# ANNUAL REPORT

OF THE

## COUNTY COMMISSIONERS.

---

TO THE CITIZEN OF THE COUNTY OF HILLSBOROUGH:—

Agreeably to the laws of the State of New Hampshire we submit the following report for consideration, also the reports of the Superintendent of the County Farm and Almshouse, Chaplain, and Physician of the Almshouse, County Treasurer, Clerk of the Court, Solicitor, Sheriff, Jailor and Auditors; with a copy of the proceedings of the County Convention:

### COUNTY FARM AND ALMSHOUSE.

By referring to the Superintendent's report, found elsewhere, it will be seen that the products of the County Farm would have been very satisfactory had not the apple crop proved a failure and the loss of nearly all of the potatoes raised, by disease, thereby reducing the income several hundred dollars and increasing the price of the board of inmates per week in proportion.

In our last report attention was called to the condition of the County buildings at Wilton. Since then a committee chosen by the County Convention have visited them and made a thorough investigation of their condition; the report of that committee and the comments of the public press are so familiar to the citizens of this county that further remarks by us seem unnecessary.

Nevertheless the fact remains that new buildings with modern improvements are actually needed to meet the demands of the increasing number of county paupers and maintain a suitable house of correction.

The Superintendent and Matron, Mr. and Mrs. Garvin, claim our thanks for their good management of the institution and kindness to those under their care. The school connected with the institution indicates that much care has been taken in the selection of teachers, and there is no attempt at exaggeration when we claim that the school at the almshouse compares favorably with the schools in the County of Hillsborough.

Rev. T. O. Harlow and C. E. Higgins, M. D., Chaplain and Physician of the institution, have rendered faithful service in their official duties to the inmates.

The subordinate officers connected with the farm and almshouse have shown commendable effort to render good service to those by whom they are employed.

The present financial condition of the county, owing to the yearly increase of expenses, exceeding the appropriation, is not in as good condition as the Commissioners could wish. The advisability of bonding the floating debt was suggested to the County Convention, but other matters so engaged the attention of members that the interests of the county did not receive the attention that their importance seemed to demand. The aggregate expenses of the pauper and other departments coming immediately under the management of the Commissioners are several hundred dollars less than the preceding year.

The citizens of the county are respectfully solicited to visit the county almshouse and farm, and personally inspect the location, condition and management of the institution.

#### JAIL.

The average weekly number of inmates and the expenses of the jail have been less than last year.

The Jailor and Mrs. Wadsworth have maintained their for-

mer reputation and claim the thanks of the Commissioners for the respect they have received when visiting the institution.

WEBSTER C. BROWN,  
JOHN F. CLOUGH,  
BENJAMIN G. HERRICK,  
County Commissioners.

## SUPERINTENDENT'S REPORT.

---

TO THE HONORABLE BOARD OF COMMISSIONERS FOR HILLS-  
BOROUGH COUNTY :

*Gentlemen* :—It again becomes my duty to report to you the condition and wants of the Institution under my charge.

Upon the Farm there was raised the usual amount of produce, with the exception of potatoes and apples. Never have I seen a field of potatoes, that in the middle of the season indicated a larger yield, but when we came to dig them, our hopes fell. Upon exposure to the air they were so diseased they immediately commenced to decay, and although we had a fine yield, but a very few bushels were fit for use.

The apple crop was also a failure; where we should have had five or six hundred barrels we did not have twenty. I can give no reason for the failure, as the trees are young and thrifty.

The number admitted to the Institution was a little larger than the year preceding, but many of the inmates remained shorter terms, thus reducing the number of weeks board.

My remarks in last year's report, regarding the water supply, were evidently misconstrued. When I said "the water supply was never so abundant, nor the flow so sure as at the present time," I had no thought of conveying the idea that we had a sufficient supply of water to be any protection in case of fire, nor have we any apparatus for extinguishing a fire, should one unfortunately occur.

The Almshouse and Farm have been the subject of individual and newspaper criticism for many weeks; still, as you must be aware, some of the real needs of the Institution have not been spoken of.

The building erected, and intended for a home for aged

married couples, has from necessity been for a long time used as a laundry. The basement is full of machinery including a small steam engine. Shafting is fastened to the floor directly under the rooms occupied by the old people, and a constant jar is the result. Directly over their heads is the schoolroom, and from thirty to forty children are running up and down the stairs many times each day. Quiet and freedom from noise is impossible in that building. My idea is it should be devoted to laundry purposes, and the school and old people located somewhere else.

