#### TOWN WARRANT

(L.S.) STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Bartlett in the County of Carroll in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Bartlett on Tuesday, the 13th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

- 1. To choose all necessary Town Officers for the year ensuing.
- 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.
- 3. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$50,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town negotiable notes therefor, said notes to be repaid during the current municipal year from taxes collected within the current municipal year.
- 4. To see if the Town will vote to authorize the Selectmen to distribute the blank inventories at the time they examine and appraise the property to be taxed.
- 5. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.
- 6. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the activities of the Eastern Slope Region, Inc., for the year 1951.
- 7. To see if the Town will raise and appropriate a sum of money not to exceed \$118.00, based on one hundredth of one per cent of the assessed valuation, to be paid as its share of the expense of carrying on advertising and other beneficial programs for the section of the State known as the White

Mountain Region of which this Town is a part, in cooperation with the State of New Hampshire and other towns in said region to be paid by the Selectmen to the treasurer of the White Mountains Region.

- 8. To see what sum the Town will vote to raise and appropriate for plowing the private roads now being plowed, namely: Roland Cook, Aldrich Barnes, Duprey's Mill, Parking Area to Intervale Ski Slope, Myrtle Taylor.
- 9. To see if the Town will raise and appropriate the sum of \$250.00 for operation and maintenance of equipment of the Glen Fire Department.
- 10. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Memorial Hospital, North Conway, N. H.
- 11. To see if the Town will vote to discontinue all those portions of the highway in the Town of Bartlett that were formerly a part of N. H. Route No. 16 which lie more than fifty (50) feet distant from the center of the recently relocated and reconstructed section of highway between the village of Glen and the Town of Jackson, as shown on a Plan of Federal Aid Project F 246(6) in the records of the New Hampshire Department of Public Works and Highways, with the exception of the loop from the residence of Oscar Hayes to the restaurant of George Kern.
- 12. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and fifty-one.

# DIVISION OF MUNICIPAL ACCOUNTING STATE TAX COMMISSION

January 5, 1951

Board of Selectmen Bartlett, New Hampshire

#### Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Bartlett which was made by this Division, acting under authority of Chapter 82, Section 27, of the Revised Laws of New Hampshire, which provides in part as follows:

"Audit on Motion of Commission. The commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such " " "

This audit covered the fiscal year ended December 31, 1949, and the period from January 1st to November 15th, 1950. Exhibits as hereafter listed are included as part of the report which is made up in three sections as follows:

Section I—Fiscal Year Ended December 31, 1949
Section II—Period January 1st to November 15th, 1950
Section III—Statistical Table—Ten Year Statement of
Indebtedness, Valuation and Taxes

#### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

#### FINANCIAL STATEMENTS

Comparative Balance Sheets — Dec. 31, 1948 - Dec. 31, 1949: (Exhibit A)

Comparative Statements of Appropriations and Expenditures – Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1949, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriation of \$4,732.08, less a net revenue surplus of \$1,778.80, resulted in a net budget deficit of \$2,953.28.

Statement of Long Term Indebtedness: (Exhibit E)

A statement of Long Term Indebtedness as of December 31, 1949, showing annual maturities of principal and annual interest requirements, is included in Exhibit E.

Summary of Receipts and Expenditures: (Exhibit F)

A summary of receipts and expenditures for the fiscal year ended December 31, 1949, made up in accordance with the uniform classification of accounts, is included in Exhibit F. Proof of the Treasurer's balance, as of November 15th, 1950, is indicated in Exhibit L.

#### **AUDIT PROCEDURE**

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

#### **GENERAL COMMENTS**

Revised Balance Sheets:

Certain revisions were made in the balance sheets of December 31, 1948 and December 31, 1949, as originally made

out by the town officials. The two principal changes were:

- (1) Town Clerk's cash on hand, December 31, 1949, was actually \$405.45, rather than \$79.00, as originally reported.
- (2) Special appropriation of \$1,000.00, for Veterans of Foreign Wars, was made in 1946, but not actually expended until 1949. The town balance sheets for the years 1946-47 and 48 failed to include this item as an appropriation liability. Our revised balance sheet of December 31, 1948, reflects this liability.

### Bounties:

The balance sheet of December 31, 1949, indicates the following amounts due from the State on account of bounty payments made by the Town:

$$1948 - \$95 \ 50$$

$$1949 - 60 50$$

A claim should be filed with the State Treasurer, on the proper form provided for this purpose, for reimbursement on account of bounty payments.

### Appropriation Overdrafts:

A net overdraft of appropriations of \$4,732.08 is indicated by the budget summary, Exhibit D, resulting from appropriation overdrafts of \$7,005.35 and unexpended balances of \$2,273.27. The largest overdrafts were on account of highways as follows:

| Town Maintenance – summer   | \$3,402 | 90 |
|-----------------------------|---------|----|
| General expense of highways | 1,932   | 81 |

The accumulation of annual budget deficits resulting from appropriation overdrafts can seriously affect the financial condition of a town. This condition can be remedied only by more careful budget preparation and closer adherance to the appropriations which are authorized by the town meeting.

