REPORT OF THE WINNISQUAM FIRE DEPARTMENT, INC.

To the Voters of Tilton:

The Winnisquam Fire Dept., Inc., would like to thank the voters of the Town of Tilton for helping us to become a more efficient fire department.

This year with our own money, we put an addition on to our present station and also acquired a panel truck that will be built into a rescue truck.

New hose was purchased to replace hose damaged at fires and by old age. A portable electric generator was also added to our equipment.

Department members attended the Fire Training schools at Fitzwilliam, N.H., and Lily Pond in Gilford. Some of our members served as instructors at the Lily Pond Training School.

Our drills are advancing our training program and we hope helping to make us more efficient fire fighters.

We celebrated our 20th Anniversary this year, and hope to serve you even better in the years to come. We are ready to roll to your assistance any time of day or night, but please don't have a fire just to meet us.

The Winnisquam Fire Dept., Inc. answered 33 calls in 1962:

- Tilton — 10
- Belmont — 10
- Sanbornton — 8
- Outside — 5

We received Mutual Aid 6 times and answered 5 Mutual Aid calls.

Mutual Aid calls answered:

- Laconia — 2
- Tilton — 1
- Gilford — 1
- Belmont — 1

We would like to say thanks to the Tilton Fire Dept. for their assistance on Mutual Aid calls.

Preventing Forest Fires Is Our Responsibility

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to install in the child's mind a respect for fire.

Keep our town safe from fires.

In 1962 we had 9 fires. Tilton

We burned 6½ acres. Tilton

Permits issued: 312 for both towns.

TILTON-NORTHFIELD RECREATION COUNCIL

Tilton, New Hampshire

The seventh year of operation of the recreation program has revealed two important facts: one, that the swimming program, in order to accommodate increased enrollment, must be expanded; and two, the continued need for some kind of community center.

Statistically, 621 students from the 5th through 12th grades are enrolled in the program, plus those below the fifth grade who go swimming. In order to be able to handle the swimming enrollment safely and satisfactorily it will be necessary to have two Red Cross trained instructors, plus a paid assistant, which, with a driver for the bus, should make it unnecessary for the director to turn away youngsters, as he had to do last year.

Because the swimming program is not confined by physical limitations, it has been able to grow; not so, however, the indoor program at the center, which is hampered by inadequate and insufficient facilities. If the room, time, storage space and office space could all be increased, a much more satisfactory program could be developed. With this aim in mind, a building fund was started years ago, to which Tilton added \$500 in 1962. The secondary purpose of the fund is to make it possible to begin negotiations for a purchase of land and/or building without having to wait for another town meeting to authorize funds.

Since Tilton raised its appropriation to \$2500 last year, it was not necessary to conduct an organized fund raising drive and the only tag-day was for baseball. It is to be hoped that the same situation or better will prevail this year.

The director, William Joscelyn, and the council members, wish to thank all those who have assisted the program either with time or funds.

REPORT OF THE TRUSTEES OF HALL MEMORIAL LIBRARY

The Trustees are pleased to report that approximately one hundred and fifty new volumes were added to our library this past year. Of these, 112 were new purchases, 14 were received as gifts, and the balance donated through the Used Book Sale held by the Friends of the Library.

Book Committee members meeting regularly each month to select new books included Miss Edna Southwick, Mrs. Kenneth Randall, Mrs. Oakes Lawrence, Mrs. Raymond McReel, Mrs. Frank Poland, Mrs. Gordon Fox, Mr. Wilbur Heath and Miss Mary Osgood, Librarian.

As in the past two years, purchases were made through the New Hampshire State Library Purchasing Department. The additional discount thus obtained allows Hall Memorial Library to acquire a greater number of books than would be possible if purchases were made through other channels. The number of books purchased in various classifications was:

Adult Fiction	14
Adult Non-Fiction	16
Junior-Senior High School	34
Juvenile	48

The largest and most important single acquisition, which was in addition to the purchases listed above, was the 1962 edition of the Encyclopedia Britannica and the Junior Encyclopedia Britannica. These fine, up-to-date reference works are an invaluable addition to our collection both for the student and the general reader, now and for years to come.

