# THE STATE OF NEW HAMPSHIRE

## TOWN WARRANT

To the Inhabitants of the Town of Troy in the County of Cheshire in said State, qualified to vote in the Town Affairs.

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the second day of March, next at 10:00 in for forenoon for balloting upon matters specified in Article 1, listed below, and you are hereby further notified to meet at the Troy Elementary School on Wednesday, the third day of March next at 7:30 PM to act upon the remainder of the listed Warrant.

Article 1. To bring in your votes for one Selectman for three years, and for one Selectman for one year, and all other town officers elected by ballot, as passed by Town Meeting, or State Statute for the specified number of years.

Article 2. To see if the Town will vote to raise and appropriate a sum of \$1,277,250, for the purpose of preparing plans specifications and constructing sewerage and sewerage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$1,277.250, under and in compliance with the provisions of the Municipal Finance Act (N.H. R.S.A. 33.1- et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Troy, and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251 et seq.) and pass any vote relating thereto.

Article 3. To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the design of, and construction of a sewage disposal system, and to authorize the Selectmen to borrow money in anticipation of said assistance as outlined in N.H. R.S.A. 33:7-b et seq., as amended, and pass any vote relating thereto.

Article 4. To see if the Town will vote to adopt the pro-

visions of RSA 252 (suu), with relation to sidewalks and sewers.

Article 5. To see if the Town will vote to authorize the Selectmen to take any and all such action as may be necessary to acquire whatever easements and lands as are required for the pollution abatement project. Further, the Selectmen are hereby authorized to employ whatever statutory provisions, including RSA 31:92-a, as are deemed necessary or desirable in order to secure the easements and lands required for the project.

Article 6. To see what action the voters wish to take upon the recommendations of the Budget Committee.

## SELECTMEN'S REPORT

---

Two of the four major projects which were authorized in 1973 and 1974 were completed this year: the tax map and substantial repairs to the Town Hall. John E. O'Donnell Associates are now updating the final revisions to the map as suggested at the public hearings held on January 26 and 27. We expect the tax map to be available for use by mid-February.

The remaining two projects, the Sanitary Landfill and the property reappraisal, are still being worked on. We have been assured by the authorities in Concord that the state assessors will complete the reappraisal in time for this year's (1976) property tax assessments. C. E. Maguire will be presenting a report on the Sanitary Landfill on February 12. The present town dump area has been approved as a Sanitary Landfill site by Thomas Sweeney, Director of Solid Waste Division, N. H. Department of Health.

The most pressing issue facing the Town of Troy at the annual meeting will be the proposed sewerage system. We hope every voter will give thoughtful consideration to this issue. It is a fact that the Town is under orders to stop polluting the South Branch of the Ashuelot River. It appears that the proposals advanced by C. E. Maguire specifically, tying in with Troy Mills on the treatment plant and the basic system, would be the most economical for the Town's interests.

If the voters will approve the necessary funds for town officers' salaries, we hope to have the Town Clerk-Tax Collector on a fulltime basis. The decision to employ any individual on the full-time basis will remain with the Selectmen.

The citizens of Troy are to be congratulated on the renewed interest in civic affairs which has taken place with the formation of the Bicentennial Committee, the Concerned Citizens Committee and the willingness of so many groups and individuals to work together on town affairs. It should be noted that Troy has been designated a Bicentennial Town and the Bicentennial Committee has received a grant to be used in compiling a historical brochure. A special vote of thanks ought to be given to the Committee which secured the services of Dr. Hamm.

We urge all who can to support the fund raising drive of the Troy Emergency Ambulance Service Inc. This dedicated group of volunteers, when successful, will have provided Troy with a service and a form of protection which is invaluable.

The Selectmen accepted with regret the resignation of John O'Brien, who has served the town for so many years in several offices.

Even in retirement he has continued to assist us.

Our law enforcement has been much more effective since late summer as the direct result of citizens' willingness to sign complaints and to appear as witnesses in court. Without this kind of support, there can be no effective law enforcement in this or any other town.

So many citizens have extended themselves to cooperate with Town officials that we are reluctant to single out individuals, but we must thank the members of the Fire Department especially for their work in taking the Town Census and Mrs. William Hyatt for her unpaid hours of work with the Police Department.

TROY WATER WORKS

---

We the commissioners, wish to express our appreciation to our water patrons for keeping your water bills paid promptly.

Again we lost our secretary treasurer and collector, Marilyn Woods. Constance Poirier has added this position to go with her other town work.

This year we hope to get on to correcting the water contracts with the water users. Your help in these corrections will be appreciated.

Under the Federal act of "Safety of Public Water Systems," we expect an expensive change in filtering and changing our water system.

We feel that soon we will have to raise our water rates to help offset this increase.

