Commissioners' Report

To the Citizens of Grafton County:

In compliance with the requirements of the Laws of the State, your Commissioners herewith submit the report of their financial transactions for the year ending December 31, 1912 and a statement of the financial standing of the County at the end of the year, together with the reports of the Sheriff, Solicitor, Clerk of the Court, Jailer, Treasurer and Auditors and the Superintendent, Physician and Chaplain of the County Farm.

The County Farm and House of Correction are still under the efficient management of Mr. and Mrs Henry C. Phillips as Superintendent and Matron. Mr. and Mrs Phillips need no introduction to the Citizens of Grafton County: Their long experience and the great interest which they have taken in everything pertaining to the welfare of the inmates and the Farm has made their services of great value to the County.

The Farm is under a high state of cultivation, hay and corn being the principal crops raised. The production of these two crops this year was six hundred tons of ensilage and three hundred and fifty tons of hay all of which was harvested in first class condition. Five silos are required to hold the ensilage, a large one having been erected during the year.

Much care has been given to the raising of good cattle and the herd now consists entirely of registered and high grade Holsteins, There have been no extraordinary expenses and the surplus has

been increased by a gain of \$730 66.

Respectfully submitted,

HORACE F. HOYT

ORA A. BROWN

ARTHUR C. CLOUGH

Total cost of supporting paupers at County Farm for the year ending Dec. 31, 1913 \$14,679 81

In accordance with Chapter 30, Section 1, Public statutes the Superintendent of the County Farm, shall make up his report to January 1, annually and also Section 2 of said Chapter requires that the Superintendent's report shall contain in addition a list of paupers actually supported at the Farm and the number of weeks each was supported, also a statement of the average cost per week for each pauper with an explanation of the basis upon which said calculations were made, the whole number of persons supported and partially supported for the year ending Dec. 31,

1912 was 89.

The number of weeks board is ascertained by taking the number of days, between the day of admittance and the day of departure of each individual, and dividing that number by seven, which gives the number of weeks each individual has been supported.

The whole cost of supporting paupers at the Farm for the year ending Dec. 31, 1912, is \$14,679.81. This sum divided by the whole number of weeks furnished, viz: 4674 weeks gives \$3.14 as the price per week.

Respectively submitted,
Henry C. Phillips, Superintendent

We, the undersigned, hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm, for the County of Grafton, for the year ending Dec. 31, 1912 and find the same to be properly vouched and correctly cast.

Horace F. Hoyt,
Ora A. Brown,
Arthur C. Clough,
Commissioners of Grafton County.

Chaplain's Report

To the Honorable Board of Grafton County Commissioners:

The first of last April, marked the beginning of my services as Chaplain of our County Farm.

From that period of time to the present I have enjoyed my work in this connection very much indeed.

In addition to meeting all the people of the County Farm in a friendly way, it has been my privilege to conduct Sabbath services there every two weeks.

At all of their gatherings there has been a large attendance, and a good interest.

Our County Farm choir, under the direction of Mrs. Phillips, has been of great help to the Chaplain on many occasions.

As a part of my work I have visited the rooms of sick and given them the comforts of song, of Scripture and of prayer.

Have also attended quite a number of funerals.

The people have ever been very appreciative for everything done in their behalf.

One of the pleasant customs of the County Farm is the annual Christmas exercises. It was the Chaplain's privilege to be present this year and surely it was a scene of cheer and gladness.

During these months I have most thoughtfully enjoyed my relationship in the work with your efficient Superintendent and wife, Mr. and Mrs. Henry C. Phillips.

Report of the County Physician

To the Honorable Board of Commissioners of Grafton County:

There has been very little sickness at the hospital during the past year. Most of the cases have been chronic incurable diseases which were well advanced when admitted.

The hospital, now in it's fifth year, is doing excellent work and patients are receiving care that would be impossible for the County to give them at their homes.

Needed improvements have been made. A new floor has been laid in the main hall which adds greatly to the cleanliness and attractiveness of the hospital. A medicine cabinet has been installed, also an ice chest.

A trained nurse is constantly in attendance upon those who are in the hospital. Inmates of the Almshouse who may be indisposed are carefully watched to note any rise of temperature etc, so that in many cases we are able to check illness at it's very beginning.

The efforts of the Board of Commissioners and the hearty cooperation of Supt. and Mrs. Phillips have made possible a smoothness of running in the hospital that would be difficult to find in any similar institution.

Respectfully submitted

E. M. MILLER,

County Physician
