REPORT OF POLICE DEPARTMENT

I wish to take this opportunity to summerize the activities of the Tuftonboro Police Department for the past year and to express my sincere appreciation to Selectmen, Citizens of Tuftonboro and to the personnel working with me for their cooperation and support this past year.

It is gratifying to note the comments and compliments extended to the Police Department by interested citizens who have noted the increased activity of the department this year. It is also gratifying to note the marked decrease in vandalism and property damage this past summer which I attribute to the supervision of police personnel on night patrol which has been increased this year, and also to the citizen who has taken the time and interest to report incidents of suspicious nature.

The two-way radio installed in the Chief's car has proved invaluable in many cases this year. This is a direct connection with your local Fire Department and the Town of Wolfeboro and was instrumental in preventing the spread of a forest fire and in the apprehension of characters intent on stealing and damaging property within the town, plus many other incidents too numerous to mention here. It is hoped that we will be connected with the County radio set-up when this goes through and also that we will be able to install another set this coming year.

A distressing fact is the number of accidents reported to and covered by the Police Department. There were 18 accidents reported which accounted for 28 persons to be hospitalized, some with serious injuries, but fortunately there were no fatalities. An interesting note is that 9 of these 18 accidents happened within an 8 day period while we were enjoying some of the best weather of the summer and almost all of these were attributed to excessive speed, and approximately 75% of all accidents were a direct result of driving too fast for the conditions. This increasing number of accidents shows the need for stricter enforcement of the speed laws within our town and it will be the direct responsibility of this department to see that all laws are obeyed and speed laws enforced. This past year we have issued approximately 56 warnings and have summoned 19

violators into court. It will take every citizen's undivided cooperation and support to help eliminate the killing and maiming that is taking place on our highways today. REMEMBER! It can happen to you and the life you save may be your own!

Your Police Department is a valuable asset in the protection of lives and property and everyone benefits when we are able to respond efficiently to your needs and we can only act on the problems and misdemeanors that are brought to our attention. The cooperation of all citizens is needed to help eliminate the financial embarrassment and loss suffered by some people every year by unscrupulous salesmen and individuals intent on committing malicious acts. We can all help to keep our losses of life and property low by remembering these simple rules.

1. Obey all speed laws and highway signs pertaining to passing zones. Maintain your speed for the conditions of the highway and drive your car as if your life depends upon it, because it does.
2. Report all acts of misdemeanors and maliciousness as soon as it happens. Do not wait until it's too late for your department to take action.
3. Observe and try to record the registration number of all vehicles that may act suspicious or may be parked in a place where it does not belong, and report immediately.
4. Report immediately to your Police Department any persons that may act suspicious to you or are in an area where they are not authorized, especially around schools when they are in session.
5. All salesmen selling magazines or any other products requiring cash payments should have a written authorization signed by the Selectmen or the Chief of Police permitting them to solicit within this town. Please report immediately any

person not possessing this permit. Persons representing septic tank cleaning outfits and home improvement concerns should also possess a permit.

It is the duty of the Police to serve the people in the community and try to preserve lives and property and we can do this only when we receive your fullest cooperation. When you see a blue or red flashing light on the highway, pull over and let this vehicle pass unhindered as it may be a member of your family or your home that the Police or Fire Department is attempting to save.

Let's all help to keep our lives and property safe.

CARL I. HANSEN
Chief of Police

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for

local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children-caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.
