if the District will adopt the following resolution and if adopted, forward it to the appropriate State of New Hampshire officials:
RESOLVE: We the residents of the Plainfield School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property tax payers.
- Article VI. To see if the District will authorize the School Board to make application for, to accept on behalf of the District, and to expend for the purpose intended any or all grants or other funds which may now or hereafter be forthcoming from the United States Government, from the State of New Hampshire, or from private foundations, trusts or individuals.

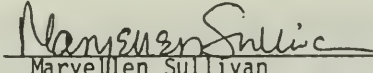

Article VII. To transact any other business that may legally come before said meeting.

Note: Election of School District Officials will take place at the same time and place as the election of Town Officials on March 8, 1988.

Given under our hands and seals at said Plainfield this 5th day of February, 1988.

James Griffiths, Chairman

Robert Reeder

Maryellen Sullivan

PLAINFIELD SCHOOL DISTRICT

SPECIAL WARRANT

State of New Hampshire

Sullivan, ss: School District of Plainfield

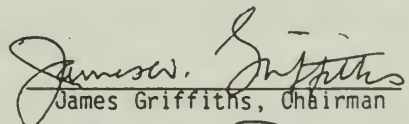

To the inhabitants of the School District of Plainfield, in the County of Sullivan, and State of New Hampshire, qualified to vote in District affairs:

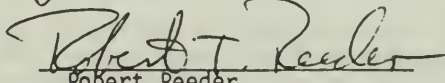

You are hereby notified to meet at the Plainfield School in the Village of Meriden in said Plainfield on Tuesday, March 8, 1988 at 10:00 am to act on the following subject:

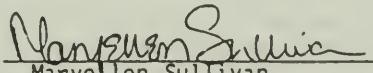

Article I. To choose, by ballot, a Moderator, a Clerk and a Treasurer for the ensuing year, an Auditor for the ensuing two years, and one member of the School Board to serve for three years. (Polls will be open at 10:00 am and will close at 7:00 pm, unless the Town votes to keep the polls open to a later hour.)

Note: All other school business will be considered at the School District Meeting to be held on Saturday, March 5, 1988, at 2:00 pm at the Plainfield School.

Given under our hands and seals at said Plainfield this 4th day of February, 1988.

James Griffiths, Chairman

Robert Reeder

Maryellen Sullivan

PLAINFIELD SCHOOL DISTRICT
Minutes
Annual Meeting - March 7, 1987

At a legal meeting of the voters of the School District of the Town of Plainfield, Moderator Stephen H. Taylor, called the meeting to order at two o'clock in the afternoon of March 7, 1987 at the Plainfield School, in the Village of Meriden, in said Plainfield.

ARTICLE I. The following resolution was presented, moved and seconded it be adopted: Resolved: That the Plainfield School District vote to accept the reports of School District officers and committees as presented in the Annual School Report. The vote by voice was in the affirmative and so declared by the moderator.

ARTICLE II. The following resolution was presented, moved and seconded it be adopted: Resolved: That the Plainfield School District vote to raise, appropriate and expend the sum of \$1,361,893.00 for the support of schools, for the payment of salaries of School District officials and agents, and for the payment of statutory obligations of said District.

An amendment to the resolution was presented, moved and seconded it be adopted: Resolved: That the Plainfield School District vote to reduce the sum of \$1,361,893.00 for the support of schools, for the payment of salaries of School District officials and agents, and for the payment of statutory obligations of said District to \$1,339,081.00, a reduction of \$22,812.00.

This reduction of \$22,812.00 resulted from:

- A. \$21,180.00 of special education reductions.
- B. \$ 1,632.00 of bus lease reductions.

A standing vote on the amendment was taken resulting in 178 Yes and 0 No. The vote was in the affirmative and it was so declared by the Moderator.

A vote on Article II as amended by ballot, by checklist, was taken resulting in 98 yes and 95 No. The vote was in the affirmative and it was so declared by the moderator.

ARTICLE III. The following resolution was presented, moved and seconded it be adopted. Resolved: That the Plainfield School District authorize the School Board to make application for and to accept on behalf of the District, and to expend for the purpose intended, any or all grants or other funds which may now or hereafter be forthcoming from the United States Government, from the State of New Hampshire, or from private foundations, trusts, or individuals. The vote by voice was in the affirmative and it was so declared by the Moderator.

ARTICLE VI. To transact any other business that may legally come before said meeting.

A commemorative plaque was presented to Dr. Peter Mogielnicki for his six years of service as a Plainfield School Board member.

A motion to adjourn the meeting was made and seconded and a vote by voice was in the affirmative and the meeting was adjourned by the Moderator at 4:15 pm.

