The increase of debt is due to the expense of the King murder trial, which amounts to about \$4000. Without this outlay the debt would have been reduced about \$3,500.

ALBERT W. LEIGHTON,
 WILBUR H. GILMAN,
 GEORGE A. BLANCHARD,
 County Commissioners.

County Farm.

The commissioners wish to acknowledge their obligations to Mr. and Mrs. Frank Meloon's faithful management for another year, and we consider the County very fortunate that we can secure their services for the coming year. Under their care the institution is conducted with very little or no friction. Were the service of Mr. and Mrs. Meloon less efficient the commissioners would have to spend much more time directing the affairs at the Farm.

ALBERT W. LEIGHTON,
WILBUR H. GILMAN,
GEORGE A. BLANCHARD,
County Commissioners.

Chaplain's Report.

TO THE HONORABLE BOARD OF COMMISSIONERS OF CARROLL COUNTY:

GENTLEMEN:—During the past year it has been my privilege to conduct, in continuance of a long-time custom, the monthly services of worship at our County Farm, and to render such additional service from time to time as circumstances may require.

It is a simple and infrequent service, but evidence comes now and then that it has a real value for those on whose behalf these ministrations are rendered.

There is a "homey" atmosphere pervading this institution due, of course, in large measure, to the kindly administration of the superintendent and his efficient wife and family, which have led me to call it in my own thought, Our County Home.

This year, as last, it was the privilege of the village Sunday school to assist in providing Christmas gifts for the inmates.

Respectfully,

F. H. REED.

Ossipee, January 5, 1911.

AID TO PERSONS QUARANTINED.

It sometimes becomes necessary to assist a family when quarantined on account of scarlet fever, diphtheria etc., by reason of its being deprived of the opportunity to earn wages or from other causes, and to provide for which the following law was enacted by the legislature and approved March 11, 1899.

SECT. 1. Whenever any person or family is placed in quarantine by a board of health, to protect the public against smallpox, scarlet fever, diphtheria, or any other dangerous, infectious or contagious diseases, it shall be the duty of said board to assist such person or family while in quarantine in such a manner as in the judgement of the board may be deemed wise and necessary.

SECT. 2. All expenses thus incurred, or such part there-

of as the board may determine, shall be deemed a legitimate expenditure for the protection of the public health and shall be charged to the account of incidental expenses, but not to any indigent pauper account, nor shall such expenditure be construed to mean a public aid to the person or persons so quarantined and assisted unless such person or persons are already paupers as defined by the Public Statutes.

The above law would seem to solve, in a thoroughly satisfactory way, a question which heretofore has been considerable of a problem in some localities. The entire matter is left to the judgement of the local board of health, and whatever aid the board may deem to be wise and necessary to extend to the families in question must be paid by the town and charged up as provided for in section 2.

PUBLIC STATUTES.

CHAPTER 84.

LAWS IN RELATION TO AID FURNISHED TO INDIGENT SOLDIERS,
AND PROVIDING FOR ENTRANCE TO THE SOLDIERS' HOME
IN CERTAIN CASES.

SECT. 9. Whenever any person resident in this state, who enlisted in the quota of this state, and was reckoned and served as a soldier or sailor from New Hampshire in the army or navy of the United States, in the War of the Rebellion or in the Spanish or Philippine wars, and who received an honorable discharge, not being under guardianship or legal restraint, shall become poor and unable to provide maintenance for himself and dependent family, such person, his wife, widow or minor children, or such of the children as are unable to maintain themselves shall be supported at the public expense in the town or city of their abode, at their own home or any such place, other than a town or county almshouse, as the overseers of the poor or county commissioners shall deem right or proper, but no person shall receive aid under the provisions of this section unless he has resided in this state three years or more before making application for such aid, and no person shall, while receiving aid under the provisions of this section use intoxicating liquor to an extent, which shall render him incapable of working at his usual occupation; and no person receiving aid under the provisions of this section shall sell any article furnished him, nor exchange them for intoxicating liquors, nor share any such aid with any persons other than those above named as being entitled to the benefit of these provisions.
