HIGHWAY AGENT'S REPORT

To the Citizens of Rindge, N.H.

I am herewith submitting my Annual Report as Highway Agent for the Town of Rindge for the year ending December 31, 1970.

We built, surfaced and sealed approximately one mile on Candlight Road.

We cut brush and hauled over 500 yards of gravel on Old New Ipswich Road. We blasted the ledge and rebuilt the ditch on Middle Winchendon Road in an effort to alleviate further salt contamination of a private well and to correct an annual icing problem.

We blasted the ledge at the Fire Station to accomodate plowing and extending parking facilities.

We completed the T.R.A. project from North Street, East Rindge to the Whippie Road, a distance of approximately two miles.

We rebuilt and surfaced two gravel avenues at Hillside Cemetery; and sealed two existing paved avenues. We resurfaced School Street, lowering culverts and adding one new culvert with a catch basin.

A number of dead trees creating hazards were removed from the Common and along the highways.

Work was done on Swan Point Road and it is ready for shaping and surfacing as soon as weather prmits.

Regular maintenance including scraping and grading gravel roads, cleaning ditches and cutting brush along the roadside, installing or replacing a number of culverts. Regular maintenance of the Parks, playgrounds and the dump was carried out. Our maintenance of the cemeteries included the filling and resodding of several lots and straightening of monuments.

The Highway Department was very happy with your vote to purchase a new dump truck. We took delivery of this truck on June 26, 1970 and felt it was a wise investment for the Town.

I would like to take this opportunity to express the grave need of the Town for new housing accomodations for the Highway Department.

Also, at this time, I would like to thank the Board of Selectmen and Town Officals, and the many others who have helped in the operation of this department during the past year.

Respectfully,

Donald Specikan
Highway Agent

REPORT OF THE LIBRARIAN TO THE TOWN FOR YEAR ENDING 1970

At the close of another year, we at Ingalls Memorial Library can report several areas of progress.

We have opened the Library on Saturday afternoons. Our "days open" amount to 243, as against 190 of the previous year.

The circulation has increased by more than 2,000 books.

We have acquired 50 new patrons.

We have a total of 512 children with an average of 12 at our story hours, with occasional refreshments provided by the Rindge Woman's Club.

Our staff members have taken a total of 4 courses in Library Management and Techniques.

We now honor the State Library Card, which enables any resident of Rindge to borrow books from any affiliated Library in the State.

We continue to borrow books on special subjects from the New Hampshire State Library in increasing numbers, as well as children's books from the Bookmobile, working out of the State Library Branch in Keene.

We are cooperating in every way with the State Organization, having hosted one of the Book Meetings, at which Librarians are briefed on our new books.

We now have an A. B. Dick copier available to patrons.

The physical appearance of the Library is improved with newly polished floors a re-upholstered davenport in the Symonds Room and a new bookcase in the lobby.*

The celebration of the 75th Anniversary, a proud day for the Ingalls Memorial Library, will be described in another report.

However, your Librarian is deeply concerned about the lack of space and shelf room. Hundreds of books have been donated and are waiting to be catalogued and shelved. As one who works in the Library from day to day she hopes that this condition may be remedied, and soon.

Presently a questionnaire is being distributed asking certain information of all taxpayers. It is hoped that we may have a high percentage of replies, as this information will help us to serve all citizens of the Town, and not just those who already make a habit of reading.

Your librarian is indebted to a long list of volunteer workers from the "Friends" to the Trustees, Walter Lovell and Miss Ella Connell, and to Mrs. George Semonite and Mrs. Ralph Green, Assistant Librarians.

Respectfully submitted,
Elizabeth W. Sampson

ANNUAL REPORT "FRIENDS OF THE LIBRARY"

Friends of the Library had a fairly busy year in 1970. The Friends try to keep up with the small needs of the Library, over and above the one taken care of by the Town.

Extra wastebaskets were bought for the Symonds room, the Sherwin room and for in front of the desk. Refreshments were bought and served for the 75th Anniversary tea. Many thanks to Mrs. Henry A. Snow as chairman of that committee.

One of the Friends continuing projects is covering books. There have been about three hundred books covered in plastic to help preserve them and to keep them looking attractive on the shelves. Another continuing project is the Saturday opening. Since February 1970 the Library has been open from 1:00 to 4:00 on Saturday afternoons, staffed by volunteer members of the Friends.

The Friends also supplied coffee and doughnuts for the District Meeting held in Rindge in November.

With the help of the Buswell-Hardy Fund the Friends sponsored a Christmas program for children on December 4th. Professor Frederick Packard did a reading of "Dickens' Christmas Carol" which was attended by over 200 children and adults.

Christmas decorations were supplied and put up in the library early in December.

The money-raising projects for the year other than dues paid were: A dinner cooked and put on in March by Mr. James MacNeil, with the proceeds going to the Building Fund; the Annual Food Sale in September.

There are only 51 paid-up members of the Friends this year, but the members we have are very active.

Louise M. MacNeil, Chairman

REPORT OF TRUSTEES

HURRAH AND HELP!

Concisely, the above three words could well constitute the Trustees' report. But, read on, some amplification should be made.

