ANNUAL REPORT OF THE WEARE POLICE DEPARTMENT

During 1966 the department handled 180 cases.

Motor vehicle accidents numbered the same as last year, but involved a bigger percentage of local people. It is gratifying to see a sizeable decrease in Breaking and Entering Larceny cases, and in Vandalism. As usual most breaks were in closed up buildings; summer places and camps. This is a general condition even in the cities. Taken were money and household articles. If you close up your place, take all firearms, power-tools, antiques, and money with you.

Money was the principal item taken in breaks this past year. Stores, homes, and schools were the scenes of these robberies. Very little evidence is left in these breaks.

Criminals are becoming more bold and sure of themselves as the result of recent Supreme Court Rulings and Civil Rights Legislation. Questioning of suspects is practically impossible, most confessions are worthless, and even a good tight case may be lost because of a trifling technicality. If criminals are found guilty the sentences are light if imposed at all.

The resulting situation does not give a Police Officer much encouragement. The arresting officer is more often on the defensive in court than the accused.

There has never been a time in this country since the days of the Indian raids, when people needed to be able to protect themselves than the present. Police in the most highly organized city departments cannot prevent murders, rapes, holdups, etc., from occurring. Weare experienced its first armed robbery this past year. The victim's car and money were taken. The car was wrecked in the get-away and no restitution is demanded by the law leaving the person robbed to stand the loss about one thousand dollars above the insurance collected.

Purchased during the year were two portable radios on our police frequency and a Polaroid camera. These items were much needed.

Be alert to all strangers attempting to sell you services or items. Call in to check on them. Take down car registration numbers of all suspicious persons. Rackets go all the way from bogus furnace inspectors to lightning rod service men.

Patrol work accounted for 150 hours and 1837 miles and cost \$291.09. Weather conditions and lack of activity made less patrolling necessary this past year. Men who work daytimes are not anxious to stay out nights on routine patrol. Not all patrol work done is represented by the amount paid for.

The usual Lawn Parties, School plays, Graduation, Winter Carnival, Memorial Day, Band Concerts, Funerals, Benefit games, and other activities were policed by the men giving their services.

Trooper Nelson Russell has been of great assistance to the department and we appreciate what he has done for law enforcement in Weare. The assistance of The Rescue Squad and all others who have helped us is greatly appreciated.

Gerald Hight, Chief
Weare Police Department

ANNUAL REPORT OF THE WEARE VOLUNTEER FIRE DEPARTMENT

Weare had a very good fire record during 1966. Thirty-one alarms were answered by the department. This is a substantial reduction from the previous year, and a low for several years: 4 building fires, 5 chimney fires, 2 motor vehicle fires, 1 oil burner fire, 2 fires in household equipment, 5 dump fires, 2 brush or grass fires, and 1 trash fire. Damage was slight from building fires, all being quickly extinguished; 1 lightning, 1 overheated funnel, 1 bed fire from smoking and 1 barn set by children.

One brush fire, set by lightning, on the south slope of Mt. William presented some problem and was quite expensive. This fire burned 4 days before being discovered but burned only about ½ acre.

Two brush fires were in The Clough Reservation. This State Park is a problem to Weare, because of the extensive use made of it as a hunting, fishing, and recreation area. We have too many brush fires in Weare. Burn only with a permit from The Forest Fire Warden. Be fire conscious at all times. Fire Prevention always pays off.

The operators of The Red Net Work answered over 275 calls for different types of assistance during the year. Excellent service is given by this system. There were 31 calls for the Fire Department, 26 for the Rescue Squad, and 181 for Police. Other calls were for information, Civil Defense, power failures, false calls, and wrong numbers. Not many towns give the high type of 24 hour service that we have in Weare.

The importance of the Rescue Squad is becoming greater every year. The members are strictly volunteer and give of their time and efforts. As with the Fire Department it is difficult to get men during the day. This is a Rescue Squad, not an Ambulance Service. Our Rescue Truck has been very useful and required the expenditure of the appropriation for this purpose. A radio was purchased and installed, 4 new tires, a complete brake job, new spindles and bushings, front wheel bearings, and extensive repairs to exhaust system were made so that it could pass inspection.

If the town wishes to continue this service a proper place should be provided to house this vehicle. The shed we are using is not much better than keeping it out of doors. Some thought should be given to replacing this vehicle which is old and was built by a company no longer in business.

The Department held the usual monthly meetings and several drills. Tests of the trucks and radio equipment are made at least once a month. Training is done along with the drills, meetings, and monthly tests. The fires we have do not offer many opportunities for training men.

A booster hose reel was installed on #3 truck, additional flood lights were built up, and a new entrance door was put in the Central Station.

Purchases included 200 feet of 1½ inch hose, 200 feet of 2½ inch hose, new rear tires for trucks #2 and #3, hand lights, batteries, and a new mobile radio for truck #2.

