1962 ANNUAL REPORTS OF TOWN OFFICERS

Charter **1763** *Year*

200 YEARS

Bicentennial **1963** *Year*

HAVERHILL'S BICENTENNIAL

The committee to plan for the 200th anniversary of this Town was created by the 1961 Town Meeting. It has held many meetings, several of which were joint with a similar group representing Newbury. A general outline of plans for this observance is included here.

Since the Haverhill and Newbury Charters were granted by Gov. Wentworth on the very same day—May 18, 1763—it is planned to hold a joint Charter Night ceremony in the Woodsville Community House Saturday evening May 18th of this year. At this time two well known speakers will give addresses touching upon the early settlement and pioneer days of both towns. Music will be furnished by a special singing chorus and also a band. Other features will be announced later.

The next event will be a monstrous Parade on July 4th with floats of historic significance, followed by a chicken barbecue and some athletic contest possibly between the two towns. It is hoped that several direct descendants of the early settlers will ride in the parade.

A series of events will follow on July 5th and 6th sponsored by various organizations in Town. Church services with some interesting features based on the early history of this area will close the special program on July 7th.

Exhibits of old pictures, papers and articles of all description will be set up at Haverhill and Woodsville during July 4-7 and may continue open two days a week for some longer time. U. S. Senator Norris Cotton has promised to speak at Haverhill on July 6th. It is hoped that several of the fine old homes at Haverhill will be opened to the public either July 5th or 6th, and possibly again later in the month. The alumni of Haverhill Academy and of Woodsville High School are each planning a home coming probably on July 6th. Many former residents are expected to revisit the Town during the bicentennial. Let us encourage this.

Every present and former resident of this Town should take an interest in this anniversary program. As many as possible should participate in the events which are being planned. Charter Night should have an over-flow attendance at the Community House. The 4th of July Parade should have over 100 floats, decorated cars, and marching units. All events should be well attended. Let us make our 200th Anniversary a memorable occasion.

HAVERHILL BICENTENNIAL COMMITTEE

COVER PICTURE

This house was built by John Hazen in 1763 or 64 on the Ox-Bow meadow. He and his family moved into it in 1764 or 65. It was last occupied by Moses Meader and family about 1930. This house was torn down over 20 years ago and much of the well-preserved lumber was used in the construction of a new home near Etna, N. H. In this 200th anniversary year it is appropriate to feature the first house built of sawed lumber in this town. It was constructed by John Hazen, frequently called the founder of this town, with lumber produced in his sawmill on Poole Brook at North Haverhill by the saw he brought with him in the spring of 1762.

ANNUAL TOWN MEETING WARRANT

State of New Hampshire

To the inhabitants of the Town of Haverhill in the County of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, March 12, 1963, at ten o'clock in the forenoon, to act on the following matters:

Article 1. To choose a Town Clerk.

Article 2. To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and any other Town officers heretofore chosen and to pass any vote relating thereto.

Article 3. To choose One Selectman for the term of three years, a Town Treasurer, One Highway Agent, One or more Auditors, One Library Trustee for the term of three years, One Cemetery Commissioner for the term of five years, One Trustee of Trust Funds for the term of three years, and all other necessary Town officers.

Article 4. To see if the Town will vote to contribute funds for the construction of Class V Highways, as provided in Chapter 188, Part 13, laws of 1945, as amended, and to raise and appropriate the sum required for this purpose.

Article 5. To see if the Town will vote to make any alterations in the amount of money to be raised and appropriated for the ensuing year for the support of the Town, as recommended by the Finance Committee in its budget report, to raise and appropriate all sums so determined for the purposes so determined, and to pass any other vote relating thereto.

Article 6. To see if the Town will vote to authorize the Selectmen to issue interest-bearing notes or orders to provide for the current year's expenses in anticipation of taxes.

Article 7. To see if the Town will vote to authorize the Selectmen to distribute the inventory blanks by mail, or at the time they examine the taxable property.

Article 8. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Collector's deeds.

Article 9. To see if the Town will vote to appoint or elect a budget Committee to supervise the appropriations of the Town, and to recommend to the next Annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To transact any other business proper to come before said Meeting.

Given under our hands and seal this 4th day of February A.D. 1963.

ROY E. DUNKLEY

MAURICE R. YOUNG

Selectmen of Haverhill

This is a temporary warrant. Articles may be added up to the time of posting.

