

Town of Piermont New Hampshire

Annual Report of Officers

For The Year Ending
December 31, 2016

On the cover:

Appearing at the August 20, 2016 Tribute to Piermont's First Responders, Volunteers and Military Veterans, members of the famed Catamount Pipe Band are seen as they are led into the Piermont Veterans Memorial Garden by members of the Piermont Fire Department Color Guard. The event included a spectacular band concert and barbecue sponsored by the Friends of Piermont. Color Guard members include, left to right; Deputy Chief Andrew Mauchly, Firefighter Tucker Trapp, 2nd Lieutenant Kenneth Jones and 1st Lieutenant Chris Yaeger. Photo by Bernie Marvin, courtesy of The Bridge Weekly.

To the Residents of Piermont and the area:

The Friends of Piermont are gathering names of all veterans who were living in Piermont when they enlisted in the service. A veteran's DD214 would be proof of residency.

Once these names are gathered, they will be placed on a plaque, which will be mounted on one of the monuments at the Veterans Memorial Garden at South Lawn Cemetery.

We are looking for veterans both old and young, who were in the service. Many names from WW1, WW2, Korea, and Vietnam are already on a plaque, but some names may be missing. More recent veterans are not yet recognized in any way.

If you or anyone knows of a Piermont Veteran, we want to include them. Please contact either Abby Metcalf at 603-272-4372, email plants7@yahoo.com or Bernie Marvin at 603-272-4933, email berniemarvin@gmail.com

Annual Report of Officers

**Town of Piermont
New Hampshire**

**For the Year Ending
December 31, 2016**

Board of Selectmen 2016 Annual Report

First and foremost the Chairman of the SelectBoard would like to thank all of Piermont for the Honor of serving you.

Our Town office has undergone a transformation which assures a safer environment for our Town employees. A safer environment was not only a priority and town responsibility but also a State requirement.

Piermont is also happy to welcome two new employees, Jennifer Rugar (Administrative Assistant) and Susan Belyea (Bookkeeper and Assessing Clerk). Both Mrs. Rugar and Ms. Belyea are there to serve the Town and do so with great professionalism.

The SelectBoard would like to thank all of our Department Heads, elected and appointed officials and employees. Due to their tireless efforts we have a Town we can be proud of. We would also like to recognize all of them for their special attention to costs incurred while discharging their duties. Because of their efforts our tax rate rose only .01 per thousand this year. Every taxpayer penny saved counts. East Piermont has seen some change this year. We are happy to announce they will be served by Warren-Wentworth Ambulance service. This negotiation was placed in the very capable hands of our Emergency Management Director Bernie Marvin by the Board. Both Camp Walt Whitman and Camp Kingswood were instrumental in this process and we heart fully thank them. We would also like to thank Mr. Marvin, Piermont Fire Department and Warren-Wentworth Ambulance for their work in seeing East Piermont served with better response times. When seconds seem like hours, faster access to emergency care is critical. Without the team effort and town spirit of all, this would not have been accomplished. Your SelectBoard is committed to making this year's agreement permanent.

This year has seen rising court/legal fees costs due to several property tax abatement cases. The abatement process is the right of every New Hampshire property owner. We have also incurred costs due to a lawsuit brought by Selectwoman Mertz against the Town. Her lawsuit is estimated to cost the Town of Piermont more than \$60,000.00.

Finally, the SelectBoard would like to recognize and thank Selectman Colin Stubbings for his majority work on this year's budget. His expertise in accounting does not go unnoticed and Piermont is indeed better off having him.

Town Personnel and Officers (as 12.31.16)

Board of Selectmen	Randy Subjeck, Chair (2017) Colin Stubbings (2018) Teran Mertz (2019)

Town of Piermont
New Hampshire
Warrant and Budget
2017

To the inhabitants of the town of Piermont in the County of Grafton in the state of New Hampshire qualified to vote in town affairs you are hereby notified and warned of the Annual Town Meeting will be held as follows:

Date: March 14, 2017

Time: 10 AM

Location: Old Church Building

Details: Polling booths are open 10:00 AM to 6:30 PM. At 6:30 PM the meeting will adjourn to reconvene at 7:30 PM at the Piermont Village School in said Town of Piermont for consideration of the remaining articles on this WARRANT

Article 01: To Elect Officers

To choose by non-partisan ballot a Selectman for a term of three (3) years; a Treasurer for a term of one (1) year; a Trustee of Trust Funds for a term of three (3) years; a Road Agent for a term of three (3) years; and two Library Trustees for a term of three (3) years each.

Article 02: Saturday Session of Town Meeting

To vote by non-partisan ballot to see if the residents are in favor of authorizing the Selectmen to choose a second session of town meeting:

Do you approve of having 2 sessions for the annual town meeting in this town, the first session for choice of town officers elected by an official ballot and other action required to be inserted on said official ballot and the second session, on a date set by the Selectmen, for transaction of other business. *(The Selectmen RECOMMEND this article 2-0)* (Majority vote required)

Article 03: To Define "Agriculture"

To vote by non-partisan ballot to see if the residents are in favor of amending Article IV of the Town's Zoning Ordinance, definitions, to add the following definition as proposed by the Planning Board.

Amend Article IV, Definitions to add the following definition: "Agriculture-Farming: A wide variety of activities related to: the tillage of the soil; production of compost; the raising and sale of livestock, horses, birds, fish and insects, including the use, storage and transportation of agricultural equipment, materials and supplies; marketing of any of the above items. Refer to RSA 21:34a for complete definition"
(The Selectmen RECOMMEND this article 2-0)

Article 04: To Amend Zoning Ordinance

To vote by non-partisan ballot to see if the residents are in favor of amending Article VIII, Section 2.12, as proposed by the Planning Board, by deleting the existing Section 2.12 and replacing it with:

The purpose of yard sales - including garage sales, barn sales, moving sales - is to sell unwanted, used household type items. Under no circumstances should such sales be considered to be a home-based business or a "flea market" or any other activity for selling new merchandise or goods unrelated to a homeowner's personal property. Agricultural sales as defined in RSA 21:34a are exempt from this ordinance. The number of yard sales held along a public roadway will be limited to three (3) days per month, four (4) times a year per property owner or tenant[s].

Anyone wishing to operate a yard sale shall notify the Piermont Police Department no less than 24 hours prior to the sale. Notification shall include the location of the sale and the proposed times and dates of the event. The violation of this Ordinance shall be punishable by a fine of Fifty (\$50) dollars for each day the offense continues. *(The Selectmen RECOMMEND this article 2-0)*

Article 05: Operating Budget of the Town

To see if the Town will vote to raise and appropriate the sum of One Million Two Hundred and Thirty Thousand One Hundred Forty Four dollars (\$1,230,144) to be raised by Three Thousand dollars (\$3,000) Hazard Mitigation Grant, Two Hundred and Eighty Seven Thousand dollars (\$287,000) NH DOT Grant and Nine Hundred and Forty Thousand One Hundred and Forty Four dollars (\$940,144) by general taxation for general municipal operations. This does not include special or individual articles. *(The Selectmen RECOMMEND this article 2-0)*

Article 06: Sewer District Budget

To see if the Town will vote to raise and appropriate the sum of Thirty Two Thousand Fifty Six dollars (\$32,056) for the Sewer District to be funded through sewer user fees with no amount to be raised by taxes. *(The Selectmen RECOMMEND this article 2-0)*

Article 07: To Purchase New Truck

To see if the Town will vote to approve the purchase of a new one-ton truck with plow, sander and dump for the use by the Road Agent, at a cost not to exceed Eighty Eight Thousand and Forty Nine dollars (\$88,049) and to authorize the Selectmen to borrow the funds to pay for the truck and negotiate a note payable over a term of 5 years. Further to raise and appropriate Nineteen Thousand Eight Hundred Ninety Nine dollars (\$19,899) for the first year's payment. In each of the following years the appropriation of Nineteen Thousand Eight Hundred Ninety Nine dollars will be contained in the operating budget. 2/3 majority vote required for passage. *(The Selectmen RECOMMEND this article 2-0)* The tax impact of this warrant article is \$0.21

Article 08: Additional Ambulance Coverage

To see if the Town will vote to authorize the Selectmen to negotiate and enter into an agreement to provide alternative ambulance coverage for the Lake Armington area of Piermont by Warren-Wentworth Ambulance Service and Lakes Region Dispatch. No amount to be raised by general taxation in 2017. *(The Selectmen RECOMMEND this article 2-0)*

Article 09: Indian Pond Road Maintenance

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Five Hundred dollars (\$10,500) for the purpose of grinding and adding material to the section of Indian Pond Road starting at Neil Robie's driveway and going as far as the former Hamilton house. *(The Selectmen RECOMMEND this article 2-0)* The tax impact of this warrant article is \$0.11

Article 10: Indian Pond Road Maintenance

To see if the Town will vote to raise and appropriate the sum of Forty Three Thousand dollars (\$43,000) for the purpose of paving and shouldering the section of Indian Pond Road from Patty Field's driveway to Alex Medicott's driveway. This is the section of road that was rebuilt in 2013 and left unpaved at the time. *(The Selectmen voted 1-1 on this article)* The tax impact of this warrant article is \$0.45

Article 11: Add to Town Equipment CRF

To see if the Town will vote to raise and appropriate the sum of Five Thousand dollars (\$5,000) to be added to the Town Equipment Capital Reserve Fund. *(The Selectmen RECOMMEND this article 2-0)* The tax impact of this warrant article is \$0.05