New head gaskets were put on #2 truck. Repairs were made to several radios. Most of the repairs to equipment were made by the members. Repacking #4 pump, touching up paint, repairing suction hose couplings, soldering and overhauling back pumps, sharpening tools, installing hose, reel, etc.

Another donation was received from Mr. Ronald T. Lyman, Jr. which will be used for equipment needed by the Rescue Squad.

The Ladies' Auxiliary had an active year. The Christmas Party and Strawberry Festival were enjoyed by the members of the Department. A Lawn Party was conducted by them.

Most men living in Weare work out of town. This makes it very difficult to get men during the day to respond to calls for emergencies. Those who are in town should be better trained and consider themselves to be on duty to answer calls for assistance.

Weare has made great strides in Fire Prevention. Let us work for an even better fire record in the coming year.

The Department expresses our thanks to all who have given it their support and assistance during the past year.

Gerald H. Hight, Chief
Weare Fire Department

FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days.

Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important – Instruct your children that matches are not play things.

TRULY – ONLY YOU CAN PREVENT FOREST FIRES

**THE STATE OF NEW HAMPSHIRE
SCHOOL WARRANT 1966**

To the inhabitants of the School district in the Town of Weare qualified to vote in district affairs:

You are hereby notified to meet at the Weare School Gymnasium in said district on the 3rd day of March, 1966 at 8:00 o'clock in the evening to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the district.

2. To hear the reports of Agents, Auditors, Committees, or officers chosen, and to pass any vote relating thereto.

3. To choose Auditors, Agents, and Committees in relation to any subject embraced in this warrant.

4. To see if the district will vote to authorize the School Board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

5. To see if the district will vote to accept the provisions of Title I, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

6. To see if the district will vote to accept the provisions of Title III. Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the

district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

7. To see if the district will authorize the Moderator to appoint a committee, of which at least three (3) will be members of the Weare School Board, to be known as the Weare School Building Committee for the purpose of studying future school building needs, to prepare plans relating thereto and to report on the estimated date of need, location and cost of any construction, at a time designated by the Moderator.

8. To see if the district will vote to create and elect an Area School Planning Committee consisting of three (3) qualified voters of the district of whom at least one (1) shall be a member of the School Board, which committee shall perform the functions and duties set forth therefor in the Revised Statutes Annotated of New Hampshire, Chapter 195-A, for the purpose of considering fully and objectively the question whether Weare and Goffstown and any other town or towns so desirous, should unite to establish an AREA high school, so as to be eligible for increased state building aid, tuition-bonus payments, and such other advantages as are provided for by said R.S.A.195-A.

9. To see if the district will authorize the Moderator to appoint a local study committee of which at least three (3) will be members of the Weare School Board, to investigate the possibility of the Weare School District becoming a part of a Regional School District with any or all towns indicating an interest in the same.

10. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund, together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

11. To transact any other business that may legally come be-

fore said meeting.

You are notified to reconvene at the Weare Gymnasium in said District on the 8th day of March 1966 at 1:00 o'clock in the afternoon, to cast ballots from that hour of said day for the following School District Offices:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose Three Members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

RECORD OF SCHOOL MEETING

March 3, 1966

The meeting was called to order by the moderator, Scott F. Eastman at 8:05 P.M. The warrant was read by the moderator.

ARTICLE 1. Mr. Pearson moved and the motion was duly supported that the present salaries for school board and truant officer be continued. The motion carried.

Howard Ineson moved and the motion was duly supported that the sum of \$280. be approved for salaries. The motion carried.

ARTICLE 2. The moderator ordered passing over this article.

ARTICLE 3. Howard Ineson moved that the town auditors audit the school district books. It was duly supported and the motion carried.

ARTICLE 4. Walter P. J. Brennan moved that this article be accepted as read. The motion as duly supported and the vote was in the affirmative.

ARTICLE 5. Howard Ineson requested a briefing on the difference between Title I and Title III. Mr. Perrigo requested that Mr. Peltonen, Superintendent of Schools, be allowed to explain. There being no objection, Mr. Peltonen explained that funds available under Title I were used in local projects such as the Reading Program voted on at the school meeting in December 1965. Funds available under Title II were used for projects on a supervisory union basis and funds available under Title III were used in projects involving a larger area possibly statewide.

After many questions and much discussion it was moved by George C. Sawyer and seconded by Elsie Purington that the article be accepted as read. The motion carried.

ARTICLE 6. It was moved by Howard Ineson and supported by George Crosby that the article be accepted as read. The motion carried.

ARTICLE 7. Mr. Perrigo asked for a report from Walter Hodgman,

Chairman of the School Board Sub-Committee studying building needs.

