Report of the Clerk of the Superior Court.

TO THE COUNTY COMMISSIONERS FOR THE COUNTY OF CARROLL:

GENTLEMEN—In submitting the following report, it seems most appropriate that some mention should be made of the change wrought in this office during the past year. Aldo M. Rumery, Esquire, who has most faithfully and efficiently served as Clerk of the Supreme and Superior Court of this County for the past twenty-four years, passed away on May fifth, 1911. Mr. Rumery in his long term of service had secured and retained the love and respect of the Court, the members of the Bar and all people having business before this Court. Coming suddenly as it did, it was a great shock to everyone. The least that can be said in his memory is that a faithful servant has gone to his reward. Appropriate memorial exercises were held and resolutions were offered in open Court at the May term upon the death of the late Clerk, at which occasion all united in paying the highest compliment to their departed friend. This vacancy occurring upon the eve of the May term, as it were, Honorable Robert M. Chamberlin, Presiding Justice on the sixteenth day of May, 1911, appointed Bernard Jacobs, Esquire of Lancaster, N. H., as Clerk pro tempore. Mr. Jacobs duly qualified and served as Clerk, pro tempore until June twelfth, 1911, upon which date Arthur E. Kenison of North Conway, having been appointed Clerk by the Justices of the Superior Court on the fifth day of June, assumed his duties as Clerk having duly qualified.

The following is the correct report of the receipts and disbursements of the Clerk of the Superior Court for the year ending December 31, 1911:

Report of Solicitor.

TO THE HONORABLE BOARD OF COMMISSIONERS OF THE COUNTY
OF CARROLL:

Below is submitted the report of the Solicitor for the County of Carroll for the year 1911.

At the May term of Superior Court indictments were found as follows:

Incest,	1
Rape,	1
Larceny,	3
Breaking and entering,	1
Keeping liquor for sale,	1

At the November term of the said Court the following indictments were found:

Breaking and entering,	3
Keeping liquor for sale,	2
Carrying concealed weapons,	1

There have been no criminal trials during the year. From the May term one respondent was sent to State's Prison upon a plea of "guilty" to rape; and one minor boy was sent to the Kern school for boys, a semi-reformatory institution, upon his plea of "guilty" to larceny.

At the November term, two respondents were sentenced to jail, the jail sentence suspended as to one of them. Another respondent having given bail before the Police Court of Conway, upon a liquor complaint, fled the jurisdiction forfeiting his bail of \$400. Other offences have been disposed of upon such pleas and orders as the Court and Solicitor deemed for the interest of the community to accept.

The criminal prosecution throughout the County in the minor courts for the year have been fewer than usual.

There are two equity proceedings pending before the Superior Court in which the County is interested, one for the construction of a will and the other to foreclose a mortgage.

Respectfully submitted,

WALTER D. H. HILL, Solicitor.

AID TO PERSONS QUARANTINED

It sometimes becomes necessary to assist a family when quarantined on account of scarlet fever, diphtheria, etc, by reason of its being deprived of the opportunity to earn wages or from other causes, and to provide for which the following law was enacted by the legislature and approved March 11, 1899.

SECTION 1 Whenever any person or family is placed in quarantine by a board of health, to protect the public against small pox, scarlet fever, diphtheria or any other dangerous, infectious or contagious disease, it shall be the duty of said board to assist such person or family while in quarantine in such a manner as in the judgement of the board may be deemed wise and necessary.

SECT. 2. All expenses thus incurred, or such part

thereof as the board may determine, shall be deemed a legitimate expenditure for the protection of the public health and shall be charged to the account of incidental expenses, but not to any indigent pauper account, nor shall such expenditure be construed to mean a public aid to the person or persons quarantined and assisted unless such person or persons are already paupers as defined by the Public Statutes.

The above law would seem to solve, in a thoroughly satisfactory way, a question which heretofore has been considerable of a problem in some localities. The entire matter is left to the judgement of the local board of health, and whatever aid the board may deem to be wise and necessary to extend to the families in question must be paid by the town and charge up as provided for in section 2.

PUBLIC STATUTES.

CHAPTER 84.

LAWS IN RELATION TO AID FURNISHED TO INDIGENT SOLDIERS,
AND PROVIDING FOR ENTRANCE TO THE SOLDIERS' HOME IN
CERTAIN CASES.

SECT. 9. Whenever any person resident in this state, who enlisted in the quota of this state, and was reckoned and served as a soldier or sailor from New Hampshire in the army or navy of the United States, in the War of the Rebellion or in the Spanish or Philippine wars, and who received an honorable discharge, not being under guardianship or legal restraint, shall become poor and unable to provide maintenance for himself and dependent family, such person, his wife, widow or minor children, or such of the children as are unable to maintain themselves shall be supported at the public expense in the town or city of their abode, at their own home or any such place, other than a town or county almshouse, as the overseers of the poor or county commissioners shall deem right or proper, but no person shall receive aid under the provisions of this section unless he has resided in this state three years or more before making application for such aid, and no person shall, while receiving aid under the provisions of this section use intoxicating liquor to an extent, which shall render him incapable of working at his usual occupation and no person receiving aid under the provisions of this section shall sell any article furnished him, nor exchange them for intoxicating liquors, nor share any such aid with any persons other than those above named as being entitled to the benefit of these provisions. Any person receiving aid under the provisions of this section, who receives a pension from the United States government, shall, while receiving such aid, apply the pension to the support of himself and dependent family, and shall, when requested, furnish to the overseers of the poor or the county commissioners satisfactory proof that such pension has been so applied. Any person ap-

plying for such aid, shall, when requested, furnish to the county commissioners or the overseers of the poor the certificate of a reputable physician, resident in the county in which he lives, as to the incapacity on his part to perform manual labor. Neglect by any person applying for or receiving aid under the provisions of this section to comply with the foregoing provisions and conditions of this section so far as such person is concerned, and such person may be supported at the town or county almshouse.

SECT. 10. The expense of support furnished under the provisions of the preceding section shall be kept and reported in a separate account under the head of "aid furnished to dependent soldiers and their families," and not in the general pauper account, but shall be recoverable of the person, town or county liable therefor as in other cases.*

SECT. 11. The county commissioners or the overseers of the poor of any town may require any person applying for aid under the provisions of section 9 of this chapter, who is eligible for admission, to make application for admission to the New Hampshire Soldiers' Home, in case he has no family or settled place of abode, whenever in their discretion they deem it best; and if such person refuses to make such application, or if admitted refuses to go to said Soldiers' Home, the county or town shall be relieved from the provisions of the preceding sections so far as such person is concerned, and he may be supported at the county or town almshouse.
