REPORT OF FULLER PUBLIC LIBRARY

We submit herewith report of the Fuller Public Library for the year ending December 31, 1953.

We wish to express our appreciation for all books and magazines given to the library.

During the year the sale of books has amounted to nearly thirty dollars. The circulation of books has increased by more than 800 over the previous year.

The Library Teas held once a month have increased in popularity. The July Tea was held during the Pierce Centennial celebration. Miss Susan Pierce was the speaker and sixty-two were in attendance. We were honored in having Evelyn Eaton, author of over one hundred books as speaker at the September Tea.

We are pleased to announce that during 1954 a story hour will be held each Saturday morning at the Library. This is sponsored by the Fortnightly Club, and a different member will tell stories each Saturday morning.

SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Hillsboro:

I am pleased to submit herewith my third annual report as Superintendent of Schools.

This year our enrollment has increased by 18 in the high school and 10 in the elementary school. Next fall we expect over 50 children will enter the first grade and that there will be an increase of 12 in the high school. This will require an additional teacher in the elementary school and greatly complicate the operation of the high school without additional rooms or teachers.

Enrollment (Sept.)	51-52	52-53	53-54	54-55
High School	131	125	143	We
Elementary School	290	327	337	Expect
Total	421	452	480	Over 500

During the summer a new principal was elected and five teachers were replaced. Sergius Bernard, who had been principal of the Hillsboro Schools for seven years, resigned to accept a position as superintendent of schools at Hampden, Mass. Louis Shopes, who had been commercial teacher and coach for many years, left to take a position in the schools of Rochester, N. Y. James Bosco resigned late in the summer to become instructor of physical education and assistant coach at the University of Southern Illinois. Mr. Calkins, Mrs. Seifert, and Mrs. Vaillancourt are not teaching this year.

The principalship has been filled by Norman Hartfiel who held a similar position in Warner and Morrisville, Vt. Our new coach, William Hoban, comes to us from Franklin. Miss Margaret Larkin formerly taught in Lebanon and Goffstown. Miss Pauline Whitney, who teaches one of our fourth grades, taught at Tilton-Northfield for many years. Marguerite Worth graduated from Keene Teachers College last year and is teaching our Home Economics.

During the summer the playground was improved by extending the pipe which carries our brook underground by about 100 feet. A new drainage system was installed between the school and playground. A new merry-go-round and several swings were added to our equipment.

The operation of the high school was improved by the installation of an automatic Program Timer and heat control.

Mrs. Anna Bailey, R.N., continues her excellent work as school nurse. Hillsboro can justly be proud of the health services provided for its children. This year every pupil in

school was examined by a doctor and all defects were reported to parents. Each child had his hearing tested and the three found to be deficient were taken to a specialist for further examination or treatment. The usual dental clinic was held by Dr. Harvey Grimes where 201 pupils had dental work done and 226 were given a series of four Fluorine treatments. This dental work was done mostly in grades 1 through 7. Another year we hope to be able to extend this work through the high school.

This year, for the first time, Group Accident Insurance has been made available to the parents of Hillsboro students at a very reasonable cost.

This year there was a very gratifying response to our effort to prepare first graders more thoroughly for entering school. A hand book was sent out in May to the parents of all children expected to enter school for the first time in September. In response, practically every child had his booster shots against whooping cough, diphtheria, and tetanus, every one was vaccinated against small pox, and 45 children came to our pre-school registration.

In the years just ahead, Hillsboro, like most other towns in the U. S., will have to study ways to provide for their ever expanding enrollment. If several towns could pool their efforts in this direction, a better education for less cost per pupil could be had. Committees have been at work during the year examining the possibility of such cooperation. Regardless of the results of these studies Hillsboro will have to do something before September, 1955 when our present 7th grade of 48 will enter high school. Hillsboro High School was built in 1926 and housed grades 9 to 12. In 1943 the 7th and 8th grades were moved to this building. In 1952 alterations were made to use the high school space more efficiently and the 6th grade was moved into the high school building. By the fall of 1954 one 5th grade will have to be moved into the old building. If we wish the program of education as we have known it, to continue, there is a limit to the amount of crowding that can go on.

In closing, I would like to express my appreciation for the fine cooperation of the School Board, the teachers, and the townspeople.

Respectfully submitted,
J. HAROLD MOODY,
SUPERINTENDENT OF SCHOOLS