REPORT OF THE SELECTMEN

To the Citizens and Taxpayers of Haverhill:

As town meeting draws near once again we look back over the past year and attempt to gaze into the coming year. We had an increase in our tax rate, which probably surprised the Selectmen as much as anyone in Town; the increase being due mainly to School Costs. It seems that everything goes up in cost and that it costs the Town more each year to operate. We have tried to keep the Town's Expenses down to the best of our ability. We feel that we must receive more State Aid for our Schools, as the local property taxpayers cannot stand any more taxes. We hope the present General Court will do something in this respect.

We also hope that in some way there can be new industry brought into the Area. At the present time we feel we are losing our most valuable asset, our youth. We bring them up, give them a good education, and then it is necessary for some of them to leave Town for lack of suitable employment.

At this time we wish to express the Town's gratitude to Horace B. Knight who has served the Town faithfully for many years as its Treasurer, as well as serving on many other Committees.

We wish to thank all Town Officers as well as the public spirited taxpayers and citizens, without whose co-operation, we could not have performed our jobs.

Respectfully submitted,

C. LINCOLN BUTSON

ROY E. DUNKLEY

MAURICE R. YOUNG

PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control—pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to install in the child's mind a respect for fire.

Keep our town safe from fire.

HAVERHILL LIBRARY ASSOCIATION 1961 — 1962

Report of Librarian

During the past year there has been continued progress in the service of our library to the community. There has been an increase in the number of registered borrowers. A total of 7570 books were circulated which is an increase of more than 900 over last year's figure.

At the beginning of our fiscal year we conducted a house-to-house canvass for membership in the Haverhill Library Association. This resulted in new interest in our library and many new members for the Association.

In October a group of our trustees attended the annual meeting of library trustees which was held in Concord. Following the dinner a panel discussion by trustees from various towns was held. This was most enlightening as to the problems confronting library trustees throughout the state. It was heartwarming to learn that our town of Haverhill is more co-operative and library conscious than some of the surrounding communities.

In the Spring the 4-H Club held its annual exhibit in our library. Their exhibit created a great deal of interest. Parents and friends of the club members were justifiably proud of the high rating awarded their display. Later in the season an art exhibit featured the work of two local artists—Mrs. Greta Morris and Mrs. Lorraine Koch.

Many excellent books have been donated to the library this year. These include books from the homes of Mr. and Mrs. Clarence Carroll and Mr. and Mrs. Fred Russell. The Lend-a-Hand Club has shown its interest by giving three books of the "Land and People" series which will be helpful to high school students. The Pike Library Association gave books for the use of our Latin students. An excellent medical dictionary was given by an anonymous donor as a memorial to Dr. Perley E. Speed. Mrs. Speed gave a 1958 Encyclopedia Britannica complete with up-to-date year-books, also in memory of Dr. Speed. A beautiful mahogany bookcase for the encyclopedia was donated by the friends and neighbors of Haverhill Corner. The bookcase was made by Mr. John Gordon of Woodsville and the gold plate was inscribed by Mr. David McAllister, also of Woodsville.

Our year closed with a production of "Aladdin" given in

Alumni Hall by Paul's Puppets. The performance was excellent and held the audience spellbound.

It is the hope of the Haverhill Library Association that we may continue to grow in usefulness to the community and we urge the public to make full use of our facilities.

WOODSVILLE FREE PUBLIC LIBRARY

Report of the Trustees

The year 1962 was one of increasing activity with a total of 20,853 books circulated, an increase of more than 2,000 over the previous year. It is gratifying that more adults as well as students are using the library facilities. A wide selection of books is available and any not here will be borrowed by the librarian from the bookmobile or the State Library when desired.

The Library Service Committee from the Lioness Club and the Woodsville Progressive Club has continued to help in many ways under the chairmanship of Mrs. Guy Kelley. Coffee was served at a meeting of a regional group and in February patriotic decorations were the work of Mrs. Wilmot. With the help of this committee National Library Week was observed in April, starting with open house on Sunday. The library was open daily with over 300 signing the guest book. There was a display of historical pictures, a business men's bookshelf, and an exhibit of the work of the local art class. The highlight of the week was Meet the Authors Day held at the Community Hall on April 10. A number of N. H. authors were present as speakers, bringing books to display. The success of the meeting was largely due to the efforts of Mrs. Kelley and Mrs. Donald Evans, with the co-operation of teachers from both schools and members of the H. S. Honor Society. Our observance of National Library Week brought us honorable mention and award of a book at the annual meeting of the N. H. Library Association.