The Bookmobile visited Hall Memorial Library four times during the year, and approximately 1,500 books

were borrowed from its shelves. This resource is greatly appreciated for the number and variety of titles thus made available for local circulation.

Many fine volumes were also circulated through our library from the Shieling Trust, in cooperation with the public libraries of Bristol, Franklin, Canterbury and Belmont.

Partial re-roofing was the largest physical improvement made in the past year. Completion of this project is planned for 1963. Special thanks are due to the children of Mrs. Floyd Miller's sixth grade class for their fine gift of a new electric wall clock with a clear, easy-to-read dial. The purpose of this gift was to allow bus pupils to spend after-school hours at the Library without any apprehension about missing their bus rides; the increased number of children using the library facilities during these hours testifies to the clock's great usefulness.

We take this opportunity to make particular mention of the Used Book Sale sponsored by the Friends of the Library for the benefit of Hall Memorial Library. All books for this sale were donated; before the sale opened, librarians of Hall Memorial Library and local school libraries were invited to choose any books for their collections that they considered worthwhile additions. Prices at the sale were extremely reasonable (10¢ and 25¢) yet over \$100 was realized. This sum has been earmarked for some special improvement to the Library. The Friends hope to make the sale an annual event. The trustees would like to thank all those who donated books, time and effort to make the sale successful.

In closing, we must once again this year express our gratitude to the New Hampshire State Library for the

fine cooperation and assistance given to the Hall Memorial Library.

ANNUAL REPORT OF THE DISTRICT NURSE
Fiscal Year for January 1 to December 31, 1962

During this period the nurse cared for the following:
 1,863 nursing calls and 363 cases.

These were divided into the following:

	Calls	Cases
Home nursing	1752	307
New baby, prenatal & postnatal	61	31
Office	50	25

Health and Welfare Service:

	Calls	Cases
Adult	121	110
Infant and Preschool	67	49
Baby (Office)	14	14

Forty-one trips were made during the year taking patients to clinics or Doctor's offices.

Adult Sabin Oral Polio Clinics were held in June, July, and August. Over 400 attended the first clinic and over 300 the second and third.

State Triple Toxoid Clinics for the prevention of Diphtheria, Tetanus, and Whooping Cough were held at the American Legion Hall in October, November, and December, ages four months to seven years, sponsored by the School Department and the District Nursing Association. Thirty children were vaccinated and seventy-five received the Triple Toxoid.

The nurse assisted Mr. Bernard Chapman in sorting and delivering several Thanksgiving baskets of food donated by the Congregational and Methodist Sunday Schools.

Mrs. Thalia Coulter, R. N., substituted for the nurse for the month of August.

Mrs. Kathleen Hewitt, R. N., the School Nurse, and the District Nurse wrapped and distributed children's gifts at Christmas. A total of sixty youngsters were re-

membered in fourteen families. The teachers in Junior and High School gave \$24.00 and with a personal gift of \$7.00 toys were bought. Others were donated by the Lions Club, the Rotary Club, and the Future Homemakers. The latter also gave a big dinner to a family of seven. Other dinners were given by the Odd Fellows, the Elks, the American Legion, and the Salvation Army. Twenty-five more families or individuals were remembered in this manner. Four food baskets were given by the Woreco Club.

The many ways of friendly cooperation and assistance given this past year was appreciated. To list a few — the use of the Town Hall for the Adult Polio Clinics, the use of the American Legion Hall for the Preschool Clinics, and the many who willingly gave their time to work on these clinics.

My sincere thanks and grateful appreciation go to the fine people who have helped in so many ways throughout the past year, Dr. Frank Robinson, Dr. Archie Greivior, the members of the Tilton and Northfield District Nursing Association, the selectmen, and the residents of both towns.

