**THE STATE OF NEW HAMPSHIRE
TOWN WARRANT**

To the Inhabitants of the Town of Tamworth in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Kenneth A. Brett School in said Tamworth on Tuesday, the Fourth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To bring in your votes on the alteration and amendments to the Constitution of New Hampshire proposed by the 1974 Constitutional Convention and the 1973 General Court.

ARTICLE 2. To choose all necessary Town Officers for the year ensuing.

The meeting will be in two parts.

I. In order that the following articles may be legally voted on by Australian ballot, you are hereby notified that the polls will be open for this purpose at 10:00 of the clock on said Tuesday, March 4.

II. The meeting will reconvene at 7 P.M. on March 4, next to see what sums of money the Town will vote to raise and appropriate for the following purposes and to transact any other business which may legally come before this meeting.

ARTICLE 3. To see what time the polls shall be closed.

ARTICLE 4. Maintenance of General Government.

**TAMWORTH POLICE DEPARTMENT
1974 REPORT**

To the Honorable Selectmen and
Citizens of the Town of Tamworth.

With the cooperation of this community, this police department has been able to render assistance for the many problems concerning law enforcement. We hope to be able to continue, with the cooperation of the community and other law enforcement agencies, to reduce the law enforcement problems of the community. The following is a report of the police departments activities:

Accidents	10	DWI	3
Alarms	8	Fires	6
Arrest: Adults	11	Gun Complaints	5
Juvenile	12	Larcenies	7
Assist Motorist	8	Malicious Damage	3
Assisting		Miscellaneous	52
other Departments	12	Prowler	3
Attempt to locate	10	Rescue Calls	10
Burglaries	22	Snow Machine	
Checks	20	Complaints	5
Civil complaints	7	Summons	23
Defective Equipment		Suspicious Vehicles	20
Tags	65	Warnings	24
Dog Complaints	7	Miles of Patrol	28,400
		miles	

Respectfully,

ROGER A. WATSON

REPORT OF TAMWORTH FIRE DEPARTMENT

The Fire Department had 22 runs this year.

- 6 Structural fires
- 2 Grass fires
- 2 Dump fires
- 5 Chimney fires
- 2 False alarms
- 2 Forest fires
- 1 Mutual Aid run
- 2 Others

One of the fires required full mutual aid from the other six departments and another required assistance from three departments.

Regular drills were held each month along with some special drills. Six men went to the Lakes Region Mutual Fire Aid Association Fire School in Gilford.

New equipment bought this year included rope, walkie talkie, pike poles, wrenches, hose, 1 air pack with extra tank, hose covers, quick release air pak holders and 2 Plectron receivers.

We again urge all home owners to keep their chimneys clean and homes free of trash inside and out to lessen the chance of fire. With the increased use of wood for heating homes, care should be taken in the placement of stoves in respect to combustible materials. The chimney that the stove pipe goes into should be of an approved type and safe.

DAVID A. BOWLES
Chief

**REPORT OF THE TAMWORTH RESCUE SQUAD
EMERGENCY UNIT
1974 ACTIVITIES**

1974 again brought an increase in emergency calls, however serious auto accidents decreased in our area.

During the past year much new equipment has been added to our unit which has greatly increased our effectiveness. During the year we also had 5 more graduates from the 82 hour emergency medical technicians course which now gives us 10 emergency medical technicians.

The following is a break down of our emergency calls for the year of 1974:

Auto Accidents	10
Industrial Accidents	2
Household Accidents	9
Medical Emergencies	25
Fires	10
Other Types	18
Dry Runs	3
	<hr/>
Grand Total of	80 Calls

Total Unit Hours on emergency calls: 135 hrs. 31 mins.

Total emergency miles: 1,028 miles

Number of people assisted: 68

Fatal Incidents: 5

Respectfully submitted,
RANDALL HAYFORD
Captain
Tamworth Rescue Squad

REPORT OF ROLLAND LORD FOR

JOINT AMBULANCE SERVICE

From a conversation with Mr. Wiggin on Feb., I am forwarding a list of Amb. calls in Tamworth, along with Date & Name.

I hope you will agree with me that the most economical way to provide for Ambulance Service for our several Towns, is by this joint effort.

If at any time you think it necessary, I will always be ready to meet with you to discuss the aspects of the Service.

THE TAMWORTH TOWN PLANNING BOARD

The work load of the Tamworth Town Planning Board continues to grow as is evidenced by the following annual report.