After Mr. Hodgman's report was given it was moved by Dorothy Leavitt duly supported by David Eaton, that a committee of six (6) be appointed. Walter Hodgman volunteered.

A question was raised about how appointments are made.

The motion was amended by Mr. Pearson, duly supported by Mrs. Gordon Russell, Sr. to read as follows: The Moderator is authorized to appoint the three members of the School Board and the District Meeting will elect three members of this committee. They are to report not later than the next annual school district meeting.

After much discussion over procedures for appointing committee members, a voice vote on the motion proved inconclusive. A rising vote was requested. David Eaton and Frank Bolton were appointed counters. The result of the vote was: Yes - 56; No - 32. The motion carried.

The election of the three members proceeded. The following persons were nominated: Walter Hodgman, Harold Thomson, Vernon Wood, Donald Campbell, Harold Hall, Joseph Lanctot. Also nominated but declining were: Howard Ineson, George L. Arnold, Kathleen Goulet and Miss Vint. The number of ballots cast was 119, of which 1 was void, Walter Hodgman-92, Harold Thomson-88, Vernon Wood-58, Joseph Lanctot-51, Donald Campbell-29, Harold Hall-25. Walter Hodgman, Harold Thomson and Vernon Wood were declared elected.

ARTICLE 8. Howard Ineson requested that the Superintendent of School be allowed to explain the differences between AREA, Regional and Cooperative Schools. There being no objection, Mr. Peltonen explained each type of school organization. After questions and discussion, it was moved by Mr. Pearson duly supported by Mrs. Campbell, that the article be accepted as read. The motion carried.

The following people were nominated: Verna Martin, Verna Sawyer, Donald Campbell, Alicia Walker, Kathleen Goulet, Harry Greer. The following were nominated but declined: Howard Ineson, Robert Munro, Lyhl Perrigo, Janet Purington. It was moved by Mr. Perrigo and duly supported that the nominations be closed. The motion carried and the balloting proceeded. Ballots cast -87. One was void. Results: Verna Martin-57, Verna Sawyer-54,

Harry Greer—56, Donald Campbell—33, Alicia Walker—36, Kathleen Goulet—14. Verna Martin, Verna Sawyer and Harry Greer were declared elected.

ARTICLE 9. Mr. Perrigo explained that the towns of Hillsborough, Henniker, Antrim, Bennington and Weare had been discussing the possibilities of a Regional School District.

It was moved by David Eaton and supported by George Crosby that a committee of seven (7) be appointed. The motion carried.

ARTICLE 10. Jack Reade reported that there was no recommendation from the Finance Committee.

After much discussion it was moved by Howard Ineson and seconded by Mr. Pearson that the sum of \$206,449.98 be raised and appropriated. There was much discussion.

It was moved by Amelia Leeds, duly supported by Donald Thomson, that \$200.00 be added to the amount requested in Mr. Ineson's motion. A standing vote was requested by Wilfred Brunette. Much discussion followed. Mr. Ineson withdrew his motion. Mrs. Leeds withdrew her motion for amending it.

Mr. Ineson moved that the sum of \$206,649.98 be raised and appropriated. This was seconded by Mr. Pearson. The vote was unanimous in the affirmative.

ARTICLE 11. It was moved by Howard Ineson and supported by Walter P. J. Brennan, that all teacher's salaries be listed in the Town Report. Vote in the affirmative.

Jack Reade moved that the School District Budget be in more detailed form in the Town Report. The motion was supported by Janet Brown. Vote in the affirmative.

The Moderator asked that all persons who had suggested for appointments under Article 9 contact him.

The meeting recessed until 1:30 P.M. Tuesday, March 8, 1966 at the Weare Gymnasium.

RECORD OF SCHOOL MEETING
October 26, 1966

The meeting was called to order at 8:06 P.M. by the moderator who then read the warrant.

Mr. Perrigo explained the reason for the article.

Mr. Joseph Brown moved that the moderator appoint three members of the Regional School Planning Committee. The motion was seconded by Elsie Purington. It was requested by Mrs. Robert Connell that a written ballot be used. Total number of votes cast—44. YES—18, NO—26. The motion was lost.

Mr. Pearson moved that nominations be received from the floor and three nominees with the largest number of votes being elected. It was also requested that a written ballot be used. The motion was duly seconded and the vote was in the affirmative.

The following people were nominated: Lyhl Perrigo, Janet Brown, Robert Munro, Janet Purington, and Alicia Walker.

It was moved by Elsie Purington and duly seconded that nominations cease.

The moderator asked if Mr. Dischino would prepare the written ballot.

While this was done, questions were asked concerning the work of various committees. Charles W. Brown, Jr. reported from the Building Committee; Lyhl Perrigo reported from the Regional School Study Committee; Verna Sawyer reported from the AREA School Study Committee; Harry Greer and Verna Martin also spoke from the AREA Committee and Robert Munro reported from the Regional Committee, also.

