* * *

We wish to thank Mrs. Mae Morrison for her generous contribution of turkeys for our Christmas and Thanksgiving dinners and also her gift of a new mattress.

Our thanks to the members of the Morrison Hospital Auxiliary for their constant interest and assistance throughout the year. They generously donated 25 plaid blankets, 5 doz. patients' gowns, 10 doz. wash cloths, a bolt of curtain scrim and 25 bath blankets. We are also very grateful to those people who helped to make these gifts possible through their contributions and assistance at the Morrison Hospital Auxiliary Street Fair.

We want to thank our Alumnae Association for contributing a new white desk and chart rack for our Obstetrical Department.

We are especially grateful and appreciative to Mr. Simon Shifman of Newark, N. J. who very generously gave us a large deep-freeze.

We also wish to thank Mrs. Charles Bertwell for many frozen fruits and vegetables, the American Legion for the large amount of oyster stew given, Mrs. Everett Raether for applesauce, Mrs. Everett Courcey for jelly, and the many others who donated papers, magazines, and vegetables.

The friends and relatives of Mrs. Lottie Stoughton gave us a lovely modern wheelchair, in her memory and another wheelchair and walker were left us by the late Col. Henry Teague. Our grateful thanks to those who made these gifts possible.

The cooperation of the nursing staff and domestic staff is appreciated.

Respectfully submitted,

ANNIE M. RIDDELL, R. N.

Only YOU Can PREVENT Forest Fires

New Hampshire faces a real forest fire problem and challenge! To meet it successfully, New Hampshire and your community needs YOUR thoughtful and cooperative effort.

Continuously heavy lumbering operations following the hurricane has produced more than 4 billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizable slash problem.

When YOU fail to use needed precaution while burning in or near woodlands —

When YOU fail to secure the required permit from your local forest fire warden before burning —

When YOU are careless in smoking near woodlands —

When YOU throw lighted cigars, cigarettes and matches from vehicles moving along the highway —

YOU are violating fundamental common sense and may easily contribute to a substantial and costly fire. Such conflagrations are possible because of the hundreds of thousands of slash acres throughout the state!

REMEMBER — the fire YOU prevent might be one which could conceivably burn YOUR property and harm YOUR community!

ONLY YOU and YOU and YOU can prevent forest fires! ! Will YOU help?