Article 12: Add to Town Bridge ETF

To see if the Town will vote to raise and appropriate the sum of One Thousand dollars (\$1,000) to be added to the Town Bridge Expendable Trust Fund. *(The Selectmen RECOMMEND this article 2-0)* The tax impact of this warrant article is \$0.01

Article 13: Add to New Building CRF

To see if the Town will vote to raise and appropriate the sum of Ten Thousand dollars (\$10,000) to be added to the New Building Capital Reserve Fund. *(The Selectmen RECOMMEND this article 2-0)* The tax impact of this warrant article is \$0.10

Article 14: Add to Town RC/TS ETF

To see if the Town will vote to raise and appropriate the sum of Five Thousand dollars (\$5,000) to be added to the Town Recycling/Transfer Station Expendable Trust Fund. *(The Selectmen RECOMMEND this article 2-0)* The tax impact of this warrant article is \$0.05

Article 15: Add to Town Fire & Emergency Vehicles CRF

To see if the Town will vote to raise and appropriate the sum of Five Thousand dollars (\$5,000) to be added to the Town Fire and Emergency Vehicles Capital Reserve Fund. *(The Selectmen RECOMMEND this article 2-0)* The tax impact of this warrant article is \$0.05

Article 16: Add to Town Revaluation CRF

To see if the Town will vote to raise and appropriate the sum of Six Thousand dollars (\$6,000) to be added to the Town Revaluation Capital Reserve Fund. *(The Selectmen RECOMMEND this article 2-0)* The tax impact of this warrant article is \$0.06

Article 17: Add to Police Training and Equipment ETF

To see if the Town will vote to appropriate the sum of Three Thousand One Hundred Six dollars (\$3,106) to be added to the Police Training and Equipment Trust Fund with the funds to come from the Unassigned Fund Balance as of December 31, 2016. *(The Selectmen RECOMMEND this article 2-0)* This warrant article will have no impact on the tax rate.

Article 18: Non-Profit Donations

To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand One Hundred Fifty Six dollars (\$13,156) for the following charitable organizations: *(The Selectmen RECOMMEND this article 2-0)* The tax impact of this warrant article is \$0.14

Visiting Nurse Association & Hospice of VT and NH	\$3,250
Tri-County Community Action	\$1,200
Grafton County Senior Citizens Council, Inc.	\$3,000
Support Center at Burch House	\$345
Tri-County CAP Tyler Blaine Homeless Shelter	\$250
Northern Human Services, White Mountain Health	\$896
Ammonoosuc Community Health Services, Inc.	\$335
Bridge House	\$2,000
Good Shepherd Ecumenical Food Bank	\$790
Public Health Council of the Upper Valley	\$590
CASA	\$500
Total Charitable Organizations	<hr/> \$13,156

Article 19: To establish an ETF

To see if the Town will vote to establish an Underhill Canoe Campsite Expendable Trust Fund per RSA 31:19-a, for the Conservation Commission to maintain the Underhill Canoe Campsite and the Sarah Moore Canoe Access and to raise and appropriate \$4,077 to be placed in said fund, with the funds to come from the Unassigned Fund Balance as of December 31, 2016; further to name the Selectmen as agents to expend from that fund. *(The Selectmen RECOMMEND this article 2-0)* (Majority vote required) This warrant article will have no impact on the tax rate.

Article 20: Petition Warrant Article

To see if the residents are in favor of immediately voiding and terminating any and all recently awarded property assessment contract(s) with Avitar Associates of New England, Inc., on the grounds that the contracts was improperly awarded without due diligence on the part of the Selectboard.

Upon approval of Article Sixteen by the legislative body to terminate the Avitar contract(s), to vote by non-partisan ballot to see if the residents will require the Selectboard to:

- A) Take all proper steps to legally terminate the Avitar contract as soon as possible in accordance with all applicable State laws;
- B) Prepare an RFT for a replacement contract in accordance with DRA Rev 600;
- c) Properly advertise the RFT locally and state-wide for a period of not less than two weeks;
- d) Ensure that all proposals are opened in a properly-called public meeting;
- e) Ensure all received proposals are openly discussed at a properly-called public meeting;
- f) Ensure that the final award of the contract(s) to the successful bidder shall duly consider the opinions and requests of Piermont citizens.

Article 21: Petition Warrant Article

To see if the Town will vote “No Confidence” in the Piermont Board of Selectmen: Randy Subjeck and Teran Mertz. If the vote is affirmative, the Town asks that both Board members resign. We then ask that a special election occur to vote in a new Selectman to replace them, using the remainder of their terms.
(This is a Petition Warrant Article)

Article 22: To increase polling hours

To see if the Town will vote to increase the polling hours from 10 AM - 7 PM, to 7 AM - 7 PM. *(The Selectmen RECOMMEND this article 2-0)*

Article 23: Petition Warrant Article

To see if the residents of Piermont are in favor of the Board of Selectmen, following the Federal Energy Regulatory Commission (FERC) re-licensing process and information on the Connecticut River, would request that TransCanada Corporation or any subsequent owners, modify current dam operations and create a mitigation fund to reimburse towns and landowners for any and all damages as a result of the operation of the Connecticut River Dams. (Wilder, Vernon, Bellows Falls)

Article 24: All other business

To transact any other business that may legally come before the Meeting.

Given under our hands, February 27, 2017

We certify and attest that on or before February 27, 2017 we posted a true and attested copy of the within Warrant at the place of meeting, and like copies at Post Office, Four Corner Store and delivered the original to the Town Clerk

Submit this signed verification form with a copy of the completed and signed warrant total page and an actual tax bill to your DRA municipal auditor.

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Fund Balance Retention

Enterprise Funds and Current Year Bonds	\$29,732
General Fund Operating Expenses	\$2,685,857
Final Overlay	\$6,778

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

2016 Fund Balance Retention Guidelines: Piermont	
Description	Amount
Current Amount Retained (9.33%)	\$250,644
17% Retained (<i>Maximum Recommended</i>)	\$456,596
10% Retained	\$268,586
8% Retained	\$214,869
5% Retained (<i>Minimum Recommended</i>)	\$134,293

2016 RSA 198:4-b II School Fund Balance Retention Guidelines: Piermont

If a school district has adopted RSA 198:4-b II by a vote of the legislative body, the school district may retain year-end unassigned general funds in an amount not to exceed, in any fiscal year, 2.5 percent of the current fiscal year's net assessment pursuant to RSA 198:5, for the purpose of having funds on hand to use as a revenue source for emergency expenditures and over expenditures under RSA 32:11, or to be used as a revenue source to reduce the tax rate. This retained fund balance is not cumulative. The maximum allowed fund balance retention has been calculated as:

	Net Assessment	2.5% of Net Assessment
Local School	\$1,492,375	\$37,309

Hello Residents of Piermont,

This year has been one of changes, as Susan Belyea moved from being Town Treasurer to Bookkeeper in July; I volunteered to take the position of Treasurer at the end of that month. Diane Kircher was voted in as the Deputy Treasurer later in the year.

I have enjoyed my time as Town Treasurer, and hope to continue to serve you in the future.

As tax payers, you have made 2016 a good year, for you have paid your taxes in a timely manner, which is greatly appreciated. We needed take a TAN (Tax Anticipation Note) out to pay Town expenses due to the tax bills going out to you in late December. The payments didn't start coming in to the Town until January 2017. This is why our income is down compared to 2015.

Below you will find our income and expense spreadsheet, along with the interest paid for the Barton Road Bridge loan and TAN for both this year and last.

Thank you for your time and support,

Heather Subject
Piermont Treasurer

POLICE DEPARTMENT

This year has been a little tough for the Department due to the resignation of our part-time officer, Cpl. Phil Blanchard. It was a significant blow to the town. Cpl. Blanchard was indispensable to the town for many reasons. He was extremely loyal and wanted nothing but the best for its citizens. His institutional knowledge of the citizens and the community was tantamount in staying on track with positive community policing. When he was doing motor vehicle work or conducting investigations, he was a force to be reckoned with. I must say he is sorely missed. For those who did not know, his resignation was due to a new job and election as Chief of the North Haverhill Fire Department. So, when you see him, please wish him well and give him a thank you for his many years of dedicated service to the town.

As always, I am on call most of the time. However, there are times where the NH State Police have taken a few calls for me. I am greatly appreciative of their assistance, but will endeavor to make sure I get the calls when I'm not on duty.

The Department was able to purchase a patrol rifle with optics to enhance accuracy and performance. This will ensure we will not be at a disadvantage if it is needed.

For the most part, excluding a token few, the Department has received nothing but positive reviews from the town's people. We will continue to be sensitive to the many issues and challenges of the community. I remain committed to our mission statement, "To provide responsive, competent, and professional law enforcement service in partnership with our community." I believe I am a dedicated professional who wants nothing but the best for the town. When the town succeeds, I succeed!

On behalf of the Piermont Police Department, I wish to extend my sincere thanks for your help and support during this past year and wish everyone a very safe new year.