State library aid of \$150.00 enabled us to replace old copies and purchase additional new books for the shelf of classics. With the help of the N. H. State Library we have been able to supply increased reference service to High School students. The Memorial Gift Shelf has received several excellent volumes on the Revolutionary period from Major and Mrs. W. F. Strobbridge in memory of Mrs. Ella Strobbridge.

The summer reading club enrolled nearly 100 children with awards to the one from each grade reading the most. At the conclusion a party was given by the Library Service Committee with the President of the Woodsville Progressive Club, Mrs. Frederick Stoddard, in charge. Gail Allen who

had read the most and Marilyn Boemig, second, each gave a review of a favorite book.

The room in the basement, renovated by Mt. Gardner Grange several years ago, has continued to serve the public. The kindergarten met there until the new school was opened in September. Art classes are held one morning and two evenings a week and from time to time the Grafton Co-Operative Library group convenes there to examine new books and make selections for purchase. It also serves as a meeting place for Home Demonstration groups and for various committees.

The increasing use of the library made it advisable to secure an assistant for the Librarian, Mrs. H. S. Mitchell. Mrs. Seth Eastman has proved very helpful in this capacity, and Mrs. Lawrence Butson is training to assist or substitute as required.

Secretary

SCHOOL WARRANT

The State of New Hampshire

To the inhabitants of the Union High School District of Woodsville qualified to vote in district affairs:

You are hereby notified to meet at the Community Building in said district on the 18th day of March, 1963, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of agents, Auditors, committees or officers chosen, and pass any vote relating thereto.
7. To choose agents, Auditors, and committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To choose a Library Trustee for the ensuing year.

10. To see if the district will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for the support of the Woodsville Free Public Library.
11. To see what disposition the district will take regarding the unexpended balance of the Elementary School Building Fund.
12. To see what sum of money the district will vote to raise and appropriate for the surfacing of approximately 1000 square yards of the school yard at the rear of the elementary building.
13. To see if the district will vote to authorize the application of any unanticipated income to expenses.
14. To transact any other business that may legally come before said meeting.

Given under our hands at said Woodsville this 25th day of January 1963.

1962-1963

The elementary school pupils, housed for the first time in their new school building, increased in number from a total of 323 registered in September 1961 to 340 on September 5, 1962. The administration welcomes the opportunity to serve the junior high school pupils from the school district of Benton on a tuition basis.

The secondary school enrollment also increased from a total registration of 186 as of September 1961 to 209 on September 5, 1962. Its student body includes pupils from the New Hampshire districts of Bath, Benton, Haverhill, and Monroe, as well as from Barnet and Ryegate, Vermont.

The faculty personnel had a replacement of only three staff members; Mrs. Beverly Gordon at the elementary school, replacing Miss Irene MacDonald in Grade VI, Mr. Irving Shaunesey and Miss W. Gail Robinson replaced Mrs. Watkins and Mr. Wilson in their respective positions of Business Education instructor and of instructor in social studies.

The large enrollment in the Kindergarten class of 37 pupils necessitated having forenoon and afternoon divisions, thereby requiring an additional teacher for the afternoon session in grade one where 38 pupils were enrolled. Mrs. Mary Anne Bruce was so employed.

Beverly Gordon, Woodsville—B.Ed.—Plymouth Teachers College, 1946—11 years experience.

Mary Anne Bruce, Carthage, Tennessee—B.S.—Tennessee Polytechnic, 1956—6 years experience.

W. Gail Robinson, South River, N. J.—B.A.—The Kings College, N. Y., 1957—2 years experience.

Irving S. Shaunesey, Bangor, Me.—B.Ed.—Husson College, 1962—Practice taught.

The two schools continue to operate under the able administration of Principal George McKelvey at the elementary building and Principal Norman Mullen at the high school.

Outstanding improvement to the physical plant at

Woodsville High School is the addition of the language laboratory. This is the first major electronic teaching unit to be installed in the district. More detailed information regarding the advantages of such a unit will be found in the report of Principal Mullen.

At the elementary level, the major project is the new elementary building. The construction of this functional, 300-pupil capacity institution was accomplished in one year, from the breaking of ground on Tuesday, August 15, 1961 to the dedication and acceptance of the keys to the building by the School Board, for the district, on Tuesday, August 14, 1962.

