ANNUAL REPORT
OF THE
COUNTY COMMISSIONERS.

FELLOW CITIZENS OF THE COUNTY OF HILLSBOROUGH:—

Agreeably to the laws of our State we submit to you the following report of the expenditures of the county which have come under our supervision for the year ending April 30th, 1889. Also the reports of the Superintendent of the Farm and Almshouse, Treasurer, Clerk of the Court, Solicitor, Sheriff, Jailor, Physician, Chaplain, and Auditors:

COUNTY FARM AND ALMSHOUSE.

The crops raised on the Farm the past year were considerably larger than those of the previous year.

Nearly 140 tons of hay were cut and stored in good condition; 1132 bushels of potatoes were raised, which is 900 bushels more than were harvested the previous year. A good quantity of ensilage and vegetables were stored for winter use. There were also made at the farm 4873 pounds of butter, all of which together with the milk is consumed by the inmates. The table found elsewhere in the report gives the quantity of the different crops raised.

For an account of the building of the new silo, general repairs, &c., we refer you to the Superintendent's report.

Two years and a half ago a thoroughbred Holstein bull, Nico III, was purchased of the Hon. D. H. Goodell, of Antrim, he

now being three years old and weighing 1900 pounds. About the same time two full blooded heifers, two years old, imported, Kate Hardcastle and Pecowsie, were purchased of New Jersey importers. They have proved themselves superior animals, and as the result of their breeding we now have five full blood heifers, one pair of twins, making in all eight thoroughbreds, besides several grade.

Upon referring to the table it will be seen that the cost of supporting the paupers at and off the Farm is larger than any previous year, especially those off the farm, which is almost wholly due to the relief furnished poor and disabled soldiers and their families.

We are informed by members of the G. A. R. that a bill is in preparation to be presented to our next legislature having in view the establishment of a soldiers' home, where the needy and disabled veterans can be comfortably provided for, partially or wholly, by the government. We believe it is a move in the right direction and will meet the approval of our legislators and taxpayers generally.

Our insane paupers who have been at the asylum, and were considered incurable and harmless, have been removed to the almshouse, where they are kept at about one-third of the expense that it cost at the asylum.

Mr. and Mrs. J. Garvin, Superintendent and Matron of the County Farm and Almshouse, have fully sustained their former reputation as managers of an institution of this kind. The superintendent and matron of an asylum of this kind should be persons whom the inmates love and fear, love to obey and fear to disobey. Mr. and Mrs. Garvin have our most sincere thanks for their good judgment and management, their kindness toward the inmates and the cordial respect shown us during our visits at the institution.

We also extend thanks to the subordinate officers of the institution for their courtesies towards us, some of whom have been managers in different departments for several years.

JAIL.

The expenses at the Jail for the year ending April 30, 1889, amount to \$8,377.35, which is \$380.16 less than those of last year.

The affairs at this institution under the efficient supervision of Capt. Wadsworth are well managed. The sanitary condition is excellent, it is rarely that a case of sickness occurs among the prisoners.

Captain and Mrs. Wadsworth have our sincere thanks for their thorough discipline and good management of the institution.

GEORGE A. COCHRANE,
WEBSTER C. BROWN,
ALFRED G. FAIRBANKS,
County Commissioner.

SUPERINTENDENT'S REPORT.

TO THE HONORABLE BOARD OF COMMISSIONERS FOR HILLSBOROUGH COUNTY:

Gentlemen:—The year just closed has been the first full year that I have occupied the position of Superintendent. I recall nothing of extraordinary importance that has occurred during that time at the Institution.

Notwithstanding the season was very wet, the various crops were about up to the average of past years.

Although the death rate is slightly in excess of last year, the number who passed away was composed of aged people (10 between the age of 70 and 84 years) and infants, (7 between the age of 6 weeks and two years.)

A new silo has been constructed in the barn and the old silo has been utilized as a reservoir, for which purpose it is admirably adapted, having a cement bottom, sides, and considerable depth, thus keeping the water at a low temperature in summer.

Two new hydraulic rams have been put in, replacing the old ones, which have been in use since the farm was purchased by the County and were worn out, at present the new rams are not throwing the full amount of water they are capable of. It may be necessary to put in new feed pipes before their full power can be obtained.

The wind-mill has been thoroughly overhauled and new parts supplied where required, and is now in fine working condition. During the year the ice house has been enlarged, and now has room for double its former quantity of ice. The brick is on the ground, and as soon as possible the construction of a new brick ash house will be commenced.