We have no means of giving to obstetrical cases the privacy they demand. There were seventeen cases of child-birth in the Institution last year, and the seclusion and quiet that patients at such times require cannot be had with the accommodations at our disposal. I also consider it necessary that proper rooms should be provided where patients suffering from scarlet fever, measles or other contagious diseases could be separated from the other inmates.

I would also suggest that some enlargement of the nursery be made in order that the children who are in good health can be separated and kept from constant association with those who are afflicted with diseases inherited from diseased parents.

We desire to express our thanks to the S. S. Society of Bennington, N. H., for a gift of \$10.22 last year, and \$10.00 the year before, the money to be expended for Christmas presents for our children. We also thank all who have in any way contributed either by money or otherwise towards the happiness of the inmates.

In closing, allow me, gentlemen, to thank you for the many friendly words and acts that have been extended by your Board during the year just closed.

Respectfully submitted,

J. GARVIN, SUPT.

WILTON, May 1st, 1891.

## PHYSICIAN'S REPORT.

---

TO THE HONORABLE BOARD OF COMMISSIONERS FOR HILLSBOROUGH COUNTY:

*Gentlemen*:—During the year ending April 30th, 1891, the health of the inmates of the Hillsborough County Almshouse has been fairly good, there having been much less sickness than during the previous year with its epidemics of scarlet fever and influenza.

The same necessity exists for increased hospital accommodations.

The condition of the nursery leaves much to be desired, it being badly located and poorly ventilated.

There is great need of an additional ward specially constructed for the violently insane.

I take pleasure in thanking the superintendant, matron and various officers for the many kindnesses shown me and for their assistance in the discharge of the duties connected with my position in this institution.

Thanking you for your courteous treatment this report is respectfully submitted.

## CHAPLAIN'S REPORT.

---

TO THE HONORABLE BOARD OF COMMISSIONERS FOR HILLSBOROUGH COUNTY :

*Gentlemen* :—There have been in my care during the past year the religious services held as usual at the County Farm on the second and fourth Lord's day of each month ; also funeral services from time to time, beside pastoral calls which I have made I think with profit.

I have noticed with gratitude toward those in charge of the institution, the good attendance also the good order and quietness prevailing at the Sunday service.

I feel that these services have not been in vain, but that they have been designed to incite some to greater usefulness in the Lord's service, to convict others of sin that they may turn from the error of their ways into paths of rectitude and righteousness. We cannot tell how much good a word spoken in kindness may do, but we leave the seed thus sown with the Almighty. "Paul may plant, Apollos may water, but God giveth the increase."

These services held twice a month are none too many for these people thus shut in, and I would express the wish that a more suitable chapel could be arranged.

I desire to show my appreciation of the sweet religious influence of the matron over these inmates, none can help feeling drawn to a higher and nobler life by her being among them.

The school, it seems to me, must prosper in the hands of the present instructor. I would thank all who have assisted me in the discharge of my duties, and especially the Superintendent under whose care I feel that the Institution has prospered.

Respectfully submitted,

T. O. HARLOW, Chaplain.

## SOLICITOR'S REPORT.

---

TO THE HONORABLE BOARD OF COMMISSIONERS FOR HILLSBOROUGH COUNTY :

*Gentlemen* :—I herewith submit my annual report as Solicitor of Hillsborough County for the year ending May 1, 1891. During this time I have received no money belonging to the County, all fines and fees having been paid to the Clerk of the Supreme Court.

The civil suit of the County against the Town of Brookline to recover some six hundred dollars paid for the board Catherine Rockwood at the Asylum for the Insane is still pending.

At the beginning of the year there were twenty continued criminal cases on the criminal docket of this County. To this number there were added during the year by indictment one hundred and eighty-two, and by appeals from justice and police courts nineteen more, making in all two hundred and twenty-one cases upon the criminal docket in this County during the past year.

These cases have been disposed of by trial and otherwise, with the exception of about seventeen cases which have been continued at the March Term of the Supreme Court in this County.

May 1, 1891.

ROBERT M. WALLACE,  
Solicitor

JANUARY 14, 1891.

In accordance with the requirements of the statutes of the State of New Hampshire the representatives of the towns of Hillsborough County met in the Hall of Representatives on the 14th day of January instant—after the morning session of the Legislature.

The convention was called to order by Cyrus A. Sulloway of Manchester; Isaac L. Heath was chosen chairman of the convention for the ensuing two years.

