WARRANT FOR ANNUAL TOWN MEETING

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the inhabitants of the Town of Tilton, in the County of Belknap, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday the 8th day of March next at ten o'clock in the forenoon, to act on the following subjects:

1. To choose a Town Clerk, and Town Treasurer for a term of one year, one Selectman for a term of three years, one Road Agent for the ensuing year, one Trustee of Trust Funds for a term of three years, two Auditors for the ensuing year, and one Member of the Park Commission for a term of two years.
2. To see how much money the town will vote to raise and appropriate for Memorial Day expense.
3. To see how much money the Town will vote to raise and appropriate for the care of Cemeteries.
4. To see how much money the Town will vote to raise and appropriate for the use of Hospitals.
5. To see if the Town will vote to raise and appropriate the sum of \$109.04 to obtain Town Road Aid, the State to appropriate the sum of \$726.90.
6. To see if the Town will vote to raise and appropriate the sum of \$300.00 for Civilian Defense.
7. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the use of the Winnisquam Fire Department.
8. To see what action the Town will take in regard to care of Trees, and raise money for same.

9. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for new equipment.

10. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for oiling streets.

11. To see if the Town will vote to raise and appropriate the sum of \$393.73, which is 1/100 of 1% of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town in cooperation with other Towns in the Lakes Region.

12. To see if the Town will vote to raise and appropriate the sum of \$200.00 for use of controlling white pine Blister Rust, in cooperation with the State Forestry and Recreation Commission.

13. To see if the Town will vote to raise and appropriate the sum of \$1,750.00 for the Tilton-Northfield Recreation Council, a similar article is included in the Northfield warrant.

14. To see if the Town will vote to allow a discount on early paid taxes as follows; two percent discount if Tax Bill is paid within thirty days from date of bill.

15. To see if the Town will vote to allow the Selectmen to administer or dispose of any property acquired by Tax Deed.

16. To see how much money the Town will vote to raise and appropriate for all purposes for the year ensuing.

17. To see what action the Town will take in regard to the reports of its officers and agents.

18. To choose any other officers or agents for the ensuing year.

19. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

20. To see if the Town will vote to construct a parking lot at the rear of the Tilton Theatre and to buy the property now there and one house on School Street and to raise the sum of \$20,000.00 to buy the properties and surface the parking area. The expense to be spread over a five year period.

21. To see if the Town will vote to install parking meters on the understanding that any revenue derived above expenses be used to help defray the expense of the parking lot.

22. To see if the Town will vote to install a street light at Lochmere near the residence of Mrs. Harkins and raise money for the same.

23. To transact any other business that may legally come before said meeting.

The polls shall be closed not earlier than 6:00 o'clock in the evening. The business meeting will be held at 8:00 o'clock in the evening.

Given under our hands and seal this 1st day of February, A. D., 1960.

WINNISQUAM FIRE DEPARTMENT

To the Town of Tilton:

The Winnisquam Fire Dept., Inc. is pleased to report that a new front end pump has been placed on Engine No. 2.

The amount of \$3,011.19 was spent for the following: Dept. Maintenance, Truck Maintenance, New Equipment, and Equipment Maintenance.

Some new hose has been purchased but more is needed.

The Winnisquam Dept. wishes to thank the voters of Tilton for their confidence in them as a Department and for their appropriation.

The Department answered the following calls in 1959 — Tilton 3 — Sanbornton 6 — Belmont 11 — Mutual Aid — 5 — a total of 25 calls. We were very fortunate this past year in regards to forest fires.

The following is an itemized account of maintenance from Town Funds.

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note

58% or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10% or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.
5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires — 3

Number of acres burned — 1 1/3

Number of permits issued — 148

REPORT OF THE TILTON-NORTHFIELD RECREATION COUNCIL

You, the citizens of Tilton and Northfield, should be very proud of your recreation program. During the past few years, you have provided the youth of the community with opportunities to ski, skate, swim, enjoy Little League Baseball, and to participate in many other indoor and outdoor sports. The local merchants and organizations have responded to our needs by being very generous, both financially and in giving their time and support. With your continued assistance and cooperation, we shall strive to improve the facilities and the program of the recreation center to meet the needs of our growing youngsters.