The state of the vote was as follows: Ballots cast—47. Lyhl Perrigo—44, Janet Brown—24, Robert Munro—40, Janet Purington—21, Alicia Walker—11. Lyhl Perrigo, Janet Brown and Robert Munro were declared elected.

WEARE SCHOOL DISTRICT

Report of the Superintendent of Schools

To the School Board and Citizens of Weare:

I herewith submit my fifth annual report relative to the schools of Weare.

The Superintendent of Schools office staff administers and supervises the schools and manages the school district business of Weare, Bow, Dunbarton, Goffstown and New Boston. This current school year the Supervisory Union added the services of Arthur Wagman, Business Manager in charge of the non-instructional and specialized business and accounting services. The school district warrant has an article that will designate his title as "Business Administrator". An affirmative vote by a majority of the school districts representing 85% of the students in the five towns will entitle the Supervisory Union to a state subsidy of \$2,700 toward his salary. There are currently more than 180 employees on the payrolls of the five towns with 31 in Weare. The total budgets are fast approaching two million dollars annually exclusive of building programs.

The enrollments in the Weare Schools from 1960 to the present are shown in the following table:

1960-61	1961-62	1962-63	1963-64	1964-65	1965-66	1966-67
333	320	328	361	394	371	362

The Weare Central School has a current enrollment of 191 distributed as follows:

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
28	30	41	32	33	27

It is anticipated that the enrollments for the 1967-68 school year will require an additional first grade. The seventh and eighth grade enrollments are as follows:

Grade 7 - 39	Grade 8 - 30	Total - 69
--------------	--------------	------------

With 102 in the high school and 69 in grades seven and eight it is evident that the high school building is housing students beyond its capacity. An additional seventh grade teacher will be required for the 1967-68 school year. Additional classroom space is imperative for the immediate and future elementary school enrollments (grades 1 through 8).

Principal Joseph Dischino has been instrumental in providing for additional materials and teaching equipment through projects submitted for approval to the State Department of Education under Title I. The Title I Federal Funds allocated for state controlled spending on the local level have provided equipment for a Remedial Reading Program. The teaching equipment includes seven film strip viewers, a tape recorder, Tachistoscope, and film strip viewers with slide attachments. A Language Master has been procured for speech correction and the teaching of first graders to read with visual association. Speed in reading is developed by "Learning Through Seeing" (A T.O.V. Viewer). Also purchased, were visual aids to accompany the program. These include vocabulary cards and six programs including arithmetic.

An audiovisual multimedia approach has been adopted involving film strips, instructional records, and slides in all fields including science, history, geography and English.

The elementary library has been expanded and a long range program established to attain American Library Association standards in the near future. The Weare School Board under the direction of Lyhl Perrigo, Chairman, has initiated an improved salary schedule to attract and retain competent and qualified teachers. It is important to the educational effort of Weare that the action of the board in terms of providing teaching materials, books and equipment and competitive salaries has resulted in a desired low teacher turnover rate. This gives assurance of the Weare schools maintaining a coordinated educational program relatively free of continual interruption by frequent changes in the staff.

It is gratifying to note that the community is earnestly seeking means of instituting a new educational system to better prepare our youth for the demands of the twenty-first century in which

they will live.

In conclusion I wish to acknowledge the support and cooperation extended to the administration by the school board, principals teachers, pupils and citizens of Weare as well as the loyal support of the Supervisory Union office staff.

Respectfully submitted,
Ernest Peltonen
Superintendent of Schools

Twelve children received complete dental care at the dental clinic sponsored by the P.T.A.

Pre-school registration was held in May with 22 children being registered.

One student seen every month at Adult Mental Hygiene Clinic.

One student attending Convulsive Disorder Clinic.

One student attended Heart Clinic.

One student attended Orthopedic Clinic.

One student attended Hanover Eye Clinic.

Two students attended Child Guidance Clinic.

Two students referred to their own Pediatrician.

One student under care at childrens' Medical Center, Boston, Mass.

One student received two vision examinations and glasses through Sight Conservation.

Two students were seen by the state Physiotherapist and given corrective exercises.

Crest Educational Dental Program was given in the first six grades.

The New Hampshire Tuberculosis Association and the School Health Department made it possible for all positive reactors to the Heaf Test and their families, plus school personnel to have a full chest plate at the Goffstown High School. This was a first for this school district and it was felt that a more complete follow-up was done and families were notified of the results of this examination at an earlier date. 135 attended this clinic.

A complete physical examination, including throat cultures and serology was completed on all cafeteria workers.

The School Health Department has made arrangements for a dental hygienist from the state department of Dental Health to carry on an educational program at all grade levels. This will be included in our next year's program.

We wish to express our thanks to the Superintendent, Parents, Teachers and School Board for their cooperation.
