INGALLS MEMORIAL LIBRARY

ANNUAL REPORT OF THE TRUSTEES - 1972

The Construction Year!

It has been a great privilege to chairman the Trustees again this past year in building the new addition and renovating the library. We feel that we have accomplished this feat through the friendly cooperation of everyone and wish to spread upon the minutes of the Town Report our sincere thanks to each and everyone who has in any way contributed time, money, effort, or any part of these, in helping with this splendid community project.

We have held regular monthly meetings as well as several extra ones with many consultations sandwiched in between.

In April we accepted regretfully the resignation of Mildred Semonite as a Trustee, although happily she has continued to serve us as an assistant Librarian. Dan Breckenridge was appointed to serve in her place and was welcomed to the Board. You had elected Clayton Johnson as a Trustee at Town Meeting, however, during August he moved out of town and again it was necessary to acquire a new member. The Selectmen asked Louise MacNeil to fill this vacancy and we were delighted to have her join us.

In May your Librarian and I attended the N.H. Library Trustees and Library Council's 3rd Annual Conference in North Conway, N.H., and during this month we were pleased to know that Mrs. Sampson and Mrs. Green would be attending the U.N.H. summer courses in Library techniques. Mrs. Sampson was awarded a scholarship by the N.H. Federation of Women's Clubs for this course, thus making it possible for us to send Mrs. Green, who was eager to go. On May 25th the Friends of the Library sponsored a Tea and Art Exhibit by Mr. Pinkham of the Elementary School Art Dept. A note was sent to Jon Flagg in appreciation of his contribution of snow plowing towards the Building Fund.

July was an expecially full month beginning with the OPENING OF BIDS on July 13th and SIGNING THE CONTRACT with the Greenville Construction Inc. of Milford, N. H. on July 24th. Then came the big Flea Market, Children's Fair, Band Concert, and Supper on July 29th. We owe a multitude of thanks to all who worked so prodigiously on this under the Chairmanship of Dan Breckenridge.

As a new well was a prologue to building, we accepted the bid of Quabbin Artesian Well Co. of Fitzwilliam, N. H. and commenced work on August 5th. After completion, we found that we had 12 gallons a minute, however, it was necessary to install a filter system to keep the water free of rust and excess mineral content. Therefore, the Economy Plumbing & Heating Co. Inc., of Keene installed this system.

ANNUAL REPORT OF THE TRUSTEES - 1972 (Continued)

On August 10th the "Friends" sponsored a Puppet Show on the Common from the "Little Red Wagon" and on August 16th Mr. Robert Haynes presented a conservation Program in the Town Hall for the benefit of the Library.

September, October and November were the months in which the building grew. The myriad of details were handled under the competent and judicious eye of Jack Phillips, our Building Chairman, ably assisted by Dave Crocker, our Fund Chairman, and kindness of Ella Connell, our Library Treasurer. Interwoven in these details were the timely and "dirty" jobs involved with moving, in which our Librarian, Asst. Librarians and spouses were a vital part. During the week of January 21st the final stages were completed and an OPEN HOUSE was planned for Friday, February 2nd. The dedication of the new wing is presently scheduled for some time in May.

Amidst all the flurry of activity at the Library, your Librarian and Trustee Chairman found time to attend the New England Conference at the Wentworth-By-The-Sea in New Castle, N.H. in October. In November we were pleased to have had an unusual display of ceramics, photography, oil and water paintings by Alice Stearns. . . and also we would be very remiss not to call attention to the work of the Friends of the Library. The energies expended by them under the fine direction of Chairman, Jean White, are highly commended and appreciated.

Mr. Lawrence Peabody of Rindge graciously offered his consulting services in planning the interior decoration and subsequently followed several meetings with him and for which we offer our sincere thanks.

The Trustees received with great gratitude the gifts from the George R. Wallaces, The Kresge Foundation and Shieling Foundation whose generosity has been a key factor in achieving our monetary goal. There are still many items which we hope to acquire through our continued efforts, but trust the townspeople will enjoy their beautiful facilities and make the Library a source of pleasure and enlightenment in their lives.