As you know, a community program such as this depends, not only on the leadership of a competent director and the efforts of the Recreation Council, but also to a great extent on your support in your capacities as citizens and parents.

It is our main desire to provide our boys and girls with healthy indoor and outdoor sports and activities and to conduct orderly social events. We want to establish a recreation center, with the proper atmosphere and surroundings and good leadership, to which center parents will be proud to send their children, having in mind that an adult chaperone will be present at all functions to maintain order.

The following report is a summarization of the recreational program during the past year.

Swimming at Northfield Pond was a great success, with 2,500 swims made possible to boys and girls participating who were transported by school bus. A total of forty-eight trips were made to the pond between July 6th and August 28th. These facts alone indicate a strong need and desire for organized recreation in Tilton-Northfield. A swimming team was formed, the

members of which received emblems of merit. Besides that, the very capable instructors classified the swimmers into groups according to their progress, such as beginners, intermediates and advanced.

Little League Baseball was so successful that plans are being made to increase the number of teams for 1960. Appreciation and sincere thanks are hereby extended to the generous sponsors of Little League, who are Arwood Precision Casting Corp., Arthur S. Brown Mfg. Co., Rotary Club, and Stevens Mills. Without their vigorous support, most likely there would not have been any teams at all. A sports night climaxed the Little League Baseball season, to which parents were invited to attend. There were several very good speakers, and championship and team trophies were awarded. As you well know, Little League Baseball is a great character builder, which is so vitally needed for the future citizens of our country.

Tennis and archery were extremely popular with the young folks, as were the social dances at the Center.

The Northfield Grange and both the Recreation and the Junior Councils combined their efforts and finances to purchase a Nissen Trampoline. This new piece of equipment is a big attraction at the Center and is used by both boys and girls. Instructions will be given to those who are not familiar with using the Trampoline.

A new skiing program was set up during December that will consist of ten, possibly more, free bus trips to the Belknap Area. Each trip to date has averaged forty enthusiastic skiers of all ages. It was absolutely rewarding to see those boys and girls having such a grand time in the great outdoors. Each ski trip was chaperoned by adults, and special credit goes to Lewis Read, the bus driver, who was very helpful to the students during these trips. Free ski instructions were offered after school during the week at Wilson Hill by Frank Shepherd, a student at the high school.

The skating program got underway through the efforts of Richard Lavigne, Recreation Council President, Roy Jordan, fire chief of Tilton, and George Werner, the new Director of Recreation. Mr. Werner succeeds Mr. Roger LaPlante who left in early December for a full time position in recreation, directing the Franklin Recreation Center. We are very grateful to Mr. LaPlante for the fine work he has done in Tilton-Northfield.

Mr. George Werner is 25 years old. He attended Tufts University, Industrial Technical School of Boston, and night classes at Bryant College. He was an Eagle Scout, and is very interested in sports and young children.

We feel that, based on the records of 1959, and with Mr. Werner as director, a more expanded recreation program can be provided in 1960.

The members of the Recreation Council are: Donald Abbott, Mrs. Linda Allen, Robert Bennett, Jr., Albert Brooks, Charles Dwinel, Donald Farrington, Mrs. Alice Huckins, Richard Kennedy, Mrs. Jacqueline Lavigne, Richard Lavigne, Mrs. Norma Lamanuzzi, Mrs. Joyce Robinson, Richard Smart, Mrs. Alma Smith, Robert Selvin, Mrs. Etta Thibodeau and Mrs. Phyllis Yudickey.

REPORT OF THE HALL MEMORIAL LIBRARY ASSOCIATION TRUSTEES

Much has been done during the past year to encourage the use of the public library. At least twice as many new books were purchased as any year in the past three. The interior of the library has been entirely painted in an attractive light green.

The New Hampshire State Library has augmented the number of books we have been able to purchase by a long term loan of three hundred books covering a wide range on non-fiction reading.

The number of volumes on the "Memorial Shelf" is growing. Attention is called to this happy way of remembering loved ones by having a book purchased for this shelf in their memory.

A "Friends of the Library" society has been organized. Their interest will be to assist improving the use and services of our library. The officers are: President, Mrs. Rita Crawford; Vice-President, Mrs. Eleanor Nudd; Secretary, Mrs. Betty Herrick; and Treasurer, Paul Stinson, Jr. This organization has already made contributions toward the improvement of the library.