Respectfully submitted
Joyce C. Lurdrigan
School District Clerk

PLAINFIELD SCHOOL DISTRICT
Minutes
Special District Meeting - September 26, 1987

At a legal meeting of the voters of the School district of the Town of Plainfield, Moderator Stephen H. Taylor, called the meeting to order at ten o'clock in the morning of September 26, 1987 at the Plainfield School, in the Village of Meriden, in said Plainfield. The State of New Hampshire Superior Court Decree and Special District meeting Warrant were read, followed by an invocation and pledge of allegiance.

The following resolution was presented, moved and seconded it be adopted:

RESOLVED: That the Plainfield School District appropriate the sum of \$897,103.00 for the construction of additions and renovations to the Plainfield School presently located on land owned by the District, for equipping and furnishing said additions and renovations, for architectural and other service fees, and for any items incidental thereto and necessary for the said construction and renovations;

That said appropriation be raised by borrowing the sum of \$897,103.00 by the issuance or sale of bonds or notes on the credit of the District under the New Hampshire Municipal Finance Act;

To authorize the Plainfield School Board to invest said monies and to use the interest earned thereon for said project;

To authorize the Plainfield School Board to obtain state, federal or other aid that may be available for said project;

To authorize the Plainfield School Board to fix the date, maturities, denominations, the interest rate or the discount rate in the case of notes, the place of payment, the form and other details of said bonds or notes, and to provide for the sale thereof;

To authorize the Plainfield School Board to take any other action necessary to carry out this vote.

Discussion followed and a procedural vote was taken on how long to keep the polls open was taken. A motion to keep the polls open until 7:00 pm was made and seconded and a vote by voice was in the affirmative.

A motion to move the resolution for a vote was made and seconded at 12:15 pm. The voting by secret written ballot began and the polls were closed at 7:00 pm. The results of the poll were 233 yes and 200 no. The vote lacked the necessary 2/3 majority to carry and therefore the resolution did not pass and the meeting was called to a close at 7:15 pm.

Respectfully submitted,
Joyce C. Lundrigan
School District Clerk

PLAINFIELD SCHOOL DISTRICT
Minutes
Special District Meeting - January 23, 1988

At a legal meeting of the voters of the School District of the Town of Plainfield, Moderator Stephen H. Taylor called the meeting to order at one o'clock in the afternoon of January 23, 1988 at the Plainfield School, in the Village of Meriden, in said Plainfield. The State of New Hampshire Superior Court Decree and Special District meeting Warrant were read, followed by an invocation and pledge of allegiance.

The following resolution was presented, moved and seconded it be adopted:

RESOLVED: That the Plainfield School District appropriate the sum of \$795,226.00 for the construction of additions and renovations to the Plainfield School presently located on land owned by the District, for equipping and furnishing said additions and renovations, for architectural and other service fees, and for any items incidental thereto and necessary for the said construction and renovations;

That said appropriation be raised by borrowing the sum of \$795,226.00 by the issuance or sale of bonds or notes on the credit of the District under the New Hampshire Municipal Finance Act;

To authorize the Plainfield School Board to invest said monies and to use the interest earned thereon for said project;

To authorize the Plainfield School Board to obtain state, federal or other aid that may be available for said project;

To authorize the Plainfield School Board to fix the date, maturities, denominations, the interest rate or the discount rate in the case of notes, the place of payment, the form and other details of said bonds, or notes, and to provide for the sale thereof; and

To authorize the Plainfield School Board to take any other action necessary to carry out this vote.

A presentation of information followed, led by the school board members describing changes since the special district meeting in September, 1987 and explaining issues supporting their recommendation of the special warrant. At 2:40 pm, the school board turned over discussion to the floor. At 2:55 pm, a motion to move the resolution for a vote was made and seconded. A vote by voice was too close to tell, so a show of hands resulted in 274 in favor of stopping debate and 47 against. A motion was made and seconded to keep the polls open until 7:00 pm. A vote by voice was in the affirmative. The vote by secret written ballot, by checklist began with the polls closing at 7:00 pm. The results of the vote were 268 yes and 294 no. The vote lacked the necessary 2/3 majority to carry, and the moderator declared the resolution as not passed. The meeting was adjourned at 7:20 pm.

Respectfully submitted,
Joyce C. Lundrigan
School District Clerk

Report of the Superintendent of Schools

This has been a rewarding year for the Plainfield School District. In the area of instruction, both the KUA headmaster and the Lebanon High School principal report that the graduates of Plainfield Elementary School are academically well-prepared, have good library and study skills and do well in the extracurricular programs. Plainfield School music instruction has also allowed several students to join the Lebanon High School Band.

Through the Governor's Initiatives for Excellence in Education, we have received funding for an automated library service system. In addition, state funds have been received for implementation of new programs for the gifted and talented. Our Reading at Home Program has received support and encouragement from parents and is successful in encouraging reading as a part of the daily routine in our student's lives.