On motion of Loring B. Bodwell of Manchester, James G. Taggart of Goffstown was chosen clerk of the convention for the ensuing two years; James G. Taggart appeared and took the oath of office before Cyrus A. Sulloway of Manchester as required by law.

On motion it was voted to adjourn to meet at the call of the chairman.

Clerk of the Convention, Jan. 14th, 1891.

JANUARY 27th, 1891.

The convention met at the call of the chairman and was called to order by him in the Hall of Representatives at one o'clock in the afternoon. The report of the County Commissioners for the year ending 1891 was laid before the Convention. The same board also recommended the amount necessary to defray county expenses for the years 1892 and 1893.

County Treasurer Edwin F. James then addressed the Convention on behalf of the commissioners, explaining the increased expenses incurred in many directions, as also making such suggestions as he deemed advisable as to the indebtedness of the county and the best method of floating the same at a reduced rate of interest.

On motion it was voted to choose a committee of five to take into consideration the recommendation of the commissioners as well as other matters concerning the finances of the county. The following named Representations were elected to serve on the committee: Geo. A. Wason, New Boston; Samuel W. Holman, Hillsborough; John W. Conner, Nashua; James L. Hardy, Wilton; John M. Kendall, Manchester.

Adjourned to meet at the call of the chairman.

JAMES G. TAGGART,

Clerk of the Convention.

FEBRUARY 10th, 1891.

The convention met at the call of the chairman and was by him called to order in the Hall of Representatives on the 10th day of February inst. After the morning session G. A. Wason of New Boston as chairman of sub-committee on finance reported progress and moved that a committee of ten be elected from the floor to visit Hillsborough County Farm and examine buildings and report to this convention as to advisability of making further improvements on the same as well as the matter of changing the location of farm to some other point. The following named Representatives were elected to serve on the committee: G. A. Wason, New Boston; C. T. Lund, Nashua; J. G. Taggart, Goffstown; J. W. Hunt, Nashua; H. J. Hatch, Manchester; A. H. Williams, Manchester; J. L. Hardy, Wilton; F. L. Center, Litchfield; J. W. Mears, Manchester; C. W. Conn, Hillsborough. It was afterwards voted to add two more to the committee, making it consist of twelve, when the following Representatives were elected: Chas. Scott, Peterborough, F. A. Rich-

ardson, Lyndeborough. It was then suggested that this committee visit the County Farm at Wilton on Feb. 14th. This suggestion was afterwards agreed to, and the convention then adjourned to meet at the call of the chairman.

Clerk of the Convention.

FEBRUARY 10th, 1891.

Agreeably to previous arrangements the committee of twelve named in previous report, visited the Hillsborough County Farm at Wilton on Feb. 14th, the trip from Manchester to Nashua being made on a regular train, from Nashua to East Wilton a special car was provided. In due time we arrived at Wilton when we disembarked, taking conveyance in sleighs provided by Superintendent Garvin. Soon after arriving at the farm a formal meeting of this committee was held in the Superintendent's office, the same being called to order by G. A. Wason, of New Boston, when upon motion J. G. Taggart was elected clerk of special committee. The committee with members of the press and invited guests were then invited to partake of a very elaborate and substantial dinner which was served with most excellent taste; after doing ample justice to which, the buildings were all carefully examined in order to ascertain as correctly as possible their adaptation to the purposes for which they are used as well as to suggest any improvements or additions which would seem to be required. It was incidentally observed that cleanliness was a maxim with the matron and her assistants in all the departments which came under her supervision. The sanitary surroundings, owing to imperfect drainage and a still poorer sewerage system, seems to be, and was decided by the committee to be, very faulty.

A true record, attest :

JAMES G. TAGGART,

Clerk of the Convention.

FEBRUARY 17th, 1891.

The special committee to visit and examine County Farm buildings met at 2 o'clock in the afternoon in room No. 7, State House; this meeting was called by the chairman of the special committee and was by him called to order. A communication was received from the County Commissioners in which it was estimated that twenty thousand dollars would be needed to put buildings in suitable condition and for necessary improvements within the next two years. A vote was then taken upon the advisability of changing the location of the County Farm, eleven of the committee voting in the affirmative and one in the negative, with the understanding that it is deemed inexpedient to divide the County. Adjourned to meet at the call of the chairman of County delegation.

Clerk of Convention.

FEBRUARY 24th, 1891.

MARCH 31st, 1891.

The Convention met in the Hall of Representatives March 31st instant, at 2 o'clock in the afternoon, at the call of the chairman and was called to order by him.