### Town Treasurer:

In the report of the previous audit made by this Division of the accounts of the Town of Bartlett, we commented as follows in reference to the Treasurer's accounts:

"It was noted that the usual practise is for the treasurer to sign orders in blank before they are actually issued. This is not good procedure and should be discontinued. Orders should be countersigned by the treasurer only after they have been issued and signed by the selectmen.

It was also noted that the treasurer does not record checks in his cash book until they are returned cancelled after payment by the depository bank. Consequently the actual balance of the Town at any given time is unavailable. When a check is countersigned by the treasurer it should immediately be entered in the cash book as a payment. If this is done the actual balance will be known at all times and bank overdrafts, which might otherwise occur, prevented.

A monthly reconciliation should be made by the treasurer between his cash book balance and bank balance."

The current audit disclosed that the recommended procedures, as above indicated, have not been adopted by the treasurer. We, therefore, again call your attention to this situation. These recommendations should be adopted at once without further delay. In addition the treasurer should balance his cash book at the close of each month and at the same time make out a monthly report to the selectmen, indicating the receipts of the month in detail — the total expenditures and balance at the close of the month.

### Tax Collector:

Tax collections in Bartlett are far below the average for the state. In the year 1949, the average collection of current year's taxes for all towns and cities in New Hampshire was 90.2%. The collection of current year's taxes in Bartlett during 1949 was only 69.2%, or 21% below the state average. This condition is probably due in part in the late commitment of the warrant by the Selectmen to the Tax Collector, the commitment of the 1950 warrant having been delayed until about the first of November. The tax rate should be approved and the warrant given to the Collector at a much earlier date.

Another procedure which should be corrected is the present method of settlement with the Collector on account of taxes bought by the Town. The tax sale is usually held the latter part of September but the Collector is not paid by the Town for taxes bought at the sale until the close of the fiscal year and this payment represents only the difference between the total amount of the tax sale and the redemptions from the sale which are made up to December 31st.

The proper procedure is to issue a voucher and check to the Collector *immediately* after the tax sale for the *total amount* of taxes bought by the Town, including unpaid taxes, interest and costs.

More care should be exercised in the matter of accounting for abatements. As indicated by Exhibit N of this report, Summary of Tax Warrant for the Levy of 1949 for the period January 1st to November 15th, 1950, the amount of the check which was given to the Collector on account of abatements allowed during 1949, \$1,275.34, was \$127.06 in excess of the amount of abatements actually allowed.

A detailed list of all abatements should support the voucher and check issued to cover such abatements. This statement should list each individual abatement, indicating — "year of levy", "name of taxpayer", "amount of abatement" and "reason for abatement." This information is absolutely necessary in order that such abatement credits may be checked against corresponding entries in the Collector's warrant book.

### Old Tax Sale Records:

The tax sale records for the tax levies prior to 1948, were

incomplete and somewhat confusing. Considerable time was spent checking tax sale records for the levies of 1940 to 1947, both in the town office and at the office of the Carroll County Registry of Deeds at Ossipee. However, the available information at hand seemed to indicate that all taxes bought by the Town on account of tax levies prior to 1947 had been subsequently redeemed.

### Town Clerk:

It was noted that the Town Clerk had not made remittances to the Treasurer, on account of motor vehicle permits issued, as required by Section 22, Chapter 116, of the Revised Laws of New Hampshire, which provides as follows:

"22. Accounting. Each designated city official and town clerk shall keep an account of the money received by him for said permits and deposit the same in the city or town treasury on the last Saturday of each month, to be used for the general purposes of the city or town. Failure to deposit shall be cause for immediate removal from office. Town clerks shall be paid on orders drawn on the town treasurer by the selectmen fifty cents for each permit issued."

At the close of the year, December 31, 1949, the Clerk's cash on hand amounted to \$405.45, made up of:

| Motor vehicle permits | \$326 43 | 5 |
|-----------------------|----------|---|
| Dog licenses          | 79 00    | ) |

At the time of the current audit, November 15, 1950, the Clerk's cash on hand amounted to \$874.76, which represented the following:

| Motor vehicle permits | \$797 | 76 |
|-----------------------|-------|----|
| Dog licenses          | 69    | 00 |
| Filing fees           | 8     | 00 |

This was subsequently remitted to the Treasurer on November 20th and 25th, as indicated by Exhibit P.

All funds received by the Clerk should be remitted monthly as required by law on the basis of actual cash book receipts to the date of remittance and full settlement should be made with the Treasurer at the close of the fiscal year.

Dog licenses and filing fees should be recorded by the Clerk in the cash book as well as motor vehicle permits.

### Dog Licenses:

The amount of dog licenses issued in 1949 was \$79.00 and in 1950, to date of audit \$69.00. In view of the small amount received from this source it is recommended that the Selectmen should check into this situation, have the dog census revised and records brought up to date.

### Conclusion:

It is our feeling that much could be accomplished if the Board of Selectmen, Town Treasurer, Tax Collector and Town Clerk got together at the close of the fiscal year to make up their respective reports and iron out differences which may have arisen during the year.