This has been a frustrating year for the Plainfield School District. Two votes on proposed additions to the School were defeated after long and hard work by the citizens, School Board, and administration to prove that a need exists for more space. Our student population continues to grow (288 as of February 5) and no further alternatives are available except for larger classes, cutting programs, or finding space in the community.

At the 1988 Annual School District Meeting, the Board will ask for volunteers to serve on an advisory committee to aid in finding solutions to the short-term and long-term space needs of our School. Your help and insight are needed---please offer your assistance.

In closing, Plainfield is losing a School Board member recognized as being dedicated, well-informed, and articulate. James Griffiths has served Plainfield and the State of New Hampshire well as a policy-maker and leader. He will be missed by all.

Daniel J. Whitaker
Superintendent of Schools

Chapter I - Basic Skills Improvement Program - 1987/88

Chapter I refers to federal legislation (ECIA) that channels tax dollars to local school districts for compensatory education. It provides an opportunity for eligible students in Plainfield to receive supplementary instruction in mathematics. Although the amount of money a district receives is determined by the number of low income families, student participation is based solely on educational need.

After students are tested and found eligible to receive Chapter I services, they receive help in the classroom by the Chapter I Math Aide. The program is designed to supplement the instruction delivered by the classroom teacher. To assure coordination, the aide works closely with the classroom teacher and provides activities directly related to the ongoing instructional program. This approach serves to help students master the basic skills needed for future success in math. At present, the Math Aide gives daily assistance to approximately 9 children in grades 3-6.

The Chapter I program in Plainfield meets the needs of those children in the district who most require extra help in mathematics. It accomplishes this through the cooperation of parents, teachers, and administration.

Respectfully submitted,
Paula Simon
Chapter I Project Manager

1986-87 Principal's Report

One of the major tasks undertaken by school staff has been the development and revision of the curriculum. Work begun in previous years was accelerated. Curriculums for social studies, art, music and (K-4) physical education were readied for presentation to the School Board.

A planning grant from the Governor's Steering Committee for Excellence in Education funded assistance from a specialist for further refinement and definition of the Plainfield program. An outgrowth of this work was the acceptance of two Plainfield teachers, Fran Hills and Brenda Johnson, to the Governor's Institute on Gifted Education, a two week summer training program for educators.

January was career month at Plainfield School. The guidance counselor arranged for guest speakers to lunch with students and discuss their professions.

Two other programs were implemented by the counselor. The program on AIDS for seventh and eighth grade students was done in conjunction with a team from the Dartmouth Hitchcock Medical Center. An in-house Big Brother Program matched younger boys with selected boys from the upper grades who could serve as good role models. Their activities ranged from work on the computers to sharing an experience of mutual interest.

School enrollment continued to grow. In response, the recommendation for additional classrooms made by the Building Needs Committee began taking shape in the form of a proposal to be presented to the voters.

Volunteers continued to enrich the students education. Some worked in classrooms to assist on special projects or to read with children. Others led small groups in the electives and enrichment programs.

After driving bus for over twenty years, deteriorating health forced Bill Jordan into retirement. Bill's unflappable nature, his quiet sense of humor, his reliability and dedication will be missed.

Another loss to the school community came with the resignation of Anne Frey, a long time first grade teacher at the school. Anne will be remembered for her deep commitment to education and her gentle caring for each of her students. Her resignation was accepted with much regret.

Joan Garipay, Principal

* * * * *

1986-87 Nurse's Report

The health records of all the students enrolled were maintained and updated with pertinent information during the 1986-87 school year. Vision, hearing, nutrition, growth and development and dental screenings were completed. Parents were notified of any abnormal findings. A special dental screening was conducted with a registered dental hygienist checking for dental caries, mal-occlusion and dental hygiene disorders.

Registration for incoming Kindergarten was held at the school in early May. Parents were acquainted with school health requirements regarding immunizations and pre-school physicals that must be completed before the start of the 1987-88 school year.

Each year the number of recorded visits to the nurse's office increases. This year the number was over 1,640. The number of serious accidents/illnesses has not increased; the number of complaints did. Some examples are: headache, stomach ache, legs hurting, sore throat, slivers, don't feel good, tired, teeth hurt and didn't have time to eat breakfast. Sorting out the serious illness or injury is occasionally difficult and sometimes impossible. Parents are contacted when a student needs to go home or if they need care that the nurse cannot provide. Frequently health related conferences are held with parents, teachers and students. During the school year two home visits were made and ten cases of chicken pox reported to the state.

With the cooperation of the classroom teachers, health education is being taught continually. Each student is encouraged to be responsible for themselves and to maintain good health habits.

Respectfully submitted,
Janette Perham, RN
