As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$1,271.34, plus a revenue surplus of \$2,123.65, resulted in a net budget surplus of \$852.31.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended December 31, 1953, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1953, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit G)

A statement of long term indebtedness as of December 31, 1953, showing annual debt service requirements, is contained in Exhibit G.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$6,897.91 to \$8,291.81, in 1953, as shown by the following statement:

	Dec. 31, 1952	Dec. 31, 1953
Total Assets	\$51,100.41	\$53,204.79

Current Liabilities	44,202.50	44,912.98
	<hr/>	<hr/>
Current Surplus	\$6,897.91	\$8,291.81

Town Treasurer:

The Town Treasurer should make certain that all receipts are recorded in the cash book. It was found in some instances that receipts had been deposited in the bank but had not been entered in the cash book.

It is recommended that the Treasurer adopt the practice of countersigning the Selectmen's orders, thereby converting the orders into negotiable checks, instead of issuing separate checks. The advantages of the recommended procedure are:

- (1) Selectmen's orders and Treasurer's checks are in the same numerical sequence.
- (2) Possibility of a difference in amount between Selectmen's orders and Treasurer's checks is eliminated.

At the close of each month the Treasurer should reconcile the cash book balance with the bank balance and submit a monthly report to the Selectmen on the prescribed form.

It is again recommended that the Treasurer's surety bond be increased from \$3,000.00 to \$10,000.00, in order that the amount of the bond may be more proportionate to the amount of funds handled by this official.

Motor Vehicle Permit Transfer Credits:

A fifty cent transfer fee should be collected by the Town Clerk each time a transfer of a motor vehicle takes place in addition to the amount due for the permit.

During the period between December 1st and April 1st the amount of a motor vehicle permit is one third of the regular fee. Likewise a transfer credit during the same period should not exceed one third of the original fee.

Uncollected Taxes — Prior Years:

It is noted that there were uncollected poll taxes on the warrants for the levies of 1951 and prior years at the close of the last two fiscal years as follows:

	Dec. 31, 1952	Dec. 31, 1953
Levy of 1951	\$366.00	\$344.00
Levy of 1950	350.00	334.00
Levy of 1949	306.00	306.00
Levy of 1948	228.00	228.00
	<hr/>	<hr/>
	\$1,250.00	\$1,212.00

Inasmuch as the collections on these warrants during 1953 were negligible, it is recommended that the Board of Selectmen and Tax Collector carefully go over the uncollected lists and that such taxes as appear to be uncollectable be abated by the Selectmen.

Closing Accounts:

It is recommended that the accounts of all town officials be closed as promptly as possible after the close of the fiscal year, December 31st. A week should be sufficient time in which to close and balance the accounts.

Conclusion:

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report.

We extend our thanks to the officials of the Town of Seabrook for their assistance during the course of the audit.

Yours very truly,

Director