By-laws were adopted in February and the official name of the Board became The Tamworth Town Planning Board. John B. Hidden, Sr. and Elva F. Bickford were appointed, by the Selectmen, to serve as Board members for five year terms. The resignation of Francis G. Cleveland was accepted with regrets. Mariette Ross was appointed to fill the unexpired term.

The following serve as representatives to other organizations: John F. Damon and Lillian McGrew to The Solid Waste Disposal Group, Nathan H. Hughes to The Lakes Region Planning Commission, John B. Hidden, Sr. to The Tamworth Conservation Commission.

Twelve regular meetings were held from January 31, 1974 to January 31, 1975. Seven special meetings were called: three to study subdivision regulation revisions, one to vote on the Scenic Roads Bill widening of a small portion of the Washington Hill Road to complete what had been started earlier and three to discuss proposed subdivisions with developers. Various field trips were made by individual members for inspectoon of newly constructed roads within subdivisions and of proposed subdivisions in order to properly evaluate the proposals. Two field trips were called for all members concerning one questionable subdivision.

Seven hearings for abutters to proposed subdivisions were held, resulting in the approval of fifty-two lots of one acre or more; one camping area comprised of twenty-five sites and one mobile home park with fourteen lots presently planned. Nine limited subdivisions were also

approved. One subdivision approval was contested and a summons to a hearing found three members attending a Court session in Ossipee in October. Four Dredge and Fill applications were reviewed by the Board.

A float for the Firemen's Fourth of July Parade? Yes, the Planning Board was a part of it, thanks to Lakes Region Planning Commission Graphics and John Damon's pickup truck.

The Lakes Region Planning Commission, of which Tamworth is a member Town, has given substantial assistance to the Board in various fields during 1974. To mention some of them: the posters showing colorful maps and questions concerning the future development of Tamworth: arrangements for an on site consultation with and follow up recommendations from an engineer connected with Environmental Engineers, Inc. - Consultants of Concord, N. H., which gave the Board a broader insite concerning a questioned subdivision: work on Tamworth Land, Use Maps completed; town base road map, soils, slopes and wet lands maps - the last three being in color - and attendance of Arthur Lerman at two meetings to explain the Housing and Development Act, to assist in the final drawing up of subdivision regulations revisions and to go over the Commissions' Land Use Mapping Plans, thus giving the Board procedure to follow for further development of a Land Use Plan for Tamworth.

The Tamworth Town Planning Board has been well represented on the following occasions: a Hearing in Concord on House Bill 22 - Critical Areas; N. H. Public Service Hearing in Madison concerning 115 KV transmission line from White Lake substation to Madison Town Line; Citizen's Workshop on Guiding Growth, Interlakes High School, Meredith; Tour of Recycling of Solid

Waste in Nottingham; Governor's Symposium on Erosion
and Sediment Control, Margate Resort in Laconia.

Respectfully submitted,
MARION I. SPAULDING
Chairman 1974 - 1975

Board Members:

Kenneth E. Wiggin, Selectmens' Representative

Lillian McGrew, Vice Chairman

John F. Damon

Mariette Ross

Elva F. Bickford

John B. Hidden, Sr.

Elizabeth F. Bowles

1974 REPORT OF THE TAMWORTH CONSERVATION COMMISSION

The major activity of the year has been the project under the Ford Foundation grant of surveying and mapping Conservation Commission lands, and clearing and marking boundary lines. This has now been done for the Commission land on both sides of Jackman Pond, for Waterfowl Haven in Chocorua, for Black Spruce Bog Ponds, & for the Kennett Triangle, a small triangle of land jutting into Hemenway State Forest on the east side of Chinook Highway, recently given the Commission by the Kennett family. The total cost of this important work was \$1,350 of which the Ford Foundation grant, which made the project possible, paid \$875.

The Conservation Commission shared with the Garden Club the expense of sending a student to Youth Conservation Camp. Jessie Hughes, the student honored, attended camp and later gave an excellent report to the Conservation Commission showing a good grasp of subjects studied.

The Trail Committee, under Percy Olton prepared a preliminary guide to the Big Pines Nature Trail, a supply of which is kept, except in winter, in a box open to the public at the start of the trail. In the box also are the Garden Club guides to the Easy Walker's Trail, completed a year ago.

Work of the Addendum Committee, under Betty Steele, is less tangible, but is progressing. The Committee is charged with adding to the Tamworth Conservation Plan specific recommendations, a long-term task which involves study and field trips to many areas of town.