The Hall Memorial Library is open Monday, Wednesday and Saturday from 2 to 6 in the afternoon and from 7 to 9 in the evening.

ANNUAL REPORT OF THE DISTRICT NURSE

Fiscal Year January 1, 1959 to December 31, 1959

During this period the nurse cared for the following: 1260 noncommunicable, 61 office, 110 new baby, prenatal and postnatal calls. There were a total of 395 cases for the above calls.

Health and Welfare service: 300 adult, 146 infant and preschool and 40 baby office calls. A total of 404 cases for the above calls.

Thirty trips were made with patients during the year to clinics, hospitals, and doctors.

There were 123 new and 274 repeat cases admitted to the nursing service. Ninety-nine new and 239 repeat cases to the Health and Welfare service.

Toxoid Clinics were held in September, October, and November. Dr. Frank Robinson, and Dr. Archie Grevior were attending physicians. The R.N. assistants were Mrs. Lurline McCook, Mrs. Mona Hill, Mrs. Willa Downar, Mrs. Kathleen Hewitt, school nurse, and Mrs. Virginia Comstock, the state preschool nurse. Mrs. Marjorie Roberts did the clerical work. One hundred one Triple Toxoids and 31 vaccinations were given. The clinics were in cooperation with the State Board of health.

Many organizations were generous in contributing gifts for children at Christmas. These were wrapped and distributed by the school nurse and district nurse.

Christmas dinners or money were given by the various clubs and organizations to many families in the two towns.

The nurse is in the office at 183 Main Street from 8:30 to 9 a.m. Also 3 to 4 p.m. — and very often during the noon hour from Monday through Friday. Office Telephone is Atlas 6-4241 — Home number is Laconia Lakeside 4-0426.

Mrs. Lurline McCook, R.N., substituted for the nurse while she was having her summer vacation.

Once again it is an opportunity for me to acknowledge my sincere thanks and appreciation to the Doctors, Selectmen, District Nursing Board, and the American Legion for the use of their hall for the clinics, and last the townspeople for their friendly attitude, support, and cooperation shown at all times during the year.

Respectfully submitted,

ALICE FRENCH, R.N.

REPORT OF TILTON-NORTHFIELD SCHOOL BOARD

We studied the proposed budget for 1960-1961 with the purpose of maintaining the excellent school standards without terrific increases in the tax rate.

We spread the installation of modern lighting at the high school over a three-year period to even the tax burden. We have instituted a painting program over a three year period to retain building conditions. The new physical education lockers at the high school were purchased after being considered for several years.

It is regretted that an unexpected state aid decrease of ten thousand dollars caused an increase in local taxes.

The proposed increases in the next budget are for the most part teachers' salaries with a twelve thousand, five hundred dollar addition for increments under the salary schedule and an additional teacher for the high school. There is an automatic two thousand increase in the budget for social security taxes. The additional teacher is needed because thirty-five pupils graduate in June from the high school and eighty-five new pupils enter grade seven in September.

We have placed three thousand dollars in the budget chiefly for new science materials and equipment, some foreign language and mathematics materials, equipment and encyclopedias for elementary science, with fifteen hundred dollars to be reimbursed by the federal government as part of the national campaign to improve American education.

We have been pleased to work with the nine-person Cooperative Study Committee established by the last school district meeting and request that everyone study their excellent report with the purpose of formulating opinions on what is best to be done for the interests of Tilton-Northfield education in the coming years.

New desks and chairs have been purchased annually to replace the old outmoded equipment in the Union School, with one room being outfitted annually. We are replacing five typewriters a year in the commercial department. We have secured many items from the federal surplus property for the school shop. We have secured at low cost seventy two officer army coats for future use of the school band. We also gained an army surplus car from surplus property for driver training education. Several excellent band instruments were obtained in our efforts to develop a good school band and orchestra.

We have established new rules for the requirements for a high school diploma, and have voted to distinguish each diploma by the curriculum designation, such as college entrance, general, industrial arts, home economics, commerce, and agriculture.

