TOWN MEETING WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bethlehem in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Building in said Bethlehem, on Tuesday the eighth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3. To see what sum of money the Town will vote to raise and appropriate for highway purposes.

4. To see what sum of money the Town will vote to raise and appropriate for the services of a district nurse.

5. To see what sum of money the Town will vote to raise and appropriate for Memorial Day and other patriotic purposes.

6. To see what sum of money the Town will vote to raise and appropriate for advertising.

7. To see if the Town will vote to authorize the Selectmen to borrow money during the current year on the credit of the Town to pay current indebtedness in anticipation of taxes.

8. To see what sum of money the Town will vote to raise and appropriate for the removal of garbage.

9. To see if the Town will vote to raise and appropriate money for State Aid.

10. To see what sum of money the Town will vote to raise and appropriate for the White Mountains Region Association.

11. To see what sum of money the Town will vote to raise and appropriate towards the maintenance of the Littleton Hospital for the ensuing year.

12. To see if the Town will vote to raise and appropriate money for Town Road Aid.

13. To see if the voters of the Town of Bethlehem will vote to adopt the town manager form of government, for the town, in accordance with the statutes of the State of New Hampshire.

14. To see if the voters of the Town of Bethlehem will vote to create a Citizen's Committee to act only in an advisory capacity consisting of nine members, who shall, with the board of selectmen, determine the compensation of the town manager, and who shall meet at least once a month with the selectmen and serve for a period of one year, in only an advisory capacity to the selectmen and the town manager.

15. To see if the Town will vote to transfer the powers and duties of the office of tax collector to the office of town manager, as provided by Section 16 of Chapter 55, Revised Laws, as amended by Chapter 236 Laws of 1947, said transfer to take place if and when the office of town manager is established within said Town.

16. To see what sum of money the Town will vote to raise and appropriate for town manager's salary and expenses.

17. To see what sum of money the town will vote to raise and appropriate for the eradication of rag weed.

18. To transact any other business that may legally come before this meeting.

Given under our hands and seal this nineteenth day of February in the year of our Lord nineteen hundred and forty-nine.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

February 10, 1949

Board of Selectmen
Bethlehem, New Hampshire

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Bethlehem which was made by this Division in accordance with the vote of the town. This audit covered the fiscal year ended December 31, 1948. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Library and Municipal Court.

FINANCIAL STATEMENTS

***Comparative Balance Sheets—
Dec. 31, 1947-Dec. 31, 1948: (Exhibit A)***

Comparative Balance Sheets as of December 31, 1947 and December 31, 1948, are presented in Exhibit A. As indicated therein the Net Debt decreased by \$6,223.63 during the year.

***Analysis of Change in Financial Condition:
(Exhibit B)***

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein.

***Comparative Statements of Appropriations
and Expenditures—Estimated and Actual
Revenues: (Exhibits C and D)***

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1947, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriations of \$1,911.83, less a net revenue surplus of \$1,557.53, resulted in a net budget deficit of \$354.30.

***Statement of Long Term Indebtedness:
(Exhibit M)***

A statement of Long Term Indebtedness as of December 31, 1948, showing annual maturities of principal and interest, is contained in Exhibit M.

***Summary of Receipts and Expenditures:
(Exhibit E)***

A summary of receipts and expenditures for the fiscal year ended December 31, 1948, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's

balance as of December 31, 1948, is indicated in Exhibit F.

Statistical Tables:

Section II of the report is comprised of statistical tables covering a ten year period as follows:

Table I —Comparative Balance Sheets

Table II —Comparative Table of Taxable Valuation and Taxes Assessed

Table III—Comparative Statement of Indebtedness, Valuation and Taxes

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the collector's records.

GENERAL COMMENTS

Accounts of Selectmen and Treasurer:

It has been the practice of the town treasurer to issue one check to his own order covering several selectmen's orders which he had previously cashed, including orders issued to the road agents for payrolls. The individual orders are then entered separately by the treasurer in his cash book. This procedure com-

plicates the work of auditing the treasurer's accounts.

It is recommended that a separate check be drawn by the treasurer for each order issued by the selectmen. The treasurer then can cash the checks which are properly endorsed and presented to him for payment. All checks would then be entered in the cash book and indicated by their serial numbers.

In a large majority of towns the treasurer simply countersigns the selectmen's orders thereby converting the orders into negotiable checks. This procedure eliminates the necessity of having the treasurer issue separate checks and also has the added advantage whereby each voucher, order and check bears the same serial number.

When payments are made to the Collector of Internal Revenue covering taxes withheld, the proper classifications covering the various departments on account of which tax withholdings have been made, should be indicated: viz,—town maintenance, police, town hall, etc.

The printed town report should include the annual reports of the tax collector and town clerk.

Tax Collector's Accounts:

The use of two of the prescribed forms by the Tax Collector was recommended. These are—(1) the loose leaf columnar Cash Book, and—(2) the standard form of Collector's report to the Treasurer covering remittances on account of redemptions from tax sales. The loose leaf Cash Book provides columns for the segregation of property and poll taxes, interest, and redemptions from tax sales by years of levy. All remittances to the Treasurer for redemptions should be reported on the separate form provided for this purpose rather than on the report which covers regular tax collections.

Town Clerk's Accounts:

A record of dog licenses issued by the Town Clerk

should be made in the clerk's cash book in which motor vehicle permits are entered.

Conclusion:

The accounts of all town officers which we examined were found in good condition and the accounting procedure, with exceptions as herein noted, conformed to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report.