Respectfully Submitted,

Gary P. Hebert
Chief of Police

Report of Forest Fire Warden and State Forest Ranger

Over the past two years, New Hampshire has experienced its busiest fire seasons since 1989. 1,090 acres burned during the 2016 season. The White Mountain National Forest experienced its largest fire since becoming a National Forest, burning 330 acres in the town of Albany in November. Fires falling under state jurisdiction burned 759 acres, with the largest fire of 199 acres occurring in Stoddard. The extremely dry summer led to a busy fall fire season with large fires occurring into mid-November. Drought conditions hampered fire suppression efforts and extended the time needed to extinguish fires. Your local fire departments and the Division of Forests & Lands worked tirelessly throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2016 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

As we prepare for the 2017 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfli.org.

2016 WILDLAND FIRE STATISTICS

2016 ANNUAL REPORT OF THE PIERMONT CEMETERY TRUSTEES

In 2016, the following work was done in the Piermont Cemeteries:

SOUTH LAWN CEMETERY

- lots have now been sold in the new section of South Lawn
- the water line, installed in 2015, was a big help in allowing work to be done in the cemetery and kept the memorial garden looking green during the 2016 drought.
- work continued on fencing, corner stones, cleaning and raising, as needed. Grass markers were cleaned, raised, straightened, and edged.
- work on the north part in the old section is now complete.
- three graves were raised.
- finished the side roads along the North and South fence line in the new section.
- Shrubs were removed from four lots. Shrubs in the rest of the cemetery were trimmed and clipped.

CEDAR GROVE CEMETERY

- a large maple tree, along the Church Street side, was blown down and missed damage to grave stones in the area.
- removal of brush, etc. along fence from behind the carriage shed to Church Street was completed.
- cedar trees were trimmed as were shrubs.
- one stone repaired, one grave raised.

RIVER ROAD CEMETERY

- straightened 26 headstones-still 8 or 10 headstones left to do.
 - removed one very large maple tree that was in danger of doing damage to grave stones in the area.
- Thanks to Ruth Sedwick for allowing us to fall the tree on her property for removal. Always great to have neighbors you are able to work with.
- cleaned up butternut trees that are inside cemetery fence to reduce potential for damage to headstones in their area.

CLAY HOLLOW CEMETERY

- trimmed bushes and cleaned up cedar trees.
- removed brush and shrubs from gully area at rear of the cemetery.
- repaired about 12 feet of stonewall.

EAST PIERMONT (CAPE MOONSHINE CEMETERY)

- reset 2 headstones.
- cleared brush from stone walls.

CROSS RODIMON CEMETERY

- straightened several stones.
- repaired 3 stones (major jobs on each) and set 2 of them.
- removed several small stumps to allow for better mowing of the area.
- expanded area to be mowed outside of the fence.

The cemetery trustees have approved the following projects for 2017:

- raise graves in South Lawn Cemetery
- start work on corner stones and grass markers on the south side of the old section of South Lawn Cemetery.
- put in metal pins to identify lots that do not have corner stones in South Lawn Cemetery.
- finish straightening stones in River Road Cemetery.

-continue work in Cross Rodimon Cemetery to repair and straighten stones as time and money allow.

NOTE: Reference 4195 Cemetery line item 4195.081. No tax dollars raised for this line item.

Reference 4195.131 any dollars remaining in this line item were donated from the Piermont Mutual Fire Insurance Company.

Reference 4195.141 Purchase of lot corner stones and paid for by the purchaser of a lot. The dollars in this line item are for measuring out lots and setting of the corner stones, markers, and marker repairs.

John Sundnas resigned his trustee position in 2016. He has left Piermont after living here for many years and has moved to Montana to be near his son, David.

Eileen Belyea accepted an appointment to replace John until the election in March 2017.

Respectfully submitted,
John Metcalf
Sexton, Piermont Cemeteries

2016 REPORT OF THE FRIENDS OF PIERMONT

The Friends of the 250th has a new name. We are now the Friends of Piermont. Same goals, just a different name. Our fellow committee member and treasurer, John Sundnas, has left us and moved to Montana to live near his son, David. We miss John—he was a tireless member of our committee. He had great ideas, handled the money, organized the fireworks, and took charge of cooking the hotdogs at our suppers! He was a longtime resident of Piermont and a good friend. We have not replaced John. Susan Belyea has been elected treasurer.

Our 2016 events included our 3rd Annual Eat and Meet supper in February. A delicious supper enjoyed by all. The program introduced the candidates for upcoming town and school elections. Candidates each spoke about themselves and why they were running for office.

April was Arbor Day activities with the Piermont Village School students. Each class presented something about trees. A flowering crab apple tree was planted behind the water box on Route 25. All the trees that the committee and students have planted the last three years are alive and growing. They were watered during the drought of last summer.

August 20th was our second annual End of the Summer Barbeque and Concert. The event was to honor our veterans, fire department and 1st responders. The fire department served hot dogs, hamburgers, salads, watermelon and cookies. The concert was spectacular! It featured the Catamount Pipe Band. They marched from the entrance of South Lawn Cemetery to the Memorial Garden with the Fire Department Color Guard leading. The number of those attending was overwhelming again with lots of Piermonters and neighbors from both sides of the river. A great time was had by all.

We held a food sale at the November election. It was a huge success raising \$800 plus for our treasury. A huge thank you to all who supplied food, those who purchased what was donated, and to Cheryl Robie, chairman, Susan Belyea, Eileen Belyea, and Diane Kirchner for soliciting and being there the day of the sale.

Our year end event was the annual tree lighting in December at the school. Alison Gould Rose was the chairman of the event and had help from Lele Gould Henry, her sister. Santa arrived in the fire truck, the PVS students sang and a small crowd attended. Hot chocolate and cookies were enjoyed by all. Thanks, Alison.

UPCOMING EVENTS FOR 2017

- 4th Annual Eat and Meet Supper on March 4th.
- Arbor Day Exercises with the PVS students in April
- Picnic and entertainment in June or July
- August 19th our end of the summer barbeque and concert at the Memorial Garden.
- Ending 2017 with the annual tree lighting with PVS in December.

We could use some new ideas for activities for 2017 to get people involved and get neighbors to meet neighbors.

Most importantly, the committee is working to gather names of veterans for one of the monuments at the Veterans Memorial Garden. These are Piermont Veterans who enlisted from Piermont post Vietnam War. Also to add omitted names of any Piermont veterans from WW1, WW2, Korean War, and Vietnam War.

All the activities of the Friends of Piermont are funded by money raised by the committee and its volunteers. NO TAXPAYER MONEY IS USED.

THANK YOU to all the committee members and volunteers. Also to all who have participated in our events. Please keep the Piermont spirit alive by taking in one or all of the above mentioned programs for 2017.

Abby Metcalf, Chairman

Piermont Emergency Management Involved With A Variety of New Programs and Responsibilities

The Piermont Emergency Management program has been a part of many additional programs of responsibility that have evolved as things in the world, nation, state and towns change with each passing year.

As new threats and weather patterns change around us, our local programs are expected to keep up with all of what goes on in the world. For instance, we have been involved with many more telephone conferences with the heads of New Hampshire emergency response departments, the governor plus Homeland Security and Emergency Management Director Perry Plummer.

Telephone conferences are an important and useful tool for making sure every town and state organization, department and program is ready for that six-foot snow storm, those raging 80-mile an hour winds or the threatened 10-inch rainfall tempests. But it seems those never happen. We are ready for them, we gear up and prepare equipment and personnel to meet those threats, but we usually end up with three inches of snow, winds at 20 miles per hour or a tropical rain fall that amounts to a two-inch wetting.

What we also gear up for now ranges from extreme drought throughout the state or we are receiving terrorism and suspicious situations alert warnings. This is part of the new wave of the future.

Emergency responders emphasize keeping people safe during the worst type of man-made or natural disaster such as fire, ice and snow storm or an assortment of other local incidents. Now, actions that go on in other sections and cities of the nation are now coming into our training programs.

Our first responding departments include your police department, fire department, FAST medical team, highway department, volunteers and other supporters. On many occasions throughout the year, we all meet and share information, training topics and look to the future mitigation of hazards in our town.

Here are some of the activities and programs Piermont Emergency Management participates in throughout the year and also as various situations arise: Working with departments to insure that all hazards in the town are known and are being dealt with; Organize approaching Storm Summit meetings; Issue all-hazard warnings and instructions to residents and responders through the use of our Facebook Page, Twitter messaging system, emails and the telephone Code Red alert program.

Emergency Management this year continues to work with the fire department on communications enhancement through the use of obtaining a grant for a signal repeater system for fire and medical response calls. We have also set up a town employee identification card program.

We have also undertaken a study in order to determine the best way to reduce ambulance response time to residents of East Piermont in the areas of Lake Armington, Lake Tarleton and Cape Moonshine Road and we have looked into finding a method to have cell service installed for East Piermont.

We have also joined with other departments and have sponsored a study of ways to mitigate any hazards facing the Town of Piermont for the coming years. We have also written two new state and federal grants in an effort to find necessary funding for various programs of communications and planning for Emergency Management.

It is always a good thing when town departments get together for training, talking, comparing notes or just reviewing what they do to help keep the town safe and secure when bad weather rolls in from the west, or the hurricanes advance upon us from the south or something else goes awry and we swing into action to help and assist our fellow residents.

We appreciate working closely with the Piermont Board of Selectmen; Piermont Police Chief Gary Hebert; the Fire Department; the FAST Squad; the Highway Department; all of our volunteers; Piermont Village School Principal Deb Norwood and her staff and many others who support our programs and those of our associated departments who all come together to provide valuable services for the protection of our town.

We wish you all the best in 2017!