Florence Damon, appointed to the Commission since our last report, now heads the Education Committee which aims primarily to work through the school, and has held one field trip with the 4th grade.

State law now requires that the Conservation Commission be notified of all Dredge and Fill applications from Tamworth to the state. Only one major application was reviewed by the Commission with the land owner, and

considered satisfactory, so no further steps were taken. An unsatisfactory review would lead to a public hearing and report to the Special Board for Dredge and Fill before it could act on the application.

Under the Scenic Roads law, the Planning Board held a hearing on proposed widening on Washington Hill Road. Conservation Commission members studied the section to be widened and made recommendations to the Planning Board at the hearing.

Among other activities, Commission members attended ten meetings and hearings throughout the state. Several public field trips have been held and one work party in which the Commission was ably assisted by volunteers wielding chain saws and other implements to clear a trail from Bunker Hill Road around the south shore of Jackman Pond.

Liaison member of the Planning Board and Conservation Commission is now John Hidden, Sr., a member of the Conservation Commission since 1970, who was appointed to the Planning Board last spring.

Respectfully submitted,
ELIZABETH A. STEELE
Vice-Chairman and Recording
Secretary

Margaret King, Chairman
Percy Olton, Treasurer
Florence Damon

Community Service:

Conducted a Safety and First Aid Class for 4H Baby-Sitting Program

Tamworth Project Outreach Program has completed another rewarding year supplying our shut-ins with tapes, get-togethers, and the service of the volunteers who faithfully visit these people.

Our remembrance for shut-ins and the lonely for Christmas was a great success due mainly to the residents who donated new clothing, food, money, adult and children's games, stationery, sundries, etc. Gifts were delivered to thirty happy recipients.

My thanks to Mrs. Margaret Damon, R.N., who covered the service during my vacation.

ANNUAL REPORT TAMWORTH OUTING CLUB

The Tamworth Outing Club sponsors a variety of activities through the year, to provide recreation for both children and adults of the Town.

Last summer the Tamworth Little League baseball team, a member of the Madison, Ossipee, Sandwich, Tamworth League played ten games and did well under the coaching of Ed Mallett. The team got five new uniforms. The Farm team, coached by Ken Johnson was given caps and shirts. The Outing Club also contributed to the new Babe Ruth League team coached by Dana Steele; and supported the Tamworth Knights men's team, of the Portland Twilight League.

A new project for the Club is the Little League ball field behind the School. With a lot of work and a little luck this field should be ready for play by middle or late summer.

The summer square dances continued popular and were held weekly at Stafford's Barn, with two orchestras, and callers Dudley Laufman and Ned Behr alternating the ten dances.

In August the Ladies Singles Tennis Tournament, part of the annual Chocorua Tennis Tournament, was sponsored by the T.O.C. and ably run by Ellen Moot.

The two trap shoots on Great Hill in September were well attended by both sportsmen and spectators. It is a beautiful spot just to sit and watch. As has happened before, the shooters' enthusiasm carried them late into the afternoon until the clay pigeons were being lost in the dusk.

The rifle shoot was held a week earlier than usual in an effort to beat the cold weather we often get at the end of October. The youthful 22 cal. shooters outnumbered the high power ones, but with good competition in both classes. The moving targets and the presence of old

fashioned muzzle loaders always make an interesting event.

The summer dances went so well we decided to have Dudley Laufman once a month all winter at the old Town House. These in turn have done so well that an excellent local group, The Tamworth Contra Band, has run one or two more each month.

After last year's energy-saving blackout of our Town Christmas Tree, we decided this year that the Spirit of the Season called for a lighted Tree, and did so.

This year the skating rink behind the Post Office in Tamworth was enlarged, and the Firemen were great as usual, having pumped over 15,000 gallons onto it. After last year's washout the rink is getting good use again.

The New England Sled Dog Club's annual first race of the season was held again at Chocorua Lake promoted by the Tamworth Outing Club. There were fine races in three junior classes and four senior classes, with good weather and a near record ninety teams in the senior division.

The ski instruction program for the children of the Kenneth Brett School is back on Thursday afternoons because of the fortunate re-opening of the Mt. Whittier Recreation Area. The Outing Club provides about forty-five pairs of skis and poles at a small fee, but this year's record 98 enrollment indicates many parents agree that this is a worthwhile activity. The T.O.C. also provides financial assistance to some thirty local school children for season passes to Mt. Whittier or Mt. Cranmore.

