In looking over the accounts as presented by the school board and treasurer, I find them correct and properly vouched.

Library Report

Our last year money was all expended for books, of which we added, by purchase, 20 volumes ; by gift, one volume, and from the state, 9 volumes of reports, and state papers.

Received from the town February 15. 1916, \$15, the appropriation for 1915. This will be expended at an early date for books. As the library is kept in the home of the librarian, there are few outside expenses.

KATHERINE L. BOWLES, Librarian.