Again due to the high water in the fall, leaves and dirt washed into the reservoir, causing unpleasant odors in the water at times. We have raised our chlorine treatment of the water from .2 to .75 P.P.M.L. to be sure of the water safety factor. Our water continues at state test of less than .1 coliform count per 100ml.

Thank you

## REPORT OF THE TROY FIRE DEPARTMENT

At the end of the year we find our trucks and equipment in good condition with only minor repairs.

We are pleased to report that the Dept. escaped serious loss from fire this year. We feel this was because of the quick response and well organized Fire Dept.

We also want to thank the Boy Scouts for shoveling the hydrants this year. We know that it has been a problem because of the amount of snow that has fallen this year.

This year some members of the Fire Dept. and a few citizens of Troy have taken E.M.T. training to help on the rescue calls. With the extensive training they have had and working with the Fire Dept., we feel it can benefit the town in many ways.

This year we installed a new system on one of the trucks to fill our Scott Air Packs which is a great help to us.

The Engineers want to thank the Fire Dept. and the citizens of Troy in supporting the Fire Dept. and helping to prevent fires.

"Remember only you can prevent fires."

REPORT OF THE TRUSTEES  
OF THE GAY-KIMBALL LIBRARY

---

The trustees of the Gay-Kimball library would like to thank the following people for individual donations and gifts: The Audette Family, Mrs. Paul Breckell, Mrs. Katherine Chase, Mrs. George Foskett, Chris Johnson, Mr. William Morrill, Mr. and Mrs. John Morrison, Heidi and Kimberly Page, Mr. Clifford Vose, and Mr. Calvin Wilcox. Also

- to Jean Grant for a substantial donation of science fiction belonging to her brother, the late Lewis J. Grant and donated as a living memorial to his memory.

- to the Franklin Pierce library for books and supplies, especially pamphlet boxes to hold a five year back file of magazines and shelves temporarily loaned to the Troy school.

- a special thanks to Mrs. Shirley Lang, Rodney Page, and Mrs. Floyd Huckins for their donated time and hard work,

- to Henry Rantilla for donating his time to install the new emergency escape door leading outside from the cellar.

A Book and Bake sale was held during the summer co-sponsored by the Friends and the library. Boy Scouts raised the tent and carried cartons of sale books from the cellar to the lawn where the sale was held. Arts and crafts were also sold.

We were sorry to accept the resignation of Mrs. Marina Limoges who moved to Claremont with her family. She is again working at the Claremont library. Mrs. Paul Breckell was named to serve her place on the board.

We have completed the proposed New England Collection of books. There are several shelves of adult, non-fiction works pertaining to the area, particularly to New Hampshire in the non-fiction room. We also now have a reference section behind the check-out desk for easier access to reference materials. (including maps)

Ann Scheid, our librarian, has reported that several projects have been completed: A corner in the children's room downstairs for beginning readers and elementary level non-fiction books; a new coat of paint on the inside and outside trim of the library; portraits of Dr. Stone and Mrs. Wright, a former long-time teacher at the Troy School have been located in the reference area; and a display area in the non-fiction room has been made. Some books kept downstairs have been moved to a drier area upstairs. A new movie projector was purchased with Revenue Sharing Funds.

Some of the intended projects for next year include a new card catalogue to facilitate getting books from the children's room and also the purchase of a new set of encyclopedias.

Circulation figures to date:

Cassettes 42  
Magazines 274  
Records 186  
Children's books 1915  
Adult non-fiction 1272  
Adult fiction 1386

During this past year, we, as a normal, average small community, as many other communities in this country, experienced as though we were singled out to be plagued with various disorders, including among other things, a major labor dispute.

This caused unrest within the town. These related incidents changed the complex of this Department. While being a small Department, we did not have the equipment, versitilities or the manpower to cope with these problems. These incidents necessitated a co-operative effort from volunteers and other departments to fulfill our obligations to you, the people, while still bearing in mind our Department budget.

If you can, imagine this community supporting a department as large as the Keene Police Department, with as little equipment that this community has. This was accomplished, but only through the flexibility, reliability and friends of other departments, and by

many who donated many hours of labor, use of vehicles, use of equipment and knowing the lack of financial support we had.

Then the citizenry of Troy, the so called "Silent Majority" coming forth, speaking out and appearing as witnesses, has been instrumental in accomplishing better prosecution and results in our court activities, and in eliminating a great many problems that existed, and have existed for many years.

I certainly want to thank the people for their efforts in developing a better community to allow the pursuit of peace, tranquility and happiness as everyone deserves.

We would especially like to thank Mr. Robert Harkins for his time, effort and support to this Department, and for being the one instrumental in the creation of the EMT group, an action making this community a better and safer place in which to live.