The Outing Club meets the second Thursday of each month and would welcome everyone to come with suggestions and offers of help. And, of course, we sincerely thank those who have contributed their time, talent, and finances to furthering these activities.

COOK MEMORIAL LIBRARY

1974 was a banner year for your library. More adults and children (3258) utilized the Library and its services--borrowing more books, magazines and records (5415) than any other year.

Our thanks go to the many individual and groups who helped and improved Cook Memorial Library in many different ways. The "Friends of the Library" beautified the interior with wall to wall carpeting--warm and attractive--richly complemented by the striking new drapes. Remick's Store donated their old paperback rack which our trustees painted. It displays the paperbacks far better than a shelf, as our brisk business in checking out this type book indicates. The Meredith Banks, where our library funds are located, donated tote bags for our patrons use in carrying and protecting borrowed books. The Garden Club with its talented "green thumb" filled our window boxes with bright and colorful flowers and in the winter with dark green evergreen cuttings and contrasting red berries. At Christmas they placed an attractively decorated tree in our window.

Throughout the year the Librarian was aided by the young and very capable Brett School volunteer, Natalie Johnson, and, from the summer on, by Lynda Wheeler, A Tamworth teenager, working under the auspices of Vista. Our gratitude also goes to the donor of the American flag--received just in time for the 4th of July parade. Our trustees have added a much needed light in the front hall to enable patrons to view maps displayed on the walls and the books for sale on the cart. We are also in the process of obtaining hot water, now required to meet minimum standards under State and Federal Law.

We can never adequately thank our wonderful cataloguing committee for their enormous and unending task in weeding and cataloguing the adult books. Our appreciation also goes to the many townspeople for the

gifts of books, paperbacks, magazines, memorials and donations.

In 1974 various paintings of Don Turner were displayed and toward the end of the year Willey Fromm exhibited some of her fine art work. A Tamworth resident contributed many beautiful prints which has enabled us to show the works of different artists and techniques every few weeks.

Other displays throughout the year included William Fennell's exhibit of books, pictures and folders from the British towns of Sandwich, Tamworth and Conway, The Historical Society's "Books of Our Own" and a "Collection of Historical Documents", the Conservation exhibit of a map and pictures of Tamworth, the Carroll County Extension Service array of pamphlets and folders on "how-to-do" projects for home and garden, the Brett School display of tutorial and remedial work in Speech and Mathematics and Alex Cook's lovely Christmas arrangement of needlework decorations.

Your Library continued its participation in "Outreach to Carroll County Shut-Ins", entered a float (aided once more by the wonderful "Friends of the Library") in the first of many 4th of July parades sponsored by the Tamworth Fireman's Club, joined the Chocorua Library in sponsoring a "garden books" display and a movie night, helped initiate a paperback library of their own for the teen center and hosted a State Library "Display of Children Books" for the North Country District. Our sincere appreciation goes to the ladies who handled the summer story hour for the three to six year olds and to the gentleman who ran the projector on the final day.

Cook Memorial Library joined the libraries from Sandwich, Chocorua, Moultonboro, Madison and Center Harbor in establishing the "Bearcamp Neighborhood Libraries" for the purpose of discussing and solving of mutual problems of small libraries. The trustees and librarian attended various workshops and State or District

meetings throughout the year. Your Librarian completed two more extension courses--"Introduction to Public Libraries" and "Evaluating Children's Books". Eight courses are now required for librarians in order to be certified to meet minimum state qualifications.

As a public service, one of our library trustees posts a monthly calendar of town events at the Post Office and at the Library to aid residents and visitors in checking town events and to avoid conflicts in scheduling. We do hope all town organizations will utilize this service.

Your Library offers Large Print books and magazines for the visually handicapped, welcomes the Tamworth Pre-School children to visit and use the children's collection, makes available its facilities for meetings for small community groups, cooperates in exhibits and displays. During the year we lent Brett School 463 books to augment their own collection, requested 160 books on varied subjects for individuals from the State Library through Inter-Library Loan, borrowed 2420 books from the State Bookmobile to add to our own collection, purchased or were given 298 books--thereby presenting our patrons with as wide a selection of material as possible.

