STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bath qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said town on the second Tuesday of March next, at ten o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose a town clerk, one selectman for three years, one trustee of the trust funds for three years and one for two years, one library trustee for three years, a town treasurer, auditor, one or more highway agents, and all other necessary officers for the ensuing year.

Article 2. To hear the reports of officers and agents heretofore chosen, and pass any vote relating thereto.

Article 3. To see how much money the town will vote to raise for town officers' salaries and expenses for the ensuing year.

Article 4. To see how much money the town will vote to raise and appropriate for the repair and maintenance of highways and bridges.

Article 5. To see what action the town will take in regard to securing state aid for highways, and to raise and appropriate money therefor.

Article 6. To see how much money the town will vote to raise for the support of the town library.

Article 7. To see how much money the town will vote to raise for the support of the poor.

Article 8. To see how much money the town will vote to raise for Memorial Day exercises, and for Old Home Day.

Article 9. To see if the town will vote to raise and appropriate the sum of four hundred dollars for the control of White Pine Blister Rust.

Article 10. To see what action the town will take in regard to keeping the Trunk Line road open for motor traffic during the winter season.

Article 11. To see if the town will vote to discontinue the road leading past the Linus Hibbard place, from the road leading to Frank Dickerson's to the road leading from Foster Hill to Bath Village, about one mile.

Article 12. To see if the town will vote to accept from Sanborn W. Belden, of Los Angeles, California, in memory of his wife, Elizabeth Child Belden, the sum of one hundred dollars in trust. The income from said fund to be used for the care and maintenance of the lot in West Bath Cemetery in which are buried Mrs. Belden's sister, Ellen Child, her brothers, Elihu and John H. Child, and her grandparents, Dudley and Mary (Weeks) Child.

Article 13. To see if the town will vote to accept the legacy of the late Edward H. Johnson, according to the terms of his will, which are as follows:

"Third: I direct that said timber shall be held in trust by my executor, or some person appointed by the Judge of the Probate, except what shall be necessary to keep the buildings on said real estate in good repair or to build such new buildings as good husbandry may demand and to repair and build such fences on said real estate as may be necessary or convenient, until the year 1925, then I direct that said timber be sold either at public auction or private sale as may seem for the best interest and the proceeds of said sale shall be turned over to said town of Bath, to be held as a perpetual trust fund, the said fund to be known as the Edward H. Johnson Cemetery fund and the income thereof shall be expended annually in keeping the Carleton Johnson lot in the cemetery at Swift-

water, so called, in said town of Bath, in a good and proper condition. I direct that the grass be cut and removed from said lot two times at least each season; that said lot shall be kept at all times and be returfed as often as may seem needful for the proper appearance of said lot."

"Fourth: Should said trust fund yield a sum more than sufficient for the proper care of the Carleton Johnson lot as above set forth, then I direct that a sum be expended on the John F. Morse lot in said cemetery sufficient to keep that lot in good and proper shape."

"Fifth: After the two lots above mentioned are taken care of as directed, then if there be any unexpended income from said trust fund, then in that case I direct it to be used in beautifying the cemetery as a whole so far as possible with the income that is left.

"Sixth: Should the town of Bath decline the said trust or neglect to fulfill the conditions thereof I direct the Judge of Probate appoint some suitable person to be trustee and carry out the provisions of the trust."

Article 14. To see if the town will vote to dispense with delivery of inventory blanks until April 1st.

Article 15. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 18th day of February, A. D., 1925.

FRED P. WELLS,
DAVID S. REED,
JOHN B. HIBBARD,

Selectmen of Bath.

SCHOOL REPORT

BATH TOWN DISTRICT

Report of the Superintendent of Schools

To the School Board and Citizens of Bath Town School District:

I present the following for my fourteenth annual report.

The total enrollment to date and the name of the teacher in each school is as follows: Swiftwater, 34 pupils, Winifred Gearwar; Nutter, 13 pupils, Gladys Dunkley; Hibbard, 19 pupils, Mary Graham; Pettyboro, 14 pupils, Vera Woolson; Carbee, 7 pupils, Joy Delavan. The actual membership at date is 75 in the five schools. Bath has three pupils in the Woodsville grades, 4 in Woodsville High, 3 in Bath Union High, and 7 in Lisbon High.