INGALLS MEMORIAL LIBRARYANNUAL REPORT OF THE LIBRARIAN

The year 1971 has been an exciting, fast moving one for your Librarian. She has taken two courses at the state level, and attended workshops, as well as the Southwest District Library meetings and those of the New Hampshire and New England Library Associations. Each month she has been present at book review sessions with the State Library Consultants. She has continued as Chairman of the State Library Card Committee for this district.

The Trustees have been most considerate in asking the Librarian to sit in on virtually every meeting they have held for the planning and actual building of the new wing. Their thoughtfulness is much appreciated. At this point she hopes it is not amiss to call the attention of the townspeople to the fact that some trustee has been in the Library practically every day of the building period, to confer with, supervise, or to make suggestions to the architect and builders. Mr. John M. Phillips, especially, has given the project his closest attention. Only the Librarian has been in a position to appreciate the hard work, the many important decisions and in general the total dedication of these trustees. She has, also, been in a position to note the careful handling of the finances by Col. David R. Crocker and Miss Ella Connell who have spared no effort to make every penny count and to stretch the amounts collected and appropriated to give the Town of Rindge its money's worth.

The most exciting period of the year has been that of recent weeks beginning with a "moving day" when more than 10,000 books were moved from the old stacks to the new wing under the supervision of Mrs. George Semonite, Mrs. Ralph Green and your Librarian. This was accomplished with the help of many volunteers including the Friends of the Library under Mrs. Perry White and Scouts Bruce Caron, Bruce Gordon and Tedd Cluff.

The Librarian is very happy in her new, attractive surroundings, principally because the added space will enable her and her staff better to serve the public.

As the Town Report goes to press we are inviting the townspeople to an informal opening, so that they may see the tremendous task accomplished and, also, that they will realize that there is much to be done in the way of furnishing and accessories to meet the public needs.

ANNUAL REPORT OF THE LIBRARIAN - CONTINUED

Again, your Librarian wishes to thank all the Trustees, her assistants, Mrs. Semonite and Mrs. Green, who, in addition to their library duties have been hostesses to the children, shoppers, messengers and scrub-women!

The library program is indebted to Mrs. David Tower, Mrs. J. Gage Dingman and Mrs. William D. Bainbridge who have been our gracious volunteers for the story hours.

Mr. Johnthan Flagg has kept our walks clear of snow and has generously donated his time to the Library. At this point we wish him well at his new work. We welcome our new Custodian, Mr. Michael Symonowicz.

Respectfully submitted,

ELIZABETH W. SAMPSON
Librarian

RINDGE HISTORY COMMITTEE

Report for 1972

In March 1956, the Town voted to "raise and appropriate the sum of \$500 to gather and preserve historical records, data and personal reminiscenses with a view to facilitating the preparation and publication of a History of the Town of Rindge at some future date."

Appropriations have been made periodically since then.

A moderate quantity of information and historical material has been accumulated and is stored at the Library. Due to lack of time by personnel, little progress has been made during the past year in processing or adding to this material and the Committee feels there is no prospect in the immediate future for the publication of a new History by a trained or experienced Town Historian.

The Committee suggests that the Town consider whether to reprint the Stearns History of 1874 or hope for the prospect of a new History up to date, sometime in the future, or both.

The addition to the Fire Station has been built and now houses two trucks. The upstairs is being finished to provide for office space to maintain Town and Company records, and a room for training books, training material, and for training. As funds become available, a septic system, grading the outside, and finishing driveway and parking lot will be done.

Thanks to Mr. & Mrs. John B. Rice for their donation of land to build the addition on, and to the Fire Company who provided funds for survey and legal expense, also the funds and labor to finish the interior.

A thank you to Hoard & Aho Construction Company who provided the plans and specifications at no expense to the Town, also thanks to Neil Raymond who did such a good job building the new addition. And thanks to the Residents and Non-Residents, who so generously support the fund raising endeavors of the Fire Company so that they may add to the equipment that is needed to protect the life and property of this Community.

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF1 9 7 2

In New Hampshire, forest fire control is a cooperative State-town program. The Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief, is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow, must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:30 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control, but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

STATE	-	410 fires	361 acres burned
DISTRICT	-	30 fires	26½ " (26 Spot Fires)
TOWN	-	3 fires	4½ "