Cook Memorial Library is open Wednesday from 1:30 to 5:00 and 7:00 to 9:00 P.M. and Saturday from 1:15 to 4:45 P.M. The telephone number is 323-8510. I hope 1975 will see more and more Tamworth residents using their library. Come in and look over our collection of books, paperbacks, newspapers, magazines and records. If you need information on a home or school project or want a particular book, we shall make every effort to help you. Your suggestions and recommendations are welcome for we are constantly trying to improve the library and its services and resources for your benefit.

Respectfully submitted,
JEAN ULITZ
Librarian

THE TAMWORTH FOUNDATION

September 1974

To the Tamworth Public:

As in past years, we report on the Annual and Trustees' Meetings of August 23 and on appropriations made then.

Income for the past year was \$34,816.36 of which \$4,915.00 was in contributions. These included gifts of \$1,265 in memory of the greatly missed Theodore C. Browne, once most helpful here. It is our practice that gifts over \$1000 be added to capital, but we hope to find special use for such memorial funds.

Under Miss Wilson's will \$2,734.52 was paid to her surviving sister, and \$181.90 went to printing and postage. By Mrs. Whittemore's bequest of which the Foundation is Trustee, \$9,251.61 was paid to the Tamworth Community Nurse Association, \$5,384.85 to the Chocorua Public Library. A fund contributed by Runnells descendents for maintenance of the Hall brought \$312.83. The total of these payments was \$17,865.71.

The remaining usable income was \$16,950.65 but in fact somewhat less because the gifts in memory of Theodore C. Browne were added to capital. Final bills for the new Town Office came to \$15,349.37; the total cost of the building over three years was just under \$50,000. The amount sounds high, but it included the substantial vault, made of brick and ventilated, for town documents, also the Nurse's office and equipment for it. Renovation of the old building simply for Town Offices was probably no more expensive than a new building would have been, but is more attractive and more fitting. Gifts to current causes- the Pre-School, the Rescue Squad, the Tamworth Library, the skiing program, baseball equipment, and a new post and nets at the tennis courts-were largely listed in the earlier letter; they came to \$5,800. With the final bills for the Town Offices, that meant an over-spending of at least \$4,198.72. As noted in past letters, savings had been made

toward the building but should continue for two years more. Hence this year's gifts for the most part simply repeat those to current causes, with addition of \$200 each to the School Library and Summer Enrichment, \$250 to the Red Cross swimming program, and increase from \$4,000 to \$4,600 to the Pre-School. One more year of frugality should balance the recent over-spending.

Yet three more possible expenses await: toward tree-planting in the main centers by the Conservation Commission, for two further walkie-talkie sets for local police (largely paid for by State funds), and to finish the softball field at the school. Several teams and much interest exist; because the soft-ball diamond is smaller, the hard-ball field cannot be used without damage. The Foundation two years ago gave \$1,500 toward a second field; the Outing Club and other groups and individuals further contributed. The land has been cleared and there is some new top-soil, but it is estimated that \$4,000 will be needed, partly toward an unpaid bill, to make the field playable, as it should be by next season. The wide interest would seem to justify an item to cover part of the cost in the warrant for the School Meeting. If so, the Foundation might make up the rest.

As we keep saying, the Foundation tries to do two things, to help current causes and to undertake occasional large projects. Both are important for the character of life here, and they demand sustained interest and gifts. It may be unnecessary to add that gifts, which are tax-deductible, should go to Charles T. Gallagher, Treasurer, in Tamworth 03886.

**ANNUAL REPORT
TAMWORTH AMERICAN REVOLUTION
BICENTENNIAL COMMISSION, INC.**

The Town Meeting, on March 5, 1974, designated the Arts Council as the agency responsible for Tamworth's observance of the national bicentennial. The Council subsequently established a special committee to conduct the town's bicentennial program. In November this committee received a charter as a tax-exempt corporation under the name Tamworth American Revolution Bicentennial Commission, Inc.

The early months have been devoted chiefly to reviewing proposals which might be included in the town's American Revolution Bicentennial program. In general, the Commission has followed the guidelines offered by the

national A. R. B. Commission and the state Commission. The Bicentennial program will continue through 1975 and 1976 and will include projects on three general themes: **Heritage** which commemorates the past of Tamworth and the nation; **Festival** which celebrates the present; **Horizons** (which looks to future improvement in the quality of life).

