In 1969 the welfare department was extremely fortunate in saving more than \$19,000.00 by negotiating with attorneys, state and county welfare agencies to relieve the town of several welfare cases. Our certification of 43 Troy families for Government Surplus Foods helped considerably to relieve the town of additional expenditures. The Town Road Agent helped considerably by trucking this surplus food to Troy.

However, under the new welfare laws, the town is legally liable to pay for various commitments and court orders made by state welfare agencies. The town welfare department is, in a sense, the bill collector for the state through personal collections and court action.

The Town Welfare Department would be very appreciative of any legacies or cash donations. These donations would be tax exempt for the donor.

ARTHUR W. BOWERS
Overseer of Public Welfare

REPORT OF TROY FIRE DEPARTMENT

This year we find ourselves faced with a serious problem of concern to both the town and the fire department.

In April, 1969 an inspection of the Troy Fire Department was made by the New Hampshire Board of Underwriters. It was their recommendation that "early consideration be given to the replacement of the 1946 Seagraves pumper" as they felt the useful life of a fire truck is 15 to 20 years.

We hope the town will make an effort to improve the fire protection facilities presently available. The cost of equipment is saved many times over by the prevention of damage by fire.

The department is also faced with a daytime manpower shortage and would appreciate volunteers to join the department who would be available during daytime hours.

The Engineers wish to thank the members of the department for their quick response to alarms as several fires might have been more serious had not the men responded promptly and done excellent work.

Thanks to the townspeople's support of our annual Lawn Party and Muster the department and auxiliary were able to purchase a portable resuscitator which we are sure will be of much value to the town.

We also wish to thank those citizens who have taken the time to remove snow from the hydrants. Remember — fire prevention is everyone's responsibility.

Dear Chief Magnani:

Last April, an inspection was made of the Troy Fire Department. At that time, it was recommended that the present Seagraves pumper be replaced in the near future. In consideration of the approaching Town Meeting, we would inquire if anything is contemplated for this year.

Sincerely,

**REPORT OF THE TRUSTEES
OF THE GAY-KIMBALL LIBRARY
Year Ending December, 1969**

Several projects for improving the library facilities were completed during the past year, including refinishing of the floors, painting of interior walls, repairs to windows and window casings and the clearing of the small basement room.

The Friends of the Library have proposed to assist in a project of collecting and collating items which may have historical interest for the citizens of Troy. If anyone has such items as old letters, diaries, maps, pictures, etc. which they would like to donate for this purpose, please contact Mrs. Arthur Childs, assistant librarian. This organization has donated a film projector and stand for library use.

Dr. and Mrs. Samuel Paul gave the library approximately 250 books. Generous citizens also donated several new records.

A book depository has been constructed and attached to the front door for the convenience of those who wish to leave books during those hours when the library is not open.

A bequest in the amount of \$2,000.00 from the estate of Hazel M. Gay in memory of Walter N. Gay and Harold J. Gay. This bequest to be used for the general purposes of the Library.

Four art exhibits were held during the past year. The State Bookmobile came only three times this year.

The trustees thank the librarian, Mrs. Dorothy Lagrenade, and Mrs. Frances Childs and Mrs. Betty Hasting, assistants, for their efforts and interest.

TROY WAR MEMORIAL 1969

I wish to extend my personal thanks to my committee — John Hazelton, Martin Rocheleau and Robert Daniels — to all the interested persons, taxpayers and voters who help make our Sand Dam Program possible. Thank you. Thanks especially to James Coppo and Martin Rocheleau who with the help of the Troy Mills were able to build our bridge, to Foss Trucking for the free rubbish removal, to the Fire Department for helping with the dock and the beach cleaning job.

Thank you to Paul Breckell and his staff, Dana Drake and Dennis Poirier for the great job they did this year.

Drinking water still has not been put into the Sand Dam. However, the Water Commissioner assures me that with the new main water line on South Street that it will not be too big a job now to install water.

The beach was not enlarged this year. Perhaps next year with a little cooperation, this dream will come true.

John Hazelton has been appointed to the Sand Dam Committee to fill the recent vacancy. John will run our Winter Program. This is our first year, and Bob Parsons will be our skating instructor.

The money for the Winter Program is in our checking account. We have made some purchases for the Winter Program but as of December 2, 1969 have not paid any bills. We feel that we will be able to stay within our budget.

Five hundred dollars is being held in our checking account with the outlook to buy new playground equipment such as swings, slide, a new diving board and a slide for the beach as we can afford to buy them.

Dr. Paul left us two boats which we are using.

I have just one official complaint and that is that all the parents in Troy do not send their children (age six or more) to the Sand Dam. We have a wonderful program and would like to have more children participate in it. We are one of the more fortunate towns in the area to have the summer facilities that we have. I urge all the parents to encourage their children to come to the Sand Dam this coming season.

Respectfully submitted,

FRANK J. OBUCHOWSKI

FRANK J. OBUCHOWSKI

TROY RECREATION PROGRAM AT SAND DAM

The two main objectives of Sand Dam for 1969 were to provide a safe place for swimming and to afford an opportunity to learn how.

Those taking lessons were required to meet the standards set by Red Cross. In the beginner's group alone, over 30 youngsters tried very hard to master the fundamentals of swimming.

Other activities included basketball, baseball, softball, ping-pong, tennis, and Arts and Crafts. Our special events were a bicycle rodeo, canoe races, a ping-pong and horseshoe tournament, a trip up Mount Monadnock, and the track and field events at Keene. The success of these activities is due in part to the outstanding work of Dana Drake and Dennis Poirier.

My personal thanks to Mr. Frank Obuchowski for his interest and cooperation and to those people who provided transportation and helped out any way. It was appreciated. The Fire Department aided in the opening of Sand Dam by putting up the docks. Martin Rocheleau and helpers built a sturdy footbridge leading to the diving area.

The highlight of the season was the Peanut Carnival. The youngsters built their own booths, made posters, ran their own games and even helped count and bag the peanuts.

Respectfully submitted,

PAUL J. BRECKELL

Report of the Forest Fire Warden and District Chief

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

FIRE PERMIT

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

EXCEPTIONS

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

PENALTIES

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.