A recapitulation of the project follows:

Payments

Bonds	247,000.00
Interest Earned	4,395.76
	<hr/>
Total	\$379,395.76

The building was constructed for \$12.25 per square foot. The cubic foot cost is 90¢. The cost of the project is \$14.42 per square foot, cost per pupil is \$974.00.

The bond issue of \$247,000.00 was bid by the National Shawmut Bank of Boston at 3.70%, principal annual payment of \$15,000.00 extending over a 16-year maturity period.

The last, or 17th, payment in 1978 is for \$7,000.00.

Average interest payment is \$4,977.00. For 1962, the interest amounts of \$9,139.00 and in 1977, it is \$814.00. The last year, 1978, the interest is \$259.00.

The building committee consisted of the following citizens:

School Board Members:

Marion S. Mann, Chr.
Harold O. Taylor, Jr.
Edwin P. Chamberlin

assisted by:

Warren Buttrick
Salome Campbell
Jack Graham
Carl Marsh
Paul Ricker
Henry Smith
Charles Wood
Erlene Young

The architect was Roland Whittier of Woodsville, N. H. and Burlington, Vermont. The general contractor was the Cummings Construction Company of Woodsville, Morris Olsen, President.

Only the close coordination of the duties of the committee with that of the architect, as well as the personal attention of President Olsen to the details of material and workmanship, could have accomplished the fine structure with its outstanding functional features in such a limited time.

The lunch program for the elementary building is being efficiently operated by Mrs. Allegra Clark, assisted by Pamela Coon. The popularity of the program is evident by the large pupil participation.

The continued loyalty of the faculty members of each school unit is appreciated, as well as the planning of the school board members in developing long range programs.

The reports of Principal Mullen, Principal McKelvey, and of Muriel LaMott, R.N., follow.

Respectfully submitted,

Woodsville High School has now received accreditation in the New England Association of Secondary Schools and Colleges. Many commendations and recommendations were made during the Spring evaluation sessions which lasted a period of three days. During the course of the next two years several changes will be made in order to continue membership in this organization.

The new language laboratory installed this fall for the teaching of foreign languages has proved invaluable. The enrollment in modern foreign languages has tripled this year and indications are it will continue to grow in the future.

Our school enrollment continues to spiral upward and within the next three years a new record enrollment should be set. If such be the case, all facilities would be adequate but staff additions would be needed especially in the language arts, mathematics, and sciences.

The increased number of students receiving guidance instruction, testing and general post-graduate placement has been made possible through the installation of a part-time guidance instructor. The need for a full-time guidance counsellor is apparent.

Our high school will be visited this spring by personnel from the New Hampshire Department of Education for

state accreditation as a comprehensive high school. The local curriculum and facilities are certainly way above the minimum requirements as stated in the Minimum Standards recommended by the New Hampshire State Board of Education.

In the field of the extra-curricular activities our music, dramatic, literary and athletic endeavors continue to be of the highest quality. Excellence both in and out of the classroom continues to be the objective of the faculty and administration of Woodsville High School.

Many thanks to the School Board, Mr. Bennett, the Woodsville High School Faculty for making this a pleasant and worth-while year.

Respectfully submitted,

NORMAN H. MULLEN
Principal

WOODSVILLE GRADED SCHOOL REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I submit herein my annual report of Woodsville Elementary School for the year ending December 31, 1962.

The school enrollment started in September of 1962 at 340 pupils. As of the writing of this report the enrollment has declined to 331. The enrollment by grades is as follows: Kindergarten—35, Grade 1—38, Grade 2—38, Grade 3—33, Grade 4—46, Grade 5—30, Grade 6—34, Grade 7—51 and Grade 8—26. The fourth and seventh grades are split into separate classes because of the large number of pupils. Kindergarten is on a two session basis so that a greater amount of individual attention, with reading-readiness being stressed, may be given these beginners. Seventh and eighth grade pupils from Benton are now attending Woodsville Elementary School.

Two new teachers joined the Elementary School staff this year. Mrs. Beverly Gordon has replaced Miss Irene MacDonald in grade 6 and Mrs. Mary Anne Bruce is helping teacher in grade 1.

The staff and pupils have enjoyed the new building very much. We have found the building to be extremely functional. The multi-purpose room has been very valuable. An example of its extensive use can be seen by the following program for one day—music classes, television classes, lunch, assembly program and basketball. This room has also been used by elementary age pupils for outside activities such as 4-H and Cub Scouts.