The attendance record for the year was unusually good. Eleven pupils were not absent nor tardy during the year. These were: Arthur Arsenault, Angus Campbell, Roland Campbell, Hale Caswell, Harry Chase, Alvah Chase, Idabelle Davidson, Leora Greenwood, Sylvester Jordan, Roscoe Young, and Zelene Young. The per cent of attendance for all schools was high, 95.5. Each school lost five or six days for various reasons.

Grace Carr and Edna Wheeler were the only graduates from the eighth grade.

During the summer a new cement foundation was put under the shed at Swiftwater and cement steps laid here and at the Nutter school. The outside of the building at Swiftwater was painted. By means of entertainments the school at Swiftwater has purchased three large pictures for the schoolroom walls while the Pettyboro school has one picture and a

large wall clock. This indicates a helpful attitude on the part of school and community. At Hibbard and Pettyboro warm lunches are served during cold weather. These are financed either directly by the parents or with money obtained by school socials.

The records show 227 visits by citizens and parents, 19 by the school board, and 86 by the superintendent. The school nurse made over 20 school visits besides numerous home visits where inspection showed some defect in health. The work of Miss Underhill is very noticeable in the general improvement in personal cleanliness and attention to fundamental health habits among the school children. Instruction in proper care of the body is of more vital significance to the child and the home than instruction in the three R's.

Respectfully submitted,

NORMAN J. PAGE.

UNION SCHOOL DISTRICT

Report of the Superintendent of Schools

To the School Board and Citizens of Bath Union School District:

I herewith present my fourteenth annual report, the eighteenth in the series of district superintendent's reports.

For the third year in succession, I can report no change in the teaching staff of the schools. Chiefly as a result of a permanent and efficient group of teachers, the results all along the line are more satisfactory than ever before in the history of the school. On approving the Bath High School for the present year Deputy-Commissioner May says of the work of the previous year, "The volume of Latin reading done by the classes in the Bath High School was one of the best records in the state. The reports of work in general were very commendable."

While the enrollment in the high school is small for the present year, the large number in the elementary grades indicates in the years to come larger entering classes. In June two pupils were promoted from grade eight to high school,—Clarence Chase and Melvin Tewksbury. There were three graduates from the high school,—Sadie Chase, Margaret Houston and Bessie Poor.

The record of attendance in all schools for the year 1923-24 was 94%. This is much better than for previous years. Three pupils, Phyllis Bailey, Marjorie Chappell and Bernard Knighton, had perfect attendance for the year. No better habit can be taught pupils than punctuality and steady attention to business.

Last year in the primary room Miss Dearth started a system of school saving for her children.

The plan is still in successful operation and as a result of a little encouragement in saving pennies about \$75 has been deposited in the Woodsville Savings Bank. This is a very practical method of teaching thrift and deserves commendation.

I call your attention to Headmaster Owen's appended report and especially to the paragraph dealing with needed repairs. Provision should be made at school meeting for financing this project. It costs little more to keep the building in good repair and it makes an excellent advertisement both for the school and the community.

Respectfully submitted,
NORMAN J. PAGE.

REPORT OF HEADMASTER

To the Superintendent of Schools,

Sir:

I hereby present my third annual report as Headmaster of Bath Union High school.

Bath Union High School opened September 8, 1924 with an enrollment of 16 pupils. Two pupils transferred to Bath at the opening of the second term, making the present enrollment 18. This number includes five tuition pupils.

On September 1, 1924 seventy-five percent of the pupils of the school were over sixteen years of age. This fact indicates an increasing interest in education. It should also mean that the pupils are deriving more benefit from their school work because of the better reasoning ability which comes with maturity.

The general condition of the inside of the building is rather poor. The walls and woodwork are greatly in need of repairs and refinish. The heating plants should be thoroughly overhauled for more satisfactory and economical heating. It would seem advisable to have the building thoroughly inspected and necessary repairs made before the opening of school each year. Much credit is due the janitor in that no time has been lost in "no school days" because of cold weather.

Basket-ball teams have been maintained for both boys and girls in spite of many handicaps. Much praise has been accorded the teams not only for skill but for the good spirit and sportsmanship which they have shown at all times. Last year a winter carnival was conducted under the direction of the high school. The pupils and teachers of all the Bath Town District were invited to attend and take part in the events. This carnival seemed to create a feeling of good fel-

lowship and cooperation between the schools. It is hoped that this may become an annual affair.

The piano purchased by the high school last year has been paid for through the efforts of the pupils. The "Bath Union Spirit" will be published this year in one issue.

The support and cooperation of the Superintendent, School Board and teachers has been fully appreciated.

Respectfully submitted,

W. L. OWEN.