Wherever possible the Commission will encourage existing organizations to initiate and conduct projects. For example, the Tamworth Historical Society intends to identify and rehabilitate old graveyards; this project will be part of the Heritage program. Another example: the Firemen's Club expects to hold Fourth of July parades in 1975 and 1976; this becomes part of the Festival program. A third example: the Conservation Commission and Garden Club are considering a tree planting project; this becomes part of the Horizons program. In some instances, however, no organization is presently available to undertake a project which might be desirable; in these cases the Commission might establish special task forces to carry out projects.

Some of these projects will require no funds since they involve the unpaid effort of volunteers. In other cases very substantial sums might be required. In general, the Commission would expect, as one of its functions, to raise money for projects from several sources both private and public. For administrative expenses a small appropriation from the town will be needed.

The Town of Tamworth has been recognized by the national A. R. B. C. as a Bicentennial Community. This recognition has been achieved largely because of the early initiative of the Arts Council in applying to the national commission. As a result, the town has been authorized to use the Bicentennial logo and it will receive a flag and certificate at a presentation ceremony scheduled for the summer of 1975.

The Commission is presently considering a broad range of projects which might be included in the Bicentennial program. These projects have been suggested by

many organizations and individuals. But we are still seeking ideas for Bicentennial projects which would illuminate Tamworth's past, enrich its present or improve its future. Let us have yours!

**SPECIAL HEALTH OFFICER REPORT
TOWN OF TAMWORTH
1974**

Almost weekly do the laws pertaining to sewerage disposal change. Recently I received a new booklet of by-laws, only to have this weeks mail bring me pamphlets of revisions to be inserted into the booklet. The constantly changing sewerage laws are a result of the desperate need for sewerage control, coupled with the varied needs of each application for permit and the results of tests conducted since the sewerage laws were written.

One improvement in the law as of last summer makes it possible for me to approve repairs on an existing system, which formerly required state approval. Obviously the system can now be repaired sooner and present less of a health hazard.

Although new building construction here, as everywhere, is down considerably this year, those systems which have been newly constructed adhere to the state requirements. Difficulty with systems not conforming to state requirements, or installed without permits, was not a problem this year as landowners are more aware of the state laws governing sewerage control, more aware of the need of controlled sanitation, and therefore more willing to consult the Health Officer prior to construction.

I have attended many meetings this year of the Water Pollution Board, taking advantage of the opportunity to discuss changing laws, new disposal systems, and new sub-division laws. There is a growing interest in sub-division of land in Tamworth, but doing so requires careful study, planning, and testing. All this is necessary to discourage the development of unsuitable land.

Concerned townspeople have inquired often in the past year about questionable sewerage disposal or drainage. In each case I met with the accused landowner, explained the

laws and, when needed, advised him what must be done to correct the problem. Only occasionally do I encounter anyone unwilling to dispose of sewerage as properly recorded by the Water Pollution Board. In such cases I advise him of the law and the corrective measures available and ask him to obtain a state approval before using any system.

Such cases being in the minority prove that most of our citizens realize that sewerage control must be maintained if we are to protect the future of our town.

Respectfully submitted,
DANNIE E. WASSON
Special Health Officer
Town of Tamworth

SOLID WASTE DISPOSAL IN TAMWORTH

The Selectmen of Tamworth appointed a Dump Study Committee several years ago. The purpose of this committee was to study the disposal of solid waste in the town and report to the selectmen and alternatives available and their estimated costs.

Air pollution control laws require that Tamworth and all other towns and cities in New Hampshire no longer burn their rubbish and garbage in open burning dumps by July 1, 1975. The open burning laws exclude the burning of brush, stumps and combustible demolition wastes. Also excluded is the use of backyard incinerators for individual families or up to four families living in one building.

The following is a list of areas studied by the Tamworth Committee:

1. Attitude of Tamworth year-round and seasonal residents with respect to solid waste disposal.
2. Closing the old dump site.
3. Using the present dump site for sanitary disposal.
4. Working with neighboring towns.

1. Attitude Survey

The purposes of the attitude survey were two fold -- one) to ask year-round and seasonal residents questions that would help the study committee and the selectmen to determine volumes of waste generated, methods Tamworth tax payers use to get rid of their waste, how often they dispose of their waste, what they think of recycling, whether or not to cooperate with neighboring towns and the days of the week a disposal site should remain open; and two) to inform year-round and seasonal residents that such planning is going on in the town.

The study committee appreciates the help of Scott Aspinnall, Tamworth Teens and the other young adults who assisted with the survey and a public meeting held in August, 1974.

The following pages include both the numeral and evaluated results.