Respectfully submitted,

Nelson E. LaFreniere  
Chief of Police

Due to recent Supreme Court rulings, and Federal Fund eligibilities in regards to the Welfare Program, it is going to be a necessity to develop **uniform standards** to assure everyone an equal and impartial opportunity.

Respectfully submitted,

Nelson E. LaFreniere  
Chief of Police

TROY VISITING NURSE ASSOCIATION

---

The services provided by the Troy Visiting Nurse Association include skilled nursing care and treatment and Occupational Therapy for patients after returning to their homes from hospitals. This home care is provided for the convenience of the patients so they do not have to travel to and from a hospital or Doctor's office on "Out-Patient" status. The nurse is instructed by a patient's Doctor as to the care that patient is to get in their home. A fee is charged for this service and in some cases, where warranted, this fee is covered by Medicare or Medicaid.

In accordance with State Public Health policies, visits are also made to individuals at no cost for the purpose of Health Supervision and providing pre-natal, post natal and adult health advice.

Immunization clinics have been held every year, but in the past year or so have not been very successful. We would like to try one more time to hold a successful immunization clinic in this area since this type of clinic is most important to the good health of children in the Troy-Fitzwilliam area.

The total number of visits made in the Troy-Fitzwilliam area for the year 1975 is 901; 511 being made in Troy and 390 being made in Fitzwilliam.

## TROY WAR MEMORIAL

---

To the Taxpayers of Troy

The summer recreation program began its season on the 24th of June and ran through the 22nd of August. Mornings were set aside for swimming lessons and water safety classes, for a total enrollment of 137 children. Swimming tests were given on Friday as needed. The afternoons were used by the instructors for organized athletics, softball, baseball, volleyball, basketball and tennis. Also recreational swimming and boating. A few field trips were held on Friday.

The complete program was supervised by five qualified instructors, with safety of the children their most important responsibility.

About 90% of the sports and recreational equipment had to be replaced or repaired and should last with the proper supervision and care.

A chain link fence was installed around the basketball court, and a few log and plank barriers placed on the foot paths to stop the damage being done by vehicles that raced through the area.

For residents of all ages, the tennis courts proved to be the big attraction, and again this year we will open them up as soon as possible in the spring and turn on the night lights, so they can be enjoyed by all.

The War Memorial Committee feels that a big improvement has been made in the complete recreation area, landscaping, trees planted, brush cut, swimming area cleaned and a general improvement in the looks of everything.

Much of this is due to Robert Judd who took a personal interest in the complete recreation area. Although he worked there, many hours of his own time were put in insuring that the area was kept clean and that vandalism was kept to a minimum. We thank Clarence Baird for his time and equipment and Cleon Rouleau for his donated labor. Also Bert Lang for repairing the playground equipment and Harold Newell for rebuilding the benches.

Many others helped and we thank them.

We hope and plan to have a good program this year for the children; to fence in the ball field at the sand dam; and to develop two more ball fields on town property off Marlborough Rd. for the use of all teams in Troy, young and old.

Respectfully submitted

William R. Matson  
Committee Chairman

## TROY BOARD OF ADJUSTMENT

---

Upon passage of the Troy Zoning Ordinance the Board of Adjustment was formed in accordance with the laws of the State of New Hampshire.

The duties of the Board of Adjustment as mandated by New Hampshire State Law and in accordance with Troy Zoning Laws are to hear and decide appeals where it is alleged there is an error on a determination made by an administrative official or in enforcement thereof, or to hear and decide special exceptions and variances. Because of special conditions, a literal enforcement of the provisions of the Troy Zoning Ordinance will result in unnecessary hardship, and so that the spirit of the Zoning Ordinance shall be observed and substantial justice be done.

Five members were appointed by the Selectmen for a term of five years.

Regular public meetings are held on the second Tuesday of the months of April, July, October, and January at 7:00 P.M. at the Town Hall. Special meetings and hearings will be announced.

Rules of the Board of Adjustment are available at the Selectmen's Office.

## TROY PLANNING BOARD

---

During the past year the Troy Planning Board approved 9 subdivisions in the township. The year 1975 has been a busy one and the Planning Board as well as many others has worked toward the betterment of Troy. The Southwestern New Hampshire Regional Planning Commission has again this year been very helpful and the knowledge we have gained from them has been put to good use.

The present members and their terms are:

William Syrjamaki	1981
Robert Eisele	1980
Josephine Audette	1979
Fred Singleton	1978
Elaine Hyatt	1977
Chester Priest	1976
William Matson	Selectmen's Representative

The Planning Board regularly meets the first and third Tuesday of each month at 7:30 p.m. in the Twon Hall. Residents of the town are always welcome.