Departmentalization of Grades 5 and 6 is being tried this year, with the purposes chiefly of improving all reading, having teachers instruct in subjects where they are most proficient, giving pupils the opportunity of advancing at their best educational speed, and preparing them for high school and college.

We wish to again congratulate the Journal-Transcript for its annual success in securing contributions enabling one Franklin and one Tilton-Northfield graduate to be awarded an excellent scholarship each year, and for its steady development of a permanent fund. We hope that such financial aid will result ultimately in all able pupils entering college, rather than the national loss that follows when many of our ablest pupils are barred by financial inability.

We wish to thank the Parent-Teacher Association for its sponsorship of the purchase of two television sets for the local schools, and thank all civic clubs, banks, organizations, and individuals which contributed to this new educational opportunity for elementary and secondary pupils.

The Tilton-Northfield schools have been unique in

the excellent Dental Clinic supported annually by the Tilton-Northfield Women's Club through its very successful Outgrown Shop, and the cooperation of our local dentists.

Our appreciation is extended to the many clubs, organizations and individuals who contributed to send Sandra LaDuke, a high school junior, to the National Convention of Future Homemakers of America, where she brought national recognition to Tilton-Northfield by her election at Chicago as Parliamentarian.

We take special pride that two Tilton-Northfield High pupils, John Currier and Marjorie Blake, won national scholarship honors last year, and that Judy Decato has won national honor this year in the most exacting competition. It is worthy of note that a very small number of public high schools won this unusual tribute to scholarship achievement in New Hampshire.

We express our thanks and sincere appreciation for the large number of gifts made by organizations and individuals for prizes, scholarships and special gifts for the schools.

We are requesting the district to approve the purchase of one hundred folding chairs for the high school auditorium. The old seats purchased in 1939 have been gradually reduced in number by continual use, and a gradual replacement program is needed.

We have been studying the necessity of removing the old costly outdoor rubbish and refuse burners with modern boiler room incinerator disposal units, both as a safety precaution for playground pupils, and removal of fire and health dangers to the school areas.

Our most important task is to develop policies for the schools which will continually improve the educational standards. Our work is to legislate for the schools and review results. We save by competitive bids to use every possible dollar for better education. We are specially studying now any possibilities to improve reading and correct any reading weaknesses when they

develop. We know that the reading improvement in the elementary grades must be continued by special reading in high school subjects.

The School Board is chosen by you to use your funds, your assistance, and your cooperation in solving the needs of our local youth. We will continue to welcome all constructive suggestions for the continued progress of Tilton-Northfield education.

Respectfully submitted,

Charles F. Dwinal, Chm.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

The Tilton-Northfield School Board accomplished the following during the past year to maintain its record of continual progress in improving the schools and general educational standards:

1. Received commendation from State Fire Marshal office for the outstanding favorable fire and safety conditions at Union and Sanborn Schools.
2. Increased teacher salaries by \$7000 and added one high school teacher because of increased enrollment.
3. Completed installation of new modern lights on third floor of high school.
4. Purchased and installed new physical education lockers for high school.
5. Painted three classrooms and all rest rooms at high school.
6. Replaced fifteen outmoded rest room toilets.
7. Extended plastic water line from high school to athletic field for playground drinking fountain.
8. Purchased thirty new desks and chairs for Union School.
9. Purchased five hundred dollars worth of modern library books for high school.
10. Sponsored the introduction of gymnastics for physical education.
11. Approved the legislative visit of junior and senior classes as guests of Tilton Representative Herbert

- E. Howe and Northfield Representative Carll L. Burleigh.
12. Accepted gift of 48-cup coffee urn from Tilton-Northfield High Future Homemakers.
 13. Approved visit of two distinguished West Germans, Dr. Herbert Reichel and Mr. Johannes Frankl, both sponsored by Mr. Alexander Standish of Canterbury, to the high school.
 14. Installed exhaust fans in girls' and boys' physical education rooms.
 15. Had 105 high school desks sanded and varnished.
 16. Had all book cases, coat racks, and folding doors painted at Sanborn School.
 17. All walls by sinks in Sanborn School painted.
 18. All girls' and boys' rest rooms painted at Union.
 19. Bookcases and wooden units painted at Union.
 20. New drinking fountain installed for playground at Union.
 21. Approved establishment of excellent summer school for local and summer residents under the direction of two teachers, Mr. Charles L. McGranaghan and Mr. Richard P. Truchon.
 22. Operated another successful summer playground program, under the direction of Mr. Donald Goguen, Physical Education director, and two outstanding Keene Teachers College girls, Miss Barbara Wheaton and Miss Betty Bennett.
 23. Approved the position of part-time secretary at Union School, for school lunch records and general clerical work.
 24. Accepted two television sets from funds secured

by the local Parent-Teacher Association with contributions from local organizations, banks, civic clubs, and individuals.