Improvements have been made in the cow barn by an addition on the west side of 50x12 feet, to be used for calf pens, storage,

etc., and a change in the linter for full blooded Holstein stock, of which there are eight head, including extra nice twin heifer calves.

The amount of wood on hand is largely in excess of the quantity on hand this time last year. An opportunity to purchase a lot of standing wood at a fair price was taken advantage of, and the chopping and hauling was done by our own men and teams.

At the time of writing this, there is every indication of an early spring, in fact we commenced plowing some days ago, and spring work is now commenced in earnest.

Thanking you, gentlemen, for the earnest support and courtesy shown us at all times, I respectfully submit my report.

JEREMIAH GARVIN,
Superintendent.

PHYSICIAN'S REPORT.

TO THE HONORABLE BOARD OF COMMISSIONERS OF HILLSBOROUGH COUNTY:

Gentlemen:—During the year ending April 30, 1889, the sanitary condition of the Hillsborough County Almshouse has been very good, and, considering the large number of inmates, their health has been as good as could be expected.

The majority of deaths have occurred from old age or were in an enfeebled state from incurable diseases when brought to the institution, very few deaths having occurred among the younger portion of the inmates, and all have been well cared for by the management and those in charge.

To the Superintendent and the Matron, I would return my thanks for the many kindnesses and co-operation I have received at their hands in the discharge of my duties.

Thanking you, gentlemen, for the courtesies shown me, I respectfully submit my report for the year.

JOSIAH FLEEMAN, M. D.

CHAPLAIN'S REPORT.

TO THE HONORABLE BOARD OF COMMISSIONERS FOR HILLSBOROUGH COUNTY:

Gentlemen:—My work at this institution, as Chaplain, consists in conducting the funeral services and in holding a religious service on the second and fourth Sundays of each month. Although the audience is of a various character, I find a noticeable stillness rarely to be found among such people, and very good attention given throughout the service.

The preaching service is held on Sunday afternoons, consisting of singing, reading of scriptures, prayer, and remarks upon the topic chosen. I notice that the singing forms an attractive part of the service to these unfortunate people.

I consider that much good can be done in this way, and that as keepers of the house of the Lord and trustees of His holy word, it is our duty, and we should consider it a privilege, to sow the seeds of the Gospel of Jesus Christ.

Respectfully submitted,

T. O. HARLOW,
Chaplain.

SOLICITOR'S REPORT.

TO THE HONORABLE BOARD OF COMMISSIONERS FOR HILLS-
BOROUGH COUNTY :

Gentlemen:—I herewith submit my annual report as County Solicitor for the year ending May 1, 1889.

During this time I have received no money belonging to the County, all fines and costs having been paid to the Clerk of the Supreme Court.

During the past year the County has commenced a civil suit against the town of Brookline to recover some six hundred dollars paid for the board of Catherine Rockwood at the Asylum for the Insane. The action is still pending.

The County has also had the past year nineteen cases for the recovery of the amount due on forfeited recognizances, and has recovered judgment in ten of these cases. Nine of these cases are still pending.

At the beginning of the year there were ten continued criminal cases on the criminal docket of this County. To this number there were added during the year by indictment and by information two hundred and seventy-three; by old cases brought forward, six; and by appeals from justice and police courts, eighteen more, making in all three hundred and seven cases upon the criminal docket in this County during the past year.

The cases have been disposed of by trial and otherwise, with the exception of about twenty cases which will be continued at the end of the March term of the Supreme Court in this County. I am unable to give the exact number of continued cases at this

time for the reason that the March term of the Supreme Court in this County is still in session and the docket is not yet closed.

I have on the docket a number of petitions for injunctions under the Nuisance Act, brought by the Manchester Citizen's League, which are awaiting the decision of the Supreme Court as to the constitutionality of the Nuisance Act.

ROBERT M. WALLACE,
County Solicitor.

May 1, 1889.

AUDITOR'S REPORT.

The undersigned, auditors for the County of Hillsborough, having attended to their duties report that they have examined the accounts of the County Commissioners, Superintendent of the County Farm, and County Treasurer, and the bills, notes, coupons, and payments named therein and find that said accounts are properly cast and well vouched, and they also find that, in their judgment, the sums named in said vouchers and payments are according to the market value of the articles charged therein, and that said articles have been used for the benefit of the County.

H. K. SLAYTON, }
W. W. BAILEY, } Auditors.
