REPORT OF SUPERINTENDENT

To the School Board of Eaton:

It was fortunate that Mrs. Mabel Linscott of Brownfield was willing to teach until Christmas recess, and she plans to return as early in March as traveling conditions permit. Mrs. Alice Merrow of Center Ossipee is substituting for the present.

The problem of housing the number of pupils in Eaton is not improving. I recommend that a complete census be taken next September so that the approximate number who will enter school for the next five years will be known. This year there are 33 in grades 1-6, and 6 are now attending grades 7-8 in Conway. Only 3 are in grade 6, and there may be as many as 9 enter next September. No complete educational program can be carried on with more than 30 in a school of six grades. The problem is one of a building program, or continued transportation.

The teacher shortage continues as the two Teachers Colleges combined graduate less than 20 elementary teachers. Salaries increase along with a national demand by organized labor for higher wages.

It is highly gratifying that the average attendance has improved. The increased transportation service may be a factor in this. It is gratifying, whatever the cause, because the State Aid is partly determined by the average daily membership.

The per pupil cost for elementary education paid by Eaton in 1945-46 was \$107.93 as compared with the State average of \$109.11, and the cost in Conway of \$86.02, in Chatham of \$134.73, in Madison of \$121.14, and in Freedom of \$179.15.

The pupils from Eaton attending high school are

Carl Bean, grade 11

Bruce Head, grade 11

Carolyn Bean, grade 11

Paul Bean, grade 10

I thank you for your help which has made my work easier and more enjoyable.

Respectfully submitted,

HAMMOND A. YOUNG