The school library has also proven to be of great educational value. The library is open part of every day for use by the pupils. We plan to increase the number of books each year so that the library will provide more educational and recreational reading for the pupils.

Educational T.V. has been used as extensively as possible in this area. Unfortunately the New Hampshire Educational T.V. Channel 11 from Durham cannot be received in most of the North Country. With the channels we can receive we have had classes in art, history, mathematics, music and science.

Some work should be done on the playground to help alleviate the muddy conditions existing in the fall and spring. I would recommend a hard top surface be put in for

approximately 40 feet around the school on the playground side with the remainder to be grassed in immediately upon the close of school.

A hot lunch program was started this year under the direction of Mrs. Allegra Clark with Mrs. Pandora Coon assisting and Mrs. Susan George as part time helper. Approximately 200 pupils and teachers are fed each day. This program is very popular with the pupils and teachers.

A Christmas musical program was presented by pupils in grades 5-8. Grade 5 presented a Christmas pageant at the County Farm and the Junior High Chorus sang Christmas music at the Woodsville Hospital.

Boys and girls basketball teams and boys baseball team played a regular schedule of games with nearby schools.

I wish to thank Sup't. Bennett, the School Board, the teaching staff and the many others who helped make this past year an educational one for the children of the Elementary School.

Respectfully submitted,

GEORGE C. McKELVEY

I also want to thank the organizations that assisted the School Health Program with money and workers whenever needed.

Due to illness, I was given a leave of absence in January 1962. Mrs. Eve Maccini substituted for me.

I want to thank Mr. Bennett, Dr. Eastman, Mrs. Maccini, Mr. Mullen and Mr. McKelvey and their staffs, the pupils and parents for their cooperation throughout the year.

For the beautiful flowers, cards, gifts, and visits while I was a patient in Hanover, I can find no words to adequately express my appreciation. Thank you all for your thoughtfulness.

The 1962 Recreation program continued to grow in scope and all areas showed increases in enrollment. A few improvements were made in the area of facilities and the innovation of a combination tennis-basketball lighted outdoor court proved to be very successful.

The 1962 Little League Basketball program culminated in March and with a total enrollment of fifty-four enjoyed its most successful season. Many thanks are extended to the coaches and officials for their fine contribution to the Program. Also many thanks to the Woodsville Legion and Larty's Oil Co. for the wonderful banquets tendered to the players and coaches at the season's end.

The 1962 Little League Baseball program began its activities in June and continued through August. A total of fifty-seven boys were enrolled in this program. With the addition of new dugouts, renovation on the field and a new home-run fence, the program showed growth in interest and attendance. It should be noted that both the Little League Basketball and Baseball programs are self-supporting with the purchases of equipment, payment for officials and scorers coming from tag day sales and hat collections.

The 1962 Babe Ruth Baseball team was ably coached by Dr. Edwin Jamback and made a fine showing in the

Triangle Baseball League. Initial sponsorship was by the Youth Center with seasonal expenses being met through hat collections.

A girls' softball program was organized through the efforts of Mrs. Beverly Gordon and Mrs. Diane Jones and a good response was achieved in its first year. It is hoped that this program will continue again next year.

The 1962 Summer Youth Recreation began on July 9 and had an initial enrollment of 192. Several days were rained out and many chilly days slowed down the swimming program at Hall's Lake. However due to excellent instruction and a superior effort on the part of the staff, skills and tests were completed and a fine swimming meet was conducted on August 12.

Two picnic hikes to Hall's Lake were conducted and the program ended on August 14 with a field meet. This was well attended and ribbons and trophies were presented to those achieving first, second and third places in the swimming and field meets. The tag day sales of \$149.78 were placed in the Woodsville Swimming Pool Fund. Appreciation is extended to parents, staff members and YR members for their cooperation in this program.

A surfaced outdoor tennis-basketball court was undertaken as a recreation project for 1962. The total cost of the project was \$950. \$700 of this cost was paid by the Woodsville Youth Center fund with the remaining \$250 being underwritten from the Woodsville Community Field Maintenance fund. \$300 was donated by the Cohase Lions Club for the purchase of tennis nets and standards. Installation of four light posts with complete fixtures for lighting was done by the Woodsville Water and Light Department. Much appreciation is extended to Orrin Clark, John Leonard, Russell Elliott and Charles Ashley and the Water & Light Crew for their splendid help in this project.