On the "hurrah" side we can report that the Library's 75th Anniversary which was held on June 13 was highly successful. We were fortunate in having as speakers, not only local celebrities but also Mr. Emil Allen, State Librarian, and for the main speaker, Mrs. Elizabeth Yates McGreal of Peterborough, well-known author and member of the New Hampshire Library Commission. A delightful spread was served by the Friends of the Library.

Along cultural and educational lines, there were new achievements. The circulation was over 9,100 books, and on the shelves were over 9,200 both setting new records. The school children of the Memorial School have been in regular attendance and the Story Hour has been enjoyed by many of the small fry.

The Library is now open 21 hours a week, again a new high. Patronage of the Library has increased, there being many new registrants. To the Librarian and her two assistants, the Trustees are most grateful for this year of great progress. We are also indebted to the Friends of the Library for their invaluable aid in making various functions successful, for the furnishing of a new bookcase and aiding in the purchase of a new copier. The latter is not only a book copier but is available to everyone in Town who desires to have copies made of letters, documents, etc. at a nominal fee.

On the "help" side, we have several crying needs. The water from the existing well has been newly analyzed and found to contain an extremely high iron content (four times that considered tolerable) and other chemicals which make it unsuitable for drinking and even dangerous to the skin. These chemicals are also attacking not only the galvanized, but the copper piping throughout the building and particularly at the boiler. It has been necessary to have repairs made several times in order to assure that the heating system is receiving enough water to operate. Repeated cleanings of accessible pipes to the furnace have helped temporarily but the situation can only deteriorate. You will, therefore, find in the Warrant an item requesting sufficient funds to provide for an artesian well as the present well is not adequate for expansion. We may or may not also require a water conditioner, depending on what kind of water is obtained. We sincerely hope the Townspeople will see the wisdom of making this change before the situation becomes intolerable.

Another crying need is that for more space, not only for shelves and storage but also to solve the present problem of congestion in the space behind the charge desk. Anyone who has been in the Library at a busy time will appreciate that with children or adults milling about in the area where the Librarians are attending to work makes the situation most difficult for all concerned. The only solution to this problem is, of course, the renovation of the existing Library and the building of a new addition. The building and renovation fund committee will actively pursue a revised campaign for adequate funds in the coming months. We bespeak the

support of all Townspeople and other interested persons in this effort. The Library needs your help!

RINDGE HISTORY COMMITTEE
REPORT FOR 1970

In March 1956 the Town voted to "raise and appropriate the sum of \$500 to gather and preserve historical records, data and personal reminiscences with a view to facilitating the preparation and publication of a History of the Town of Rindge at some future date." Appropriations have been made regularly since then.

At the present time there is not sufficient information accumulated and properly recorded to publish a new History up to date.

However, the genealogical data is 90% complete and the Committee has voted to propose within a year that the genealogical information be issued as a separate publication. Inquiries are received from time to time by the Town from people seeking information about families and since this genealogical data is currently in shape and familiar it would seem best to publish now. A future history could then be devoted exclusively to narrative, economic, social and political history.

A balance on hand of \$325.00 plus an appropriation of \$200 would appear to be sufficient to put this information into proper shape to present to two or more publishers for bids and consideration by the 1972 Town Meeting.

Those residents of Rindge who have not yet returned the genealogy forms on their families to the Committee may pick up forms at the Library, Post Office or store and bring them to the March Town Meeting, or return or mail them to the library the latest by May 1.

Respectfully submitted,

Training

Man days at Fire School	14	12
Man hours on Trucks and Eqpt.	736	520

The year 1970 was a year of change for the Fire Department.

We took delivery of our new thousand-gallon pumper on June 18, 1970. With the delivery of this big pump, we went to the new four-inch hose (2000 ft) with quick couplings. Also a portable deluge set with a 500-gallon-per-minute black widow fog nozzle.

All of this was new to us and many hours of training were needed on it.

We also received eight tires for the tanker from the State, at no cost to the Town. This was a saving of \$640.00.

Thank you.

Your Fire Department
Richard A. Ford, Chief

REPORT of FOREST FIRE WARDEN and DISTRICT CHIEF

The 1970 Forest fire season was quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture. To bring about this change we make the following suggestions:

1. When the ground is not covered with snow, a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning in restricted by regulation to prior to 9:00 A.M. and after 5:00 P.M. with the following exceptions:

Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain to your child, won't you?
3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

State	484 fires	244 acres
District	33 fires	32 acres
Town	5 fires	8 acres

Re: Charles W. Nichols

A rising vote of thanks to retiring Selectman, Charles W. Nichols, for his service to the Town during his term of office was unanimous.

ARTICLE 1 . To hear and act upon the reports of the Selectmen and Town Treasurer, Town Clerk, Overseer of Public Welfare, and reports of all agents, committees and officers heretofore chosen and act in any way relating thereto.

Article 1 . Report of the Dump Study Committee was given as follows: As previously reported, the State had required that as of July 1, 1971, there could be no burning of dumps and no open dumps. Rindge would either have to go to a land-fill operation or incinerator disposal of its waste. This date has been changed to July 1, 1975. In the hope that either State or Federal funds will be available to help in this endeavor, nothing has been done at this time. However, it is hoped that the \$500 voted in 1969 would be kept for the purpose voted - survey and test drilling of potential dump sites.

Charles W. Nichols of the Monomonock Lake Committee reported that no definite progress had been made to date.

Voted to accept the reports of the Town Officers, with exceptions subject to error as printed.