It is very important that the books and accounts of all town officers be closed as of December 31st and financial reports made on this basis. The Town Treasurer should, if necessary, hold his accounts open for a day or two after the date on which the fiscal year closes in order that all receipts of the Tax Collector, Town Clerk or any other fiscal officer of the Town, up to and including December 31st, may be remitted to the Treasurer and included in his accounts for the fiscal year. All funds of the Tax Collector, Town Clerk, or any fiscal officer of the Town should be remitted to the Treasurer on or before the closing date. It is not good procedure for town officer, other than the Treasurer, to report "cash on hand" at the close of the year. This practise is unnecessary and tends to confuse the accounting.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of Bartlett for their assistance during the course of the audit.

Yours very truly,

### CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Bartlett for the fiscal year ended December 31, 1949, and the period from January 1st to November 15th, 1950. In our opinion the Exhibits included herewith reflect the true financial condition of the Town, together with the results of operations for the fiscal year ended December 31, 1949.

Respectfully submitted,

HAROLD G. FOWLER

Director

Division of Municipal Accounting State Tax Commission

### **Report of Forest Fire Wardens**

Each year two hundred thousand forest fires annually burn over 36 million acres of the forest lands of this great nation. This area is roughly the size of our New England states. Tens of thousands of man-hours costing over 40 millions of dollars are used in combating these fires. They destroy valuable mature timber and new growth, and leave desolation and often death in their wake. With the large deficit in rainfall the past four to five years the need for extreme caution is great.

Every brush, grass or forest fire that you have in your town has its effect on you in several ways; such as increased taxes, loss of mature timber, marring of the landscape and spoiling the recreation value of our country side. It is safe to say that approximately 97% of the fires occurring in this state are man-caused and because all man-caused fires are preventable, remember—only YOU can prevent forest fire.

Our forest fire organization is doing a grand job in keeping our fires small, but the public in general is becoming increasingly careless in discarding matches and cigarettes. Another form of carelessness is the neglect to secure the required permit from the town fire warden to burn brush or use an incinerator in or near woodlands. It is YOU and YOU alone who can help correct this shameful waste of our natural resource by:

- 1. Seeing that your incinerator is tight and is sitting on clean ground.
- 2. Always clean a space about any open fire to prevent its spreading.
  - 3. Never burn in dry windy weather.
- In all cases a written permit is required from your town Fire Warden.

It is with your cooperation that this shameful waste of timber and money can be stopped.

1950 FIRE RECORD—Number of fires, 1; acreage burned, one-tenth; number of fire permits issued, 62.

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Bartlett qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in Glen in said district on the thirteenth day of March 1951, at 8 o'clock in the evening, to act upon the following subjects:

- 1. To choose a Moderator for the coming year.
- 2. To choose a Clerk for the ensuing year.
- 3. To choose a Member of the School Board for the ensuing three years.
  - 4. To choose a Treasurer for the ensuing year.
  - 5. To choose an Auditor for the ensuing year.
- 6. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
- 7. To see what sum of money the district will vote to raise and appropriate to defray current expenses.

- 8. To see what sum of money the district will vote to raise and appropriate for insurance.
- 9. To see what sum of money the district will vote to raise and appropriate for the lunch programs.
- 10. To see what sum of money, if any, the district will vote to raise and appropriate in order to allow local organizations to use the gym without charge.
- 11. To act upon any further business that may legally come before this meeting.

Given under our hands at said Bartlett this 20th day of February 1951.

### Report of Superintendent

To the School Board and Citizens of Bartlett:

The re-organization of the High School to include grades 7-8 from the entire District has been a benefit to the boys and girls. The boys have gained a great deal from the shop work. If grades 7-8 had not been moved from Lower Bartlett the rooms there would have been overcrowded. Consequently, the District would be faced with the problem of adding a fourth room in Lower Bartlett. It is also interesting that the cost per pupil for the support of grades 7-12 is approximately \$239 which is a reduction in per pupil cost as shown in the accompanying graph.

It would be extremely beneficial to the girls if a practical course in Home Economics were available for them.

Bartlett received \$1,873.50 from State Aid for this year as compared with \$8,692.48 in 1947 and in 1948. The proposal in the present session of the State Legislature would give your District about \$3,600.00. New Hampshire provides the least amount of financial help from State revenue to the local School Districts of any of the 48 states.

It is necessary to include an article in the Warrant to cover some current expenses. This is necessary because of about \$850 increase in teachers' retirement as required by a new State law, and because of an error in the State Tax Commission's office which made the amount available this year approximately \$2,000 less than was voted at the last District Meeting.

Mrs. Bertha James, Jeanne Lord, Mrs. Lucille Garland, and Mrs. Alice Davis are taking an extension course in the teaching of arithmetic. The interest which the teachers take in continued study is excellent and will result in benefits to your boys and girls.

The sincere interest, effort and co-operation of the School Board, teachers, lunch room workers, and citizens are appreciated, and my thanks are extended to everyone who has helped the schools.

### Respectfully submitted,

### HAMMOND A. YOUNG

Superintendent of Schools
