Goshen's New War Memorial

Pictured above is the new war memorial dedicated in November 1953 by the Town of Goshen in memory of John Pikielney who gave his life for his country in World War II and honoring those Goshen men and women who served their country in World War II and the Korean Conflict. Funds for the beautiful stone monument were raised by local schoolchildren, townspeople, Summer residents, and Goshen organizations.

GOSHEN VOLUNTEER FIRE DEPT.

We wish to report that we have completed another successful year under the very able leadership of Chief Charles Abbott.

The department was called out eight times for local fires, and in addition the entire department worked in some capacity on the Grantham fire.

It is with some pride that we now can report a total of 800' of 1½" hose and 600' of 2½" hose. Also we have purchased a new portable pump. This now gives us three pumps. One on the truck and two portables, which gives us a much more efficient fire fighting unit.

Through money raising activities the department was able to raise \$569.78 in addition to the funds appropriated by the town. Also \$100.00 was donated by the Ladies Aid Society of Goshen.

Respectfully submitted,
G. H. Dickerman, Secretary

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Goshen qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the ninth day of March, 1954, at two-thirty o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to raise and appropriate, in addition to the original appropriation for 1953-54, a sum of \$3,503.57 to be made available to the school district prior to July 1, 1954.
9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
10. To see if the school district will vote to petition the State Board of Education to become a part of a cooperative school district of the region comprising Goshen and Lempster to provide for the educational needs and services of all elementary and secondary school children.
11. If the preceding article is adopted, to see if the district will elect two representatives to serve on an Interim Committee who shall prepare a financial budget for the operation of the proposed cooperative school district, and include in the organization warrant an article calling for an appropriation for the operation of the proposed cooperative school district during the first year and such, other items

of business as need to be acted upon at the organization meeting.

12. To see if the district will vote to authorize the school board and committee to continue to investigate present and future school needs, and pass any vote relating thereto.

13. To see what sum of money the district will vote to raise and appropriate for the preliminary study and sketches if the committee deems advisable.

14. To see if the district will authorize the school board to appropriate receipts from federal lunch reimbursements, tuition, gifts, and any other receipts from miscellaneous sources, in addition to the original appropriation for 1954-55, for the lunch program, general expenses, equipment and improvements.

15. To transact any other business that may legally come before this meeting.

Given under our hands at said Goshen this 19th day of February, 1954.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Goshen, I herewith submit my second annual report as Superintendent of Schools:

Miss Dorothy Laughlin was employed to replace Mrs. Myrtie Starkey in the Village School. Miss Laughlin has had several years' experience and is teaching the fundamentals very effectively. Mr. Kathan has continued to lead the boys and girls at the Corner School in many activities, and yet has not neglected to teach the required subjects thoroughly.

Several improvements have been made at the Corner School. Installation of a sink and running water, and a new stove for the hot lunch program, have proved most useful. A few new desks were purchased and floors refinished.

It is well for Goshen to re-evaluate its school housing needs at this time. The census report appears to indicate that it may be necessary to provide an additional room, or to place six grades in one building and two in the other. This would make it more difficult to teach effectively and thoroughly.

The buildings and the sites do not lend themselves to expansion easily. Provision of modern facilities would be expensive. With these and other factors in mind, the school board asked a few citizens to

study the problem with them. These two groups, in conjunction with the superintendent and a similar group from Lempster, have met several times, interviewed architects and selected E. H. and M. K. Hunter, architects of Hanover, to study and prepare preliminary sketches of a proposed consolidated school. This school would serve the two communities, and make it possible to provide a better educational program for the boys and girls of both communities. Music, hot lunch, physical education, health and supervision are a few of the programs that would benefit under such an arrangement.

I urge you, as voters, to support the decision of the school board and building committees to consolidate and build one school. It is the considered opinion of this group that it is financially sound to take this progressive step for the improvement of education of the boys and girls of Goshen and Lempster.

I wish to thank the teachers for their continued efforts to teach effectively and to improve their own training. I especially wish to thank the members of the school board for their support and assistance in carrying out my regular duties. The committee members have given generously of their time and efforts in studying our common problems.

I am looking forward to further assisting you in your undertakings. I am confident that you will provide the best facilities you can afford to assist the boys and girls in preparation for life in this competitive society of ours.

Respectfully submitted,
RALPH H. MEACHAM, Superintendent

SCHOOL NURSE'S REPORT

Good health has been defined as "a state of complete physical, mental and social well-being and the foundation of joyous, zestful living." This is the goal for which we are striving in our school health program.

Our school health program is carried out through the cooperation of the state, the local administrative staff of the schools, the teaching personnel, the parents, the pupils and the school nurse.

Our first concern is for the physical well-being of our children. The child who has some physical defect, no matter how minor, and is not given the benefit of needed medical care, certainly cannot be the happy child we would like him to be.

Routine inspections which are conducted in every school by your school nurse serve as a screening. These inspections consist of heights,

weights, general condition, appearance, vision and hearing tests. If any defect is observed, a notice is sent home to the parents of the child. These notices in no way serve a diagnostic purpose. Your school nurse reports symptoms only. A reply to the notice, by the parents, is most desirable. If no reply is made, or if the parents request the nurses's assistance, she in turn makes a home visit to determine how she may best assist the parents in obtaining care for the child.

Many organizations—federal, state, and local service organizations—stand ready to help in providing the necessary care for our children. If financial assistance is needed for eye care, service organizations such as the Rotary and Lion's Clubs are very generous and helpful. The Sight Conservation Program, which is sponsored by the State Department of Public Welfare, is also available. Our same service organizations are also very interested in our hearing difficulties. There again, state assistance is available through the Crippled Children's Services. If the loss of hearing is due to a congenital abnormality which may be corrected, Crippled Children's Services will authorize treatment. Funds for hearing aids are not available through this service. We are dependent upon the N. H. Hearing Society, welfare agencies and service organizations for assistance in the purchase of hearing aids.

In the case of the retarded child or the child who has great difficulty in adjusting himself to school and his environment, the Child Guidance Clinic, under Dr. Philbrick, is available as a diagnostic clinic.

These are only a few of the many agencies which stand ready to assist our children whenever the need arises. They assume a share in the responsibility of keeping our children healthy, happy and well-adjusted.

The cooperation of each one of us is the important factor in the success of our health program.

In conclusion, I would like to thank each one of you for your interest and your help in carrying out this important program.

Respectfully submitted,
FLORENCE MACIVER, School Nurse
