## Commissioners' Report

*To the Citizens of Sullivan County:*

Agreeably to the laws of the state, your commissioners present for your consideration their report of the financial condition of the county for the fiscal year ending Dec. 31, 1906, together with the reports of the superintendent of the county farm, physician, chaplain, jailer, sheriff, solicitor, treasurer, clerk of the superior court and auditors.

At the almshouse 66 inmates have been partly or wholly supported during the year. Of this number 10 were discharged, and 6 have died, leaving 50 inmates at the close of the year.

The cost for support, including board and clothing, has been \$2.20 per week for each inmate at the almshouse, as against \$2.35 per week for the preceding year.

The amount paid to the several towns for paupers supported away from the farm has been \$6,056.78; for dependent soldiers, \$2,093.45; for children in families, \$1,224.82; for children at Orphans' Home and Mercy Home, \$249.00; for children at State Industrial school, \$856.95; for inmates at New Hampshire asylum, \$433.22; and for miscellaneous charges for dependent soldiers and paupers, \$539.08.

It is the opinion of the commissioners that the expense of maintaining paupers in families away from the almshouse, when continuous support is required, can be much reduced and those receiving aid, in many cases, much better cared for by being removed to the almshouse for support. Overseers of the poor and selectmen having such cases in charge are requested to make an effort to have the parties removed to the farm in every case where it can be reasonably done.

In the recommendation for the amount to be raised for the next two years, the county convention will be asked for an appropriation to secure a better water supply for the farm.

The present system has proved to be inadequate the past season to supply the water required for the new steam laundry, bath and toilet rooms installed during the preceding year.

It is very important, also, that a supply should be secured for use in case of a fire, and that hydrants be provided at suitable places outside of the buildings.

The almshouse is equipped with standpipes, but no supply of water which would last any length of time, is now available. The rate of insurance on the farm buildings is \$31.00 per thousand yearly, and it is hoped a substantial reduction can be secured when a suitable water supply is provided.

Surveys and estimates have been made for the expense of building a reservoir, laying pipes and placing hydrants where needed, and the county convention will be asked to consider the whole matter when they meet at the farm.

Mr. Albert E. Buswell and wife who had acceptably filled the place of superintendent and matron at the farm since April 1, 1904, resigned on Sept. 1, and Mr. Oliver A. Putnam and wife of Charlestown, N. H., were employed to fill the place vacated by Mr. and Mrs. Buswell.

We believe, as superintendent and matron, they are looking after the comforts of the inmates and serving the county faithfully in the discharge of the duties required of them. All other employes at the farm at the present time are filling their respective places in a satisfactory way.

The commissioners desire to express their appreciation of the interest taken by the officials of the several towns throughout the county in caring for the unfortunate poor and a seeming desire in every instance to manage in a prudent and economical way the affairs coming under their supervision, and a willingness at all times to comply with every request made by the commissioners.

The citizens of the county are cordially invited to visit the almshouse and acquaint themselves with the condition of those who are receiving care and support there.

## Physician's Report

---

TO THE COMMISSIONERS OF SULLIVAN COUNTY :

Six of our inmates have died during the year past. The cause of death was as follows : Senile dementia, 2 ; apoplexy, 1 ; old age, 1 ; cholera morbus, 2. All of these people were old, and in fact old age was the first cause of death with all of them. We have had no unusual illness the past year.

The general health of our inmates is good for a class of people of whom many are old and infirm. Things are working along in a satisfactory manner at the present time.

Superintendent Putnam and wife and others now employed are doing good work in the care of any who may be sick or need special attention.

Respectfully submitted,

A. L. MARDEN.

Claremont, N. H., Dec. 31, 1906.

## Chaplain's Report

---

TO THE COMMISSIONERS OF SULLIVAN COUNTY :

I have attended to my duties as chaplain during the year. I have held the regular Sunday afternoon service once in two weeks. The inmates are very much interested in the services. I have attended one funeral at the house. I have every reason to believe that the inmates are kindly looked after by the superintendent and his family.

I have been very much helped by them in the religious services ; also by Miss Della Wood as organist.

Respectfully submitted,

REV. C. T. MATTHEWS.

North Charlestown, N. H., Dec. 31, 1906.

## Solicitor's Report

---

During the current year forty criminal prosecutions have been instituted for the following crimes: Two larceny, and three larceny by bailee; six simple and two aggravated assaults; six illegal sales of spirit; two statutory rape; two breaking and entering; one attempt to burn barn, and one burning store; seven search warrants for liquor, and three for stolen goods; one surety to keep the peace; one brawl; one non-support of minors; one obtaining money by false pretense; one accidental homicide,—perpetrated in the towns of Claremont, Plainfield, Springfield, Charlestown, Sunapee, Acworth and Cornish.

Fourteen indictments have been found, disposed of as follows: Two jury trials, four pleas of guilty and sentence, two sentences suspended, one criminal insane sent to asylum, four indictments not prossed because of trial or plea to other indictments pending, and one indictment against a party sentenced in Vermont, placed on file.

Not a case remains on the criminal docket, every case having been disposed of to date.

The grand jury sat but one day at either the May or November terms.

No fines, costs, or other moneys belonging to the county have been paid to or handled by me, as the statute provides.

There are no civil suits pending against the county.

F. H. BROWN, Solicitor.

Having had twelve years experience as Sheriff and Jailer for Sullivan County, I have learned that it will be good economy for the county to have and keep on hand at the jail a small quantity of ready-made clothing of different sizes to fit culprits who may be committed for offenses.

As a rule persons when committed are poorly clad, if not ragged, and are soon calling for clothing which necessarily has to be supplied, and frequently when they are discharged a new suit is necessary in order for them to appear decently among people. If a suit was furnished for each party when committed, the suit he was wearing when taken into captivity could be kept for him to don when he should be discharged.

Clothing that was good enough for him to wear when committed will then be good enough for him to wear when he is restored to freedom. The suit worn by him while in jail can be kept for his successor. Thus will the county save money.

The jail itself is a fine building, in excellent condition, with all the modern improvements, and the convicts ought to be decently clad, while confined, with cheap, comfortable raiment which will have a tendency to foster their pride while in a sober restraint and thereby conduce in a measure to their moral elevation.

Respectfully submitted,

J. V. GUNNISON, Jailer.