Bernie Marvin
Piermont Emergency Management Director
David Tim Cole
Deputy Piermont Emergency Management Director

CONSERVATION COMMISSION 2016 ANNUAL REPORT

Monthly meetings of the Commission are held on the second Wednesday of every month at 7 p.m. at the Old Church Building. Members of the Commission at year-end were: Helga Mueller, chairman; Ernie Hartley, Eric Underhill, Frank Rodimon, Karen Brown, Mal Kircher, and Rachael Brown DiGiovanni. At their April meeting the selectmen re-appointed Ernie Hartley and Frank Rodimon to another three-year term on the Commission and appointed Rachael Brown DiGiovanni to a three year term as a full member. The Commission would like to thank long-time member and treasurer David Ritchie, who had decided not to run for another term, for his service to the Commission.

As of December 31, 2016, the Conservation Fund contains \$5,185.27. Contributing to this fund are 10% of revenues from current use changes and 10% from logging on town-owned land. No income was received in 2016. Monies from the Conservation Fund can only be spent for the protection of natural resources. It requires the approval of voters at Town Meeting to use monies from the Fund for the acquisition of/or interest in property.

The Expendable Trust Fund for the maintenance of the Piermont Town Forest and Trails on Bedford Road contains \$3,888.13

In order to have easier access to funds, the Commission cancelled the CD in the amount of \$4,077.45 at the Woodsville Guaranty Savings Bank for the maintenance of the Underhill Canoe Campsite and Sara Moore Canoe Access with the intent to establish an Expendable Trust Fund. The monies were temporarily placed in the Town's General Fund until Town Meeting 2017, when the voters will be asked to establish the Underhill Canoe Campsite Expendable Trust Fund and to appropriate the sum of \$4,077.45 to be deposited in this Fund.

Update on Erosion at River Road Cemetery and Sarah Moore Lot

In August 2015, the Commission had been contacted by Cemetery Sexton John Metcalf to check on an erosion problem behind the River Road Cemetery and a washout south of the cemetery at the Sarah Moore Lot. The Commission had contacted both Ron Rhodes of the Connecticut River Watershed Council and Michael Lynch of the Natural Resources Conservation Service (NRCS).

Both noted that the area directly behind the cemetery is not in immediate danger and that vegetation should be allowed to sprout and by maintaining woody vegetation in this area additional stability to this section of the bank could be maintained. However, the bank failure at the Sarah Moore Lot was caused by the river eroding the base of the bank and that the weight of water-permeated soil overlaying clay deposits caused the bank to fail and slide into the river. They suggested a drainage system, estimated at approximately \$15,000, to prevent further erosion of the Sarah Moore site.

The NRCS administers the Environmental Quality Incentive Program which is available to agricultural producers for financial assistance. The application for funding has to come from an individual that owns/leases agricultural land. At this time the Town and Greg Vogel, who leases the hayfield, are exploring funding from NRCS.

In the meantime members of the commission are keeping a close eye on the situation. In July Rodimon was authorized by the selectmen to cut 16 trees at the erosion south of the cemetery. By cutting the trees, but leaving the stumps, it is hoped that this will help stop further erosion.

Piermont Town Forest and Trails

The site on Bedford Road is managed and maintained by the Commission for recreational and educational purposes. In addition to serving as an outdoor science lab for Village School students to learn about nature and forest stewardship, the site's four color-coded trails are enjoyed by Piermont residents for hiking and horseback riding.

Canoe Campsites

Both the Underhill Canoe Campsite and the Sarah Moore Canoe Access are managed and maintained by the Commission and were enjoyed by many canoeists. The sites are open from May 1 to November 1. The Underhill site is one of the official camp sites on the Connecticut River Paddlers Trail which has many camp sites along the river.

In June the Commission sponsored a public tour of the Sarah Moore Lot combined with a clean-up along River Road.

Glebe Lot

This 113 acre Town Forest located off Black Hill Road is landlocked. It was re-certified as a Tree Farm in 2014 by the New Hampshire Tree Farm Program and as such has a Forestry Plan in effect.

Some logging was done in the spring of 2016 by Eric Underhill of Peaked Mountain Forestry. The Town has negotiated an easier access to this landlocked parcel via the property of the late Bill Simpson which will be used for access in 2017.

Water Quality Monitoring

A member of the Commission together with members of the Lake Tarleton and Lake Armington Associations monitored the water quality of lakes Tarleton, Armington, and Katherine in June, July, and August. Since monitoring of the lakes started in 2003, the water quality of the three lakes has been excellent and stable with only minor spikes in e-coli in some years at the State Park Beach.

Lake Host Program

This was the 13th year that members of the Lake Tarleton and Armington Associations participated in the N.H. Lakes Association "Lake Host Program" to protect the lakes from milfoil and other invasive species at both public boat launches from Memorial Day through Labor Day. No invasive plants were found on any of the boats inspected. The Town of Piermont contributes \$300 each year to this program.

In other business

The Selectboard had referred a request by Selectwoman Terri Mertz to the Commission that the Town no longer use Roundup to control weeds on Town-owned properties for the Commission's recommendation on this issue.

The Commission met with Mertz who suggested an alternative to Roundup such as Burn-Out which is less toxic than Roundup. Following a discussion during it was stressed that using an alternative herbicide would require multiple applications which would result in an increase in costs for labor and materials, the Commission made the following recommendation to the Selectboard: "Any department head using Roundup report the amount used and the location where it has been used, to the Board of Selectmen. Any department head will be in charge of appropriate protection being used during the application and will ensure that the area is labelled with signage for a period of 48 hours. The Selectmen shall notify the public of the location where Roundup has been used."

The recommendation was adopted by the Selectboard.

The Commission is available to assist property owners with any questions on violations, wetlands applications or any conservation concerns.

Helga Mueller, Chairman

Piermont Emergency 9-1-1 Program Continues Work With Residence Numbering

For the coming year of 2017, your emergency 9-1-1 team expects to continue with their renumbering of certain residences throughout the town. The residences selected for this town-wide effort have been incorrectly numbered for one reason or another in the past.

We have begun this effort with the more seriously difficult-to-find addresses in the East Piermont section, along areas in and around Lake Armington. Because of the closeness of some of the structures there, a fire could spread quite fast and it is in the best interest of firefighting forces to be able to know exactly where the fire exists so they can extinguish it as quickly as possible.

Irregular street numbering in all of Piermont has been occurring since the inception of the Emergency 9-1-1 program about a dozen years ago. This has finally come to a halt, when it was mandated that any change in a residence or business number must be made by the Emergency 9-1-1 duo, Bernie Marvin or Tim Cole.

Because all of the recent numbers assigned during the past two years or so have been sequentially correct, it is now time to correct the errors of the past. Homes that are scheduled for a number change will receive a notification in the US Mail that their new number is whatever has been assigned by Emergency 9-1-1.

This number change is coordinated with the state Emergency 9-1-1 system, it is plotted on a new map and the resident is notified that the new number will go into effect on a certain date in the future. It is that simple.

Essentially, to be compliant with the Emergency 9-1-1 law, residences and businesses must be sequentially numbered with even numbers on the right and odd numbers located on the left side of the street or road.

There are other rules for private drives, cul-de-sacs and other configurations, as well, but as long as there is a left and right odd even plan, with sequential numbers, first responders such as the police department, fire department or FAST Squad can respond to your address in the case of an emergency.

The program, was invented and put in place and is being implemented locally for the protection of our residents. There is no other reason for the program except to provide order and to make sense of street or road numbering for the assistance of first responders.

There are currently cases of streets being numbered backwards, being numbered with even numbers on the odd side, numbers out of proper sequence and so on. For the health, safety and welfare of the structure inhabitants, we want emergency responders to find the correct address quickly and efficiently. It really does help save lives and property.

Thanks for understanding and for helping us out!

Have a great 2017!

2016 ANNUAL REPORT FOR THE PIERMONT SEWER DISTRICT

The operation and maintenance portion of the Sewer District budget came in under the budgeted amount.

See Sewer District 4326 for actual dollar amount.

The direct ground discharge system is operating within required operating standards.

The nitrate area setbacks are being cleared of brush. The work started in 2014 and was continued in 2015 and 2016. Work will be continued in 2017 as time and money allow.

The septic system at the Route 25 plant was pumped two (2) times. Each time 18,000 to 20,000 gallons of gray water and sludge were removed by the hauler. This is a big dollar item, but necessary to protect the direct ground discharge areas from negative impact. See 4326 Sewer District line item 4326.141 for actual dollars.

The collection system was flushed and inspection of all manholes in the system was completed.

The syphon is still in place, but there is still belief, it should be replaced by an electric pump.

During 2016, an update of the sewer ordinances was worked on. Hopefully they will be finished and be in place during 2017.

PLEASE REMEMBER: NO F.O.G.(FAT, OILS, OR GREASE) DISPOSED OF BY SEWER USERS INTO YOUR SYSTEM.

Respectfully submitted,

JOHN METCALF

Plant Operator

To the Residents of Piermont I Submit My Annual Report,

Our FAST Squad is now 7 members strong. We are Tucker Trapp, EMR, Stephen Sampson, EMR, Alex Medicott, EMT, Michele Thayer, EMT, Holly Creamer, AEMT, Chris Yaeger, AEMT and Ellen Putnam, AEMT. Both Holly and Chris have nearly completed the requirements of Paramedic.