Respectfully submitted,

I would like to thank the Firemen and Firewards for their cooperation during the year, 1962. I also want to thank the people whose homes we inspected, for the fine way that they cooperated with the firemen.

We now have a new fire truck, which we hope will give the towns of Tilton and Northfield better protection.

Chief George W. Bailey

WHEREAS,

**RESOLUTION IN MEMORIAM OF
MISS ANNA M. HUSSEY**

Moved that the following resolution be sent to the Hussey Family, printed in the local papers, and placed in the 1962 Tilton-Northfield Town Reports:

“The Tilton-Northfield School Board wishes to express its deepest sympathy to the family of Miss Anna M. Hussey, whose death on May 11, 1962 at an early age, deprived her home, our community and our schools of an outstanding Christian citizen and teacher.

We know that her excellent teaching and living example have been an inspiration to the children starting school, and her influence has reached all the children who attended our elementary and high schools.

Her dedicated teaching of our children for twenty-eight years has given them the proper start in their school life. Her results on standard tests for subject matter have been outstanding. She could take pride on the success of her pupils in grade school, high school, college, the armed services, and life. Her whole career of honesty, character and integrity will ever stand as a monument to high ethical standards among our children.

We especially take pride that this esteemed teacher was a graduate of our local grade school, Tilton School, and Plymouth Teachers College. We know that she refused offers in other communities and other states at greater financial rewards, because she could not bear to leave her home, her town and her children. She was a person who loved to teach and was proud that she was a teacher. She will always remain Teacher Emeritus to us and to the parents who each year wanted their child in her grade.

Such a teacher as Anna M. Hussey appears on the educational horizon only once in a generation. We and our children have been very fortunate to have enjoyed her teaching and cooperation these many years.

The quotation from *Life's Mirror*, Stanza I epitomizes her life:

'There are loyal hearts, there are spirits brave,
There are souls that are pure and true;
Then give to the world the best you have,
And the best will come back to you.' ”

Resolution passed at the Tilton-Northfield School Board meeting on June 4, 1962

TILTON-NORTHFIELD SCHOOL BOARD ACCEPTS ALFRED H. PUCCI MEMORIAL AWARD

The Tilton-Northfield School Board unanimously voted to accept the Alfred H. Pucci Memorial Award given by the Pucci immediate family consisting of — Mr. Alfredo Henry Pucci, Mrs. Alfred H. Pucci, Mr. & Mrs. Sebastian T. Pucci, Mr. & Mrs. Thomas R. Pucci and Mr. & Mrs. Richard A. Pucci.

The Master Trophy for this award is a beautiful trophy on which the name of the recipients will be engraved. This trophy will remain in the permanent possession of the high school and is now on display. The annual winner will also receive a miniature trophy and an Award Certificate. The Board voted that the award shall be made annually at the Graduation Exercises. The Pucci family Mr. Donald Piper, Principal of Laconia High School, make the presentation this year. He was Headmaster and Coach of Tilton-Northfield High School while Alfred H. Pucci was making one of the best records ever compiled as a school leader in class affairs, athletics, citizenship, character and good scholarship. He graduated with the Class of 1948 at Tilton-Northfield High School.

This annual award to keep alive the memory of the most distinguished alumnus of the high school as an inspiration to all the pupils will be made to a senior male who has to the best degree the character and integrity and school achievement closest to the record of Alfred H. Pucci. The Award will be decided by the Principal and teaching staff, and approved by the Superintendent and School Board Chairman. A record will be maintained at the High School office and the office of the Superintendent of the general record of this Memorial Award.

A copy of the Certificate giving the general history of the man whose memory will be honored annually, unless some year does not find a worthy recipient follows:

**THE ALFRED H. PUCCI MEMORIAL AWARD
YEAR
RECIPIENT**

This award is presented in memory of Alfred H. Pucci, class of 1948, who established an enviable record in character development, leadership qualities, scholarship excellence and athletic participation. He was an exceptional baseball and basketball player and was well known for his fine sportsmanship in all competition. His excellent school record was recognized by Tilton-Northfield High School where he was president of his graduating class and was the recipient of the Headmaster's Trophy.