FINAL TABULATION TAMWORTH SOLID WASTE DISPOSAL QUESTIONNAIRE

1. Are you a year round (94) or seasonal (50) resident? = 144

2. If seasonal, how much time do you spend in Tamworth?
(4) 10% (11) 20% (16) 30% (7) 40% (10) 50% (0) 75% (3) N/A

3. How many people are usually living in your household?

	1 (23)	2 (60)	3 (21)	4 (17)	5 (13)	6 (5)	7 (1)	8 (2)	More (2)
Resident	19	46	10	12	6				
Seasonal	4	14	11	5	7	5	1	2	2

4. How do you usually get rid of your garbage, trash, etc.?
Please check as many as apply to you.

		Resident	Seasonal
a. Private agreement with commercial hauler	(22)	18	4
b. Personal trips to the dump	(25)	78	47
c. Garbage disposal in the sink	(16)	12	4
d. Fireplace or stove in the house	(49)	31	18
e. Backyard incinerator	(12)	8	4
f. Trash compactor in the house	(3)	2	1
g. Your personal dump	(3)	2	1
h. Backyard compost pile	(32)	21	11
i. One of the New Hampshire recycling centers	(11)	8	3
Pigs		1	1

5. If you use a commercial hauler, why?

a. Distance to the dump	()
b. Lack of transportation to the dump	()
c. Unpleasant conditions at the dump	()
d. More costly to go to the dump yourself	()

e. Other _____ ()

6. How often do you dispose of your solid waste at the town dump, recycling centers or have it picked up? (If you check more than one, please say what items do you dispose of at that time.)

		Resident	Seasonal
a. More than once a week	(29)	13	16
b. Once a week	(74)	52	22
c. Every other week	(25)	16	9
d. Once a month	(12)	9	3
e. Less often than once a month	(4)	3	1
f. Other _____	(1)	1	

7. Do you think that the recycling of glass, cans and paper is necessary?

Resident	79	10	5
Yes (122)		No (13)	NA (9)
Seasonal	43	3	4

If yes, which items would you be willing to keep separate from your general trash?

		Resident	Seasonal
Glass	(117)	73	44
Metals	(112)	70	42
Clean paper	(72)	46	26
Newspapers	(112)	66	46

8. If things could be worked out, both economically and ecologically, would you approve of cooperating with one or more neighboring towns on a regional disposal site and/or system, or should we concentrate on going it alone?

		Resident	Seasonal
Cooperate	(107)	69	38
Alone	(30)	21	9
NA	(7)	4	3

9. Which day (s) of the week would be most convenient for you to have a disposal site open?

		Resident	Seasonal
Sunday	(55)	40	15
Monday	(27)	12	15
Tuesday	(15)	9	6
Wednesday	(30)	20	10
Thursday	(17)	11	6
Friday	(13)	14	17
Saturday	(66)	46	20

Of those you checked, when would you like to see the site open?

All day	(XX)	Very few otherwise
Afternoon	()	
Evening	()	

RESULTS

Tamworth Solid Waste Disposal Questionnaire

525 mailed and 144 returned = 27.4 percent return

77 attended the informational meeting on August 26, 1974

1. 94 responses from year-round residents

50 responses from seasonal residents

2. Of those seasonal residents, they spend the following amount of time in Tamworth:

10 percent = 4, 20 percent = 11, 30 percent = 16, 40 percent = 7, 50 percent = 10, and 3 = NA.

4. How do you usually get rid of your garbage, trash, etc.?

a. Commercial hauler	22
b. Personal trips to dump	125
c. Garbage disposal	16
d. Fireplace or stove	49
e. Backyard incinerator	12
f. Trash compactor	3
g. Personal dump	3
h. Compost pile	32
i. A	11

5. Answers to the question of "Why do you use a commercial hauler?" really were not significant and no one choice prevailed.

6. How often do you dispose of your solid waste?

a. More than once a week 29

(Res. = 13; Seasonal = 16)

b. Once a week 74

c. Every other week 25

d. Once a month 12

e. Less often than once a month 4

Seasonal residents appear to go to the dump more often than resident--probably the view of Chocorua Mountain.

7. Recycling

Yes	No	No answer
122	13	9

Close to 85 percent of those who responded indicated that recycling is necessary. With the exception of "clean paper" (72), they were willing to keep glass (117), metal (112) and newspaper(112) separate from the general trash.

8. Over 74 percent of those 9 responding thought it better to cooperate (117) than to go it alone (30). There were seven (7) NO answers.