There were 46 EMS calls in Piermont last year. We covered as many of them as we had personnel available and we were assisted by Bradford FAST on two calls. How fortunate that we have generous neighbors who are willing to assist when we are in need.

We will continue to respond to all areas of town regardless of which ambulance service responds. We also have the benefit of Fire personnel who respond when they can and bring the Rescue truck to strengthen our radio power and to help with any logistics on scenes. We are grateful for this teamwork and also for the frequent support on scene from our Police Chief, Gary Hebert.

I have historically used this platform to encourage our townfolk to purchase a subscription to Upper Valley Ambulance (UVA). Unfortunately, UVA is no longer able to offer this cost-saving service due to a change in their billing program.

The FAST squad is requesting \$3,000 for our 2017 budget, level funded from last year. This money will cover such expenses as oxygen, medical supplies, equipment and training.

Respectfully,

Ellen A. Putnam, Captain

Piermont Transfer Center 2016 report

We at the Transfer Station would like to thank our Town for letting us serve you and helping us do our part to help our New Hampshire environment. We also appreciate your help in keeping the Transfer Station a safe work environment for our valued employees.

The “Zero Sort” program was put into place this year in an effort to save the Town money. As a part of this program the vendor specifies what is and what is not recyclable. As an example, we cannot accept Styrofoam even though it may have a recycle number embossed upon it. Please feel free to ask us for guidance.

In another cost saving effort we are now using a different vendor to haul our large metal containers. Our previous vendor closed several Plants which increased the distance hauled and therefore the costs were passed onto us. This cost increase was unacceptable. We now utilize a vendor from White River Junction, Vermont.

As a reminder to all patrons only Piermont residents may use the Transfer Station which is what our New Hampshire permit requires. Please also remember the management and employees must monitor all refuse transfer. Per the PAYT By-Laws passed in 1999 we must insure patrons are Piermont residents and are utilizing the correct official trash bags. The management and employees are simply complying with the By-laws and our State permit when confirming residency and trash bag utilization. At present, these bags can be purchased at the 4 Corners Store in Piermont and the Town Clerk’s office.

Sales are as follows:

\$6164.40 for recycled cans, deposits returns, metal sales and other fees for tires, demo etc.

7259 trash bags for a net revenue of \$16759.15

Recycled Tonnage as follows:

7.72 tons of paper before conversion to “Zero –Sort”

2.80 tons of plastic before conversion to “Zero- Sort”

2.83 tons of electronics

12.13 tons of metal

3.87 tons of tires

.42 tons of textiles

1.83 tons of used oil

1.11 tons of other metals copper etc.

31.72 tons of zero sort

7 tons estimated added to compost

Total Transfer Tonnage was 116.25 for the year of which approximately 45% was recyclable.

Wayne Godfrey

Piermont Transfer Station Manager

"Partnering to make recycling strong through economic and environmentally sound solutions"

E-mail: info@nrna.net

Web Site: www.nrra.net

Town of Piermont, NH

Congratulations for being such active recyclers!

Below please find information on the positive impact your recycling has had on our environment.

The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling organization, the Northeast Resource Recovery Association.

Recyclable Material	Amount Recycled In 2016	Environmental Impact! Here is <u>only one</u> benefit of recycling materials rather than manufacturing products from virgin resources
Electronics	5,955 lbs.	Conserved enough energy to power 0.8 houses for one year!
Paper	7 tons	Saved 131 trees!
Scrap Metal	12.3 gross tons	Conserved 34,478 pounds of iron ore!
Tires	1.9 tons	Conserved 1.3 barrels of oil!

Avoided Emissions:
 Recycling uses much less energy than making products from virgin resources, and using less energy means fewer greenhouse gases emitted into the atmosphere.

By recycling the materials above, you have avoided about **94 tons** of carbon dioxide emissions
 This is the equivalent of removing **20** passenger cars from the road for an entire year

"Partnering to make recycling strong through economic and environmentally sound solutions"

Northeast Resource Recovery Association, 2101 Dover Road, Epsom, NH 03234
 Telephone: (603) 736-4401 or 1-800-223-0150 Fax: (603) 736-4402
 E-mail: info@nrna.net Web Site: www.nrra.net

Dear NRRA Member,

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this first in the nation, 36-year old recycling cooperative. Your member-driven organization provides you with:

- Up-to-date **Technical Assistance** in waste reduction and recycling including solid waste contract negotiations;
- **Cooperative Marketing** to maximize pricing and **Cooperative Purchasing** to minimize costs;
- Current **Market Conditions** and **Latest Recycling Trends**, both regionally and nationwide;
- **Innovative Programs** (i.e. Dual Stream, Consolidation and Single Stream);
- **Educational and Networking Opportunities** through our Annual Recycling Conference, our Monthly "Full of Scrap" email news, monthly Marketing meetings, **members' only website**, workshops and Fall Facility Tours;
- **School Recycling Club** - a program to assist schools to promote or advance their recycling efforts;
- **NH DES Continuing Ed Credits**;
- **NH the Beautiful Signs, Grants, Bins and Recyclemobiles.**

NRRA membership has grown to include more than 400 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine. NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Co-op" Fee" which is re-invested to further your recycling programs and solid waste reduction efforts in schools and municipalities.

Through your continued support and dedication, NRRA has assisted our members to recycle over 54,699 tons in fiscal year 2015-2016!

Please contact NRRA at 800-223-0150 / 603-736-4401 or visit our website at www.nrra.net

2017 Piermont Fire Dept. Chiefs Report

The Piermont Volunteer Fire Department is proud to have a team of 18 volunteer members. Each volunteer has worked hard to earn his or her ranks, please take a moment to thank them. Bruce Henry, Chief,ff, Andy Mauchly, Assistant Chief,ff, Jared Shipman Captain,ff, Christopher Yaeger,Lieutenant,ff, EMS, Ken Jones Lieutenant,ff, Tim Cole, Training officer,ff, Holly Creamer,ff,EMS, Steven Sampson,ff,EMS, Zack Bagley ,ff, Hunter Bingham,ff, Jacob Schauer,ff, Jesse Reed,ff,Mal Kirchner,Chaplan,ff, Tucker Trapp,ff,EMS, Tanner Weigel,ff.

Emergency calls have dropped in numbers as compared to years past, Safety prevention works! In 2016 we responded to numerous calls,a flooded basement, a few motor vehicle accidents, one involving a moose, chimney fires, a structure fire in Orford, a transformer fire, and numerous medical assists.

Piermont Fire is also now responding to EMS calls. We can help with lift assists, getting medical supplies and traffic control. Our rescue truck is very handy in these situations, and is available for all EMS members as well. Mostly our rescue truck has a repeater installed for communication, which at some places in town service is slim, even with fire and EMS.

The department is working on this issue to see if changes can be made to resolve communication problems.

We would like to recommend towns people to attach house numbers clearly to your home or mail box, so getting to your home is not a guessing game. This will quicken our response time.

Our chicken barbecue was once again a wonderful community gathering. Many thanks to all who helped that day!

Tucker Trapp one of our own, is a proud recipient of The Whitcomb Scholarship Fund, a scholarship granted for those interested in fire school by Twin State Fire Association. He is using it wisely and enrolled at Lakes Region Community College, earning his EMS, Level 1 and Level 2 fire service. You go Tucker!!

2017 Piermont Fire Dept. Chiefs Report

Operation Santa Clause was successful this year, we are very fortunate to receive generous donations from the community event at Christmas. Many thanks for Santa Clause!!

We have been involved with a lot of trainings, we always participate in the Twin State training weekend held in Wells River yearly.

SCBA breathing apparatus training is very important, as the only firefighters allowed in a burning building would be these trained few. We have trained in brush and grass burning, as well as ladders,ropes and drags.

We are always looking for volunteers, kids too! You need to be 14! Our meetings are the 1st Monday of every month, and trainings are the 3rd Monday of every month. Stop by and fill out an application!

I would like to thank each PFD Volunteer Firefighter for all his/her hard work they contribute to make up the great team we have built!!

respectfully submitted,
Bruce Henry, Chief

Piermont Firefighter Ken Jones was presented his certification as a New Hampshire Firefighter 1 after attaining more than 260 hours of training, traveling weekly to his classes in Hartland, Vermont from his home in Piermont. Jones, who appears at right front in the photo received his certificate from Chief Bruce Henry. Fellow firefighters gathering for the presentation included at rear, left to right; Tucker Trapp, Tanner Weigel, Chaplain Mal Kircher, Jesse Reed, Zack Bagley and Mike Parker. In the center, left to right, are; Tim Cole, Lieutenant Chris Yaeger, Jacob Schauer and Captain Jared Shipman. Since the photo was taken, firefighter Jones has been elected as a Lieutenant. The Bridge Weekly/Bernie Marvin

CONSERVATION COMMISSION 2016 ANNUAL REPORT

Monthly meetings of the Commission are held on the second Wednesday of every month at 7 p.m. at the Old Church Building. Members of the Commission at year-end were: Helga Mueller, chairman; Ernie Hartley, Eric Underhill, Frank Rodimon, Karen Brown, Mal Kircher, and Rachael Brown DiGiovanni. At their April meeting the selectmen re-appointed Ernie Hartley and Frank Rodimon to another three-year term on the Commission and appointed Rachael Brown DiGiovanni to a three year term as a full member. The Commission would like to thank long-time member and treasurer David Ritchie, who had decided not to run for another term, for his service to the Commission.

