## Report of Solicitor

---

TO THE COUNTY COMMISSIONERS :

In compliance with the law, I herewith submit my report as Solicitor for the second year of my term as such.

At the May term there were found eleven indictments, eight of which were for breaking and entering, one for receiving stolen property, one burglary, one attempted rape and one indictment for the illegal sale of liquor was brought forward from the May term and disposed of. Sentences commensurate with the offence were imposed in each case.

At the November term there were also found eleven indictments, including two for perjury, two for illegal liquor sales, one assault with intent to kill, three for breaking and entering, one aggravated assault, and two for grand larceny. Pleas of guilty were accepted in all but one case, and substantial sentences imposed. The assault case was tried by the jury and resulted in a disagreement. The respondent is out on bail.

I have appeared many times in the three District Courts of the County, prosecuting minor offences and the illegal sales of liquor.

Respectfully,

WM. J. BRITTON, Solicitor.

### Auditor's Report

The undersigned Auditors of the County of Carroll certify that we have examined the foregoing accounts of the County Commissioners, County Treasurer and Superintendent of the County Farm from January 1 to December 31, 1914 and find them correct and supported by proper vouchers.

For the receipts and disbursements we refer to the accounts of the County officers herewith published.

Ossipee, Jan. 12, 1915.

H. B. COTTON,  
FRANK WEEKS,  
County Auditors.

### Chaplain's Report

The stated monthly services at the County Farm have been held since their opening, with such variations of date as conditions advised. A few services have also been held in the jail, with the addition of a recreation lecture. The chaplain has endeavored to supplement the literature of the jail by additional suitable reading matter and to give such personal service as a pastor may. Funeral services have been attended.

Respectfully submitted,

## AID TO PERSONS QUARANTINED.

It sometimes becomes necessary to assist a family when quarantined on account of scarlet fever, diphtheria, etc, by

reason of its being deprived of the opportunity to earn wages or from other causes, and to provide for which the following law was enacted by the legislature and approved March 11, 1899.

SECTION 1. Whenever any person or family is placed in quarantine by a board of health, to protect the public against small pox, scarlet fever, diphtheria or any other dangerous, infectious or contagious disease, it shall be the duty of said board to assist such person or family while in quarantine in such a manner as in the judgment of the board may be deemed wise and necessary.

SECT. 2. All expenses thus incurred, or such part thereof as the board may determine, shall be deemed a legitimate expenditure for the protection of the public health and shall be charged to the account of incidental expenses, but not to any indigent pauper account, nor shall such expenditure be construed to mean a public aid to the person or persons quarantined and assisted unless such person or persons are already paupers as defined by the Public Statutes..

The above law would seem to solve, in a thoroughly satisfactory way, a question which heretofore has been considerable of a problem in some localities. The entire matter is left to the judgment of the local board of health, and whatever aid the board may deem to be wise and necessary to extend to the families in question must be paid by the town and charged up as provided for in section 2.
