Number of books purchased	72
Number of books given	62
Federal, State and Town books	9
Number of books withdrawn	4
Newspapers and magazines	25
Adult books borrowed	1,576
Magazines borrowed	454
Juvenile books borrowed	1,133
New borrowers	49
Number of borrowers	311
Average daily patronage	30.7
Reference questions	142

Donors of books and magazines are as follows: Mrs. Harry Downing, Mrs. Lloyd French, Jr., Mrs. Leon Bixby, Harrison Otis, Mrs. Winston Tunnell, Miss Bes-sie Cables, Mrs. Wm. Hubbell, Mrs. Wm. Fund, Mrs. Robert Munkittrick, Jesse Barney, Lloyd French, Mr. and Mrs. Guy Kenneson.

We are gratified to find reference questions on the increase. We would still like more adults to use what reference material we have available. The school children, through instruction received during Book Week last November, are learning to look up some in-formation themselves. This they enjoy doing, and we are very glad to help where needed. We had an adult program during November, with reviews of some of the new books. We had a good turnout for the pro-gram and it was so successful we plan to have several during the present year. Our pamphlet file is growing daily, and there is a wealth of information to be found there. If there is any subject we cannot help you with, we will gladly send to the State Library for available material.

Librarian

## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the School district in the town of Rumney qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the sixth day of March 1954, at one o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to establish a Capital Reserve Fund in accordance with Chapter 160, Laws of 1943, for the construction of a new elementary school and to raise and appropriate a sum not to exceed \$4,000.00 for this purpose.

10. To transact any other business that may legally come before said Meeting.

Given under our hands at said Rumney this 17th day of February, 1954.

## SUPERINTENDENT'S ANNUAL REPORT

---

### TO THE RUMNEY SCHOOL BOARD:

This is my eleventh and final report as Superintendent of Schools in Rumney. Since I shall not long be concerned with any action taken by either the Rumney School District or the Rumney School Board, you may be assured that whatever observations or recommendations this report contains are based solely on the needs of Rumney children as I see them.

The most important subject under discussion in Rumney for the last two years has centered around the possible construction of a new central school. That discussion has continued through two years with a different committee appointed each year to investigate and report back. Whether a new school is any nearer to reality now than two years ago, only the people of Rumney know. However, it seems to me that it is time to decide something, whatever that decision may be. The Rumney Depot school is and has been for a long time the most unfit school building in Supervisory Union No. 48. The interior of the building is neither attractive nor large enough. Your children are crowded into it under conditions that cannot possibly be favorable to the most profitable school experience. It would be fine if every parent in Rumney would come to that school when it is in session to see exactly the conditions under which your children are expected to work. If that were done, I am confident that complacency would give way to a feeling of uncertainty and insecurity. Every day your children are kept in the Depot School as it now is only drags out a long continued policy of cheating the youngsters. It is your money; they are your children; it is your responsibility to do with either or both whatever a majority of voters decide. Whether that decision is to build a new school or to enlarge the Depot School, it should be made without further delay.

Textbook material is being gradually brought up to date by the introduction of recent editions of textbooks in use or the introduction of new series of books. As of September, 1954, both grades 1-2 will be using the most recent editions of reading material. During the present year, all pupils in grades 2 through 8 have been supplied with new spelling books. As of next September, grades 3 through 8 will be using new social studies textbooks which combine both history and geography. The advantage of this unified program is that it shows more clearly the close relationship between geography and history and, at the same time, saves class time which was formerly divided between two separate subjects. A similar revision in English textbooks is needed.

For several years, Rumney school boards have wisely followed a policy of adjusting salaries on the basis of teaching experience and professional improvement. It would probably be to the advantage of both the teachers and the School District if a definite salary schedule were adopted. If it is the wish of the Rumney School Board, I shall be glad to assist in drafting such a schedule.

The Rhinehart Functional Handwriting System of Waltham, Massachusetts, was engaged to supervise the teaching of penmanship for the school year 1953-54. Regular instruction is given by handwriting experts in all of our schools. Comments by teachers and an observation of progress by pupils indicate that the School Board made a wise decision.

The interest and cooperation of members of the School Board are very much appreciated. The friendliness of Rumney people and the loyal and efficient work of the teachers are likewise thoroughly appreciated.

Respectfully submitted,

ARTHUR S. ROLLINS

\* EXPLANATION OF  
SUPERINTENDENT'S SALARY

---

Section 5, Chapter 243, Laws of 1953, requires that school district annual reports show the total amount paid to the superintendent as per the following quotation:

“Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union.”

One-half of supervisory union expenses is pro-rated among the several school districts of the union on the basis of adjusted valuation. One-half is pro-rated on the basis of average daily membership in the schools for the previous school year, ending on June 30. For the school year 1952-53, the superintendent in Union No. 48 received a salary of \$5350 which was made up as follows: \$2275 paid from the per capita tax, and \$3075 pro-rated among the several school districts. An allowance of \$750 for travel within the Union was also pro-rated as stated above.

The tabulation below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Wentworth	\$ 148.59	\$ 47.25
Woodstock	412.57	122.17
Campton	452.84	145.58

## REPORT OF SCHOOL NURSE

---

### TO THE RUMNEY SCHOOL BOARD:

I herewith submit my report as School Nurse which covers the period of the school year 1952-1953.

158 children were inspected and symptoms of these physical defects were found:

Dental	64
Tonsils	11
Vision	14
Hearing	9
Orthopedic	3

These corrections of defects were reported made:

Dental	60
Tonsils	8
Vision	11
Hearing (Hearing Aid)	1
Orthopedic	2

Two children are under orthopedic treatment. One child had tonsilectomy paid for by the Red Cross. One child had glasses through the Sight Conservation Program. Several children attended the Chest Clinics at Plymouth sponsored by the N. H. Tuberculosis Association.

The Maico Audiometer, purchased by the subscriptions of organizations in the School Union No. 48, is proving very adequate in screening children who need medical attention because of poor hearing.

The only communicable diseases reported were 2 cases of chicken pox, 2 of impetigo, and 2 scabies.

I have made 66 school calls, 40 home calls, and innumerable business and phone calls and written many letters in carrying on the health program in the schools.

Healthful living, based on prevention of illness, is constantly being taught in the classrooms by the teachers. As one has said, "To cure is the voice of the past; to prevent, the divine whisper of today."

I thank the School Board, Superintendent, teachers, pupils, and parents for their kind help during the past year.

Respectfully submitted,

ANNA M LOVETT, R.N.
