## PUBLIC HEALTH NURSE

---

We herewith submit the report of the Andover Nursing Association:

It was with regret that the Committee accepted the resignation of Mrs. Maynard, after two years of efficient service,—but we feel that we were most fortunate in securing Mrs. Luella Carr Howard of Penacook to carry on the work.

Perhaps many people do not realize to what extent the nurse has been able to cooperate in the Relief and Welfare work made possible by the Red Cross and individuals. This work has been of great value.

The report follows.

Signed:

MRS. J. F. WOODWARD,  
STELLA T. THOMPSON,  
ELIZABETH A. DODGE,  
N. Y. B. MacKENZIE.

### Articles of Interest

There were two rummage sales and one lawn party held for the benefit of the clinic house.

Several "First Aid" demonstrations were given to the Girl Scouts, as well as to the members of the New England Power Co.

Two very successful clinics were held: Dental clinic with Dr. McKee of Franklin as dentist. Baby clinic with Dr. MacKenzie as examining doctor, assisted by State Maternity Nurse Mrs. Carrie Price and District Nurse Mrs. Maynard.

There were five school children operated upon for tonsils and adenoids. The money to pay for these cases was given by individuals and the Andover Red Cross.

One child was taken to the Balch Hospital in Manchester, for a hare-lip operation which proved very successful.

The little house which was given to the nursing association, has been completed. It will be known as the "Andover Clinic House". It is to be used for supplies and the nurse's general records.

The interior of the house has been finished in blue and white, with furniture to match, the latter having been given by individuals. The money used for this house was raised by rummage sales.

## REPORT OF ANDOVER TOWN LIBRARY

1932-33

To all the friends who have sent and given us books we wish to express our thanks. As heretofore, we have tried to be very economical this year and have bought no adult books, using instead the traveling library of the Public Library Commission. However, this coming year we hope that the Town will vote us \$50.00 extra, \$25.00 to be used at East Andover and \$25.00 at Andover. The children's books are taken care of by a fund.

The circulation of books at Andover is 2,299

On account of sickness we are unable to get the circulation figures at East Andover.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board of the School District of Andover:

I submit herewith, my fourth annual report as superintendent of schools:

I have purposely made my report briefer than usual in the interests of economy.

May I call your attention to the figures in the first table that represent the averages, total and aggregates for the year 1931-32. These are somewhat better than those of the preceding year. There were more sessions, a greater daily attendance, and less tardiness per pupil than in 1930-31.

The program of studies of the Girls' School is still in the transition stage and will be until such time as a fourth year has been established. However, the studies taken are those found in any of the standard high schools of the state. The school has met all the requirements of the State Board of Education and holds a certificate of approval, and both teachers hold New Hampshire State certificates.

Because of the increase in the equalized valuation of the town, there will be no State Aid available for the year 1933-34. This means that the so-called five dollar tax which must be raised so as to qualify for aid, is in excess of the proposed expenditures for elementary schools. The State Aid received this year is a little over one thousand dollars.

The budget as printed does not call for the raising of any money for major repairs. It may be well to suspend for at least a year the program of repairs other than those that are actually necessary.

I feel that all concerned are working for the interests of Andover boys and girls.

EARLE P. FREESE,

Superintendent of Schools.