As of December 31, 2016, the Conservation Fund contains \$5,185.27. Contributing to this fund are 10% of revenues from current use changes and 10% from logging on town-owned land. No income was received in 2016. Monies from the Conservation Fund can only be spent for the protection of natural resources. It requires the approval of voters at Town Meeting to use monies from the Fund for the acquisition of/or interest in property.

The Expendable Trust Fund for the maintenance of the Piermont Town Forest and Trails on Bedford Road contains \$3,888.13

In order to have easier access to funds, the Commission cancelled the CD in the amount of \$4,077.45 at the Woodsville Guaranty Savings Bank for the maintenance of the Underhill Canoe Campsite and Sara Moore Canoe Access with the intent to establish an Expendable Trust Fund. The monies were temporarily placed in the Town's General Fund until Town Meeting 2017, when the voters will be asked to establish the Underhill Canoe Campsite Expendable Trust Fund and to appropriate the sum of \$4,077.45 to be deposited in this Fund.

Update on Erosion at River Road Cemetery and Sarah Moore Lot

In August 2015, the Commission had been contacted by Cemetery Sexton John Metcalf to check on an erosion problem behind the River Road Cemetery and a washout south of the cemetery at the Sarah Moore Lot. The Commission had contacted both Ron Rhodes of the Connecticut River Watershed Council and Michael Lynch of the Natural Resources Conservation Service (NRCS).

Both noted that the area directly behind the cemetery is not in immediate danger and that vegetation should be allowed to sprout and by maintaining woody vegetation in this area additional stability to this section of the bank could be maintained. However, the bank failure at the Sarah Moore Lot was caused by the river eroding the base of the bank and that the weight of water-permeated soil overlaying clay deposits caused the bank to fail and slide into the river. They suggested a drainage system, estimated at approximately \$15,000, to prevent further erosion of the Sarah Moore site.

The NRCS administers the Environmental Quality Incentive Program which is available to agricultural producers for financial assistance. The application for funding has to come from an individual that owns/leases agricultural land. At this time the Town and Greg Vogel, who leases the hayfield, are exploring funding from NRCS.

In the meantime members of the commission are keeping a close eye on the situation. In July Rodimon was authorized by the selectmen to cut 16 trees at the erosion south of the cemetery. By cutting the trees, but leaving the stumps, it is hoped that this will help stop further erosion.

Piermont Town Forest and Trails

The site on Bedford Road is managed and maintained by the Commission for recreational and educational purposes. In addition to serving as an outdoor science lab for Village School students to learn about nature and forest stewardship, the site's four color-coded trails are enjoyed by Piermont residents for hiking and horseback riding.

Canoe Campsites

Both the Underhill Canoe Campsite and the Sarah Moore Canoe Access are managed and maintained by the Commission and were enjoyed by many canoeists. The sites are open from May 1 to November 1. The Underhill site is one of the official camp sites on the Connecticut River Paddlers Trail which has many camp sites along the river.

In June the Commission sponsored a public tour of the Sarah Moore Lot combined with a clean-up along River Road.

Glebe Lot

This 113 acre Town Forest located off Black Hill Road is landlocked. It was re-certified as a Tree Farm in 2014 by the New Hampshire Tree Farm Program and as such has a Forestry Plan in effect.

Some logging was done in the spring of 2016 by Eric Underhill of Peaked Mountain Forestry. The Town has negotiated an easier access to this landlocked parcel via the property of the late Bill Simpson which will be used for access in 2017.

Water Quality Monitoring

A member of the Commission together with members of the Lake Tarleton and Lake Armington Associations monitored the water quality of lakes Tarleton, Armington, and Katherine in June, July, and August. Since monitoring of the lakes started in 2003, the water quality of the three lakes has been excellent and stable with only minor spikes in e-coli in some years at the State Park Beach.

Lake Host Program

This was the 13th year that members of the Lake Tarleton and Armington Associations participated in the N.H. Lakes Association "Lake Host Program" to protect the lakes from milfoil and other invasive species at both public boat launches from Memorial Day through Labor Day. No invasive plants were found on any of the boats inspected. The Town of Piermont contributes \$300 each year to this program.

In other business

The Selectboard had referred a request by Selectwoman Terri Mertz to the Commission that the Town no longer use Roundup to control weeds on Town-owned properties for the Commission's recommendation on this issue.

The Commission met with Mertz who suggested an alternative to Roundup such as Burn-Out which is less toxic than Roundup. Following a discussion during it was stressed that using an alternative herbicide would require multiple applications which would result in an increase in costs for labor and materials, the Commission made the following recommendation to the Selectboard: "Any department head using Roundup report the amount used and the location where it has been used to the Board of Selectmen. Any department head will be in charge of appropriate protection being used during the application and will ensure that the area is labelled with signage for a period of 48 hours. The Selectmen shall notify the public of the location where Roundup has been used."

The recommendation was adopted by the Selectboard.

The Commission is available to assist property owners with any questions on violations, wetlands applications or any conservation concerns.

Helga Mueller, Chairman

Piermont Emergency 9-1-1 Program Continues Work With Residence Numbering

For the coming year of 2017, your emergency 9-1-1 team expects to continue with their renumbering of certain residences throughout the town. The residences selected for this town-wide effort have been incorrectly numbered for one reason or another in the past.

We have begun this effort with the more seriously difficult-to-find addresses in the East Piermont section, along areas in and around Lake Armington. Because of the closeness of some of the structures there, a fire could spread quite fast and it is in the best interest of firefighting forces to be able to know exactly where the fire exists so they can extinguish it as quickly as possible.

Irregular street numbering in all of Piermont has been occurring since the inception of the Emergency 9-1-1 program about a dozen years ago. This has finally come to a halt, when it was mandated that any change in a residence or business number must be made by the Emergency 9-1-1 duo, Bernie Marvin or Tim Cole.

Because all of the recent numbers assigned during the past two years or so have been sequentially correct, it is now time to correct the errors of the past. Homes that are scheduled for a number change will receive a notification in the US Mail that their new number is whatever has been assigned by Emergency 9-1-1.

This number change is coordinated with the state Emergency 9-1-1 system, it is plotted on a new map and the resident is notified that the new number will go into effect on a certain date in the future. It is that simple.

Essentially, to be compliant with the Emergency 9-1-1 law, residences and businesses must be sequentially numbered with even numbers on the right and odd numbers located on the left side of the street or road.

There are other rules for private drives, cul-de-sacs and other configurations, as well, but as long as there is a left and right odd even plan, with sequential numbers, first responders such as the police department, fire department or FAST Squad can respond to your address in the case of an emergency.

The program, was invented and put in place and is being implemented locally for the protection of our residents. There is no other reason for the program except to provide order and to make sense of street or road numbering for the assistance of first responders.

There are currently cases of streets being numbered backwards, being numbered with even numbers on the odd side, numbers out of proper sequence and so on. For the health, safety and welfare of the structure inhabitants, we want emergency responders to find the correct address quickly and efficiently. It really does help save lives and property.

Thanks for understanding and for helping us out!

Have a great 2017!

Piermont Emergency Management Involved With A Variety of New Programs and Responsibilities

The Piermont Emergency Management program has been a part of many additional programs of responsibility that have evolved as things in the world, nation, state and towns change with each passing year.

As new threats and weather patterns change around us, our local programs are expected to keep up with all of what goes on in the world. For instance, we have been involved with many more telephone conferences with the heads of New Hampshire emergency response departments, the governor plus Homeland Security and Emergency Management Director Perry Plummer.

Telephone conferences are an important and useful tool for making sure every town and state organization, department and program is ready for that six-foot snow storm, those raging 80-mile an hour winds or the threatened 10-inch rainfall tempests. But it seems those never happen. We are ready for them, we gear up and prepare equipment and personnel to meet those threats, but we usually end up with three inches of snow, winds at 20 miles per hour or a tropical rain fall that amounts to a two-inch wetting.

What we also gear up for now ranges from extreme drought throughout the state or we are receiving terrorism and suspicious situations alert warnings. This is part of the new wave of the future.

Emergency responders emphasize keeping people safe during the worst type of man-made or natural disaster such as fire, ice and snow storm or an assortment of other local incidents. Now, actions that go on in other sections and cities of the nation are now coming into our training programs.

Our first responding departments include your police department, fire department, FAST medical team, highway department, volunteers and other supporters. On many occasions throughout the year, we all meet and share information, training topics and look to the future mitigation of hazards in our town.

Here are some of the activities and programs Piermont Emergency Management participates in throughout the year and also as various situations arise: Working with departments to insure that all hazards in the town are known and are being dealt with; Organize approaching Storm Summit meetings; Issue all-hazard warnings and instructions to residents and responders through the use of our Facebook Page, Twitter messaging system, emails and the telephone Code Red alert program.

Emergency Management this year continues to work with the fire department on communications enhancement through the use of obtaining a grant for a signal repeater system for fire and medical response calls. We have also set up a town employee identification card program.

We have also undertaken a study in order to determine the best way to reduce ambulance response time to residents of East Piermont in the areas of Lake Armington, Lake Tarleton and Cape Moonshine Road and we have looked into finding a method to have cell service installed for East Piermont.

We have also joined with other departments and have sponsored a study of ways to mitigate any hazards facing the Town of Piermont for the coming years. We have also written two new state and federal grants in an effort to find necessary funding for various programs of communications and planning for Emergency Management.

