REPORT OF TROY FIRE DEPARTMENT

At the end of the year we find that our trucks and equipment are in excellent shape.

During the year the members of the department have shown great interest in answering alarms and taking great pride in working at the new fire station.

Every year members of the department attend Fire Training School to help them learn more about fighting fires and also giving the citizens of Troy a well trained, well managed, and well organized Fire Department.

SUMMER RECREATION REPORT

by

Robert L. Stevens

Summer Recreation Director

August, 1967

OBJECTIVES:

The primary purpose of the summer recreation program was to give the children of Troy an opportunity to participate in a well rounded recreation program. The program consisted of tennis, swimming, boating, baseball, softball, soccer, archery, volleyball, arts and crafts, and basketball. Certain areas were stressed more than others due to the interest generated by the group and in the case of swimming, the weather. It is hoped that the skills learned by the group and the teamwork exhibited will generate into their school and winter activities.

ACTIVITIES:

Two trips to Mt. Monadnock

Field day at Robinhood Park, Keene, N.H.

Field day with Fuller Park in Troy

Field day with Cleveland Park in Troy

Camp Woodbrook

- soccer match, 8-12 yrs.
- soccer match, up to 14 yrs.
- tennis & archery, 8-15 yrs.
- baseball game, 8-12 yrs.
- baseball game, 12-15 yrs.
- swimming meet, 8-15 yrs.

Field day for everyone the last day

I would now like to take the space to express my sincere appreciation to the members of the community who cooperated with me to make the program a success. Without their cooperation many of the trips could not have been taken.

Mrs. Drake, Mrs. Favreau, Mrs. Satorio, Dr. Paul, the Poirier family, David Ruscheleau, James Budd.

RECOMMENDATIONS:

The sandy area around the tennis courts be loamed and seeded.

Sand brought to the beach.

Dayna Drake and Dennis Poirier be given opportunity for employment in the program unless persons 16 years or older can be secured with the proper qualifications.

An evaluation of the program should be done at the end of the program by a group of interested citizens.

- a) Areas of strength and weakness should be examined so that each succeeding program will become more successful.
- b) This gives the community an opportunity to see what the program is actually doing for its youth.
- c) If the program appears to be successful, the community may wish to contribute more economic assistance.

SELF EVALUATION:

More opportunities to participate with other groups.

Recreation program be closed on days when activities are out-of-town.

Maintenance be done by the town of Troy.

I have enjoyed working with the summer program and would like to be considered for employment next season.

Respectfully submitted,

ROBERT L. STEVENS

Report of Forest Fire Warden & District Chief

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M.-5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material-use the ashtray.

Number of Fires & Acres Burned

Troy's Record Reflects the Corporation of citizens of Troy.
Many Thanks—The Warden.