We extend our thanks to the officials of the Town of Bethlehem for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director
Division of Municipal Accounting
State Tax Commission

Certificate of Audit

February 10, 1949

This is to certify that we have audited the accounts and records of the Town of Bethlehem for the fiscal year ended December 31, 1948, and, subject to exceptions as noted in the report, found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the town, together with the results of operations for the fiscal year ended December 31, 1948.

Respectfully submitted,

Harold G. Fowler, Director
Division of Municipal Accounting
State Tax Commission

Report of Board of Education

To the Citizens of Bethlehem:

The school board herewith submits its annual report. The report includes the treasurer's report for the fiscal year July 1, 1947 to June 30, 1948 with a statement of expenditures; budgets and estimated receipts for the present school year and for the next year; written reports by the superintendent of schools and by the headmaster of the high school.

Necessary expenditures for school purposes still remain high. Under the new formula set up by the State Board of Education, Bethlehem will receive no state-aid for the year 1949-50. This represents a loss in anticipated income of \$2,000.00. The school district will receive only 50 percent of the Forest Reserve income in the future as compared with 100 percent in the past. This has caused an additional loss in income of \$400.00.

We recommend that the school district raise the sum of \$42,000.00 for the support of schools for the year beginning July 1, 1949.

Respectfully submitted,

Mildred L. Bonardi, Chairman
J. Elmer Harrington
Henry J. Cere
Elwyn L. Miller
Charles H. Brown
Bernard L. Harvey

Superintendent's Report

To the School Board and Citizens of Bethlehem:

It is with pleasure that I submit to you my annual report relative to your schools.

Three changes have taken place in the teaching staff since my last report.

Mr. Henry V. Wilcox of Oxford, Maine, a graduate of Colby College with graduate study at the University of Maine, and eleven years' experience was elected to teach the sciences and mathematics, to replace Forrest W. Truland who resigned to accept a position in New York state.

Miss Joan Beaudet of Berlin, New Hampshire, a graduate of Keene Teachers College, was elected to teach English and French to replace Miss Beverly McCarthy who resigned to seek another position.

Mrs. Mattie J. Hibbard of Littleton, who attended Plymouth Teachers College, with summer school training at both Plymouth and Keene Teachers Colleges, and with ten years' teaching experience, was elected teacher of grades two and three to replace Mrs. Gertrude Hoik who resigned to be able to be with her family in the southern part of the state.

The enrollment last year was 169 which is 5 less than that of the previous year. There are 177 pupils registered this year to date, an increase of 8 pupils.

The report of the school nurse showed that 144 pupils were examined by the school physician and the following defects were found and reported to parents: Defective vision 7, defective hearing 4, defective teeth 53, diseased tonsils 28, and defective glands—cervical 6.

Corrections reported were as follows: Vision 5, teeth 19, tonsils 3. Complete physical examinations were given to all who participated in athletics. Two vision clinics were held. The audiometer was used in the testing of 52 pupils. The tuberculin Patch test was administered to 71 pupils with 3 positive reactors who were subsequently X-rayed and which showed no active cases. One tonsil clinic was held with 3 cases operated.

The penny milk program has been continued with over 100 pupils receiving a half-pint bottle of milk daily. A hot soup or cocoa is served each noon at cost to those who care for it.

The usual seasonal minor repairs to keep the building in good condition have been made. The program for inside painting was continued this past summer when the walls and ceilings in four rooms were refinished.

In spite of the teacher situation, the Bethlehem school is staffed with a group of well trained teachers who are interested in the program of the school and who are endeavoring at all times to do a good job.

Due to the fact that Bethlehem will no longer receive state-aid for education under the new formula adopted by the State Board of Education, and because the school district will in the future receive only one half of the Forest Reserve fund, it is necessary to increase the appropriation by approximately \$2,400.00.

Bethlehem teachers attended and participated in a conference on audio-visual aids in September, and a five day workshop for teachers which was held in Littleton during the first week of November. Two teachers on the staff have attended a fifteen weeks' extension course on audio-visual aids which was conducted in Littleton under the direction of Professor Austin L. Olney of the University of New Hampshire.

In closing I wish to express my sincere appreciation to the citizens of Bethlehem, the school board, teaching staff and other district officers for their cooperation throughout the year.

Respectfully submitted,

Leslie S. Cummings

Headmaster's Report

To the Superintendent of Schools:

It is with pleasure that I submit to you my second report as headmaster of Bethlehem High School. The total enrollment for this year is fifty-eight: eighteen freshmen, thirteen sophomores, ten juniors, seventeen seniors.

A course in Driver-Training has been introduced into the program this year and is available to all pupils who have reached their sixteenth birthday. Special consideration is given to seniors and juniors who desire to take the course. I hope that all the pupils in the school will take advantage of the offerings of this course.

A follow up of the graduates of 1948 has revealed that all are gainfully employed.

We are taking advantage of the University of New Hampshire testing program whereby all eighth graders and high school juniors will be tested annually. These tests are helpful to the teachers, parents and pupils. The teachers and parents will be in a better position to guide the pupils along lines where there seems to be the most vocational interest, and the pupils will be in a more favorable position by having some knowledge about the areas in which they might be most successful.

On behalf of the student body and members of the staff, I wish to thank the veterans of World War II for the basketball scoreboard which was presented to the school, purchased from money that was set aside for a homecoming banquet.

To the members of the school board, the superintendent of schools, the members of the faculty, the pupils, and the citizens of Bethlehem again I thank you most

cordially for your kindness and cooperation in making our school a better school for our children.

Respectfully submitted,

Samuel Finkle
