TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Sandown, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Sandown on Tuesday, the thirteenth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same as stated in the Budget.

3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to accept Town Road Aid; State to contribute \$1,195.85, Town to raise \$298.96.

5. To see if the Town will vote to appropriate the sum of \$375. to reimburse Albert I. Drowne for money expended defending a defective tax title given by the Town.

6. To see if the Town will vote to authorize the Selectmen to administer or dispose of either public or private sale, property taken through Tax Collectors Deeds.

7. To see if the Town will vote to raise the sum of \$259. for the Highway Construction Reserve Fund for Post-War unemployment.

8. To see if the Town will vote to support United States membership in a general system of international cooperation, such as that proposed at the Dunbarton Oaks Conference, having police power to maintain the peace of the world.

9. By Petition. To see if the Town will vote to drive a well and install a pump at the same place as that formerly driven and owned by Nellie Osgood. Same well to be for the general use of the Public, and to appropriate not exceeding \$50. for same.

10. To act on any other Town business that may legally come before said meeting.

Given under our hands and seal, this twenty-third day of February, in the year of our Lord nineteen hundred and forty-five.

REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY

The Trustees voted to close the library Wednesday evening beginning October 1st, to hold through the month of May.

We have, this year, purchased eighteen of the latest and very best Children's Books and several of interest to young people and adults.

Life Magazine and The Reader's Digest are available at the Library as well as Jack and Jill Magazine for children.

We regret the decline in book circulation and the number of visitors this past year. We trust conditions will warrant more patronage in the future.

Edna K. French
Secretary of the Trustees.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

February 1, 1945.

To the School Board and Citizens of Sandown:

It is my privilege to submit my third annual report as Superintendent of your schools. The report includes a brief discussion of our objectives, a report of teachers employed, some of the more important physical changes and improvements in the buildings, a brief discussion of the pupils' achievements, a music and health report.

Education in America continues despite the war which has caused a tremendous shortage of teachers and the curtailment of school supplies and equipment. Many people are sponsoring extravagant ideas as to what the postwar world and postwar education will be like. Although there will undoubtedly be some changes in organization of school units, curricula and methods of instruction, the fundamental principles of "Educating Youth for Citizenship" will remain the same. We continue to hold as our general objectives the well known Cardinal Principles of Education, namely: Health, Command of Fundamental Processes, Worthy Home Membership, Vocation, Citizenship, Worthy Use of Leisure Time and Ethical Character.

Our conception of Training for Citizenship will necessarily be broadened in that "Youths and adults are now faced with the requirement that they must be world citizens, their education must include an understanding of all people everywhere, and they must become expert in the ability to get along with others who possess different philosophies of life. When the economy and society change direction or enlarge in scope, education, too, must change and enlarge for otherwise youth will be trained in the historical rather than modern ways of life. We need an enlargement of the scope of education for youth to enable boys and

girls to meet the demands of this new dynamic air age in which the whole world has become smaller than were the thirteen American colonies when public education first began."

Participation in the War Effort:

During the three years since Pearl Harbor, American boys and girls have saved more than \$1,170,000,000 through purchase of war stamps and bonds. The children of Sandown have, through their own efforts and those of their parents and teachers certainly done their part. Through the continuation of this good work, children have an opportunity to develop strong habits of thrift, civic responsibility and knowledge of war finance. They have also helped to further the war effort by collections of waste paper and milkweed pods. The latter project, sponsored by the government this past fall has been for the purpose of accumulating milkweed floss to replace "kapok"—a material used in life belts and aviators' suits and which is no longer available because it came from what is now "enemy held territory." Teachers:

The employment and retention of qualified teachers is one of the major problems now involved in the further maintenance of our objectives. Of the nations' 900,000 teachers, over one-third are new to their jobs. In this supervisory union of forty-three teachers, it has been necessary to employ fifty-three in the past two years. The chief reason for their leaving our area has been to secure more remunerative positions elsewhere.

*Air-Age Education Committee—American Association of School Administrators, November 1944.

Sandown is fortunate to have the continued services of Mrs. Edna K. French as the teacher at the Pine Grove School. Mrs. Ina Elkins of Hampton Falls, New Hampshire who very satisfactorily completed the last school year from October 1943 to June 1944 at the

Clark School resigned in April. It was impossible to secure a teacher for the Clark School during the spring and summer months until just before school was scheduled to begin when Mrs. Lora Sinskie expressed a desire to return. Your superintendent feels that Sandown fortunately was not one of the many rural towns which was required to close its schoolroom doors because of the teacher shortage.