Although his years following high school graduation were too few in number, he established a record of world service that is seldom equalled in such a short time. He was graduated from the University of New Hampshire and soon entered the service of our country as a Second Lieutenant in the U.S. Air Force. His distinct contributions at Wright Patterson Air Development center in the world wide field of Electronic Intelligence provided data that was significant to the National Defense Planning and Welfare of the United States. Much of his work which took him all over the United States and foreign countries was of a confidential nature which prevented wide-spread publicity; but most important was the fact that he continued being the same outstanding citizen for his country. His personal contacts were with some of the leading military men and scientists of the nation, and in every instance he was regarded with great respect and was sincerely loved by all those who knew him.

It is interesting to note that in his busy adult life, which included a position as college instructor, he continued to maintain interest and find the time to do volunteer work with young people interested in promoting their athletic abilities. He continued to be a leader

among men and youth. His untimely death removed an important servant from society.

To keep the memory of this person alive as an inspiration to the youth who follow, this trophy is, at this time, and will be in the future, awarded to a senior who can be looked upon by the community, the teaching staff and students as a person to be honored as having fulfilled these desirable qualities of athletic ability, leadership, scholastic achievement and outstanding character excellence.

The administration of this high school and assisting teachers have examined the graduates with great care so that the recipient will do creditable honor to the name of the person for whom this award has been established.

REPORT OF TILTON-NORTHFIELD SCHOOL BOARD

We were very pleased that Tilton-Northfield High School opened school as planned in September and that it was not necessary to make up time in June. Workmen were employed for several weeks after the start of school but did not interfere with school classes.

The School Board, the Building Committee and the Clerk of the Works spent the entire day of Saturday, November 16, in inspecting the building and developing a list of items not in accordance with the contract. A second inspection was held on Saturday, January 26, 1963. The Board has not officially accepted the building.

We are asking for a bond issue for the following purposes:

- (1) sidewalks; grading, leveling and filling; construction of a parking lot; and hard surfacing.
- (2) equipment for new addition, including new language laboratory, library, audio-visual, home economics, administration, new wood shop, mechanical drawing, pupil desks and chairs, agriculture, electricity, hand tools, stage curtain, physical education, business education, health room, science, glazetite for corridor walls, bleachers, and temporary stage.

The original bond issue of \$415,000 completed the building and purchased the following:

- (1) lockers
- (2) 129 pupil desks and chairs
- (3) 5 standard and 3 electric typewriters
- (4) Cafeteria tables, chairs and trucks
- (5) 25 modern typewriter desks
- (6) building of a temporary new road for school busses
- (7) new floor cleaning machine
- (8) electric light fixtures
- (9) 25 swivel typewriting chairs

- (10) curtains for the entire addition
- (11) complete equipment for the new cafeteria kitchen

The bond issue is recommended to spread the costs over a ten-year period rather than raising the cost of taxes by a great jump in one year.

The plan adopted by the Study Committee before the building was erected called for the development of a modern curricula along with the needed expansion because of overcrowding and larger enrollments.

We have added French 4 so that pupils may now take four years of French and two years of Latin. Electricity was added this year. This bond issue will allow us to add a second year of electricity, sheet metal, mechanical drawing for college pupils and general pupils, completely replace our old outmoded wood shop equipment, and equip the course in agriculture. The bond issue will add ten booths to our present ten and will give our pupils outstanding equipment for this modern method of teaching French.

Our school proposed budget for 1963-64 was adopted after four lengthy meetings. The greatest item in the budget is the item for Instruction, with its largest section the amount for teachers' salaries. These have been increasing annually because of the competition for teachers and the teacher shortage in special fields.

We are planning to develop a senior high and a junior high library and are requesting five hundred dollars for each library annually.

The cost of operation of the schools has increased. We believe it very necessary to add one custodian for the high school who will serve as a maintenance man for the three Tilton-Northfield schools during the summer and vacation months. This man could do a great many minor repairs that would keep the buildings in excellent shape.