9. What days of the week to have the disposal site open?

Sunday	55
Monday	27
Tuesday	15
Wednesday	30
Thursday	17
Friday	31
Saturday	66

Very few of the respondents wanted the site open only in the afternoon or evening--all day is without a doubt the majority opinion.

2. Closing our Present Site

The site of our present open burning dump should be closed and renovated for both public health and aesthetic reasons. Rats and other scavengers need to be poisoned during the closing period or they will move to nearby residences in search of food. Exterminators should be hired to conduct the poisoning program.

The face of our present dump could be graded to a three to one slope, covered with two feet of compacted earth and seeded. Consideration should be given to using the old site for other purposes such as a stump, brush and demolition disposal area; storage area for bulky metals such as refrigerators, washing machines, junk cars, etc.; ski slope of school children, etc. Once the decision is made as to how and where our solid waste will be handled in the future, it is suggested that the selectmen ask the School Board, Outing Club, Conservation Commission, and other town groups to work with the Planning Board on alternative uses for this site.

The following is a suggested plan and cost estimate for the renovation of the present dump site. It is expected that a portion of the cost of renovation could be received from the North Country Resource Conservation and Development Project. It is suggested that an article be placed in the town warrant asking voters to consider appropriating a sum not to exceed \$5,000.00 for the closing of the old dump site and accept money from the RC&D Project to assist with the control of surface water and erosion at the old dump site.

Sincerely,
JOHN F. DAMON
Tamworth Dump Committee
Chairman

AUDITOR'S CERTIFICATE

January 31, 1975

This is to certify that we have examined the books and records of the Tax Collector, Town Clerk, Treasurer, Selectmen, and the Trustees of Trust Funds of the Town of Tamworth and find them correct and properly vouched.

CHARLES W. REMICK

W. L. SMITH

Auditors Town of Tamworth, N. H.

THE TAMWORTH SUMMER ENRICHMENT PROGRAM

THE TAMWORTH SUMMER ENRICHMENT PROGRAM completed it's seventh successful summer of activities with a registration of 125 young people; 80 percent resident-20 percent summer.

TSEP is a program of activities for children ages 7-15 years, operating with the idea that kids have fun in participating in the activities while at the same time, learning from them.

The program runs three days a week for seven weeks at the Kenneth A. Brett School playground.

This past year was the second year of providing bus transportation throughout the entire program, and attendance at the program was considerably increased because of this effort.

The numerous activities include sports (baseball, tennis, basketball, soccer, volleyball), all manner of arts and crafts-always a big favorite at TSEP, and a variety of trips including bike hikes, mountain climbing, nature walks, and trips to points of interest such as the Squam Lakes Science Center, Barnstormers, Gilford Playhouse, etc. The annual TSEP picnic to Swift River on the Kancamagus attracts over eighty participants.

The program finished strongly with the last week's tournaments (tetherball, horseshoes, chess, and checkers), the annual track & field day, and this past year a carnival and bake sale in which the kids invented the games to be played and built the booths to house them.

The experienced staff last year included Dana Steele (his 7th summer as Director), Connie Hughes, who runs the arts and crafts and the Friday morning pre-school hour (6th year), Bob Magruder (4th year), Kay Ver Planck (2nd year), and Debbie MacLane (1st year).

The staff was augmented by an enthusiastic group of Junior Leaders, Patty Bennett, Charlotte Kelly, Melanie Elliott, and Richard Whiting, who, last summer more than any other, were invaluable to the smooth running of the program.

Volunteers, on whom the program relies heavily, included Helen Steele, Percy Olton, Jan Dearborn, Barbara Gribbel, and George Cleveland, who had an entire playground of children mesmerized with his hilarious and educational clown demonstration, and Becky Fisher, who came each week to run a very successful modern dance program.

Each summer TSEP strives to vary its program to best suit the children's interests, which over the course of time does change.

We try to keep "our ear to the ground" while avoiding the same format year after year. For instance, our mountain climbing / camping program has expanded as interest in this activity grew.

We encourage the kids to suggest activities they wish to do and then follow up if possible. The game 4-square, seldom played at the program in previous summers was the "in" game last summer as well as an interest in the revival of croquet.

In short, we at TSEP neither believe in a rigid structure nor an entirely unstructured program. We strive to find the "happy medium".

We want to thank each and every one who has supported the program, for making it the success it has become.

Sincerely,
DANA A. STEELE
Director, TSEP