25. Accepted gift of electric typewriter from Gale's Insurance Agency.
26. Sponsored another successful pre-school registration at Legion Hall.
27. Maintained successful second year of debating team.
28. Approved selection of Mrs. Lena McGuire, Home Economics teacher, as Advisor of Girls for National Future Homemakers meeting at Chicago.
29. Helped to sponsor trip of Junior Sandra LaDuke to National Convention, where she won unusual honor for New Hampshire and for Tilton-Northfield High by being elected National Parliamentarian.
30. Sponsored tree planting by pupils of birch trees at Union and Sanborn Schools as part of Arbor Day observance.
31. Sponsored Reading Workshop for teachers of five towns, under direction of Miss Esma Ford, Helping Teacher.
32. Approved experiment of departmentalization of Grades 5 and 6 at Union School with purpose of better reading, science, social science, arithmetic, language arts, and spelling.
33. Approved attendance of Mr. Thardix Piszczek, Head Custodian of the high school and his assistant, Mr. Edward Florence, at Keene Teachers College Custodian Workshop.
34. Inaugurated a new music program in the Tilton-

- Northfield Schools that should develop an orchestra, a band, and the best choral music in years.
35. Purchased a new commercial refrigerator for the lunch program.
 36. Established pupil accident insurance program which took all routine work from teachers to gain more teaching time.
 37. Adopted a new standard for high school graduation, with the Dr. Conant standards of seventeen required units for graduation for college entrance pupils, and pupils not completing requirements for a college or general course receiving a Certificate. This will improve our high school standards.
 38. Worked with School District Cooperative Study Committee, which will present advantages and disadvantages of cooperative district to school voters.
 39. Approved use of Traveling Science Library Program of 160 volumes in elementary Schools, under direction of the Helping Teacher.
 40. Purchased five new typewriters for high school.
 41. Tilton-Northfield High School was officially approved by the State Board of Education as a Comprehensive High School.
 42. Supported another successful Open House for parental visits with two hundred sixty parents visiting the elementary schools and one hundred the high school.
 43. Accepted the purchase at low cost of 72 army officer coats and two sousaphones for the future school band.
 44. Secured an army surplus car for Driver Education.

45. Accepted donation of dental chair from Spaulding Youth Center.
46. Maintained a balanced school budget at the end of the fiscal year with surplus used for tax reduction.
47. Maintained a successful school lunch program with a favorable balance.
48. Inspected all schools to check safety repair needs and general physical conditions of buildings.
49. Continued to have bidding on school supplies, lunch canned goods, oil, and all general equipment purchases to maintain a good business system to save dollars for the taxpayers.
50. Participated with four other towns in joint purchase of pupil supplies, with a substantial savings.

Balanced Budget

The School District completed the 1958-1959 fiscal year with a balanced budget and a small surplus to reduce the tax rate. An expected state aid payment of \$12,838.19 actually became only \$2,040.08 with an increase in the tax rate.

State of New Hampshire Foundation Aid to School Districts

The following official state computation is inserted to show how districts qualify for state aid:

Elementary Average Daily Membership	630.1	
Elementary Membership x 202 Dollars per pupil		\$127,280.20
Secondary average daily membership	164.5	
Secondary Membership x 303 dollars per pupil		49,843.50
		\$177,123.70
Total Cost of Foundation Program		\$177,123.70

1958 Equalized Valuation	\$12,505,973.00	
Less 14 Dollar tax on equalized valuation		175,083.62
		<hr/>
Amount of 1959 Payment		\$2,040.08

The low state aid comes from a continually growing valuation of the two towns. It is apparent that, unless the state changes the formula and the legislature provides more funds, this school district soon faces no state aid except for the forty-five per cent building aid.