New modern textbooks have continued to replace the old and worn books. The reading program which was started in the primary grades two years ago is being continued in the intermediate grades. Reading is being stressed in both schools as it is felt that many problems encountered in other subjects are caused by inability to read well. New history books for some grades were also purchased during the past year and the textbook situation as a whole is very good. New encyclopedias should be furnished, when finances permit, as the present sets are outdated. We must not lose sight of the fact that our schools are essential to the well-being of our country. The children of today will have much to say about what kind of world we live in tomorrow. They are the hope not only of America but of the world as well.

Thanks to Mr. Edwin Pressy of Washington, D. C. (mentioned in the Superintendent's report last year) for the contribution to the Pine Grove school for the purchase of some desired article for that school.

Mental ability and standardized achievement tests, administered to all children above the second grade, allow for better diagnosis of pupil difficulties. Sandown children are working up to their ability and compare favorably with pupils in other districts.

Buildings

Your School Board has been alert to keep the buildings in general good repair. Several minor expenses

were involved during the past year including the shingling of the Clark School and the improvement of the toilets in that school.

Kenneth Bassett for the second year was the only pupil who had a perfect attendance record last year.

Eighth grade graduates—June 1944 were:

Norman L. Follansbee

George H. Geisser

Roy Hutchinson

Sandown pupils enrolled in High Schools Sept. 1944.

To stimulate thought on an important problem which must be solved in the future, I wish to quote from a recent National Education Association publication pertaining to Compulsory Military Training:

"Seldom have the American people faced an issue in national policy which was freightened with greater possibilities for good or ill than one which confronts them today. That issue is whether at the close of this war we should inaugurate a program of compulsory military training, introduce some form of indirect training for military duty such as camping or a year of national service, or merely continue in the postwar period, with no essential change, the usual program of limited military training.

The issue is not only crucial but important. Already it has reached the halls of Congress, and is being discussed by many government officials and military leaders—including President Roosevelt and General Marshall. It is the theme of magazine articles, editorials, and sermons. It is becoming a frequent topic of general conversation. This is as it should be in a democracy. The people should set themselves with steadfast purpose to weigh the evidence and to choose intelligently the path we are to follow."

Your attention is directed to attached reports of the School Nurse, Mrs. Constance Cooper and of the Music Supervisor, Miss Marion Foster who replaced Miss Jean Beaton. Miss Beaton resigned after years of faithful service in this Union to accept a position as Supervisor of Music in Jewet City, Connecticut. Miss Foster of Dark Harbor, Maine is a graduate of The New England Conservatory of Music and has had several years of successful experience in Maine and Connecticut.

In conclusion, I again wish to express my appreciation to the School Board, teachers, parents, pupils

and other citizens for their continued cooperation in the accomplishment of our work.

Respectfully submitted,

Jonathan A. Osgood,

Superintendent of Schools

MUSIC DEPT. REPORT

To the Superintendent and the School Board of Sandown, New Hampshire. I hereby submit the annual report of the Music Dept.

Public school music aims to create a love and appreciation of the beautiful in music; to so fill the lives of children with the best music of the ages as to offset any tendency toward the sordid and tawdry. It is taught also to provide a worthwhile means of using and enjoying leisure time and to develop a desire in children to play upon some instrument; to make continued use of their singing voices, to furnish a socializing influence by providing that unity of spirit which may come to groups of people singing or playing together. Music strives to give the child an experience which shall serve as an adequate background for the future artist or intelligent listener.

The aims of the music classes in the Sandown schools are ear-training, rhythm, correct posture, breathing and phrasing, tone and intonation—to cure all so-called monotones; good enunciation, attention and concentration, sight-reading—to coordinate eye, mind and muscles used in singing and the ear, and thereby learn to read music understandingly.

The classes are organized by grouping the children from the first three grades, the others being in a single

music class. In this way, the pupils in the upper grades may help those in the lower grades to acquire new things in the knowledge of music.

In grades five to eight inclusive, the ability to sing songs in two parts is developed.

The new music books are much appreciated by students and teachers. A victrola and a library of good records would be very valuable to the Pine Grove school

Respectfully submitted,

January 13, 1945