This court is certainly a vast improvement in the Community's recreation facilities and marks an unlimited potential for future use. A summer basketball program is currently being planned with games to be at night under the lights. Tennis aspirants are welcome to use these facilities at any time. Improvements on this area are also anticipated for the coming summer.

The 1962 Youth Center opened in October and enrollment has surpassed previous years with average attendance being 175. Record Hops on Saturday evenings have been

well attended and small bands have been brought in to add variety to the program. Youth Center representatives have been selected to help in the administration and conduct of the program. Many thanks to the many chaperones who have assisted in the program.

This Youth Center program is supported by the membership fees which are charged at the beginning of the program (\$2.00 per member).

The Woodsville Recreation Program is well-rounded and much of it is self-supporting. \$4,000 was raised by the Woodsville Precinct at the last precinct meeting with \$700 being raised by Wells River making a total of \$4,700. This is largely for the Summer Youth Recreation program and the Winter Ski Program. It is anticipated that to continue this type of program that (at least) this amount should again be appropriated.

To the inhabitants of the school district in the Town of Haverhill qualified to vote in district affairs:

You are hereby notified to meet at the North Haverhill School Auditorium in said district on the 19th day of March, 1963, at 8 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
7. To choose agents, Auditors, and committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to raise and appropriate the sum of \$240.00 for the support of a dental clinic for the ensuing year.

10. To see what sum of money the district will vote to raise and appropriate for the support of the North Haverhill School Lunch Program and for the support of the Haverhill Academy School Lunch Program.
11. To see what action the district will take regarding the construction of an addition to the North Haverhill Activity Room for the purpose of installing showers and dressing rooms for athletic activities and to raise and appropriate a sum of money for same.*
12. To see if the district will vote to authorize the application of any unanticipated income to expenses.
13. To transact any other business that may legally come before said meeting.

Given under our hands at said Haverhill this 22nd day of January 1963.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Haverhill of which the above is a true summary for the fiscal year ending June 30, 1962 and find them correct in all respects, with a balance on hand of \$4,445.52.

I also certify that Haverhill Consolidated School Building Bonds No. 40 to 45 amounting to \$6,000.00 and Interest Coupons to Bonds No. 40 to 54 amounting to \$240.00 which were due May 1, 1962 are outstanding. There is on deposit in the National Shawmut Bank of Boston \$6,240.00 to pay these when presented. Bonds No. 38 and 39 were paid and destroyed and all other matured interest coupons. Outstanding Bonds—\$90,000.00

1962-1963

The enrollment at the North Haverhill Central School shows another decrease of membership, 260 enrolled on September 5, 1962, seven less than last year on the opening date. Haverhill Academy shows an increase of nine, from 106 in September of 1961 to 115 in 1962.

All members of the teaching staff returned at the elementary school.

The Academy experienced the largest change of staff members since I have been supervising the system. Five of the eight members did not return.

Replacements employed are:

Alan Rich, Principal, Groveton N. H. Plymouth Teachers College, B. Ed. 1952. 10 years experience.

Salome Campbell, Languages, Woodsville, N. H. University of New Hampshire, B.A. 1925. 12 years experience.

Barbara Fullerton, English, Woodsville, N. H. Hope College, Michigan, B.A. 1950. 5 years experience.

Locke Aldrich, Math and Science, North Haverhill, N. H. Keene Teachers College, B.Ed. 1956. 1½ years experience.

Daniel Perry, Phys. Ed. and Science, Methuen, Mass. Plymouth Teachers College, B.Ed. 1962. 5 months experience.

It is gratifying to report the fine coordination of the faculty in adapting to a new situation. The school is extremely fortunate in obtaining such competent staff members.

Upon due notice from the Haverhill School Board, the lease for the use of the second floor of Pierson Hall, by the Masonic fraternity, was terminated.

Permission was granted by the Board for a civic group to raise funds to renovate the space thus vacated into two classrooms. The home economics class and classes in social studies are now meeting in these rooms.

The chemistry laboratory is now expanded into the abandoned Home Ec. room, made possible by removing a dividing wall.

An improvement has been made in the basement of the Academy building by the erection of a fireproof wall between the boiler room and the girls' basement on the one side, and the stairwell on the other.

Each change, along with better lighting facilities, in some rooms and corridors, contribute to improved teaching and learning environment.

It is the primary responsibility of the schools, both elementary and secondary, to promote both intelligent behavior and life adjustment. To these tasks, the instructors and administrators are dedicated.