It is always a good thing when town departments get together for training, talking, comparing notes or just reviewing what they do to help keep the town safe and secure when bad weather rolls in from the west, or the hurricanes advance upon us from the south or something else goes awry and we swing into action to help and assist our fellow residents.

We appreciate working closely with the Piermont Board of Selectmen; Piermont Police Chief Gary Hebert; the Fire Department; the FAST Squad; the Highway Department; all of our volunteers; Piermont Village School Principal Deb Norwood and her staff and many others who support our programs and those of our associated departments who all come together to provide valuable services for the protection of our town.

We wish you all the best in 2017!

Bernie Marvin
Piermont Emergency Management Director
David Tim Cole
Deputy Piermont Emergency Management Director

2016 REPORT OF THE FRIENDS OF PIERMONT

The Friends of the 250th has a new name. We are now the Friends of Piermont. Same goals, just a different name.

Our fellow committee member and treasurer, John Sundnas, has left us and moved to Montana to live near his son, David. We miss John—he was a tireless member of our committee. He had great ideas, handled the money, organized the fireworks, and took charge of cooking the hotdogs at our suppers! He was a longtime resident of Piermont and a good friend. We have not replaced John. Susan Belyea has been elected treasurer.

Our 2016 events included our 3rd Annual Eat and Meet supper in February. A delicious supper enjoyed by all. The program introduced the candidates for upcoming town and school elections. Candidates each spoke about themselves and why they were running for office.

April was Arbor Day activities with the Piermont Village School students. Each class presented something about trees. A flowering crab apple tree was planted behind the water box on Route 25. All the trees that the committee and students have planted the last three years are alive and growing. They were watered during the drought of last summer.

August 20th was our second annual End of the Summer Barbeque and Concert. The event was to honor our veterans, fire department and 1st responders. The fire department served hot dogs, hamburgers, salads, watermelon and cookies. The concert was spectacular! It featured the Catamount Pipe Band. They marched from the entrance of South Lawn Cemetery to the Memorial Garden with the Fire Department Color Guard leading. The number of those attending was overwhelming again with lots of Piermonters and neighbors from both sides of the river. A great time was had by all.

We held a food sale at the November election. It was a huge success raising \$800 plus for our treasury. A huge thank you to all who supplied food, those who purchased what was donated, and to Cheryl Robie, chairman, Susan Belyea, Eileen Belyea, and Diane Kirchner for soliciting and being there the day of the sale.

Our year end event was the annual tree lighting in December at the school. Alison Gould Rose was the chairman of the event and had help from Lele Gould Henry, her sister. Santa arrived in the fire truck, the PVS students sang and a small crowd attended. Hot chocolate and cookies were enjoyed by all. Thanks, Alison.

UPCOMING EVENTS FOR 2017

- 4th Annual Eat and Meet Supper on March 4th.
- Arbor Day Exercises with the PVS students in April
- Picnic and entertainment in June or July
- August 19th our end of the summer barbeque and concert at the Memorial Garden.
- Ending 2017 with the annual tree lighting with PVS in December.

We could use some new ideas for activities for 2017 to get people involved and get neighbors to meet neighbors.

Most importantly, the committee is working to gather names of veterans for one of the monuments at the Veterans Memorial Garden. These are Piermont Veterans who enlisted from Piermont post-Vietnam War. Also to add omitted names of any Piermont veterans from WW1, WW2, Korean War, and Vietnam War.

All the activities of the Friends of Piermont are funded by money raised by the committee and its volunteers. **NO TAXPAYER MONEY IS USED.**

THANK YOU to all the committee members and volunteers. Also, to all who have participated in our events, Please keep the Piermont spirit alive by taking in one or all of the above mentioned programs for 2017.

Abby Metcalf, Chairman

PLANNING BOARD ANNUAL REPORT 2016

Meetings of the Board are held on the third Wednesday of every month at 7 p.m. at the Old Church Building on Route 10. Members of the Board at year-end were:

Peter Labounty, Chairman
William Morris
Barbara Fowler

Peter Fullerton, Vice Chair
Diane Kircher
Douglas Coughlin

Colin Stubbings, ex officio

At the April election of officers, Peter Labounty was re-elected chairman and Peter Fullerton was elected vice chairman. At their April 12 meeting the Selectmen re-appointed William Morris to a three year term as full member and appointed Douglas Coughlin to a three year term as full member. Diane Kircher was appointed to a one year term as full member. Much to the regret of the Board, long-time members Suzanne Woodard and Peggy Fullerton resigned from the Board in February and March respectively.

The Board took the following actions in 2016:

Following a complaint, the Board added a clause to the Town's Earth Excavation Permit "that the operator shall attempt to notify owners of structures within 2000 feet of the blast by telephone or by some other means of notification within 24 hours of a blast. Notice will be provided to the Selectmen, Police Chief and Fire Chief in the Town of Piermont." This is to insure that a blast will occur within a specified time frame and that neighbors are forewarned.

Private Well Water Testing

Forty-Four Piermont residents availed themselves of the opportunity offered by the Planning Board to have their private wells tested for the presence of arsenic. Kudos go to Bill Morris for initiating and spearheading the event, and to Peter Labounty and Barbara Fowler for handing out testing bottles and information at Town Meeting 2016.

Public Hearings

In October, the Board held a Public Hearing to replace "Addendum B" of the Piermont Subdivision Regulations "Standards for Road Development" with the New Hampshire Department of Transportation's "Suggested Minimum Standards for Rural Subdivision Streets", which became "Addendum B."

In December, the Board held a Public Hearing on two (2) proposed amendments to the Zoning Ordinance: Amendment 1 adds a definition for "Agriculture – Farming", and Amendment 2 adds an "Enforcement Procedure" to the existing Ordinance for yard sales. Both amendments will be on the warrant at the 2017 Town Meeting

In other Business

In February a discussion was held with Chris Jacobs regarding a proposed 2-lot subdivision on Route 25C, Tax Map R18, Lot 5-2. Jacobs decided not to proceed at that time.

The Board approved the application by Sven Del Pozzo for a Voluntary Merger of Lots 35 ad 35, Tax Map R20.

Capital Improvement Program (CIP) (Subcommittee under the Planning Board)

Monthly meetings of the Committee are held on the fourth Monday of every month at the Old Church Building at 7 p.m. Members at the end of the year were Peter Labounty, chairman; Mal Kircher, Robert Lang, Bernie Marvin, Frank Rodimon, Colin Stubbings and Helga Mueller.

The Committee was formed in the beginning of the year 2016 at the request of the Selectboard with the intent of helping to inform the Selectboard's budget building processes. We are attempting to build out a ten-year forecast of any department's larger capital requests (greater than \$5,000). Then the Committee will review and work with the town departments to schedule any warrants so there is minimal effect on the overall budget of the Town.

Peter Labounty, Chairman

ZONING BOARD 2016 ANNUAL REPORT

Meetings of the Zoning Board of Adjustment (ZBA) were held as required as specified by RSA 673:10. Members of the ZBA at year-end were: Steven Daly, chairman; Helga Mueller, Charles Brown, Abby Metcalf and Steven Rounds, and alternate Heather Subject. At their April meeting, the selectmen appointed Steven Rounds to another three-year term on the Board.

In 2016 final closure came to the series of appeals filed by Walter Donovan regarding the January 25, 2013 decision by the ZBA to grant a Special Exception to Camp Walt Whitman to employ an additional 22 staff. Donovan had filed an appeal of the ZBA's decision in Grafton County Superior Court, which on May 12, 2015, fully affirmed the ZBA's decision.

On June 12, 2015 Donovan filed an appeal of the Superior Court's ruling to the State of New Hampshire Supreme Court.

On February 18, 2016, the Supreme Court upheld the ruling of the Grafton County Superior Court in full, thereby affirming the decision of the ZBA. The Supreme Court concluded that oral argument was not necessary in this case. It dismissed most of Donovan's arguments directly and concluded that the remaining arguments "do not warrant further discussion."

Actions taken by the Board in 2015

The Board approved the application by Julie Lamarre, POA for Ellen Simpson, for a Special Exception under Article V, Section 4 and Article VIII, Section 2.7a of the Piermont Zoning Ordinance to build a 2 ½ bay garage on the footprint of the current red barn at her residence at 536 Route 10, Tax Map R 20, Lot 33.

The Board approved the application for a Variance by Violet and Leo Veillette under Article V, Section 5 of the Piermont Zoning Ordinance to add an addition to a pre-existing non-conforming trailer at their property at 239 Route 25C, Tax Map R 9, Lot 18 in the Village District.

After receiving a petition for a rehearing of the Board's decision granting a Variance to Violet and Leo Veillette, the Board at a Public Hearing voted to grant the rehearing which is scheduled to take place on January 23, 2017.

As chairman, I would like to thank each of the members of the ZBA for their service to the Town of Piermont. I would especially like to thank Helga Mueller for her tireless efforts as Secretary.