The Union School Secretary is paid partly by the school lunch program. We believe that this should be

changed so that the entire salary would come from the district. This would financially help the lunch program.

Our budget includes 35 desks and chairs, 3 teachers desks, 1 motion picture machine and 1 duplicating machine for the elementary schools. It also includes 35 desks and chairs for the junior high school. We have included \$675.00 for the purchase of large musical instruments for the band. Our band program in all the schools is developing very rapidly.

We especially wish to thank the Tilton Lions' Club for its donation of the Titmus Optical Vision Tester. This very expensive equipment will be very valuable to our testing program in all three schools.

The Womens' Club of Tilton-Northfield has successfully operated its annual Dental Clinic from funds received from the Outgrown Shop. They deserve our appreciation for their continued efforts to improve dental health in the schools.

We wish to express our thanks to the Verham News and Mr. John Tomasi for the contribution of a magazine rack to our new Tilton-Northfield High School library.

We thank the Journal-Transcript for its annual achievement in securing funds for scholarships for graduates of Franklin High School and Tilton-Northfield High School and for its establishment of a permanent fund.

We thank the Benevolent Order of Elks for their annual scholarship for graduates of this area.

We thank the Tilton Rotary Club for cash scholarships for Tilton-Northfield High graduates and for its annually sending two high school youngsters to the United Nations at Plymouth Teachers College.

We wish to thank the American Legion Whitman-Davidson Post 49, the Garden Club, Stevens Mills, Friends of the Library, the Library Trustees, the Holy Name Society and all other local civic and professional organizations which have contributed scholarships, special gifts and assistance.

We thank Mr. Raymond McReel, Vice-President of the Citizens National Bank for his excellent management of our bond funds.

We wish to thank the Catholic Youth Organization for the gift of a character plaque to the High School.

We wish to thank the members of the Building Committee, Ernest Decato, Richard Pucci and Brackett Hill, for their hearty assistance and cooperation.

We thank our Superintendent, Principals, Teachers, Treasurer, Office Workers, Custodians, Cafeteria Workers and Bus Operators for their excellent cooperation.

We thank the Citizens National Bank, Iona Savings Bank, Gales Insurance Agency, Giles Dairy and Shepherd Funeral Home for their special gifts to pupils and teachers.

The Selectmen of both towns have continued to give us their very valuable support, cooperation and assistance.

We appreciate the excellent cooperation and encouragement received from the Town Budget Committees.

The people of Tilton-Northfield should be very proud of the excellent schools maintained by the taxpayers. The building of the Tilton-Northfield High School addition is a landmark in the educational history of this cooperative district. The new addition has relieved the overcrowded school and is leading to an excellent development of new curricula.

We request your help, your constructive criticism and your suggestions how we may continue to improve our schools and the education of our children.

Respectfully submitted,

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board, Parents and Voters:

The Tilton-Northfield School Board continued its excellent policy of a balanced fiscal budget, continued improvement of the schools, establishing policies for the advancement of education and purchasing a dollar's worth of education for every dollar provided by the taxpayers, the State of New Hampshire, and the Federal Government.

Tilton-Northfield Bus Limits

The Tilton-Northfield School Board adopted bus limits several years ago that are still in operation. A central point was used and all pupils living one mile from that point are entitled to transportation. The Bus limits are as follows:

Main (East)	William Foster Residence
Main (West)	City Service Garage
Winter	Calef Hill Road
Park	Corner Park and Summer
Sargent	Tilton School Athletic Field Entrance
Bay	Robert Elliott Residence

School Street Raymond Nudd Residence
Central Point Corner Winter and Main Streets

Tilton-Northfield gives far more transportation than is required by state law which provides that districts are required to transport pupils living beyond two miles from a school. High school pupil transportation is not required by law.

The School Board has also been very fair to pupils requiring special transportation for a period because of illness attested to by a doctor's certificate.