**Tilton-Northfield
Achievement Test Record for Grade 6 — 1959 — the
present 7th grade in junior high**

This test record is printed to show the outstanding educational record of the Sanborn and Union School teachers, whose efforts resulted in 73 per cent of the pupils being above the national average when they entered junior high school. This record was made when the teachers had to instruct all the pupils, while the high school loses many by dropout who either are unable or unwilling to profit by education.

It is believed that this record will compare favorably with any community in New England and that this excellent record is probably duplicated in all grades.

In summary, this test shows clearly that:

1. Graduates of the elementary schools in Tilton-Northfield are thoroughly prepared for high school.
2. Almost three-fourths of the pupils are above the national average.
3. Sixty-two pupils out of eighty-five tested were above their grade level, from one to four years.

Stanford Achievement Test Scores — 6th Grade — 1959

Date of Test — March 25, 1959

Class Average 7.0 National Average 6.7

Break Down of Reading Levels

5 pupils were able to read well above the
10th grade level

7 pupils were above 9th grade level

11 pupils were above 8th grade level

24 pupils were above 7th grade level

15 pupils were above 6th grade level

23 pupils tested below 6th grade level.

Summary

According to test scores 62 pupils out of 85 tested at or above 6th grade level.

Twenty-three pupils out of eighty-five tested below grade level. However, it should be mentioned that the

average Intelligence Quotient of this group was only 89. Some of the pupils had an intelligence quotient of 70 and slightly above. Many educators would classify this group as slow-learners who need special teaching techniques in order to become efficient readers. In general approximately 73% of the 6th grade tested above grade level. It should be noted that all the pupils attend school in Grade 6. Some of the pupils of low academic ability and mental ability drop out of school in Grades 8, 9 and 10.

Special Honors for Four Tilton-Northfield High Pupils

Four Tilton-Northfield High School pupils received honors this past year which brought prestige to the school and to the district.

Miss Sandra LaDuke, daughter of Mrs. Stella Kroy, was elected National Parliamentarian at the Chicago Annual Convention of the Future Homemakers of America for the year 1959-60.

Mr. John A. Currier, son of Mr. and Mrs. Alton C. Currier, 14 Summer Street, Northfield, and Miss Marjorie E. Blake, daughter of Mr. and Mrs. Vincent Blake, Lochmere, reached the finals of the National Merit Scholarship Tests and also reached the finals of the Student Qualification Test. They were in the top two percent of the State of New Hampshire. The only public high schools to receive this honor in New Hampshire were one from Milford High, one from New London High, one from Nashua High, and two from Tilton-Northfield. The other winners were from Exeter Academy and St. Paul's School.

Miss Judith A. Decato, daughter of Mr. and Mrs. Ernest J. Decato, 6 Linden Avenue, Tilton, received a Certificate of Merit in the 1960 National Merit Scholarship Test. She finished in the top three per cent for the State of New Hampshire.

Appreciation

I wish to express my appreciation to the members of our School Board, Selectmen, Cooperative Study Committee, principals, helping teacher, teachers, office workers, custodians, School Treasurer, bus operators, cafeteria workers, playground supervisors, the Parent-Teacher Association, the Garden Club, the Iona and Citizens National Bank, the local police, the fire department, the American Legion, all clubs and organizations furnishing gifts and scholarships, and all individuals for their cooperation and assistance during the year.

The people of Tilton-Northfield have always wanted the best schools for their children, and have ably supported their School Board in its steady efforts to improve our schools.

History has shown that education must continually advance with civilization. The education needed for high school graduates a generation ago was very limited in comparison with the needs of today of basic education plus the present-day developments of information on automation, atomic fission, electronics, guided missiles, atomic submarines, nuclear weapons, satellites, solar energy, sound barriers, jet airliners, automatic home appliances, color television, space travel, the present scientific revolution, the problems of population exploration, and the rise of nationalism in Africa and Asia. The struggle between Communism and Democracy has been acute since the close of World War II in 1945, and every American school must redouble its efforts to see that those leaving its doors by graduation or drop-outs must be dedicated to preserving American freedom and its democratic principles and preventing any extension of atheistic and militant Communism.

Cordially yours,

GORDON L. FOX,

Superintendent of Schools