Gratitude is expressed to these dedicated principals and teachers, to the individual members of the school board, and to the public for the continued interest of all in the public school system of Haverhill.

The reports of Principal Rich and of Mrs. Muriel LaMott, R.N., follow.

Respectfully submitted,

PHIL A. BENNETT

We are still faced with the problem of "Comprehensive High School" versus "High School." This year under the bill relating to "Comprehensive High Schools" there are 5 students from our district attending other schools.

Beginning in September 1963 the requirements for a "Comprehensive High School" will be:

Twenty units in College Preparatory Academic Subjects.

Ten units in General Subjects.

Fourteen units in Practical Arts Subjects.

Three units in Fine Arts Subjects.

At the present time we are a "High School" with the following offerings:

Twenty units in College Preparatory Academic Subjects.

Eight units in General Subjects.

Ten and a half units in Practical Arts Subjects.

No units in the Fine Arts Subjects.

During the summer of 1962 two rooms in Pierson Hall were remodeled and are now being used as a Home Economics Department and a social studies room. This work was made possible by donations from the citizens of Haverhill.

Since the beginning of school in September, representatives from the State Department of Education have visited our school to make recommendations and suggest how we could best meet the minimum standards which go into effect in September of 1963. In the near future other members of the Department will be reviewing our Home Economics program and facilities.

The addition of two large classrooms in Pierson Hall has greatly increased the available facilities of Haverhill Academy.

The availability of these two rooms was made possible by the local Masonic Order relinquishing their right to use the rooms and the renovating of the rooms and stairways was

made possible by funds solicited by the Haverhill Community Association.

The Haverhill School Board in behalf of the citizens of the Haverhill School District wish to thank the Haverhill Community Association and the local Masonic Order for their roles in helping to improve Haverhill Academy.

Also a vote of thanks should go to the Haverhill Library Association for making available ever-improving library facilities and to the Haverhill Academy Alumni Association for making possible a Scholarship Loan Fund.

I want to thank the Cohase Lions Club for their contribution to the Sight Conservation Program.

The Haverhill Chapter of the American Red Cross provided money for Hospitalization and Medical care for T & A.

The Salvation Army also paid for the hospitalization and medical care for T & A.

The following organizations gave generously of their time and money:

The North Haverhill Girls Club

The Haverhill Lend-A-Hand Club

The Grange

The V.F.W. Haverhill Memorial Post #5245 and Auxiliary

To all that donated transportation for the dental clinic, my sincere thanks. Without transportation, we could have no clinic.

I also want to thank the people that gave articles of used clothing.

Due to illness, I was given a leave of absence in January 1962. Mrs. Eve Maccini, R.N., substituted for me.

I want to thank Mr. Bennett, Mrs. Maccini, Mr. Morrill and his staff, the pupils and parents for their interest and cooperation throughout the year.

I wish, also, to thank each one for the flowers, cards, gifts, visits, and many kindnesses received while I was a patient in Hanover.

STATE OF NEW HAMPSHIRE
Forestry and Recreation Commission
Concord, New Hampshire

January 2, 1963

Board of Selectmen and Town Budget Committee
Haverhill, New Hampshire

Gentlemen:

Control work in the state is moving along at an encouraging rate. Towns have responded very well to the Division's recommendations for funds to advance local programs. In 1962, 113 towns and cities contributed \$18,400.00. This sum, combined with state and federal cooperative funds, enabled us to carry out a well-rounded program and to cover 219,997 acres of control area. This is most heartening to those who have the responsibility for the entire program.

Recognizing the towns' fiscal problems, the Division's appropriation requests have been kept to minimum amounts necessary to maintain the present status of control.

Few citizens realize that New Hampshire has the largest control area in the country—2,500,000 acres. Control of the disease has been established on 96% of this area. These accomplishments represent the results of a continuing unique team effort of town, state and federal governments each of which, through consistent cooperation, is discharging its individual responsibility. Our problem now is to hold the line and maintain control. This is accomplished by periodic examination of control areas to determine the presence of currant and gooseberry bushes and destroy them. Continued cooperation on the part of the towns is essential to the achievement of this goal.

Should your Board or Budget Committee desire more detailed information, I would suggest you contact the supervisor of your area whose name and address are given below.

Yours very truly,

WILLIAM H. MESSECK, JR.,
*Director, Division of
Resources Development*