Steven Daly
Chairman, Piermont Zoning Board of Adjustment

Piermont Public Library Annual Report 2016

Library Programs presented with Historical Society:

- Humanities-To-Go (HTG) Steve Taylor: *Agricultural Fairs: NH's Long Love-Hate Relationship with its Agricultural Fairs*
- (HTG) *Runaway Wives* with Marcia Schmidt Blaine
- (HTG) *Colonial Meeting Houses and Their Impact of American Society*, Paul Wainwright
- *Frauds and Scams: an AARP Program*, John Creagh

Notable at PPL:

- Evie Conroy was elected as a new PPL Trustee.
- Thank You, Joe Medlicott, for 18 years of service as Trustee for the library.
- Memorial Day Book Sale. A success, thanks to our community.
- Summer Reading: *Get in the Game, READ!* ... 24 readers.
- Overdrive NH Downloadable Books: Ebooks and audios. Download from home. Come in and get started.
- New alarm system at the library.
- NH 1000 Books Before Kindergarten, a CHILIS program for Early Readers. Totes for pre-schoolers.
- New Crossing Guard Stanchion for students when crossing to the library on weekly visits.
- A year of amazing art displays. Talent abounds!

**PIERMONT SCHOOL DISTRICT
2016 SCHOOL DISTRICT MEETING
MARCH 15, 2016
MINUTES**

Joyce called the meeting to order at 7:30 PM

Joyce began the meeting with the pledge of allegiance. She then introduced the SAU Superintendent Dr. Donald LaPlante, School Board Members Vernon Jones, Janene Robie, Greg Vogel, and School Clerk Jean Underhill and School Clerk in training Alison Rose.

ARTICLE 1: To hear reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

Sam Rounds motioned to pass over the reading of Article 1. Suzanne Woodard seconded. All in favor.

ARTICLE 2: To see if the district will vote to raise and appropriate one million, nine hundred ninety thousand, forty-four dollars (\$1,990,044) for the support of the schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district. This article is exclusive of any other article on this warrant. (The school board recommends this article).

Motioned by Helga Mueller. Seconded by Ray Holland. Vernon spoke about some revisions made to the budget since its publications which resulted in a lowering of the final total. A petition was presented to the Moderator for a Secret Ballot vote for Article 2. The secret ballot vote passed with 53 yes's and 23 no's.

ARTICLE 3: To see if the district will raise and appropriate up to twenty-two thousand dollars (\$22,000) to be added to the previously established Special Education Expendable Trust Fund, such amount to be funded from the year-end undesignated fund balance available on June 30, 2016. (The school board recommends this article).

Motioned by Abigail Metcalf Underhill. Seconded by Gary Danielson. Vernon stated this Article was to start to replenish the Special Education Trust Fund that has been drained over the last few years. The Article passed by a voice vote.

ARTICLE 4: To transact any other business that may legally come before said meeting.

Bruce Lamarre read a handout that he had created and made available to the public. The Moderator said that a sense of the meeting could be done to see if people were interested in his ideas. Bruce Lamarre motioned for a sense of the meeting. Randy Subject seconded. A sense of the meeting resulted in a yes vote. Vernon said there were some very good ideas. He said the Board would look into implementing many of them.

Gary Danielson motioned to end the meeting at 7:50 PM. Abigail Metcalf Underhill seconded. All in favor.

Respectfully submitted,

Jean KC Underhill

PIERMONT SCHOOL BOARD

**PIERMONT SCHOOL DISTRICT
SUPERINTENDENT'S REPORT**

The Superintendent's Office has realized substantial staff changes over the last six months. The interim superintendent retired on June 30, 2016 and we hired replacements for the vacancies for Business Manager and Payroll Clerk. I started my first day in the SAU Office on July 1, 2016. We hired a new Business Manager, Kathy Ducharme to begin on July 1 as well. Mrs. Ducharme has many years' experience with school finance and NH laws and procedures. Christine Phillips began her new payroll and HR position in our office, on August 15. We worked quickly with the existing veteran staff to organize the SAU office and to follow procedures and practices to move forward in a positive direction.

This is my seventh year in the SAU, having served as principal at Warren Village School before accepting the position of Superintendent. I believe we can improve educational services for our students and find efficiencies in our budget.

I continue to be impressed with the leadership of your principal, Debra Norwood. As a teaching principal, she keeps current in the curriculum and provides instructional leadership to the PVS staff. On each of my visits to PVS, I am also impressed with the dedication and professionalism of your teachers and support staff. Your school is using current, research-based instruction and materials in a warm, welcoming environment. Students are learning important academic content as well as essential work study habits, like collaboration, creativity, communication and self-direction. There is so much to be proud of at PVS.

I look forward to working with the Piermont Board, school staff, students and the community. I am available to answer any questions you may have or listen to your ideas or concerns. My email address is lmelanson@sau23.org.

Respectfully submitted,

Laurie Melanson
Superintendent of Schools, SAU #23

**SCHOOL ADMINISTRATIVE UNIT #23
REPORT OF THE SUPERINTENDENT'S AND
BUSINESS ADMINISTRATOR'S SALARIES**

One-half of the School Administrative Unit expenses are prorated among the school districts on the basis of equalized valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30th. Below is a breakdown of each district's cost share for the Superintendent's salary of \$126,258 and the Business Administrator's salary of \$83,640 for the 2015-2016 school year.

Superintendent Salary		%
Bath	14,974	11.86
Benton	2,462	1.95
Haverhill Cooperative	82,636	65.64
Piermont	14,457	11.45
Warren	11,729	9.29
TOTAL	\$126,258	100%

Business Administrator Salary		%
Bath	10,129	11.86
Benton	1,673	1.95
Haverhill Cooperative	54,893	65.45
Piermont	9,200	11.45
Warren	7,745	9.29
TOTAL	\$83,640	100%

ANNUAL PRINCIPAL'S REPORT

I am pleased to submit, to the Piermont Community, the 2016 Piermont Village School annual report.

The enrollment for 2015-2016 was 60 students in grades preK-8 at Piermont Village School (PVS). Eighth grade student Makaila Oakes won both the 2015-2016 Geography and Spelling Bees. The annual all-school play, *The Sword Called Excalibur*, was produced with the expert help of a theater group in residence. The year culminated as six students graduated from the 8th grade in June: Morgan Moulton, Makaila Oakes, Gabriel Piacentini, Greg Vogel, Katelyn Woodbeck, and Ryan Woodbeck. These students joined other Piermont Village School graduates at area high schools, bringing our current high school and vocational program enrollment to 30.

The staff at Piermont Village School continues to enrich the curriculum in preparing our students to become college and career ready as noted in the Smarter Balanced Assessment (SBAC). The spring 2016 SBAC results illustrate the efforts of our students and staff. PVS students demonstrated the following achievement levels: Students who performed at Level 3 or above (meet or exceed state achievement standard) ELA 57% (state 61%) and Math 70% (state 49%). In addition, results for the 2015-2016 NECAP Science is as follows: Proficient 55% (state 34%).

Piermont Village School appreciates community support toward the goal of retaining our excellent and experienced staff. This year we hired the following teachers, Tammy Poitras as our Special Education Teacher and, although not new to PVS but new to his position, Christian Peterson as our Grade 3/4 Teacher. Our teachers continue to meet the needs of rigor and academic complexity in the classroom. This was certainly evident in the teachers' participation in training as SAU 23 and the Piermont School District begin to move forward with Performance Assessment Competency Education (PACE). The entire teaching staff traveled to Kingston, NH and attended the Sanborn Competency Education Design Studio. This three-day design studio addressed the needs of educational teams from around the country who are in either the planning or implementation phase of a competency education model in their school or school district. Teams worked with competency education specialists, school administrators, and teachers who have experience in this field. In addition, lead teachers Lydia Hill, Kaitlyn Potter, Sara Byers, and Christian Peterson continue to participate in Quality Performance Assessment (QPA) training with the Center for Collaborative Education.

We continue to be grateful for the opportunities that a close-knit community affords children here. The town's support for the school is clearly evident during our programs such as the Annual Open House, Veterans Assembly, Winter Concert, Ski Program, Social Studies Fair, Children's Stage Adventures, and Eighth Grade Graduation. With our active PTO, we are grateful for their support in many community and school based activities such as Back to School Night and Loved One's Day.

PVS remains dedicated to providing opportunities in character development which includes service and leadership across all grades. The Student Council, facilitated by Mrs. Pamela Hartley, collected and distributed food for the Food Pantry, decorated the school and grounds for the holidays, as well as the Town Tree Lighting, in addition to designing and constructing PVS' butterfly garden. Students as young as first grade take pride and ownership for their school community. In addition, the entire school continues its annual trip to the Upper Valley Stewardship Center. The center's high and low elements, challenge course fosters increased confidence, personal development, and team building skills.

The Piermont community generously supports the fundraising efforts of the biannual Washington, D.C. Trip scheduled for April 2017. Students will be participating in the Wreath Ceremony at The Tomb of the Unknown Soldier in addition to visiting many key sites. It is the small school atmosphere and community involvement that provides an environment where we can realize the goal of providing each and every child a stimulating, individualized and effective educational program at Piermont Village School; thank you for serving and supporting your community school.

Respectfully submitted,
Debra Norwood, Principal

PIERMONT SCHOOL BOARD SCHOLARSHIPS

Each year the Piermont School Board accepts applications from graduating high school students for a scholarship which is funded by the interest accrued from the school trust fund. All applicants must have been accepted to a college or university for the fall term.

PARENTS RIGHT TO KNOW

As a parent, grandparent, aunt, uncle, or legal guardian,
you have the right to know:

1. Who is teaching your child
2. The qualifications and experience of your child's teacher(s)

For information concerning your child's teacher(s),
please contact the Superintendent's Office at:

SAU #23
2975 Dartmouth College Highway
North Haverhill, NH 03774
603-787-2113

A copy of the PVS Title One Report Card is available at the school.
